what!

Ten slapped!

After hearing Yang Mingpeng's words, Yang Tianhao and others looked at the corner of the ward.

After seeing Lin Fan's smile.

boom!

Yang Tianhao and the others all trembled, almost paralyzed to the ground one by one.

"Ming... Mingpeng! You said he was a hillbilly?"

"You said he was an idiot?"

Yang Tianhao turned his head to look at his son, and his words almost bounced out of his teeth.

There is a sense of sorrow.

Ok?

The second youngster Yang Mingpeng faintly felt that his father's tone was a little wrong, but he didn't think much about it. Instead, he nodded and said:

"Yes! Dad, this guy is violent and crazy!"

"You just came here. Give me. Clean him up! I want to smash his face, take the woman who took him and give it to the eldest brother!"

Yang Mingpeng's words were filled with great pleasure.

just!

He just said this sentence.

Snapped!

A loud slap slapped his face severely, and he staggered and almost fell to the ground.

Quiet...At this moment, there was dead silence in the entire ward.

Whether it was Yang Mingpeng or Bai Yi and others, they couldn't believe their eyes.

Yang Mingpeng was hit by...?

Especially when he was beaten by his father, this...how could it be possible.

"Dad! You... are you crazy, why are you hitting me? The person you should hit is the beast of Lin Fan! He..." After the second youngster Yang Mingpeng reacted from his astonishment, he covered his cheeks and stared round eyes. There is a thick unbelievable in it.

However, he hasn't finished this sentence yet.

Snapped!

Yang Tianhao slapped again and slapped his face fiercely.

"Your mouth is not clean!"

Pop!

"You bully men and women, arrogant and domineering!"

Pop!

...

At this moment, in the eyes of everyone in disbelief, Yang Tianhao seemed to be crazy. He grabbed Yang Mingpeng's collar, slapped one after another, and slapped it down frantically.

Crackling!

The slap in the face like raindrops, densely packed, all fell on Yang Mingpeng's cheeks.

Suddenly, Yang Mingpeng's bloody face was even scarlet and miserable. Almost completely beaten into a pig's head.

See this scene!

Everyone was dumbfounded.

Lin Fan's words emerged involuntarily in everyone's mind.

"Your dad will slap you ten times, I said!"

At that time, after hearing this, almost everyone thought that Lin Fan was simply an idiot, a lunatic.

But the crazy words turned out to be true, which is simply incredible.

especially!

After everyone saw that after ten tidy slaps, Yang Tianhao gave up.

Swish!

Bai Yi, Shen Jian, Chang Yuan and others all looked at Lin Fan in unison, each of them was shocked and shocked.

"How could this happen! This...Is this guy really right?"

Chang Yuan's head buzzed.

He just felt that his brain was completely insufficient.

More than him!

Bai Yi was even more shocked and covered her small mouth. She looked at Lin Fan as if she was looking at a devil.

however!

What shocked everyone was just the beginning.

After Yang Tianhao finished beating Yang Mingpeng, he threw his second son on the ground as if throwing garbage.

Then he tidied his clothes.

Bringing all the Yang family seniors, hula la, walked in front of Bai Yi.

then!

Puff!

Puff!

...

Yang Mingpeng led the Yang family core of dozens of people, kneeling in front of Bai Yi, shouting loudly.
