## Chapter 2301

"Cui'er, I've called you here today to arrange a marriage for you."

"What, father, are you kidding, I've been a widow for many years, and, I swear, I would never force my late husband." The woman was busy.

Omi's eyebrows furrowed once he heard her say widowhood.

Leng Tianling said, "Omi, Li Jiudao, not that I am insincere, out of all my daughters, only one of them is unmarried, and I don't want to marry my granddaughter to him, so that my generation is another layer lower. So, I married my ninth daughter to him, my ninth daughter, she did marry once, but her ex-husband died many years ago, moreover, ninth daughter is also among my several children, the more talented several, you can see, she is already a golden immortal at the moment, so, definitely worthy, unless dislike she once married someone, in that case, I can go to the granddaughter generation, to find out if there is unmarried, if not. Look further down the generation."

Omi said, "Tian Ling War God, I remember, you have a granddaughter, Leng Gu Yue, isn't she unmarried?"

Hearing this, Leng Tianling snorted, "Omi, your appetite is too big, my granddaughter, Lone Moon, is my most favored granddaughter, and she is one of the top ten genius beauties in the Immortal Realm, and I won't hide it from you, she has already been promised to someone."

"Oh." Omi didn't pursue whether it was really a betrothal or not, it must be that people were unwilling, and Leng Lone Moon's card would definitely not go out to Li Jiu Dao so easily.

"Jiu Dao, what do you mean?" Leng Tianling asked.

Li Jiu Dao looked at that Leng Cui and nodded, "Good."

However, that Li Jiu Dao said, "I don't want to, father, how can you let me marry a weak man, only mid-Dao Immortal, are you crazy?"

Leng Tianling said, "Cui'er, you've been widowed for so many years, it's time to find out, and because you've married someone, but anyone who's a genius doesn't want to marry you, and someone who's not nearly as good enough for my Leng family, high or low, when will it be head. This time, I've decided to let Li Jiudao enter the family to you." Remember the website .kanshu8.net

"I'm not willing."

At this time, Li Jiu Dao said, "What do you need to do before you are willing to marry me, I won't force you anyway, if I don't deserve you, I won't marry you."

Leng Cui snorted: "Count you as a bit self-aware, let's say, my ex-husband is a genius, he is very hopeful to assess into the Sky Wolf Battle Team, if you can assess into the Sky Wolf Battle Team, then I will willingly marry you as my wife."

"Good, it's a deal." Li Jiu Dao nodded his head firmly.

Li Jiu Dao was also a man of iron bones, not a soft eater, if he couldn't make the other party willing, he wouldn't marry either.

Leng Tian Ling smiled with satisfaction, "Very good, Jiu Dao, I'm not wrong about you, go for it, and try to make my daughter like you willingly as soon as possible. I've already had someone prepare a courtyard of your own for you, from now on it will be your house, only you can enter. You go back and take the Fetal Pill, I believe you can become a Xuanxian."

"Good."

Leng Tianling ordered his servant to take Li Jiudao.

Omi said, "Then I'll be leaving first, big brother, cheer up, I hope to see you in the Sky Wolf Battle Team soon."

"Definitely will." Li Jiu Dao said with confidence.

Omi was also full of confidence in Li Jiu Dao, a person with such a strong Immortal Consciousness must not be an ordinary person.

Just like Omi's creation of a human superhuman, it wasn't ordinary either.

It was just a matter of what this average could reach.

Omi had just walked out of the gate of the Leng Family when he saw a woman outside walking towards the door of his home, that woman was very beautiful, but her face seemed like it was covered in a layer of cold ice.

"En? That person, could it be Leng Leng Yue, really beautiful, unfortunately, with an expression like someone else owes her tens of millions, this kind of woman would probably lie cold and motionless in bed, boring." Tang Zi.

The minister took one look and stopped looking, Tang had no interest in this kind of woman, this kind of woman was not interesting even if she married, imagine what was the point of lying still and not interacting at all.

"Stop." Omi was just about to leave when an indifferent voice was heard.

Upon turning back, it was the woman who called.

"Something wrong?"

"What are you? Why haven't I seen you before?"

"My name is Omi, and I'm here as a guest at your home."

"You're Omi?"

"Yeah, looks like I'm famous, even you know me."

"Huh." The woman turned around and walked away.

"Hey, are you Leng Lone Moon?" Don Omi asked.

But the woman didn't answer.

"Psycho." Omi cursed and walked away.

Leng Lone Moon came back today because she heard the news that her ninth aunt might be promised to someone, so she purposely came back to take a look, and she also heard that the person who had joined the family was quite a genius and had created her own magic door to aid in the cultivation of immortality.

After Omi left the Leng family, he didn't go home, Omi had to go to Princess Nian Tides, who had just saved Omi a few days ago, so she had to go to the door to thank him anyway.

Originally, she could have not saved Omi, after all, Omi is not who she is, although I do not know why, Princess Nianxie was forcibly wired and Omi.

I don't know who it was, who could have wired Princess Nianxie to Omi without going through the Heavenly Emotions Divine Palace, what was the purpose of this person, exactly.

Princess Nian Shi thought that it was her father who did it, and thought that her father saw Omi's potential and wanted to set them up. Little did she know that the Immortal Emperor didn't even want Princess Tides to marry someone.

However, Princess Tides' destiny was above the three realms, making the Immortal Emperor unable to see anything about her. However, Omi was also a bit strange, the Immortal Emperor obviously saw Omi's future and wasn't very awesome, so why, then, did the Three-Eyed War God and the others feel that Omi was still displaying strong talent at the moment? Could it be that the Don will quickly become mediocre in the future? Or is it a misreading? Normally, the Immortal Emperor couldn't be wrong about anyone.

"Pay your respects to Princess." Omi bowed to Princess Nianzhi.

"Level yourself."

"Thank you for your kindness in rescuing me a few days ago, if it wasn't for Princess Nianzhi's rescue, I would have been dead at the moment."

"There's no need to be so polite, what else did you talk to Leng Tian Ling about that day."

"Oh, now, the bad has turned into good, my brother, Li Jiudao, has joined the Leng family and become the fiancé of Leng Tianling's ninth daughter."

"Leng Cui?"

"Yes."

"Oh, I suppose that's what you've done."

"The princess is overpraised."

"You still haven't told me why the Leng family arrested you."

"This." Omi didn't know if he should say anything about the Immortal Machine Spitting Method, what if the princess wanted it too? That give or don't give, and in case it does, wouldn't it be a breach of contract.

"Any hard feelings?"

"Back to the princess, no, it's my brother who has mastered a method to aid cultivation, they want it, my brother is afraid of saying it's lifeless, and has not been saying it, so deadlocked. So, I broke the stalemate from it, that's all."

"Oh." Princess Nian Shi didn't ask about the Dharma Gate, perhaps she wasn't interested at all, after all, with her eyes and family, the best Dharma Gate in the world was in her family.

"Does the princess want to know about that Dharma Gate? I can tell the princess."

"No need, though I know that what even the Leng want is certainly not bad, but I'm not interested."
