

Chapter: 1594

Miao Cuiyun's swollen face was even more swollen like a pig's head at this time, leaving a clear slap mark on it.

But at this time, the corners of her mouth were bleeding, and several teeth were lost.

Wow!

Everyone was stunned at this moment.

This guy actually hit someone directly?

And slapped the person ten meters away, which is too exaggerated, right?

Everyone looked at Lin Fan in horror!

“Wife!”

Song Dongye was immediately stunned, and rushed forward to help his wife:

“Wife, are you okay?”

Snapped!

Miao Cuiyun, who was already accustomed to being violent, slapped Song Dongye directly, and howled in frustration:

“My mother was beaten to fly, do you think there is something wrong?”

Thanks to her having more than two hundred catties of fat as a buffer, otherwise she would have to break a fracture.

“But that guy looks fierce, I'm afraid I can't figure it out.”

Song Donglin said very conspicuously. This slap took his wife of more than two hundred catties away. If he hit him, wouldn't he be killed?

He didn't dare to go up and die!

“Trash, useless trash, you go to the old lady!”

Song Donglin roared furiously and kicked Song Donglin away with one kick.

follow closely!

She glared at Lin Fan, gritted her teeth and roared:

“Dog stuff, do you dare to hit me? Do you know who I am? Do you know who my dad is?”

“You wait, I want you to sit through the prison!”

With that said, she shouted at Song Donglin, who was limp on the side:

“Trash, what are you doing in a daze? Why don't you call my dad to come over!”

Ever since she was young, no one has ever dared to treat her like this!

She wants Lin Fan to die!

She wants this couple to die!

“Oh oh oh...”

Song Donglin just woke up like a dream, and then quickly took out his mobile phone to make a call, and at the same time said viciously to Lin Fan:

“You guys and dogs are dead, my husband is the No. 1 boss, you dare to beat us, wait to sit through the prison!”

And this time!

Miao Qiaowei was already very busy, and his brother-in-law offended someone who shouldn't be offended and was sent to the execution ground and shot.

I don't know if he will be involved, so he has been uneasy these days, thinking about how to solve it.

For this reason, he has been inquiring around no less than ten times, but there is still no information at all.

At this time, he received a call from his trash son-in-law, and said in an impatient tone:

“Say!”

Regarding my trash son-in-law, I saw him not pleasing to my eyes from the very beginning. Over the years, I was idle, and from time to time he asked his daughter to ask him for money, and he rarely used his name to show off.

If it weren't for his daughter's fat piggy, he wouldn't agree to marry his daughter to such a thing.

Song Donglin has long been accustomed to the attitude of his husband, and he doesn't feel embarrassed. Instead, he said anxiously:

“Dad, something happened! Cuiyun was beaten by someone!”

what!

Hearing this, Miao Qiaowei on the other end was completely blown up. He gave birth to a daughter, Miao Cuiyun, in his entire life, so he was very precious.

Never wanted to make her feel wronged a little!

Who is so bold to beat his daughter of Miao Qiaowei?

“what happened?”

Miao Qiaowei roared, his upset to the extreme, he was already exhausted, and his precious daughter actually did something for him.

After that, Song Donglin reinterpreted what he said.

After listening, Miao Qiaowei almost jumped angrily.

Does someone take the initiative to seduce you?

You Song Donglin is short and fat, and looks like a squirrel. You are like a vole. Would people like you?

Are you dreaming?
