

# Chapter: 1562

boom!

In an instant, the ridicule on everyone's face instantly solidified, and the mocking words seemed to be choked, abruptly stuffed back.

Senseless!

Completely confused!

Everyone stared at Lin Fan with wide-eyed eyes and an expression of seeing a ghost!

Romani Conti in 90 years?

Romani Conti, known as the king of wine!

And the 90-year-old Romani Conti is also the wine king among the wine kings!

One bottle has already reached a sky-high price of over 1 million, and there is still a price but no market!

And this guy, actually called a bottle of more than one million wine king?

This... how is this possible!

"You guys, have you made a mistake? He is a poor man. How could he be able to afford a bottle of more than one million wine?"

Liu Biqin is going crazy, how could this guy be so proud?

Unwilling!

humiliation!

She felt like she was going to be blown up!

At this time, Jin Chengen also felt that his face was slapped, and he just satirized that the other party only deserves a bottle of beer for a few dollars. As a result, he directly ordered a bottle of more than one million wine king.

The wines he ordered add up, I'm afraid they won't be enough for others.

The man dressed as the manager frowned and glanced at Liu Biqin, and said displeased:

"As the manager of a five-star hotel, do you think I would make such a low-level mistake?"

what!

This sentence made Liu Biqin and others completely stunned!

No... No mistake!

Is it really Lin Fan?

In an instant, everyone around was horrified and cast extremely horrified eyes at Lin Fan, as if they had seen a ghost.

Are they wrong, this waste is so rich?

But Lin Fan smiled indifferently, and pointed to him:

"Let it go!"

"Okay, sir, please take your time!"

The manager said respectfully, and then slowly bowed his waist and backed out.

At this time, there was dead silence in the entire box!

Everyone looked at Lin Fan with an unbelievable look, and it was obvious that they still couldn't recover from the shock just now.

"I drink this kind of wine, is there a problem?"

Lin Fan looked at Liu Biqin with interest.

Liu Biqin flushed with anger, then gritted her teeth and said:

"Pretend what? Have the ability to open and drink! Who knows if you will take it back and return it after you finish?"

This sentence reminded everyone on the scene, what is it to call the wine king, it is awesome to drink the wine!

They didn't believe that Lin Fan really dared to do this!

Hear the words!

Lin Fan also smiled slightly and calmly said:

"I really don't plan to drink it!"

what!

Did you admit it to yourself?

Everyone was taken aback for a moment, and then all laughed contemptuously.

Lin Fan can't pretend, so I have to admit it, right?

"Hahaha, I said this kid is a poor man, am I wrong?"

Hearing Lin Fan confessed personally, Liu Biqin was a kind of inner comfort.

and!

She also said complacently:

"If it wasn't for my ice and snow smartness, I would have almost fooled this scum!"

Everyone suddenly looked at Bai Yi with contempt, and started mocking:

"Bai Yi, who are you looking for? Even if you eat soft rice, you still have a swollen face to fill your fat man?"

"This kind of rubbish, it's not worthy to give us Jin Dashao shoes, you turned down Jin Dashao for him? What are you thinking?"

"Tsk tusk tusk, it's really shameless that the world is invincible, eat soft rice and still want face, how can there be such a strange thing!"

At this time, everyone hated Lin Fan to the extreme.

In their opinion, Lin Fan is a total loser, a scumbag!

just!

Just when they were about to carry out another round of insults to Lin Fan!

The mutation happened!

Boo!

Lin Fan, directly opened the bottle of Romani Conti worth more than one million!

Lin Fan actually opened this bottle of more than a million wine kings?

Does he know what he is doing?

This guy, didn't he say not to drink?

Bai Yi was also taken aback and said distressedly,

"Didn't you say not to drink?"

This is a million-dollar wine, and a bottle of wine costs a million-dollar, which Bai Yi is really unacceptable.

"Yeah, I don't plan to drink it!"

Lin Fan smiled, and then made a move that numbed the scalp of the audience. He pointed the mouth of the bottle at his hand, and then suddenly poured down!

Washing your hands!
