

Chapter: 1868

And when they cast their eyes on the battlefield, they were horrified!

Because they saw that everyone in Lin Fan had a trace of fear in their eyes, only endless hatred and murderous intent in their eyes!

Insane charge without fear of death!

It's like trying to wipe out everything!

“how so?”

Benjamin asked in disbelief that he had never seen such a brave soldier, as if he couldn't wait to die.

At this time, Lin Hongtu smiled bitterly:

“This is the Chinese soldiers, they are never afraid of death! Each of them is a dead soldier!”

Hear the words!

Benjamin immediately glared at Lin Hongtu, then gritted his teeth and said:

“You knew it would be like this, right? You're cheating me!”

This is a loss-making business!

Originally, he thought that Lin Fan could be solved by paying a very small price!

But now it seems that Lin Fan will never give up unless he fights to the last pawn!

And he brought these million people, and he was sure to lose more than half!

In this way, this loss can be called massive, and he will have to accept sanctions after returning to his country!

But Lin Hongtu laughed madly:

“Mr. Benjamin, I think you should also know that there is no such thing as a free lunch in this world!”

“If you want to get something, you have to pay a certain price. As businessmen, we should calculate our own gains and losses before investing, don't we?”

you!

Benjamin now has an urge to kill Lin Hongtu!

however!

Not only them, but even Hei Jiuyue and other forces are also dumbfounded at this time!

What did they see?

A little soldier fills the muzzle with his body and fights for the opportunity for his brothers to attack!

A crippled soldier, obviously already seriously injured, staggered forward with a gun to die!

There is another one who is about to die, but still struggles to stab someone with one last breath!

Who are these special people?

A bunch of lunatics!

A bunch of neuroses!

Seeing this, Benjamin realized that something was wrong!

He quickly turned his head and looked at a man, begging:

“Mr. Long, please take action to kill the King of the Blood Prison!”

“Otherwise, the loss of our temple would be incalculable!”

Long!

The strong man hidden in the temple!

And his strength is extremely high!

“Benjamin, this is the consequence of you underestimating your opponent!”

That man walked out of the shadows!

It is three meters high!

There are horrible muscles all over the body, just like a devil muscle man!

The moment they saw him, all the people in front of the TV couldn't help but breathe in air!

Is that human being?

“What Mr. Long taught!”

Benjamin lowered his head and dared not refute.

Although he is the leader of the temple, he is completely dependent on this man to rank second in the world.

“The King of Blood Prison, let me verify whether you are the strongest in the world!”

The dragon roared and stepped on the ground suddenly!

Bang!

With a burst, the dragon straddled tens of meters away and headed straight for Lin Fan.

This scene stunned many people!

Jump dozens of meters?

This is such a monster!

“Something amazing is here! Get out of here!”

Lin Fan's face sank, and he reminded the people around him.

Then strode forward, took the initiative to attack, and suddenly punched out!

boom!!

A horror was the strong wind tearing the earth apart, Lin Fan was blasted out immediately, vomiting blood on the spot!

what!

The Blood Prison Mad God and the others were already stunned. It was the first time they saw that Lin Fan would actually fall short in the event of a frontal collision!

“The King of Blood Prison, but so!”

Long smiled contemptuously, with a hint of contempt at the corner of his mouth.

just!

Hahaha!

Lin Fan laughed wildly for some reason:

“Happy! I have been injured so badly for many years!”

“This is the first time I have played against an extremely strong man, Long! You make me very satisfied!”
