

# Chapter: 1778

Instant time!

Wu Zhizhong slammed in his heart, and looked at Lin Fan with a surprised look:

“No... isn't it? You mean, he is...”

Wu Zhizhong did not dare to continue, for fear that the cruel reality that followed would be unacceptable to him.

At this moment, he suddenly feels that the world is spinning!

Xu Yourong, who was on the side, was also confused, staring at Lin Fan, as if looking at a monster.

What kind of secret is hidden in this guy's body?

And Zhang Jianjun snorted coldly and said loudly:

“Yes! He is what I am going to introduce to you today, Lin Fan, Chairman of Washington Pharmaceuticals! Lin Fan!”

Quiet!

The whole audience was silent!

Wang Zhijun is dumbfounded!

Wu Zhizhong is dumbfounded!

Xu Yourong is also dumbfounded!

Everyone present was dumbfounded.

What did they hear, this rubbish eating soft rice turned out to be the genius doctor Lin?

Isn't this a dream?

How is this possible!

Everyone was stunned at this moment, and couldn't connect everything between Eat Ruanfan and the genius doctor Lin.

What exactly is going on?

Especially Xu Yourong!

The moment she heard that Lin Fan was the genius doctor Lin, she felt her head exploded.

Lin Fan is his idol!

Is the genius doctor Lin I admire!

Thinking of all the humiliation he had done to Lin Fan before, the genius doctor Lin couldn't wait to find a hole in the ground. Is this a joke?

How could such a man be a waste?

It must be for some reason that I have to protect her in front of Bai Yi, right?

Xu Yourong finally understood why Bai Yi's new Bai family would develop so easily. I'm afraid it's also because Lin Fan was behind it.

However, he repeatedly humiliated Lin Fan and regarded him as a trash. I am afraid that in the eyes of the other party, he is an idiot, right?

Xu Yourong's mood suddenly became very complicated. The existence she had always admired turned out to be her brother-in-law?

This...

Before, she even thought about marrying the genius doctor Lin!

Isn't this a junior?

What is even more exaggerated is that I still be my cousin's mistress!

She knew that Doctor Lin was a young man in her twenties, which made her very happy, but Lin Fan's identity as Bai Yi's husband made her very desperate.

God really made a big joke with her and made her fall from heaven to hell in an instant.

Xu Yourong looked at Lin Fan deeply, and couldn't figure out why this guy could hide so deeply. He even misled herself before saying that Doctor Lin was a seven-year-old man, which made her sad for a long time.

Today's Xu Yourong, ashamed, disappointed, regretful, all feelings have wrapped her up.

Let her wake up a lot!

Xu Yourong has never been slapped in the face like today!

That feeling of shame made her want to die!

The man I admired turned out to be the man I despised the most, and I even wanted to marry her!

This...

It's so desperate!

“Impossible, you must be mistaken! This guy is a waste of soft food. After eating for several years, how could he be the mysterious genius doctor?”

Wang Zhijun also yelled in disbelief.

He has known Lin Fan for some years, and since Lin Fan and Bai Yi got married, this guy has been a useless waste.

And now, Zhang Jianjun actually said that he is Lin's genius doctor?

Are you kidding me?

Does a person like Doctor Lin still need to eat soft rice?

“What kind of thing are you worthy of questioning Doctor Lin?”

Zhang Jianjun glanced at Wang Zhijun coldly.

At this time, Wu Zhizhong already felt that his head was about to explode.

The God of Wealth that he wants to work with is actually the guy in front of him?

In order to cooperate with Lin's doctor, he asked Zhang Jianjun for a long time before Zhang Jianjun agreed to bring Lin's doctor to see him.

As a result, as soon as this came, he gave the genius doctor Lin to the offending to death?
