

Chapter: 1777

“What are you playing with me?”

Wu Zhizhong instantly became angry and scolded:

“Since you don’t know Dr. Lin, how do you know that Dr. Lin will not cooperate with me?”

He thought that Lin Fan really knew the genius doctor Lin, but he was just pretending to be coercion.

Wu Zhizhong also completely lost his patience, and roared:

“Hurry up and crippled him! Before the doctor Lin comes here, remember not to be afraid that the scene will be too bloody. It will affect my meeting with the doctor Lin for a while!”

And upon seeing it!

Wang Zhijun suddenly smiled contemptuously:

“Lin Fan, how dare you look down on me as a trash? What is happening now, I am alive, but you are going to be beaten and disabled. You are the real fool! Hahaha!”

Wang Zhijun laughed triumphantly. If there is no chance, then there is no chance, as long as he can survive.

“Well, if you know how to praise, please persuade your wife to spend the night with the little prince tonight. Maybe the little prince is in a good mood, maybe he will let you go?”

And hear it!

Wu Zhizhong is also a hippie smiling face:

“Yes, yes, as long as you can persuade you to take care of me, I will consider not breaking your legs, how about it?”

“You are so generous, but I have already decided to smash you into pieces!”

Lin Fan said sternly, the other party’s repeated insults to his wife in front of him had already made him completely angry.

Wu Zhizhong is also angry!

He originally thought that Lin Fan would accept his request, but he didn’t expect Lin Fan to be shameless!

“Break the leg first, then drag it down! Slowly torture him to death!”

Wu Zhizhong roared sharply, in the entire imperial capital, Lin Fan was still the first person to dare to speak to him like this.

just!

As soon as Wu Zhizhong’s voice fell, an extremely angry voice came from the door:

“Wu Zhizhong, what do you want to do?”

And the person who spoke was Zhang Jianjun.

Seeing Zhang Jianjun, Wu Zhizhong suddenly panicked. Is this the genius doctor Lin coming?

This is a big deal.

Wu Zhizhong quickly smiled and said:

“Uncle Zhang, are you here?”

“I ask you, what the hell are you doing?”

Zhang Jianjun said angrily. He promised Wu Zhizhong to find Lin Fan for him. As a result, Wu Zhizhong was about to attack Lin Fan as soon as he met. Is this guy crazy?

damn it!

How can I explain to Mr. Lin?

Nothing, it’s just picking up a waste of life and death, don’t worry, I will solve him immediately, and it will definitely not affect the genius doctor Lin.

Wu Zhizhong said with a smile, and then quickly ordered:

“Hurry up. Destroy this dog, then throw it behind.”

“Asshole!”

Zhang Jianjun was almost mad, and he was able to speak such frenzied words when he beat the disabled Lin Fan.

But Wu Zhizhong thought that Zhang Jianjun was reprimanding Lin Fan, and immediately sneered:

“Lin, you heard that there is no such thing, even Uncle Zhang said you are a bastard, are you still alive?”

just!

Zhang Jianjun shouted angrily:

“The bastard I’m talking about is you!”

What?

Wu Zhizhong looked at Zhang Jianjun in disbelief, wondering if he had heard him wrong.

Why did Zhang Jianjun scold himself so well?

But without waiting for him to ask questions, Zhang Jianjun pushed him away, and later approached Lin Fan and asked respectfully:

“Mr. Lin, are you okay?”

Wow!

Everyone was in an uproar. They looked at Zhang Jianjun in disbelief, as if they couldn’t understand why Zhang Jianjun was so respectful to a soft meal.

Even Xu Yourong was dumbfounded. What kind of thing is Lin Fan, what qualifications does he have to make a super boss like Zhang Jianjun treat him respectfully?

Is this dazzling yourself?

This scene is like a fantasy for everyone!

Let their three views completely collapse!

Even Wu Zhizhong suddenly had a bad premonition in his heart at this time, and he immediately roared in anger:

“Uncle Zhang, did you make a mistake? This rubbish is a door-to-door son-in-law, why are you so respectful to him?”

“My son-in-law?”

Zhang Jianjun suddenly snorted and scolded:

“Do you know how long I have been begging him before he agrees with you!”

“Well, you want to beat him up as soon as you meet? Wu Zhizhong, you are really blinded by your dog!”
