Chapter: 1750

Lin Fan glanced at Song Yuerong and said with an indifferent expression:

"Forget it, anyway, he is also my grandpa!"

"Moreover, I have already drawn a clear line with them now, and I won't have anything to do with them anymore, just forget it!"

Hum!

Hearing Lin Fan calling his grandfather, Song Yuerong's scalp numb.

He thought that this title was a shame just now, but now he thinks where he is worthy to be the grandfather of the genius doctor Lin?

Lin Fan can call him grandfather, that is a blessing from the cultivation

of his predecessors. But he actually used five million to send Lin Fan?

This is so frustrating!

No wonder the great doctor Lin gave such a high regard to their Song family, no wonder Zhang Jianjun would say that the great doctor Lin had a great relationship with their family, it turned out that the great doctor Lin was Lin Fan!

Song Yuerong at this time, knowing the great future of his Song family, had completely passed them by.

Now, there is nothing.

Lin Fan won't forgive them, and they won't forgive themselves.

but!

All this is just the beginning.

Wow!

Suddenly there was a terrible commotion outside.

Then, Song Yuerong's housekeeper ran in in horror:

"Master, there are a lot of private helicopters coming outside, all of them parked at the door of our Song family, they are almost full of our Song family!"

what!

Song Yuerong's expression was flustered at once, and then rushed out quickly, and saw all the familiar big guys stepping off the plane one after another.

These big guys, none of them existed in the world, but gathered in

Everyone was completely shocked by the scenes before them, and

there was a deep panic in their eyes. What's even more exaggerated is that even the blood prison is here!

That is a place like hell in the eyes of the world. Those who live in it are also a group of demons!

They actually appeared here all together. Isn't it incredible?

Then, everyone looked at Lin Fan nervously, telling them intuitively that the appearance of these people in front of them had a great

The big guys present all bowed to Lin Fan: "Mr. Lin, here we are!"

Hundreds of people shouted in unison, like a shock, deafening!

this time!

Wow!

Song Yuerong's ancestors and grandsons are completely petrified at

Completely sluggish! Again... it's Lin Fan again! He is not only the genius doctor Lin, he is also related to the blood

prison and Lin Zuo!

Otherwise, how could Lin Zuo and the fierce generals under the Blood

Prison King appear here together?

They underestimated Lin Fan's ability!

Puff!

Song Yuerong sat down on the ground with a deep regret on his face:

"What the hell did our Song family do!" They can use Lin Fan's power to reach the top.

But now, there is nothing!

It's all over!

damn it!

It's all their fault!

Since Lin Fan came to him, it meant that he still had feelings for the

Song family.

But he regarded Lin Fan as a wild species and Song Yao as a shameless

bitch. Their Song family ruined everything!
