

Chapter: 1589

“Does he really say that?”

A few hours later, inside the Lin family’s mansion, Lin Hongtu roared furiously.

at this time!

All the high-levels gathered together, including Lin Fan’s biological father, Lin Zhanli.

Everyone felt like frost hit the eggplant, completely stunned!

In those eyes, there was extreme fear and anxiety!

Obviously they already knew that Lin Fan was the matter of Master Lin, which was obviously bad news for them.

A great master in his twenties!

One move defeated the black and white Shuangsha!

These two messages, no matter which one they are, are enough to scare them.

problem occurs!

Something happened!

At the moment, Lin Hongtu coldly looked at his brother, and said angrily:

“What do you mean by asking me to convene this meeting in the middle of the night? Do you want to force the palace? Or do you want me to abdicate?”

“Brother, don’t you be stubborn anymore, okay? It will cause such a result, is it not caused by you alone?”

Lin Jiangxing, the second master of the Lin family, said with a gloomy expression:

“If you hadn’t killed Lin Fan’s biological mother and swept him out, how could you have the situation today?”

Third Master Lin Zhaohe also coldly snorted:

“That’s it, even if you killed your three grandsons, and you are still hurting us now, that’s a great master in his twenties, who knows where he will stand in the future?”

“If he wants to overthrow our Lin family, it’s not entirely possible! Even if he can’t overthrow it, there will be assassinations from time to time, who can stop it?”

At this time, the Lin family was already panicking.

Because they all know how terrifying a great master who is only in his early twenties, he has a lot of time to implement his own revenge plan.

They don’t want to die!

“So? What do you want to say?”

Lin Hongtu asked with a sneer, his eyes also filled with murderous intent.

He knew that since they united to force the palace, it must be conditional, and wanted to force him to reach a certain agreement.

“It’s very simple to welcome Lin Fan back to our Lin family. Such an excellent young man is most qualified to be the head of the Lin family. He is even better than your other three grandsons combined!”

“I also think that if he can kill the three outstanding wizards alone, it has already shown that he is not an idle thing. Such an existence would rather be a friend than an enemy.”

“Patriarch, for the sake of our Lin family’s future, you can just bow your head and apologize to him. Anyway, it’s your grandson, don’t be ashamed!”

boom!

Lin Hongtu directly exploded his hair and roared:

“Dreaming! Let me bow my head and apologize to that little beast? You guys are simply dreaming!”

“Who has I been afraid of, Lin Hongtu has lived for most of my life? Will I be frightened by a little boy? I will kill him in minutes!”

Lin Hongtu was furious. In the entire Lin family, and even in the entire business community in China, he was unequivocal.

Now let him apologize to a junior?

Where does this put his old face?

I was willing to let Lin Fan return to the family, it was all a gift to him, let me apologize for that waste?

Is he worthy?

The Lin family present seemed to have expected such a result a long time ago, and they all sneered.

Lin Jiangxing put down the teacup in his hand, and said without a smile:

“Brother, you are getting old! People, you have to obey the old when you are old. Sometimes you get confused and do things that harm your family’s interests. It’s understandable. We don’t blame you either.”

“But, don’t make mistakes again and again, take a family to your funeral, right?”

boom!

Upon hearing this, it wasn’t just Lin Hongtu who exploded this time, but the entire Lin family!

“Master Lin Fan is so good, why don’t you let him come back? Patriarch, are you going to do it your own way?”

For a moment!

Everyone stared at Lin Hongtu with great enthusiasm, and there was no previous respect in their eyes!

Yes, just resentment and anger!
