

Chapter: 1700

Jiang Zunsheng gave a wry smile, and then said awe-inspiringly:

“Because of conscience!”

Lin Fan almost laughed when he heard the words below.

This Jiang Zunsheng is better than Ouyang Feifei in acting, this is the real cunning and cunning.

Jiang Zunsheng is like a righteous man, righteously said:

“In order to develop a new vaccine, Washington DC has worked overtime overnight. All employees and senior management are busy and dizzy. The purpose is to get the vaccine to market as soon as possible to solve the domestic epidemic!”

“This is a great event for the benefit of the country and the people! Benefits for the benefit of society! However, Ouyang Feifei maliciously severely wounded Washington Pharmaceuticals and affected the listing of vaccines for his own selfish desires!”

“Speaking nicely is selfishness, and speaking badly is an attempt to endanger national security and disrupt social stability!”

“Such a scumbag with no artistic virtue, our company will never tolerate it, and must be severely punished!”

“So I officially decided to terminate the contract with Ouyang Feifei from today. This kind of artist is not a person at all and must be severely punished!”

Puff!

Ouyang Feifei was completely limp on the ground, her face like ashes.

That’s it!

She is completely over, now not only is she ruined, she may be blocked forever.

Her star dream ends here!

At this time, Ouyang Feifei was going crazy, she had spent so much effort and time in order to get to where she is today.

But just because of Jiang Zunsheng’s words, she completely hit the bottom!

Forever!

“So shameless!”

“The thief shouts to catch the thief, why is there such a shameless person as you!”

“Because of her own selfish desire, she prevents the life-saving vaccine from being launched. What she damages is the safety of human life and property. Can this kind of person become a star?”

“Severe punishment, must be punished severely!”

All the reporters suddenly jumped into a rage and screamed at Ouyang Feifei.

What’s more, they even wanted to take the stage and beat Ouyang Feifei, but they were stopped by the security guards.

The audience who watched the live broadcast in front of the TV were also filled with outrage at this time. They all thought that their idol was such a disgusting person.

Say she is a scumbag and praise her!

Moral conduct is corrupted to the extreme!

Obviously he made a mistake, and in the end he bit back. If Jiang Zunsheng hadn’t stood up to clarify, they would have believed Ouyang Feifei’s nonsense.

Even if the vaccine of DC Pharmaceuticals is on the market, I am afraid that no one will get it.

It is not an exaggeration to describe her as a disaster for the country and the people!

And just now!

A group of plainclothes walked in quickly from the door, and walked straight to the podium.

After showing the arrest warrant, she said to Ouyang Feifei with a cold face:

“Ouyang Feifei, you are suspected of deliberately injuring others, malicious slander, and endangering public safety, etc., please cooperate with us in the investigation of the bureau!”

Humph!

Ouyang Feifei’s heart suddenly sank, but the police department cooperated with the investigation?

Isn’t that there is no return?

At the moment, Ouyang Feifei was eclipsed by Huarong, no longer having the pride and smile just now, crying to Jiang Zunsheng:

“Save me! Jiang Zunsheng, save me! You can’t just watch me get taken away like this!”

She can accept not being a star. After all, she has already made so much money, and she will marry a rich man.

But if she were to go to jail, she would be completely ruined in her life.

She doesn’t want to go to jail. She is only 23 years old this year. She is in her youth and has great years. She still hasn’t had time to enjoy life.

How can she go to jail!

just!

How dare Jiang Zunsheng save her at this time? Doesn’t saving her mean offending Lin Fan?

At the moment, Jiang Zunsheng was cold, and continued to pretend to be filled with righteous indignation:

“Why do you blame me for this? A scum like you deserves to be severely punished!”

The implication is to completely abandon Jiang Zunsheng!

“Jiang Zunsheng, you beast! I won’t let you go!”

Ouyang Feifei roared hysterically, and was dragged down by a group of plain clothes.

However, there is more to it!

“Wan Lishi, you, as Ouyang Feifei’s agent, also follow me to understand the situation!”

Hear the words!

Wan Lishi’s face turned pale, and her legs became soft and she slumped on the ground.

At this time, he was scared, and he didn’t even have the strength to stand up, like a dead dog.

then!

Jiang Zunsheng came to the stage and bowed to everyone:

“Everyone, this matter was caused by the unfavorable supervision of my subordinate artists, and it was my dereliction of duty!”

“For this, I solemnly apologize to Washington Pharmaceuticals!”

“And don’t hesitate to compensate Washington DC Pharmaceuticals!

Today’s release meeting is over!”

“Everyone, please go back!”
