

## A Billionaire's Reincarnation Chapter 11-20

### Chapter 11

At seven o'clock in the evening, Chen Hao Xuan and Chen Yina arrived at Huang Weicheng's house on time, ringing ..... the doorbell, this time it was Chen Hao Xuan who rang the doorbell. "It must be brother Xuan coming." Before the door even opened, the joyful voice of Huang Mei Lin was heard from inside.

When the door opened, Chen Hao Xuan saw a group of girls standing at the door, all of them looking at him with strange eyes. "Lin Lin, is this your home? I'm not going the wrong way, am I?" Chen Hao Xuan questioned.

"Brother Xuan, you're not going wrong, come in quickly." Huang Mei Lin enthusiastically pulled Chen Hao Xuan's walk into the house.

Li Yu Zhen saw Chen Hao Xuan and Chen Yina coming, stood up and greeted with a smile, "You guys are here! Sit down quickly, eat some fruit first before teaching them."

Chen Hao Xuan was not rude, sitting on the sofa with his legs crossed, he picked up an orange on the table and peeled it, then gave half of it to Chen Yina. As he ate the orange, Chen Haoxuan asked Li Yuzhen, "Are you guys having a party?"

Li Yuzhen covered her mouth and laughed, "Hehehe ....., no la! Actually they all came here because they wanted to see you. Ugh-, who let you be so handsome for nothing, you see charmed these little girls."

"Gah ....." This is that ah! Specifically to see how handsome he is, as if he were a rare animal?

"Lynn, he's really handsome yay." One of Huang Mei Lin's female classmates whispered to her.

"That's right, would I let him be my tutor if he wasn't handsome?" Huang Mei Lin smiled proudly, she spoke in a small voice, she was also afraid of being overheard by Chen Haoxuan.

"Linlin, do you know how old he is?" Another female student asked Huang Mei Lin.

"I didn't ask, but he doesn't look too big, and like him, isn't he perfect for us? My mother and the others say that when looking for a boyfriend or husband, it's best to look for someone older than yourself, because the older ones will take care of people." Huang Mei Lin told her classmates, but her eyes were on Chen Hao Xuan as she spoke.

"How am I supposed to teach when they're all here?" Chen Haoxuan asked Li Yuzhen.

Huang Mei Lin answered before anyone else and said coquettishly, "Let's teach together then! They're all rich anyway." After saying Huang Mei Lin turned her head to her classmate, "Right?"

"Mhmm, we're willing to pay five hundred RMB an hour just like Linlin." Huang Mei Lin's classmates spoke out in agreement, looking at their clothes, they could also judge that they were children of wealthy families.

Five hundred RMB an hour for one person, there are five of Huang Meilin's classmates, plus Huang Meilin herself that's six people, then Chen Hao Xuan can earn three thousand RMB an hour, wow-, this kind of treatment is not generally high. To Chen Hao Xuan who was very short of money, this was like sending charcoal in snow.

"I'm fine with it, but you guys better talk to your families, so that you don't have to go back so late and think that something happened to you." Chen Hao Xuan kindly suggested.

"No problem." Huang Mei Lin's classmates all pulled out their cell phones to call their families.

It made Chen Hao Xuan feel ashamed to see that all of these middle school students had their cell phones with them, and he didn't even have one yet!

After a while, all of Huang Mei Lin's classmates had already talked to their families, and their families had agreed that they would take piano lessons with Huang Mei Lin, and it was thanks to them saying that Chen Hao Xuan played the piano better than a piano master, otherwise why would it be so expensive.

Chen Haoxuan stood up and said to Huang Mei Lin and the others, "If there's nothing else, let's begin!"

"Yeah!" A young girl full of vivacity bounced around and followed Chen Haohuan to Huang Mei Lin's room.

Yina Chen took an envious glance at Chen Haohuan, then turned her head to Huang Zhifeng and said, "Let's go study too!"

Huang Zhifeng squeaked, "Sister Nana, I also want to learn to play the piano with my sister." He didn't like fidgeting with his studies, he liked to be lively.

Li Yuzhen raised her hand and gave his son a chestnut, squealing, "If your grades are as good as your sister's, I don't care what you do, now go to your room and study your homework."

"Preferring girls over boys, huh." Huang Zhifeng muttered quietly as he walked towards his room.

Inside Huang Mei Lin's room, Huang Mei Lin's classmates were all sitting together on the sofa in the room, all of them looking at Chen Haoxuan like curious babies.

"I'm going to teach you guys how to play a song called 'Heartbreak' today, I'll play it once and then I'll teach you guys." Chen Hao Xuan said.

Hearing that Chen Hao Xuan was going to play the piano again, Li Yuzhen hurried into her daughter's room and sat on the bed, waiting with an excited face for Chen Hao Xuan to play. She had to admit that Chen Hao Xuan was particularly handsome when he played the piano, and the piano he played was particularly beautiful, so it could be said that watching Chen Hao Xuan play the piano was a pleasure.

The beautiful sound of the piano resounded again, and this time Chen Hao Xuan's fingers were like slow dancing on the piano keys. The people who listened to Chen HaoXuan play the piano felt that Chen HaoXuan was the master of them, happy if they wanted to make them happy, sad if they wanted to make them sad. Chen Hao Xuan played the piano beautifully, but instead of smiling, Huang Mei Lin and the others had mist in their eyes, all because Chen Hao Xuan's piano sound was too sad.

After playing a song called "Sadness", Chen Haoxuan noticed that Huang Mei Lin's and their eyes were red, it seemed that women were right that they were emotional creatures.

"If you want to play an effect like mine, it's actually very simple, you just need to play it according to your own feelings and adjust your emotions to sadness when you play it," Chen Hao Xuan preached.

"That's really nice, can you play another one?" Li Yuzhen looked as if she had an afterthought and spoke out.

"Yeah! Yeah, right. Brother Hen, please play one more song! And we want to hear it." Huang Mei Lin also spoke up.

"But-but I'm here to teach you how to play the piano, not to play the piano for you!" Chen Hao Xuan Dao, receiving so much money from other people but not teaching anything, this would make him feel embarrassed.

"Ohhh, look at me, I'm lost listening to your violin. Then I won't listen, you teach them! I'll make some coffee for you." Li Yuzhen awkwardly stood up. She already knew that Chen Haoxuan liked coffee during yesterday.

"Thank you." Chen Hao Xuan thanked her.

After Li Yuzhen went out, Chen Hao Xuan began to teach Huang Mei Lin and the others how to play the piano, Chen Hao Xuan taught in a very interesting way, which made Huang Mei Lin and the others listen to Chen Hao Xuan's lecture very carefully.

By 10 o'clock, Huang Mei Lin and the girls had basically learned the song "Heartbreak" that Chen had taught them to play. Li Yuzhen was there while Chen Hao Xuan was teaching, and Li Yuzhen was amazed at Chen Hao Xuan's teaching method, it was very different, but very easy to use, and what he taught, he understood right away, which made Li Yuzhen very happy to have someone like Chen Hao Xuan to teach her daughter how to play the piano.

## **Chapter 12**

All of Huang Mei Lin's classmates didn't have that much cash with them, so they all borrowed from Li Yu Zhen, who also didn't have that much cash, so she used online banking to transfer 9,000 RMB to Chen Hao Xuan's bank card. As for Chen Yina's! Directly giving cash, because it was only three hundred yuan.

Chen Hao Xuan made a total of 9,000 RMB today, he was very happy, although the money was not enough, but he could buy some first, it would be enough to wait until tomorrow when he would go on as a tutor for a day, and then he would be able to get Chen Yina back to her handsome appearance.

As soon as he left the apartment Chen Hao Xuan said to Chen Yina, "Nana, you go home by yourself, I'll go buy something first." Chen Haoxuan was trying to give Chen Yina a surprise.

"I- I can't go?" Chen Yina looked at Chen Haoxuan with expectant eyes.

"It's inconvenient to bring your man's things with you, you know." Chen Hao Xuan lied.

Hearing Chen Haoxuan's words, Chen Yina didn't know what she was thinking, her face flushed as she said delicately, "Then you come back early."

"Well, you go first! I'll be back soon." Chen Hao Xuan nodded.

Chen Hao Xuan went to a large pharmacy and purchased Green Wood Fragrance, White Cohosh, White Wax, Dahurian Angelica, Dang Gui, Chuan Xiong, and Astragalus ..... Chen Hao Xuan bought so many medicines that the doctor in the pharmacy suspected Chen Hao Xuan was trying to do something bad, causing Chen Hao Xuan to explain for a long time and name the uses and functions, before that doctor sold the medicine to Chen Hao Xuan. When Chen Hao Xuan left, that doctor also gave Chen Hao Xuan a business card and said that if Chen Hao Xuan really produced a beauty product that could cure acne, he would give him a call.

"Out of the way, get out of the way." A boy dressed in floral green ran quickly, pushing aside some passersby who were blocking his path from time to time.

There was a group of similarly dressed flowery green people chasing after that boy behind him, holding iron rods and machetes and other weapons in their hands. "Yang Lin, you bastard, don't run if you can."

"Motherf\*cker, you think I'm an idiot ah! There are so many of you, even immortals would be cut down by you." Yang Lin cursed without turning back, he regretted not bringing his group of buddies with him, otherwise it wouldn't have been so bad.

Woo-, the sound of motorcycles, three motorcycles driving very fast, zzz-, the sound of brakes, three motorcycles blocked Yang Lin's way. A bald man on the motorcycle, shouted at Yang Lin, "Run! Why don't you run, see if you're faster or my motorcycle is faster."

"Baldy, we're all on the road, so give us some face, okay?" Yang Lin had a bitter face.

"Give you face, who do you think you are! When I came out here, you kid was playing in the mud somewhere! If you spoil my elegance today, I'll break your arms and legs." The bald head sneered at Yang Lin.

Chen Hao Xuan carried two bags of stuff and stood in front of the pharmacy watching the fun, he hadn't seen this kind of 21st century gangster firefight before! He wondered if there would be a fire fight to the point of bloodshed.

Yang Lin regretted being a hero, he messed with Baldhead because when he was playing at the bar, he saw Baldhead flirting with a waitress, hot-bloodedly he stood up and fought with Baldhead without saying a word. He thought that Baldur was alone, but he didn't expect his other boys to be dancing, and as a result, Baldur yelled and a dozen or so thugs came rushing at him at once.

Yang Lin eyes looked around, he hoped to find a way to escape, suddenly he saw Chen Hao Xuan in front of the pharmacy, he was a student of the University of Xinshan City, Chen Hao Xuan so famous of course he recognized, he shouted loudly to Chen Hao Xuan, "Chen Hao Xuan, help me call the police, someone wants to kill me."

Chen Hao Xuan was stunned, and thought to himself that this person knows me? Is it a good friend of the former Chan Hoi Hin? The actual fact that you'll be able to get a lot more than just a few of them is the fact that you'll be able to get a lot more than just a few of them. The first thing you need to do is to take a look at the newest products that you can find in the marketplace.

The first thing you need to know is that you can't be sure that you're not going to be able to do anything about it. It's still true to rely on yourself.

Chen Hao Xuan was carrying a small bag of flour, he drilled a hole underneath the bag and then rushed towards Yang Lin, after running to Yang Lin's side, Chen Hao Xuan pulled Yang Lin behind him with his left hand and then swung his right hand with the bag. The flour in the bag suddenly flew in the sky, which made the thugs unable to see what was in front of them for a moment, and they didn't dare to open their eyes because they thought it was lime.

When the flour in the air dissipated, Yang Lin's figure was already nowhere to be seen. "Where's Yang Lin! Where did he run off to, and don't ever go back until you find him." Baldy roared furiously when he found out that Yang Lin had disappeared.

When Chen Haohuan and Yang Lin ran out of the crowd, they got on a bus, where Yang Lin bullishly said to Chen Haohuan, "Chen Haohuan, you saved me today, you'll be my brother Yang Lin from now on, if anyone bullies you, you tell me and I'll cut him down." This method of thanking him seemed a bit different.

"Ah-, so I'm not familiar with you!" Chen Haoxuan exclaimed in shock, he thought he was familiar with him Yang Lin! I didn't think it was that at all, people just knew his name.

"Hey ....., man, you're out of line if you say that. I wasn't familiar with you before, but now you and I are like worshiping brothers drinking chicken blood." Yang Lin chuckled.

"Then how did you know my name?" Chen Haoxuan asked curiously.

"I'm also a student at the University of New City, I'm a junior, in the journalism department. You're a celebrity in our school, and I can say that there isn't a single person who doesn't know your name, and if you weren't a bit of that, I'm sure you'd be the man of the hour at Xinshan Mountain University." Yang Lin explained.

"So that's how it is, I'm leaving then, my stuff is still in the supermarket!" Chen Hao Xuan stood up.

"Hey, don't go, those thugs probably haven't left yet, or I'll ask someone to go get it for you!" Yang Lin was worried.

"No need, it's just a few punks, I haven't put it on the front burner yet!" Chen Haoxuan faded.

"Master, stop the car." Chen Hao Xuan shouted loudly.

When he got off the bus and took the bus back, Chen Hao Xuan arrived at the place where Yang Lin had just had a firefight with those thugs and found that the thugs had all left. Chen Hao Xuan went into the supermarket and bought some delicious lollipops, lollipops were Chen Yina's favorite, so this was specially bought for Chen Yina to eat, then Chen Hao Xuan took out the things he had saved before going home.

### **Chapter 13**

The next morning, in the classroom Chen Hao Xuan and Chen Yina was chatting happily, but was interrupted by someone. The door of the eighth class was kicked open, Yang Lin put his hands in his pockets, and walked into the podium, he was followed by five students, these five students at a glance know that they are delinquents, because their temperament and expression has indicated their identity.

Only Yang Lin didn't know what kind of nerves he was having, but he suddenly raised his hand high up and slammed it into the podium with a crackling sound, not knowing if he was swatting flies or not.

"Listen up, all of you, if anyone dares to bully Chen Haoxuan in the future, don't blame me for being ruthless, because Chen Haoxuan is my brother, do you hear me?" Yang Lin bullishly bellowed.

No one answered, and no one made a sound, Xinshan City University had a few well-known thugs, including Yang Lin, Yang Lin's younger brothers didn't have as many as Zhu Tian, but those few younger brothers of Yang Lin's were from the karate club, so it wouldn't be a problem for one to fight a few. Even if Zhu Tian was in front of Yang Lin, he still had to speak in a low voice.

After Yang Lin finished speaking, he walked towards Chen Hao Xuan with his little brother, he sat on his butt next to Chen Hao Xuan, patted Chen Hao Xuan's shoulder and smiled to Chen Hao Xuan, "Good morning, brother!"

Chen Hao Xuan cried and laughed, "You don't have to be like this anymore, you can be embarrassed, but you don't want to pull me up!"

"That's what's wrong with you, brother, isn't that what I'm doing, trying to protect you? Don't worry, I've just warned your class that they won't dare to bully you in the future." Yang Lin was serious.

"Alright, alright! Anyway, what shouldn't be said has been said, you can go back now." Chen Haoxuan said to Yang Lin.

"Go back? Why go back? I'm not going back today. I'm taking a class with you. I'm just trying to bond with you. Otherwise you'll say we don't know each other well again." Yang Lin Dao, then he turned his head and said to his younger brother, "You all go back!"

After Yang Lin's little brother left, Yang Lin very gossipy asked Chen Haoxuan, "Brother, didn't Zhou Kexin like you? Why don't you go spend time with him? She's sitting over there all by herself, it's lonely!"

Chen Haoxuan knew, feeling that he, Yang Lin, was here to ask about him and Zhou Kexin. "I don't like him, why should I sit with her. Look at her pitiful, why don't you go over there and accompany her, maybe it's not impossible for her to take her own life once she's moved." Chen Hao Xuan Dao.

"If she likes me, don't tell me to sit with her, I'd be willing to die, because she's a rare beauty anyway. O brother! Listen to me, cherish the present!" Yang Lin sighed.

Yang Lin was right, Zhou Kexin was really pitiful right now, she was sitting alone at the end of the classroom, she was sitting on the right, and Chen Hao Xuan and the others were sitting on the left. Chen Hao Xuan and the others were lucky to have three people to discuss some things to relieve boredom, but Zhou Ke Xin was alone, and there was no one else around.

The first thing you need to do is to take a look at the lollipop drawer and see that there are a lot of lollipops. It wasn't from Chen Hao Xuan, it was from those suitors of hers.

There are so many envelopes in the drawer, maybe some of them are from Chen HaoXuan, Zhou Kexin with great anticipation opened the envelopes one by one in the drawer, she opened the envelopes not to look at the contents, only to look at the end of the letter paper to leave a name. The first thing you need to do is to look at the entire envelope, and you won't find Chen Hao Xuan's, her heart is lost. A drawer full of lollipops, what should she do with them? Throw it away or give it away, forget it! Zhou Koxin's mind was dark.

Zhou Kexin took all the books out of her bag, then put the lollipop inside her bag and walked out of the classroom with her heavy bag, she was passing a girl who used to sit with her wonderfully, the girl suddenly asked her, "Kexin, it's almost time for class, and you're still going out."

"I don't know who gave these lollipops, what era is it to give lollipops, I am now going to throw them in the trash can in front of the classroom." Zhou Kexin grumbled.

He Haoming, who was not far away, heard Zhou Ke Xin's words and spoke out, "Ke Xin, don't you like eating lollipops? Why are you still throwing away these so good lollipops?" These lollipops were also sent by him Ho Ho Ming, he saw like everyone else that Zhou Kexin had cried like that yesterday, and one lollipop from Chen Hao Xuan made her stop crying, so what did this prove, didn't this prove that Zhou Kexin liked lollipops a lot?

"When did I say I liked lollipops?!" Zhou Kexin gave He Haoming a blank stare and didn't look good.

"Yesterday, Chen Haoxuan gave you a lollipop and you still ate it so well." He Haoming asked with a questioning face.

"The one he gave me was a thousand RMB a piece, could it not taste delicious? Besides, I like Chen Haoxuan, so whatever he gives me to eat, I'll find it delicious. As for the ones you guys gave me, humph, they look like cheap goods." Zhou Kexin was smiling when she talked about Chen Haoxuan, but when she talked about He Haoming and the others, she was furious, and that was the difference between people.

Knowing the truth, Chen Haoxuan and Chen Yina were lying on their desks laughing non-stop, a fifty cents lollipop said that it was a thousand RMB, which only Zhou Kexin would believe.

"What are you guys laughing at? Is it okay to tell me?" Yang Lin was curious.

"I'll tell you, but you can't tell anyone." Chen Haoxuan chuckled, he felt that it wasn't an important secret to tell Yang Lin.

"In fact, the lollipop I gave her yesterday was only 50 cents a piece, I lied to her that it was 1,000 RMB, I didn't expect her to really believe it, hehehe ....." Chen Haoxuan laughed at Yang Lin.

"Hahaha ....., brother, I've finally seen you clearly now, so you're a deep and hidden love master, even a beautiful girl like Zhou Kexin has been deceived by you." Yang Lin laughed.

"The lollipops that He Haoming and the others gave her can be some expensive lollipops, it's a pity to throw them away, you guys wait, I'll go over and ask for them." Chen Haoxuan said and stood up, walking towards Zhou Kexin.

Zhou Kexin was still chatting with the girl, even when Chen Hao Xuan walked behind her - she didn't even notice. "Zhou Kexin." Chen Haoxuan, behind Zhou Kexin, suddenly shouted.

Zhou Kexin turned around, probably because she was too close to Chen Haoxuan, and she bumped into Chen Haoxuan's arms as she turned around. Chen Haoxuan was afraid that she would fall, so he quickly hugged her small waist, and the two of them were going to be as warm as their posture would allow. "Are you alright?!" Chen Haoxuan smiled and asked.

"No- nothing." Zhou Kexin squeaked, her face flushed, her heartbeat quickening, and she felt the warmth of Chen Haoxuan's embrace, a strange feeling.

## **Chapter 14**

"It's fine." Chen Hao Xuan let go of the hand that hugged Zhou Kexin.

Zhou Kexin shyly lowered her head, not daring to look at Chen Haoxuan.

"That-it's a pity to throw away those lollipops you're holding, so why don't you give them to me?"  
Chen Hao Xuan was a bit embarrassed.

"Ohhh, you take it!" Zhou Kexin even handed Chen Haohuan his bag along with his own.

"Thank you." Chen Hao Xuan was not polite and received Zhou Ke Xin's bag, then walked back to his seat, and after dumping all the lollipops in Zhou Ke Xin's bag into the drawer, he walked back to Zhou Ke Xin and returned the bag with a smile.

When Chen returned to his seat again, Yang Lin raised his thumb to Chen and said admiringly,  
"Awesome! Taking someone else's bag of lollipops and still taking advantage of them, worthy of being a master in the love scene."

"So-so!" Chen Hao Xuan smiled faintly.

So during class, Chen Hao Xuan and the three of them were all eating lollipops, and Chen Yina was listening to the class carefully with one lollipop in her mouth. But Chen Hao Xuan and Yang Lin, the two of them were just like children, they ate lollipops with one mouth and then threw them away, and they were still discussing in high spirits which lollipop was delicious.

Zhou Kexin has no interest in the class, she has been secretly paying attention to Chen HaoXuan, she envies Chen HaoXuan and the others are so happy, she also wants to be like them and eat lollipops and chat.

Chen Hao Xuan accidentally noticed Zhou Kexin looking at him, Zhou Kexin immediately turned her head and pretended to be listening to the lesson very seriously when Chen Hao Xuan found out that she was looking at him.

Yang Lin also noticed Zhou Kexin's situation, and he enviously said to Chen Hao Xuan: "Brother, you are really a lucky man! A beautiful woman like Zhou Kexin is still clinging to you after being rejected by you."

"Who knows if she's pretending, besides, with that personality of hers, I don't want her even if she's a stunning beauty, but it's still possible to have to come and warm the bed once in a while." Chen Hao Xuan yin smiled.

Yang Lin had never been in contact with Chen Haoxuan before, but he had heard a lot about Chen Haoxuan, he knew that Chen Haoxuan was a timid and not very smart person, but today he talked to Chen Haoxuan and found out that Chen Haoxuan was simply a very smart person, with more guts than him, at least Chen Haoxuan dared to go and hug Zhou Kexin while he didn't. He thought the same as Zhou Kexin and the others, thinking that the old Chen Hao Xuan must have been acting crazy.

After class, Yang Lin dragged Chen Hao Xuan to the stairway outside the classroom to smoke, Chen Yina didn't like the smell of smoke so she didn't follow.

At this time Zhu Tian, who was wearing a turban on his head, came up from downstairs, he was wearing a turban because Chen Hao Xuan had smashed his scalp yesterday, so he used it to bind the wound and prevent it from getting infected. Since Chen Haoxuan was leaning sideways against the wall, Zhu Tian didn't notice Chen Haoxuan, he smiled and waved to greet Yang Lin when he saw him, "Brother Lin."

"Zhu Tian, come over here, I have something to say to you. I'm warning you ha! Don't bully Chan Ho Hin anymore, okay? Because he's already my brother." Yang Lin waved a warning to Zhu Tian.

Chen Haoxuan turned around, and when he saw Zhu Tian, the corners of his mouth curled up in an evil smile as he said with a faint evil smile, "Zhu Tian, have you forgotten what I said yesterday?"

Hearing Chen Haoxuan's words, coupled with Chen Haoxuan's evil smile, Zhu Tian pulled his legs out and ran, the moment yesterday when Chen Haoxuan shot him with a brick was still fresh in his mind, he didn't want to mess with Chen Haoxuan's devil again.

Seeing Zhu Tian suddenly turn around and run, Yang Lin could not help but shout loudly, "Hey, Zhu Tian, what are you running for? I didn't say I was going to flatten you." Yang Lin thought that Zhu Tian was scared off by him, but he didn't know that Zhu Tian was actually scared off by Chen Haoxuan.

"Maybe if you're gentle, he won't run away." Chen Hao Xuan joked.

"I'm on the Dao, so what would be gentle about that. Let's not talk about him, brother, I'm going to treat you to a drink tonight, how about - give me some face." Yang Lin said to Chen Haoxuan.

"No, I still have to go as a tutor!" Chan shook his head no.

"Tutor, go be an ass! It's only a hundred dollars a day as a tutor, you might as well hang out with me!" Yang Lin was oxymoronic.

"Then how much money can you make in a day?" Chen Haoxuan asked curiously.

"Helping people to visit the casino, a thousand a day is not a problem, if you help people to sell flour (drugs) and so on, you can earn even more, I have a record of earning 100,000 RMB a day. How about that? Consider hanging out with me!" Yang Lin was proud of himself.

"I make about ten thousand a day as a tutor, and compared to yours, mine is obviously better, because mine is not dangerous and my job is stable. Unlike you, you have money to spend when you have something to do, you starve when you have nothing to do, and you are always in danger, you could be cut or jailed by the police." Chen analyzed.

"Being a tutor earns about ten thousand a day, you think you're professorial grade ah!" Yang Lin looked as if he didn't believe what Chen Haoxuan said was true.

"I'm teaching several students at the same time, so of course my income is high!" Chan explained.

"Oh, no wonder you've started wearing name tags." Yang Lin envied.

Chen Hao Xuan he was wearing a knock-off name tag, but Chen Hao Xuan didn't go to explain, wouldn't it be better if he didn't recognize it! Why bother explaining to make people despise you!

On this day, both Chen and Chen Yina didn't have classes in the afternoon, so they went home as soon as they got out of school in the morning, and after eating the lunch that Chen Yina cooked, Chen started to take out those herbs that he bought yesterday and process them. And Chen Yina took some parts from the small factory that needed to be processed by hand and sat on the side working.

"Brother Xuan, what are you doing?" Chen Yina curiously asked Chen Hao Xuan.

"Keep it a secret, in a month or so, you'll know." Chen Hao Xuan mysteriously said, he was making a cure for the pimples on Chen Yina's face, making this medicine was a bit troublesome, and he needed to wait for him to ferment and then extract him with something that was often used in chemical experiments.

"Brother Xuan, my classmate said that there will be a heavy rainstorm in a few days, do you think we should take advantage of the clear sky now to go out and buy more food and come back, so that it won't be inconvenient to go out when it's storming." Chen Yina suggested.

"Well, then we'll go to Mr. Huang's house in the evening to finish our tutoring and then buy whatever we want when we come back." Chen Hao Xuan Dao.

..... dividing line .....

In the women's dormitory at the University of New Hill, Zhou Kexin is looking at her cell phone and pampering herself: "Auntie, I'm your own niece, so let me in alone!"

The phone came out, "No, your dad is hosting this gathering, so in order to make it more lively, everyone is required to bring a partner of the opposite sex, and if you don't have a boyfriend or girlfriend, fake ones are fine, otherwise even your dad won't let you in."

## **Chapter 15**

"All my friends are women, who do I go to. Or I won't go, you guys go!" The first thing you need to do is to take a look at the newest version of this article.

"You're going even if you're not, because your dad wants you to find a boy you like at the party." A serious voice came out of the phone.

"Alright, alright! I'll think of something! What a way to help me arrange everything, as if you're afraid I won't be able to marry, huh?" Zhou Kexin exhaled in exasperation.

"I forgot to tell you that your suitor, He Haoming, will also come." There was a message from the phone that Zhou Kexin didn't want to hear.

Hanging up the phone, Zhou Kexin tangled with her friend Hua Lingwei, "Weiwei, what should we do! My aunt asked me to go to my dad's party tomorrow night and said I have to bring my partner or I won't be allowed in. I don't want to go, but my dad is going crazy and insists I go, what should I do? Where am I going to find a boyfriend?"

Sitting on the bed, Hua Lingwei smiled, "Me ah! I can dress up as a woman so we can both go."

"You?" Zhou Ke Xin looked at Hua Ling Wei, Hua Ling Wei's breasts were bigger than all of hers, and even if you took a cloth and tightened her breasts, it was easy to tell that she was a woman. Zhou Ke Xin shook her head and said, "No, your breasts are too big, it's not like a blind man can see them."

"Then what should we do?" Hua Lingwei was torn, she was going to the party hosted by Zhou Kexin's dad, but she accompanied his dad, so she didn't have to worry about not getting in. Zhou Kexin's dad was different, her dad was with her mom, and her aunt was with her aunt's husband, so it was like she was extra and had to figure it out on her own. She actually could have just anyone, but she wanted to save face and was afraid that people would laugh at her if she found just anyone to go with her.

"What do you say if I get Chen Haohuan to come with me?" Zhou Kexin was excited, she didn't know what was going on, but when he was considering which boy to ask to go with him, the first thing she thought of was Chen Haoxuan.

"But yes, but will he say yes? You know he even rejected your confession." Hua Lingwei was skeptical.

"You'll die if you don't mention the confession!" Zhou Kexin gave Hua Lingwei a glance, her confession to Chen Haoxuan had become a stain in her life, she didn't want to hear anyone say anything about it, every time she mentioned it she would be sad and aggravated.

"Alright, alright! I won't say anything! There's nothing to be angry about. Well, you go and talk to him tomorrow, and if he doesn't, you'll give him some money, for money's sake, I'm sure he'll agree." Hua Lingwei suggested.

The next day, Zhou Kexin and Hua Lingwei went to the entrance of Xinshan City University early, they were waiting for Chen Haoxuan, when they were about to go to class, they finally saw Chen Yina who had been with Chen Haoxuan all day, but they didn't see Chen Haoxuan.

Before Chen Yina came over, Zhou Kexin couldn't help but ask loudly, "Chen Yina, where is Chen Hao Xuan?"

"He has something to do, he won't come to class today." Chen Yina said indifferently, she didn't like how Zhou Kexin mentioned her brother Hen.

"Where is he now? I have something for him." Zhou Koxin asked.

"I don't know." Chen Yina was selfish, thinking that she simply wouldn't tell her Xuan brother that he was home if he didn't like Zhou Kexin anyway.

"Then give me his cell phone number." Zhou Ke Xin was determined to find Chen Hao Xuan and get him to go with her to her dad's messy party.

"Brother Xuan doesn't have a cell phone, so if you want to find him, just wait until tomorrow! It's almost time for class, I'm leaving first, bye." Chen Yina said and stopped paying attention to Zhou Kexin.

Hua Lingwei stepped forward and said to Zhou Kexin, "Kexin, have you forgotten that all the students' information is in the school's li, she didn't say anything probably because she was afraid that you might steal her brother Xuan, let's go to the school and ask for Chen Haoxuan's information!"

"Yeah. Why didn't I think of it, it's still our Vivian who is smart, let's go, let's go to the principal's place." Zhou Kexin was happy.

After asking for Chen Haoxuan's information from the president of Xinshan City University and finding the house where Chen Haoxuan was living outside, Zhou Kexin and Hua Lingwei both went to find Chen Haoxuan according to the address. Passing through a high-rise Daxia, they came to a small village on the wrong side of the road. "So it's a small village near our school." Hua Lingwei was excited, the village she had seen on TV but had never been there, could she not be happy now that she saw a small village? It was almost as if she had discovered a new world.

The village has no house numbers, so Zhou Kexin and the girls can only look for Chen Haoxuan everywhere in the village, and every time they pass a house, they will sneakily look inside to see if Chen

Haoxuan is inside. This makes a lot of villagers believe that the two girls are thieves, a man even scolded Zhou Kexin them two sentences, saying that they are young, not good enough to learn to learn to steal.

If you like it, hold on tight, there are a lot of girls in our village who are hitting on him."

"I don't like it, she does." Hua Lingwei joked, pointing at Zhou Kexin.

"Weiwei, I'll get angry if you say that again." Zhou Kexin slammed her face and exhaled at Hua Lingwei.

Arriving at the place where Chen Hao Xuan lived, the man shouted loudly to the house, "Little Xuan, are you there? Someone is looking for you."

After a while, Chen Haohuan walked out, and when Chen Haohuan saw that the people looking for him were Zhou Kexin and the others, he was shocked, "Zhou Kexin, Hua Lingwei, what do you guys want with me?"

"Chen Haoxuan, I would like to invite you to go with me to a party hosted by a business person." Zhou Kexin spoke out.

"A party? No, no, no. I'm busy! You find someone else!" Chen Haoxuan refused without even thinking about it.

Hua Lingwei whispered in Zhou Kexin's ear, "I guessed right! If you invite him to go, he will definitely not go, but if you pay him to go, he will definitely go."

Hearing Hua Lingwei's words, Zhou Kexin really said to Chen Hao Xuan, "Even if I invite you, the price is up to you."

Chen Hao Xuan really considered it, he was really short of money now, he lived in a poor place, the food was poor, there were no electrical appliances at home, there were no mobile phones on his body, and Chen Yina's family was so difficult, he wanted to help her.

"What's the maximum you can give?" Chen Haoxuan decided that if Zhou Kexin offered a high price, he would go.

## Chapter 16

"A thousand RMB, is that okay?" Zhou Kexin spoke out.

When Chen Hao Xuan heard this, he turned around and went back to his house without saying a word, a thousand RMB this is too much to look down on him, he is at least the chief professor of the future century, at least he will open more than ten thousand!

Zhou Kexin saw Chen Haoxuan turn around and walk away, so he was very curious and asked after him, "Hey, are you going to answer or not?"

"You're deliberately humiliating me." Chen Haoxuan didn't turn his head back.

Zhou Kexin turned his head and asked Hua Lingwei with a questioning face, "Weiwei, why did he say that I was humiliating him?"

Hua Lingwei gave Zhou Kexin a glance and said, "You're silly! It's not even clear that he's disliking the price you've set too low."

Zhou Kexin understood after hearing Hua Lingwei's explanation, so she pulled Hua Lingwei's hand and walked into Chen Haoxuan's home. When Zhou Ke Xin and the others saw how shabby Chen Hao

Xuan's place was, they couldn't help but open their small mouths and look very surprised. It wasn't that they were fussing, but they had never seen such a shabby home before.

"Chen Hao Xuan, have you always lived in this place?" Hua Lingwei spoke out to Chen Haoxuan.

"Yeah! I've lived here for over a year, is there a problem?" Chen Haoxuan, who was processing herbs, did not look up.

"Ah-, it's been living that long! Looks like your life has been pretty bad." Hua Lingwei muttered.

Seeing Chen Hao Xuan living in such a poor place, Zhou Kexin's motherly love came out and she wanted to help Chen Hao Xuan. "Chen Hao Xuan, I've thought about it, I'll pay 10,000 RMB to rent you for one night, is that okay?" Zhou Kexin smiled, she felt that her price was already very high, after all, the average staff member couldn't make that much money in a day.

Chen didn't say anything, as if he didn't even hear her, and continued to do his business.

"You say something!" Zhou Kexin exhaled.

"Canxin, he still thinks you're offering a low price." Hua Lingwei reminded.

"What? 10,000 yuan or less? It's a job that's not even that high for a white collar, let alone just one night." Zhou Kexin exhaled.

At this time, Chen Haoxuan spoke out and said indifferently, "My current job is tutoring, and I can make around ten thousand in three hours while teaching a few students. And if you ask me to go to a party with you, I'm likely to be made difficult by those suitors of yours, so it's fine if you want to invite me, but you have to give me at least 50,000 RMB. Don't think that this fifty thousand is expensive either, because when the party comes, you'll know what it means to get your money's worth."

Zhou Kexin frowned, she felt that the price Chen Haoxuan offered was really too high, the most important thing was that she didn't have that much money, she only had 10,000 RMB a month and her monthly pocket money wasn't enough to spend! How could she take out that much. So Zhou Kexin thought of Hua Lingwei beside her, and Zhou Kexin turned her head to Hua Lingwei and said, "Weiwei, can you lend me 40,000 RMB?"

"We're sisters, of course we can!" Hua Lingwei patted her plump chest and was very righteous.

Hearing Hua Lingwei's promise, so Zhou Kexin said to Chen Haoxuan again, "Okay, I promise you, if you accompany me to the party my dad is holding today, I'll give you 50,000 RMB."

"That's a good feeling, go ahead! When are you going?" Chen Haoxuan smiled, never thought he came to the 21st century so appetizing, others working hard couldn't earn that much money, but he easily earned it.

"Tonight at 7pm, you wait for me at the school's entrance, I will drive to pick you up." Zhou Kexin was happy.

"OK," Chen Hao Xuan's expression understood.

After Zhou Kexin and Chen Haoxuan talked, she didn't go back, but instead, the two of them and Hua Lingwei were visiting the house where Chen Haoxuan lived, and even took pictures.

Zhou Kexin arrived at Chen Haoxuan's room, and saw the neat clothes hanging on the hangers, the quilt folded in the shape of a tofu on the bed, and all the things in the room placed very neatly, as if they hadn't been touched at all. "Weiwei, look, I never thought that Chen Haoxuan is such a cultivated person, the room is even more neat than mine." Zhou Kexin envied. Actually, Chen Haoxuan didn't have

all that spare time to tidy up his room! The reason his room was so neat was because Yina Chen had helped him make it.

"I feel like this person Chen Haoxuan is becoming more and more mysterious." Hua Lingwei exclaimed.

"I feel the same, he's such a good person, how could he keep burying himself so deep?" Zhou Kexin sighed.

After Zhou Kexin and the others finished admiring Chen Haohuan's house, they came to Chen Haohuan and looked curiously at the busy Chen Haohuan. "What are you doing?" Zhou Koxin asked curiously.

"Making medicine, what kind of medicine, so don't ask, because I won't tell." Chen Hao Xuan faintly said, he didn't want Zhou Kexin and the others to know that he was making beauty medicine, otherwise they would definitely ask Chen Hao Xuan to make some for them as well, after all, which woman didn't love beauty, especially a rich girl like Zhou Kexin and the others.

"Hmph, who cares to know." Zhou Kexin exhaled, her mouth said so, but her eyes kept looking curiously at the busy Chen Hao Xuan.

Zhou Kexin and the others hadn't gone back at noon and had stayed at the place where Chen Haoxuan lived. It was noon, and it was time to eat, so Chen Hao Xuan had no choice but to cook for the three of them. When Chen HaoXuan was cooking, Zhou Kexin and the others were very active, helping to wash vegetables and rice and dishes.

Although Chen Hao Xuan rarely cooked, it didn't mean that he was not good at cooking. When Chen Haoxuan was cooking, Zhou Kexin and the others were watching, looking at how cool Chen Haoxuan was cooking, which made them think to themselves, "This man is simply a woman's nemesis."

"Alright, bring over the plates." Chen Hao Xuan spoke out.

"Oh." Zhou Kexin felt like carrying a snow-white dinner plate and placing it next to Chen Haoxuan.

Chen Haoxuan had made three dishes and one soup, which was the standard for his previous meals. The fragrant dishes were brought to the table, and Chen Haoxuan made a big show of doing it at the table, he handed the empty bowl to Zhou Kexin and said, "Help me load my rice."

"Oh." Zhou Kexin really agreed, if He Haoming was here to see Zhou Kexin being used as a girl by Chen Haoxuan, he would definitely find Chen Haoxuan to fight for his life, how could he treat a beautiful woman who needed a man to hurt her like this!

Hua Lingwei also handed her bowl to Zhou Kexin, smiling, "Kexin, I want it too."

But Zhou Kexin did not give her face at all, Zhou Kexin gave Hua Lingwei a glance and squealed, "You have hands and feet yourself, you can't pretend yourself!"

"A sexist, hmmm." Hua Lingwei pursed her small mouth, dissatisfied.

## **Chapter 17**

When Zhou Kexin and the others tasted the dishes cooked by Chen Haoxuan, they could no longer maintain the image of a lady, they were like martial arts masters, sandwiching dishes that speed, so Chen Haoxuan were surprised, he also secretly exclaimed in his heart, "The human potential is sometimes really terrifying."

Chen Haoxuan didn't cook much, three dishes and one soup, he regretted it, he thought that the two girls wouldn't eat much. Because in his eyes, girls were born to control the amount of food they ate so as to maintain a perfect figure. But he didn't expect these two women, so fierce, they were able to get all three dishes in three bites, while he had only eaten one or two bites.

Chen Haoxuan looked at Zhou Kexin and the others dumbfoundedly, "I said how long has it been since you guys ate?"

Zhou Kexin and Hua Lingwei looked at the empty plates on the table and bowed their heads in embarrassment, Hua Lingwei smiled shyly and said, "Who let you cook so delicious."

"I think it's because you guys haven't eaten anything for years that you think my cooking is delicious." Chen Haoxuan joked. The food was gone, but it was good that there was still soup, so Chen Hao Xuan poured himself some soup to eat with his rice.

"Uh-huh, it's just a little bit of your food, isn't it? Is it worth saying that about us? Cheapskate." Zhou Kexin exhaled.

Chen Hao Xuan did not reply, no longer eat probably soup are gone, because she heard Hua Lingwei's voice drinking soup, that heroic ah! Even Chen Haoxuan couldn't drink the sound of the gulp .....

After finishing their meal, Zhou Kexin and the others finally wanted to leave, as they wanted to go get ready for the party tonight. But Chen Hao Xuan was not willing, he forced them to wash the dishes before letting them go. He was so angry that Kexin pointed at Chen HaoXuan and said, "You are not a gentleman at all."

But didn't expect Chen Hao Xuan to reply her: "In the evening, I will show you a real gentleman." Chen Hao Xuan smiled mysteriously.

After washing the dishes, Zhou Kexin and the others were finally liberated, two hours after they left, Chen Hao Xuan left his place, he needed to buy clothes, he just had an extra 50,000 RMB in his bank account, which was called by Hua Lingwei. Now that he had money, he could finally buy designer goods. He wasn't picky, a tight black designer suit would do, but the quality had to be very good. In addition, Chen Hao Xuan also bought a watch, a very plain watch.

Chen Haoxuan also liked to smoke cigars, so this time a cigar was essential, and when he appeared on the street fully dressed and holding a thumb-sized cigar in his hand, he caused a big stir. The glossy white face, penetrating with angular cold handsomeness, dark and deep eyes, overflowing with

charming color, thick eyebrows, high nose, stunningly beautiful lips, all of them exude nobility and elegance. Together with the fact that Chen Haoxuan is now in a neat and tidy black tight-fitting suit, looking over to be as spiritual as possible, holding a cigar in his hand this makes Chen Haoxuan's charm to the extent of being loved by everyone.

"Wha-, look, that man is so handsome yo." The two young girls who came over couldn't help but speak from their hearts after seeing Chen Hao Xuan.

"Yeah! I don't know if he's the big star, but why don't we go ask him for a group photo?" Another young girl, excited.

The two young girls rushed to Chen Haohuan like dragons and said in a delicate voice, "Handsome man, can we take a picture with you?"

"Of course." Chen took a deep breath and slowly exhaled a wisp of pale blue smoke, the wonderful fragrance of the smoke lingering in the air was enticing.

With Chen's consent, the two young girls used their cell phones to take more than ten pictures with Chen before letting Chen leave. These two teenage girls should have been happy to leave, but why did they leave in a lost state? It was all because Chen Haoxuan was poor, he didn't even have a cell phone, two young girls asked him for his cell phone number, Chen Haoxuan said he didn't have a cell phone, so these two girls thought Chen Haoxuan disliked them and didn't want to make friends with them.

At the entrance of Xinshan City University, a beautiful figure was walking back and forth there, muttering, "This dead man, why isn't he coming yet!" This person was Zhou Kexin, she came at six o'clock and waited until almost seven o'clock, but Chen Haoxuan hadn't shown up yet, which made her want to get mad a bit.

At this time, a black shadow appeared in the distance, the shadow was slowly and leisurely approaching Zhou Kexin. When Zhou Kexin saw what the shadow looked like, she immediately cursed out, "Dead Chen Haoxuan, stinky Chen Haoxuan, why did you only come now, causing me to wait for you for an hour, angry, angry ....."

Chen Hao Xuan faintly said, "Do you see if it's after seven now?"

Zhou Kexin really took out her phone and looked at the time, and found that it would be ten more minutes before seven o'clock, although Chen Haoxuan was not overdue, but she was still unsettled, she felt that boys should arrive at the appointment earlier, in order to appear as a gentleman of boys. "You, as a boy, should arrive half an hour earlier, because that's what a gentleman does, but you didn't show up on time, aren't you deliberately angry with me?" Zhou Kexin exhaled.

Chen held his head high and said, "Look at the changes I've made."

"It's not just that - hey, you bought new clothes, and you're wearing a watch and new shoes ..... Not bad, really handsome, much more handsome than a big star." Zhou Kexin used a very appreciative tone after discovering Chen Hao Xuan's change.

Chen Haoxuan walked to a Ferrari parked on the side of the road, pulled open the back door and smiled at Zhou Kexin: "My beautiful princess, get up and get in." Chen also made a very gentlemanly gesture, which made Zhou Kexin feel like he was dreaming.

Zhou Kexin got into the car naturally, and after Chen Haohuan closed the door behind him, he sat on the driver's seat and turned his head to Zhou Kexin: "Where are your car keys?"

"You - you can drive?" Zhou Kexin asked in surprise, she originally thought that Chen Haoxuan just wanted to put on a cool show, but she didn't expect him to ask her for the car keys, she wouldn't dare to give them to him because she had heard that Chen Haoxuan couldn't even ride a bicycle, let alone drive a car.

"You bring the car keys over, I'll let you see if I can drive or not." Chen Hao Xuan knew that Zhou Kexin was despising him. Although Chen Haoxuan used to be the chief professor, he was also a billionaire because the things he researched could not be measured with money. So like those rich people, he also played with antiques when he had nothing to do, including the 21st century cars, he

collected as many as hundreds of cars, not to mention that he was a person who could even drive a spaceship, how could he not drive a car.

Zhou Kexin pulled out the keys but didn't give them to Chen Haohuan, instead both hands protected the keys in his bosom, also don't know if it was a hint to Chen Haohuan to go over and touch her breasts. "No give." Zhou Kexin was serious.

"Don't give it, right?" Chen said his left hand suddenly grabbed Zhou Kexin's chest (actually Chen was grabbing the key!). "Ah-." Zhou Kexin screamed, her hand lost control for a moment, and the key fell into her alluring neckline, as if it was caught in the ru~ hook.

## Chapter 18

"Ah-." Chen Haoxuan screamed after seeing that the car keys actually fell into Zhou Kexin's collar, he really didn't mean to, he just wanted to grab the car keys.

Zhou Kexin probably thought that Chen Haoxuan wanted to molest her, and quickly protected her chest to death, but she was so forceful that she squeezed her rabbit and changed its shape, which was even more tempting.

Chen Hao Xuan scratched his head, very embarrassed smile: "Oh ....., that I did not mean to, I just want to go to grab the key, who - who knows will the key will fall into that. "

Zhou Kexin heard Chen Haoxuan's words, shyly lying on the seat, head does not dare to look up, too ashamed, what he is holding fell into his own RU~groove, and also in the face of a boy, falling in.

"You just don't be shy, what have I not seen before, it's just two balls, right? Hurry up and give me the keys or you won't make it to your dad's party." Chen Haoxuan joked.

Two balls, she actually used balls to describe her always proud of her shiangfeng, it was too bullying. But Zhou Kexin was angry, but she still took the car keys out of her ru~groove, she took them

with her back to Chen Hao Xuan, she handed the keys to Chen Hao Xuan, no good, "Here, if you can't drive, you'll carry me to the party, huh."

"Carry you - I might as well carry a car!" Chen Haoxuan was very uncomprehending.

Angry at Zhou Kexin, who kept nuzzling behind her, she secretly said, "Wait until the party, see how I'll make you look bad." Zhou Kexin originally wanted Chen Haoxuan to fight for her face, but Chen Haoxuan repeatedly teased her, which made her change her mind.

Woo ....., Chen Haoxuan started the engine, put it in gear, gas, and the Ferrari let out a roar and raced ahead.

"Ah-, Chen Hao Xuan, crazy? Can't drive and still drive, stop." Zhou Koxin shrieked.

"Don't be afraid, I've never made a mistake driving." Chen Haoxuan smiled faintly.

"You've never made a mistake, that's because you've never driven a car before, Chen Haoxuan, stop." Zhou Kexin said loudly.

In his heart, Chen Hao Xuan said, "Oh no, forgetting that I'm from the future."

Chen Haoxuan still ignored Zhou Kexin's petulant scolding, and after a long time Zhou Kexin hadn't heard the sound of the crash before looking carefully outside the car. Suddenly Chen Haoxuan violently hit the steering wheel, and the Ferrari made a beautiful drifting turn. The sound of the crash still didn't ring out, Zhou Kexin was dumbfounded, Chen Haoxuan's driving technique is much better than hers.

After driving for a while, Chen Haoxuan suddenly stopped, Zhou Kexin could not help but ask curiously, "Why did you stop?"

Chen Haoxuan answered her, making her very speechless: "I don't know where your dad is having a party." Zhou Kexin really wanted to scold him, don't know and you're driving without even asking!

"I'll point the way, you drive." Zhou Kexin looked like he was hating the iron.

After driving for twenty minutes or so, Chen Hao Xuan and the others reached their destination, this was a villa, this villa was not used to live in, but specifically used for some rich people to hold parties and other wants.

Chen Haoxuan got off first, elegantly walked to the back of the car, opened the door, and reached out to help Zhou Kexin out.

"I can't believe you really have the taste of a gentleman." Zhou Kexin took an appreciative look at Chen Haoxuan and smiled.

Hua Lingwei, who was already waiting at the door for Zhou Kexin, saw Zhou Kexin coming and trotted over, "Kexin, why are you only here now! I made my father stand for a whole twenty minutes to wait for you, and if you hadn't come I think my father would have left me and run off alone."

"Not him yet, if he hadn't been late, I would have come." Zhou Kexin pursed her lips and grumbled.

"Beautiful Miss Vivian, I'm sorry that my negligence has caused you and uncle to suffer so much, and for that, I'm sorry to say to you; I'm sorry." Chen Hao Xuan also saluted afterwards.

"Is this-is this Chen Hao Xuan? Why have you suddenly become such a gentleman?" Wallingway was confused.

"It's true, he said he wants to show me today what a true gentleman is." Zhou Kexin cryptically laughed.

Hua Lingwei's father, Hua Tianyu, came over, he asked Zhou Kexin curiously, "Kexin, this boy is your boyfriend, right? Not bad not bad really good, looks like a talented person and also polite." Hua Tianyu said three not bad in a row, and seemed to be very satisfied with Chen Haoxuan.

"Thank you uncle for the compliment, out of courtesy, I'll introduce myself first, my name is Chen Hao Xuan, I'm in the same class as Ke Xin." Chen Hao Xuan was very polite.

Chen Haoxuan began to chat with Hua Tianyu, the two of them unknowingly chatted about business, Hua Tianyu heard Chen Haoxuan's views on business and was very interested, so he told Chen Haoxuan all the problems that he couldn't solve, and Chen Haoxuan also gave face to Hua Tianyu and told all that he knew.

Our two beauties, on the other hand, were left out by Chen Hao Xuan and the others. Hua Lingwei tugged on Zhou Kexin's skirt and whispered, "Kexin, do you have the feeling that Chen Haoxuan is actually very good, and to be honest - I kind of want to chase after him now."

Zhou Kexin listened to Hua Lingwei's words, turned around and tightly grabbed Hua Lingwei's hands, nervously saying, "Weiwei, you can't like him, he's nothing, nothing, your father won't let you marry him."

"I said I like him, I didn't say I'd marry him, why are you nervous? You're not really in love with Chan Ho Hon, are you? That's why you're so nervous, right?" Hua Lingwei smiled.

At this time, from afar, "Ke Xin, Wei Wei why are you guys still here? It's already started inside, so why don't you go inside quickly." This was Zhou Kexin's sister-in-law, Zhou Xiaoyan, at the entrance of the villa, shouting loudly.

"It's coming!" Zhou Kexin echoed, and finished walking next to Chen Haoxuan, pulling him away.

"Hey hey-, Coccin, what's your hurry, let me talk to your boyfriend again? Your boyfriend's advice was very useful to me, get rid of it." Hua Tianyu pleaded to Zhou Kexin, Chen Haoxuan's knowledge of business really opened his eyes, he didn't think business could actually be done this way.

"What's there to talk about, to talk when the party is over, I don't care if you talk forever." Zhou Kexin said pulling Chen Haoxuan into the villa.

Hua Tianyu walked up to his daughter and asked her curiously, "Weiwei, is Chen Haoxuan taking a rich kid?"

Hua Lingwei laughed as she chuckled to her dad, "Dad, I'm telling you, don't tell anyone yo, but Chen Haohuan is actually rented by Kexin."

## **Chapter 19**

"Ah-, a rental? That's ridiculous, isn't it?" Hua Tianyu was surprised, renting a house, renting land, renting a car ....., he has heard it all, he has never heard of renting someone.

"Hehehe ....., Dad what is so surprising about this, what would be impossible in this era now. Ke Xin she rented Chen Hao Xuan was also forced to do so, because the party her dad held required a partner of the opposite sex to get in, plus she didn't want people to look down on her and didn't want those suitors to annoy her, that's why she paid a high price to rent Chen Hao Xuan for one night." Hua Lingwei explained laughingly.

"High price? How much? A million or ten million?" Hua Tianyu asked curiously, after the short contact with Chen Haohuan just now, he decided that Chen Haohuan was a business genius, that's why he suspected that Zhou Kexin had spent more than a million dollars to rent Chen Haohuan.

Hua Lingwei stretched out her right hand and opened her five fingers.

"Five million?" Hua Tian Yu saw his daughter holding out five fingers, so he guessed.

Hua Lingwei smiled and shook her head.

"Ah-, Kexin actually spent fifty million RMB to rent Chen Haohuan for one night, that's- that's too expensive, isn't it?" Hua Tianyu was surprised, he had wanted to rent Chen Haoxuan for a few hours like Zhou Kexin, so Chen Haoxuan could talk to him about business knowledge, but now it seemed that was impossible, because he couldn't afford to spend that much money.

Hua Lingwei couldn't hold back any longer, bent over, hugged her stomach and laughed, "Hahaha ....., Dad, I'm really impressed with you, you can even think of a rental price of 50 million RMB. If I tell you how much Zhou Kexin spent to rent Chen Haoxuan for one night, then you won't die of shame."

"You dead girl, is that how you talk to dad? Quickly tell me, how much did Zhou Kexin pay to rent Chen Haoxuan for one night?" Hua Tianyu was impatient.

Hua Lingwei stretched out her adorable paw once again and said with a smile, "Fifty thousand RMB."

"Ah-, 50,000 RMB to rent a commercial genius for one night, Ke Xin's luck is too good, right?" Hua Tian Yu envied the tone of his voice.

"My good father, let's go in first and I'll take my time to talk to you in more detail, okay?" Hua Lingwei said pulling her dad into the hotel villa.

In the hotel villa, as soon as Zhou Kexin and Chen Haoxuan entered, they were quickly surrounded by a large group of people, in fact, they only wanted to pester Zhou Kexin! It was just as if Chen Haoxuan was stuck with Zhou Kexin, unable to squeeze the two of them.

"Kexin, you're so beautiful today. Kexin, you're here! I've been waiting for you. Maybe I'll ask you for a dance later? Canxin ....." One by one, the people surrounding Zhou Kexin kept speaking to Zhou Kexin.

Zhou Kexin suddenly felt a bunch of annoying flies surrounding her, so she pinched the tender flesh of Chen Haoxuan's waist with her small hand. When he came here, he had already agreed with Chen Hao Xuan that he would pretend to be her boyfriend today, and after today, he would announce that they had broken up. So she pinched Chen Hao Xuan because she was hinting at Chen Hao Xuan to do the duties that a boyfriend should do.

Chen Hao Xuan knew what Zhou Kexin's pinching him meant, so Chen Hao Xuan smiled to the people surrounding Zhou Kexin, "Everyone, I'm sorry, my girlfriend likes to be quiet, please understand."

Those surrounding Zhou Kexin were dumbfounded after hearing Chen Haoxuan's words, even Hua Tianyu's father and daughter who had just entered were dumbfounded. Wasn't it rented to block the suitors? How's that for real? Hua Tianyu was alarmed in his heart.

He Haoming was also here today, but he didn't surround Zhou Kexin like the others because he saw Chen Haoxuan next to Zhou Kexin. When he heard Chen Haoxuan's words, the corners of his mouth curled up in a sinister smile. He was thinking, "You guys want to come for real, don't you! Then I'll make it work for you."

Ho Ho Ming stood up and said loudly, "I don't think you guys look like lovers, if you are, then tongue kiss one."

"Yeah. You guys kiss one to show us, or we have the right to pursue Kexin." The people surrounding Zhou Ke Xin just yelled at each other, each one of them demanding a tongue kiss between Zhou Ke Xin and Chen Haoxuan.

"Who do you guys think you are, just let us kiss, huh." Zhou Kexin frowned and exhaled, yelling at the people surrounding her.

A big fat man who must have weighed over two hundred pounds looked sincere to Zhou Kexin, "Kexin, I know you hate people pestering you all day long, and I also know you hate me for being fat, and it's your right to hate us, but we like you, and it's our freedom. You said this man is your boyfriend, so you kiss him and show us, you're a couple anyway, what's there to be afraid of."

"Right! Coco, if you kiss him, we promise not to pester you." The others chimed in.

"You guys- you guys-, huh, kiss it." Zhou Kexin was so mad at her pursuer that her mind was confused.

Zhou Kexin turned around, raised her head, looked like she was at the mercy of Jun Caijie, blushed, and said to Chen Haoxuan, "Kiss me."

Chen Hao Xuan slowly stretched his head over, and when Zhou Kexin thought that Chen Hao Xuan was about to kiss her, she suddenly heard Chen Hao Xuan say something that was enough for her to hate Chen Hao Xuan for the rest of her life. Chen Hao Xuan whispered to Zhou Kexin, "Kissing you is fine, but add another 10,000 RMB to it."

If it wasn't for so many people watching, Zhou Kexin might have picked up her bag and smashed Chen Hao Xuan. Now Zhou Kexin is equivalent to in the middle of the steps, want to go up, Chen Haoxuan does not cooperate, want to come down and no excuse and no one to give steps to let him down. The first thing you need to do is to get your hands on the neck of Chen HaoXuan, and then stand on your tiptoes to kiss Chen HaoXuan.

Zhou Kexin succeeded, and her surprise attack took away Chen Haohuan's first kiss and gave away her own first kiss as well. Zhou Kexin didn't have a kiss and didn't know how to kiss, so she kept her lips on Chen Haohuan's lips and just kept spending time like this. Chen Hao Xuan didn't move either, he was still struggling with something! He was thinking, "Have you suddenly kissed me and promised another 10,000 RMB to me or not?"

"Ooooo ....., my Coccin really got with someone else, ooooo ....., I'm sad, I want to leave this sad place." The big fat man who had just seen Zhou Kexin really kissed Chen Haoxuan bawled his eyes out and turned to leave.

Hua Tianyu turned his head to his daughter and asked, "Weiwei, didn't you say that they were a fake couple? Why are we still kissing?"

Hua Lingwei put her hands together and shook her head, "I don't know, the only way to find out is to ask Ke Xin herself when the party is over." After answering her dad's words, Hua Lingwei continued to look at Chen Haoxuan and Zhou Kexin who were kissing with envious eyes, honestly she envied Zhou Kexin because Zhou Kexin knew what it was like to kiss and she didn't even know it yet! She didn't know what was going on in her mind, but the idea of trying to kiss Chen Haoxuan appeared, and the idea scared her herself.

## Chapter 20

"Choo ah! Looks like your daughter found a nice boyfriend!" A middle-aged man with a rich face and a big belly smiled at the person next to him.

This person was Zhou Kexin's father, Zhou Xiang, the founder of the Zhou Clan, who was one of the richest men in Xinshan City.

"Alas-, a woman is too big to stay! She will eventually leave my side one day." Zhou Xiang sighed, look at his expression is so reluctant, but his heart but very happy, because he has been anxious for his daughter to find a boyfriend, her daughter are 20 people, never had a boyfriend, and never said that boy handsome, that boy good, this makes him have to be anxious, on this party most of the purpose is to let his daughter find a boy he likes.

If you just look at the looks, Zhou Xiang is satisfied with Chen Hao Xuan to be his son-in-law, Chen Hao Xuan's temperament he is also satisfied, the only thing he wants to know now is Chen Hao Xuan's family background.

On Chen Hao Xuan's side, Zhou Kexin finally let go of Chen Hao Xuan, she turned her head and squealed to those suitors who hadn't left yet, "See! I kissed him, he's my boyfriend and I'm his girlfriend."

Zhou Kexin was like this, what else could he say, so those people surrounding Zhou Kexin left with a sense of humor. When those suitors left, Zhou Ke Xin finally couldn't help but squeal to Chen Haoxuan, "What did you mean by that just now?"

"What - what do you mean?" Chen Hao Xuan questioned.

"It's the thing where you say kissing you is fine, but you have to give you 10,000 RMB ah! Who do you think you are? It costs 10,000 RMB for a kiss, and it's a beautiful girl like me kissing you, and you take advantage of it - and you dare to ask me for money. I told you Chen Haoxuan, I kissed you, but I just don't pay, so what, hmmm." Zhou Kexin exhaled.

"Alright! I know the price I'm offering is a bit high, how about 5,000 RMB?" Chen Hao Xuan held out five fingers.

"Chen Haoxuan, I hate you to death." Zhou Kexin was now completely angry, in fact, this was not a matter of money at all, but a matter of dignity, she was no matter how she said it, she was the flower of the University of Xinshan City, even if her kiss was worthless, it was still not to the point of losing money, and it was still losing 10,000 RMB, which was the salary of an ordinary person for several months.

Zhou Kexin left with her anger, she ran towards the garden of the villa, Hua Lingwei saw it and chased after her, she couldn't understand why Zhou Kexin left Chen Haoxuan alone and ran away on her own.

Chen Hao Xuan looked at the back of Zhou Kexin's departure and said to himself, "Is five thousand yuan still expensive? Why is this rich girl so stingy?"

Zhou Kexin left, Chen Hao Xuan was alone, there was no one he knew in here, even Hua Tianyu who he had just met was talking to someone else. The first thing you need to do is to take a look at the product and find out if it's a good product.

Chen Hao Xuan wanted to eat alone, the others didn't agree, who let him just be so popular! When he and Zhou Kexin kissed just now, all the people in the hotel villa saw it. Many young girls were bewildered by Chen Haoxuan's good looks, it was the first time they had seen such a handsome boy, so handsome that he could be described as beautiful. This was not - as soon as Zhou Kexin left, the young girls who had been waiting for a long time, gathered at the place where Chen Haoxuan was.

"Handsome boy, can you tell me - what's your name?" A voluptuous young girl sat next to Chen Hao Xuan and asked Chen Hao Xuan.

Without even thinking about it, Chen Hao Xuan replied, "My name is Chen Hao Xuan."

"Can I call you brother Xuan?" On the other side of Chen Haoxuan came another young girl, this young girl looked to be only sixteen or seventeen years old.

Chen Hao Xuan was very rude as he ate and replied, "Whatever, you can call your husband." This was what Chen Hao Xuan thought in his heart, anyway, Zhou Kexin wasn't there and ignored him, so he didn't have to pretend to be a gentleman anymore.

"Hubby." I didn't expect that young girl to actually shout.

"Pfft-, what did you just shout at me?" Chen Hao Xuan spewed out all the food that hadn't come to be swallowed in a hurry, and he surprised the young girl who had just called out to his husband.

The sixteen or seventeen year old girl very actively hugged Chen Haoxuan's arm and said in a delicate voice, "Yes! Didn't you tell them to shout just now? Honey."

Zhou Kexin this side, at the moment she is endangering a lawn, squatting on the ground, uprooting a poor little grass, not even leaving the roots of life, cruel to the extreme ah! "I made you ask me for money, I made you ask me ..... for money." Zhou Kexin kept repeating one sentence, and with each sentence, a blade of grass was uprooted.

"Kosin, so you ran here. What's wrong with you, why did you suddenly leave Chen Haoxuan behind and run out." Hua Lingwei, who had finally found Zhou Ke Xin, asked curiously.

Zhou Kexin stood up, turned around, and exhaled, "It's still not that dead Chen Hao Xuan, those suitors of mine said they didn't believe Chen Hao Xuan was my boyfriend, but also insisted that we kiss before believing, I was forced to let Chen Hao Xuan kiss me, and as a result, you know what he said?"

"How so?" Hua Lingwei asked very curiously.

"He said that kissing you is fine, but you additionally give me 10,000 RMB. Don't you think it's infuriating, that's my first kiss yeah, and I'm giving it away, I'm letting him kiss me cheaply, and he's doing this. I'm the daughter of the Zhou Group of Xinshan City, the flower of the University of Xinshan City, I don't know how many men want my kiss, didn't he think of taking advantage of me at all?" Zhou Kexin exhaled and explained.

"Gah ....." Hua Lingwei was speechless, how could she have never thought that Chen Haoxuan was such a money-loving boy that he even wanted to take advantage of someone else and pay someone else.

"Then why did you end up kissing him? You're not going to promise to give him another 10,000 RMB, are you?" Hua Lingwei questioned.

"Well, that was when I kissed him forcibly, and then he tried to ask me for money, so I got angry and ran out. I made up my mind that if he asks me for money again, I'll cut him off." Zhou Kexin exhaled.

"Strong kiss, wow-, Coccin you've turned into a horny girl now. But when you say you're done with him, it's like he's not even your friend, right?" Hua Lingwei.

"Vivienne, can't you be a little less sarcastic? I'm like this, you should comfort me." Zhou Kexin was pitiful. But Hua Lingwei's words reminded her that she and Chen Haoxuan weren't even friends right now, because friends couldn't use rent, they could only use help.

"Kexin, let me ask you a question." Hua Lingwei was a bit embarrassed.

"What kind of question?" Zhou Kexin faintly said.

"What did you feel when you and Chen Haohuan kissed?" Hua Lingwei blushed her little face and asked expectantly.
