

Chapter: 1712

Li Xunran nodded bitterly and said:

“Yeah, no need!”

originally!

She wanted to use Lin Fan to dissolve the engagement, but waiting for her to throw Lin Fan’s trump card, her family’s reaction had completely chilled her.

At this time, it doesn’t matter whether he throws Lin Fan’s hole card or not.

Because she had broken off their engagement with Wang Gamei, and she was also swept out by Old Man Li.

“What kind of thing are you? Is there any place for you to speak here?”

The second aunt immediately yelled at Lin Fan, with a deep contempt on her face:

“A person who eats soft rice really regards himself as a character. If it weren’t because you are the concubine of this bitch, we will let you die here now!”

Everyone looked at Lin Fan with contempt, a door-to-door son-in-law with so many scenes, where’s the courage?

At this time, Li Xunran looked at Lin Fan with a tired face:

“Lin Fan, shall we go?”

At this time, she didn’t want to stay here anymore, because every minute and every second here, she felt very disgusting and disgusted.

Lin Fan frowned and asked again:

“Are you sure you are leaving like this?”

The two families in front of others are huge creatures, but in his eyes, they are like ants, and they can be destroyed by a single click!

Speaking of difficult points, even if they add up, they are less than one-tenth of the Lin family.

Faced with Lin Fan’s thoughtfulness, Li Xunran nodded with difficulty.

As she said, nothing matters anymore.

“Ok!”

Lin Fan nodded, helped Li Xunran and planned to leave.

just!

This intimate act completely broke Wang Gamei’s fragile nerves!

At the moment, a strong killing intent appeared in his eyes, and he said sharply:

“Can’t just let him go!”

“It’s all because of this scum, that’s why the marriage between Li Xunran and I broke up. I must not let him go!”

“He must die!”

However, Wang Gamei didn’t even know!

Just because of his words, the entire Wang family is about to face annihilation for a while!

And hear this!

Elder Li also yelled abruptly:

“Stop him!”

It was all because of Lin Fan that he had to sweep Li Xunran out. Naturally, he wouldn’t take Lin Fan lightly at this time!

And Lin Fan turned around and looked at Wang Gamei gloomily:

“Are you sure you won’t let me go?”

He originally wanted to let it go, but now that Wang Gamei is looking for death, it’s different.

“Not bad!”

Wang Gamei showed a grimace, then looked at Lin Fan condescendingly:

“If you want to go, go under my crotch so I can consider letting you go!”

Ho ho!

Lin Fan sneered twice, then walked back:

“Okay, then I won’t leave!”

And this time!

Li Xunran also frowned, and said to Wang Boyi in anger:

“Wang Boyi, I warn you, don’t make trouble for yourself!”

But when Wang Boyi heard this, he became more and more jealous:

“Why, do you feel bad for your concubine?”

Right now, he thought Li Xunran was feeling sorry for Lin Fan, for fear of what he would do to Lin Fan.

As everyone knows!

Li Xunran was actually saving his dog’s life!

Then, Wang Gamei gritted his teeth:

“But the more you love him, the more I want to beat him to a disability!”

Lin Fan put a green hat on him and wounded him again. How could he give Lin Fan lightly?

Today, Lin Fan must die!

He wants to make Li Xunran lose money!

“Grandpa! Don’t! You can’t offend him!”

Li Xunran pleaded with Old Man Li. She knew Lin Fan’s temper. If these people insisted on trying to die, Lin Fan would not let them go.

And the wrath of this devil is beyond the reach of the Li family and the Wang family!

But her words fell in the ears of Old Man Li and the others, but they were completely changed.

Can’t afford to offend?

Is Li Xunran looking down on their family?

It’s nothing more than a little white face who eats soft rice. How can they not afford it?

At the moment, Mr. Li was even more disappointed with Li Xunran, and he shook his head vigorously:

“Li Xunran, Li Xunran, I didn’t think you would have fallen into this appearance. In order to protect your own concubine, you can tell such lies!”

“Don’t pay attention to her, crippling that kid... crippled!”
