

# Chapter: 1743

Wow!

The entire Song family was shocked, and at this moment he couldn't believe his ears.

What did this guy say, he is the genius doctor Lin?

Are you kidding me?

God Doctor Lin is a little white face who eats soft rice?

Everyone was stunned by Lin Fan's shamelessness.

"Brother Song, you don't want to kill the Song family. Do you know how serious it is to pretend to be the genius doctor Lin? If you let the genius doctor Lin know, your Song family will be ruined. We are not allowed to be implicated."

"Go away, goodbye!"

The guests left in fear one by one, not daring to stay here for a long time.

It seems for fear of being implicated by the Song family!

Pretending to be the genius doctor Lin, this is a capital crime!

Seeing this, all the Song family members shuddered.

Song's grandson pretending to be the genius doctor Lin, this deity will arrive in a while, if the deity knows about it, then they will be done!

"Bastard stuff!"

Song Yuerong stomped straight with anger, and pointed at Lin Fan tremblingly:

"You don't know how to live or die, you dare to pretend to be the genius doctor Lin, do you want to kill our Song family?"

But Lin Fan didn't make any sense, and said with an indifferent expression:

"I, Lin Fan, never disdain to impersonate anyone!"

boom!

The dead duck has a hard mouth!

Everyone was dumbfounded, looking at Lin Fan like an idiot.

It's already time, this guy is still unrepentant.

Pretending to be the genius doctor Lin in front of so many people in the audience?

"Lin Fan, you dog! I'm telling you, you have caused a big disaster! The genius doctor Lin will come to our Song family in a while, if you know you are impersonating him, you will definitely die!"

Song Jingteng scolded angrily, and laughed happily.

And Song Yuerong also followed, saying:

"You have been living on the streets since you were a child, and then you were picked up by a beggar. You suddenly appeared in Jiangshi three years ago and became a door-to-door son-in-law."

"For the past three years, you have been washing and cooking, and being a family cook at home. How can you be the genius doctor Lin?"

Lin Fan laughed when he heard this. It turned out that Song Yuerong had been paying attention to his own movements, but he had never thought of getting acquainted with him.

Even always regarded him as a drag!

"Husband, don't talk nonsense, it's very sinful to pretend to be the genius doctor Lin."

Bai Yi also became nervous, the genius doctor Lin was not easy to provoke, and it would indeed cause a big disaster to pretend to be casual.

"I heard that there is no such thing, even your wife doesn't believe you, what else can you say about this trash?"

Song Jingteng laughed extremely ironically, and then said to Bai Yi:

"Miss Bai Yi, what's the point of following such trash? Why don't you follow me, I'm much better than him."

Before Song Jingteng finished speaking, Song Jingteng's father, Lin Fan's uncle Song Xiyue, also smiled viciously:

"Dad, this kid can't just let him leave like this. He pretends to be the genius doctor Lin. If the genius doctor Lin knows, our Song family will be over!"

"That's why I suggest that you simply maimed this unconscious boy, and then hand it over to the psychic doctor Lin!"

Both father and son are so cold-blooded and ruthless!

Relying on his sister's death hush money, he gained his status today, but he was not grateful at all.

I was also afraid that Lin Fan would come back to fight for the family property and wanted to kill him.

And the coldest-blooded person is Song Yuerong!

Hearing Song Xiyue's words, he didn't even have the most basic hesitation, so he said directly:

"Then what are you doing in a daze? Why don't you beat me crippled by this rubbish?"

Wow!

In an instant, a group of Song family security guards stepped forward and planned to kill Lin Fan.

And Lin Fan sneered, completely disappointed with his grandfather.

But at this time, someone stumbled outside the door, and said in horror:

"Old... sir, the genius doctor Lin is here!"
