

A Reincarnation Chapter 21-30

Chapter 21

Hearing Hua Lingwei's question, the resentment in Zhou Kexin's heart disappeared without a trace, she squatted on the ground once again and lowered her head, without looking at her expression she should be able to guess how red her little face was. Zhou Kexin shyly said, "I don't know."

"Ah-, you've been kissing him for so long, how could you not know? I guess you don't want to tell me, huh? Coccin, you know I grew up with you, but there's no difference between mine and yours, except for that dream skin cream I didn't share with you, and even that dream skin cream I didn't give you to use later. I can't imagine that my best friend who I've been playing with since childhood is such a person, hmmm." Hua Lingwei was a person with a strange mind, and her talent for scheming only lay in teasing people, so what she had just said was simply a calculation against Zhou Kexin.

As expected, Zhou Ke Xin felt embarrassed herself after hearing what Hua Ling Wei had said. Zhou Ke Xin stood up and walked to Hua Ling Wei, pulling Hua Ling Wei's hands and pleading, "Wei Wei, I'm sorry! I didn't mean to, I really don't know how to tell you how I felt when I kissed Chen Haohuan."

"If you don't know how to say it, just say it slowly, I'm not in a hurry anyway." Hua Lingwei was happy, she knew that Zhou Kexin was already willing to share the secrets of her heart with her.

"Actually, that feeling is very strange, it feels very sweet and happy in my heart, and I want time to stay at that moment." Zhou Kocin described.

"Did he put his tongue in your mouth then?" Hua Lingwei asked seriously.

Zhou Kexin shook her head and said, "No ah!"

"And did you put your tongue in his mouth?" Wallingway asked again.

"And no, do you have to stick your tongue in the other person's mouth to be kissing? And what if they bite my tongue?" Zhou Kexin asked a very idiotic question, there is no way that there are pros and cons, she was born in a rich family, she grew up with the rich, her friends are rich children, her relatives are rich people, even if she wanted to find a child from a poor family to be her friend, his family would not agree, so this social experience she hasn't had as much as ordinary people.

"Ah-, Kexin, I now know that you are so simple, you don't even know how to kiss." Hua Lingwei smiled.

"Then have you ever kissed? Hmph, and you're still talking about me." Zhou Kexin pouted her little mouth, dissatisfied.

Hua Lingwei took Zhou Kexin's hand and said with a smile, "Alright Kexin don't be angry, what I mean is that on TV those male and female protagonists kissing all stick their tongues into each other's mouths, that's why I asked like this, don't be angry ha."

"Weiwei, do you think I'm not very unpleasant, look I've taken the initiative to kiss him so much and he's stunned without any reaction." Zhou Kexin was sad.

"If you were a very unpleasant person, would you have so many suitors? Chen Haoxuan has no reaction to you, that's because he's not in love with you, so you should understand. It's me instead, I'm not much worse looking than you, but I'm so stunned that no boy dares to pursue me, alas-, none of the boys nowadays look like men." Hua Lingwei was depressed.

Zhou Kexin covered her small mouth, hehe laughing: "Who made you so fond of catching people, just that former that Li Ming chased you not two days, and then the others almost went into the psychiatric hospital, in the end it was your father personally came to the door to apologize only to level this matter, after that those are also more or less the same, were all scared of you, I think if I was a boy-. -I'm not afraid to chase you either, after all, life is more important than anything else."

"Oooh, am I that bad?" Hua Lingwei was pitiful.

Zhou Kexin and Hua Lingwei were in a much better mood after being two outside for a long time, so she took Hua Lingwei's small hand and went inside the villa again. As soon as she entered, she began to look for Chen Haohuan, although she still quite hated Chen Haohuan, when she had to admit that she cared for Chen Haohuan a lot, probably because how much she hated - how much she loved!

Zhou Kexin didn't find Chen Haoxuan, so she called out to an attendant and asked the waiter, "Did you see the man I just brought in?"

"Oh, you mean your boyfriend! He's right there!" That waiter, pointed to a corner.

Zhou Kexin felt strange, she didn't see Chen Haoxuan ah in the corner! I only saw a group of teenage girls chatting hip-hop there, could it be - could it be that Chen Hao Xuan was hiding inside that group of girls?

Zhou Kexin pulled Hua Lingwei to the corner that the waiter had just pointed to, and as she approached, she heard a petite girl shout: "Honey, you eat this grape, it's very sweet, come I'll feed you."

"Hubby, I'll help you massage ha!" Another young girl's voice.

Zhou Kexin squeezed into the crowd and saw that these girls were surrounded by Chen Haoxuan and all of them were serving Chen Haoxuan like maids, which made her anger burn again and she shouted, "Chen Haoxuan, what are you doing?"

Hearing the voice, Chen looked up and found that it was Zhou Kexin. "I'm not doing anything! I'm just chatting with these cute and pretty little beautiful~brows." Chen Hao Xuan smiled.

"Chen Haoxuan, I hate you to death." Zhou Kexin turned her head and walked away after saying that, she was really angry, her heart was sore, yes she was jealous, Chen Haoxuan was so nice to these girls but treated her like a stranger, could her heart feel better?

"Ke Xin, come over here and say hello to these uncles of yours." Zhou Xiang waved to his daughter.

Zhou Kexin walked over nicely and greeted each of her dad's best friends, "Hello Uncle Li, Hello Uncle Zhou, Hello Uncle Huang, Hello Uncle Hua"

"Kexin ah! Didn't you bring your boyfriend? Where's your boyfriend? Why don't you bring it over for us to see?" Li Jun smiled kindly, he was the one who developed the industrial zone, all of his industrial zones were used to rent out to other manufacturers, and because there were so many industrial zones, he made more money just by collecting rental fees than starting a company.

"He's not my boyfriend, I just lied to those people." Zhou Kexin exhaled, she got angry at the mention of Chen Haoxuan.

"Then aren't you a loss, you even sent out your own kisses, huh" Li Jun laughed.

Hua Tianyu was very happy when he heard Zhou Kexin's words, he said excitedly, "Kexin, do you not like him?"

"He's not my boyfriend, why should I like him, besides, he's the kind of person to give it to me - I don't want it either, hmm." Zhou Kexin exhaled.

"That's great, I thought you liked him! It's easy if you don't like it." Hua Tianyu was pleased.

"What I don't like him, and it's easy for Uncle Walt?" Zhou Kexin was torn between the questions.

"If you don't like him, I can let my daughter Vivian go after him!" Hua Tian Yu is astonishing, and he actually lets his own daughter go after Chen Haoxuan.

Chapter 22

"Wah, what are you doing? That Chan Ho Hin is my daughter's boyfriend, how can you let your daughter steal my daughter's boyfriend? Aren't you making the two of them invincible to each other?" Zhou Xiang frowned, he had just learned about Chen Haoxuan's talent from Hua Tianyu, he was now very satisfied with Chen Haoxuan, even if Chen Haoxuan's family was poor, he was still willing to marry his daughter to him. Now his best friend's daughter wanted to steal his future son-in-law, could he not be anxious?

"Cho, that's where you're wrong, didn't you just listen to Coco? Chen Hao Xuan is not her boyfriend, he let Chen Hao Xuan pretend to be her boyfriend in order to escape those suitors. And Kexin has also said that she doesn't like Chen Hao Xuan, so it's not a robbery, and me letting my Weiwei go after Chen Hao Xuan won't affect their friendship." Hua Tianyu explained.

Zhou Xiang was anxious, he anxiously said to his daughter, "Ke Xin, are you having a problem with Chen Hao Xuan? If it is, forget it, you two can understand each other!"

Zhou Kexin heard Hua Tianyu's words and felt even worse, she was really confused today, she exhaled, "He's not my boyfriend, even if I wanted to find one, I wouldn't find one like him, he's the worst boy I've ever seen."

Hua Tianyu was very conscienceless and patted Zhou Xiang's shoulder, smiling and laughing, "Old Zhou ah! It's okay if Kosin doesn't like it. Don't be mad at her, young man! That's the way it is!"

Hua Lingwei, who had been beside her, spoke out, pulling her dad's hand, shaking it around, and in a petulant voice, she said, "Dad, you didn't even discuss it with people and let them go after Chen Haoxuan, don't you think that's very disrespectful?"

Hua Tian Yu turned his head to his daughter, "Don't you like Chen Hao Xuan?"

"Not really! I'm quite impressed with him, but I don't know him very well yet, aren't you afraid that he's a human being?" Hua Lingwei's fatherly voice.

"You're right, then you'll spend more time with him, and if he doesn't have any bad habits, you'll have to chase him down, okay?" Watanabe was serious about his daughter.

"Got it, Dad." Hua Lingwei was actually still very happy, Chen Haoxuan was a boy full of mystery in her eyes, and she wanted to get to know all about him.

While playing around with a group of young girls, Chen Haoxuan was still unaware that someone was plotting against him.

At that moment, a man wearing a suit and holding a microphone came out, he spoke loudly through the microphone, "Dear ladies and gentlemen, welcome to the hotel villa. Today is a party hosted by Mr. Zhou, the founder of our city of Xinshan, Mr. Zhou has organized this party in order for you all to be able to do business. Now if you want to dance, please come to the middle of the living room"

Very point already waiting for a long time men began to invite their favorite ladies, looking at the pair of people dancing in the living room, Zhou Kexin was very envious, she could not help but look over at Chen Haohuan. She was secretly expecting Chen Hao Xuan to come over and invite her to dance, but unfortunately Chen Hao Xuan didn't know her heart.

If Zhou Kexin wasn't mad at Chen Haoxuan, Chen Haoxuan would definitely come over and invite her to dance, but now that Chen Haoxuan wouldn't go, he was afraid that Zhou Kexin wouldn't give him a good look again.

"Honey, you go with someone to dance!" A young girl sitting next to Chen Haoxuan, fatherly voice to Chen Haoxuan.

"I'm not full yet, you can find someone else if you want!" Chen Hao Xuan refused, the things here are all high-grade goods, even if you have money outside you may not be able to buy them, it's hard to come here, of course Chen Hao Xuan wants to cherish it, if it can be packed out, Chen Hao Xuan would like to pack some to bring back to Chen Yina to eat!

"You're the only one in her heart! Why don't you dance with her? Hubby, you don't want to dance with her, so why don't you dance with me" One by one, the young girls around Chen Haoxuan wanted to dance with Chen Haoxuan, none of them knew what kind of person he was, but it didn't matter to them, all that mattered was that Chen Haoxuan was handsome enough.

Hua Tianyu pushed his daughter and then quietly pointed at Chen Hao Xuan, indicating that her daughter should go and invite Chen Hao Xuan to dance.

Hua Lingwei whispered to her dad, "Dad, I understand what you mean, but I don't know how to dance! I'll be sure to embarrass you at the dance!"

"It's better if you can't dance, you'll go and get Chen Haohuan to teach you." Hua Tianyu smiled.

Hua Lingwei thought about it and thought that her dad had a good idea, so she walked slowly towards Chen Hao Xuan, she didn't know that there was someone behind her who was frowning at her. Needless to say, this person was of course Zhou Kexin!

Hua Lingwei walked up to Chen Haohuan and smiled at him, "Chen Haohuan, I want to go dancing, but I don't know how to dance, can you teach me?"

Chen Hao Xuan smiled helplessly, "Actually, I can't dance either." Dancing, actually Chen Haoxuan could, but what he could do was from the future century, like those old-fashioned dances of the 21st century, he had never learned them, he felt too unattached to his identity.

Those girls next to Chen Haoxuan were very happy when they heard Chen Haoxuan's words, wouldn't it be better if Chen Haoxuan didn't know how to dance? Excuses, I'll teach you how to dance. "Honey, I can dance, I'll teach you!"

"Honey, you're not getting on with her, are you, Chen Haohuan?" Hua Lingwei questioned to Chen Haohuan.

"She wanted to shout it herself, what can I do. You want to dance, don't you! Let's go, I'll dance with you." Chen Hao Xuan said standing up, pulling Hua Ling Wei's hand and walking to the living room. Chen Hao Xuan was now also a bit annoyed with those young girls that surrounded him, who were overly enthusiastic about him.

Hua Lingwei was being held by Chen Haoxuan, which made her heart pounding non-stop, there were very few people who had held her hand, and even fewer males, she felt a very safe and happy feeling being held by Chen Haoxuan.

Coming to the living room, Chen Hao Xuan held Hua Ling Wei's small hand in one hand and hugged Hua Ling Wei's small waist with the other, Hua Ling Wei was the same, they all did the same position as the others. "Let's shake it slowly just like them!" Chan smiled.

"Uh-oh." Hua Lingwei nodded her head.

The two of them just slowly shifted around in the corner, their dancing was so bad that no one was even paying attention to them. But except for one, she was Zhou Kexin, and Zhou Kexin's little mouth was still pouting to this day.

"Can I ask you for a dance, Coccin?" He Haoming was a gentleman and walked up to Zhou Kexin, smiling.

Zhou Kexin thought about it and agreed to dance with Chen Haoxuan and Hua Lingwei to anger her, she would dance with He Haoming and in turn anger him.

He Haoming was so happy to see Zhou Kexin agree to dance with him that he almost wanted to kiss Zhou Kexin, but fortunately he held back, otherwise it would all be for nothing.

What Zhou Kexin didn't expect was that as soon as she and He Haoming went to the dance, Chen Haoxuan and Hua Lingwei left. This was good, she had wanted to take He Haoming to be angry with Chen Haoming, but now that Chen Haoming was gone, there was no need for her to dance with He Haoming anymore, so how could she get rid of He Haoming? Zhou Koxin was beginning to get tangled up.

"It's too boring to dance like this, might as well sit down and enjoy the food." Chen Haoxuan took Hua Lingwei's small hand.

"I feel the same, it's not fun at all to shake it off." Hua Lingwei echoed.

Chen Haoxuan and Hua Lingwei both looked for an empty room, then called the waiter up and had the waiter bring many delicious delicacies into the room. "Here, to the delicious delicacies, cheers." Chen Haoxuan raised his tall glass to Hua Lingwei.

With a clang, the two glasses collided together, making a pleasant sound. "Cheers." Hua Lingwei was happy, she didn't expect that Chen Haoxuan's hobbies were similar to hers, which made her feel more and more good about Chen Haoxuan.

The two of them arrived well, able to enjoy the world for two, Zhou Kexin's side wasn't ideal, she had just found an excuse to leave and was accidentally caught by He Haoming again, and now she kept pestering her, unable to shake it off even if she wanted to.

"Chen Haoxuan, will she be unhappy that Kexin spent so much money to ask you to accompany him to the party, and now you're hiding here with me to enjoy the food?" Hua Lingwei asked worriedly.

"Whatever! Anyway, the purpose of her inviting me here is to escape those suitors of hers, and I've already helped him settle those suitors and accompanied her to the party, so I'm kind of free now. You saw it just now, she even kissed me forcibly, and didn't even pay me, she's still mad at me even though I've suffered a loss, what kind of thing is this!" Chen Haoxuan was unhappy.

Hua Lingwei covered her small mouth and laughed, "You ah! I don't know what to say to you. You should feel proud and satisfied when a girl kisses you! How can you let someone else pay to kiss you! This is a question about a girl's self-esteem. Besides, Ke Xin is the daughter of a wealthy family and the flower of our school, and with her status and price, isn't it humiliating for you to ask her for kissing money? Can she not be angry? I'd be mad too if I were."

"Said so, but she didn't say anything about a kiss when she invited me over. You know what? What she took away today was my first kiss yeah, my first kiss is worth 10,000 RMB anyway, right?" Chen Hao Xuan frowned, Chen Hao Xuan himself was also horny, but he only lusted after women he liked, like Zhou Kexin, who only wanted to use him, he didn't even want to strip naked.

"I secretly tell you, Coccin's is also the first kiss, so to speak! You both aren't losing out, first kiss for first kiss." Hua Lingwei smiled.

"Why no loss, I don't like her, why should I give her my first kiss, look at the count to give - I'd rather give it to you than to a stingy little woman like her." Chen Hao Xuan muttered.

The speaker had no intention of listening, Hua Lingwei blushed shyly, and she suspected that Chen Haoxuan was hinting at her, trying to tell her that what he liked was not Zhou Kexin, but her Hua Lingwei.

"Can I call you Weiwei?" Chen Haoxuan suddenly asked Hua Lingwei, she felt that she should set up a relationship with these rich kids, it should help him in the future.

"Dang - dang can." Hua Lingwei shyly responded.

"Weiwei, I'm doing a small business and would like to meet some people who do small business, can you help me introduce some of them? The big business ones won't be necessary, I don't have the ability to work with someone who does big business yet." Chen Haoxuan was serious.

"There are yah! There's plenty of them downstairs, I know them all, so why don't I go get a few up here now and introduce them to you." Hua Lingwei was cheerful.

"Then it's troublesome for you." Chen Haoxuan was happy.

Hua Lingwei's efficiency in doing things could not be said, and when she came back again, she was followed by five or six people, both boys and girls, and their ages were all around twenty-five. "Let me introduce you guys, this is Chen Haoxuan, he is a student for now, my dad predicted that he will be a billionaire business genius in the future, he is not for now, so you better suck up to him now, otherwise when he becomes a billionaire, he won't be so easy to suck up to." Hua Lingwei used a very humorous way to introduce Chen Haoxuan.

"Weiwei is joking la! If I was really that powerful, I wouldn't be as down and out as I am now." Chen Haoxuan smiled modestly.

"You can't say that, you know that CEO Hua (Hua Tianyu) is a very successful businessman, and the fact that he assessed you so highly proves that you're good at it. By the way, I forgot to introduce myself, my name is Zhang Tianqi, I'm in the mobile phone business." Zhang Tianqi smiled at Chen Haoxuan.

"My name is Jiang Xiang Han, I sell clothes." A mature beauty introduced herself.

"I'm"

He shook hands with each of them, then Chen Haohuan talked to them about doing business. Hua Tianyu didn't know where he heard that Chen Hao Xuan was talking business with someone else, he also

ran to the room where Chen Hao Xuan was, it was also fortunate that the room in this hotel villa was about the same size as an ordinary living room, otherwise it wouldn't be crowded to death.

Hua Tianyu is rich and generous, saying that Chen Hao Xuan does not have to do those small business, give him as a consultant, one million a month salary, but also get one percent of the shares of the Hua Group as a benefit. This is not an ordinary low treatment, but Chen Haoxuan is a person, he has not seen any world, Hua Tianyu as his subordinate is more or less the same, even let him Hall of Chief Professor as a subordinate, this is simply a big talent, Chen Haoxuan very direct refusal.

Hua Tianyu still won't give up, he thought that Chen Haoxuan is too low salary, so he added another one million monthly salary, but Chen Haoxuan still refused. Chen Hao Xuan is worried that Hua Tianyu is angry, so he explains that he doesn't like to work for others, he likes to be his own boss.

Hua Tian Yu seems to be very optimistic about Chen Hao Xuan, and instead of getting angry, he listens to Chen Hao Xuan's words and says that he will support Chen Hao Xuan for one million RMB to do business with Chen Hao Xuan, on the condition that he will take care of the Hua Group more when Chen Hao Xuan becomes rich.

Hua Tianyu was a multi-millionaire and his total assets were in the hundreds of millions, so his high opinion of Chen Haoxuan was enough to prove his value, so other people also started to ask Chen Haoxuan if there was anything they needed to help.

Chen Hao Xuan he didn't like to owe favors to others, he believed that favors were the hardest thing to return, so he would never ask for favors until he had to. Chen Hao Xuan decided that he was going to open an online shop, and for the time being, he would take some mobile phones to sell at Zhang Tianqi's place, and some girls' clothes to sell at Jiang Xiang Han's place, and as for the rest, he would look at them first.

Chapter 24

This night, Chen Hao Xuan went back very late, he was very sensational before he left, because he left with two bags of things, one bag was wine and drinks, the other bag was all kinds of food, Chen Hao Xuan was trying to take back to give Chen Yina a taste. The people who come here have at least a few million RMB, and people like them won't pack them up to eat, it's a matter of face. That's why they were so surprised when they saw Chen HaoXuan carrying two bags of goods back, and they all put Chen HaoXuan in the category of stingy.

When he arrived, he was driving Zhou Kexin's car, which had just made Zhou Kexin angry during the party, so Chen had no choice but to take the bus back.

When Chen Hao Xuan returned to his residence, he found Chen Yina was lying on the table, her eyes were dull, not knowing what she was thinking.

"Nana, I'm back." Chen Hao Xuan shouted out.

Hearing the familiar voice, Chen Yina happily stood up and sweetly shouted, "Brother Xuan, what the hell are you doing! Coming back so late, you don't know that I was worried about you."

Chen Haoxuan placed the two bags he was carrying on the table, reached out and touched Chen Yina's head, smiling, "Didn't I leave a small note on the table? You didn't miss it, did you?"

"I see, but Brother Xuan, don't come back so late in the future, I'll be worried." Chen Yina advised with concern, she could hear that there was a group of thugs around here who often came out at night to rob.

"Alright! I know, I won't be back so late again. By the way, look what I brought back for you, fist-sized lobster, roast duck made to imitate Peking duck, crystal phoenix claws" Chen Hao Xuan took out everything he brought back.

"Wha-, Brother Xuan, did you buy all this? I've heard these things are very expensive yeah, it's too much money for you to buy that much, isn't it?" Chen Yina looked happy and distraught, saying.

"Hehe, don't worry! All of this didn't cost a penny, it was all a gift. Since the party I went to where all the spending was fully covered by the founder of the Zhou Clan, I took these back for free." Chen Haoxuan chuckled.

"Then what about all the food I made?" Chen Yina pointed at the dishes on the table that were already cold, which were waiting for Chen Haohuan.

"You eat what I brought back and I'll eat what you made, okay, that's it." Chen Hao Xuan, seeing that the dishes on the table hadn't moved at all, he knew that Chen Yina hadn't eaten until now in order to wait for him. He couldn't bear to disappoint Chen Yina's good intentions, so even if it was cold, he still had to eat.

How could Chen Yina be willing to let Chen Hao Xuan eat something cold, she put what she cooked into the kitchen, planning to heat it up for breakfast tomorrow morning, the life of a poor person is so hard, eating leftovers is very common.

Chen Hao Xuan is too full today, so he eats and tells Chen Yina what happened today, and when Chen Yina hears Chen Hao Xuan say that he wants to do business, she is very happy.

Chen Yina also tells Chen Hao Xuan what happened today, Huang Mei Lin and the others have been moping tonight, the reason is that they can't see Chen Hao Xuan.

The next day, in the morning, Chen Hao Xuan did not go to school with Chen Yina again, because he used to go to get goods, he ordered twenty mobile phones from Zhang Tianqi last night, there are hundreds of dollars of cheap goods, and thousands of dollars of high quality goods. In addition, Chen Hao Xuan also ordered more than thirty sets of clothes for girls at Jiang Xiang Han's, all of which were beautiful and cute, or chosen by Chen Hao Xuan himself.

The first thing you need to do is to take a look at the newest models, which are available in the marketplace. After buying the laptop Chen Haoxuan took a bus to the mobile phone city opened by Zhang Tianqi, and when he arrived at the mobile phone city, Chen Haoxuan saw Zhang Tianqi waiting for him at the gate.

"Tianqi, you're not waiting for me, are you?" Chan joked.

"Of course." Zhang Tianqi smiled.

"Come, come, let's go inside and have a cup of tea before we talk slowly." Zhang Tianqi was polite.

"Not if we have tea, I need to go to Xiang's place later." Chen Hao Xuan smiled.

"Alright then, wait a moment, I'll go get the phone you want." Zhang Tianqi said turning around to enter the mobile phone city he opened, and when he came out, he was holding a large box in his hand.

When Chen Hao Xuan took it, he handed over the 30,000 yuan in cash he had already prepared to Zhang Tianqi, but he didn't expect Zhang Tianqi to refuse to accept it, saying that he would let Chen Hao Xuan sell all of these phones and then give him the money, and if he couldn't sell it, he would return it to him. Zhang Tianqi was all because of Hua Tian Yu's evaluation of Chen Hao Xuan, and he was gambling just as much as Hua Tian Yu and the others that they would be taken care of by Chen Hao Xuan after he succeeded.

Although this was Zhang Tianqi's good intention, Chen Haoxuan didn't agree to it and he still forced the money to Zhang Tianqi. Zhang Tianqi couldn't resist Chen Hao Xuan's persistence, so she accepted it.

After that, Zhang Tianqi drove Chen HaoXuan to Jiang XiangHan's clothing store, where her clothes are all brand-name goods. The thirty sets that Chen Hao Xuan wants, are general brand-name goods, thirty sets, Jiang Xiang Han only charge Chen Hao Xuan 20,000 yuan, this is the wholesale price.

The phones were taken, the clothes were taken, so Chen Haohuan asked Zhang Tianqi to drive him back, Chen Haohuan put a few of the better looking phones inside his bag and prepared to go back to school. On the way to school, Chen Hao Xuan bought a used bicycle, ninety percent new, only two hundred dollars, Chen Hao Xuan welcomed that this was stolen by others to sell, otherwise how come it was so cheap.

After riding his bike to school and putting it away, Chen Hao Xuan returned to his classroom, sat next to Chen Yina, and turned on his computer to start his business career.

Chen Hao Xuan already had a QQ number, and he used his QQ space to create a beautiful exhibition of his products, and then he began to advertise online to the students of Xinshan City University. The thing that Chen didn't expect was that his advertisement would make the students' network lively, and everyone was asking him about him and Zhou Kexin, why he opened an online shop and so on.

The customer is God! In order to gain the goodwill of others, Chen HaoXuan is always answering questions. It may be that Chen HaoXuan is already a celebrity, soon attracted many students to light look at his Qzone, but most of them are girls, less boys.

The phone that Chen Hao Xuan took are wholesale prices, he is now selling a lot lower than the outside price, for example, outside sell a thousand, he will sell eight hundred, outside sell two thousand, he will sell about one thousand seventeen The reason why so many people do mobile phone stores is because they can make a lot of money if they can sell them.

Chapter 25

In the morning, Chen Hao Xuan only sold one mobile phone and poured out quite a few clothes, leaving Chen Hao Xuan speechless that the ones who bought things from him were all girls and none of the boys. He also knows why those girls buy his stuff, isn't it just because he is handsome? In the back of his mind, he said, "Does everyone think I'm a little white guy?"

Chen Hao Xuan does business like this, after negotiating the price, you have time he will immediately send you the things you purchased. In order to make his customers more satisfied, Chen Hao Xuan bought some random wrapping paper and ribbons when he went back to get the goods. When he returned to his residence, Chen Hao Xuan wrapped up all the clothes and mobile phones that others had already ordered in wrapping paper, and each item was wrapped so beautifully by Chen Hao Xuan that just by looking at the exterior, others must have thought it was something valuable.

After getting it done, Chen Hao Xuan used his bicycle to carry it back to the University of Xinshan City, at the entrance of the University of Xinshan City, Chen Hao Xuan stopped his bicycle, he took out a few packs of cigarettes and handed them to the security guard at the entrance, and after the security guard's approval, he temporarily consigned the goods in the security room at the entrance of the University of Xinshan City.

Chen Hao Xuan began to give each item to those buyers personally: "Hello, you are Chen, right? You look better in person than in your pictures, and this is the dress you asked for, five hundred and thirty dollars total, thank you. Also this little thing is a freebie, it's cute and I love it, you can see I have him on my wrist too."

"Thank you, I really like what you gave me." The girl who received the merchandise was happy, she saw the beads on Chen Hao Xuan's wrist, and the one Chen Hao Xuan gave her was exactly the same as Chen Hao Xuan's own, which made her very happy, as if she suddenly realized that she and Chen Hao Xuan had something in common.

Every customer, Chen HaoXuan will send a small gift to them, don't underestimate this small gift, his power is not small, because customers will think of your shop when they see this small gift, and the small gift Chen HaoXuan sent is a very simple but very elegant thing, is a white jade bead with a black string tied, if the customer brought in the hand, her friends may see it and ask where it is from, and then the customer will answer, another person will know Chen HaoXuan's shop.

Chen Hao Xuan is very efficient and delivers the goods to each customer in an hour.

When Chen HaoXuan returned to the classroom, he opened his laptop and found that the business came again, and the person wanted Chen HaoXuan's top mobile phone as soon as he could. Chen Hao Xuan felt that he took business and delivery, it is very troublesome, so he thought of a good idea, let Chen Yina help him take business, let responsible for delivery, earn money 50/50.

When Chen Yina heard that Chen Hao Xuan proposed to do business with her, she refused without even thinking, because she didn't invest anything to get fifty percent of the profit, she felt that it was too unfair to Chen Hao Xuan, if she was asked to invest tens of thousands of dollars and get fifty percent of the profit that would be more or less the same.

Chen Haoxuan was deliberately letting Chen Yina take advantage of him this way, he had lived with Chen Yina for so long that he had already treated Chen Yina as his own sister, and in his eyes, there was no difference between his money and Chen Yina's money anymore.

In order to get Chen Yina to agree, Chen Haoxuan had to put some pressure on Chen Yina, making Chen Yina fully responsible for receiving the business and negotiating the price, in addition to an important task, which was to develop the market and open the online store to the outside.

In Chen Hao Xuan's fiddling, Chen Yina finally agreed, so Chen Hao Xuan began to run errands in life, every day in the school around, which makes Xinshan City University students basically every day to see Chen Hao Xuan's figure. Other people come to the university to study, but Chen Hao Xuan is good, he comes to the university to make money.

There were tens of thousands of people in the university, and if he could turn them all into customers, it would be easy for Chen to become a millionaire, because most of them were from rich families.

In this day, Chen Hao Xuan sold twenty sets of clothes and five mobile phones, earning over six thousand yuan. An ecstatic Chen Yina, after school, celebrated her first day with a bang, so she sold two pounds of pig's feet, one pound of pork, a chicken, and various vegetables to prepare a big meal for the evening.

Before eating, Chen Hao Xuan used online banking to transfer fifty percent of today's profit to Chen Yina's bank card. Seeing that much money Chen Yina was very happy because if the daily business was that good, she wouldn't have to worry about her brother's tuition, her dad's medical expenses, her own tuition, and her family's living expenses.

After they ate, they went to Huang Weicheng's house together, they had some money now, but they didn't want to lose this tutoring job yet, they had nothing to do at night anyway, so there was no harm in making more money.

When Chen HaoXuan taught Huang MeiLin and the others how to play the piano, he never hid it, and taught them everything he knew. Chen Hao Xuan is interested in training them, and also wants to change the view of music in this era.

As each day passed uneventfully, Chen Hao Xuan and Chen Yina's life became better and better, with smiles on their faces every day. But Chen Hao Xuan and the others were in a good mood, but the

weather was in a bad mood, the rain was getting heavier and heavier these days, gradually turning into a storm.

Xinshan City University had to suspend classes and give students a week off for their safety. As for going to Huang Weicheng's house as a tutor, Chen Haoxuan still insisted on going, but he wouldn't let Chen Yina go, as he was worried about her safety, so he insisted that Chen Yina stay at home.

It was raining so hard and blowing so hard that the Huangs were touched by the fact that Chen Haohuan had come to teach their children.

On the 10th of April, the weather was a little better because it wasn't raining for the time being, but the wind was blowing harder than ever, and the weather forecast that Chen Hao Xuan looked at on the computer yesterday said that there would be a force 7 wind today. The plants and trees on both sides of the road were constantly shaking or bending over, and Chen Hao Xuan felt difficulty walking on the road, the resistance of the grade seven wind was too great.

In this kind of weather, the general people do not dare to drive, because of the fear of driving when the sky will fall hard objects, hit the car is fine, the most afraid is to harm the driver did not come to the emergency brake car accident. The first thing you need to do is to take a look at the newest models of the newest models, the newest ones.

On the way to Huang Weicheng's house, Chen HaoXuan will pass by a wide river, the river is similar to the sea, because the river is relatively flat, there are no tall buildings or mountains to block the wind, so as long as there is a strong wind, the river will be like the sea will be Lang.

Chapter 26

Today many people went to the Hai River (the river that Chen Haohuan was going to pass through on his way to Huang Weicheng's house) to see the spectacular sight of the river water lapping against the shore.

They are like little kids at the shore, staying at the guardrail of the river. Whenever the river rushes in, they scatter in a huddle, sometimes directly using umbrellas to cover up the water that is pounding high up on the shore.

It's not that they don't want to, it's just that it's too dangerous, and if they get blown into the river or swept away by the sea, it's all over.

While playing, Zhou Kexin accidentally twisted her foot: "Ouch, Weiwei, I twisted my foot." Zhou Kexin couldn't stand the pain, so she squatted down.

Zhou Kexin was unaware that death was beckoning him, a strong wind came and blew the river high, a loud bang, the river water lapped against the shore, when the river receded, Zhou Kexin was gone.

Hua Lingwei had wanted to help Zhou Kexin, but she hadn't come in a hurry to help Zhou Kexin, Zhou Kexin was swept away by the river, she witnessed it all with her own eyes, she panicked, a piercing scream came from Hua Lingwei's mouth "Ah-."

"Weiwei-weiwei, what happened to you?" A girl who came with Hua Lingwei and the others nervously asked Hua Lingwei, except for Hua Lingwei, everyone else still didn't know that Zhou Kexin had been swept away by the river.

"Ke-Keixin was swept away by the river, woooooo, you guys go save her! Sooo, Coccin" A panicked Hua Lingwei cried, she was now really anxious and scared, worried that something would happen to Zhou Ke Xin.

"Help! Someone's fallen into the river. Help! Help" Some of the people who came with Hua Lingwei and the others were calling the police, some were informing Zhou Kexin's family, and some were constantly shouting for help.

With such a strong wind and such a swift river, who would dare to go?

"Help - help" Suddenly in the river, Zhou Kexin's cries for help were heard, but soon the sound disappeared, and Zhou Kexin's figure could not be seen in the river.

"Help, Vivienne, save your life" Zhou Kexin who had just been washed up by the river water hadn't finished speaking before being mercilessly drowned by the river again.

"Kexin, Kexin" Hua Lingwei can no longer resist running to the river, ready to jump into the river to save Zhou Kexin, she is anxiously confused, she can not swim, going down would not be a dead end. But fortunately, her friend held her back, otherwise Hua Lingwei could have been in distress.

The people who came with Hua Lingwei and the others started to ask for help from the people on the shore, but no one dared to go down to the river to save them, in fact, there are still many people who want to save them, after all, the victim and her friends are both beautiful and rich, but when they saw the Lang flowers blowing in the river, they couldn't help but shake their heads and silently pray for the victim.

Hua Lingwei also began to beg everywhere: "This gentleman, please, please save my friend, okay, please oooooo" Hua Lingwei cried and pulled a middle-aged man, saying.

"Miss, it's not that I don't want to save, but the river is too fast and the wind is too strong, if I go down to save someone, I might be drowned myself first before anyone can be saved. So Miss is very sorry, I can't take the risk, I'm really sorry." The middle-aged man shook his head guiltily.

Suddenly Hua Lingwei saw a familiar figure, Hua Lingwei saw this person's figure like seeing the dawn, she quickly ran to that familiar figure, her mouth shouted: "Chen Haoxuan, Chen Haoxuan, quickly save Ke Xin, Ke Xin was caught in the river, quickly save her, woo" "

Hearing Hua Lingwei's weeping voice, Chen turned his head to see Hua Lingwei with tears all over her face, Chen Haoxuan questioned, "Weiwei, what's wrong with you?"

Hua Lingwei ran beside Chen Haoxuan, she hurriedly pulled Chen Haoxuan's hand towards the river as she explained, "Kexin has just been accidentally swept away by the river, you must save her, woooooo"

When Chen Hao Xuan heard this, he overtook Hua Ling Wei in a flash and ran towards the river, the matter of human life was too important to allow him to take his time to consider. "Where is the person? Where is she now?" Chen Hao Xuan asked anxiously, undressing as he did so.

Hua Lingwei pointed to the river and said to Chen Hao Xuan, "Just that little piece of wood there, just now I saw Kexin right there, but - but now, woooooo"

"Don't worry, she'll be fine." Chen Haoxuan comforted Hua Lingwei and jumped off the railing, and with a thud, Chen Haoxuan fell into the water.

Chen Hao Xuan quickly swam to the location that Hua Lingwei had just pointed out, and after looking around and seeing no sign of Zhou Kexin, he dove headfirst into the water.

He was not able to find Zhou Kexin, he came up for air. Hundreds of pairs of eyes were staring at the river from the shoreline, all of them secretly praying for Chen Haoxuan and Zhou Kexin.

It was also fortunate that the water in the river wasn't very murky, so Chen Haoxuan could see things one or two meters away from the bottom of the river, suddenly Chen Haoxuan saw a white object at the bottom of the river, Chen Haoxuan's first thought was Zhou Kexin. Chen Haoxuan quickly swam over and found that it really was Zhou Kexin.

At the moment, Zhou Kexin was in a coma, and if she didn't breathe, she might leave this world forever. When Chen Hao Xuan jumped down to save Zhou Kexin, one probably knew that Zhou Kexin had already sunk to the bottom of the river for some time, for the sake of Zhou Kexin's life, Chen Hao Xuan kissed Zhou Kexin's mouth.

To clarify ha! Chen HaoXuan is not taking advantage of Zhou KeXin, he is saving people, he sends the little oxygen in his body to Zhou KeXin through his mouth. Zhou Kexin actually inhaled the oxygen Chen Haoxuan gave her, probably because of his survival instinct.

Chen Hao Xuan gave the little remaining oxygen to Zhou Ke Xin, which made him now severely deprived of oxygen, he was now ten meters away from the river, Chen Hao Xuan drank two gulps of water in order to alleviate the hard work of oxygen deprivation, and then swam as hard as he could to the river.

Chen HaoXuan and Zhou KeXin finally appeared on the surface of the river, Chen HaoXuan quickly breathed a few breaths of air, then busy to check Zhou KeXin, found that Zhou KeXin has no air. Chen Hao Xuan was busy with an empty hand to pinch Zhou Kexin's human middle, after pinching Zhou Kexin slowly woke up, she coughed some water out, then confused self-talk: "Is this place heaven?"

Chapter 27

"It's good that it's heaven, just don't move now, I'll save you from the shore." Chen Hao Xuan panted, he was now severely overexerted, all supported by his strong willpower.

Zhou Kexin saw the river only to discover that she wasn't dead, she was saved by Chen Hao Xuan, although she didn't look back at the person who saved her, but from the sound of her voice she dared to conclude that the person who saved her was Chen Hao Xuan, the boy who had broken his heart again and again.

"Why did you save me, didn't you hate me so much?" Zhou Kexin asked faintly.

As Chen Hao Xuan swam desperately towards the shore, he replied breathlessly, "I never said that I hated you, you're the one who's thinking too much." After Chen Hao Xuan finished speaking, a gust of wind brought the river water rolling towards Chen Hao Xuan and the others once again, and with a whirring sound, Chen Hao Xuan who was about to reach the shore was now washed out by the river water.

Chen Hao Xuan was really tired and wanted to rest now that he really wanted a good night's sleep. But for the sake of Chen Yina, for the sake of Zhou Kexin, he couldn't just give up like this. Chen Hao

Xuan swam desperately towards the shore, and he shouted loudly to the people on the shore, "Quickly find a rope to tie a floating object and throw it down."

There were still some well-meaning people, and one middle-aged man, upon hearing Chen Haohuan's words, quickly turned and ran to a store not far from the river, bought a large bundle of rope in a grocery store, and then ran back to the river, where he picked up an empty bottle that had been washed up by the river, which was plastic and looked like it should have been used to hold oil.

After tying the bottle with the rope, the middle-aged man shouted to Chen Hao Xuan, "Hey, I've tied this bottle with a rope, I'm going to throw it over now, you must grab it." The middle-aged man said and threw the bottle hard at Chen Hao Xuan, and the bottle with the rope fell ten meters away from Chen Hao Xuan.

The current Chen Hao Xuan was almost to the point of exhaustion, this body of his was already poor, he had been busy making money when he came to this century, he had no time to exercise his body. Seeing the bottle floating on the river ten meters away, Chen Hao Xuan fiercely fought, he had to use his last physical strength to fight for a glimmer of hope.

Because Chen Haoxuan hugged Zhou Kexin's neck from behind, so Zhou Kexin could not see Chen Haoxuan's expression, but she could feel Chen Haoxuan's fatigue, it turned out that Chen Haoxuan's swimming speed was getting slower and slower.

"Chen Haoxuan, let go of me! If you take me with you, neither of us will survive, and if you're alone, you'll make it back to shore." Zhou Kexin wept with tears streaming down her face.

"Since I chose to come and save you, I won't leave you alone, that's my principle, you can't do things halfway. You saw that empty bottle floating on the river! You've got to grab that empty bottle in a minute, okay?" Chen Haoxuan panted and advised.

"Mm." Zhou Kexin was moved to respond, she was now quite guilty, she had done that to Chen Hao Xuan before, Chen Hao Xuan was not angry at all, and now he even sacrificed his life to save her. In her heart, she began to consider becoming Chen Haoxuan's girlfriend if this time she could turn a dangerous situation into a good one.

Still two meters away, Chen Hao Xuan couldn't move, he took off, his limbs couldn't make any effort.

Since Chen Haoxuan had just stopped, he hadn't dived down yet, Zhou Kexin saw Chen Haoxuan suddenly stop and asked curiously, "Chen Haoxuan, what's wrong with you?"

Looking at the empty bottle tied with a rope two meters away, Chen Haohuan sighed, he faintly said to Zhou Kexin, "I saved you, you must give me a good chance to live, listen, I'm going to push you over hard now, you must use to grab the empty bottle."

"Ah-." Chen Haoxuan suddenly shouted, his body was suddenly filled with power, he quickly pushed Zhou Kexin towards the empty bottle two meters away.

After that, Chen Hao Xuan slowly dived into the water, he had just used a special method to stimulate his body, that method could give you a moment of superhuman strength, this strength could be said to be the last strength of Chen Hao Xuan's body. Now that his body didn't have a single ounce of strength, Chen Haoxuan was left to his fate, and he was washed away by the river.

Zhou Kexin managed to grab the empty bottle, after she grabbed the empty bottle, she immediately turned her head and said, "Chen Haoxuan, I've got it, come here quickly." Chen Haoxuan had already been washed away by the river water, where was Chen Haoxuan's figure.

"Chen Hao Xuan, Chen Hao Xuan" Zhou Kexin began to shout Chen Haoxuan's name with a heartbeat.

Hua Lingwei was shouting Chen Haoxuan's name just like Zhou Kexin, Zhou Kexin didn't see how Chen Haoxuan disappeared, but Hua Lingwei was standing on a high bank, she witnessed Chen Haoxuan slowly dive into the water and then be washed away by the river. She had just witnessed Zhou Kexin get caught in the river, and now she witnessed Chen Haoxuan slowly dive into the water and get washed away by the river, today's blow was really too big for her.

Zhou Kexin was pulled to shore and the police arrived with a lifeboat, the police began to carefully drive the lifeboat in search of Chen Haohuan.

An hour later, the police left, because the storm was approaching, and if they continued to search, it was likely that they would lose their lives along with the search and rescue personnel.

Zhou Kexin and Hua Lingwei were also forcibly taken home by their families, and those citizens who were watching the wind-blown Lang flowers by the river also left.

In a luxurious villa, lying on the bed, Zhou Kexin was still the same, tears streaming down her face, she kept crying asking her family to find a way to save Chen Haoxuan. "Dad, I'm begging you, please save Chen Haoxuan, okay, woo, he was washed away by the river to save me, you have to save him, or I won't live, woo" "

"Ugh-, you think I don't want to save it! I don't just want to save him, I want him to be my son-in-law! But no one dares to save them in this weather! Just like Chen Haoxuan saved you, you saved up, but he himself is, alas-, only left to his fate, I hope he is still alive." Zhou Xiang, who was sitting by Zhou Kexin's bedside, sighed.

Sitting on the sofa in Zhou Kexin's room, Hua Lingwei, who was bent over, covering her face with her hands and burying her head between her knees, sobbed quietly, her feeble shoulders twitching incessantly. Looking at the water stains on the floor, you can tell that Hua Lingwei cried, and cried for a very long time, very sad. On top of Hua Lingwei's sadness - she also felt guilty, she was blaming herself, if she hadn't asked Chen Haohuan to save Zhou Kexin, nothing would have happened to Chen Haohuan.

"Ke Xin, don't worry, Chen Haoxuan will be fine, as soon as the storm stops, I will immediately send a large number of people to search for Chen Haoxuan." Hua Tianyu comforted Zhou Kexin.

In a small village not far from the University of Xinshan City, at the entrance of a humble tiled house, a girl stood dumbly at the door, looking out at the non-stop rain, she said worriedly, "Brother Xuan, why hasn't he come back yet?"

Chapter 28

There was a loud sound of thunder, and Chen Yina's heart suddenly felt like being pricked by a needle, and at the same time she had a feeling of not pressing in her heart, which seemed to tell her that there would be some kind of disaster.

All the people were worried about the comfort of Chen Hao Xuan, who was at the moment on a tree by the river, he was violently washed up by the river and he had been hanging on to it since then. Chen Hao Xuan was still unconscious, and after an unknown amount of time, Chen Hao Xuan slowly woke up.

"Where is this? Why is it dark?" The fragile voice of Chen Hao Xuan could be heard in the pitch black night.

Since it was night, Chen Hao Xuan couldn't see his current situation, he felt very sick, so he turned around and with a bang, Chen Hao Xuan fell into the water again. Fortunately, the wind wasn't blowing now, otherwise Chen Hao Xuan would definitely be washed away by the river again.

During the period when he was unconscious, Chen Hao Xuan regained some strength, and after he fell into the water, he quickly swam to shore. "Where is this? Why is it so dark, you can't see anything?" Chen said to himself, Chen was far away from the city, without a lot of lights, so of course it was dark!

Chen Hao Xuan now has nothing but a pair of underwear on him, he is cold, he wants to wear clothes, he wants to roast a fire, but there is no lighter, and now it is raining, so what about finding dry wood?

Chen Hao Xuan touched a stick on the ground, he used it to explore the road, slowly walking. There were trees and weeds all around, there were hillsides and no lights, Chen Hao Xuan could be sure that his location must be a suburb.

After more than an hour of searching, Chen finally found a place where he could rest, at the foot of a mountain, as the bottom of this high mountain was concave, so it could shelter him from the wind and rain. Chen Hao Xuan's luck was also good, there was a pile of dry wood inside, and next to the dry wood, Chen Hao Xuan picked up a box of matches. It was a good idea to have the same kind of wood as the ones that were left behind by the villagers in the suburbs, so that they would not have to go through the hassle of finding dry wood when they came back.

Chen Hao Xuan couldn't care less, he pushed up a pile of dry firewood, picked up a match and lit it, and soon the fire caught fire. "Wha-, it's so warm, so comfortable yo." Get warm Chen Hao Xuan happy.

With the fire there, Chen Hao Xuan checked the surrounding area where he was and found it empty, nothing but a small pile of dry wood.

Chen Hao Xuan had a tremendous physical exertion today, which made him unconsciously fall asleep by the fire, this night Chen Hao Xuan slept soundly, he also had a dream that he had become a billionaire, he ate mountains and seafood from all over the world every day, and he was surrounded by countless beautiful women

As the day slowly dawned, an old man dressed in a raincoat and with a beard came to where Chen Hao Xuan was, people called him Old Man Zhang, he was a hunter, he came to the mountain every day to check the traps he had installed. When he saw a man lying naked and quiet at the foot of the mountain where he often came, it startled him so much that he thought it was a ghost!

Old Man Zhang slowly walked over to Chen Haoxuan's side and whispered, "Hey, hey, wake up, why are you sleeping here?"

Hearing the voice, Chen Haoxuan slowly woke up, he turned around and lay on the ground looking at Old Man Zhang, confused, "Who are you?"

"My name is Old Man Zhang, I'm a hunter, young man, how did you end up in the deep woods? It's not very safe, and there are often wild animals, so I suggest you leave quickly!" Old Man Zhang was well-intentioned.

Chen Hao Xuan stood up, but he was wobbly as soon as he stood up, he felt that his limbs were weak and his body was still hot. When Old Man Zhang saw that it seemed as if Chen Hao Xuan was about to stand unsteadily, he quickly helped Chen Hao Xuan and asked with concern, "Are you alright?"

"It's fine, it's probably just a cold, nothing serious." Chen Haoxuan.

"You can't continue to stay in the deep mountains in this condition, or it will be dangerous, come out with me." Old man Zhang was concerned.

"Thank you, Grandpa Zhang, I actually didn't come here to play, I was washed here by the river in the city of Xinshan, and I felt my way to the foot of this mountain last night. Luckily I met you, otherwise I wouldn't know what to do." Chen Hao Xuan smiled, he was lucky that he couldn't even die from being washed away by the river.

"A great misfortune will come your way, you will definitely be a great person in the future." Old Man Zhang smiled at Chen Hao Xuan, after helping Chen Hao Xuan, "Let's go! I'll hold you up."

With the help of Old Man Zhang, Chen Hao Xuan walked for two hours and finally came out of the deep mountains and arrived at a small village, which Old Man Zhang said was called East Mountain Village and had a hundred or so families.

Old man Zhang brought Chen Hao Xuan to his home, and after tidying up a room he hadn't lived in for a long time, he helped Chen Hao Xuan lie down on the bed.

Chen Hao Xuan was worried that Chen Yina and the others were worried, so Chen Hao Xuan said to Old Man Zhang, "Grandpa Zhang, can I borrow your cell phone to call me, I want to check in with my friend."

"Of course I can, but I don't have a cell phone, I do have a phone, so wait and I'll bring it to you." Old Man Zhang smiled.

Old man Zhang quickly brought a phone with a phone line attached to it and placed it next to Chen Haohuan, Chen Haohuan dialed Huang Weicheng's phone, and after talking to Huang Weicheng about the general situation, Chen Haohuan asked Huang Weicheng to help him go and tell Chen Yina that he was now in Dongwen Village and would return in a few days, and also help him tell Zhou Kexin and the others that he wasn't dead, he was still alive.

Huang Weicheng hung up his cell phone and immediately rushed to Chen Hao Xuan's place, there was no way Chen Yina and Chen Hao Xuan were the same people without cell phones. When Huang Weicheng told Chen Yina about Chen Hao Xuan's situation, Chen Yina immediately packed her bags and prepared to go to Dongwen Village, although Chen Hao Xuan is now fine, but Chen Yina still cried.

Huang Weicheng then went to Zhou Kexin's house to tell Zhou Kexin's family about Chen Hao Xuan's condition. After Zhou Kexin knew that Chen Haoxuan was not dead, she sat up on the bed and cried tears of joy, hot tears continued to fall from the corners of her eyes, but the corners of her mouth turned up, she was like an angry cuckoo, dipped in the joy of rebirth.

Hua Lingwei is even more exaggerated, she jumped up with joy: "too good goo, too good goo, I knew Chen Haohuan would not die like this, heh heh, la la la, I'm so happy yo, I've never been so happy. "

"Kexin, you stay at home and rest, I'll go to the East Mountain Village to see Chen Hao Xuan." Zhou Xiang's kind voice to his daughter, Chen Hao Xuan saved his precious daughter, no matter what, he needed to go see Chen Hao Xuan and thank Chen Hao Xuan in person for saving his daughter's life.

Chapter 29

Zhou Kexin nervously took her dad's hand and pleaded, "Dad, I'm going too, he ignored his own safety to save me, I deserve to go see him."

"Alright! But you need to wear more clothes, or your cold will be worse." Zhou Xiang was helpless.

Zhou Xiang left and he went to pack his things to prepare to go to East Mountain Village.

Hua Lingwei sat on Zhou Kexin's bed and excitedly said to Zhou Kexin, "Kexin, Chen Haoxuan almost lost his own life to save you, what did you want to say to him when you met him? Is it a promise of love or"?

Zhou Kexin lowered her head, two blushes floating on her face, shyly saying, "If he's willing, I can be his girlfriend." Zhou Kexin had considered this idea for a long time, she was very touched every time she thought of Chen Haoxuan using his last bit of strength to push her to the edge of the empty bottle floating on the river while he himself slowly disappeared on the surface of the river due to severe dehydration. She thought that Chen Hao Xuan liked her, otherwise why would he give up his life to save her, and especially told her to live well.

Plus, after many times of being with Chen Haoxuan, Zhou Kexin discovered that Chen Haoxuan was actually a decent gentleman, unlike other people who were like wolves meeting sheep when they saw her.

"Ah-, do you want to repay him for saving your life or are you really in love with him." Hua Lingwei was surprised, she was just joking, she didn't expect Zhou Ke Xin to really have such thoughts.

"I think I'm really in love with him." Zhou Ke Xin's face revealed a happy smile, she who said this felt her heart sweet, she was thinking, is this what it feels like to be in love?

"It's finished finished finished" Hua Lingwei's eyes were expressionless and she kept muttering.

"Weiwei, what's finished?" Zhou Kexin asked curiously.

"Don't you know that? You don't like Chan Ho Hen, so my dad asked me to chase after him, but now you say you like Chan Ho Hen, oh my God! You and I have become rivals." Hua Lingwei cryptically laughed.

Hearing Hua Lingwei's words, Zhou Kexin became nervous, Hua Lingwei's posture wasn't lower than hers, and she was really worried that Chen Haoxuan would be snatched away by Hua Lingwei. "Weiwei, you're not really in love with Chen Haoxuan too, are you?" Zhou Kexin asked nervously.

"Fall in love still, but I quite like him, he is handsome and graceful and pleasing to girls and will make money and, I think as long as the girls will like him like this." Hua Lingwei held her head high, her mind recalling the time she spent with Chen Haoxuan, leisurely.

After saying that, Hua Lingwei looked towards Zhou Kexin and found that Zhou Kexin was frowning her willow brows, her eyes showed worry, Hua Lingwei knew that Zhou Kexin was very afraid that she would steal her Chen Hao Xuan away from her. "Zhou Ke Xin, don't worry! If he likes you too, I'm never going to take it from you. But if he doesn't like you, then I'm sorry, hehe" Hua Lingwei yin smiled.

"He'll like me, if he doesn't like me, why doesn't he care about his own safety to save me." Zhou Kexin nervously explained, her nervous expression as if she was afraid that Hua Lingwei wouldn't believe her.

"Alright, alright! I'm not going to fight you, okay? I was just joking with you! You look nervous, I see that you're not married to non-Chen Hao Xuan." Hua Lingwei smiled, she was tongue in cheek, she was actually still reluctant to give up on pursuing Chen Haoxuan, but seeing how much her best friend Zhou Kexin liked Chen Haoxuan, she really didn't want to lose this best friend she had played with since childhood.

Zhou Kexin hugged Hua Lingwei and said happily, "Weiwei, you're too good to me, thank you, Weiwei."

On the small road to the East Mountain Village, a girl with a small bag was walking quickly, her expression seemed very nervous. This person was Chen Yina, she came here by bus, she got off the bus at the intersection and started walking on foot, there was no way to go directly to the East Mountain Village without a car, so she had to get off near the East Mountain Village and walk on foot.

After 20 minutes of fast walking, Chen Yina finally arrived at the East Mountain Village, and when she was at the entrance of the village, she pulled out a mobile phone, which she had bought when she

came here, just so that she could find Chen Haoxuan at the first time when she came to the East Mountain Village. She dialed the phone number of Zhang Lao Han's house, and when Zhang Lao Han received the call, he immediately went to the village entrance to pick up Chen Yina.

Old man Zhang brought Chen Yina to his home, and when Chen Yina saw Chen Hao Xuan lying on the bed, she finally cried out with a wow, her worry, her fear, her tension, finally released at this moment as she cried out.

Chen Haoxuan tenderly stroked the head of Chen Yina who was lying on top of him and smiled, "Alright! Don't cry, if you cry again, you'll turn into a little kitten."

Chen Yina sat up, held Chen Haohuan's hand tightly and asked with concern, "Brother Xuan, how are you feeling right now?"

"I'm fine, I just got a cold and caught a cold, Grandpa Zhang has just asked the doctor to see me, I've taken cold medicine and injections, I'll be fine in a few days, don't worry ha!" Chen Hao Xuan comforted Chen Yina.

"Mhmm, I'm not worried, as long as brother Xuan is fine." Chen Yina smiled with tears in her eyes.

Chen Yina and Chen Hao Xuan slowly chatted, Chen Hao Xuan told many jokes about the future century in order to coax Chen Yina to be happy, making Chen Yina laugh non-stop. At noon, Yina Chen took the initiative to help Old Man Zhang cook the food.

Old man Zhang, who had nothing to do, came to Chen Hao Xuan's room, moved a stool to sit by Chen Hao Xuan's bedside, and chatted with Chen Hao Xuan's family. "Little Hen ah! Is this girl your girlfriend? She's so hardworking, you're so happy to have a girlfriend like that." Old Man Zhang smiled kindly.

Chen Hao Xuan explained awkwardly, "Grandpa Zhang, she's not my girlfriend, she's my sister."

"Sister? You don't look alike to me?" Old Man Zhang was curious.

"She's my neighbor's child, we both grew up together, and I've always considered her as my own sister." Chen Haoxuan explained.

"Oh, so that's how it is! It's a pity, I can tell by her looks that this girl is a kind-hearted girl and so hardworking, she will definitely be a super virtuous girl in the future." Old Man Zhang joked.

"Grandpa Zhang, where are your children? Why don't you see them?" Chan asked.

"O them! They've all gone out to work in the city of New Hill. That son of mine works as a security guard at the University of the City of New Hill, but unfortunately he's in his late thirties and hasn't found a girlfriend yet, so I don't know what he's up to." Old man Zhang frowned as he spoke of his son, as if he wasn't very full of him.

"Ah-, it can't be that coincidental, can it? I'm studying at the University of Xinshan City, your son works as a security guard in his thirties, if I'm not mistaken, is his name Zhang Qing?" Chen Haohuan asked.

Chapter 30

"Ah-, so you know him, so we're pretty much destined to meet!" Old Man Zhang smiled.

"I have a small business at the University of Xinshan City now, and I put my goods in his security room there every day, so I can be considered to be very familiar with him." Chen Hao Xuan smiled.

"It's good to be familiar with him, it's good to be familiar with him, in the future, please take care of him a little more at the University of Xinshan City, Old Man Zhang is here to say thank you first." Old

man Zhang was very happy to hear Chen Haoxuan say that he was a businessman, his son had been working for more than ten years and had never had the chance to make a lot of money, now that Chen Haoxuan said that he was a businessman, old man Zhang wondered if he could let Chen Haoxuan bring his son to make a little fortune.

"No problem, if there's a chance, I'll let him go into business with me." Chen Hao Xuan echoed, he thought he would definitely need a lot of talents to do big business in the future, getting to know some of them now to pave the way for his future, the road would be easy to follow when he was just developing.

"Dinner's ready." The crisp voice of Chen Yina came from outside.

As Chen Hao Xuan was trying to get up to go out to eat, Chen Yina ran in with a large bowl in her hand. "Brother Xuan, don't get up, just stay in bed, I've brought you the food, you try how my cooking is today." Chen Yina smiled sweetly at Chen Hao Xuan.

"My Nana's cooking, you don't need to taste it to know that it's a delicacy." Chen Hao Xuan took the large bowl that Yina Chen served him and flattered him.

"Just know how oily it is." Chen Yina's mouth was complaining that Chen Haoxuan shouldn't have flattered her, but her heart was very sweet. Mouth not heart, sometimes girls are so strange, they obviously say they hate it, but their hearts are very much like it.

After finishing lunch, Chen Hao Xuan proposed to go back. Old man Zhang wanted to retain Chen Hao Xuan and wait for Chen Hao Xuan's cold to get better before letting Chen Hao Xuan go back, but he couldn't be stubborn enough to go. Old man Zhang prepared a lot of mountain goods for Chen Hao Xuan, these mountain goods if sold to the hotel, thousands of yuan can definitely be sold.

Chen Hao Xuan didn't have anything, so he put on the clothes Chen Yina had brought him and left on Chen Yina's fragile shoulder. As for those mountain goods that Old Man Zhang gave Chen Hao Xuan, Chen Hao Xuan confiscated them, he now needed help himself, that had the strength to lift so many things.

Chen Hao Xuan and the others didn't go far before they saw two black cars parked in front of them, the doors were opened, and a bright figure came down and ran quickly towards Chen Hao Xuan.

"Chen Hao Xuan." Zhou Kexin who saw Chen Hao Xuan shouted with great joy.

Then, a few people came down from the two sedans one after another, Zhou Xiang, Hua Tianyu, and Hua Lingwei.

Zhou Kexin ran to Chen Hao Xuan, tightly pulled Chen Hao Xuan's hand, tears of joy: "Chen Hao Xuan, you are fine really good, you do not know how worried I was about you yesterday, sob" Saying that Zhou Kexin even cried, she was not sad, but too happy, so happy that she couldn't control her tears.

"Hey, Chen Haoxuan, you made me worry and be sad for you for so long, you have to make it up to me later, okay?" Hua Lingwei joked to Chen Haoxuan.

"I know, I'll make it up to you in the future, hehe" Chen Hao Xuan looked lustful to Hua Lingwei, he found that he quite enjoyed catching this naughty girl.

Following Chen Haoxuan's gaze, Hua Lingwei looked down, two blushes appeared on her face, and she squealed, "Where are you looking?" Hua Lingwei said quickly using her hands to protect her chest, she was happy and shy, happy because Chen Haoxuan seemed to be interested in her body, shy because Chen Haoxuan was staring lustfully at her neckline, it was obvious that Chen Haoxuan was looking at her breasts openly and honestly.

"Chen Hao Xuan, what's wrong with you? Why do you need to be held? Are you hurt?" Zhou Kexin was worried when she saw Chen Yina holding onto Chen Haohuan.

"It's nothing, just a bit of a cold." Chen Hao Xuan smiled and replied, in fact, he was not just as simple as a cold, his body was severely dehydrated because of yesterday, and to return to normal, he must need to recuperate for a month.

"You also have a cold, quick-get in the car, I'll take you to the hospital." Zhou Kexin was nervous.

Chen Haoxuan hasn't come in a hurry to answer Zhou Kexin's words, but Chen Yina answered before anyone else, Chen Yina boarded a face to Zhou Kexin: "No need for your kindness, we'll just take the bus ourselves." Chen Yina was angry with Zhou Canxin, if it wasn't for saving Zhou Canxin, her brother Xuan wouldn't have become as sickly as he is now, and no longer had his previous energetic appearance.

"Little Xuan ah! You guys look like you're going back to the city, right? Just come back with us! With your current body, it's inconvenient to take the bus, and the bus is very crowded." Zhou Xiang suggested out loud.

At this time, a BMW drove over, because this road was very narrow and could only pass one car at a time, so the BMW was honking constantly there, urging Zhou Xiang's car to drive away quickly for them.

The first thing you need to do is to take a look at the car, and then you'll see the BMW's door open, and down comes Huang Weicheng. "Mr. Zhou, why are you here? Isn't Dongshan Village up ahead? Why are you guys parked here?" Huang Weicheng spoke loudly to Zhou Xiang who was ten meters away, he also came to see Chen Hao Xuan, not only did he come, but her daughter as well.

"You're also here to see Little Xuan, right? You wouldn't have to go to East Mountain Village if it was you, because he's right here." Zhou Xiang saw that it turned out to be an acquaintance, so he didn't drive any further.

Hearing Zhou Xiang's words, Huang Weicheng turned his head and shouted to the people in the car, "Linlin, get out, your brother Xuan is here."

Huang Mei Lin got out of the car and said to his dad, "Really? So where is he? Hurry up to me."

"It should be just ahead!" Huang Weicheng pointed ahead.

"Brother Xuan, Brother Xuan" Huang Mei Lin was running while calling out loudly for Chen Hao Xuan.

"I'm here." Hearing Huang Mei Lin's voice, Chen Hao Xuan responded loudly.

After finding Chen Hao Xuan, Huang Mei Lin pounced on Chen Hao Xuan without saying a word, her pounce almost knocked Chen Hao Xuan down, thanks to Chen Yina's efforts to hold Chen Hao Xuan down.

"Be careful, his body is very weak right now, and he has a fever and a cold." Chen Yina instructed Huang Meilin.

"Ah-, brother Xuan, you've got a cold! Then get in my dad's car and I'll have my dad take you to the hospital." Huang Mei Lin was concerned.

Riding in Zhou Kexin's and their car, Chen Yina didn't like it, she didn't want Chen Haoxuan to get involved with them too much. As for Huang Meilin's family's car, she didn't have to think too much about it, even if Huang Meilin, the little girl, liked Chen Haohuan, Chen Haohuan wouldn't like a girl that much younger than him, so Chen Yina helped Chen Haohuan into Huang Weicheng's BMW.
