"Hey, mouth-breathers."

"When have I ever been tongue-tied, I've made it clear that I want to chase you. What, do you think, in your heart, that I've only built one house, ah, and I'm ready to come over and live in the same house?"

"Che, you wish."

"I don't mind, it's nice to have a bed warmer in this desolate Sacred Ancient World, maybe we can take a few kids out when we go out."

"Get lost, am I Cheng Yu such a person, my criteria for choosing a spouse isn't just handsome."

"Haha, just kidding with you, I can tell at a glance that you're still a nestling."

Cheng Yu pouted, "I'm not even married yet, of course I am, you think I'm that Ding Lan ah."

Omi's eyebrows furrowed as he said, "Don't let me hear you talk about Dinglan in the future."

"Er, what's wrong? Ding Lan hasn't even gotten married yet, so she's having a child with an ordinary immortal of the Earth Immortal Realm, I've heard this from someone ah."

"Nonsense, Ding Lan has never had a child before, but she was just a moment of goodwill and picked up a child that someone threw away, and then she was hacked into like this."

"How do you know that?" Remember the URL .kanshu8.net

"Because, I'm her husband."

"Ah." Cheng Yu incredulously covered his mouth, Omi was Ding Lan's husband?

However, Cheng Yu remembered that back then, before she entered the Sacred Ancient World for assessment, she had indeed heard that Ding Lan had married a very ordinary man.

"You, you're the very ordinary man who married Ding Lan?"

"Am I normal?"

"This."

Omi didn't say anything else and returned to the house.

Omi said inwardly, "It seems that when I go out, when I'm free, I need to wash my hands of Ding Lan, heck, it's really unpleasant to be used as a negative example so often."

Just now Cheng Yu said Ding Lan, Omi wasn't mad at her, after all, she couldn't be blamed, the entire Heaven Realm thought so.

It's just that it's not that easy to clear Ding Lan's name, I don't know how it will be.

In addition, there was another person that it was time for Omi to save him, and that was the Nine Dao Demon King.

With Omi's current abilities, he might have enough strength to save the Nine Daoist Demon King.

The person who tied up the Nine Dao Demon King was just a family with ulterior motives in the Heavenly Realm, and it probably wouldn't be too powerful, because that Immortal Machine Spitting Method wasn't infinite, it had a limit. If the Immortal Machine Spitting Method was really incomparably powerful, try to ask the Supreme Immortal Emperor of the Three Realms, how could he not know.

Cheng Yu said, "Omi, I'm sorry ah, I didn't know Ding Lan was your wife."

"Alright, I didn't blame you."

"Thanks." Cheng Yu was a bit moody at the moment, maybe it was because he knew that Omi had a wife.

Cheng Yu snorted under his breath, "Just now, he said he was chasing after me, he has a wife, hmm, a flowery heart."

"What are you talking about?"

"No, nothing."

"I heard you call me a philanderer, didn't I, haha." Don Omi laughed.

"I'm glad you know."

"In the Immortal World, it's not normal for a man to marry ten or twenty."

"It's normal, but those men who marry are just very ordinary people's women, any woman with a bit of ability, which one would be willing to be a ten-bedroom and twenty-bedroom for someone."

"So, you're not willing to be someone's mistress."

"Nonsense, would you be willing to be one of the other men."

&nbsp;

; "Come on, make it sound like I'm marrying you."

"You, that's boring."

At this moment, a man flew in front with anger.

"Omi, what do you mean." The man who flew in with great anger was the man called Wu-li.

"Wu-liu, what's the matter, so much fire."

"Omi, was it you who asked Cheng Yu to move in with you?" Wuyou said with anger.

Omi despised this kind of man and snorted, "Cheng Yu is not your woman, she can live wherever she wants, what do you care. She's here now, just ask her yourself. Alright, I'm going to cultivate, don't disturb me." After saying that, Omi went into the room and set up a boundary.

Outside, Cheng Yu said, "Big Brother Unyu, it wasn't Omi who invited me, it was me who wanted to come here."

"Why?"

"There's no why, alright, you go back."

"Naru, where did I do wrong?"

Cheng Yu was distraught: "What does it matter to me if you're doing well or not, neurotic ah." Chengyu was very depressed by the way Usui was making it seem like they were in love.

"Chengyu, come back with me, okay?"

"No good, this is the Sacred Ancient World, anything you do Senior Three Eyes knows, if you have the guts, kill me."

"Cheng Yu, Omi, you've gone too far." Usui gritted his teeth.

"Ahhhh, I'm going to be driven crazy by you." Cheng Yu shouted and didn't bother to pay attention to him, entering another room and setting up a boundary.

Ukyou's nostrils were smoking with anger, thinking it was disrespectful.

It was like this kind of person had some kind of mental defect.

"Omi, you've gone so far with me, don't blame me for being rude." Wu Li's eyes turned red, and he slapped Omi's room with a sudden slap.

"Boom." Wood chips shot everywhere, and Omi's boundary, which couldn't stop the power of Wu Siao, broke in no time at all.

Omi's body recoiled violently, almost being killed by Wu Siao.

"Wu Siao, you're crazy." Omi yelled.

Cheng Yu's wooden house was also blown apart.

Cheng Yu was also angry, "Usuo, what do you mean."

Usuo gritted his teeth and said, "Omi, you've gone too far."

Omi raged, "I'm overdoing it your mother, what have I done me?"

"Omi, since you've done such an outrageous thing, then don't blame me, I fought hard not to enter Team Skywolf, I can't bear this bad breath." Usher Eyes said with red eyes.

Omi was so angry that he wanted to kill someone, but this Wu Siao was a late Dao Immortal, everyone was a genius who could enter the assessment, by one realm, Omi couldn't kill him, being killed by him was more like it.

"Go to hell." Wu Siao furiously rushed towards Omi, and a blazing fire appeared on his hands.

"Boom." A blaze of fire slammed into Omi, the speed was so fast that it was almost rare.

Despite dodging as fast as he could, Omi still couldn't completely dodge it, Omi felt a heat in his body, the clothes on his body, had been completely burned, revealing his naked body, fortunately Omi had taken precautions early, or else he would have been burned to death at once.

This was still just a very ordinary move from Usui, if he had waited for him to come out with a stronger power, Omi really didn't know if he would have died here.

Cheng Yu shouted anxiously, "Omi, how are you." Cheng Yu was relieved to see that Omi wasn't dead, but in the next second, Cheng Yu immediately blushed, she had seen what she shouldn't have seen.

"Ah." Cheng Yu suddenly covered her eyes, her brain was completely stupid, she was impure.
