

# Chapter: 1539

what!

At this moment, the expressions of \*\* and others changed drastically!

“It’s amazingly murderous!”

They couldn’t believe their eyes.

After so many years on the battlefield, they have never felt such a strong murderous aura!

That kind of depression, like the top of Mount Tai, almost suffocated them!

This waste, how could he have such a terrifying murderous intent on his body?

however!

Still waiting for them to react, the ground under Lin Fan’s feet burst open in an instant.

Following Lin Fan, it was like the arrow from the string, it shot out in an instant, and the eyes were already blood red, covered with scarred blood.

At this time, he was like a furious beast, wishing to smash the dead enemy in front of him!

puff!

The person who hijacked Bai Yi was only momentarily different!

His head was slapped by Lin Fan and flew out!

A piece of blood mist exploded directly!

One-handed, spike!

boom!

\*\*After seeing this scene, everyone was scared to pee.

A grandmaster was violently killed in an instant!

Was Lin Fan slapped to death?

At this time, they all had an extremely ominous feeling in their hearts.

What kind of monster did they anger?

And even Bai Yi at this time was completely stunned!

She had never seen such a terrifying Lin Fan, killing people was like slaughtering a chicken and a dog.

The violent breath exuding from her body made every pore in her body seem to be trembling crazily.

Lin Fan now is like a demon!

It's him!

This breath is so familiar!

The Master Lin who killed people on the ring before that was him!

Lin Fan is Master Lin!

Bai Yi only felt that his brain was about to explode, his husband turned out to be the famous Master Lin?

Did you really guess wrong?

When the facts were confirmed, she still felt how incredible all this was, just like a dream.

A door-to-door son-in-law who was despised by everyone, a family cook who was considered to be useless, turned out to be the respected Master Lin?

Bai Yi only felt dizzy, and at this time she didn’t know how to react.

And Lin Fan is also chaotic because of caring, so he doesn’t care about revealing his identity at this time. Now he has only one idea, and that is to make the \*\* and other people unhappy!

same!

The \*\* and others were already unable to even speak, and now they can only look at Lin Fan with an extremely horrified look.

It seems that Lin Fan today is a devil!

Da da da...

Immediately afterwards, Lin Fan was approaching them, step by step, with the most terrifying murderous intent in his eyes.

“Since you don’t get out, then all die here!”

Lin Fan let out a long roar, his fury was extreme!

\*\*Waiting for people with scalp numbness, at this time, they have fully realized the waste that they used to trample on the soles of their feet.

He is already a terrifying master now!

Killing them is like slaughtering chickens and dogs!

Who could have imagined that the person who used to be the most wasteful person in the Lin seat has now become the most terrifying existence in the Lin family.

The Lin Family, this is a great enemy of life and death for himself!

Bang bang!

However, just as they were stunned, Lin Fan had already gone violently, and directly beat the two masters to death with two punches.

There is no comparison between Grand Master and Grand Master!

There is only a dead end!

“Lin Fan, who are you on earth?”

\*\* is also a roar of grief and indignation. At this time, I already knew that I couldn’t escape, so I would not escape.

Lin Fan grinned and swept away:

“People you can’t afford to offend!”
