

# Chapter: 1596

boom!

Lin Fan's overbearing remarks suddenly made everyone present silent.

They don't dare to talk nonsense anymore!

The man in front of him was so cruel. He slapped a person more than ten meters away, and kicked him to vomit blood. Is it worth it?

Who dares to go up and die?

What should I do if I am severely injured or killed?

"Call the police! Call the police right away! Too arrogant, how can there be such a person!"

"That is, if you dared to be so arrogant in the street, such a person must be severely punished, and you should call the police to arrest him!"

"When the provincial number one arrives, he will be dead!"

The sentiment is exciting, and everyone is furious!

Can't wait to see Lin Fan and Bai Yi bad luck.

But Miao Cuiyun sneered disdainfully:

"I don't think you can cry without seeing the coffin. When my dad arrives, you will regret it!"

just!

Lin Fan sneered when he heard this:

"Call someone, right?"

"Okay! Let's look forward to bibi together!"

Talking!

He took out his phone and said to the other end:

"Assemble all the forces in the south of the Yangtze River, and come to see me on the third floor of Bairun Shopping Center within half an hour. Those who are late can get out of here!"

Angry!

At this time, Lin Fan was completely angry!

At all costs, regardless of all consequences, severely punished without loan!

Who hurt his wife, die! ! !

But his words fell in the ears of everyone, but they became a big joke.

"Assemble the whole Jiangnan, wow, you are so majestic! It's even better than the provincial number one!"

Miao Cuiyun said in a strange way:

"Even my dad doesn't dare to speak such a big tone. What are you!"

Everyone laughed contemptuously, and felt that Lin Fan was bragging.

Is it possible that he also has the No. 1 province laozi?

What a joke!

Everyone looked at Lin Fan contemptuously, and the disdain and disgust had already manifested themselves.

just!

Lin Fan ignored their insults at all.

He looked at Miao Cuiyun faintly, as if looking at a dead person:

"Who I am, you will know soon."

After a long time, a burst of dense footsteps came quickly from a distance.

A middle-aged man, Yixie, came with a group of police officers step by step, and he was fully armed.

The middle-aged man Xie is naturally Miao Qiaowei!

At this time, his face was gloomy and terrible, as if he was about to eat people.

"Dad, here I am, here I am!"

Miao Cuiyun quickly stood up and waved to Miao Qiaowei, and at the same time gave Lin Fan a bitter look:

"Boy, you're done! Haha!"

Miao Qiaowei walked to Miao Cuiyun and glanced at the scar on Miao Cuiyun's face. He jumped into thunder and roared:

"Who is it? Who beat my daughter like this!"

Everyone gloated at Lin Fan, and the No. 1 provincial chief was angry, and Lin Fan was about to die.

And Song Donglin smiled unkindly, pointing to Lin Fan and said:

"Dad, it's this crap, he did it! Does he still want to kill?"

And Miao Qiaowei stared directly at Lin Fan, and a touch of hatred suddenly appeared in his eyes:

"Put on handcuffs and follow me!"

There are so many people here, it is inconvenient for him to clean up Lin Fan. After he arrives at the police station, he will definitely make Lin Fan survive and die!

Hearing this, Lin Fan sneered:

"Shan No. 1 is such a powerful official, shouldn't you ask, why did I beat your daughter?"

Reasonable?

Miao Qiaowei smiled, a trash scum, even wanted to reason with him?

What a joke!

Right now, he said with a gloomy face:

"I don't know, and I'm not interested in knowing, I only know that you beat my daughter, then you should pay the price!"

"is it?"

Lin Fan smiled, angrily at the shamelessness and arrogance of the other party:

"Then I will tell you too, you are over today!"
