

King of kings

Chapter 2306

"Well, it's me who's sorry to their family, if there's a chance in the future, I'll definitely make it up to him, and I couldn't have foreseen what happened at all."

"You don't have to blame yourself, fortunately, You Sky's grandfather escaped, originally my father led a chase to the heavens and nowhere to escape. However, You Fu Hai was smart, he ran to the Ten Thousand Purple Mountains in the Eastern Victory Divine Prefecture to join the King of the Ten Thousand Purple Mountains."

"Er, Ten Thousand Violet Mountains?" Omi had heard of this place a few days ago when he went to the Eastern Victory Divine Prefecture to look for Mu Qianji, and he had heard that this place was one of the most powerful forces in the Eastern Victory Divine Prefecture.

"What's so special about the Ten Thousand Purple Mountains?"

"You don't know, the Great King of the Ten Thousand Violet Mountains, known as the Great Sage of the Ten Thousand Violet Mountains, my father used to be shocked and angry and sent his troops to annihilate him, but unfortunately, the entire Immortal Court was almost overturned by him, with countless casualties, and countless warriors throughout the Immortal Court couldn't defeat him, so, I had no choice but to go with him. The Ten Thousand Purple Mountains had become his territory, and not even people from the Immortal Court could enter. That You Fu Hai ran to the Ten Thousand Purple Mountains and joined the Ten Thousand Purple King, my father went after him with the Twelve Heavenly Gods and was also beaten out."

"Damn, that Ten Thousand Violet King is so awesome?" Omi was shocked, inside Omi, there was suddenly a sense of admiration, this is what you call a character.

Omi's heart surged with fire, but to become this kind of character was not destined to be an ordinary person.

Princess Nian Shi nodded her head, "That Ten Thousand Purple King is indeed strong, the Three-Eyed War God is no match for him. That's why You Fuhai was able to save his life. Alright, I'm leaving first, I can't stay with you much longer, in case someone says that I have something with you again, then you'll be miserable."

"Wait." Omi shouted with reluctance in his heart.

"Is there anything else?"

"Nianxi, you wait for me, one day, I want this sky, can't cover my eyes, I want this earth, can't bury my body, I want all the gods and goddesses to kneel at my knees, and I want to marry you home openly and honestly." First URL m.kanshu8.net

Princess Nian Shi's body trembled, incredibly looking at Omi, who dared to say such words.

"You don't want to die, if my father finds out, the entire Ding family will be ashes to ashes."

"Oh, it's useless to talk too much, even if I can't, one day, I'll at least reach the level of the Ten Thousand Violet King, so that your father can't do anything about it." Omi clenched both fists.

"Alright, I'm going back."

"Wait a moment."

"What else is there?"

"Nenshi, then, I will no longer be your future subordinate?"

"Of course it is, only, let's not meet so often between us, and if we do, it will be between our subordinates and our master, farewell."

"Oh,"

Princess Nianxie was gone.

Omi remembered the Ten Thousand Violet Great King, feeling really worshipful, the one who could make the Twelve Heavenly Gods all be driven out of the Ten Thousand Violet Mountain, perhaps he was the only one.

In fact, Omi didn't know that there were strong people who could be compared to the Ten Thousand Violet King.

Although the Immortal Emperor was in control of the three realms, there were always some alternatives that he couldn't control.

That night.

"Husband." Ding Lan's eyes were filled with gratitude as she looked at Omi.

"Why are you looking at me like that?"

"Why didn't you tell me beforehand, anyway, thank you."

"What."

"For what you did for me today."

"Well, it was the right thing for me to do as your husband."

"Husband."

Omi was busy, "Khan, what's that look in your eyes, you're eating me up."

"Well, I want to eat you."

"Ah, help."

The next day, Omi reported to the Three-Eyed War God early.

To become a level like the Ten Thousand Violet King as soon as possible

of characters, Omi had to be even more diligent and hardworking otherwise it was just a joke.

“Why are you reporting so early?” The Three-Eyed War God asked. Right now, the Three-Eyed War God still had injuries on his body and, Omi could sense that the Three-Eyed War God’s breath was a bit weak.

Omi was busy asking, “Senior, what’s wrong with you?”

“It’s none of your business.”

“Oh, Senior, I want to enter the Sky Wolf Battle Team early.”

“Alright, wait here, I’ll have someone arrange for you to go.”

“Yes.”

The Three-Eyed War God said and left.

Omi waited there by himself.

After waiting for a long time for no one to come, a maidservant came in to clean the main hall.

“Hello.”

“Er, hello.”

“The War God said to have someone take me, when will you come?”

“I don’t know, since the God of War told you to wait.”

“Oh, okay, by the way, what happened to the three-eyed god of war him? Why are you hurt?”

“I heard that a few days ago, I went to chase a man down to the Earth Immortal Realm and was injured by some sort of Ten Thousand Violet King. That Ten Thousand Violet King is a very powerful demon in the Earth Immortal Realm that not even an Immortal Emperor can deal with.”

“Oh, I see.”

Omi said in his heart, the Ten Thousand Violet King was really strong, the Three-Eyed War God was already very powerful, but he didn’t expect that there was a heaven beyond the sky.

After continuing to wait for an hour, one finally came.

“You must be Omi.”

“Yes.”

“Come with me.”

“Where to.”

“Crap, to Wolf HQ.”

“Good.” Omi was excited.

Not long after, Omi arrived at a solemn and sacred gate with the words “Sky Wolf Battle Team” written above it.

“This is the Skywolf Battle Team, follow me inside.”

Once he entered that gate, Omi realized that it was as if he had arrived in another world.

It seemed that this was a place similar to the Sacred Ancient World as well.

“Wrong, this isn’t a place similar to the Saint Ancient World, this is called the Sky Wolf World, a small world created by the Immortal Emperor specifically for the Sky Wolf Battle Team.”

“This place was created by the Immortal Emperor ah.”

“Otherwise, the Immortal Emperor is in charge of the three realms, and to create a small world isn’t the same as playing.”

“Uh-oh.”

“Alright, I can only take you here, over the mountain in front of you is where the Sky Wolf members live, you have to go over there by yourself at the moment. However, don’t say I didn’t tell you beforehand, every new member will be tested by those old members, if you can’t handle the test, then you won’t gain everyone’s respect in the squad in the future.”

“How to test?” Omi asked.

“I don’t know about that, you head towards the place where Sky Wolf lives in his dormitory, along the way, it will naturally be tested, you just need to be able to handle it well. Usually you’ve just arrived, and people won’t be too picky about you, those who can pass the Saint Ancient World’s assessment must not be bad.”

“Understood.”

Just after saying that, the person who brought Omi disappeared.

Omi began to walk towards the mountain in front of him.

Omi had just taken a few steps when suddenly, he saw a man standing there in front of him, with his back to Omi, blocking Omi’s path, the man, who was carrying a long sword on his back, the sword was very primitive and looked like a swordsman.

“I heard that you’re the new one who’s coming today.” The man said with his back to Omi.
