## **Chapter: 1727**

And Zhu Qianlong also looked contemptuously:

"A small company from a remote village can not be compared with the great cause of my Zhu's family. You only need to find the genius doctor Lin, and I believe he will know who to work with."

Both Zhu Yuanchao and Zhu Qianlong and his son are very confident, and God Doctor Lin will never refuse such a powerful partner of them.

No, it should be said that he dare not refuse!

Zhu Yuanchao also smiled arrogantly and said:

"It's just a small company. Just kick it out when the time comes. Could it be that they dare to refuse?"

The attitude of the father and son of Zhu Yuan Dynasty made Deyao frown.

The father and son were as ambitious as ever, otherwise the father and son would not be called the teacher of tigers and wolves by the outside world.

Two people are called the teacher of tiger and wolf. Laozi is a tiger and his son is a wolf. They are full of ferocity and greed.

They want to take the vaccine of the genius doctor Lin as their own!

Therefore, Yao Lao is naturally unable to help Zhou to abuse him, so he said with a cold face at the moment:

"No matter what you do, God Doctor Lin will never give up cooperating with Xin Bai's. Are you dead?"

Ok?

Zhu Yuanchao and Zhu Qianlong looked at each other, and the expressions in those eyes suddenly became extremely cold.

Right now, Zhu Qianlong said sharply:

"Then we will directly annex the Xinbai clan, or let them close their doors. Then, will the genius doctor Lin have to cooperate with us?"

There is a deep threat in the words!

Yao Lao's face suddenly became gloomy, and the other party was more shameless than he had imagined. They wanted to use this despicable way to replace the cooperation between Xin Bai and Lin Shen.

And he also knew that Zhu Yuanchao and his son could really do such a thing.

Seeing Yao Lao not speaking, Zhu Yuanchao had already lost his patience, and there was a threat in his words:

"So, the old brother doesn't plan to help me?"

Yao Lao snorted coldly and said:

"I won't help you to abuse you, don't think about it, and I advise you to let me go, otherwise I can't guarantee what will happen!"

It would be fine if Dr. Lin was just a small doctor, but the problem was that Lin Fan's background was far beyond the imagination of the father and son Zhu Yuanchao.

In this case, they want to swallow Lin Fan, which is no less than a foolish dream.

It's impossible!

That evildoer, even the Lin family who is in the midst of the sky can't eat it. Why are you a ruined Zhu family?

"You ungrateful animal!"

Zhu Qianlong suddenly showed a fierce light, and stared at Yao Lao, he was already murderous:

"Dad, what nonsense with this old immortal, since he is unwilling to help, it is not useful to keep him!"

"Kill him!"

Hear the words!

Zhu Yuanchao sighed helplessly, looking at Yao Lao with complicated eyes:

"Old man, I really don't want to be like this, so why bother to force me?"

just!

Yao Lao sneered, and said with contempt:

"Kill if you want to kill, why nonsense, if I frown, I will give your last

name!"

Yao Lao's resolute attitude immediately caused Zhu Yuanchao and Zhu Qianlong's hearts to sink.

This old thing is more than toasting and not eating fine wine, he simply doesn't get in.

For a Lin's genius doctor, he didn't even want his life?

"Old brother, why are you doing this? We just want to cooperate with the genius doctor Lin, but not to kill him, why do you have to be so determined?"

Zhu Yuanchao said bitterly, his face was full of sincerity.

Hahaha!

However, Yao Lao who heard this burst into laughter instantly, and then stared at Zhu Yuanchao coldly:

"Because I know you too well, Zhu Yuanchao!"

"You don't care about patients, you don't care about doctors, all you care about is money!"

"Mr. Lin, you are a young man who has high hopes for me. You want him to become your tool for collecting money, you wishful thinking!"

Ok?

Zhu Yuanchao's eyes flashed with murderous intent instantly!

At this moment, I was completely irritated!
