omi's heart was very broken at the thought that there might be more peach blossom calamities waiting for him in the future.

In the blink of an eye, half a month passed.

One day after half a month, Fa Lan suddenly called omi.

"Teacher Wind."

"Fa Lan, what's wrong?"

"Mr. Wind, what should I do?" Fashi cried.

"Uh, what about what?"

"I was just informed by the Acting Supreme to prepare for a blind date to take me to the Green Man Family, what should I do?"

"Uh, blind dates? That's a good thing."

"You, why do you say that."

"The Green Man Family is a very powerful family nearby, right, no wonder the Acting Supreme didn't allow you and me before, so that's what you were planning to do." First URL m . kanshu8.net

"Windswept, aren't you nervous at all?"

"There's nothing to be nervous about."

"You'd love to have me be someone else's woman?"

"Ugh, do, have to force me to marry you." omi looked at Fa Lan, although she was very pretty, but, it was really hard to bring up the energy.

Falan's eyes were red.

omi said, "Miss Falan, why bother, you've seen that I'm so ugly, maybe you're married to someone from the Qingren family, a big handsome guy, even if he's not handsome, he's definitely better than me."

"I don't care about looks." Miss Farashi.

"Your taste is really heavy."

"In that case, I'll go on a blind date." Falan turned around and walked away.

omi didn't bother with her either.

However, Miss Falan took a few steps and returned.

"Wind Lightning, I really doubt you're a man."

"Didn't you leave and return for what."

"You're not a man."

"Oh."

"I'd like to try now if you're a man." After saying that, Miss Falan took off her clothes in front of omi.

omi was speechless, "Put it on quickly, don't freeze."

"I just want to see if you're a man or not, if you're still indifferent even though I'm like this, then you're definitely not a man." Saying that, Falan lay down in front of omi, as if waiting for how omi would do.

"Miss Falan, why are you doing this."

"Wind Lightning, you're just a man who's afraid of death, aren't you afraid that the Acting Supreme will find trouble with you, that the Qingren Family will find trouble with you, am I wrong? I didn't think you were such a person, thanks to me thinking of you as a hero."

"Fuck." omi pounced on the fire.

Fa Lan, however, laughed.

A few hours later.

"Now you're satisfied."

"Hmph." Fa Lan snorted with pride.

omi sighed, "This time, I didn't escape the peach blossom disaster after all, but I was still hit."

"You still stink, I'm not bad looking or talented, I'm more than good enough for you." Fa Lan said with a snort.

omi said, "Fa Lan, now that you're my woman, what about blind dates on your side?"

"I don't know, the Acting Supreme will come looking for me later anyway, and then we'll find out about our relationship, so if you're afraid of dying, run."

"Che, it's just an Acting Supreme, I'm afraid of nothing."

Not long after, that Acting Supreme actually came.

"Fa Lan, Fa Lan, where did you run from, what took you so long to prepare? The Qingren family is already rushing over there, so hurry up." There was a yell from the acting supreme being outside.

Fa Lan deliberately said, "Wind Lightning, hurry up, get up and get dressed, are you finished or not, you're still getting it, the Supreme Being is here."

omi gave Fa Lan a blank look, what a filth.

At this moment outside, of course the Acting Supreme Being heard, he heard Fa Lan say, finished or not, still getting it, and immediately understood what was being done.

The Acting Supreme Being came in from the cave entrance at once, and saw at a glance that Fa Lan and omi were getting dressed.

"You guys, you guys." The Acting Supreme Being almost fainted.

Fa Lan was busy saying, "Supreme Supreme, how did you get in here, I'll be right there."

"You guys, what are you guys doing?" The Acting Supreme Being hissed.

omi didn't say anything, and Fa Lan said, "Supreme Lord, since you've seen it all, I won't hide it from you, in fact, Wind Lightning and I have, long ago, been living together, long before the Fa Dynasty was destroyed, and before that, when the Fa Dynasty hadn't been destroyed, I'd had two abortions for him."

"What, you guys." The Acting Supreme was so angry that he was going to vomit blood.

omi was really speechless, lying without a draft.

Fa Lan said, "Supreme Lord, it was your own wishful thinking that you wanted me to go to the Green Man Family for a blind date."

Acting Supreme, "Fa Lan, a person so ugly, you too, you too."

"I don't look at looks, his talent is worth paying for."

"Talent my ass, why haven't I heard of anyone in the world named Wind Lightly."

"Alright, all of this is pointless, go tell the Supreme Lord of Lawlessness that I can't go to the Green Man Family for a blind date."

"No, it's already a date now, you must go, no one knows about the two of you anyway, just pretend you're still a yellow flower girl."

omi said, "Supreme, Fa Lan is already my woman, give me some face."

"You go to hell." That acting supreme being's face chilled, as if he wanted to kill omi to silence him, if omi died, Fa Lan would be the real 'yellow flower lady's daughter'.

"Don't." Falan tried to stop it.

But, it was blown away all at once.

omi knew that he couldn't beat the High Immortal, so omi immediately took out the stone tablet.
