"Hey, Minister, I'm asking a bit much."

"No harm done, say."

"I want to be the director of the Divine Division of the Three Realms of Exotic Beasts."

"Hahaha, yes, the future happiness of all the exotic beasts of the Three Realms is in your hands." Omi said.

"Hehe."

This Exotic Beast Divine Division was a Third Grade Immortal post.

Omi looked at the divine nun and asked, "Jie, aren't you going to do something?"

"Not interested." Shinni looked like it had nothing to do with her.

"Also, with your thin personality, you really can't bring up interest."

Gao Xiaolian said, "Actually, I'm not too interested, but I'm not making much progress in cultivation, so why don't I be the Captain of the Immortal World's War God?"

"Hahaha, good, from now on, everyone will have to call you Captain Gao, and the Three-Eyed War Gods will have to obediently listen to you." Remember the URL . kanshu8 . net

"But now the three war gods are so much stronger, I."

"What are you afraid of, your husband, me, is stronger."

"Alright, hehehe." Gao Xiaolian was also full of joy.

Just like that, almost everyone, they found the Immortal Officer position of their choice.

It was as if this Immortal Court had become run by Omi's family, and they could do whatever they wanted.

A few days later, somewhere in the Earth Immortal Realm.

"Mother, it's bad, there's news from the Immortal Realm." Nian Shi was busy saying.

"What news, could it be that your father is dead." The former Fairy Mother said.

"Mother, my father, he's no longer an Immortal Emperor."

"What? He's really dead?"

"No, not dead, Omi didn't know what method he used to snatch the Heart of the Hong Meng, but he didn't kill my father, now, the Immortal Court has changed masters, just a few days ago, Omi announced a new batch of Immortal Officials, Omi replaced many of his own relatives. Also, my father, he's now turned into a fairy official in the Immortal Court, it seems like, Omi made him the vice commander of the Imperial Forest Army." Nian Shi said.

The Fairy Mother didn't say anything for a long time, and finally, she smiled bitterly, "This world, after all, has fallen into the hands of others."

Nianxie said, "But Omi is considered benevolent and didn't harm his father, and even named him the deputy commander of the Imperial Forest Army."

"Hmph." The Fairy Mother, however, snorted, as if she had a strong opinion of Omi.

Nianxie smiled, "Mother, now that you're not a Fairy Mother anymore, you shouldn't think about it so much, it's good for our mother and father to live here now."

"Nianxie, don't forget that this bastard killed your brother, Nianqing." Fairy Mother said.

"Ugh." Nianxie was depressed inside.

Just then, Omi suddenly appeared in mid-air.

"Nianxie, I can find you." Omi shouted in mid-air.

Nian Tides looked up and saw Omi.

"Omi, is that you?"

"Oh, normally, when you see me nowadays, you should be called Immortal Emperor, but you're my woman, so you can call me anything." Omi said.

Nian Shi said, "Omi, I'm sorry, I'm not your woman."

"No, you're my woman." Omi's hand moved, Nianxie couldn't control her body and flew towards Omi.

Omi hugged Nian Tides and looked at her up close.

The Fairy Mother yelled from below, "Omi, let go of my daughter."

Omi had no affection for the Fairy Mother at all, but if it wasn't for Nianxie, Omi wouldn't have resurrected her.

Omi looked at the Fairy Mother and said, "Please call me Fairy Emperor."

*"I pooh, you're a thief, you stole someone else's things and you're still shameless." Immortal Mother cursed.*

Omi laughed, "You think, I stole Niantian's things?"

"Doesn't it? Thief."

"Hahaha, was Nian Tian born to be an Immortal Emperor, remember, this world is for the strong. It's also fate that I was able to obtain the Heart of Hong Meng. Now, I'm at the pinnacle of this world, even those strong people from the Evil God Relic, no one is my opponent. Mother-in-law, I tolerate you throwing tantrums at me because you are Nian Shi's mother, but don't challenge my bottom line anymore, or else I'll betroth you to the Dragon King."

"You."

Omi flew away with Nianxie.

Nian Shi said, "Omi, are you telling the truth? Are you really the strongest now?"

"Right."

"But, how can you in such a short time."

"Hahaha, Nian Shi, time is not a measure of whether one can become strong or not, only opportunity can determine that. You come with me, I have many secrets to tell you."

"What secrets?"

"About this world."

Omi brought Nian Tides to a place, then Omi told Nian Tides about the underwater ruins in the uninhabited area of the South China Sea.

Nian Tides was shocked, "I'm a descendant of a god?"

"Yes, in the beginning, in this world, the first ten humans appeared, they didn't appear out of nowhere, they were the descendants of the ten gods before this world collapsed. Your father, Nian Tian, is the offspring of an evil god, and the evil will of that evil relic can only be inherited by the offspring of an evil god. That's why, none of those people inside got inherited."

"So that's how it is." Nian Tides said incredulously.

"Nian Shi, I didn't tell your father about this, you're Nian Tian's daughter, you're the Evil God's offspring, I want to take you to the Evil God's ruins so that you can inherit the Evil God's will."

"But, that should have been my father's, how could I?"

"What your father's, you're also the offspring of an evil god."

"No, I can't do that, I'm too sorry to heaven and earth." Nianxie shook her head and said.

Omi said, "Nianxie, your father, the reason why he still hasn't gotten the Evil God's inheritance, this has told the world that he doesn't deserve it, you also know that your father's talent, which is considered stupid, is probably a waste if he got it, so, underworld, it must be the Evil God's blessing that he can't get it."

"But, you said it all yourself."

"I'm an Immortal Emperor, and I have the wills of the gods, including the Evil Gods, in my Honored Heart, so what I say is naturally a few thoughts of the Evil Gods."

"Oh." Nianxie was a little confused and oh.

Once upon a time, Nianxie had been only one step away from the Heart of the Hong Meng, but unfortunately, at that time, she hesitated and didn't kill the Immortal Emperor right away, so that one small hesitation, she had missed out on such a great opportunity.

Now, the Heart of Hongmon became Omi's, which had to be a very big regret for Nianxie.

If Nianxie had become an Immortal Emperor and obtained the Hong Meng Heart, then the difference between Omi and her in this life was no longer the distance between heaven and earth. Omi could not obtain any inheritance and would never have the chance to become a god.

Omi said, "Nianxi, let's go, I'll take you to the Evil God Relic."

"Me."

"Now, it's me who wants you to inherit, not you who chooses to inherit or not." Omi brought up Nian Tides and quickly flew towards the Evil God's Relic, and within a few hours, Omi was outside the Evil God's Relic.

"Ah, so fast?"

"Of course, I'm an Immortal Emperor now, so I can travel through very quickly." Omi smiled and said, whereas before, it took a year.
