

Chapter: 1790

“Dead rubbish, here is your business, get out of here!”

Wang Yanli said angrily, Lin Fan, a dog thing, dare to come and ruin him?

It’s damn it!

Li Yinsheng on the side also looked at Lin Fan with a sneer.

But Lin Fan ignored Wang Yanli, an idiot, and stared at Li Yinsheng:

“Go ahead, how do you want to die?”

At this moment, there is no need to talk nonsense, because Lin Fan is here to kill.

Seeing Lin Fan so domineering, Wang Yanli and Xu Yourong were immediately confused.

Especially Xu Yourong!

She stared at Lin Fan blankly, and thought to herself: This guy cares about herself so much, isn’t it because she likes herself?

“Certain nonsense, how dare you talk to Shao Li like this? Apologize to Shao Li immediately!”

Wang Yanli screamed directly, glaring at Lin Fan, and at the same time turned her head to look at Li Yinsheng:

“Shao Li, this fellow is a poor relative of our family. Our relationship is not very good, so how you want to deal with him has nothing to do with us!”

“Mom, how can you say such a thing?”

Xu Yourong looked at Wang Yanli in disbelief, her mother was really frustrated.

But Lin Fan and Li Yinsheng ignored Xu Yourong and Wang Yanli at this time, and now they only see each other.

For a long time, Lin Fan said:

“Xu Yourong, take your mother away!”

“Go? Why should I go? What kind of thing do you have to let me go?”

Wang Yanli yelled, her expression unhappy.

However, Xu Yourong was forcibly dragged out. Xu Yourong also realized that something was wrong with the situation. Lin Fan should have known Li Yinsheng.

At this time, Li Yinsheng laughed:

“You finally came!”

Ok?

Lin Fan frowned and said:

“Do you know I will come?”

When the other party saw that he was not afraid, Lin Fan at this time had a bad feeling in his heart.

Li Yinsheng laughed and nodded:

“Lin Fan didn’t think about it, but you were confused for a while when you were clever. During your stay here, our plan has been successful!”

Lin Fan’s face suddenly sank:

“what’s the plan?”

At this time, Xu Yourong and Wang Yanli were also completely stunned, and both of them could hear them in the mist.

“Hahaha, during your stay here, our goal has been achieved! The whole Jiangshi, your people have been dead!”

Li Yinsheng laughed wildly, staring at Lin Fan playfully.

“You too underestimate me, Lin Fan, right? I have arranged manpower by their side a long time ago. No matter how many people you go to, there is only one dead end!”

Lin Fan dismissed it with a smile.

just!

Hearing this, Li Yinsheng laughed even louder, and said coldly:

“Then if I tell you that Xu Longguan and He Lanxuan are also helping us this time, can you still be so confident?”

Lin Fan’s face changed rapidly!

The background of the other party is far more mysterious than he thought!

Huh!

Lin Fan rushed out directly, and then strangled Li Yinsheng’s throat with one hand.

The line reveals endless killing intent:

“You are playing with fire!”

But even though Li Yinsheng’s expression was painful, he still sneered:

“Lin Fan, since I’m here, I don’t plan to leave alive. Do you know what a dead man is?”

The dead man naturally swears allegiance to his master. When Li Yinsheng appeared here, he had already decided to sacrifice himself.

The voice just fell!

A group of people broke out in an instant, and rushed in quickly.

After that, he looked at Lin Fan with enthusiasm.

Feeling the murderous aura of these people, Xu Yourong’s mother and daughter tensed up, with an uneasy expression on their faces.

But Lin Fan still disdains:

“Do you think you can get me by finding these wastes? You are too underestimating me, Lin Fan, right?”

Li Yinsheng grinned and said:

“We know we can’t kill you, but our purpose is to delay time and stop you!”

boom!

Upon hearing this, Lin Fan was completely furious:

“You guys, damn it!”

哧!

Lin Fan broke Li Yinsheng’s throat just in an instant.

Realizing that he was being tricked, he was already going crazy at this time.

And seeing Li Yinsheng being killed by Lin Fan on the spot, Wang Yanli was almost paralyzed with fright.
