

Chapter: 1574

The audience fell into a dead silence for an instant!

At this moment, everyone was in deep consternation, and they couldn't even speak anymore!

It's Lin Fan!

It really is Lin Fan!

He turned out to be the master of this Fuchun Mountain Residence!

The impact brought by this scene was so huge that it directly made everyone present stunned on the spot.

“Is he really the master of Fuchun Mountain Residence?”

Zhu Yuqing dropped to the ground with a thump, her face was already pale!

As a servant, how can you not know your master?

Even if Lin Fan can buy the security guards, is it possible that he can still buy these servants?

They know that the servants of Yulongwan are professionally trained, and each of them requires a university degree or above.

And it's not allowed to do things that harm the owner's reputation, otherwise, once discovered, not only will he be expelled, but he will also have to pay huge economic losses.

The harsh conditions are no less than training a pilot!

Master of 750 million super mansion!

At the moment of confirming all this, it was like a stormy sea, sweeping everyone present!

They looked at Lin Fan's eyes, with deep awe, as if they were looking at a monster!

“Tell them, who is the owner of this Fuchun Mountain Residence?”

Lin Fan turned around and sneered at the strange pair of mother and son.

“The owner of Fuchun Mountain Residence is undoubtedly Mr. Lin Fan!”

A man dressed as a housekeeper came out with a respectful smile on his face.

“Impossible! This is impossible!”

Lu Danqing was dumbfounded on the spot, and let out a miserable cry, with deep fear in his eyes:

“This Fuchun Mountain Residence was obviously bought by Mr. Mayweather. How could you be the owner?”

“This house is indeed mine!”

At this moment, a casual voice came, and then a man walked out of the house smoking a cigar.

“But I gave it to Mr. Lin, is there a problem?”

boom!

The moment he saw the other party, Lu Danqing was about to explode:

“May...Mr. Mayweather?”

what!

Zhu Yuqing and the Baishan couple stared at Mayweather in astonishment. This man is the local tyrant who bought the Fuchun Mountain Residence?

But he actually gave such an expensive super mansion to Lin Fan after changing hands?

“Mr. Mayweather, you...why is this? He is obviously a trash, why did you give him such a precious mansion?”

Lu Danqing has lost his reason and filled with the flames of jealousy, so he is not so polite.

And his attitude immediately made Mayweather frowned, and his face instantly became unsightly!

Dare to insult the Dark Emperor is a waste?

At the moment, Mayweather glared at the security personnel and scolded:

“How does the security of your Yulongwan work? Someone insulted your most noble owner of Yulongwan. Are you dead by the side?”

Hear the words!

Those security guards reacted immediately, and then walked toward Lu Danqing aggressively.

“What do you want to do, you...”

But after waiting for Lu Danqing to say a few more words, he was already pushed to the ground.

“Stop my son, what do you want to do?”

Zhu Yuqing also screamed out of voice, trying to step forward to stop it.

But he was slapped directly by the security captain and he couldn't find North.

follow closely!

A terrifying scene happened!

哐啷!

With a cracked bone, Lu Danqing's leg turned out to be...

I was trampled off!
