

Chapter: 1779

Or even plan to play with other people's wife?

In this case, if Lin Fan is still willing to cooperate with him, then there is a problem with his head, right?

Right now, he was furious!

He kicked Wang Zhijun to the ground with one kick, and shouted harshly:

“Dog stuff, you dare to shake me? You know he is the genius doctor Lin, but you didn't tell me, did you deliberately let me offend him?”

“I... I don't know either, little lord, you believe me! I didn't mean it!”

Wang Zhijun cried and shook his head, he didn't know that Lin Fan was Lin's genius doctor.

“roll!”

Wu Zhizhong kicked Wang Zhijun away with a resentful kick, and then came to Lin Fan with a smile on his face:

“Mr. Lin, I'm sorry I didn't know your identity, so I offended you. Please Haihan!”

“I'll punish myself for a cup, and I hope you won't be angry with Doctor Lin!”

After speaking, Wu Zhizhong drank a glass of red wine directly, and then waited for Lin Fan to speak with a smile.

just!

He was showing good wishes, but Lin Fan didn't appreciate it at all.

Directly supporting Xu Yourong, whispered:

“Let's go!”

He didn't even look at Wu Zhizhong.

Wu Zhizhong suddenly showed a sense of hostility between his eyebrows, and there has never been anyone in the imperial capital who would dare not give him Wu Zhizhong's face.

Is Dr. Lin amazing?

Don't you know that his uncle is He Lan Xuan?

damn thing! Really shameless!

Wu Zhizhong stopped in front of Lin Fan, his voice slightly grim:

“Mr. Lin is not going to give me this face, is it?”

Ho ho!

Lin Fan smiled and asked:

“What kind of thing are you worthy of giving me face?”

To put it ugly, Wu Zhizhong is nothing more than a local snake. What qualifications does he have to give him face?

Lin Fan's ability to endure his anger and not kill Wu Zhizhong already gave Zhang Jianjun great face.

And Zhang Jianjun also knew this well, and then angrily rebuked Wu Zhizhong:

“Wu Zhizhong, what do you want to do, let me go!”

But Wu Zhizhong refused!

Because Lin Fan's words have completely offended him!

What did he dare to say about himself?

No one has ever dared to talk to him like Wu Zhizhong, not even the genius doctor Lin!

“Uncle Zhang, you have seen it too. I have already admitted my mistake, but the genius doctor Lin still refuses to forgive me. He even prevented me from coming to stage in front of so many people. What do you think I should do?”

Wu Zhizhong looked gloomy and looked at Lin Fan with threats.

It looks like he can't wait to be broken into pieces.

But Lin Fan still sneered:

“I must forgive you if you admit your mistakes. You take yourself too seriously, don't you?”

what!

The hostility in Wu Zhizhong's eyes became heavier, and he immediately laughed like a poisonous snake:

“Well, since you don't give me this face, then you don't want to leave today!”

Wow!

A group of Wu Zhizhong's bodyguards stopped at the door in an instant, completely stopping Lin Fan and others.

“Wu Zhizhong, are you crazy?”

Zhang Jianjun was so angry. He kindly helped Wu Zhizhong. Wu Zhizhong offended Lin Fan without saying that he even dared to prevent Lin Fan from leaving?

Is this one in front of you the one you want to stop?

Your uncle Helanxuan has no such ability!

“Wu Zhizhong, get out of the way! The genius doctor Lin in front of you is not something you can offend!”

But Wu Zhizhong sneered and said disdainfully:

“Really? Then I really have to give it a try. Who else in this imperial capital can't be offended by Wu Zhizhong.”

Because of He Lanxuan's backing, Wu Zhizhong has become more and more defiant over the years, not putting anyone in his eyes.

In his opinion, the great doctor Lin is a doctor who has nothing to do with him. Since he refuses to cooperate well, he will force him to submit!

then!

Wu Zhizhong looked at Lin Fan gloomily:

“I will give you one more chance at last. Either work well with me, or if I have disabled you, I will play with your wife and sister-in-law!”

This was his last chance for Lin Fan, and it was up to Lin Fan whether he knew how to cherish it.

But at this moment, Lin Fan stretched out three fingers:

“three times!”

Ok?

Wu Zhizhong frowned, wondering what Lin Fan meant.

“From now on, you insulted me three times with my wife!”

“If it weren't for Zhang Jianjun, you would already be dead!”

“But just now, I regret to tell you that you have missed your last chance to survive!”
