

A Billionaire's Reincarnation Chapter 151-160

Chapter 151

The next day, Chen HaoXuan woke up early in the morning and went out to buy groceries in his BMW. As soon as he left, there were two vans and three motorcycles sneaking behind him.

As he passed an intersection, a man suddenly ran across the road from the woods next to the intersection. The car's tires rubbed against the ground, making an ear-splitting sound, and the car stopped at the side of the road with a magnetic sound.

When he opened the door, he saw a man lying on the road, who had just suddenly run out of the woods. Chen Hao Xuan frowned, he suspected that there was something wrong with this person, he obviously did not hit him, but he was lying on the ground without moving.

Chen HaoXuan looked around and found that there was no one around. Chen HaoXuan slowly walked over to the person lying on the ground, and when he was about to reach the person, the person suddenly stood up, with a pistol in his hand.

Chen Hao Xuan did not panic, just now he already knew that this must be a trap, he knew the trap and still walked in, because he wanted to see what this man wanted to do! Chen Haoxuan, who was pointed at with a gun, smiled faintly and said, "What do you want? Do you want to rob or extort?"

"Don't move, wait a moment and you'll see." The person holding the pistol pointed at Chen Hao Xuan, and seriously said to Chen Hao Xuan.

The man's words, Chen Hao Xuan knew that the man must have an accomplice, now the man's accomplice has not yet come, this is good news for Chen Hao Xuan, if the man's accomplice all have guns, this will be a big trouble for him.

"Are you hired by someone to kill me?" Chan asked.

"No." The man with the pistol pointed at Chen Haohuan.

"Do you think a Pistol can really subdue me?" Chen Haoxuan sneered.

"Do you want to try it? I'm telling you, you better behave yourself, and if you try anything, I'll shoot you in the head."

"You've got no chance." Chen Haoxuan coldly said, his right hand shook, and the dagger hidden in his sleeve fell out, which he had prepared to prevent Chen Haorong from hiring an assassin to kill him, and now it came in handy. Chen quickly reached out with his left hand, grabbed the man's pistol, and put his finger inside the trigger of the pistol, which made it impossible for the man to shoot. At the same time, Chen Hao Xuan waved his right hand, and the dagger was placed on the man's neck.

"Who are you? Why did you pretend to be knocked down by me? What's the purpose, tell us all, or you won't see the sun tomorrow." Chen Haoxuan was cold.

"My companion is coming, and you can't escape."

Two vans and three motorcycles quickly traveled to Chen Hao Xuan's location, magnetic, the car parked five meters away from Chen Hao Xuan, the people on the car quickly ran down, everyone has weapons in their hands, they immediately surrounded Chen Hao Xuan.

"Don't move, I'll kill anyone who dares to move." Chen Hao Xuan coldly said.

"Stone, don't worry, if anything happens to him, your family is our family, we'll take care of it for you, plus we'll give them a large sum of money to live on." Blackheart smiled at Stone.

The man nicknamed Stone, thankfully said to Blackheart, "Thank you, big brother." These ignorant thugs like them are like this, thinking that justice will do, why is someone like Blackheart called Blackheart, they don't think, how could he keep a dead man's promise.

"What do you guys want?" Chen Hao Xuan asked to Black Heart.

"We're not trying to do anything! I just want to ask you for some pocket money to spend, so just come with us! As long as you cooperate honestly, I guarantee with my personality - you promise it will be fine." Blackheart yin smiled.

"Hmm, so you guys are trying to extort money from me, yeah! If you want to extort, show your skills." Chen Hao Xuan said with a yank of his left hand, snatching the pistol away from the stone. Chen said with a yank of his left hand, snatching away the pistol from the stone's lap, and his right hand simultaneously swung down and plunged a knife into the stone's thigh.

"Ah-." The stone let out a miserable scream.

Although Chen had snatched a pistol, he was useless, not that he didn't want to use it, but this was a harmonious society, so he couldn't use guns and ammunition indiscriminately, so he wouldn't use a pistol unless he had to.

Chen Haoxuan's dagger is very powerful, and whoever he gets close to - whoever he gets close to - will scream, and after that lie on the ground or sit.

"Chen Haoxuan, if you don't restrain yourself, I'm going to shoot you," Blackheart yelled at Chen HaoXuan, he did not expect Chen HaoXuan to be so innocent, several of his men had pistols, but Chen HaoXuan still dared to resist.

He wanted to get back to his car and drive away, but he didn't. The reason why he kept dragging a gangster with his left hand around his neck was because he wanted to get back to his car. The reason he kept dragging a gangster was because that gangster was his shield, a shield used to prevent Blackheart and the others from shooting.

"Quick - stop him, don't let him get away," Blackheart loudly ordered his little brother to catch Chen Haoxuan.

Blackheart himself turned around and ran away, he was not running away, he was going to ride a motorcycle to prevent Chen Haoxuan from escaping, so that he could chase him with the motorcycle.

He ran as fast as he could to his car, and when he reached it, he pushed the gangsters he dragged towards him towards those who ran after him. After that, he quickly got into his car and started it up.

A few thugs even ran up to Chen Hao Xuan's car and arrogantly demanded Chen Hao Xuan to get off. He stepped on the brakes and tried his best to refuel his car. The two wheels behind his car spun rapidly, and the wheels rubbed against the ground unceasingly, emitting ear-piercing sounds and a burst of smoke, forcing the thugs behind him to leave.

Everyone thought that Chen HaoXuan would drive backwards, but to everyone's stunned surprise, Chen HaoXuan did not drive backwards, he drove forward. His foot, which had been on the brake, was released, and then he quickly applied the brake again, which made his car act like a hammer, violently knocking the three thugs in front of his car off the road.

If Chen didn't do this, he would have crushed the three thugs in front of his car, so he chose to use the brief impact of a start and stop to knock the people in his way out of the way.

Wooing, Chan made a quick getaway in his BMW. Blackheart, who was chasing after him on his motorcycle, even yelled at his boys, "What are you waiting for! Why don't you go after them?"

Chapter 152

Chen HaoXuan saw Black Heart and the others chasing him in the rearview mirror of the car, and he smiled evilly at the corner of his mouth, saying to himself, "I'll go to the police station and see if you still dare to chase after me."

Chen HaoXuan was very leisurely, he was not worried about being caught up by Blackheart and the others, he always kept a certain distance from them. Hei Xin and the others tried their best to catch up with Chen Hao Xuan, but they couldn't. The joke was that they were all thousands of miles away. The joke was that they had thousands of motorcycles and tens of thousands of minivans, which were no match for Chen HaoXuan's multi-million dollar BMW.

The police will arrest them if they find out, and then it will be difficult for them to extort some money from Chen Haoxuan.

Blackheart slowly slowed down, holding the front of the car with one hand and waving his hand to his younger brother behind him, signaling them to retreat.

Black Heart brought his little brother back to his lair, he did on the sofa, unhappy, "Now Chen Hao Xuan already knows that we want to kidnap him, and the place he is driving to now should be the police station, what do you guys think?".

"Brother, Chen Haoxuan will go to the police anyway, regardless of whether we succeeded in kidnapping Chen Haoxuan or not, the police will not let us go, not doing it is a death, doing it is also a death, just let's fight! Extort a few hundred million RMB on Chen Hao Xuan, and we'll go free abroad." Mosquito, who was sitting in front of Black Heart, suggested.

"How can we kidnap Chen Hao Xuan now that he's gone to the police? Do you want me to bring someone to take down the police station?" Blackheart took a blank look at the mosquito and said.

"Brother, you are mistaken, I didn't ask you to bring people to the police station to kidnap Chen Haoxuan, what I mean is we don't have to kidnap Chen Haoxuan. Brother, I don't think you've forgotten that beautiful girl Chen Yina, right? Now that Chen Yina is Chen Haoxuan's girlfriend, do you think if we kidnap his girlfriend, he would dare not agree to our conditions?" Mosquito smiled wickedly.

"Would he give up hundreds of millions of RMB for a woman?" Blackheart questioned, if it was him - he would definitely be reluctant to give it up, hundreds of millions of RMB! Why spend so much money on a woman when you can keep an unknown number of second wives!

"I'm sure Chen Hao Xuan will be willing to do it, because I've checked and found out that Chen Hao Xuan and Chen Yina grew up together as childhood sweethearts and have a very deep affection for each other, plus they are lovers, so he can't do it even if he doesn't want to. In addition, I also found out that Chen Hao Xuan's family is very complicated, a few years ago his family made a little money and abandoned him, he relied on Chen Yina's family to help him get through, so he owes Chen Yina, and he also likes Chen Yina, so big brother you do not have to worry, as long as we kidnap Chen Yina, Chen Hao Xuan will definitely agree to any conditions we have." Mosquito sinisterly.

Blackheart was very happy to hear Mosquito's words, he stood up, walked to Mosquito's front, patted Mosquito's shoulder and said happily, "Mosquito, I really wasn't wrong, don't worry, as long as the extortion is successful, you will get more of that money than the others."

"Then I'll thank big brother first." Mosquito got up, grateful.

"Brothers, let's go, let's catch Chen Yina before it's too late, maybe we can catch Chen before Chen Haohuan calls the police, if that's the case, we won't be in any danger, we can count the money without any worries." Black heart loudly to his little brother, black heart after saying, with his little brother drove two vans and three motorcycles to Chen Hao Xuan's residence.

He was thinking about calling the police when he smoked a cigar in front of the police station, then he put the cigar on the ground and walked towards the police station.

Ringling, suddenly his cell phone rang, he looked at the phone number and found that it was Lin Hao calling. Seeing Lin Hao's call, Chen HaoXuan had an ominous feeling in his heart, and he suspected that Chen Yina and the others had also met the kidnappers.

Chen Hao Xuan quickly pressed the answer button and asked out loud, "Lin Hao, is something wrong?"

"Yes, boss, there is a group of thugs outside our house, they want to break into the house, and they have pistols. Boss, you should call the police! If we wait any longer, we'll be in danger." Lin Hao was anxious.

"No matter what, you guys must protect Nana's safety, okay? You guys take over again, I'll bring the police over right away." Chen Hao Xuan Road.

Chen HaoXuan just passed the phone, his phone rang again, this time it was a strange number, curious Chen HaoXuan still answered, he talked on the phone as he walked inside the police station: "Hello, who is this?"

"Chen Haoxuan, it's me, the one who just tried to kidnap you, you better not think of going to the police right now, because we already have your girlfriend, and if you do, we'll rip her off." Blackheart's voice came out of the phone.

"Have a good talk, you must never move her, or I won't spare you." Chen Hao Xuan exhaled.

"First, never call the police, and second, give us 500 million RMB and deposit the money into the bank account I specified separately, and that's it, I'll call you when I think it's appropriate." Blackheart said and scraped the phone.

"Five hundred million RMB? These kidnappers have a big appetite!" Chen Haoxuan said to himself, after he finished speaking, he turned around and quickly ran outside.

On Chen Yina's side, they were in a terrible situation, if they hadn't blocked the door with their sofa, Blackheart and the others would have broken in. "Open the door quickly, or we'll use the car to run him over." He was getting impatient and was worried that the police would come if he continued to spend time like this.

Inside the house Lin Hao turned his head to Chen Yina and said, "Nana, you go with Li Jun and Li Botao from the back door, I'll take care of it here."

"It's dangerous here, you'd better come with us!" Chen Yina was moved.

"If there was no one here, they would have known we had escaped and would have tried their best to chase us. But if I'm here it's different, I can negotiate with them in stages and buy you time to escape." Lin Hao was serious.

"Lin Hao, it's better for you and Li Botao to take Nana and run through the back door! I'll stay here to cover you." Li Jun was righteous enough.

"I'm the captain, listen to me, go quickly, if you don't go we won't all be able to leave." Lin Hao whispered and yelled to Chen Yina and the others.

"Nana, let's go!" Li Jun said to Chen Yina.

"Lin Hao, if you stall them for ten minutes, run away quickly, okay? We're leaving first, be careful." Chen Yina tearfully told Lin Hao, she was touched that Lin Hao stayed behind to fight the enemy for their safety.

Chapter 153

"I got it, you guys run away!" Lin Hao said to Chen Yina and the others.

Chen Yina and the others bent down and ran to the back door, and Li Jun said to Chen Yina: "Nana, you guys wait first, I'll see if there are any enemies outside first."

Li Jun saw what was going on outside through the gap in the door, and he saw two thugs walking around patrolling outside the door.

"It's bad, there are two thugs patrolling outside." Li Jun anxiously said to Chen Yina and the others.

"Li Jun, I look at it this way, you and I will lure those two thugs away, while Nana you will escape out in the chaos, it's not very far from your school, I think it's best for you to escape to your school from the path, you'll be safe when you get there." Li Botao suggested.

"No, to go together, if you don't go, I won't go either." Chen Yina was firm.

"Nana, you should know that those outside the house are coming to find you, if you are here, they will do whatever they can to break in, if you leave, they might leave not necessarily." Li Jun Dao.

"Then I'll run to Xinshan City University to move help." Chen Yina clenched her pink fist tightly.

"No need, just now Lin Hao has already told the boss about this side of things, the boss is so smart he will handle it." Li Jun Dao, what is the relationship between those thugs outside and Chen Hao Xuan, Li Jun and the others don't know, they also don't know if Chen Hao Xuan wants the police to know about this, if Chen Hao Xuan wants the police to help, he will call the police himself, no need for them to worry.

Li Jun gently opened the door of the back door, after opening it, he whispered to Nana: "Nana, when I count to three, you run out quickly, okay? As for the two thugs outside, the two of us will deal with them."

"Mm." Chen Yina nodded seriously.

"One, two, three, run." Li Jun slammed the back door open, and as soon as the door opened, Chen Yina ran out as fast as she could. Li Jun and Li Botao pounced on the two thugs outside the door.

The two thugs patrolling outside the door saw Chen Yina suddenly run out from the back of the room, they immediately shouted loudly: "Someone come quickly! Chen Yina is at the back of the house."

The back door of Chen Hao Xuan's place is too secret, the color of the door and the color of the wall is the same, if you don't look carefully, it is hard to find another door at the back of the house, this back door was hired by Chen Hao Xuan to use, in the hope that if there is danger, you can leave from here. Chen HaoXuan's residence used to be a warehouse, and the builder made all the windows barred in order to prevent theft, otherwise Blackheart and the others would have broken in.

When he heard the voice of his younger brother, Black Heart cursed and said, "Damn, there's no door at the back of the house, did they climb out of the window?"

"Mosquito, you take some of your brothers and guard here, and I'll take the rest of you to the back of the house to catch Chen Yina." Blackheart said to Mosquito.

"Brother, don't worry go! I'm sure I'll be in the house by the time you return." The mosquito pointed at Chen's abode, cocky.

"Everyone except Mosquito's men, follow me." Blackheart waved his big hand and ran to the back of the house with a dozen or so of his younger brothers.

At this time, Chen HaoXuan has arrived, he quickly ran out as soon as the car stopped, he rushed towards the mosquitoes and they, he is now in a very bad mood, he does not care if Blackheart has now caught Chen Yina, he wanted to kill the few thugs in front of him first.

When he heard the sound of a car braking, Mosquito turned around and saw Chen rushing towards them, he immediately shouted happily, "Chen is here, quick - catch him, remember, alive."

The mosquito's little brother rushed toward Chen HaoXuan screaming, Chen HaoXuan and the mosquitoes were on the verge of a fight, Chen HaoXuan's fists hit the enemy's vital parts, and his dagger kept swinging at the enemy's wrist or foot.

When Lin Hao, who was inside the house, heard the mosquitoes, he stood up cautiously, he saw Chen Haohuan fighting with some thugs outside the house, so he immediately ran to the door, made quick work of the sofa blocking the door, opened the door, and ran out to support Chen Haohuan.

Seeing Lin Hao running out of the house, Chen Hao Xuan asked anxiously, "Lin Hao, where's Nana?"

As Lin Hao fought the enemy, he answered Chen Haohuan's question by saying, "Li Jun and Li Botao ran away with her through the back door."

"Let's go find her." Chen Hao Xuan said.

Chen Haoxuan and Lin Hao quickly ran towards the back of the house, Mosquito looked at Chen Haoxuan's and their backs and roared loudly, "Chase, give me a chase, catch them, I want to teach them a hard lesson." Mosquito's henchmen were put down by Chen Haohuan, who either knocked them unconscious or cut their wrists or feet with a dagger.

Chen Hao Xuan and Lin Hao ran to the back of the house and saw Black Heart and the others leaving to a path behind the house, while Li Jun and the others were being pushed to the ground by the four thugs and were about to tie up Li Jun and the others with ropes.

Chen Hao Xuan and Lin Hao quickly rushed over, and the gangsters who were about to tie up Li Jun with ropes stood up and tried to stop Chen Hao Xuan from approaching. The gangster struggled to get up, but he couldn't. He spat out a mouthful of blood and then fell to the ground unconscious.

While kicking a gangster, Chen HaoXuan grabbed the neck of the gangster who had pinned Li Jun on the ground and dragged him backward quickly.

"Ah-" The gangster let out a miserable scream, and his hand was nailed to the board with a dagger by Chen Hao Xuan.

Chen didn't pull the dagger up; he turned to help Lin Hao take care of the other two thugs.

As he fought, Chen Hao Xuan said to Li Jun and the others, "Where's Nana? Why don't you see her?"

"Nana ran to school by jumping off the path here, those people just went after Nana, boss, you three go save Nana first! I'm holding the fort here." Li Jun spoke out.

Mosquito he and his three little brothers chased after them, Chen Hao Xuan was not afraid of them, but he didn't have time to spend with them, so Chen Hao Xuan said to Li Jun and the others: "Leave them alone, you all come with me."

Chen HaoXuan and the others turned around and ran to the path behind the house, while Mosquito and the others pursued them relentlessly. Li Jun and the others were former soldiers, and their bodies were certainly stronger than the average man's, while Chen Hao Xuan, although his physique was poor, his desire to save others had unintentionally stimulated his potential.

After chasing for five minutes, Chen Hao Xuan caught up with Hei Xin's group, Hei Xin saw that Chen Hao Xuan even chased after them, but he was so happy, Chen Hao Xuan came, there is no need to go to so much trouble to catch Chen Yina.

"All stop chasing, Chen Hao Xuan is right behind, everyone catch him, we can live the life of a rich man." Blackheart called out loudly to his little brother.

Chapter 154

Not seeing Chen Yina there, Chen Hao Xuan was at ease, he knew that Blackheart and the others didn't catch Chen Yina. When he saw Blackheart and the others rushing towards him, he pulled out a pistol from his back, pointed it at Blackheart and roared loudly, "Don't move, I'll kill anyone who moves." Chen HaoXuan's pistol was the pistol of the idiot punk he met at the crossroads, Chen HaoXuan had more than one pistol, he just came back and grabbed another one, all hidden behind his waist with his belt, there was another one he didn't want to take out for now.

The black-hearted boys saw Chen HaoXuan pull out a pistol, they immediately stopped in their tracks, they dare not take their lives as a joke, pistol! The slightest snap of this thing can kill you.

When Blackheart saw that none of his boys dared to rush him, he yelled at them, "All f*cking cowards, he's got a gun - but does he dare to shoot? Don't just stand there, hurry up, catch Chen Haoxuan and we won't have to worry about the rest of our lives."

He was about to point the pistol at Chen Hao Xuan when he pulled it out, and three shots were fired in succession, and he was shot in the wrist. The other two thugs who ran in front of him were both shot in the right knee by Chen Hao Xuan, while kneeling five meters away from Chen Hao Xuan, screaming in pain.

"Who still dares to try?" Chen Haoxuan shouted loudly and angrily.

Hei Xin and the others didn't dare to move and stood stupidly.

Chen Hao Xuan spoke out, "Lin Hao, call the police."

"Yes, boss." Lin Hao got the order, he pulled out his cell phone and dialed 110.

Black heart he knew something was wrong, his head was working fast, he was thinking of a way to escape. Just then, he saw the mosquito with three people appeared behind Chen HaoXuan, he had a flash of light in his mind, his mouth showed an evil smile, he suddenly shouted loudly to the mosquito behind Chen HaoXuan: "Mosquito, catch him."

He underestimated Chen Hao Xuan. He thought Chen Hao Xuan would turn around and shoot the mosquito behind him, but he didn't expect Chen Hao Xuan would shoot him without looking behind him.

Chen took out another pistol, bang bang bang bang four shots in a row, and the mosquito and the three boys he brought with him all got down on their knees. "Anyone who dares to move again, I promise I won't show any mercy, I'll send him to hell." Chen Hao Xuan roared loudly.

After saying that, Chen Haohuan turned his head to Li Jun and said, "Li Jun, go to the house and bring some ropes to tie up all these people." Although Lin Hao has just called the police, who knows when the police will come, he decided to tie up all the thugs with ropes for safety.

Chen Hao Xuan originally wanted to go after Black Heart, but he didn't trust Lin Hao and the others, he was worried that Lin Hao and the others wouldn't be able to control the dozen or so thugs. He was worried that Lin Hao and the others wouldn't be able to control the dozens of thugs. If Lin Hao and the others were to chase after Hei Xin, Chen Hao Xuan was worried that Hei Xin would still have a pistol on him.

Li Jun went to the house to find a rope, and the police came before they started tying up the thugs. This time the police chief Li De personally led the team, staffed with a pistol police, heavily armed armed police, so big row because just Lin Hao called the police mentioned the enemy has a gun.

"Cuff them all." Li De waved a big hand to his subordinates.

Li De walked up to Chen Haoxuan and politely said, "Boss Chen, what's going on?"

"I was driving out to buy groceries early this morning, and when I crossed an intersection - a man suddenly came out of the woods by the side of the road, and I braked my car and didn't hit the man, but the man was lying on the ground. As soon as I approached the man, he suddenly stood up and held a pistol to my head.

They came and I realized that they wanted to kidnap me and force me to give them all my money. The two guns in my hand are both theirs, and there is another one in front of me. The one in front is the big brother's, and he ran away with it when I wasn't paying attention," he said. Chen Hao Xuan explained.

"The tree is big enough to attract the wind!" Li De joked.

"It's not that the trees are big enough to attract attention, it's that I'm not strong enough, so they dare to mess with me. Otherwise, why don't they go to Zhou Xiang and the others, because they are afraid of their strength." Chen Hao Xuan Dao.

"Boss Chen, please come back with us to do some investigation so that we can catch the murderer soon." Li De politely said to Chen Hao Xuan.

"Okay, but wait for me, I'll go to my room and use the computer to draw out these people's big brother's face, so it will be easier for you to find him." Chen Hao Xuan Dao.

"Yeah! I didn't think you had any talent, can I come along and see how you make your pictures?" Reid smiled.

"Of course." Chen Hao Xuan Dao.

"Lin Hao, Li Jun, you two go to Xinshan City University to pick up Nana and bring her back." Chen Hao Xuan told Lin Hao and the others, and after that he took Li De to his residence.

When Chen Hao Xuan drew the face of Black Heart little by little with the computer drawing software, when Chen Hao Xuan completely drew the face of Black Heart, Li De who was sitting next to him was surprised: "Black Heart, this is the big brother of Black Heart Gang, he is called Black Heart because of his malicious heart. "

"Oh, it's good that you know him, now go to his lair with your men and arrest him! Otherwise he will run away if it is too late." Chen Hao Xuan told Li De.

"Good, I'll have someone go to Blackheart's lair to catch him now." Li De stood up.

Xinshan City University is very close to Chen Haoxuan's residence, so Lin Hao and the others soon returned with Chen Yina, once they returned Chen Yina couldn't help but cry out when she saw Chen

Haoxuan, she was just a country girl who had never seen such a terrible thing, plus the last encounter, she was even more afraid.

"Don't cry, don't cry, it's all right already, don't cry ha!" Chen Hao Xuan gently stroked Chen Yina's hair and said.

"Brother Xuan, just scared me to death, I thought I'd never see Brother Xuan again." Chen Yina, who was leaning on Chen Hao Xuan's bosom, cried out.

"Don't worry, if they dare to scare my Nana, I won't let them get away with it." Chen Hao Xuan was firm.

Chapter 155

It's not just a matter of time, it's also a matter of time before you get a chance to get your hands dirty.

Now, Li De is the best choice for Chen HaoXuan, and at least the ordinary thugs won't dare to mess with him if they have good relations with him.

Chen HaoXuan followed LiDe to the police station, where he quickly finished taking a statement and invited LiDe to the villa hotel for dinner.

That night, about Chen HaoXuan was almost kidnapped by a local gang, which was reported on the evening news, Chen HaoXuan is now hotter than a star, the theft of his Thousand Buddha Stone Pagoda and the sale of his Thousand Buddha Stone Pagoda for 1.1 billion RMB is a worldwide sensation, and his development of an all-powerful cell phone in Telecom Mobile City is also a worldwide sensation.

Now the local mafia wanted to kidnap him with a dozen people and several handguns, but Chen HaoXuan and his security guards, a total of four people, subdued a dozen thugs with dangerous weapons. The fact that a billionaire is so good at shooting and is so accurate in his shooting has once again become a sensation around the world, and everyone is mystified by Chen HaoXuan's identity.

Some people believe that Chen HaoXuan was a soldier, some believe that Chen HaoXuan was a senior professor in the army in China

Chen HaoXuan is still unaware of his personal information, which has been unwittingly delivered to the desk of the Chinese leader.

On the morning of August 29th, Chen Hao Xuan drove his car to the University of Xinshan City with Chen Yina in his car.

He was walking to the girls' dormitory, and he wanted to look for Kong Manni and the girls, and on the way he met Ho-Ming He, and there was a very pretty and sexy blonde next to him.

He Haoming, however, seemed to be very familiar with Chen Haoxuan. When he saw Chen Haoxuan, he immediately smiled proudly and said to Chen Haoxuan: "Hi, Chen Haoxuan, haven't seen you for a long time?".

"Hmm." Chen Hao Xuan left with a faint hmm.

When He Haoming saw that Chen was about to leave, he called out to Chen Haoxuan, "Hey-, Chen Haoxuan, don't go."

Chen Hao Xuan stopped and turned to He Haoming, "Do you have something to do?"

"Let me introduce to you, this is my girlfriend, her Chinese name is Leah, she is the daughter of the president of the MiG FeiTeng Group, you should have heard of her, right?" He Haoming had a smug look on his face and addressed Chen Haoxuan.

"I've heard, congratulations, you've finally gotten into the big money." Chen Hao Xuan smiled falsely.

"Don't say it so badly, okay?" Ho Ho Ming planked his face.

Leah, a beautiful blonde next to Ho Ho Ming, spoke up and asked Ho Ho Ho Ming in English, "Ho Ho Ming, who is this man?"

"He's known as the little white guy in our school, and he's also a sculptor." He Haoming smiled evilly and explained Chen Haoxuan's identity to Leah.

Chen Haoxuan snapped, no longer paying attention to He Haoming, he turned around and left.

Leah was so angry in her heart! She had seen countless guys, and every guy who saw her had a look of love for her, and with her status, basically every guy wanted to chase her. But it was as if Chen Haoxuan hadn't even seen her at all, and she wondered if he was nearsighted, so he couldn't see her beauty.

"Stop." Leah snapped at Chen Hao Xuan.

Chen didn't stop and continued to walk forward.

Leah, who was spoiled since childhood, spoke as if her words were an edict that everyone needed to listen to. She was angry when she saw that Chen Haoxuan didn't listen to her, and she exhaled to He Haoming, "Go, go and stop him."

He Haoming didn't think much of running to stop Chen Haoxuan, who looked like he didn't want to be Leah's boyfriend at all, but more like Leah's servant. Although Leah has been telling him what to do all day, He Haoming is not angry at all, but feels very proud of himself, because Leah is nominally his girlfriend. He Haoming is very grateful to his dad, if not for the fact that his dad and Leah's dad are life-and-death friends, how could he have such a noble girlfriend like Leah?

Ho Ho Ming, he ran up to Chen Hao Xuan and stopped him, he proudly said to Chen Hao Xuan, "My girlfriend told you to stop, didn't you hear?"

Chen Haoxuan he looked at He Haoming with cold eyes, cold and cruel: "She is not my girlfriend, it's none of my business! You know what? I hate you very much, I hope you will have the sense to know what you're doing, or don't blame me for being rude to you."

Leah, who walked with graceful steps up to Chen Haohuan, did not understand the Chinese language, so she asked Ho Ho Ming in English, "What did he say?"

Ho Ho Minh he was so angry with Chan Ho Hin that he didn't tell Leah what Chan Ho Hin had said, he told Leah in English, saying, "He said you were ugly."

"What?" Leah covered her small mouth and looked at Chen Haoxuan with a very surprised look, she was really shocked by He Haoming's words, she has always considered herself beautiful, which is what many people think, she has never heard others say that she is ugly, today is the first time, can this not surprise her?

"Why are you calling me ugly? Where am I ugly?" Leah looked like she was serious when she asked Chen Haohuan.

"I didn't say you were ugly." Chen said to Leah in Mandarin, Chen knew English, but he wanted to see how He Haoming was using Leah against him, and if He Haoming went too far, he would tell Leah the truth, and then He Haoming would be finished.

Leah looked at He Haoming with her head held high, obviously wanting He Haoming to translate Chen Haoxuan's words.

He knew that Leah didn't understand the Chinese language, and he wasn't worried that Chen would explain it to Leah in English, because he was sure she would believe him. Ho Ho Ming said to Leah, "He

said that you are ugly everywhere, and that you have been putting up a stinky face all day, and that you are annoying to see."

When Leah heard He Haoming's explanation, she pointed at Chen Haoxuan, who was so angry that her breasts kept rising and falling, which made Chen Haoxuan wonder if Leah's shuangfeng would burst through her clothes if He Haoming added more fire to them.

"You - you" Leah was so angry that she couldn't say anything, she felt very aggrieved, she had never been said that way in the United States, but when she came to China, she was called ugly and annoying.

Chapter 156

"Do you believe him?" Chen Haoxuan said something to Leah in English, after which he side-stepped away.

Now he is not afraid of Chen Haoxuan because his girlfriend is Leah, the daughter of the president of Millet Group. If Chen Haoxuan dared to do anything to him, he let her girlfriend use the power of the Soaring Group to put pressure on Chen Haoxuan.

"I told you that you're annoying." Chen Haoxuan coldly told He Haoming, Chen Haoxuan said his hands quickly grabbed He Haoming's hand that stopped him, his body turned, his shoulders pushed, and an over-the-shoulder fall threw He Haoming out hard.

"Ah-" He Haoming screamed in the air, and with a bang, He Haoming fell on the lawn three meters away from Chen Haoxuan, thanks to which He Haoming fell three meters away, if it was within two meters, he would have been miserable, because within two meters is a concrete road.

"You don't know your own strength." Chen Haohuan gave Ho Ho Ming a glance, clapped his hands and walked away.

"God! Why is this guy so mean? Didn't Ho Ho Ming say he was a white boy? How can such a person be a gigolo?" Leah looked at Chen Hao Xuan's dashing back and was surprised. She felt that such a handsome boy should not be so fierce, he should be very gentle, but Chen Haoxuan gave her a very unique feeling.

He Haoming got up from the ground, he ran to Leah in front of her and said, "Leah, Chen Haoxuan is too damned, he said you are not good looking, and he even hit me."

When she heard the name Chen Hao Xuan, Leah suddenly remembered the most popular person on the Internet, his name was Chen Hao Xuan, she recalled the pictures she saw on the Internet, compared to the Chen Hao Xuan she saw now, she realized that the person she just saw was the Chen Hao Xuan whom the girls on the Internet called Prince Charming.

"Are you saying that the boy she just saw is Chen Hao Xuan? Chen Hao Xuan who carved the Thousand Buddha Stone Pagoda?" Leah was excited to He Haoming, she liked the things that Chen Haoxuan carved, such as the stone carved lotus flower and stone statues that she had seen on the Internet. The owner of the lotus and the statue is in the University of Xinshan.

She also knew that many rich people in Europe offered hundreds of millions of dollars to reserve Chen Hao Xuan's carvings, but Chen Hao Xuan didn't accept any of them, such boldness she had only seen in Chen Hao Xuan. She was forced by her father to come to spend time with Ho Ho Ming, and when she knew that he was studying at the University of Xinshan City, she asked him to take her to Xinshan City University.

"Yeah! What's going on?" He Haoming asked curiously.

Leah slapped He Haoming and she squealed, "You lied to me, Chen Haoxuan is not like that at all. Hmph, I'm going to find Chen Haoxuan, so don't follow me."

Leah chased after Chen Hao Xuan in the direction he had just left, such is the case with arrogant girls, she herself had a crush on Chen Hao Xuan, she had just met Chen Hao Xuan, Chen Hao Xuan gave her a different personality, which made her interested in Chen Hao Xuan.

"Leah." Ho Ho Ming shouted loudly to Leah's back.

Leah ignored Ho Ho Ming, she continued to go after Chen Hao Xuan, she wanted to get to know Chen Hao Xuan, and even more, she wanted Chen Hao Xuan to carve something beautiful for her. If her father hadn't forced her to come to China to go out with He Haoming, she wouldn't have been with someone like He Haoming, who only stammered.

As he watched Leah's back leave, He Haoming was very angry, he clenched his hands into fists, bit his lips, and said coldly: "B*tch, see a white face and then go crazy, humph, when I marry you, see how I'll deal with you."

Chen Hao Xuan he walked not fast, he was enjoying the campus scenery while walking slowly towards the girls' dormitory, so he did not go far before Leah caught up with him.

"Chen Hao Xuan, wait." Leah shouted loudly in English.

When he heard the voice, Chen turned around and saw Leah running towards him, he wondered if Leah was trying to take revenge on him.

Leah gasped and ran up to Chen Haohuan and said to Chen Haohuan in a delicate voice, "Mr. Chen, I'm really sorry that I didn't recognize you as Chen Haohuan just now."

"You know me?" Chen pointed to the tip of his nose and asked.

"Of course, you're a person who has been a worldwide sensation several times, can I not know? And I still have your poster, yo!" Leah's fun.

"A poster? Is someone selling my photos as posters? Wouldn't that be piracy?" Chen Hao Xuan questioned.

"Who made you so handsome!" Leah smiled at Chen Haohuan.

"Did you come to see me for something?" Chen Hao Xuan asked.

"There, I want to ask you to help me carve a flower, preferably a rose, as for the price you can open any." Leah was excited, she guessed that the one as big as the Thousand Buddha Stone Pagoda was only 1.1 billion RMB, her rose was so small, it should be a few million RMB at most.

"That's great! If you give me 500 million RMB, I'll do it for you right away." Chen Haoxuan smiled faintly.

"Five-hundred million RMB? Are you... are you serious? Your Thousand Buddha Stone Pagoda is so big that it's only 1.1 billion RMB, but mine is so small and you charge 500 million RMB, are you kidding?" Leah held out her five little fingers, surprised.

"Because I don't want to carve anything at the moment, so if I'm allowed to do it, I have to be impressed, and the price that can make me impressed is at least 500 million RMB, and I won't even bother with you if it's less." Chen Haoxuan was arrogant.

Arrogant, several times more arrogant than she was, this was Leah's first impression of Chen Haoxuan. "Then why are you helping two girls sculpt things?" Leah was unhappy.

"Oh, yours is Zhang Bening and Hua Lingwei, right? They are my friends, and what I carve for them is friendship, which is not something that money can measure," he explained. Chen Haoxuan explained lightly.

"I-I can be friends with you too!" She regretted her words as soon as they were out of her mouth. She felt that it was too degrading for her to say so, and that everyone wanted to be friends with her.

But what Leah didn't expect was that Chen Hao Xuan rejected her without even thinking about it. Chen Haoxuan said, "Just meet and talk to each other, and you're friends? Then I'll have plenty of friends. You should go back and find Ho Ho Ming! He'll be jealous if you don't go back!"

Chapter 157

Leah thought that Chen Haoxuan might not have heard her clearly just now to be so cold to her, so she told Chen Haoxuan her identity again, and she said to him in a delicate voice: "Mr. Chen, I am the daughter of the president of the Mi Group, so I should be qualified enough to be your friend, right?".

Hearing Leah's words, Chen despised Leah even more because he thought Leah was a poor person who loved the rich and thought that as long as she was rich, therefore people must treat her with courtesy. "I don't see in you the slightest hint of wanting to be friends with me." Chen Haoxuan faintly said.

"Why?" Leah held her head high and asked Chen Haohuan.

"If you really want to be friends with me, you shouldn't introduce yourself in front of me time and again, as if you're afraid that I don't know that you're the daughter of the president of the MiG FeiTeng Group." Chen didn't give Leah any face at all, and directly told her about Leah's shortcomings.

"You-, hmph, you don't know what's good for you." Leah exhaled to Chen Haoxuan, she said turned around and ran, she was angry, so angry that she wanted to flatten Chen Haoxuan's impulse.

"Hmph, it's just a vase, isn't it? If you hadn't been lucky enough to be born into a rich family, you might have been a gay girl." Chen Haoxuan looked at Leah's departing back and was unhappy. He was in a good mood today, but was ruined by the sudden appearance of He Haoming and Leah.

It's also a good idea to have a good time with your family and friends, but I'm not sure if that's what you're looking for. It's a good thing that you can't see any security guards in the security pavilion when you're at the door, so he waited at the door for a while.

The company has been in the process of developing the new product for the past ten years. When he went upstairs, he met several girls, who looked at him with astonishment and strangeness, as if they wanted to swallow him alive.

When he arrived at the fourth floor, Chen HaoXuan walked towards room 405, Chen HaoXuan suddenly stopped, he actually saw the most beautiful scenery of the girls' dormitory, he saw Kong Manni wearing a wide white shirt, and also the kind of hidden shirt, although there is a distance of five meters from Kong Manni, but Chen HaoXuan can still clearly see the inside of Kong Manni's clothes. "I'm not sure how much I'll be able to afford it, but I'm not sure how much I'll be able to afford it. This is what Chen HaoXuan said in his heart.

At the moment, Kong Manni is drying clothes, she suddenly seems like someone is staring at her, she turned her head and almost screamed, if not Chen Hao Xuan words, she guaranteed to shout **.

"Boss, what are you doing in the girls' dormitory?" Kong Manni curiously asked Chen Haoxuan, the girls' dormitory usually no boys will come, so it is absolutely rare to see a boy in the girls' dormitory, because even if you want to bring a boy into the girls' dormitory, the other girls will have an opinion.

"Little Niko, I didn't think you were quite sexy!" Chen HaoXuan smiled, he is not afraid of Kong Manni shouting **, he is openly admiring Kong Manni's plump body posture.

When she saw Chen Haoxuan's eyes, Kong Manni looked down at her own body again. "Ah-." Kong Manni screamed and turned around and ran into her dormitory.

Kong Manni ran into the dormitory and hid under her blanket. Although she was very mature, she was not good at love, because she had never tried it before. She is not sure how to face Chen Haoxuan next time she sees him.

When Kong Manni's roommate, Mingmei Li, saw Kong Manni suddenly running back to the dormitory, she immediately covered her head with a single blanket and was curious.

"I - I'm fine." Kong Manni, who was hiding in her blanket, was embarrassed.

At that moment, Chen HaoXuan walked in, and he smiled, "Nee-chan, Minmei, I'm here."

"Ah-, boss, what are you doing here." Li Mingmei stood up, surprised.

"I came to see you guys!" Chen HaoXuan smiled, Li MingMei moved a stool for Chen HaoXuan, Chen HaoXuan sat down, and then to Kong Manni, who was still hiding on the bed with a single quilt covering her head: "Little Niko, if you don't get up, I'm going to go over there!".

"No, I'll get up." Manny Kong got up quickly, and there were some sexy lingerie hanging on the edge of her bed! If Chen Haoxuan saw her, she would be even more embarrassed.

"We're all adults, what are we shy about! Besides, I didn't touch you." Chen Hao Xuan joked.

Kong Manni wrapped her body up in a single quilt, and she spoke out to Chen Hao Xuan, "Old-Boss, what brings you to the girls' dormitory to see us?"

"Have you forgotten me as your master?" Chen Hao Xuan smiled at Kong Manni.

Li Mingmei, who was sitting next to Chen HaoXuan, snapped her hands and said happily, "I know, the boss is here to teach us hacking techniques."

Chen Hao Xuan put his finger to his lips and said to Li Mingmei: "There are many people here, keep your voice down, and in the future try not to say hacking techniques in crowded places, it's better to say network technology, otherwise it will cause a lot of unnecessary trouble."

"Ah-, that serious ah?" Li Mingmei was surprised.

"If you're an average hacker, of course people won't pay attention to you, but if you're a powerful hacker, some state agents will try to recruit you, and if they can't get a hacker talent like you, they'll try to get rid of you." Chen explained.

"Boss you are so good at hacking, aren't you dangerous?" Li Mingmei asked worriedly.

"Can't you see I'm very low-key? Who else besides you guys knows that I'm good at hacking?" Chen Haohuan smiled.

"Boss, what are you going to teach us today?" Li Mingmei looked at Chen Haoxuandao with expectant eyes, and when it came to hacking techniques, she forgot all about what had just happened.

"I'm going to teach you how the virus came from." Chen Hao Xuan mysteriously said.

The source of the virus is a very profound knowledge, so Kong Manni and Li Mingmei were both in high spirits.

Kong Manni and Li Mingmei were the only ones in the dormitory, so he taught them directly in the dormitory.

Chapter 158

Chen HaoXuan turned on Kong Manni's computer, after opening it, he found that there was a password, she did not ask what the password of Kong Manni's computer was, he turned off the computer, and then turned it on again, when he turned on the computer, some data also appeared on the computer, he changed the data, soon he successfully entered Kong Manni's computer.

While making the virus, Chen explained the principle of the virus to Kong Manni and the others.

In the garden of Xinsan Mountain University, Leah is sitting on a bench with He Haoming beside her. When He Haoming saw Leah's angry face, he knew that Chen Haoxuan must have done something bad to Leah, otherwise how could Leah be so angry that her mouth was pouting.

"Leah, did Chen Hao Xuan do something to you? You tell me, I will not spare him." He Haoming was serious to Leah.

Leah turned her head to look at He Haoming and said in a despising tone, "Just you, do you have the guts to do that? If you did, why didn't you even have the courage to fight back when Chen Haohuan just beat you up?"

"I - I" He Hao Ming squeaked, he was speechless by Leah, he was admitting that he was afraid of Chen Hao Xuan at that time, but he didn't know why, as long as Chen Hao Xuan wasn't angry, or he didn't see Chen Hao Xuan, he wasn't afraid of Chen Hao Xuan at all. Why is that? He himself didn't know, he'd thought about it before, but he'd never figured it out.

"Me what me? You don't have anything else to say, do you? If you don't have the guts, you don't have the guts, just admit it! No one is looking down on you." Leah was very dissatisfied with He Haoming.

He Haoming was afraid of Leah's misunderstanding, and he was busy explaining, "Leah, actually I'm not afraid of Chen Haoxuan at all, but I don't know why every time Chen Haoxuan gets angry, I can see a strong murderous aura in his eyes, it's a very fearful look, as if he doesn't want to kill you, but wants to use all the cruel methods in the world to torture you and make your life worse than death. Leah you have to believe me, I'm definitely not lying to you."

"How come I didn't feel it?" Leah was curious, she really suspected that He Haoming was lying to her, she didn't believe that someone's eyes could be so terrifying, she suspected that He Haoming made it up to make up excuses for himself.

"You don't believe it, do you? That's fine, you come with me, I'll show you whether Chen Haoxuan is scary or not." He Haoming was firm, in order to get Leah's admiration, he would gamble once more. But this time he didn't bet on himself, he bet on Zhu Tian, and now everyone in the school knew that Chen

Haoxuan had said a very cool thing to Zhu Tian, "I'll beat you up once I see you." He wanted to trick Zhu Tian into going to the girls' dormitory. If Chen Haoxuan sees Zhu Tian, Chen Haoxuan will definitely reveal his true form and teach Zhu Tian a lesson again.

"Where are you taking me?" Leah followed behind Ho Ho Ming and asked curiously.

"Go find someone, someone Chen Hao Xuan hates very much, and I want Chen Hao Xuan to meet him, and then you'll see what kind of person Chen Hao Xuan really is." He Haoming explained.

Zhu Tian's favorite place to go was the bathroom on the first floor of the school, this is why no one knows, some people suspect that Zhu Tian likes the bathroom environment, some people suspect that Zhu Tian likes to spy on boys going to the bathroom, maybe it's convenient for him to smoke there!

He Haoming was bringing Leah to the sophomore student building, and he saw Zhu Tian in front of the bathroom on the first floor, and he shouted loudly to Zhu Tian, "Zhu Tian, come over here, I have business to discuss with you." He Haoming was quite familiar with Zhu Tian, because he had asked Zhu Tian to do a lot of bad things for him, and the two of them were also in a mess.

Zhu Tian brought his few little brothers and walked up to He Haoming with a hangdog attitude, and said to He Haoming, "He Haoming, what business do you have?"

"I hate a girl so much because she almost hit me on her bike today and scared me half to death and the girl didn't say a word of apology, she's a mother f*cker, do you think I can stay mad?" He Haoming pretended to be very angry at Zhu Tian.

"Also, but if I were you, I would tie him up on the spot and wheel him where there is none." Zhu Tian yin laughs, Zhu Tian is even more ruthless than He Haoming, but unfortunately his mind is too stupid.

"That girl I don't know what her name is, but I remember her face, she is in the girls dormitory right now, you take your little brother to the entrance of the girls dormitory right now, if that girl comes out, I

will tell you guys. At that time, you guys just have to help me humiliate her properly, and kick her a few times if you can." He Haoming said.

"He Haoming, then this money" Zhu Tian rubbed his fingers, a very standard action of counting the money, a yin smile to He Haoming.

"It's done - I'll give you a thousand RMB." He Haoming Road, he and Zhu Tian cooperation several times, are hundreds of yuan and thousands of yuan to ask Zhu Tian to help him work, like bullying little girls such things, to give a thousand yuan this is definitely a high price.

"OK, I'll take care of it." Zhu Tian was happy.

"Then let's go now!" He Haoming said, "He is familiar with Zhu Tian, but that's because he is rich, if he is not rich, Zhu Tian won't give a damn, so he doesn't feel guilty at all for betraying Zhu Tian.

On the way to the girls' dormitory, Zhu Tian smiled at He Haoming and said, "He Haoming, who is this foreign girl to you? Very decent."

"She's my girlfriend, so don't get any bad ideas, or we'll turn friends into enemies." He Haoming warned Zhu Tian, seriously. Zhu Tian's kind of person, he knew better than anyone else, not to mention the small things like stealing chickens and dogs, even killing and arson he dared to do.

"He Haoming, are we buddies? If it's to introduce a foreign girl to me some other day, I've played with all kinds of women since I grew up, but I've never played with a foreign girl." He said, "I've never played with a foreign girl before." Zhu Tian smiled at He Haoming's face, but his eyes were always on Leah.

"Some other day!" He Haoming faintly said, he saw Zhu Tian was lusting after Leah, he didn't say Zhu Tian because he needed to endure now, he said coldly in his heart, "Hmph, when you see Chen Haoxuan later, there's something you'll suffer."

Zhu Tian and the others arrived at the girls' dormitory building that He Haoming had designated, and they squatted at the door to smoke while He Haoming and Leah watched Zhu Tian and the others from fifty meters away. He Haoming and Zhu Tian made a deal that as soon as they saw He Haoming raise his hand, the girl coming out of the girls' dormitory would be the girl He Haoming wanted to fix.

"He Haoming, how do you know that Chen Haoxuan is inside the girls' dormitory building?" Leah was curious to He Haoming, He Haoming had been following her, she didn't even know where Chen Haoxuan was, but why did He Haoming know, that made her curious.

"This road is leading to the girls' dormitory, and then there's a garbage dump, and now we don't see Chen Haoxuan, so doesn't that mean that Chen Haoxuan went into the girls' dormitory? Is it possible for Chen Haoxuan to pick up garbage from the garbage dump?" He Haoming explained, not to mention that the previous one, Chen Haoxuan, had actually gone to pick up trash.

Chapter 159

Chen Haoxuan, who had been teaching Kong Manni and the girls hacking skills in the girls' dormitory, left at lunchtime. Kong Manni and the others left with Chen Hao Xuan because he said he would buy them lunch.

Zhu Tian and his boys were smoking in front of the girls' dormitory, smoking one cigarette after another, with cigarette butts all over the floor. In the security pavilion in front of the girls' dormitory, the female security guard had returned, she didn't dare to bother with Zhu Tian and the others, she was afraid that Zhu Tian and the others would find trouble with her, plus Zhu Tian and the others were in front of the girls' dormitory and didn't enter the girls' dormitory, which made her even more afraid to bother.

"Damn it, why hasn't the slut~something He Haoming is looking for come out yet?" Zhu Tian was very impatient.

At this time, a little brother next to Zhu Tian suddenly pointed inside the girls' dormitory, with an expression as if scared by something, he squeaked: "Big - big brother, Chen - Chen"

"Chen you sister! Chen-Chen." Zhu Tian gave his little brother a glance, he turned around to look inside the girls' dormitory, he suddenly had the same expression as his little brother, he also squeaked: "Chen--Chen"

At this time, I don't know who shouted "run", Zhu Tian and his little brother ran away.

He Haoming, who was far away, turned his head to Leah and said, "I didn't lie to you, did I? He's a wolf in sheep's clothing, but he's not a gentleman. The ones I just called are the famous gangsters in our school, they rob and steal, they do nothing, and they are very bold. But if you look at them now, they're so scared when they see Chen Hao Xuan."

"Is Chen Hao Xuan really that scary?" Leah looked puzzled, she really couldn't see where there was anything about Chen Haohuan that would make people feel horrible.

Chen Hao Xuan has he saw Zhu Tian, does Zhu Tian still want to run? Obviously that's impossible, Chen Haoxuan was cruel to Zhu Tian, how could he let Zhu Tian go so easily, he must teach Zhu Tian a good lesson, because he once said to Zhu Tian: "If I see you once, I'll beat you once."

"Stop." Chen Haoxuan saw that Zhu Tian and the others wanted to flee, so he shouted loudly.

The two simple words were like an imperial decree, making Zhu Tian and the others not even have the courage to run away, Zhu Tian turned around and didn't need to say anything to Chen Haoxuan, he just kneeled on the ground with a crying face and said to Chen Haoxuan, "Big brother, I really didn't know you were inside the girls' dormitory, if I knew you were in there - -Even if I had a thousand guts, I wouldn't dare to stay near the girls' dormitory building, so please spare me this time."

He Haoming and the others could hear what Jutian and the others said, and what Jutian and the others said, He Haoming would translate to Leah.

"Repeat the words I told you before." Chen Haomin walked up to Zhu Tian and coldly said.

"See - I'll hit you once if I see you." Zhu Tian bitter face, squeaking, this sentence is he first said to Chen Haoxuan, did not expect Chen Haoxuan to learn it, and also used it on him. Zhu Tian is bitter, should have known now, when he was killed - he would not say that kind of words to Chen Hao Xuan.

"Good to know, your attitude is much better this time, so I'll give you a reward and let you choose how I beat you." Chen Hao Xuan smiled evilly.

"Big brother, you spare me, can't I be your little brother?" Zhu Tian cried out.

Chen Haoxuan's right hand shook, a sharp dagger fell out of his sleeve, and he grasped it smoothly with his right hand.

Seeing that Chen Haoxuan's dagger was out, Zhu Tian was so scared that his soul was about to fly, he desperately kowtowed, bang bang bang, his forehead was already bleeding, he kept crying: "Brother, forgive me! Brother spare me" And his little brothers, all kneeling behind him without uttering a word, didn't even dare to move.

"If I hadn't changed, I don't know how I would have been screwed over by you, probably a hundred times worse than I am to you now. So you use don't beg me to let you go, because you deserve it." Chen Hao Xuan Dao.

Zhu Tian didn't dare to resist, because he knew that he was no match for Chen Haoxuan, and if he resisted, Chen Haoxuan would get angry and waste him, and he would be finished. Chen Haoxuan raised his foot and kicked Zhu Tian in the face, and with a thud, Zhu Tian's head was raised backwards, and his nose and his preparation were bleeding from Chen Haoxuan's kick.

Chen took the dagger, pointed it at Zhu Tian's younger brother, and said coldly, "All of you come over here and beat your big brother, and if anyone doesn't, I'll beat him with my own hands."

When Zhu Tian's younger brothers heard Chen Haoxuan's words, they all hesitated, they looked at me and I looked at you, they didn't dare to come forward to beat up their big brother.

"No action, right? That line." Chen Haoxuan sneered, and he spoke out again to Zhu Tian, "You stand up and give me a chance to flatten your little brothers one by one, and if any of them can still stand up, I'll let you lie in the hospital for a few months."

"This - this" Zhu Tian looked back at the little brother who was kneeling on the ground like him, these little brothers were all brothers who had followed him from birth to death, let him beat them, he really couldn't do it.

Chen Hao Xuan saw Zhu Tian still hesitated there, a he put the dagger on Zhu Tian's neck, coldly said: "I count one, two, three, you have not agreed, your world will come to the end."

As soon as Chen Haoxuan's words fell, Zhu Tian no longer hesitated, he stood up and said to Chen Haoxuan, "I promise." After he finished speaking, he turned to his younger brother, "Brothers, I'm sorry, I'll make it up to everyone after this."

"Ah ah ah, big brother, you lighten up, big brother, it hurts, big brother, you don't beat my butt" Zhu Tian was beating his little brother individually, while his little brother let out a scream, and a plea for mercy.

Chen HaoXuan heard Zhu Tian's little brother's plea for mercy was very speechless, not only he thought so, even Kong Manni and the others also thought so. When they heard the sound, it was as if they felt that Zhu Tian was gay with his little brother, but at the same time, they felt disgusted.

"God, Chen Haohuan is so manly." Leah looked at Chen Hao Xuan a few dozen meters away, enchanted. She felt that Chen Haoxuan was very manly, and she thought that if Chen Haoxuan was her man, then whoever dared to bully her in the future, Chen Haoxuan would be like this now, making the bullies kneel down and beat themselves up.

He Hao Ming was shocked by Leah's words, but Leah is his girlfriend! If her girlfriend fell in love with Chen Haoxuan, where would he put his face? He Haoming was busy telling Leah: "Leah, he is a devil, don't go near him in the future, or he will harm you."

Chapter 160

"The worse he is, the more I like him. It's best if he's more powerful than the devil and turns into a death god who makes his enemies dreadful." Leah looked at Chen Haoxuan obsessively.

Hearing Leah's words, He Haoming kept repeating two words in his heart: "It's over, it's over" He now hated Chen Haoxuan, the Zhou Kexin he had always liked had fallen in love with Chen Haoxuan, and now the Leah he liked had fallen in love with Chen Haoxuan, which made him want to cry without tears, he wanted to walk up to Chen Haoxuan, kneel down to Chen Haoxuan, and say, "Brother, you are kind, don't steal my girl anymore."

"Let's go!" He Haoming told Leah that he didn't want to stay in a place where he could see Chen Haoxuan any longer, and that he was now really afraid of Chen Haoxuan. Leah he has been chasing for more than a month and still hasn't caught up with him, but what about Chen Hao Xuan! Chen Hao Xuan doesn't give a damn about Leah, and Leah falls in love with him instead, so he has to leave, as far away from Chen Hao Xuan as possible.

"You go if you want to go, I'm not leaving anyway." Leah was determined, she had a hard time finding a manly guy, and she didn't want to let go of this opportunity easily. As for He Haoming, the guy who was nominally her boyfriend - she didn't like him at all, and if his dad hadn't forced her to be with him, she would never have been with someone as ungentlemanly as He Haoming.

"Leah, he's really not a good person. He steals chickens and dogs, extorts, kills and sets fires, and does everything evil. If you follow him, he'll sell you to be a lady" He Haoming kept trying to persuade Leah.

Leah gave He Haoming a blank look and snapped at him, "You think I'm a three-year-old! Would I believe you if you said that? Is he short on money? Need to do the grifting and extorting? He's a billionaire! How could he do anything that would give him a bad name when he had so much money to spend on himself? You say he killed people and set fire to them, but tell me, who did he kill? You say he has done nothing evil, and what do you say he has done that is unjust?"

"Isn't he doing it right now?" He Haoming pointed at Chen Haoxuan, who was not far away, and yelled at Leah. He was really angry, and if Leah wasn't the daughter of the president of the Mi Fei Teng Group, he would just slap Leah's face.

"He was just teaching the bad guys a lesson, he was doing a good deed." Leah defended Chen Haoxuan.

"Well, well, you like him, don't you? Then you go and get a room with him! Let's see if he gives a damn about you." Ho Ho Ming was so mad at Leah that his IQ was out of whack.

"Just go, huh." Leah squealed as she quickly walked towards Chen Haoxuan.

He Haoming watched Leah wiggle her plump hips towards Chen Haoming, he couldn't help but lash out and curse, "Dead b*tch, sooner or later you'll be f*cked to death by a man."

He Haoming left, not wanting to see the girl he liked fall into the arms of another man.

Chen Hao Xuan's side, he was positively expressionless monitoring Zhu Tian in flattening his own little brother, suddenly he felt someone running towards him, he turned his head to look, his eyebrows instantly wrinkled. He spoke out and coldly said to the visitor, "What are you doing here?".

"What did you say?" Leah, who came to Chen HaoXuan, asked Chen HaoXuan with a curious face that she couldn't understand what he had just said because he was speaking Mandarin.

Chen said to Kong Manni: "You tell her that I hate speaking English, and if he wants to talk to me, he should learn Mandarin."

Chen was Kong Manni's boss, and she had to listen to her boss's orders, she told Leah in English.

Leah listened to Manny Kong's words, and she said to Chen again, "I want you to be my boyfriend." Foreigners are notoriously open, and Miss Chiltern was no exception.

"You tell her that I already have a girlfriend, and let her die of that." Chen Haoxuan told Kong Manni.

Kong Manni asked curiously to Chen Haoxuan, "Don't you have a girlfriend?"

"My girlfriend is Yina Chen," Chen explained.

"Okay!" When Manny Kong heard that Chen had a girlfriend, her eyes suddenly lost their radiance.

Manny Kong translated Chen's words into English and told Leah, Leah didn't show any surprised expression after hearing it. Leah held her head high and said seriously to Chen Hao Xuan: "I don't suggest you have a girlfriend, but I need you to promise me that only I can marry you."

"Idiot (idiot)." Chen gave Leah a blank look and left after that. Chen was telling the truth, she really suspected Leah was an idiot, he had only known her for a few hours and she confessed to him and asked him to marry her, he was speechless, openness can't be open to this extent!

When they saw Chen Haoxuan leave, Kong Manni and the other two hurriedly followed, but Chen Haoxuan promised to invite them to dinner, if Chen Haoxuan ran away, then they would not have a free lunch.

"Hey, hey" Leah shouted loudly to Chen Hao Xuan, as if he didn't hear her, and continued to walk forward.

Leah stomped her foot petulantly and exhaled, "Angry at me, how dare you do this to me, hmmm, you're the bad guy."

As Chen Haoxuan walked away, Zhu Tian's little brothers helped each other up and fled in the opposite direction of Chen Haoxuan. By the way they really needed to thank Leah, if it wasn't for Leah's appearance, they might not have known how much they would have suffered.

Leah was so angry that she wanted to go back to her place, but she realized that she didn't know how to go back, and she didn't even know what her place was called, she only knew about Ho Ho Ming's company, she didn't want to go to Ho Ho Ming, she thought about it, she simply went to Chen Hao Xuan and asked him to send her back.

When Chen Haoxuan he brought Kong Manni and the others to the cafeteria inside the school, Chen Yina and the others were already there, and they also helped Chen Haoxuan fight a good rich meal. In order to spend more time with Chen HaoXuan, Zhou KeXin chose to please Chen Yina, so her relationship with Chen Yina is much better than before.

Chen Haoxuan let Kong Manni and the others sit down first, and he personally went to order food for them.

Leah, she asked people all the way to the cafeteria, and as soon as she entered the cafeteria - there were a lot of exclamations in the cafeteria, which were emitted by those in the school ** who couldn't help themselves. Leah wasn't the least bit scared, probably just used to it!

The cafeteria was so large and crowded that finding one person was like looking for a needle in a haystack, and in her anger she simply shouted out Chen's name.
