

Chapter: 1766

“That wild species, it’s hitting the door!”

what!

Lin Hongtu’s expression suddenly changed wildly, that wild species came so fast?

“Damn it, you stop him!”

Lin Hongtu said very angry, but at this time he was also a little panicked.

He didn’t even think that Lin Fan would come so quickly, so he wouldn’t have enough time to wait for the church to arrive.

It was obviously not that simple to kill Lin Fan just by relying on the words of their Lin family.

“We tried, but we couldn’t stop it at all! Behind that kid, followed the blood prison mad god and other blood prison powerhouses!”

what!

Lin Hongtu’s hairs stood on end immediately, and his embarrassment was violent in an instant. At this time, he was already extremely frightened.

Why even the blood prison is here!

Moreover, why would the blood hell help that kid?

This is impossible!

Then, Lin Hongtu looked at Lin Zongrui incomprehensibly, and Lin Zongrui could only confess:

“Just now, it was precisely because of the help of the blood prison that I would lose to that kid, otherwise I would have broken him into pieces just now.”

“That guy had already expected that I would deal with him, so he contacted the Blood Prison from the beginning, and wanted to use the power of the Blood Prison to contain us!”

“Why didn’t you say it earlier!”

Lin Hongtu stomped his feet with anger. It was a hate. If this matter involves the King of the Blood Prison, it will become extremely troublesome.

Lin Zongrui was silent. The reason why he didn’t say it was selfish because he was worried that once he said it, Lin Hongtu would abandon him for fear of offending the King of Blood Prison.

boom!

At this moment, a fishy wind has been rushed into the hall!

Let Lin Hongtu and others suddenly stumble!

follow closely!

A familiar figure was striding over the threshold, and then walked in.

“Old immortal, we meet again!”

Lin Fan sneered.

And seeing Lin Fan, Lin Hongtu’s face instantly became gloomy.

This is the second time that Lin Fan has broken into the Lin family like this. It’s like if there is no man in the realm. This is simply a shame to them.

Their Lin family, have they ever been treated like this?

Can people come in and out casually?

Because of the beast in front of him, their Lin family has been humiliated during this period of time, and they have become the laughing stock of all the population.

Today’s Lin Hongtu, can’t wait to break Lin Fan’s body into pieces.

“You should know that you can’t keep him!”

Lin Fan said with a smile, but those sharp eyes seemed to pierce Lin Hongtu.

“I want Lin Zongrui’s life today!!!”

In one sentence, there was a strong killing intent, and Lin Fan had already expressed his attitude.

Full of arrogance!

It seems that Lin Hongtu is not in his eyes at all!

And what Lin Fan said directly caused Lin Hongtu to be extremely angry. Lin Fan actually said in front of him that he would kill his grandson?

Even humiliating yourself, can’t stop him at all?

Isn’t this hitting him in the face on purpose?

The boy in front of him is more than just putting him in his eyes, it is simply humiliating him on purpose.

Lin Hongtu suddenly slapped the table and said furiously:

“Lin Fan, you are so brave! Injured my grandson, broke into my house, and now even wants to openly kill people in my Lin family, do you really think I am a vegetarian?”

“It was my order for Lin Zongrui to send that coffin to you! You bastard born from a wild species, I deliberately wanted to humiliate you, what’s wrong?”

“If you want to kill him today, step over my corpse first!”

And hear it!

Lin Fan just smiled contemptuously:

“I already said, I want to kill him, you can’t keep it!”

Talking!

Lin Fan stepped forward and walked towards Lin Zongrui step by step.

“Grandpa save me!”

Lin Zongrui suddenly shouted to Lin Hongtu in horror, and was completely afraid at this time.

His people will have to wait a while before they arrive, and now there is no one other than Lin Hongtu who can save him.

“You ungrateful animal!”

Lin Hongtu yelled angrily, and then directly dialed a mysterious number:

“I want to ask you a favor on something!”
