

A Billionaire's Reincarnation Chapter 1-10

Chapter 1

"Ouch, why is my head so dizzy?" Chen Hao Xuan swayed around on his feet at a strange pace, no different from a drunk person.

"Brother Xuan, are you alright! Don't scare me! Woooooo" A girl with delicate features but a pimple on her face saw that Chen Hao Xuan was about to fall over, so she reached out to help Chen Hao Xuan and cried out for him in tears.

Not far away, a group of men and women in school uniforms were looking over at Chen Hao Xuan and laughing. "Zhu Tian, you're so good, you really got thrown." It turned out that this group of students were betting on whether Zhu Tian could hit Chen Hao Xuan with an apple, and Zhu Tian didn't know what kind of luck he had and was hit by him in one go.

A few minutes later, Chen Haoxuan's head finally became less dizzy, and he finally saw the person who was helping him, a girl with beautiful features, clear and bright pupils, curved willow eyebrows, long eyelashes that trembled slightly, a small and delicate nose, and thin lips as delicate as rose petals, but she was full of pimples, and the pimples on her face completely concealed her beauty.

A breeze blew, Chen Haoxuan was stunned, why was there a breeze in his lab? He looked around, a lush green lawn, groups of students playing on the lawn, young teenagers playing basketball on the court, and a tall school building, this was the campus, right? Isn't he in the lab? What brings you to campus all of a sudden?

Chen Yina saw Chen Hao Xuan frowning and looking around, she thought Chen Hao Xuan wanted to find the person who threw him with an apple, she knew that the person who threw Chen Hao Xuan was Zhu Tian's group, Zhu Tian and the others were school thugs, she didn't want Chen Hao Xuan to reason with Zhu Tian and the others, so Chen Yina saw that Chen Hao Xuan was fine, she pulled Chen Hao Xuan and said in a delicate voice, "Brother Xuan, let's go! "

Chen Yina pulled Chen Hao Xuan to leave, but she didn't, she looked back and her brother Xuan was looking at her with a strange look. "Brother Xuan, are you alright?" Chen Yina asked with concern, her eyes fogging up again.

"Who are you? Why am I here?" Chen Hao Xuan asked with a face full of questions, he remembered that he was obviously in the lab studying a bead with energy, then the bead emitted an intense light, after that he came to his senses and arrived here for no reason, he really couldn't understand why.

"Ah-, Brother Hen, you don't even remember me?" Chen Yina's heart is like being pierced by a sword as painful as incomparable, she and Chen Haoxuan grew up together as childhood sweethearts, elementary school together, junior high school together, even the university are together, and they have always been the same class to go to school, every day morning and evening get along, but now Chen Haoxuan actually asked her --Who is she, Chen Yina was really sad, her tears flowed uncontrollably.

When Chen Haoxuan saw that Chen Yina was crying, he got nervous, he Chen Haoxuan was not afraid of anything, what he was most afraid of was a woman's tears. "Hey, don't you cry ah? I'm not bullying you, why are you crying, I just want to ask you something, if you don't want to answer my question, you don't have to answer, I won't force you." Chen Haoxuan saw that the girl in front of him was actually crying from the question he asked, his heart panicked, he was afraid of the woman's tears, so he even waved his hand to explain.

At this time, in the distance, Zhu Tian and his group walked to the side of Chen Hao Xuan, Zhu Tian bullishly pushed Chen Hao Xuan's shoulder, arrogantly laughed, "Chen Hao Xuan, I didn't think your head was really hard, the apple I threw so hard hit you all right."

Chen Yina saw Zhu Tian and the others coming over, she no longer cared if Chen Hao Xuan remembered her or not, she dragged Chen Hao Xuan away forcefully. Humiliating people for fun, how could Zhu Tian and the others just let Chen Hao Xuan and the others leave so easily, Zhu Tian waved his big hand, and the few boys behind him immediately surrounded Chen Hao Xuan and Chen Yina.

"Chen Haoxuan, what did I say to you before - don't you remember? Then I'll repeat it again, I once told you that if I see you once, I'll hit you once, today you're not so lucky to have me meet you, come

on! Accept my brutality!" Zhu Tian rubbed his palm after saying that, approaching Chen Hao Xuan with an evil expression.

Although Chen Haoxuan was still a little confused, but he wasn't so confused that he didn't even know that people wanted to beat him up, he was the chief professor of the future century, the military's technological leader, and had made many great contributions to the country, everyone who saw him needed to treat him with courtesy, even the president was no exception. But now this male student in front of him was trying to teach him a lesson, this was still a big deal, if he didn't fight back then he wouldn't be the one who was called the crazy professor.

When Zhu Tian came to a stop half a meter away from Chen Hao Xuan, he raised his hand and tried to slap Chen Hao Xuan, in Zhu Tian's eyes Chen Hao Xuan was a coward who was afraid of causing trouble, in Chen Hao Xuan, Zhu Tian couldn't find any reason for Chen Hao Xuan to dare to resist, so Zhu Tian had no defense at all.

Chen Haoxuan was a professor, but he was also a soldier, and no one in the army could beat him because he relied on his clever mind to study the sources of power and various fighting techniques, making him a lonely and defeated figure. Now someone wanted to flatten him, how could he not resist, Chen Haoxuan right hand fist attacked Zhu Tian's stomach, then two feet, soared up into the air, both hands quickly held Zhu Tian's head, the knee of the right foot forward Zhu Tian's forehead, a muffled bang, Chen Haoxuan's knee rammed into Zhu Tian's forehead, Chen Haoxuan's these actions are as fast as lightning, flowing and unrestrained, all at once, simply cool dumb! up.

Zhu Tian kept retreating, his eyes were dazzled at the moment, and finally Zhu Tian could no longer hold on to the ground with a bang, this fall directly made him unconscious.

The entire audience was shocked, Chen Haoxuan was a famous wimp, everyone dared to bully him because he was really useless and too cowardly. But now he had actually beaten Zhu Tian, the bullying big brother of Xinshan City University, to the ground in just a short moment, and Zhu Tian hadn't even had a chance to fight back, no, it should be said that he had been knocked unconscious, this kind of thing made the people present unable to react for a moment.

Chen Haoxuan looked at his hands, this was a pair of hands with ten fingers that were long and smooth and tender, this was not his hands, although his hands were also ten fingers long, they were

definitely not as smooth and delicate as they were now, and he could feel himself gasping for air, his knees were aching, when did his body become so bad. Chen seemed to have thought of something, he looked down at his body, he was wearing a school uniform, jeans that were almost white washed, and a pair of black sneakers, this was definitely not him, because he had never worn such shabby clothes, let alone clothes that bad, he could be sure that this body was definitely not his, so how could he be in this body?

Chapter 2

The first to react, as soon as she sobered up, she pulled Chen Hao Xuan desperately ran outside the school, it is now noon, in a little while will be in class, but Chen Yina can not manage so much, absenteeism is absenteeism, better than being bullied by Zhu Tian and the others.

The first thing you need to do is to take a look at the road, the vehicles that are only available in the 21st century, which are coming and going on the highway.

Zhu Tian's little brother didn't dare to go after Chen Haoxuan, just now Chen Haoxuan's greatness they have seen, in an instant they took care of the boss they used to worship, such a deep hidden person, they don't dare to provoke and can't afford to provoke.

"Boss, boss you wake up" Zhu Tian's little brother kept calling out loudly as he shook Zhu Tian.

Zhu Tian slowly opened his eyes, he was confused, "What just happened? Why did I just see Chen Haohuan do it to me?" Zhu Tian still didn't believe that he was knocked unconscious by Chen Haoxuan, which didn't want him to, he had been bullying Chen Haoxuan for over a year, and in all that time he had only seen Chen Haoxuan hide, but he had never seen Chen Haoxuan dare to fight back.

"Boss, just now Chen Hao Xuan really attacked you and was very powerful, we just wanted to help and he ran away, otherwise we will definitely fix him badly." Zhu Tian's younger brothers had angry expressions, they were tongue in cheek, Chen Haoxuan didn't leave immediately after knocking their boss unconscious, they had plenty of time to stop Chen Haoxuan, but none of them dared to stop Chen Haoxuan.

Zhu Tian swayed and stood up, pointing at his younger brother and yelling loudly, "So many of you couldn't keep a single loser, you've followed me for so many years for nothing, what are you still standing here for? Don't give chase yet."

Zhu Tian's little brother saw their boss angry, forced to only chase in the direction where Chen Hao Xuan and the others had just left, as they chased they grumbled in their hearts, "Saying that we are useless, then you are not even more useless, and all of a sudden you were knocked out by Chen Hao Xuan, the trash."

Chen Yina pulled Chen Hao Xuan out of the campus and ran left through the right for nearly 20 minutes before stopping, there are no tall buildings Daxia, only tiled houses made of tiles and bricks. "Brother Xuan, let's go home, we won't go to class today." Chen Yina panted to Chen Hao Xuan, it was the first time she had grown up to run that long continuously.

"Home? Our home? Where is it?" Chen Hao Xuan also asked, panting, he had just run for 20 minutes, which made his body very tired, since he became the chief professor tired this feeling he almost forgot, because after becoming the chief professor he relied on various methods to make his body incomparably strong, plus he did not have to go to the battlefield, so in the past he could not find the word tired on him at all, the feeling of tiredness made him believe even more that he had been Not that crazy professor anymore.

"That's it! Brother Hen, you haven't even forgotten our home, have you?" Chen Yina pointed to a shabby tiled house in front.

Chen Haoxuan felt a little dizzy, this was his home, how could it be so shabby, what was the difference between this and a thatched house.

Chen Yina walked to the front door of the tiled room, took out the key from her pocket, and with a click, the door was opened by Chen Yina, Chen Yina turned around and waved to Chen Hao Xuan, "Brother Xuan, why are you still standing there? Come on in!"

Chen walked in, and as soon as he was inside Chen said to Yina, "Excuse me, can you lend me a mirror?"

"Mirror, don't you have one in your room, Brother Hen?" Chen Yina pointed to Chen Hao Xuan's room, strange, she felt that her brother Xuan was very unusual today, after being smashed by Zhu Tian with an apple, it was like her brother Xuan didn't recognize her, then he knocked out the bully Zhu Tian three times like a martial arts expert, now he even forgot their home, his room, did he lose his memory from being smashed by the apple?

Chen Hao Xuan walked into the room that Chen Yina pointed out, once inside he found a mirror the size of a basketball by the window, Chen Hao Xuan picked up the mirror, when he saw himself in the mirror, it startled him, he stroked his face and said to himself, "My God! Is that me?" The glossy white face with a cold, angular handsomeness, dark, deep eyes with a charming hue, thick eyebrows, a high nose, and stunningly beautiful lips, all of them flaunted nobility and elegance. Coupled with the fact that Chen Hao Xuan was now plainly dressed, which gave Chen Hao Xuan a natural beauty, even Chen Hao Xuan himself was stunned by his own appearance.

Chen Yina walked into Chen Haoxuan's room, she had many questions in her heart at this time, why did her brother Xuan not know her when she was at school, why did her brother Xuan know martial arts to knock Zhu Tian unconscious, why did her brother Xuan even forget about their home?

"What's wrong with you today, Brother Hen?" Chen Yina's eyes were red as she asked to Chen Hao Xuan who was looking in the mirror.

"Ah-." Chen Hao Xuan put down the mirror and turned his head to see Chen Yina's red eyes and that worried look, Chen Hao Xuan didn't know what to say to this strange girl, he could feel that this body of his had an extraordinary relationship with this girl.

Chen Hao Xuan's head was rapidly spinning, and suddenly his mind flashed, there, since he didn't know why he had become like this, he could simply pretend to have amnesia. "I-I think I've lost my memory, I've forgotten everything, including myself, I can't recall all my previous memories, can you tell me?" Chen Haoxuan pretended to be very serious to Chen Yina.

"Ah-, you- you said you lost your memory?" Chen Yina's small hand covered her small mouth and exclaimed in shock.

"Well, it's true, I'm not lying to you, but although I can't remember the past, I can feel that I'm familiar with you." Chen Hao Xuan Dao.

Chen Yina's heart couldn't help but feel sweet when she heard Chen Hao Xuan's words, and Chen Yina comforted Chen Hao Xuan for a while before slowly telling Chen Hao Xuan about the past of his current body. It was two hours, after two hours of telling, Chen Hao Xuan finally became clear roughly, it turned out that this body's name was called Chen Hao Xuan as well as his name, it seemed that this was a kind of fate. He also learned that he was now a person and a family, because a few years ago this body's brother and him split up, his parents were living with his brother, because his brother was more capable than him, he opened a small shopping mall in the county and bought a small van, his parents were people who loved money, of course they chose to live with his brother.

Chapter 3

"It's good to be alone, there aren't that many worries, you can eat and sleep whenever you want, no one cares." Chen Hao Xuan's heart was happy.

Looking at the girl in front of him who grew up with him as a childhood friend, Chen Hao Xuan was very touched, Chen Hao Xuan already knew her name, her name was Chen Yina, she was his neighbor's daughter, and he had spent all these years with this girl in the same pain.

Chen Hao Xuan held Chen Yina's small hand, looked deep into Chen Yina's eyes, and gently said, "Nana, thank you for helping me all these years. Don't worry, I will definitely not let anyone bully you again in the future."

Chen Yina nodded her head in a moved manner, "Mm, I believe in brother Xuan's words."

Chen Hao Xuan observed the house he was currently in, the lime painted on the walls had fallen off seventy-eight times, which made the house look very much like the same age, the room could be said to be a house, there wasn't even an electrical appliance, the most valuable thing belonged to the gas stove used to cook the food, the rest of the things, it could be said to be worthless. This tiled house was a house that Chen Hao Xuan and Chen Yina shared, and they only needed to pay a hundred yuan a month as rent, which was very cheap.

The reason why Chen Hao Xuan and the others rented a house outside the door was all because they had to make money, they would go out and find things to do as soon as they didn't have classes, help wash dishes, go to temporary jobs, find hourly jobs at domestic helpers, go to a nearby small manufacturer to get some parts that needed to be processed back to be processed, or work as tutors, etc., whatever they could make money and not break the law, they did. It's all a matter of life and death! Chen Hao Xuan and the others don't go to make money who will pay for their college education.

And Chen Yina's father's health is not good, can't do heavy work, her mother does all the heavy work at home, her mother rely on the family's acre of land how can she afford to pay for her college education ah! So she needs to be self-reliant to earn money for her own education and also needs to give her family a few hundred dollars a month to buy medicine for her father. She is a poor child just like Chen Hao Xuan, and both of them need to fight for their future.

Chen Yina was worried that Chen Hao Xuan's mind would be left behind, so she forced Chen Hao Xuan to go to the hospital for a checkup, took an ultrasound, spent a hundred dollars, nothing happened, as to why Chen Hao Xuan lost his memory, the doctor also said he did not know. To celebrate the fact that Chen Hao Xuan had no after-effects, Chen Yina bought a kilogram of pork on the way back, ready to give Chen Hao Xuan a good tonic.

Back home, Chen Yina was like a virtuous wife, making a fire and cooking. And Chen Hao Xuan he sat still in the living room, he was thinking about how to live in the future, although he is not afraid of hardship, but he does not want to live a life with the last meal without the next meal, he must think of a way to make money out. He wanted to change his current situation, earn some money to live in a better house, and most importantly he wanted to buy something to make beauty products and cure the scars and pimples on Chen Yina's face.

At this time, Chen Yina came out from the kitchen with a fragrant delicacy, just in time to hear Chen Hao Xuan's words, Chen Yina asked curiously, "Brother Xuan, what are you thinking about?"

"It's nothing, just thinking about how we should make money." Chen Hao Xuan Dao.

Chen Yina put the cooked food on the table and then said to Chen Hao Xuan, "Aren't we making enough money now? What's the matter? Do you need money badly? I've got a thousand dollars here if you want it, or you can have it."

"No, I'm just thinking randomly - just looking at what to do to make more money." Chen Hao Xuan Dao knew that Chen Yina's situation was even more miserable than his, and he wouldn't take a penny of Chen Yina's money even if she starved, because her money was intended to pay for her brother's schooling.

"Oh, then eat your fill and think again!" Yina Chen smiled sweetly.

Chen Hao Xuan shared a room with Chen Yina, and Chen Hao Xuan had a great advantage because Chen Yina helped him with his laundry and cooking, and even his job was helped by Chen Yina to find him. Chen Hao Xuan was touched in his heart, and he vowed in his heart to make this poor girl live a happy life, because just like the Chen Hao Xuan before he already considered this girl as his sister.

"Nana, your cooking is so delicious, whoever marries you in the future, then he must be the happiest man in the world." Chen Hao Xuan gobbled down the food that Chen Yina had made, it was the first time in his life that he had eaten such delicious food, he recalled the food that was almost like fertilizer in the future century, his heart brightened up a lot, he figured out that there was nothing bad in the 21st century, other than the technology being a bit poor, everything else was good, the food was natural, the air was clear, and there were simple people, it was definitely A good century to enjoy life.

"I'm so ugly, it's a wonder anyone would marry me." Chen Yina joked with a smile.

Chen Haoxuan stopped gobbling and seriously said to Chen Yina, "Nana, I actually have a way to make you become a beautiful woman, because your features are very good-looking, just a lot of pimples on your face, don't worry, when I make a medicine to treat your skin, you will become a super beautiful woman."

"Then I'll wait for you to succeed in making me a beautiful woman, but for now you'd better eat fast, we'll have to go to Mr. Li's house for tutoring later!" Chen Yina smiled at Chen Haohuan.

"Doing tutoring? Did I used to tutor?" Chen Haoxuan asked curiously.

"Forget about your lost memory, in fact, the two of us often work as tutors, we can earn tens of dollars an hour, it's a very good job. Some time ago, Mr. Huang hired us to tutor at his house, if we teach well, he will hire us to teach for a month, the price is 50 dollars an hour, I will teach her daughter to play the piano, you will teach his son to read. Because his daughter's grades are very good, so his daughter only learns to play the piano, and you don't know how to play the piano, so I have to teach." Chen Yina reminded.

"Oh, then let's hurry up and finish eating." Chen couldn't wait, he wanted to earn some money quickly now to buy some decent clothes and make medicine to treat acne.

After eating, Chen Hao Xuan and Chen Yina both went out, Chen Yina took Chen Hao Xuan to a luxurious apartment according to the address written on a small slip of paper: "Mr. Huang's home lives in room 301 of this building in front, let's go up there!" Chen Yina pointed to a building in front of her.

"Mm." Chen Hao Xuan responded.

Arriving at room 301, Chen Yina pressed the doorbell, ringing the bell and soon the door was opened and out came a voluptuous beautiful woman: "It's you guys! Come on in."

"Miss Li, hello." Chen Yina sweetly said to the beautiful woman, Li Yuzhen.

Out of courtesy, Chen Haoxuan took a step forward and naturally extended his right hand, Li Yuzhen saw that Chen Haoxuan wanted to shake hands with him, so she immediately extended her white, jade right hand to shake hands with Chen Haoxuan. Chen Hao Xuan's smile: "Miss Li, hello, I am Chen Hao Xuan, here to be a tutor for your children."

Seeing Chen Haoxuan acting so gentlemanly, Chen Yina was dumbfounded, in the past, Chen Haoxuan was very shy and rarely greeted others, much less be as gentlemanly as now.

Chapter 4

To say how Chen Yina had found this tutoring job with such a high pay, it was thanks to Chen Haoxuan's good looks, because Li Yuzhen had only hired them as tutors for her children after seeing Chen Haoxuan's good looks on tutor.com, good looks were sometimes that useful.

"Oh, you look much better in real life than in the pictures. Come on in! Both my kids are at home just waiting for you!" Li Yu Zhen smiled at Chen Hao Xuan, and afterwards sidled up and motioned for Chen Hao Xuan and the others to enter the house.

After entering the house, Li Yuzhen called out her children and introduced them to Chen Hao Xuan and Chen Yina. It was originally Chen Yina who taught Li Yuzhen's daughter Huang Mei Lin to play the piano, but she didn't expect Huang Mei Lin to force Chen Hao Xuan to teach her how to play the piano.

"Linlin, he doesn't know how to play the piano, so why don't I teach you?" Chen Yina persuaded Huang Mei Lin.

"Don't lie to me, you're all college students, how can anyone not play the piano nowadays. I don't care, I want him to teach me, or I won't hire you guys." Huang Mei Lin petulantly, she was dressed very fashionable, white shirt, short denim skirt, don't look at her only 14 years old, but the charm is no less than mature girls, willow eyebrows and big eyes, and a baby face, very attractive to men.

"Lin Lin, if you don't behave, your allowance will be cancelled next week." Li Yuzhen snapped at her daughter with a stern face, in fact, she knew her daughter's little heart, she must have fallen for Chen Haoxuan.

"It's okay, I'll be the one to teach him!" Chen Hao Xuan smiled.

After hearing Chen Yina's words, she tugged on Chen Haoxuan's clothes and whispered, "You wouldn't, would you?"

"The old me, I'm not quite sure, but I'm sure I can play the piano, and I play it very well." Chen Haohuan similarly answered Chen Yina's question in a low voice.

"Alright then! Just let you teach Huang Mei Lin and I'll teach Huang Zhi Feng." Chen Yina was helpless.

Chen walked up to Huang Mei Lin and smiled, "Beautiful little princess, please take me to the place where you practice playing the piano."

"Too good." Huang Mei Lin cheered happily and brought Chen Hao Xuan to her room.

Arriving at Huang Mei Lin's room Chen Hao Xuan felt like he was in a pink world, the walls, the bed, the wardrobe, the table, and even the floor were all pink. Huang Mei Lin's room was quite large, the piano was placed by the balcony of her room, and the piano was no exception pink, Chen Hao Xuan walked to the piano and sat down, looking up to Huang Mei Lin who was staring at him and asked, "What do you want to learn?"

Huang Mei Lin did not reply to Chen Hao Xuan's words, but instead put her hands on her chin and asked Chen Hao Xuan with a smiling face, "Do you have a girlfriend?"

"No." Chen Hao Xuan replied.

Hearing Chen Hao Xuan say that he didn't have a girlfriend, Huang Mei Lin's eyes immediately showed joy as she asked again, "Then how do you feel about me?"

"....." Chen Hao Xuan was speechless, did she invite him to be a tutor or a blind date.

"You're cute and lively, a very nice sunny girl. I've finished my evaluation, now you can tell me - what do you want to learn, right?" Chen Hao Xuan Dao.

"I can play the piano, but I want to learn how to play the best sounding method." Huang Mei Lin's delicate voice.

Chen Hao Xuan tried the sound of the piano and found that it was fine all very standard, so Chen Hao Xuan said to Huang Mei Lin, "Then you listen carefully to the song I'm playing and tell me how it feels." Chen Hao Xuan finished placing his hands on the piano.

The beautiful piano sound rang out leisurely, the high notes were like big pearls and small pearls falling into jade pans, the low notes were like winter thunder rolling. Suddenly Chen Haoxuan held down a few keys at the same time, and the piano emitted a sound as if the drums of an ancient battle had begun to charge. Then Chen HaoXuan's fingers danced on the piano keys as if they were dancing on the keys, faster and faster. The sound changed and became imposing, with waves of waves that were as continuous as an overwhelming volley of mountains.

By the end, Chen Haohuan swept his right hand from head to tail, swishing it around in a very cool manner.

"How do you feel after listening to this song?" Chen Hao Xuan smiled to Huang Mei Lin and asked.

Huang Mei Lin looked at Chen Hao Xuan with adoring eyes and said, "It's so nice, I feel so excited and happy."

At this time, the sound of popping applause suddenly came from outside the room, Chen Hao Xuan turned his head to see a middle-aged man with glasses and wearing a suit clapping his hands and walked in. "Well, well, it's so good to play, even a piano master couldn't play such a beautiful song." Huang Weicheng was happy.

Behind Huang Weicheng was Li Yuzhen as well as Chen Yina and Huang Zhifeng, who were all attracted by the sound of Chen Haoxuan's piano.

"Right, how come I haven't heard this song before?" Li Yuzhen asked curiously.

"Hehe, I'm sorry, this is a song I wrote myself, so it's not surprising that you guys haven't heard of it." Chen Haoxuan smiled, this song was written when he was in military school in the future century.

Huang Weicheng's heart was ecstatic, he didn't expect that he had hired a tutor to teach his daughter who was even better than a piano master, and the price was only 50 dollars an hour, such a good thing would even happen to him, it seemed that the heavens were favoring him.

Chen Yina didn't expect Chen Hao Xuan to play the piano so well, he suspected that the previous Chen Hao Xuan had been pretending to be a tiger, otherwise he lost his memory, why would he suddenly become such a gentleman and play the piano so well.

In order to get Chen Hao Xuan to teach his daughter seriously, Huang Wei Cheng offers to pay Chen Hao Xuan five hundred dollars an hour, and Chen Yina takes advantage of Chen Hao Xuan, Huang Wei Cheng gives her one hundred dollars an hour.

At 10 pm, Chen Hao Xuan and Chen Yina came out from the luxurious apartment, both of them were so happy because they had made a lot of money today, Chen Hao Xuan made fifteen hundred dollars, while Chen Yina made three hundred dollars. "Brother Xuan, thanks to you today, otherwise we wouldn't have been able to earn so much money." Chen Yina was happy to Chen Hao Xuan.

"That's right, you didn't even look at who I am." Chen Hao Xuan joked, while he secretly said in his heart, "Finally, I have money to buy new clothes."

"Brother Xuan, let's go, let's go to the Delicious Restaurant!" Chen Yina to Chen Haoxuan.

"Yes, we earned money today, we should go to a restaurant for a good meal." Chen Hao Xuan was happy, but what Chen Yina said next made him laugh and cry.

"What ah! Have you forgotten what I told you today, we go to the Delicious Restaurant every night around 11pm to help the boss wash the dishes, and the boss pays us five hundred dollars a month." Chen Yina explained.

Chen now finally knew why his hands were so smooth and delicate, it was washing the plates all day long. "Nana, listen to me, I've lost my memory now, but I'm confident that I can let you live a happy life, so let's not go washing dishes ha."

Chapter 5

"But - but" Chen Yina didn't know how to explain to Chen Hao Xuan, Chen Hao Xuan was one person to feed the whole family, but she was different from Chen Hao Xuan, her father had a heart condition and needed to take medicine every day to keep him alive, while her brother and she both needed to study, it could be said that she was supporting a family by herself, if she didn't go to work hard to earn money, then her family would collapse.

"Don't be any butts, listen to me right. Now let's go to the mall and buy some decent clothes." Chen Hao Xuan didn't care if Chen Yina answered or not, he pulled Chen Yina and left.

Chen didn't go to a high-end clothing store, it wasn't that he didn't want to buy designer clothes, but he didn't have that much money to buy name brands. Chen Hao Xuan with Chen Yina in the downtown shuttle, in the end Chen Hao Xuan bought two tight shirt and two tight trousers and two pairs of shoes, the quality is not bad, also cheap, only spent a thousand dollars, in addition Chen Hao Xuan also bought a dress for Chen Yina.

The next day, Chen Hao Xuan woke up early, after washing his face and brushing his teeth, he began to put on the clothes he bought yesterday, then got some hair wax on his hands, rubbed his hands against each other, then went to his head, then took a comb, get it done. An energetic and incredibly handsome sunshine boy appeared.

Looking at himself in the mirror, Chen Haoxuan smiled to himself, "That's what makes me look like a human being!"

After eating the breakfast cooked by Chen Yina, Chen Hao Xuan followed Chen Yina to the University of Xinshan City with great anticipation, Chen Hao Xuan was eager to see what the campus of the 21st century was really like.

In front of Xinshan City University, there were a few girls gathering together to chat, suddenly a girl exclaimed: "Look, isn't that beautiful boy Chen Hao Xuan? He looks so manly today, yo."

"Ugh-, it would be nice if he really is manly." Another girl sighed, Chen Haoxuan was recognized as the beautiful man in their hearts, but unfortunately, the beautiful man in their hearts didn't dare to resist even being bullied.

"Sisters, let's go flirt with him - okay?" One of the girls suggested, flirting with Chen Hao Xuan things they often do, that's why the previous Chen Hao Xuan so shy, it's all because of these lecherous girls.

Chen Hao Xuan who was looking around to enjoy the scenery of the 21st century was suddenly surrounded by a group of girls, Chen Hao Xuan's reaction was quick, immediately made a pose ready to fight. But did not expect this group of girls very gentle wooing him, pinching his face, touching his waist, holding his hand.

"Chen Haoxuan, you're so handsome today, it's simply better that you keep dressing like this from now on. Chen Haoxuan, my sister is very lonely these days, why don't you be my sister's boyfriend! Chen Haoxuan, I've actually had a crush on you for a long time" This group of girls kept teasing Chen Hao Xuan.

"So the previous Chen Haoxuan had so many suitors at school." Chen Hao Xuan's heart was dark.

Chen Haoxuan wasn't a decent man, so many girls were around him and were touching him everywhere, so it was common sense that he should touch back. "Wow-, your body is really good, wow- your fierce is so big yo, your ass is really plump, at a glance you know that it is well bred, feed Don't you run away! I'd like to talk to you guys some more!"

Chen Hao Xuan looked at those girls who had already run far away and said to himself, "What a loss, they took so much advantage of me, I only took that advantage of them and they ran away, what a cheapskate."

Next to Chen Haoxuan, Chen Yina covered her small mouth and laughed, "I didn't expect you who lost your memory to be so bold, it used to be others who molested you, but now you are molesting others instead."

At this time a group of male students came towards Chen Hao Xuan, the leader was Zhu Tian who was knocked unconscious by Chen Hao Xuan yesterday, Zhu Tian was waiting for Chen Hao Xuan in front of the university with his little brother very early in the morning in order to take revenge.

"Chen Hao Xuan." Zhu Tian called out Chen Haoxuan's name almost as if he was bellowing out.

Chen Haoxuan and Chen Yina turned their heads in unison, and when Chen Yina saw that it was Zhu Tian, she naturally pulled Chen Haoxuan to run, an action she didn't know how many times she had done. "Slow down, what's meant to come will always come, it's not a good idea to keep running away. Nana, you go to school first, don't worry I'll be fine." Chen Haoxuan gently told Chen Yina, Chen Haoxuan wanted to get rid of this trouble Zhu Tian now, the easiest way was to hit Zhu Tian afraid.

"But - but you" Chen Yina didn't trust Chen Hao Xuan to face Zhu Tian and the other thugs alone.

"Don't worry! I promise I will return safely." Chen Haoxuan patted his chest and assured.

Zhu Tian also didn't want to bully a weak woman, he was very sensible and asked his little brother to let Chen Yina leave, and Chen Yina left three steps back.

"Brothers, catch Chen Haoxuan inside the alley in front of me, I want to fix him up." Zhu Tian roared in a very generous manner.

The two strong boys racked Chen Hao Xuan to an alley not far ahead, Chen Hao Xuan didn't resist, and he was more than eager to go to an empty alley. Chen didn't worry about his safety, although he didn't have a strong body like Future Century, but his fighting skills, fighting experience, incomparably rich, dealing with these few hairless college students is not a handful.

In a cul-de-sac, Zhu Tian coldly said to Chen Haoxuan, "I give you two choices, one is to take off your clothes and drive around Xinshan City University, the other is for me to beat you into a cripple."

"Let me tell you Zhu Tian, I am no longer the old Chen Haoxuan, you better choose to shake hands with me, because becoming my enemy is a terrifying thing, he will make you live in constant fear." Chen Haoxuan was cold and icy, his murderous aura was getting stronger and stronger, as if he was almost unable to resist the urge to strike.

"You bastard, who do you think you are! Brothers give me a hard lesson for him." Zhu Tian roared angrily, Chen Haoxuan, who had less guts than a mouse, dared to talk to him like that and threatened him, he was really pissed off, he decided to waste Chen Haoxuan today.

This time Zhu Tian had learned his lesson, he let his little brother go on, while he cheered him on from behind. Chen Hao Xuan did not want to spend his time on these minions because it was almost time for class, so Chen Hao Xuan stomped on the fence with his left foot, then stomped on the right fence with his right foot, and he stepped over the top of Zhu Tian's little brother.

Zhu Tian saw that Chen Hao Xuan had such a powerful skill, now he didn't dare to underestimate, and he immediately put up his twelve spirits. Chen Haoxuan reached Zhu Tian in the blink of an eye, Zhu Tian immediately raised his fist to hit Chen Haoxuan's head, Chen Haoxuan's head deflected and dodged Zhu Tian's sharp punch. Chen Haoxuan's right hand very unceremoniously slammed Zhu Tian with a cracking sound that echoed through the alley.

Chapter 6

As soon as the voice passed, Zhu Tianton felt his face flaming hot and painful, he was really about to faint, he would rather Chen Haoxuan hit him elsewhere than have Chen Haoxuan slap his face in front of his so little brother, and his image was all gone with this slap.

"Chen Haoxuan, I'm going to kill you." Zhu Tian fiercely jumped at Chen Hao Xuan while his little brother also attacked Chen Hao Xuan from behind.

"Today, if I, Chen Haoxuan, don't beat you all down, my surname won't be Chen." Chen Hao Xuan also got angry.

"Ahhhh" A creepy scream came out from the hutong, descending to the point where the residents who lived in the hutong didn't dare to go out.

When the screams stopped, there were ten student thugs in the dead alley who were lying on the ground and wailing, while Chen Haoxuan was slowly approaching Zhu Tian with a brick in his hand.

At this moment, Zhu Tian no longer had the courage to flatten Chen Haoxuan, all because of Chen Haoxuan's bravery, and he regretted messing with this strange monster Chen Haoxuan. "You - don't come over, don't come over" Zhu Tian kept backing away, his voice carrying a pleading tone.

"I told you that becoming my enemy is a terrifying thing, so just admit your misfortune!" Chen Hao Xuan sneered.

Zhu Tian saw that Chen Haoxuan had no intention of letting him go, so he turned around and fled, but how could Chen Haoxuan let him have his way, Chen Haoxuan quickly caught up with Zhu Tian and put Zhu Tian down with his feet. "Ouch." Zhu Tian screamed as his body lost his balance and fell to the ground.

"Next time remember to see me, you better take a detour." Chen Haoxuan said, and the brick in his hand slammed into Zhu Tian's head.

With a muffled thud, the brick splintered in all directions, while blood flowed out of Zhu Tian's head. "Ahhhh" Zhu Tian's head hurt so much that he rolled around on the ground.

The reason why Chen Haoxuan dared to use the brick to shoot Zhu Tian's head was because he had calculated that the brick was very light and had many cracks, and at a glance, one could tell that it was a very poor quality brick that would shatter if it collided with a slightly hard object, otherwise Chen Haoxuan wouldn't have dared to use it to shoot someone.

Chen Hao Xuan patted the dust on his hands, hummed a leisurely song and walked out of the alley, heading to the University of Xinshan City.

Chen Yina had been waiting for Chen Hao Xuan at the entrance of the university, and when she saw Chen Hao Xuan leisurely walking towards the university, her tense heart was finally relieved and a sweet smile appeared at the corner of her mouth.

Chen Hao Xuan walked up to Chen Yina and smiled, "See! I told you I'd be fine."

"Where are Jutian and the others?" Chen Yina asked curiously, according to the previous situation, Chen Haoxuan should have been beaten up by Zhu Tian and the others before letting Chen Haoxuan go, but today Chen Haoxuan didn't have anything wrong.

"They ah! They're all beaten down by me, and I'm sure they'll all take a detour when they see me in the future. Well, you don't have to ask me why I'm so good, because I don't know, let's go! Let's go into the school, or we'll be late." Chen Hao Xuan Dao.

Chen Hao Xuan was a student in class 8 of the sophomore business administration department, Chen Hao Xuan didn't know how to get to the road, luckily Chen Yina was in the same class as him, so he followed Chen Yina to class 8. Before entering the classroom, Chen Hao Xuan heard the sentence, "Even if I like Chen Hao Xuan, I won't like you like this."

Hearing this Chen Hao Xuan pulled Chen Yina who was trying to enter the classroom, he wanted to see who liked him and said it so loudly, there must be something wrong with it. So Chen Hao Xuan passed through the door and observed the scene inside, he saw a pretty girl fighting with a handsome boy.

These two people who were fighting were Zhou Kexin and He Haoming, the reason being that He Haoming had been pestering Zhou Kexin all day, and Zhou Kexin in a fit of anger said something that shocked the whole class.

"What's so good about that poor man, other than having a little white face, he's a loser." He Haoming roared angrily, it would be fine if Zhou Kexin said someone else, but Zhou Kexin actually said that Chen Haoxuan was a trash, this wasn't a deliberate strike against him, saying that he couldn't even compare to a trash.

"I just like him what? He's poor, but he's honest, unlike some people who spend their days wooing and pretending to be disgustingly decent people." Zhou Kexin looked at He Haoming with a despicable look.

"Yeah! You like Chan Ho Hen, right? Then you prove it to me." He Haoming sneered, believing that Zhou Kexin had made such an excuse because he wanted to reject him.

"Chen Haoxuan, Chen Haoxuan, you come out." Zhou Kexin was also ruthless, she would rather people misunderstand that she liked Chen Haoxuan than be pestered by He Haoming all day.

All of the students in Class 8 were looking for Chen Haoxuan, and one female student who was sitting at the front suddenly pointed at the door and exclaimed, "Look, there's Chen Haoxuan!"

Chen Haohuan, who had been discovered, pushed through the door like he knew nothing, and greeted the class with a smile, "Hehehe, good morning everyone! I didn't hear anything just now, you guys keep talking ha!"

"Chen Hao Xuan, come here." Zhou Kexin squealed to Chen Hao Xuan.

"If you tell me to come over, I'll come over ah! Then I'm not very ashamed." Chen Hao Xuan gave Zhou Kexin a glance, he already knew who this girl was because Chen Yina had told him just outside the door. Chen Hao Xuan was angry that Zhou Kexin used him as a shield, he didn't care much now, but if it was the old Chen Hao Xuan, he would definitely be screwed over.

"You - you" Zhou Kexin was so angry by Chen Haoxuan that she couldn't say anything, and her plump rabbit was even about to burst his chest. Zhou Kexin was the flower of the University of Xinshan City, and there were thousands of people chasing her, but now that she was chasing Chen Hao Xuan backwards, Chen Hao Xuan was so disrespectful, and even though it was a fake chase, she was still very angry when she was rejected by Chen Hao Xuan.

"Hahaha, Ke Xin, I'll tell you! This guy doesn't know anything, he's just trash of the trash. You'd better choose me! I will give you happiness." He Haoming smiled to Zhou Kexin.

After hearing He Haoming's words, Chen Haoxuan stopped following Chen Yina to the last position and instead turned around and walked towards He Haoming's location.

"What? Do you want to flatten me or warn me ah?" Ho Ho Ming saw Chen Hao Xuan walking towards him, so he mocked Chen Hao Xuan.

Chen Hao Xuan walked up to Ho Ho Ming, his eyes stared at Ho Ho Ming and said coldly, "Just because I don't speak, doesn't mean I don't exist, I don't care about your business, yet you want to drag me in, do you want to be my enemy?"

The disappearance on He Haoming's face disappeared when he saw Chen Haoming's eyes, and he even became nervous as he saw a strong murderous aura in Chen Haoming's eyes.

Chapter 7

"I I" He Haoming wanted to say I didn't mean it, but the murderous aura he saw in Chen Haoxuan's eyes made him too scared to speak, and he was sure it was the most terrifying look he had ever seen in his life.

"Don't ever mess with me again." Chen Haoxuan glared at He Haoming and coldly said, after which he turned around and walked towards the last row of the classroom.

Only once Chen Haoxuan walked away did He Haoming return to normal, he sat paralyzed in his seat, recalling the strange feeling he had just had, he couldn't believe that a person's eyes could be so terrifying. Suddenly, He Haoming felt his forehead cool, and wiped it with his hand, it was cold sweat, he was actually scared to sweat, the more He Haoming thought about it, the more he felt Chen Haoming's terror.

In fact, He Haoming had this feeling, Chen Haoxuan himself didn't know, although he was in a high position in the future century, but his eyes hadn't reached the level of making people tremble with fear. What was going on here? Was it the rebirth, or was it illuminated by the white light from the beads he had studied before his rebirth?

Chen Hao Xuan and Chen Yina sat in the last row of the classroom, many students couldn't help but look over at Chen Hao Xuan, they all felt that Chen Hao Xuan was very strange today, not to mention that his outfit had changed a lot, what made them most curious was when Chen Hao Xuan's guts became so big that he even dared to threaten He Haoming, the son of a rich family.

Zhou Kexin took a look at He Haoming, and after thinking about it, finally decided that it was better to use Chen Haoxuan as a shield, at least Chen Haoxuan wouldn't dare to take advantage of her. Zhou Canxin got up and walked towards the last row of seats, then sat down next to Chen Haoxuan, after sitting down Zhou Canxin looked at He Haoming, who was already furiously purple, and smiled proudly.

The entire class looked at Chen Haoxuan with envious eyes, all thinking that Chen Haoxuan had some kind of luck to make a school flower fall in love with him.

He Haoming secretly cursed in his heart, "Hmph, cheap* people are capable of pretending for the rest of their lives, sooner or later I'll crush you underneath me."

The bell finally rang, and an old man with white hair walked in with a thick book, so there was no need to say that he was a teacher.

The teacher began to talk incessantly on the podium, at first Chen Haohuan felt quite interesting, but in a few minutes, he felt very boring, he felt that this teacher's teaching was too superficial, not at all level, so Chen Haohuan simply lay down on the desk and began to date Zhou Gong's daughter.

Zhou Kexin seems to be distracted, she from time to time secretly check Chen Hao Xuan who is sleeping on the desk, Chen Hao Xuan's head is inclined to her side, so she can clearly see Chen Hao Xuan's face. Zhou Kexin was the first time to look at Chen Haoxuan in close proximity, and she now felt that Chen Haoxuan was really handsome, with a glossy white face, penetrating an angular cold handsomeness, thick eyebrows, high nose, and beautiful lips. When she saw Chen Haoxuan's beauty, an absurd thought appeared in her heart, she actually had the impulse to kiss Chen Haoxuan.

Even Chen Hao Xuan wants to kiss."

There was another person who was just as absent-minded as Zhou Kexin, she was Chen Yina, in fact, Chen Yina had always liked Chen Hao Xuan, after all, they had played together since childhood, and that feeling had been deep to the bone. The reason for this is because of the fact that you can't afford to buy a new one. Now the flower of their class, who is also the school flower, Zhou Kexin, suddenly declares that she likes Chen Hao Xuan, and now she even takes the initiative to sit next to Chen Hao Xuan. She is sad, she is scared, she is worried that Chen HaoXuan will leave her just because of Zhou KeXin.

During this lesson, both Zhou Kexin and Chen Yina did not hear what the teacher said and they were both thinking.

The bell rang, and when he heard the sound, Chen Hao Xuan woke up, he stood up and shouted loudly, "Butler Huang, help me make a cup of coffee."

"....." The students who were about to go out to play, as well as the teachers who hadn't gone out yet, all looked at Chen Haoxuan in unison, and then a burst of laughter came out of the classroom.

"Hahaha, laughing to death, Chen Hao Xuan daydreaming, and Huang Butler to help me make a cup of coffee! I'm sure it's a rich man's dream."

Chen looked at the class who was laughing to the point of slapping the desks, and the teacher who was laughing to the point of holding the wall, he was embarrassed, he had just dreamt that he was in the future century, Housekeeper Huang was his housekeeper in the future century, he was a beautiful woman, he usually liked to get up and have Housekeeper Huang prepare a cup of coffee for him first, then he would drink it after brushing his teeth and washing his face, that's why he had just had that awkward side.

"Hehehe" Zhou Kexin, who was sitting next to Chen Haoxuan, couldn't help but let out a silver bell-like laughter as she thought to herself that Chen Haoxuan also had such a cute side.

Chen Hao Xuan sat down awkwardly and looked at Zhou Kexin who was still laughing with a straight face and said, "Is it funny?"

"No-no, I just feel like you're cute." Zhou Kexin chuckled.

Chen suddenly spoke loudly to Zhou Kexin, "Zhou Kexin, just die this way! I'm not going to like you."

Zhou Kexin's smile instantly disappeared and was replaced by a face of resentment, she knew that Chen Haoxuan was getting back at her, complaining that she shouldn't have made fun of him. She wanted to flatten Chen Haoxuan badly, but she knew that wasn't going to happen, because He Haoming was still eyeing him there! "I'll endure, after He Haoming dies, see how I'll deal with you." Zhou Kexin's heart was dark.

But Zhou Ke Xin's mouth said, "It's your business if you don't like me. I like you, it's my freedom."

"Then you stay away from me." Chen Haoxuan was very disrespectful to Zhou Kexin, Dao, and he even deliberately spoke a little louder so that the class could hear.

"You - you" Zhou Kexin pointed at Chen Haoxuan, at this moment she wanted to curse, but she had never cursed before, she didn't know how to curse properly. Zhou Kexin felt wronged, she had never been wronged like today since she was a child, her own pretend confession was rejected by others without even thinking, her own initiative to approach, and she was also driven away by others, at the moment she felt like she was the most pitiful girl in the world. The more Zhou Kexin thought about it, the more aggrieved she felt, and finally she couldn't help but cry out, lying on her desk and crying sadly.

"Gah" Chen Haoxuan was speechless, what the hell! If you bully me and I bully you and cry, is there no justice in the world?

The teacher, who had not left yet, saw that Chen Hao Xuan had made his best student Zhou Kexin cry, and pointed at Chen Hao Xuan and shouted: "Chen Hao Xuan, you are so overbearing! I don't care how you bully the class monitor, if Zhou Kexin is still crying next holiday, you'll be punished. I'll ask Mr. Shen then, huh."

Chapter 8

Before Chen Hao Xuan was in a hurry, Chen Yina became anxious first, and she hurriedly said to Chen Hao Xuan, "Brother Xuan, hurry up and coax her so that she won't cry."

"Why do I have to coax her? You don't know that when she says she likes me, she wants me to be her shield, and a woman like her, given to me - I don't want it either." Chen Haoxuan was serious about Chen Yina.

"That teacher just now is our class teacher, if he gives you little shoes to wear, you'll have no hope for your diploma." Chen Yina explained nervously.

"He dares, if he gives me little shoes to wear, I want him to look good." Chen Hao Xuan snapped angrily.

"Brother Xuan, count me as begging you, just coax her!" Chen Yina took Chen Haoxuan's hand and shook it around, spoiling it.

"I can ignore anyone's words, but I will listen to my Nana." Chen Hao Xuan reached out and gently scraped the bridge of Chen Yina's nose, smiling.

Chen Haoxuan's warm gesture made Chen Yina feel so happy, so sweet, and what made her feel most happy was Chen Haoxuan's words, my Nana.

Chen Haoxuan turned around, reached out and pushed Zhou Kexin, who was still crying on the desk, and faintly said, "Hey, don't you cry."

"I'll cry, I'll cry, I want you to care! Woooooo" Zhou Kexin didn't look up and cried.

Chen Hao Xuan saw that Zhou Kexin was still crying, so he took out a lollipop from Chen Yina's bag, which Chen Yina had bought on the side of the road when she came to school today. Chen Haoxuan handed the lollipop next to Zhou Kexin and spoke out again, "If you don't cry, I'll give you this."

Zhou Kexin curiously deviated her head, when she saw the lollipop that Chen Haoxuan was holding, she couldn't help but puff out a laugh and cry, "Take a lollipop to coax me, you think I'm a child!"

When he saw Zhou Kexin crying, Chen Hao Xuan thought of a saying, "The lonely jade face is dried up with tears, and the pear blossoms bring rain in spring." I didn't expect Zhou Kexin's weeping appearance to be so beautiful.

"Are you married yet?" Chen Haoxuan suddenly asked a topic that was not compatible with Zhou Kexin's crying.

"I'm still a student, how could I be married." Zhou Kexin took a look at Chen Hao Xuan.

"That's right, if you're not married, you're a child, and it's only natural for a child to eat a lollipop. Let me tell you, this lollipop isn't just any lollipop, he's old and expensive, a single one costs a thousand RMB, and it's still marketable and priceless. I'm in a good mood today, so I'll give you one!" Chen Haoxuan acted as if he was very generous and handed the lollipop to Zhou Kexin. But in his heart, he said, "The lollipops I've taken are as much as I say they are, so it's only natural that there's a market for them."

"Is it really that expensive?" Zhou Ke Xin looked at Chen Hao Xuan Dao with curious eyes, and her hand divinely took the lollipop Chen Hao Xuan handed her.

"Of course, if you don't believe me, have a taste." Chen Hao Xuan was serious, and Zhou Kexin actually unwrapped the outside of the lollipop and put the lollipop in her mouth. "It seems to be quite delicious." Zhou Kexin sweetly, in fact, this is a very ordinary lollipop, fifty cents a piece, only Zhou Kexin is a child of a rich family, when she was a child she would eat some, but since she went to junior high school she has never used it again, so the taste of the lollipop she has long forgotten, now again to taste the taste of the lollipop, of course she will feel the taste is very good, after all, sweet things girls like to eat.

Chen Yina was lying on her desk, constantly sneaking smiles, she really convinced her brother Xuan to take a lollipop to coax their school flower, and their school flower even believed it.

Seeing Zhou Kexin's appearance, everyone in Class 8 was speechless, just now they were crying so sadly, but after Chen Haoxuan handed her a lollipop, she stopped crying, if not for the residual tears on Zhou Kexin's face, beating them to death - they didn't believe that their school flower was so easy to coax.

In fact, Zhou Kexin was also a very stubborn person, and the reason why it was so easy for Chen Haohuan to make her stop crying was because Chen Haohuan drew the conversation out of the way so that Zhou Kexin would forget about being sad.

"I got it, look - she's not crying." Chen Haoxuan turned his head to smile at Chen Yina.

Chen Yina put her finger to her mouth and whispered, "Shh-, don't let her hear you."

Unfortunately, Yina Chen's reminder was too late, Zhou Kexin had already heard Chen Haoxuan's words, and she took the lollipop out of her mouth, staring at the lollipop, and said, "No! Wasn't I crying?"

Reacting, Zhou Canxin still wanted to cry, but for some reason just couldn't, probably because the sadness in her heart had already been melted by the sweetness of the lollipop. Zhou Kexin simply put the lollipop into her mouth again and held it in her mouth, she comforted herself in her heart, "Eat a thousand yuan lollipop from him, it's even." I wonder how Zhou Kexin would feel if she knew that the lollipop she had in her mouth was only fifty cents.

"Nana, let's go out and play." Chen felt too bored in the classroom, so he wanted to go outside and see the campus of this century.

"Yeah!" Chen Yina was delighted, and after that she even gave Zhou Kexin a proud glance, a look that seemed to say, "See! My brother Xuan likes me, what's the use of you being pretty, huh."

Zhou Kexin seemed to know that Chen Yina was provoking her, so she stood up and spoke out, "I'll go too."

"Don't bother with you." Chen Haoxuan faintly said, and after saying that, he walked outside.

Chen Yina hurried to catch up with Chen Haoxuan, and she whispered to Zhou Kexin as she passed him, "Brother Xuan doesn't like rich girls, so you should just die."

Zhou Kexin pouted her mouth in aggravation, hearing Chen Yina's words, and then remembering Chen Haoxuan's coldness towards her, she retreated, she was really embarrassed to pester Chen Haoxuan anymore because she felt so cheap like this.

After Chen Haoxuan left the classroom, He Haoming made a move, he stood up and walked towards Zhou Kexin with a smile on his face. After Zhou Kexin saw He Haoming walking towards her, she immediately stood up and ran outside with a loud voice, "Chen Haoxuan, wait for me." Her words were deliberately said to He Haoming.

"B*tch*man." He Haoming looked at Zhou Kexin's departing back and muttered.

"What is this place for? Hey- what's that place, there are so many people. Wow, this is the garden! So beautiful" Chen Hao Xuan was like a curious baby who would ask anything he saw.

Chen didn't know that there was a beautiful girl following her secretly behind him, it was none other than Zhou Kexin who had just confessed to Chen in the classroom.

Chapter 9

"Have you heard? School Flower Zhou Kexin confessed to Chen Hao Xuan today, I can't believe that Zhou Kexin, a rich girl from a rich family, would like a loser. What do you know, all the rich girls nowadays like little white faces, if you were as handsome as Chen Hao Xuan, maybe Zhou Kexin would have confessed to you!"

"Big news, sophomore business administration department Zhou Kexin confessed to their class Chen Hao Xuan, I heard that they were also rejected by Chen Hao Xuan."

"New City University major events, with the appearance of the closed moon shy of flowers, sinking fish fallen geese face of the school flower Zhou Kexin confessed to the jade tree, looks like Pan An but very useless Chen Hao Xuan, but guess what the result?"

"Well?"

"As a result, Chen Haoxuan rejected Zhou Kexin without even thinking about it, and for that Zhou Kexin was so sad that she cried, and I heard that Zhou Kexin ran out of the classroom crying after class, and I don't know if she couldn't think straight."

"Big news, Zhou Kexin is missing?"

The news about Zhou Kexin and Chen Haoxuan spread throughout the entire Xinshan City University in a short period of time, and it's good to have the internet, so you can know everything in the shortest possible time. The matter of Chen Haoxuan and Zhou Kexin was spoofed by some students, creating all sorts of scenarios to spread out, causing some of Zhou Kexin's suitors to look for Zhou Kexin all over campus.

Ringling, Zhou Kexin's phone suddenly rang, Zhou Kexin even pulled out her phone and pressed the answer button, she was now only ten meters away from Chen Haoxuan, she didn't want Chen Haoxuan to find out that she was following him. "Hello."

"Kexin, don't think about it! It's just a little white guy, isn't it? There's a big world out there, so why hang yourself from a tree?" An anxious voice came out of the phone.

A question mark popped up on top of Zhou Kexin's head, this that kind of thing? How come she didn't understand a word of it. "Hua Lingwei, what the hell are you talking about! How come I can't understand a word of it." Zhou Kexin was torn.

"Coccin, it's already this time and you're still lying, now the whole school knows that you couldn't think straight after being rejected by Chen Haoxuan, and now you don't know where you're hiding and trying to commit suicide. Ke Xin ah! You should listen to your good sister's words this time anyway: why hang yourself on a tree when there is no grass anywhere in the world." Worried voices came out of the phone.

Now Zhou Kexin finally understood that it was her confession to Chen Hao Xuan that had spread, she was rejected by Chen Hao Xuan, but she didn't want to commit suicide ah? What's going on here?

"Vivian, you don't know how annoying that He Haoming in our class was, pestering me every day, I couldn't help it - so I used Chen Haoming as a shield, pretending, not really, but I didn't expect that Chen Haoming to reject me. As for why people outside are talking about my suicide, I don't know what's going on. You too, you don't think about who I am, how could I go kill myself for Chen Hao Xuan!" Zhou Koxin explained.

"So where are you now? Doing what?"

"I - I'm in the school garden and I'm going back!" Zhou Kexin squeaked.

It was almost time for class, Chen Yina and Chen Hao Xuan slowly walked back to the classroom, on the way back, many people were pointing fingers at Chen Hao Xuan, Chen Hao Xuan didn't care because he thought that it was because the previous Chen Hao Xuan must have done some sensational things, so these people were pointing fingers at him.

When Chen Hao Xuan returned to the classroom, Zhou Kexin was still doing the same position he had just been in. Chen Hao Xuan turned his head to Chen Yina, "Nana, let's go sit on the left, you go over first and I'll go get my bag."

"Mm." Chen Yina responded sweetly, Chen Haoxuan's choice made her happy, she didn't have to worry about Chen Haoxuan leaving her anymore.

Chen Hao Xuan walked to the spot where he and Chen Yina were sitting before, and he took his and Chen Yina's school bags and left (Chen Hao Xuan and their school bags were all satchels).

"Do I make you this annoying?" Zhou Ke Xin, who was pretending to read a book, suddenly spoke out.

"You wanted He Haoming to stop pestering you, so you used me as a shield, have you ever thought about what if He Haoming hurts me because he wants to get you? You're fine, but what about me? I

might get maimed by him, I might get killed in secret, will you be responsible? Have you thought about the consequences? So you should know whether I please you or not." Chen Hao Xuan said in also ignored Zhou Kexin, carrying two school bags to Chen Yina.

Zhou Kexin dumbfoundedly looked at Chen Hao Xuan, Chen Hao Xuan said something she hadn't really thought about, she now felt guilty, Chen Hao Xuan was right, if something happened to him, who would be responsible. She now realized that Chen Hao Xuan was smart, smarter than all of her, because what she hadn't even thought of, Chen Hao Xuan had thought of.

After the bell rang, a middle-aged woman with glasses walked into the classroom, this should be the teacher Shen that Chen Hao Xuan's class teacher said, because she looked towards the end of the classroom as soon as she came in, obviously she was commissioned by Chen Hao Xuan's class teacher to see if Zhou Kexin was still crying or not.

This morning when class Chen Hao Xuan are asleep over, the morning class are finished, Chen Yina took Chen Hao Xuan to the school's dining hall. Chen Yina ordered all the dishes are vegetarian, Chen Hao Xuan asked her why she only ordered vegetarian dishes, but Chen Yina told him that she is losing weight. Chen Hao Xuan knew that Chen Yina was trying to save money, so he ordered so many non-vegetarian dishes that the plates could not fit.

After choosing a table, Chen Hao Xuan placed his plate on the dining table, and then kept putting the non-vegetarian dishes on his plate into Chen Yina's plate. "You're so skinny, you should eat more nutritious things." Chen Hao Xuan smiled.

"No, brother Xuan, no need to clip it for me, I'm really losing weight." Chen Yina was embarrassed, she was very touched by Chen Hao Xuan's kindness to him.

"As much as I clip to you, you can give me as much as you want to eat, otherwise brother Xuan - I'll be angry." Chen Hao Xuan was serious to Chen Yina.

Outside of the dining hall, Zhou Kexin walked towards the dining hall as she explained to her best friend Hua Lingwei about her and Chen Hao Xuan. When Zhou Canxin and the others finished their dishes, the inside of the dining hall was already crowded with people. "Coccin, let's go over there and find out if there's still room." Hua Lingwei said to Zhou Kexin.

At this time, a person sitting next to Chen Haoxuan was full and stood up to leave, Hua Lingwei saw this and immediately pulled Zhou Kexin over at a trot.

"Only one seat, Coccin, you sit first, I'll wait." Hua Lingwei was very righteous enough to Zhou Kexin.

"It's better if you go first! I'm not hungry." Zhou Kexin said to Hua Lingwei.

Chen Haoxuan heard a familiar voice and looked back, "Zhou Kexin."

Chapter 10

"Chen Hao Xuan." Zhou Kexin also exclaimed at the same time when she saw Chen Haoxuan.

"Chen Haoxuan, I was looking for you! You said - why are you bullying our family, although our family's Cocaine is a bit wrong, but how can you as a boy bully a weak girl!" Hua Lingwei slapped her handsome face and seriously spoke to Chen Hao Xuan.

Chen Haoxuan did not reply to Hua Lingwei's topic, but looked at Hua Lingwei and said, "You're beautiful, yo!"

"That's right, I'm the recognized flower of the University of New Hill, can I not be beautiful? No, it's not! What I'm asking is why you're bullying our Ke Xin, no digressing, answer quickly." Hua Lingwei reacted and seriously addressed Chen Haoxuan.

"Can you tell me your name?" Chen Hao Xuan said unrelated to Zhou Kexin's topic again.

"Ah-, I you don't even know, I doubt you're from Earth, ask anyone who doesn't know me Hua Lingwei, hmmm." Hua Lingwei exhaled, also all celebrities, I know your name, but you don't know mine, isn't that looking down on me?

"Of course I remember, I was just joking with you! But I didn't think you were so cute when you were angry, especially when you pout your little lips, old cute."

"Oh, you're such a sweet mouth, picking up on what other people like to hear."

"It also depends on who it's to, if she doesn't have any good qualities in her, I wouldn't have the ability or the mood to praise her even if I wanted to. You, on the other hand, are different, as soon as I saw you just now, I couldn't help but feel refreshed, self-conscious of my seven meridians and eight veins, and my seven apertures have opened up six and a half. Since ancient times, beautiful women are easy to come by, but there are very few who occupy the word temperament, but you are young enough to have the appearance of a closed moon shy flower and the face of a sinking fish, it is really hard for me to forget your beauty."

Hua Lingwei smiled, the smile was so sweet, being praised by anyone would make anyone happy, especially by a handsome man, she was now being praised by Chen Haoxuan so much that she completely forgot that she had come to find Chen Haoxuan to comment on Zhou Kexin.

Zhou Kexin's heart was so angry! Even though she knew that her best friend was a girl who loved to be praised, she couldn't leave her alone! Wasn't that an act of outright ignoring her? Zhou Kexin simply left with her plate, secretly angry in her heart, "Uh-huh, dead Vivienne, see-it-all guy, let you chat all you want, ignore you."

Seeing Zhou Kexin leave, so Chen Haoxuan smilingly said to Hua Lingwei, "Your family's Kexin is gone."

"Ah-, Kexin has left? No! She's right next to me!" Hua Lingwei turned her head to see where there was still Zhou Kexin, and looking at the door, she saw that she was heading out of the dining hall.

Hua Lingwei handed the plate to the front of Chen Haohuan's table and said, "I haven't eaten yet, my family's Kexin left, I don't have time to eat, so I'll give it to you to eat! Bye bye handsome." After saying that, he trotted off to chase after Zhou Kexin.

Chen Hao Xuan was also rude and shared the food from Hua Lingwei's plate with Chen Yina and the two of them.

"Brother Xuan, when did you become so cunning." Chen Yina suddenly asked to Chen Hao Xuan.

"Cunning? No! I'm very honest, so honest that I can't even bear to bully an ant." Chen Hao Xuan joked.

"Brother Xuan, I feel like you've become smarter since you lost your memory. But that's good, if you're smart, you won't be bullied by others anymore." Chen Yina sighed, thinking back to the past, Chen Yina couldn't even help but feel pity for Chen Hao Xuan, because of his good looks and cowardice, which made many boys think that a wimp shouldn't be so good looking, so those boys who couldn't see past that often bullied Chen Hao Xuan.

"I should be considered a blessing in disguise!" Chen Haoxuan smiled faintly.

In a garden on the other side, Hua Lingwei begged bitterly, "Ke Xin, please forgive me this time! I really didn't mean to ignore you, if it wasn't for that dead Chen Hao Xuan who specializes in picking the compliments people like to hear, I wouldn't have forgotten you, so please forgive me--okay."

"Seeing a guy who forgets his friends, I've already decided that I'm going to cut you off," Zhou Kexin joked.

"Kosin, don't! At most people use the Dream Skin Care Cream with you." Hua Lingwei shook Zhou Kexin's hand petulantly, the Dream Skin Cream was a gift that her aunt brought back to her from Mi, this Dream Skin Cream was not cheap, it was worth ten thousand RMB, the most important thing was that it was something that had a price and needed to be ordered in order to buy the road.

"This is what you said, no going back on your word?" Zhou Kexin was happy, she had wanted to use Hua Lingwei's bottle of Dream Skin Cream for a long time, but Hua Lingwei was stingy and just wouldn't let her use it, that's why she was so happy now when she heard Hua Lingwei say that she was sharing it with her.

"Alright, alright! When have my words ever not counted. I'm asking you now - that Chen Hao Xuan in your class, didn't everyone else say he was a loser? Why is it that when I was just talking to him I didn't feel like he was what people said he was, instead I felt like he was smart and knew how to cheer up a girl?" Hua Lingwei asked curiously.

"I don't really understand this either, I only found out this morning. But I heard that yesterday, Chen Haoxuan beat up Zhu Tian and ran away after the beating, not even daring to go to class. I don't know why Zhu Tian didn't come today, but Chen Hao Xuan did, and he was completely changed, dressed neatly, walking like a very important person, and his hair was all combed backwards, and he was handsome and spirited, many times better looking than before. I think he must have acted crazy for some reason before, maybe now that he's figured it out he's starting to be himself, or else how did he change so much all of a sudden." Zhou Koxin analyzed.

"So he's a very good storyteller then!" Wallingway pondered.

"I guess so!" Zhou Kexin sat on a bench in the garden, propping up her chin.

"Coccin, I see you just saw Chen Haoxuan constantly complimenting me on my good looks and you're angry, you're not going to fake it and fall in love with him, are you?" Hua Lingwei questioned to Zhou Kexin.

"Weiwei, what are you talking about! How could I have fallen for someone as arrogant as him! Besides, even if I liked my family, I wouldn't say yes." Zhou Ke Xin explained nervously, as if she was very afraid that Hua Ling Wei would misunderstand her.

It could be that Chen Haoxuan was really attractive, which made Zhou Canxin and Hua Lingwei, the two school girls, discuss Chen Haoxuan in the garden all afternoon.

In the afternoon, Chen Hao Xuan only had one class, Chen Hao Xuan did not want to listen to those old-fashioned teachers lecture anymore, so he borrowed some books from the library to pass the time in class.

In class Chen Hao Xuan still didn't know that in a certain school, there was a sunny and cute girl who was promoting his deeds to a group of girls full of youth. This girl was Huang Mei Lin, the student Chen Hao Xuan was tutoring - teaching last night. "It's true, he's really old and handsome, and plays the piano very well, if you don't believe me you guys go to my house today to see, I guarantee you'll be so handsome that you'll be crazy." Huang Meilin seriously to her best friend.
