

Chapter: 1673

Not long after, Lin Fan appeared next to Zhang Jianjun, watching Xu Yourong conducting an interview through the monitor.

If Xu Yourong's attitude is better, then he will be able to let Xu Yourong enter the Dingsheng Group with his mouth, but now, it is unlikely.

Want to make trouble for him, but also want to enter his company? dream!

“How is the situation!”

Lin Fan asked Zhang Jianjun on the side, and Zhang Jianjun was already in cold sweat at this time, constantly wiping cold sweat.

“I asked a few questions in a row just now, the difficulty is all expert level, but she can answer them like fluent!”

“And some of her insights on medicine can be called innovation! It's breathtaking! Mr. Lin, this is a rare talent. If she doesn't particularly offend you, I suggest to keep her. Come down!”

“We, China, need such talents!”

Zhang Jianjun looked at Lin Fan cautiously. At this time, even he wanted to keep Xu Yourong. This woman is really too strong!

Even if Lin Fandang frowned, he originally wanted to make Xu Yourong a stumbling block, but he didn't expect this woman to be so good.

The problem they designed, can't it be difficult for her?

No wonder Bai Yi told him before that her cousin is the best woman in the world, and it really is extraordinary!

Lin Fan hesitated, then asked:

“What is the position she is asking for?”

“Supervisor.”

Zhang Jianjun answered in a low voice.

Ok?

Lin Fan was taken aback, then laughed:

“It's really a lion's mouth open!”

In other groups or companies, directors are certainly not as senior as directors, presidents and other positions, but in Dingsheng Group, a director position is more senior than the chairman of other companies. Because of Dingsheng Group, it can be said to be the China Doctors Alliance!

Being a supervisor here and being a supervisor outside have completely different meanings.

All the candidates came from the bottom, but Xu Yourong asked to be a supervisor when he came, which was really a bit greedy.

“Then what do you mean?”

Zhang Jianjun looked at Lin Fan uncertainly.

“Enroll her. The probation period is three months. If she has no way to practice more than theory within these three months, let her go out of bed!”

“Wages are not paid!”

Lin Fan said this lightly, and then left the room.

But Zhang Jianjun suddenly felt happy and went straight to the interview room.

“Miss Xu, congratulations! From now on, you are the director of our Dingsheng Group. The probation period is three months, and you will start working tomorrow. Do you think there is a problem?”

Ok?

The interviewer and Xu Yourong in the room were completely stunned.

This interview was only halfway through, and Zhang Jianjun came out and said Xu Yourong was admitted?

Xu Yourong stood up, shook hands with Zhang Jianjun politely, and said with a smile:

“Well, Mr. Zhang, I have an unrelenting request. I don't know if Mr. Zhang can do it!”

Hear the words!

Zhang Jianjun was taken aback for a moment, then his face quickly returned to a smile, and he said with a small smile:

“Miss Xu, but it doesn't matter!”

Xu Yourong, who has always been vigorous and resolute, suddenly became a little bit twisted.

It's like a frosty white rose, blooming!

Guru!

Seeing her shy appearance, Zhang Jianjun couldn't help swallowing, and cursed a fairy secretly in his heart.

“That's the case. I heard that Dingsheng Group is now led by Lin Shenyi. I want to see him. Is it convenient for you to see Mr. Zhang?”

Zhang Jianjun suddenly turned green as if he had eaten a fly.

I thought this lady was interesting to him, because it turned out to be Lin Fan's idea.

“This...”

Zhang Jianjun's expression suddenly became hesitant, because he knew Lin Fan's character very well, and most of them would never see Xu Yourong.

After all, a strange man like Lin Fan has too many admirers.

If everyone wants to see each other, where can I see them?

Seeing Zhang Jianjun's reluctance, Xu Yourong suddenly said nervously:

“To be honest, the reason why I came to the Dingsheng Group for an interview this time is because I came here with admiration for the genius Doctor Lin!”

“I implore Mr. Zhang to fulfill my wish!”
