

# Chapter: 1733

Zhu Yuan Dynasty began to feel uneasy. If Lin Zuo really came to fish for people, then Yao Lao would have to let go.

“I...how do I know, Dad, do I dare to speculate about this kind of thing? I must be here to ask you to decide!”

Zhu Qianlong said in tears, how dare he speak nonsense, if the other party is really Lin Zuo, wouldn't they be cold?

Zhu Yuanchao's eyes flickered, and his expression was uncertain.

Yao Lao's threat came to my mind. Yao Lao said before that if they didn't release him, he would definitely be in big trouble.

And now, the trouble is coming.

“Quick! Bring me that old thing!”

At this time, his voice has changed.

Soon, Yao Lao was brought up, and then Zhu Yuanchao asked in horror:

“Old brother, a little brother named Lin came to see you outside. What is his identity?”

Yao Lao glanced at him, suddenly understood, and then sneered:

“Know that you are afraid?”

Hear the words!

Zhu Yuanchao suddenly looked embarrassed, but he didn't dare to have a temper, so he could only smile and said:

“I hope the old brother tells me who he is, and you can leave after speaking.”

And Old Yao glanced at him deeply and said:

“I don't know what his identity is! But did you know what happened to the Lin family some time ago?”

boom!

Just listen to this!

Zhu Yuanchao and Zhu Qianlong trembled at the same time, and those eyes seemed to be split at this moment.

Could it be that...

The two immediately looked at Yao Lao very nervously.

And Yao Lao nodded:

“He did it!”

Puff!

Zhu Yuanchao and Zhu Qianlong suddenly sat on the ground, their faces instantly turned gray.

It's Lin Zuo!

Needless to say, it must be Lin Zuo!

Only Lin Zuo has such an ability!

“Quick! Go and invite him in!”

Zhu Yuanchao roared hoarsely, his throat was almost hoarse.

.....

Outside, Lin Hongtu and others were also waiting anxiously.

I want to see if Lin Fan really has the ability to rescue Yao Lao.

At this time, Lin Hongtu's face became more and more ugly, and for some reason the uneasy feeling in his heart became stronger.

boom!

The next moment, the door of Zhu's house was pushed open, and then a scene that horrified everyone to death happened!

Only saw Zhu Yuanchao rush out from the inside in a hurry, his face was pale, and he looked sincere and fearful.

Then under the guidance of Zhu Qianlong, he went straight to Lin Fan!

After facing Lin Fan, he bowed to Lin Fan instantly:

“Mr. Lin, I know I was wrong!”

Quiet!

The whole audience was silent!

Everyone's expressions looked like they had seen a ghost.

Zhu Yuanchao actually bowed to Lin Fan and apologized?

dream!

This must be dreaming!

Who is Zhu Yuan Dynasty? That was the super boss who didn't even give face to Lin Hongtu, and now he lowered his proud head in full view.

Bowing and apologizing to a little yellow-haired boy?

Hallucinations!

This must be an illusion!

Everyone couldn't believe their eyes at this moment. Zhu Yuanchao didn't even give them face, but he only apologized to Lin Fan?

What kind of terrifying background does this kid have?

wrong!

At this moment, everyone reacted. It was not this kid's background that was terrifying, but the words he had just written!

Everyone was shocked

What on earth did this guy write on that piece of cloth, so that he could make Tangtang Zhu Yuanchao directly apologize?

Now!

Lin Hongtu and Lin Zhanxi became uneasy!

Because they found that the waste in their eyes seemed to have energy they couldn't imagine.

Even an old thing like Zhu Yuan Dynasty had to bow down!

This is simply a dream!

Shocked!

But more despair!
