

Chapter: 1794

what!

Wang Yanli was stunned and said in disbelief:

“How come? When I saw him yesterday, he was fine!”

“It happened after you met him. He was killed by others. I want to ask you what happened last night!”

“How good is it, President Li died in the box?”

boom!

Wang Yanli’s head was about to explode suddenly, because she suddenly remembered what Lin Fan had just said when she entered the door!

How do you want to die?

He told Li Yinsheng, but Li Yinsheng really died?

Could it be that this guy in front of him killed Li Yinsheng?

Click!

Wang Yanli’s mobile phone fell to the ground in fright, her eyes filled with fear.

Suddenly recalled what Lin Fan said at the entrance of the hotel.

He said he killed Li Yinsheng, but Wang Yanli didn’t take what he said seriously.

Just as this kid is bragging!

But now it seems to be true!

Oh my!

How did he do that?

When I turned my head to look at Lin Fan, I saw Lin Fan sneer at him.

For a moment!

Wang Yanli is going to be paralyzed by fright!

It’s him!

It turned out to be him!

“Well, Lin Fan, you... listen to me, this is a misunderstanding!” Wang Yanli swallowed and said with courage.

Reminiscing about what happened last night, her face turned pale in fright.

It was Wan Wanzheng who thought that Lin Fan, the son-in-law who was submissive and submissive, would have such a cruel method.

Those people like Li Yinsheng were people whose Xu family didn’t dare to offend, so they were killed like this?

Then she dared to offend Lin Fan in this way, would this guy kill himself if he went crazy?

And Lin Fan just sneered and said nothing!

This scene stunned Bai Yi and others.

What’s wrong, why after Wang Yanli answered a phone call, she seemed to have completely changed herself.

Did he take the initiative to show weakness to Lin Fan?

Lin Fan, what did you do?

Seeing that Lin Fan ignored herself, Wang Yanli laughed and said:

“Oh, Lin Fan, don’t be angry about what happened last night, what do I know as a woman...”

“You’ve got a lot of it as an adult, and you just let me go as a fart, okay?”

This scene is even more confusing!

This tigress became a white rabbit in an instant?

What was said in that phone call?

Lin Fan suddenly stood up and pointed at Wang Yanli angrily.

“Don’t call my name, I’m disgusting! And... get out!!!”

Wang Yanli was irritated by Lin Fan’s scolding, but she had already greeted Lin Fan with a big ear.

But now even if Lin Fan was scolded, she had no choice but to endure it, not daring to get angry.

You must know that this former “trash son-in-law”, now the role has changed drastically, is not something she can dare to provoke.

“I, I am also good for Yourong. Who doesn’t want to let her daughter marry the scenery?” Wang Yanli cheekily defended:

“If he can marry President Li, in the end, she won’t benefit from it herself...”

Lin Fan is really speechless, such a mother who wants to sell her daughter without hesitation in order to earn that little profit, she even shyly says that it’s for the benefit of their young people.

Ho Ho, Lin Fan sneered watching her performance.

Wang Yanli walked to the bed and reached out to stroke Xu Yourong’s back, pretending to be a soft voice.

“Good daughter, don’t cry, I am your mother, why don’t you feel sorry for you? But, you can’t afford to offend you because of the wealthy family. Why don’t you understand the hard work of your mother?”

With that said, she pretended to wipe away the non-existent “tears” with her hands.

Lin Fan was so disgusted by her that she pushed his daughter into the fire pit in the private room last night, and played pitifully here today.

Even Bai Yi looked at Wang Yanli with disgust.

Her cousin not only ignored her own daughter, but also put her in danger.

Wang Yanli also pretended to be pitiful, and “cry” over how difficult it is to “cry” there.

Xu Yourong sat up abruptly, pointed to Wang Yanli’s nose, and said loudly.

“You go out, I don’t want to see you!”

Wang Yanli lowered her face and reprimanded: “You are a shame, why are you driving me away? I’m your mother!”

Upon hearing this, Xu Yourong cried even more hoarse:

“Go away, go away!”
