Right now, omi and Falan were hiding in a small stone on the ground, a small stone that was the statue from before, just like the stone tablet, both of which could freely change shape.

The reason why omi didn't choose that basin was because that basin still held dozens of immortal generals of the Immortal Realm. If you entered that basin, you would certainly die inside of course.

"Where are we?" Fa Lan asked in horror.

"Don't worry, Fa Wu Tian won't be able to find us."

Outside, Fa Wu Tian couldn't find omi and left because soon Princess Qing Miao would be here. Fa Wu Tian also just found out that the Green Miao prince, it turned out, was female.

However, Fa Wu Tian did not stay away and watched from afar.

Not long after, a beautiful maiden came.

"Senior Tang, Senior Tang, have you left?" Qing Miao came and was disappointed to find that omi was missing.

omi, who was hiding in a stone on the ground, saw it at once.

omi left the stone in an instant.

"Hey, I'm here." Remember the URL . kanshu8 . net

"Ah, Senior Tang, I thought you had left."

"I said I'd wait for you, how could I go back on my word."

"Senior Tang." Qing Miao blushed and lowered her head, omi sized her up and smiled, "Not bad, I didn't see it before in male attire, but it turns out you are really quite pretty."

"Thank you, Senior Tang, would you like to come to my house as a guest?"

"How am I supposed to know if your family is friend or foe."

"Don't worry, Senior Tang, our Qingren family is opposed to the Immortal Court, so we are definitely friends."

"In that case, fine."

omi took Fa Lan and went to the Qingren Family to meet the Qingren Family's old king.

The old king of the Qingren Family was much stronger than the Ten Thousand Violet Saints, and among the entire Earth Immortal world so called king, the Qingren Family ranked in the top five, and Immortal Emperors never dared to mess with the top five ranked powers.

"Grandpa, he is the legendary omi." Qing Miao introduced.

"Senior omi, I have met with Elder Green Man." omi bowed.

"You're the omi who dared to pull on the Immortal Emperor's bed?"

"Such commonplace things are not to be spoken of."

"But I don't see what's so great about you."

"Er. Junior is already average, it's me who's powerful, but it's just an evaluation from an outsider."

"omi, can you tell me how you did it?"

"This, I'm ashamed to say."

"There's no need to be ashamed, I know you did it using a katana weapon, can you tell me what katana weapon you used? I don't remember any divine weapons in the world that have such powers." Old King Qing Man's gaze flickered as he asked.

omi had an intuition that he had just left the wolf's lair and entered the tiger's lair again.

This old ghost seemed to be more concerned about omi's divine weapon, but yes, it was a person who wanted to know.

omi's heart moved and said, "It's a divine weapon that I obtained at the Beginning Ancient Relic."

"What? The Beginning Ancient Relic? You were there? But I don't remember anyone going in there?"

"I was going in through another place, there were two entrances, one big one and one small one, and I just crawled in through the small one."

"What." The old green man was shocked.

"No wonder." The Young Man Old King didn't seem to have any doubts, after all, he hadn't even heard of a divine weapon that could make Immortal Emperors unable to catch it before.

"Where is that divine soldier now?" Old King Green Man asked.

omi said, "Truth be told, I was snatched away."

R /> "What? How is that possible."

"It's true, and besides, I was snatched away only yesterday."

"Who snatched it away?"

"Lawless."

"Uh, him?"

"Believe it or not, he's the one who took it anyway, and if you go to him now, you might still be able to get it."

"Are you sure you're not lying to me?"

"Why would I lie to you, besides, once this thing is exposed, sooner or later it will be taken away, and my strength can't hold this kind of divine weapon."

"omi, you're our friend now, now I'm going out, you wait for me here."

After saying that, after flying out of the main hall, the old Qing Man King quietly set up a ban before heading straight to the legacy of the French Dynasty.

And omi was livid.

"Grass Grass." omi cursed several times in a row, just escaped from the hands of Fa Wu Tian, you've entered the hands of the old king of the green man.

Fa Lan Dao: "It's all your own fault, you were attracted by a beautiful woman."

"Alright, it's not good Green Miao, if it wasn't for her, just as much under the control of Fa Wu Tian, now it's just a different person. It's a good thing I've detached Old King Green Man, now let's hurry up and leave, it might not be too late." After saying that, omi pulled Fa Lan outside.

When Qing Miao saw the situation, she busily said, "Senior Tang, where are you going? Didn't my grandfather tell you to wait for him here."

omi snorted, "What kind of hanging thing is your grandfather, why should I wait for him."

"Ah, what's wrong with you?"

"And you have the nerve to ask me what's wrong, your grandfather has imprisoned me."

"Impossible, my grandfather admired what you did in the Immortal Court before."

"Admire your sister, your grandfather just wants to know what kind of divine weapon I used, I just said that the divine weapon was snatched away by Fa Wu Tian, he's going to find Fa Wu Tian now. Alright, I don't have time to bullsh*t with you, I'm leaving before your grandpa Wang Bajie returns."

"No, big brother Tang, you trust me."

"Don't do that big brother, I'm younger than you."

"Uh, oh."

"Go."

omi pulled Fa Lan away, but, just out of the doorway, the bang dared to bounce back.

"Damn, that old fox, put a ban." omi cursed in frustration.

Fa Lan said, "We can't leave, what should we do?"

I'll try to see if I can break his restraint.

A light shot out from omi's hand, it was a divine ability fused to him by the Overturning Mirror, this divine ability was like a laser, it was highly lethal, but it was lethal with the level of the realm.

"No, I can't break the Green Man Old King's restriction." omi said depressedly.

"It's not surprising that you can't break it, after all, that Green Man Old King is something that even Immortal Emperors don't dare to mess with."

Qing Miao busily said, "Senior Tang, don't worry, my grandfather definitely didn't want to imprison you, he was just afraid that you would leave, so he kept you."

"Rolling rough, still afraid of us leaving, ridiculous, Qing Miao, you're too naive."

"Me."

Fa Landao said, "Wind Lightning, it's useless to scold her now, after all, we're either imprisoned by Fa Wu Tian, or by Old King Qing Ren. Now we can't leave the confinement, what should we do?"

omi said, "What else can we do, let's continue to hide."

omi swept a glance at the main hall and saw some trash in the corner of the main hall.

omi smiled and said, "That's right, I can disguise myself as trash, and then I can be swept out as trash."
