

Chapter: 1850

After that, Lin Hongtu walked up quickly, and said flatly:

“Ms. Rowling, I heard that someone from your company has come to collect the debt. Why is your Global Bank recovering the loan so quickly in just one month? Is this something wrong?”

Their previous loan was obtained from Rowling, so they naturally knew this woman.

But Rowling glanced at him indifferently:

“There is no mistake. After a systematic and professional investigation, our bank found that your Lin family is not eligible to obtain a loan, so we have to recover the original loan!”

what!

It turned out to be true?

Lin Hongtu’s face suddenly became extremely ugly, and he said angrily:

“Then you get back the loan. It’s too much for us to give such a high interest, right?”

Isn’t this deliberately cheating them?

Hear the words!

Rowling sneered immediately:

“Mr. Lin, everyone is a business man, don’t you think what you said is too naive?”

“Since we have approved the loan, from the day the loan is approved, interest has to be calculated.”

“Moreover, what you have signed is an unlimited liability loan. We, Global Bank, have the right to require you to repay the loan under any circumstances and at any time!”

“This is completely legal and reasonable. After all, I didn’t force you to sign this loan contract, didn’t it?”

boom!

Lin Hongtu was about to explode, and pointed at Rowling with trembling fingers. “You, you,” couldn’t say a word for a long time.

“Bitch, you dare to pit our Lin family, you are looking for death! We ask to talk to your chairman, I don’t believe that your chairman will be as conscientious as you!”

Lin Zhanxi roared, this problem must be solved at this time, otherwise their Lin family will be finished.

The five hundred billion is almost enough for them to run the Lin family.

At this time, the Lin family is still not doing anything good, how can there be money for Rowling?

“Want to find our boss? Yes!”

Rowling sneered, then looked at Lin Fan not far away:

“Xiao Fan, they are looking for you!”

Huh!

All the voices were completely silent at this moment!

Everyone’s faces were filled with deep consternation, as if they had seen a ghost, and they couldn’t say a word.

Staring at Lin Fan like this!

The eyes are full of horror and disbelief!

Is this a joke?

Lin Fan, really is the chairman of Universal Group?

Humph!

Lin Hongtu staggered back a few steps, his old face was suddenly ashes!

The chairman of Global Bank is known as one of the ten richest people in the world, and such an existence is actually his grandson?

Lin Fan, not only has terrifying force, but also has unparalleled wealth!

If he were to lead the Lin Family, what height would the Lin Family go to?

It’s hard to imagine!

Lin Hongtu finally knew why the Lin family would be defeated in repeated confrontations with Lin Fan, because this kid had hidden his true strength.

Chairman of Global Bank!

Have a banking empire in your twenties!

What a terrible thing is this?

If Lin Fan can make Universal Group and Lin Jiaqiang join forces, then it will not be said that the entire business community of China, even the global business community will have their place in the Lin family!

But now it’s too late to say anything!

They have offended Lin Fan to death!

The consequence is that the two sides will kill each other at all costs!

They are scared!

I’m really scared!

In any case, Lin Fan could not be allowed to live. He already hated them the Lin Family. If Lin Fan did not die, the Lin Family would really be destroyed.

At this time, both Lin Hongtu and Lin Zhanli realized that they had made Lin Fan play the game thoroughly.

The five hundred billion loan is a trap at all!
