## **Chapter: 1529**

But at this time, Lin Fan squinted his eyes and laughed, but the cold light in his eyes made people shudder!

"Well me, it's fair!"

"They want me to compensate 13 million, so now I also ask them to compensate 13 million!"

"Thirteen million per person!"

boom!

Upon hearing this, Du Yue and the waiter almost fainted on the spot! Thirteen million?

How can they have so much money?

Even Du Yue, a high-achieving student who graduated from Harvard, has worked so hard over the years to save a few million.

Not to mention the waiter!

They simply don't have the money to pay this huge amount of compensation!

"Lin...Mr. Lin, I am bewitched by others, please be kind to me!"

"Mr. Lin, I know I was wrong, please let me go, I really don't have ten million!"

Du Yue and the two kowtow frantically, both of them are already going to be scared!

But Lin Fan pretended to be incomprehensible:

"What are you doing? You can blackmail me more than 10 million. If I collect more than 10 million from you, it will become unfavorable?" The two of them couldn't argue with each other, and didn't know what to say at this time.

How could they have thought that Lin Fan could turn over with a salted fish, and now that stealing chickens can't eclipse rice, they're done!

Now!

Lin Fan's eyes were cold and stern:

"There is no money, if there is no money, then go to hell!"

As soon as the voice fell, Lin Fan suddenly violent, his figure was like

an arrow from the string, and he rushed out in an instant!

Then, he slammed his fist towards the waiter!

See it!

The waiter didn't dare to hide, and he couldn't hide.

He could only close his eyes silently, hoping that Lin Fan could calm down after punching him.

Even Du Yue, who was on the side, felt lucky. Since Lin Fan started beating people, he would more or less calm down after beating them, and things are sure to turn around.

just!

They all think too much!

boom!

Accompanied by a loud noise, a piece of blood blossomed in an instant. Everyone could clearly see at this instant that the waiter's figure rushed backwards in an instant.

After that, he smashed heavily on the wall, smashing a bloody flower! It turned into a puddle of flesh!

However, at this time, everyone saw with horror that the front face of the waiter had sunk into a big hole!

There is no human form completely!

boom!

Everyone was completely blown up and killed people with one punch. What kind of monster is this man?

Du Yue, who saw this scene, was frightened and paralyzed on the spot.

A face instantly turned into an earthy color, followed by a puff of yellow soup, which then seeped out of his crotch.

Originally thought that Lin Fan hit them at most to vent his anger, but he didn't expect him to kill with one punch.

This scene directly caused Du Yue to fall into despair!

Zhou Chuxiong was also shocked by the fright, and looked at Lin Fan in horror.

He has been standing for twenty years, but he has never seen a person who can be as violent and brutal as Lin Fan, just like a humanoid monster!

It's horrible to beat someone to death with one punch!

Especially, Lin Fan's indifferent appearance when killing someone is as casual as trampling an ant to death.

At this time, Zhou Chuxiong couldn't help thinking, I'm afraid that the total number of people he has killed in this life is not as large as the young man in front of him, right?

And just now!

Lin Fan looked at Zhou Chuxiong coldly and said:

"If he lives, you must die!"

Finished!

He just ignored the frightened people, and walked away.

As soon as he left, Zhou Chuxiong sat on the ground feebly, as if his whole body was drained, and his back was completely wet with cold sweat.

too frightening!

He has never seen such a terrible person in his entire life!

Then, he looked at Du Yue not far away with cold eyes, and suddenly shouted:

"Kill! Cut this eye-opening trash with a thousand cuts!"
