

Chapter: 1805

After kowtow, Wang Youcai just stood up, but was blocked by Lin Fan.

“Wang Youcai, you’re too foolish, right? Why don’t you even make a sound when you knock your head?”

Wang Yanli stared: “Lin Fan, don’t deceive people too much, my eldest brother has clearly knocked out your head, what do you want?!”

Lin Fan sneered: “I don’t want to be so, I just want Wang Youcai to earnestly fulfill his promise. Knocking his head, can that be called Knocking his head?”

The old lady said: “Lin Fan’s words are reasonable, Wang Youcai, I can see it clearly when I sit here, your scalp hit the floor, there is no sound.”

“Old lady, but I have knocked too much,” Wang Youcai grinned, “Knocking again, it will become six heads.”

The old lady waved her hand and said with a good face: “The first three are not counted. Knock again. It must be loud.”

Wang Youcai procrastinated, trying to get his sister to intercede.

But waiting for Wang Yanli to speak, Xu Dexiang said loudly.

“Wang Youcai, my mother has already spoken, if you ask you to smash, you can smash it quickly. If you don’t obey and make my mother angry, and her elderly gets sick again, I will definitely not let you go!”

Hear the words!

Wang Youcai suddenly turned into a bitter face.

In desperation, Wang Youcai knelt down in front of Lin Fan again, enduring the pain, “Bang, Bang, Bang” banged his head three times.

Wang Yanli’s face was almost as long as the donkey’s face. She angrily said goodbye to the old lady, and turned around with Wang Youcai and Wang Zhijun.

Several people came downstairs and stood there talking.

Wang Youcai said angrily to Wang Yanli: “Wang Youcai, now it’s fine, your family’s capacity can be regarded as a great skill, so let us kowtow to that waste!”

Wang Yanli was also very annoyed, pointing her finger upstairs and said.

“Big brother, who knows if the waste is a mess. The old lady just happened to wake up after taking the pills he gave.”

Wang Youcai rubbed his bruised forehead, grinning with pain, and cursed:

“Lin Fan’s trash, I will definitely not let him go!”

Upon hearing this, Wang Zhijun was also on the sidelines, adding fuel to the fire.

“Yes, auntie, how could Lin Fan dare to be disrespectful to us before?

But look at it recently, the trash is really getting more and more arrogant! If you don’t drive him away soon, we will all suffer by then!”

When several people were talking, Wang Yanli’s mobile phone rang.

She took out her mobile phone from her bag and saw that it was Huo Dongying’s call, and she was angrily connected.

“Hey, Dongying, how can it be so difficult for Auntie to ask you to do something? I asked you to find a famous doctor and see Grandma Yourong, so there are no personal shadows until now?”

Huo Dongying immediately moved out the pretext that he had thought up a long time ago and said.

“Auntie, I received your call and immediately contacted a few famous Longcheng doctors, but those doctors just didn’t have time to visit. Or, I’ll call again.”

“No,” Wang Yanli said coldly, “grandma is almost ill, and she can get out of bed and walk tomorrow.”

“Ah? Grandma Jiang recovered so quickly, did she call in a famous doctor?” Huo Dongying asked somewhat unexpectedly.

Wang Yanli replied: “There is no famous doctor, it is just a waste to give the old lady a pill, and the old lady will almost recover from her illness.”

waste?

Huo Dongying frowned and said with an unhappy expression:

“who is it?”

Huo Dongying was secretly annoyed by letting a trash steal the limelight. Knowing that the old lady’s disease was so easy to cure, he must rush to find a doctor to see the old lady.

Wang Yanli continued to complain:

“Dongying, don’t blame Auntie for saying you, what you say is also the young master of the big group. If you don’t take the initiative and get the upper hand by that trash, if you want to marry You Rong, it will be a drama. .”
