

Chapter: 1531

On the second day, Lin Fan and Bai Yi rushed to the hotel again, intending to sign a cooperation contract with Mayweather.

just!

When I walked to the door, I ran into Li Xijun who came downstairs to buy breakfast.

Li Xijun was taken aback for a moment, then a deep contempt suddenly appeared on his face:

“It’s really an enemy on a narrow road. Why are you two dead and poor ghosts here? Is this a place where you can come?”

Although Lin Fan’s performance yesterday was terrifying, she didn’t take it seriously.

Even if Xia Linfan is great, that is, she has some background in Jiangshi, as long as she goes abroad, Lin Fan can’t help her.

and!

As long as she can approach the big man her boss said, even if Lin Fan has a big background, she has to kneel in front of her like a dog.

Bai Yi’s face sank and said:

“Li Xijun, I don’t want to conflict with you, please let me go!”

Today she just wants to quickly reach a cooperation with Mayweather, not wanting to go wrong.

But her humility, in exchange for Li Xijun’s dedication.

Li Xijun smiled disdainfully:

“I don’t want to? I don’t think I dare? You clash with me, don’t you take a piss and take a picture of you?”

“I am too lazy to talk nonsense with you!”

Bai Yi was trembling with anger, but after all she managed to bear it, and walked past Li Xijun.

“Want to go, it’s not so easy!”

Li Xijun suddenly snorted, and then ordered several security guards at the door:

“You guys, chase them away! I don’t want to be in the same room with these two poor ghosts!”

The security guards glanced at each other, and then walked up one after another.

The leader of the team directly reprimanded viciously:

“Two poor ghosts, hurry up! If you dare to offend our distinguished guests, don’t blame me for being rude to you!”

They are Li Xijun and his party who take a private helicopter. Such a master is not easy to offend. If he is not careful, he may even lose his job.

“Li Xijun, you...you!”

Bai Yi was already so angry that he couldn’t speak. The other party was so arrogant. Yesterday, even if she beat her father, she even humiliated them now.

She had obviously tolerated it again and again and didn’t want to conflict with Li Xijun, but the other party seemed to swear not to stop without trampling her to death.

And this time!

Li Xijun laughed wildly and said:

“You two dead and poor ghosts hurry and get out of here, remember later, you have to take a detour when you see me Li Xijun, or you will be humiliated like you are now!”

Immediately afterwards, Li Xijun arrogantly twisted his hips and strode into the hotel.

If it weren’t for the eagerness to see the big man, she wouldn’t have let Lin Fan and Bai Yi so easily.

.....

“Boss, I bought breakfast!”

After returning to the room, Li Xijun’s attitude directly changed three hundred and sixty degrees, and he said to a middle-aged foreigner in front of him with flattery.

This middle-aged foreigner turned out to be Mayweather!

“Li, as a Huaxia, you will be leading the signing ceremony for a while, and as Huaxia, you should feel more cordial to the customers.”

Mayweather said without looking up, still carefully checking the contract.

He was thinking how to give Bai Yi the greatest possible benefit without letting Bai Yi feel contrived, otherwise once Lin Fan’s identity was exposed, it would be a big deal.

just!

Li Xijun, who heard this, defended with a look of disgust:

“Mr. Mayweather, I think you made a mistake! I am not a Chinese. I changed my nationality just three years ago. Now I am American.”

It looked like a great shame to her as a Chinese.

This sentence immediately made Mayweather feel contemptuous. People who don’t even want to admit their blood are simply scumbags.

however!

At this time, Mayweather’s phone rang.

Then roared extremely furiously:

“What! My VIP, was stopped by someone?”
