

# Chapter: 1530

But when Lin Fan walked out the door, he saw Ye Shihao and other four Patriarchs all coming together.

“Mr. Lin, are you okay?”

Ye Shihao asked with concern.

And Lin Fan gave him an angry look:

“What can I do?”

“I’m sorry, I’m gumbled!”

Ye Shihao suddenly looked embarrassed, and then he remembered that Lin Fannai was a hero. How could ordinary people hurt him?

“Lin Fan, why did you come out, they are embarrassing you?”

Bai Yi also felt incredible, and then looked at Lin Fan suspiciously.

However, Lin Fan had already thought about his excuses, and said with a smile:

“I told them that my wife is the Jiangnan Communist. After they heard it, they were scared to pee, so they didn’t dare to embarrass me anymore.”

“It’s just a fly in the ointment, let Li Xijun that bitch run away.”

Hear the words!

Bai Yi suddenly breathed a sigh of relief, and smiled bitterly:

“If you run away, just run away, as long as you have nothing to do.”

As long as their family can be safe, the past will let it pass.

In fact, Bai Yi also regretted a bit, why he had to conflict with Li Xijun? If he bears it, maybe his family will not encounter such danger.

Lin Fan smiled, but there was no answer.

just!

How could he let go of the culprit who ruined her wife’s future and the old man was beaten?

That woman, a poisonous scorpion heart, had successfully angered Lin Fan, so Lin Fan would not let her go anyway.

.....

At this time, Li Xijun also got in a taxi back to the hotel in a desperate manner, looking desperate and frustrated along the way.

Because she felt embarrassed today, and even humiliated a door-to-door son-in-law.

That Du Yue was nothing but a waste. He said that there were no problems and no problems, and he was even dealt with by a small door-to-door son-in-law.

It almost hurts her, what a mess!

“Bai Yi, you bitch wait for me! I won’t just let it go!”

Li Xijun thought viciously in her heart. After the negotiation was completed, she would spend a hundred and a hundred thousand dollars to buy a leg of the Baiyi couple, shame for today’s humiliation.

At that time, if she ran back abroad, China’s laws would no longer punish her.

Thinking of this, a vicious smile appeared on the corner of her mouth, and she was already a little eager to try.

But at this moment, her phone rang suddenly, and when she saw the caller ID, she panicked and quickly connected.

“boss!”

“Li Xijun, where are you?”

A man’s voice came from the other end, and his tone seemed very anxious.

“I’m at the hotel, what’s wrong?”

Li Xijun also heard something wrong with his boss’s tone, so he asked in confusion.

“I have asked my secretary to upload the customer information this time to your computer. Have you seen it?”

Li Xijun’s expression changed, and he lied and said, “Oh, I watched it!” She didn’t dare to tell her boss that she was actually looking for ducks in the hotel just now.

“Just watch it, you come here right now, and we will sort out the contract to be signed tomorrow to prevent any mistakes.”

“I tell you, this time the customer is the most important customer in the history of our group, and no mistakes are allowed!”

This one!

On the contrary, Li Xijun was stunned. It was the first time she saw her boss so nervous that she planned to sort out the contract by herself?

This is also the first time ever!

In the past, this kind of trivial matter was handled by the boss.

Li Xijun couldn’t help wondering what kind of background the person who signed the contract this time had.

However, before she continued to inquire, the other end hung up the phone directly after a urge.

“Such a big man must go and meet!”

Li Xijun smiled happily, if the other party was a man, he was sure to hook up.

If she can really hook up with such a big man, she will have nothing to worry about in her life.
