

Chapter: 1759

Lin Fan roared like a mad lion. He wanted to know who did these things and who dared to plan his ancestral grave so boldly.

Puff!

Zhang Jianjun just fell to the ground, his face pale:

“Mr. Hui, we don’t know who did it, but there is a letter on it I think it should be for you.”

Lin Fan quickly opened the envelope and saw a series of short words left on it:

Sending you a great gift, thank you for your attention to the Lin family during this time.

The signature is: Lin Zongrui!

Zhang Jianjun came over and glanced at the name, and he was shocked and said: “This Lin Zongrui is Lin Zhanli’s son. He was sent to the U.S. to study by Lin Zhanli when he was very young, and he never came back!”

“Lin Zhanli’s son?”

Lin Fan gritted his teeth, and Lin Zhanyu had his mother tortured during his lifetime, and his son even dared to humiliate his mother in this way.

“Find!”

“Find him for me, and I will smash him into thousands of pieces!”

Lin Fan was furious, almost mad.

And at this time, the Lin family!

The three grandfathers and grandchildren greeted the wine, and their faces were full of joy.

“You really planed the grave of that bitch Song Yao?”

Lin Zhanli asked Lin Zongrui.

Lin Zongrui was a delicate young man, his appearance was somewhat similar to Lin Fan, but his temperament was more feminine.

It looks like a poisonous snake, giving people a very uncomfortable feeling.

Lin Zongrui sneered and said:

“That bitch made our Lin family suffer from humiliation while she was alive, and her son did so many things after he died. What happened to me digging her grave? I just want her to be uneasy even in death.”

“Also, I also want to let the wild species of Lin Fan know that what he will face next is me, Lin Zongrui!”

“Hahaha, well, as expected to be my grandson of Lin Hongtu, so domineering!”

Lin Hongtu gave Lin Zongrui a thumbs up and praised:

“It seems that sending you to study abroad was a correct decision.”

“It turns out that you are the Lin family, the most underestimated person, and the Lin family will depend on you to support it in the future.”

And hear it!

Lin Zongrui was also overjoyed, and he arched his hands at Lin Hongtu excitedly:

“Grandpa rest assured, I will definitely live up to expectations and lead the Lin family to flourish.”

Then, Lin Zongrui looked at Lin Zhanxi and sneered:

“Dad, are you afraid?”

afraid?

Lin Zhanli suddenly looked contemptuous and said:

“My son is the boss of the Sanctuary branch. Do I need to be afraid of Lin Fan’s dog stuff?”

original!

Over the years, Lin Zongrui has become a high-ranking official in the church.

The Sanctuary is a criminal organization in the U.S., but it has an official background behind it. It sells arms on behalf of the government. It is now known as the largest arms dealer in the U.S.

In the outside world, he is called the king of war, and he often clashes with the blood hell overseas.

It can be imagined how terrible the existence that can challenge the blood prison.

It is precisely because of this that Lin Zongrui dare not put Lin Fan in his eyes.

When he came back this time, Lin Zongrui was just to regroup and regain control of the Lin family!

Kill Lin Fan at the same time!

He is now the top of the temple, killing a great master is easy.

The dark hall he was responsible for was specifically responsible for assassinations.

“Next, what are you going to do?”

Lin Hongtu asked Lin Zongrui with a look of concern, apparently he couldn’t wait to pull out Lin Fan’s thorny eye immediately.

Lin Zongrui sneered and said:

“I am best at assassination, so naturally I have to kill him with what I am good at.”

“But I won’t let him die so easily, I will kill his family one by one, and then it will be his turn at the end!”

“Let him taste it too, what it’s like to lose a loved one!”

boom!

Lin Hongtu was immediately ecstatic, and tightly held Lin Zongrui’s hand:

“Good grandson, grandpa’s good grandson, the Lin family can rely on you this time, you must make that little beast not live well!”
