2405

On that day, Omi and his family had a joyful meal together.

Omi planned to stay at home for a month before going to the Immortal Realm, after all, he had to spend time with his loved ones after millions of years away from home.

A month had passed in the blink of an eye.

Omi immediately departed from the Ten Thousand Purple Mountains.

However, Omi didn't dare to go to the Immortal Court easily, and even if he did, he had to think of a way to get there.

Omi came to the East Sea to see if there was anyone who wanted to go to the Immortal Realm, and then Omi would find a way to hide in it.

"Grandfather." Omi found the Dragon King of the East Sea.

"Omi, you're here, where have you been for the last million years, hey, you've become an immortal."

"Yes, grandfather."

The Dragon King seemed surprised.

"Grandpa, I went to the uninhabited area over the South Sea, I almost didn't come back alive, fortunately the South Sea Godni saved me." First URL m . kanshu8.net

"By the way, Omi, I just came down from the Immortal Realm a few days ago, and I heard the news that the South Sea Divine Nun has married you?"

"Right." Omi smiled heedlessly, the news really did spread quickly.

"You kid, when did you get married to Godni, it's hard to believe that Godni is even willing to marry you." The King of the Dragon Clan said.

"Grandpa, why can't you marry me, I'm at least the king of men."

"Come on, that South Sea divine nun can't even chase after the Immortal Emperor."

"That son of a bitch, the Immortal Emperor, has actually pursued the divine Nun."

"Nonsense, back then, the divine Nun was also a peerless beauty, and her fame was above the Fairy Mother. That's why the Fairy Mother was so jealous of the Divine Nun. At that time, Divine Nun liked a man, a genius from the Immortal Court, named Jia Ren, who was quite handsome. But the Fairy Mother was jealous of him, so she planned to seduce Jia Ren, and as a result, Jia Ren fell for her. From then on, the divine nun no longer believed in love and left the fairy world. The Fairy Mother repeatedly sent

people to kill Godni, but unfortunately, Godni's natural talent exploded and became a generation of strong men, and the Fairy Mother was no longer able to kill her."The Dragon King finished Godni's past in one breath.

"I see, that Fairy Mother is really too small-minded, just because everyone said that Godni is prettier than her, she went to destroy her feelings and kill her."

"Oh, you should be thankful to the Fairy Mother, if the Fairy Mother hadn't done that then, then Godni would have had a bunch of kids with Jaren, and Godni might not have been able to break out of her natural talent, and would probably be an ordinary fairy clerk in the fairy world now."

"Che, I wouldn't want to thank her, grandpa, I'll definitely want you to f\*ck his fairy mother when I get the chance in the future."

The Dragon King's old face turned red and said, "Omi, why did you bring it up here again, didn't I tell you, don't say such things in the future."

"Hehe, grandpa, you really are a colored man without guts."

"Nonsense."

"Grandpa, I can tell that you really want to f\*ck his fairy mother, and it's probably all become a heart attack for you.If I'm not mistaken, you chased Fairy Mother a lot back then too."

"Ugh."The King of the Dragon Clan sighed.

"Grandpa, tell the truth."

The Dragon King said, "Well, you're right, back then I almost ruined the Dragon Clan to chase after the Fairy Mother, and the Fairy Mother lied to me that she would like me, but in the end, I realized that she was using me, and in the end, she managed to get good with the Fairy Emperor and kicked me out.Poor me, in order to help her, I used all the cherished resources of my dragon clan on her, and in the end, I didn't even hold a finger of her mother.I'm really unhappy inside, I've given so much and gotten nothing, but instead I've harmed my father."

Omi patted

Dragon King, comforted, "Grandpa, come with me to f\*ck him Fairy Mother, I'm preparing for a trip to the Immortal World.The Fairy Mother, the bitch, used you back then, used up all the resources of your dragon clan, and in the end, she didn't even let you touch her heel finger, if it was me, I would definitely be unhappy.Grandpa, do it."

The Dragon King laughed bitterly, "But, I'm the King of the Dragon Clan now, how could I do such a thing."

"Grandpa, do whatever you want, fear this or that.Besides, there's no guarantee that anyone will know if you do it."

"I'll be ruined if I do it, how will no one know."

"Grandpa, I'm here to make sure no one knows, I was, at first, able to do it by *shtting on the bed of a fairy emperor, helping you fck his fairy mother*, it's not even a thing."

"Oh, even if no one else knows, doesn't the Fairy Mother herself know?"

"Grandpa, I'll put it to you this way, the Immortal Emperor can't do that side of things, and the Immortal Mother has probably been holding it in for billions of years, so think about it. Unless, of course, you can't either."

"Omi, how do you know?"

"Don't care how I know, I know anyway. In a word, f\*ck or not?"

The Dragon King thought and thought, inwardly he wanted to do it, but he was afraid that something would happen.

Omi reassures that with proper planning, it can be done.

Omi was also ready to go to the Immortal Court and needed someone to work with.

After considering for a long time, the Dragon King still hadn't made up his mind.

"Grandpa, you really have left me unimpressed." Omi said that the Dragon King's character was really cautious and, to put it bluntly, gutless.

"Omi, if it was put in the past, I would still have the guts to spell it out, but now, I really don't dare ah. The Immortal Emperor is vigorously cultivating strong people, and now the strength of the Immortal Court is so rapidly increasing that even the Three-Eyed War God has defeated the Ten Thousand Purple Great Sage, I used to think that once something happens to the Dragon Clan, the Ten Thousand Purple Mountain will definitely not ignore it, but now, the Ten Thousand Purple Great Sage himself doesn't even know where to hide. Alas."

"Grandpa, do you really want to miss such an opportunity?"

"Are you sure nothing will happen?"

"I'm one hundred percent sure that the Fairy Mother was naked by you, she definitely won't tell anyone, if she did, where would her face be, the Immortal Emperor might not even want her, so she'll just have to knock her front teeth out of her mouth."

The Dragon King thought about it and said, "Then you'll have to do it with me."

"What do you mean?"

"Just what you think it means."

"Oh sh\*t, Grandpa, I don't think that, I totally want to help you realize your dream."

"What are you doing with me, so I won't be so scared."

"Grandpa, stop it." Omi rolled his eyes, where was Omi's interest.

"Alright, then plan first, we'll talk about it then if we do it or not, now tell me your plan." The Dragon King finally agreed.

"Haha, that's my Grandpa Dragon King. If you have a dream, you have to achieve it, otherwise what's the difference with a salted fish."

Omi told the Dragon King about his plan.

After that, the Dragon King asked, "Is this really okay?"

"Absolutely, now, let's go up to the Immortal Realm and then go to Gao Xiaolian, just like last time, and enter the Immortal Court through Gao Xiaolian's cousin."

"Alright." The Dragon King nodded somewhat worriedly.

After that, the Dragon King took Omi with him and headed to the Immortal Realm, but of course, Omi was hiding in the Dragon King's pocket so that he wouldn't be discovered. Even if the Immortal Emperor's Immortal Sense swept over someone so familiar, he wouldn't be able to sense the Dragon King's past and present future, so that he wouldn't find out who the Dragon King was carrying.
