

King of kings

Chapter 2321

Now, although the Immortal Emperor also ruled the three realms, he didn't feel at ease because too many forces that he couldn't control existed, all of which, possessed divine weapons.

Right now, Omi had been drinking for three days.

"Big brother, you can't drink any more."

"What are you afraid of, drink again, you shouldn't be going back to your Sky Wolf World so soon."

"That's not urgent, my next month's mission in the Sky Wolf World is still half a month away."

"Well, then, do you want to go sit at my house, it's not far from my house."

"This."

"Let's go, by the way, my sister Akatsuki is also home, don't you know my sister."

"Er, Ming Yue." Omi said in his heart, "Speaking of which, I haven't seen Ming Yue for a hundred thousand years, she was sent out to the Heavenly Division Divine Palace back then, and I haven't seen her since."

"Fine."

Omi originally didn't want to go, but thinking of Ming Yue, he still went to talk to her, anyway, he had a relationship with her in the first place. First URL m.kanshu8.net

Omi arrived at the Ming family.

Ming Cheng immediately ordered his subordinates, "Go and call Ming Yue here, let's say, an old friend, Omi is here."

"Okay."

At this moment, in one of the boudoir of the Ming family, Ming Yue was sitting in front of the window staring.

"Ming Yue, let me tell you to go over there, your old friend Omi is here."

"What? Omi."

"Phew." Mingyue ton scampered away.

"Brother Tang, sit here for a while, my sister will be here soon, I'll go and facilitate."

"Okay, you go."

Not long after Ming Cheng walked away, a person rushed in, and at first glance, it was Ming Yue.

Mingyue stopped a few meters in front of Omi, her eyes red.

"Mingyue." Omi called softly.

Ming Yue bit her lips and cried, "You bastard."

"Ew."

"Why didn't you come to me for so long, did you forget about me." Mingyue cried.

"Me." Omi didn't know what to say.

When he was in the barracks, he really shouldn't have been impulsive and had a relationship with Ming Yue that he shouldn't have had, but Omi was a married man.

At this moment, Ming Cheng finished the convenience, just walked to the door, I heard my sister inside crying and said, "You say ah, why don't you come to you I, are you disowning, have you forgotten, back in the barracks, I was already your person, how can you do this to me."

"Akatsuki, I'm sorry."

"Don't tell me you're sorry, I don't want to hear it."

"Mingyue, it's not that I don't want to be responsible, it's me, I'm really in trouble, and I don't want to aggravate you, after all, you're the eldest miss of the Ming family, or one of the ten genius beauties, your family has already planned and arranged for your marriage, which I heard your brother reveal before."

"I don't care, I'm already yours anyway, even if you can't marry me and let me be your underground lover I still want to be with you."

"Hey, why aggravate yourself so much."

"I don't care." Mingyue threw herself into Omi's arms.

Omi held Mingyue tightly in his arms.

In fact, Omi and Ming Yue, had only had S*x once, and to think that it was really impulsive at first.

Outside the door, Mingcheng was silly.

"Oh my god, when did my sister get together with Omi?"

Ming Cheng was completely confused, and he, his big brother, had not even noticed anything.

Ming Cheng knew very well how much his grandfather expected from his sister

Gao, how could he agree to let his sister be Omi's underground lover, but they had both even been.

"Ahem." Mingcheng coughed.

In the house, Omi and Ming Yue separated in a panic, Omi deliberately said, "Miss Ming Yue, long time no see, how have you been."

However, Ming Yue's acting talent was not that good, her face was still covered in tears, she did not speak, and had a ghostly look, which was so painful to watch.

Mingcheng said, "Alright, don't act, I know all about it."

"Ah, this."

Ming Cheng Dao: "Tang Di, Tang Di, the rabbit doesn't eat the nest grass yet, you even put my sister."

Omi was ashamed: "I'm sorry, big brother, I."

Mingyue said, "Brother, this is my business, not your business, this matter is also not Omi's business, I sent it to you myself."

"Mingyue ah Mingyue, you."

"Brother, if you're going to tell grandpa, hurry up."

"Alright, if I was going to tell grandpa, I would have gone already, why would I need to come in and inform you?"

"Brother, what do you want then?"

Akatsuki sighed and asked, "How far have you come?"

Omi was too embarrassed to say.

Ming Yue said, "What's done is done."

"Ugh, you two, I can't believe I was kept in the dark about what, I don't even know when you got together."

"Of course it was still at the barracks."

"Just kidding, what are you going to do about it now?"

Mingcheng looked at Omi.

Omi said, "If I really can't, I will have no choice but to marry Ming Yue."

"What about the Ding family? Would Tintan like that?"

"It's really not possible, and I can't care, but I'll be responsible for what I've done anyway."

"How about you, Akatsuki?" Ming Cheng looked at his sister.

Ming Yue said, "I don't want to burden Omi, so I won't marry him, I just want to keep a secret relationship with him."

"Ming Yue, why are you so stupid." Mingcheng scolded.

Omi's heart was not feeling good, he was ashamed to face Ming Yue being so reasonable.

Omi vowed, "Ming Yue, don't worry, only when I have the chance, I will definitely marry you in a clear-cut manner."

Ming Cheng said, "Brother Tang, it's easy for you to say, if you leave the Ding family, you won't even have a house in the Immortal World, you'll have to go to live on those chaotic, hanging islands where all kinds of tribes are mixed."

"I believe that one day, I will have my own house."

"The Immortal Realm is overcrowded, it's not like you don't know where there is still land for you to build a house."

Ming Yueton was dissatisfied and said to his brother, "Brother, can you cut the crap, why must we have a house in the Immortal World, it's really no good, we'll go to the Earth Immortal World to build a house, where the land is vast and sparsely populated, we can build as big as we want."

"Really convinced you." Ming Cheng scolded.

After sighing, Ming Cheng said, "About this matter between you guys, don't tell anyone for now, don't let grandpa know, let's wait until we think of a solution. You guys chat, I am leaving first."

Ming Yue blushed and said, "Brother, would you call all your servants out?"

Ming Cheng rolled his eyes and said, "Alright, you guys are safe here, no one will suspect."

Omi busily said, "Big brother, thank you."

"You kid, you're good enough." Ming Cheng said without good temper.

After Ming Cheng left, Omi closed the door and the two of them suddenly hugged each other, kissing each other fiercely.

At this moment, at the entrance of the Sky Wolf World.
