

A Billionaire's Reincarnation Chapter 221-230

Chapter 221

"That's what you said, you can't blame me if you lose." Zhang Tiezhu said excitedly, thinking that Chen Haoxuan had no winnable chances.

"Let's begin." Chen Haoxuan said.

Zhang Tiezhu's body fell backwards 15 degrees and then his feet quickly retreated, trying to get half a metre away from Chen Haoxuan in the shortest possible time so that he would win.

When he saw Zhang Tiezhu's body fall backwards slightly, he already knew that Zhang Tiezhu wanted to retreat, so he quickly moved forward and took the initiative to attack.

Chen Haoxuan's right fist struck Zhang Tiezhu's stomach hard. Zhang Tiezhu did not fight back, but backed up at a faster speed, he was now using the impact of Chen Haoxuan hitting him forward plus his own strength to make him faster than he had just backed up, borrowing the force, learning now and then.

Chen Haoxuan knew that his punch would not hurt Zhang Tiezhu very much, and Zhang Tiezhu would definitely not tangle with him in order to win him, so while Chen Haoxuan threw his right hand, his left hand quickly grabbed Zhang Tiezhu. So Zhang Tiezhu's quick retreat pulled Chen Haoxuan away as well. Chen Haoxuan quickly stretched out his foot to the middle of Zhang Tiezhu's two feet, trying to trip Zhang Tiezhu down.

Zhang Tiezhu he didn't expect Chen Haoxuan to be like this, fighting and still pulling your clothes, so Zhang Tiezhu was ruthless, he stopped fiercely and opened his hands, trying to hold Chen Haoxuan, he thought that as long as he could successfully hold Chen Haoxuan, Chen Haoxuan would not be able to escape his gentle embrace.

Everyone knew that Chen Haoxuan had little strength and Chen Haoxuan himself knew better, his body was just pulled forward violently by Zhang Tiezhu, which made his body move forward and if he

didn't want to do something about it, he would automatically fall into Zhang Tiezhu's so gentle embrace. With a bang, Chen Haoxuan crashed into Zhang Tiezhu's gentle embrace.

Zhang Tiezhu smiled so brightly that he closed his hands quickly, he wanted to hug Chen Haoxuan's slim figure tightly. Would Chen Haoxuan let him have what he wanted? This was something Lin Hao and the others wanted to know very much, and although the answer would be known after a split second, they still wanted to know the answer before that split second.

Just as Zhang Tiezhu was about to hug Chen Haoxuan, Chen Haoxuan quickly crouched down, and as soon as he did he hugged Zhang Tiezhu's right foot and thrust his shoulder forward with force.

Zhang Tiezhu's body fell backwards and in his panic he quickly grabbed Chen Hao Xuan's Chen Hao Xuan's back clothes, so he and Chen Hao Xuan fell together on the lawn, Chen Hao Xuan hugged Zhang Tiezhu's foot, Zhang Tiezhu bowed his body and grabbed Chen Hao Xuan's back clothes, the two of them were in a position that dazzled Lin Hao and the others.

Chen Haoxuan's body turned quickly and with a hissing sound, his clothes were torn by Zhang Tiezhu and Chen Haoxuan managed to stand up.

"Hugging and hugging again, and tearing his clothes, does he want to rape~rape the boss?" Jiang Dong muttered to himself.

"Be careful if the boss hears you and makes you go fight with Zhang Tiezhu." Lin Hao, who was next to Jiang Dong, laughed out loud.

Zhang Tiezhu, who knew that it was impossible to win against Chen Hao Xuan by distance, his only chance to win was to subdue Chen Hao Xuan with fierce force when he fought him at close range, so he took the initiative to attack.

"Watch out guys, I'll show you what it means to be flexible." Chen Haoxuan said loudly, as he finished his hand grabbed Zhang Tiezhu's arm as fast as lightning, and his body spun around and went to Zhang Tiezhu's back in a flash. When Chen Haoxuan reached Zhang Tiezhu's back, he punched Zhang

Tiezhu's lumbar vertebrae, neck and head in quick succession, all of which are vulnerable areas for humans.

Chen Haoxuan did not hit him very hard, but definitely not lightly, who let Zhang Tiezhu, a big man, still want to hug him. The pain from his back was so intense that Zhang Tiezhu couldn't help but scream out, "Ah..."

"What a speed!" Yang Lin said in surprise.

"Zhang Tiezhu can't beat the boss." Lin Hao looked seriously at the fight with Zhang Tiezhu and spoke out. He didn't want to miss every single movement of Chen Haoxuan now, he felt that every movement of Chen Haoxuan now contained the subtleties in martial arts.

Zhang Tiezhu he quickly turned around and swept his right hand to the left as he turned, trying to sweep Chen Haoxuan down. However, Chen Haoxuan was that nimble, he quickly crouched down and as soon as Zhang Tiezhu's right passed, he grabbed Zhang Tiezhu's shoulders with both hands and braced himself with force, while his feet stomped, he flew up with his whole body.

Zhang Tiezhu turned around again and found no one behind him. Suddenly he felt a pair of feet on his shoulders and when he looked up, he found Chen Haoxuan standing on his shoulders. Zhang Tiezhu was so surprised! How could this be the case in a fight?

Zhang Tiezhu lifted his right hand to grab Chen Haoxuan's right foot, but Chen Haoxuan quickly lifted his right foot and stood on his left foot. Zhang Tiezhu saw that he didn't catch Chen Haoxuan's right foot, so he raised his left hand to catch Chen Haoxuan again. Chen Haoxuan's right foot went straight to the top of Zhang Tiezhu's head. Zhang Tiezhu was furious, he lowered his head, and before Chen Haoxuan could fall, he stepped on the back of his head.

Zhang Tiezhu was furious, he felt he was now so humiliated, he ran, turning for and rolling to the ground from time to time. But Chen Hao Xuan was always able to stand on him, when he ran, Chen Hao Xuan stood on his shoulder or grabbed his clothes and dropped on him, when he turned for, Chen Hao Xuan would be ready in advance, as if Chen Hao Xuan was controlling him, when he rolled the ground, Chen Hao Xuan was as if he was stepping on a round ball constantly running on the circle.

"Holy sh*t" Lin Hao and the others were incomparably amazed that a person could stay on top of another person and that person underneath was still constantly running, rolling the ground incessantly, turning into and other strenuous movements without falling off, this was definitely the most physically flexible person Lin Hao and the others had ever seen.

Zhang Tiezhu did not run, he lay on the ground, he did not believe that Chen Haoxuan still dared to stand on him. Indeed Chen Haoxuan was not standing on him anymore, Chen Haoxuan was standing right next to him. Zhang Tiezhu wanted to kick Chen Hao Xuan, Chen Hao Xuan double stomp, bang a muffled sound, Chen Hao Xuan stomp directly to Zhang Tiezhu's stomach, Chen Hao Xuan physique is poor, he also has a hundred or so jin weight, this hundred or so jin object fierce from the air on Zhang Tiezhu's stomach, iron beaten people can not stand.

No, Zhang Tiezhu spat out his bitterness: "Old - boss, come down quickly, I can't hold it anymore."

Chen Hao Xuan walked down, he didn't bother about Zhang Tiezhu's death, because he knew in his own heart, he knew that his strength couldn't do any harm to Zhang Tiezhu, the pain was only temporary.

"Everyone just saw, a person's body flexibility is very strong, body flexibility and body flexibility add up, you will be able to go anywhere, climb trees, climb buildings, even stay on people's bodies like I just did, of course you have to stay can choose a strong body, otherwise people will be crushed to death by you." Chen Hao Xuan said to Lin Hao and the others.

Chapter 222

"Boss, we're not as soft as you are! And our speed can't keep up with you either." Lin Hao asked out loud to Chen Hao Xuan.

"My softness isn't really good, what you guys see is my speed, that's why it feels like my body is soft. You guys say you are not as fast as me, I think it is because your minds are not spinning as fast as mine, as I told you before, I can know what you are up to before you strike, which gives me enough time to prepare myself to dodge and attack." Chen Haoxuan said.

Hearing Chen Haoxuan's explanation, Yang Lin uttered two words, "Profound."

"Compared to you guys, I am poor, everyone knows my poor physique, my only advantage is that I have a good mind and can tell your next move beforehand and can have a way to undo the harm you do to me. Your current physique is already very good, except for Yang Lin, you all have nothing to do in the future to practice the flexibility of your body, playing acrobatics is best to even the flexibility of your body now, you may want to try." Chen Haoxuan said.

"Chen Haoxuan, I have a question, how long does it take to even become like you?" Yang Lin asked excitedly to Chen Haoxuan.

"That's not something you should ask me, instead I should ask you yourself, as long as you are willing to put in the effort, maybe you will understand my words and be better than me tomorrow." Chen Haoxuan said.

"If that's the case, even a sow can climb a tree." Yang Lin joked, if he had such a mind, how could he be so badly off!

"I'll tell you more about the inch strength, in close combat the inch strength is the best, you have seen this tired movie, but you may not know much about him, because I have never seen you use it. Cun Jin is a short, sudden, accelerated contraction of the muscles when the target is very close, or when the movement is about to be completed. The key to good Cun Jin is to grasp the timing of the acceleration of the movement, which should be when the fist is relaxed to the point of hitting the opponent's skin (clothing), before suddenly accelerating to the maximum force. Who wants to try my inching power." Chen Haoxuan explained that he wanted to perform it for Yang Lin and the others in order to better make them understand it better.

No one dared to go, they had just seen Zhang Tiezhu's miserable condition with their own eyes, and going over to train with Chen Haoxuan was to go over and suffer.

"Lin Hao, you come, you are the captain should lead by example." Chen Haoxuan pointed at Lin Hao and said.

Lin Hao stood up with a bitter face, walked to Chen Haoxuan and said indifferently, "Boss, how do I need to cooperate with you."

"You just need to attack me to the best of your ability." Chen Haoxuan said.

"Then I'll start." Lin Hao said, and with a quick turn of his body, he threw a back spin kick - a kick towards Chen Hao Xuan's head.

With a quick crouch, Chen Hao Xuan made his mind power, breathing power and movement power concentrate in a kind of martial arts power expression, a seemingly simple and bland strike, but it was enough to produce a deadly killing power! Then with a fierce step forward and a short, banging, muffled sound from his right fist suddenly accelerating and contracting his muscles, Chen Haoxuan struck Lin Hao in the stomach.

When everyone thought it was over, Chen Hao Xuan continued to attack Lin Hao, he didn't need to build up his momentum to launch a continuous compact attack, sticking and striking as he went, all his attacks landed on Lin Hao's stomach and chest. Chen Hao Xuan's attacks were still strong enough to knock Lin Hao to the point where he was already spitting blood before Chen Hao Xuan stopped.

Chen Haoxuan waved his hand at Lin Hao and told him to go back. Chen Haoxuan continued to explain, "See? My first punch Lin Hao didn't dodge, he is considered to have lost because he was temporarily incapacitated by my first punch."

Chen Hao Xuan, the temporary instructor, was very competent as he kept explaining the most powerful moves in martial arts to Lin Hao and the others.

Lin Hao and the others listened with great fascination and took note of every word Chen Hao Xuan said.

Chen Hao Xuan continued to teach until after 3pm when he stopped. It was Friday and he had to go and pick up Chen Yina from home. Chen Haoxuan let Lin Hao and the others practise on their own while he drove his BMW towards the city of Xinsan.

The railway station in Johor Bahru was just outside the city at the junction into Johor Bahru, which was considered outside the city. When Chen Haoxuan passed by there, he saw a large number of people gathered in front of the railway station. Curious, Chen Haoxuan pulled over and got out of the car to take a look.

There were so many people that Chen Haoxuan couldn't see inside, but he heard a woman crying continuously, "Please, this is my child, don't take him away, please."

"What's going on here? Could it be that there are human traffickers snatching children?" Chen Haoxuan said darkly in his heart, his heart couldn't help but be angry, probably because he was an outcast and knew how painful it was to live without a mother and father.

"He is my child, his name is Han Fenghua, he is already 3 years old this year, you human trafficker give me the child quickly." At that moment another woman's voice came from inside the crowd.

"Please, help me, this is really my child, it's not theirs, they want to cheat me out of my child, you help me" A voice full of sadness came out within the crowd, the crying voice made Chen Haoxuan's follow the owner of the voice sad.

Chen Haoxuan decided that he must go and see what was going on, he peeled away from the crowd and kept pushing his way inside.

Chen Hao Xuan didn't care how much people wanted to flatten him, he just had to push his way in. As he pushed his way in, he met a few people who warned him, and a few of them tried to beat him up, but they were all taken care of by Chen Haoxuan, who said directly to them: "I am a police officer, if you obstruct me in arresting a prisoner, you are that prisoner's accomplice, and you will be jailed. These words scared all those who did not want Chen Haoxuan to squeeze in front of them and gave way to Chen Haoxuan.

Chen Haoxuan finally squeezed into the crowd and reached the original place where the incident happened. Chen Haoxuan he saw a beautiful woman holding a boy of about 3 years old in her dead arms, the boy in her arms was constantly crying, on the other side was a woman of about 30 years old, and an old woman of more than 50 years old, and next to her stood a girl of 7 or 8 years old, they were all grabbing the boy in the arms of the beautiful woman.

Seeing such a situation, Chen Haoxuan didn't need to think about it to know that one of the sides was fake. Chen Haoxuan walked over and roared loudly, "Stop."

Hearing this sudden roar, the woman and the old woman who were fighting for the child both froze.

When the beautiful woman saw Chen Haoxuan walk out and also yell at the two people who were trying to snatch her child, her eyes revealed a hopeful look as she quickly ran to Chen Haoxuan and, with a poof, knelt down in front of him and said in a crying voice, "This little brother, you must help me, they are trying to snatch my child."

The woman and the old woman came to their senses, they pointed at the beautiful woman kneeling in front of Chen Haoxuan and said to Chen Haoxuan, "Little brother, don't believe her, she is the human trafficker, what she is holding in her arms is my child."

Chapter 223

Chen Haoxuan said to the beautiful woman kneeling in front of him, "Tell me first, what is going on?"

"Little brother, it's like this, I took the train from Shuyang City to Xinsan City today, and during the train ride it was that old woman who kept offering me celery and pretending to be a very nice person to gain my trust in her. When I saw how nice she was, I told her everything she asked me about my child. I didn't expect that when I got off the train in Xinsan City, she suddenly asked me to give her my child, saying that the child in my arms was her grandson, and then a woman ran out and said that the child in my arms was her child.

I tried to leave quickly with my child, but these crowds blocked my way and the woman and the old lady grabbed me again and wouldn't let go. Little brother, you must help me, my child already has no father, she can't be without a mother again!" The beautiful woman cried out to Chen Haoxuan.

After Chen Haoxuan heard the beautiful woman's words, he turned his head and pointed at another woman and the old lady and said, "You also tell me what is going on?"

"Little brother, it's like this, I took my granddaughter and grandson to visit my relatives a few days ago and only came back today, when I came back I met her, a human trafficker, she kept asking about my family while she was in the car, I thought that she, such a pretty girl, shouldn't be a bad person, so I didn't hide it, I told her whatever she asked. I thought, "It's just a little family thing anyway! I didn't expect her to run away with my grandson in her arms when we arrived at the station in Johor Bahru, but thanks to the kind people who helped me to stop her, I wouldn't have been able to live without my grandson." The old woman cried, her voice in tears, but there was not a single tear on her face.

At that moment, the woman pushed the seven or eight year old girl next to her, the girl felt the woman pushing her, so she pointed at the beautiful woman and scolded in a delicate voice, "You are bad, let go of my brother quickly, we want to go home."

Among the onlookers who had spoken out to Chen Haoxuan, "The woman holding the child is a human trafficker, little brother you must not believe her words."

Chen Haoxuan tenderly said to the beautiful woman kneeling in front of him, "May I hold your child? Don't worry, he is here with me, and no one will be able to take him away until things are clear."

When the beautiful woman heard Chen Haoxuan's words, her expression showed fear, and she suspected that she feared that Chen Haoxuan was in cahoots with the woman and the old woman. She held the child tightly and turned to the side, and did not answer Chen Haoxuan's words, although she did not answer Chen Haoxuan's words, her her actions had told Chen Haoxuan that she did not want to give the child to Chen Haoxuan.

Chen Haoxuan saw the beautiful woman's action, and then looked at the dress on the beautiful woman, wearing all the famous brands, the child was also wearing, the child's skin was also very white and tender. On the other side, the woman was wearing floor-length goods and was dressed in ordinary

clothes, so was the old woman, and the seven or eight-year-old girl was even thinner and weaker, and it was clear from a glance that she was malnourished.

If the child in the beautiful woman's arms was that woman's, then why were they so poorly dressed themselves while the boy was so well dressed, had they saved all their money and spent it all on the boy? That seemed unlikely, right?

Chen Haoxuan didn't bother to force the beautiful woman to give him the boy, and he spoke out, "What proof do you have that the boy is yours?"

The old woman said loudly, "I do, my grandson's name is Han Fenghua, he's three years old this year, he was born in the People's Hospital in Xinshan City, he weighed five pounds and six taels when he was born, and he likes to watch Ultraman" The woman's evidence is very strong!

At this point, the onlookers have spoken out again: "The woman holding the child is a human trafficker, let's arrest her to the police station"

Chen Haoxuan didn't even give a damn about those onlookers, so many people were watching and not a single person came out to help, these people are not worth his Chen Haoxuan to care.

Chen Haoxuan gently said to the beauty woman, "Where is your evidence?"

The beauty woman cried and said to Chen Haoxuan, "I told her all that she said, I just want little brother to send me to the police station now."

When the beautiful woman said the three words police station, the woman and the old lady showed a hint of panic in their expressions, but it quickly disappeared, it seemed that they were old people.

"I will, but your child has been crying, can you coax him? It's not good for your body for a child to cry for too long." Chen Haoxuan said gently to the beautiful woman.

When the beauty woman heard Chen Haoxuan's words, she looked at Chen Haoxuan with gratitude in her eyes, she looked down and coaxed the child in her arms gently, "Xiaohua, don't cry, mommy is here, don't cry"

The child in the beautiful woman's arms cried pitifully, "Mommy, Xiaohua is afraid."

Seeing the child's attitude towards the beauty woman, Chen Hao Xuan was even more sure of his suspicions, he took out his mobile phone and dialed Li De's number, when the call came through, he said in a loud voice, "Li De, bring someone to the railway station in Xinshan City, there is a group of human traffickers here who are robbing children, come quickly."

After Li De on the other side of the phone heard Chen Haoxuan's words, he said to Chen Haoxuan anxiously, "Xiao Xuan, keep an eye on them for me, I'll bring someone over there right away."

Hanging up the phone, Chen Haoxuan said to the beauty woman, "Don't worry, I've already called the police, a policeman will come over later."

When the beautiful woman heard Chen Haoxuan's words, her expression was finally no longer so nervous, she kept bowing to Chen Haoxuan and said with tears of joy, "Little brother, thank you, thank you, your great kindness, I will remember it forever."

When the woman and the old lady heard what Chen Haoxuan was saying on the phone just now, they showed a scared expression. The woman put her head to the old lady's ear and whispered to her, "The police are coming soon, let's hurry up and carry the child away."

The woman and the old lady ran towards the beauty woman at the same time, yelling, "You no-good trafficker, give me back my child"

When the beauty woman saw the woman and the old lady running towards her, she was so frightened that she hurriedly stood up and hid behind Chen Haoxuan, she said to Chen Haoxuan in tears, "Little brother, you must not let them snatch my child away, please."

Chen Haoxuan coldly said to the woman and the old lady who were running towards him, "The police will be here soon, as soon as they arrive and go to the police station, won't we know who the child really belongs to. Are you the traffickers when you saw me call the police and came to rob the child? Why else would you not wait for the police to come?"

"He's my child, I want to take him home, what's wrong with that." The woman yelled at Chen Haoxuan.

"Little brother, my grandson didn't even eat his lunch, he must be starving after crying for so long just now, just let us carry him home for dinner!" The old woman pleaded bitterly with Chen Haoxuan.

Chapter 224

"Who said that? My child is not crying from hunger, he is crying from fear, didn't you just hear?" The beautiful woman cried out to the woman and the old lady.

The woman and the old woman didn't care so much, they rushed up and tried to hold the child.

The fate of a child was at stake, and although Chen Haoxuan suspected the woman and the old woman of being traffickers, he did not dare to make a conclusion yet, and he would not let either party leave with the child until the police found out whose child it really was.

Chen Haoxuan shouted angrily at the woman and the old lady, "I told you, when the police come to deal with this matter, if you try to snatch the child again, I will be unkind to you, don't doubt that I don't beat women, bad women are what I hate the most." Chen Hao Xuan did not say panic, he did hate bad women, his mother Li Xin used to be even a bad woman, all married and still hooking up with other people's men, causing him to be suspected of being a wild child before he was even born, moreover, he had suffered for twenty years.

The woman and the old lady did not believe that Chen Hao Xuan dared to hit them; one of them was a woman and the other was an old lady, and a normal man would not normally hit someone so much weaker than him.

Chen Haoxuan was not a good person, especially to bad people. Chen Haoxuan saw that the woman and the old lady still did not listen to advice and insisted on coming to snatch the child. Chen Haoxuan raised his hand and gave the woman a slap, and with a snap, a red mark immediately appeared on the woman's face.

The woman saw that Chen Haoxuan really dared to hit her, so she used the woman's killer technique, crying and falling, she desperately grabbed Chen Haoxuan like a shrew, while the old woman went and grabbed the boy in the beautiful woman's arms.

As long as no one was killed, Chen Haoxuan was not afraid. She was impatient and kicked the woman directly in the stomach, sending her straight to the ground. The woman covered her stomach and kept saying that she could not stand up, her stomach hurt and asked Chen Haoxuan to send her to the hospital.

The onlookers accused Chen Haoxuan of violent behaviour, some even directly called Chen Haoxuan inhuman, but no matter how much they hated Chen Haoxuan, none of them dared to come out and stop Chen Haoxuan's behaviour.

It was Chen Haoxuan who kicked her to the ground, and no one knew better than Chen Haoxuan himself how hard he had kicked her. The force with which Chen Haoxuan kicked her was actually similar to pushing, only it was not a hand push but a foot push, so Chen Haoxuan didn't bother with her at all.

Chen Hao Xuan turned around and saw that the old woman was grabbing the child with the beautiful woman, who was in pain and begging the old woman to let her son go, the child in her arms was crying out in fear. The old woman didn't care about the child, she was pulling the child's waist very hard, she was over 50 years old and still had so much strength, it seems that this old woman still had two hands.

Chen Hao Xuan was furious, this is not like the child's grandmother! Can a grandmother not worry about the gentleness of her grandson? But this old lady was desperately pulling the child's waist. Chen

Haoxuan's eyes unconsciously turned red, his hands clenched into fists, and he shouted angrily, "Damn old woman, let go of her!"

Chen Hao Xuan's roar was so strong and murderous that the old lady fell to her knees on the spot, her body trembling uncontrollably, squeaking and trying to speak, but too nervous to do so. The old lady herself didn't quite understand why she became so scared when Chen Haoxuan roared. This, she did not know was normal, as Chen Haoxuan himself did not even know he had such a skill.

The beautiful woman carried the child to Chen Haoxuan's side, and with tears in her eyes, she said to Chen Haoxuan, "Thank you, really thank you"

Chen Haoxuan turned his head to the beautiful woman and said, "I am an outcast, so I know what the future fate of a child without a mother and father will be."

At this point, someone in the crowd shouted, "He is Chen Hao Xuan, the billionaire of Xinshan City."

Wow - this was hilarious, a billionaire! Such a person can only be seen on TV, but I didn't expect to see him at the entrance of the railway station.

A few beauty~brows ran to Chen Haoxuan with their little books and excitedly said to him, "Brother Xuan, can I have your autograph?" Many of the girls now called Chen Haoxuan Brother Xuan, which was brought up by Chen Yina, but the boys didn't call Chen Haoxuan that way, instead they called him Hao Xuan or Xiao Xuan.

"Sorry, I'm busy." Chen Haoxuan refused the two beauty~brows' request, his own fame he knew himself, if he gave these little beauty~brows autographs, could the other girls not get an eyeful when they saw them? In any case, a billionaire's autograph means a lot. If all the other girls were eye-catching and ran over to get his autograph, it would be bad, the women and old ladies might take advantage of the chaos and run away, or take advantage of the chaos and snatch the beauty's children away, none of which Chen Haoxuan wished to see, so Chen Haoxuan did not dare to sign for them.

Click, click, click, many onlookers pulled out their mobile phones to take photos.

Chen Haoxuan's big name is basically known to anyone who watches TV, reads the news, or goes online. The woman and the old lady were no exception. After they knew Chen Haoxuan's true identity, the woman stood up, she went over to help the old lady up, and then went to wave to the seven or eight year old girl, signaling the girl to go over.

The woman scolded at Chen Haoxuan, "You are a big celebrity and still bullying people, wait, I will go home and call my family to come." After the woman finished speaking, she took the old lady and the little girl and tried to leave.

Chen Haoxuan would not let these three people leave so easily, if he let them go, there was no telling how many children would be abducted and sold by these traffickers in the future.

"Stop, no one is allowed to leave until the police arrive, or else don't blame me, Chen Haoxuan, for being ruthless." Chen Haoxuan said coldly.

The woman and the old lady were scared, they had just spent a lot of time with Chen Haoxuan, if they didn't leave, they would be finished when the police arrived. The woman quickly rushed towards the crowd, trying to break out of the way.

Chen Haoxuan saw the women and their desire to escape, so he quickly moved forward and grabbed the women and the old lady by the back of their collars. "Want to escape, think fast."

The woman's breasts were at least 20cm = E cup, she was wearing a shirt, and when Chen Hao Xuan pulled her back collar from behind, the two buttons on her chest immediately collapsed and her breasts were exposed to the crowd, but thanks to the fact that she was wearing a very large kind of bra~, so it wasn't much of an exposure. But despite this, there was still a howl of wolf from so all wolf friends.

"Ah..., what are you doing? Quickly let me go or I'll sue you for indecent assault." The woman cursed at Chen Haoxuan in shame and anger.

"Don't you want your child? If you leave, then I will let this woman go, and then where will you find your son." Chen Haoxuan said coldly.

Chapter 225

At that moment the alarm bell finally rang in the distance The beautiful woman burst into tears of joy at the sound of the alarm bell, she knew her child was saved, and the sound was the best sound she had ever thought she had ever heard in her life.

"Get out of the way" The crowd parted a way and Li De led a few policemen towards Chen Haoxuan.

"Li De, I suspect these two are human traffickers, and this little one is their trained successor, the one holding the child could be the victim, you take them to the police station and check them out, make sure you don't let go of these traffickers who are scourging society." Chen Haoxuan said to Li De, he used to call Li De as Chief Li, this from that time when he participated in the operation to catch Black Heart with Li De, he and Li De's relationship went one step further and became good buddies, so Chen Haoxuan now called Li De by his first name directly.

"Separate them and bring them to the car." With a big wave of his hand, Li De said to his men.

"Little Xuan ah! You're a good citizen, seeing righteousness and courage, you've saved a child's fate this time." Li De smiled and said to Chen Haoxuan.

"I should should." Chen Haoxuan said politely.

The beautiful woman carried the child to Chen Haoxuan, with a poof, the beautiful woman knelt down in front of Chen Haoxuan, she placed the child next to her, bang bang bang, kowtowed three times, blood appeared on that white forehead, the beautiful woman was moved and said to Chen Haoxuan, "Thank you, if it wasn't for you, my child might have been snatched away by these traffickers, thank you, thank you very much indeed. " Said the woman who wanted to kowtow again.

Chen Haoxuan hurriedly helped the beautiful woman and said with a smile, "Get up, don't be like that, I just told you, I am an abandoned child, so I hate those who want to make children leave their parents, for that reason I helped you. Or maybe your child and I have a destiny! Let me just happen to meet you."

The beauty woman was helped up by Chen Haoxuan, who picked up her son and said to her son, "Little Hua, thank uncle quickly."

The child in the beautiful woman's arms had stopped crying and he said to Chen Haoxuan in a delicate voice, "Thank you, uncle."

Chen Haoxuan tenderly pinched Han Fenghua's lovely face, then he took out a packet of tissues from his pocket, took one out and tenderly helped the beauty woman wipe the blood on her forehead. "Does it hurt?"

The beauty woman's face was all red, her heart was pounding, she felt that Chen Hao Xuan was really gentle, and also saw righteousness, and - and also so handsome, she thought in her heart that she actually thought that it would be good if she could marry Chen Hao Xuan, this thought scared her a lot, she was someone who already had a child, and also a divorced woman, and Chen Hao Xuan had billions of wealth, and the youth was handsome, how could he be with her own woman.

After Chen Haoxuan wiped the blood off her forehead, Chen Haoxuan tenderly said to the beautiful woman, "You follow them to the police station! Don't worry I'll go too."

"Well, thank you." The beauty woman thanked Chen Haoxuan once again.

The beauty woman was taken to the police car by the police, while Chen Haoxuan went to the kiosk near the train station to buy a few band-aids, and after he did so, he drove to the police station with Li De and the others.

When they arrived at the police station, the woman, the woman and the old lady were taken to the interrogation area. Chen Haoxuan, who was not a police officer, could not go in, but since he was a good friend of Li De, no one bothered him.

Chen Hao Xuan didn't care what others thought, he went to the beautiful woman and said gently to her, "Your wound is not very serious, but it has broken the skin, and the wound will leave scars if it is not treated in time. I've just bought some band-aids near the train station, let me put them on for you!"

With one hand holding the child and one hand constantly swinging, the beautiful woman was embarrassed and said to Chen Haoxuan, "No, I can just put them on myself."

"Your wound is on your forehead, how can you see it with your eyes, don't move, I'll put it on for you, it's quick." Chen Haoxuan said with concern, he tore off the white paper and tenderly put the band-aid on the beautiful woman's forehead, Chen Haoxuan put three band-aids in a row on the beautiful woman's forehead, the band-aids Chen Haoxuan bought were coloured, this was like a flower on the beautiful woman's forehead, this made the beautiful woman even more attractive.

"It's done." Chen Haoxuan smiled and said to the beauty woman.

"Thank you, by the way, I haven't told you my name after knowing you for so long! My name is Han Yuechan, and my son's name is Han Fenghua." Han Yuechan said sweetly to Chen Hao Xuan, who was shying away from the feeling of falling in love when he was helping her put on the band-aid.

"Han Yuechan, very beautiful name." Chen Haoxuan said with a smile.

Chen Hao Xuan retreated back to Li De and the others, he sat on a chair and quietly watched Li De as they worked on the case.

The woman and the old lady, knowing that they would not be able to leave once they entered the police station, had given up on continuing to lie and they gave an honest account of what had happened.

The woman and the old lady described the same thing as Han Yuechan did, so Li De stood up and wanted to finish the questioning. Just then, Chen Haoxuan stood up and he said to Li De in a serious voice, "Didn't you notice that they were very calm when they were snatching the children? I'm sure they must be repeat offenders, there must be quite a few children they have snatched like this."

When Li De heard Chen Haoxuan's words, he stopped in his tracks, and he said to the woman and the old lady in all seriousness, "Tell me honestly how many children you have cheated, and you had better tell the truth, or you are adding to your crime."

Chen Hao Xuan added, "Even if you don't tell us, we can still find out, and anyway, if there is a similar child snatching case near the railway station, we will decide that you did it, and maybe you will be sentenced to death by the judge for it."

Chen Haoxuan's intimidation really had an effect, as the woman and the old lady told what they had done in the past so that they would not be sentenced to death. The woman and the old woman were mother-in-law and daughter-in-law, and the girl was the woman's own daughter, and together they had robbed more than twenty children, all under the age of four. More than twenty children, breaking up more than twenty families, is a felony.

Then Chen Haoxuan didn't let them off the hook, forcing them to tell him how they had sold their children, and the results once again shocked Li De and the others that there was a larger group of traffickers behind the women and old ladies.

Chen Haoxuan asked again if those children were generally sold to others as children to raise, or what? The woman's answer was that the smart ones are sold to rich people, those who are not fertile
.....

Chapter 226

The woman and the old lady were still temporarily detained in the police station with the child, these people were very important to Li De now, because this was involved in a bigger criminal gang, if he could successfully destroy this criminal gang, his promotion would no longer be a distant dream.

When Chen Hao Xuan and Han Yuechan left the police station, Chen Hao Xuan said to Han Yuechan, "Where are you going? Do you need me to drive you?"

"No, no, I'm coming to Xinshan City this time to finish at a friend's house, she's very close to here, I can just take a taxi there." Han Yuechan said politely.

"It's better if it's very close! Come on! Take my car." Chen Haoxuan enthusiastically said to Han Yuechan.

Seeing how enthusiastic Chen Hao Xuan was, she was too embarrassed to refuse Chen Hao Xuan's kindness, so she sat down in the back seat of the car with her son in her arms. Chen Haoxuan sat in the driver's seat and he turned back to Han Yuechan and said, "Where is your friend?"

"The fashion clothing shop, you should know it, right?" Han Yuechan said with a smile. The fashion clothing shop was owned by Jiang Xianghan, Han Yuechan and Jiang Xianghan had been good friends for many years, and Jiang Xianghan had talked about Chen Hao Xuan and Jiang Xianghan's collaboration being something when they chatted on the phone many times, which was why Han Yuechan told Chen Hao Xuan with such an expression.

"Ah - your friend wouldn't be Jiang Xiang Han, Sister Han, right?" Chen Haoxuan said in surprise, he didn't expect that the person he saved today was none other than Jiang Xianghan's friend.

"Yes, that's her, she often mentions you on the phone, saying how you're so nice, I didn't think so before, but I've found out now that you're really nice." Han Yuechan covered her small mouth with one hand and laughed.

"Then we are too destined to be together!" Chen Haoxuan laughed.

"Yeah! I also feel that we are very destined for each other, look! There were thousands of onlookers at the train station, but not a single person came over to help me, if you hadn't happened to be passing

by when you saw a huge crowd gathered at the station and your curiosity made you stop your hurry. So we were really meant to be, as if God had specially arranged for you to come to my rescue." Han Yuechan said happily.

"Yes! So fated to say. Alright! Well done, I'll send you to Sister Han now!" Chen Haoxuan said.

Chen Hao Xuan drove quickly to Jiang Xiang Han's clothing shop, Chen Hao Xuan parked the car at the entrance of Jiang Xiang Han's clothing shop, if he turned his head to Han Yue Chan and said, "You wait for me in the car for a while, I'll go and call out Sister Han, lie to her that I've come to pick up the goods, let her open the car door to see for herself and give her a surprise."

"Sure!" Han Yuechan said sweetly.

Chen Hao Xuan got out of the car and he walked into Jiang Xiang Han's clothing shop, which was now doing as good a business as ever, with several customers choosing clothes inside all the time. Chen Haoxuan asked one of the female attendants in the clothing shop, "Where is Sister Han?"

"She's in the lounge watching TV!" The waitress pointed to the lounge in the clothing shop and said to Chen Haoxuan.

Chen Haoxuan walked towards the lounge and opened the door directly without knocking, and once he opened it he shouted loudly, "Sister Han, guess who I am?"

Jiang Xianghan, who was watching a romance TV series, was startled by Chen Haoxuan. She patted her plump chest and complained to Chen Haoxuan, "Little Xuan, you're already a billionaire, why do you still like to scratch people like a child! I was almost scared to death just now."

"Sister Han, I brought in my latest design of clothes today, do you want them?" Chen Haoxuan smiled and said to Jiang Xianghan.

Jiang Xianghan stood up excitedly and said happily, "Really?"

"Of course, if you don't believe me, go and see for yourself, it's on the back seat of the car." Chen Haoxuan handed the keys to Jiang Xianghan and said.

Jiang Xiang Han took the key and ran outside, she pressed the pop lock and opened the door at the back of the car with her hands. Once it was open, a delicate voice came from inside, "Aunt Han, Xiaohua misses you."

Looking clearly inside, Jiang Xiang Han realised that it was not goods in the car, but her good friend Han Yuechan, and Han Feng Hua, Han Yuechan's baby.

"Xiaohua, Sable, so it's you guys! This dead little Xuan, how dare he lie to me that he designed new clothes to put on the car in the back." Jiang Xianghan scolded with laughter. 貂蝉 was Han Yuechan's nickname, because of the word 婵 on her name and the fact that she had looked so beautiful as a child, so her friends called her 貂蝉.

Jiang Xiang Han stretched out her hands and hugged Han Fenghua in her arms, happily saying to Han Fenghua, "Little Hua, have you missed Aunt Han!"

"Yes, Xiaohua misses Little Aunt Han every day." Han Fenghua said in a delicate voice.

Han Yuechan got out of the car, she hugged Jiang Xianghan and said excitedly, "Sister Han, it's really good to see you."

Jiang Xiang Han felt that Han Yuechan was a bit strange, she felt as if Han Yuechan was sad about something, just as she wanted to ask, the little one in her arms spoke out, "Aunt Han, today there are three bad people who want to rob Xiaohua, Xiaohua is afraid."

"Gah, robbing Xiaohua? Sable, what's going on?" Jiang Xiang Han asked Han Yuechan with a questioning face.

"Sister Han, it's like this, we met an old lady who looked to be in her 50's on the way from Shuyang City to Xinsan City by train today, and she had a seven or eight year old granddaughter with her. She took good care of me on the way and asked me which one. Little did I know that when I arrived at the train station in Johor Bahru, just as I got off the train, she grabbed Xiaohua, saying that Xiaohua was her granddaughter, then another woman ran out, saying that she was Xiaohua's mother, and they both grabbed my Xiaohua, and Xiaohua was scared and cried by them.

I tried to run away with Xiaohua, but those heartless citizens surrounded me and wouldn't let me go, calling me a human trafficker. Thanks to Xiao Xuan, who happened to be passing by and saw so many people surrounding me, he got curious and went to see what was going on. He didn't know me, but he saved me, and if it wasn't for him, my Xiaohua could have been separated from me forever." Han Yuechan cried again at the mention of what had just happened.

"It's a good thing we had Xiao Xuan's help, Sable, stop crying ha! Let's forget about it, let's go, let's have tea in Sister Han's clothing shop, Xiao Xuan is the one having tea inside!" Jiang Xiang Han enthusiastically took Han Yue Chan's hand and walked into the clothing shop.

Walking into the lounge inside the clothing shop, Jiang Xiang Han said to Chen Hao Xuan once she was inside, "Xiao Xuan, thank you for saving Xiao Hua." Han Yuechan was the one she had asked to bring Han Feng Hua to play with her, and if Han Feng Hua had been snatched away by human traffickers, she would have felt guilty for the rest of her life.

Chen Haoxuan sipped his tea and smiled lightly, "You're welcome, it's all as it should be."

Jiang Xiang Han sat next to Chen Hao Xuan and said interestingly to Chen Hao Xuan, "How would you like my sister to repay you?" Her tone was tinged with temptation, and if Chen Haoxuan had guessed correctly, she wanted to compensate him with **.

Chapter 227

Listening to Jiang Xianghan's tone, of course Chen Hao Xuan knew what Jiang Xianghan meant, he also wanted to, but not at this time, because he had to train Lin Hao and the others.

Chen Haoxuan said to Jiang Xianghan, "I've been very busy recently, so I'll come back to you for favours after a while."

Han Yuechan, who was sitting in front of Chen Haoxuan and the others, heard Chen Haoxuan's conversation and she thought that Chen Haoxuan really wanted some kind of gift, so she spoke out, "Little Xuan, what do you want? I'll give it to you."

"Ga, what I want, can you give it?" Chen Hao Xuan said with a yin~ slut in his heart.

"Sister Han and I were joking, don't take it seriously." Chen Hao Xuan smiled awkwardly and said.

"You're joking - I'm not joking, I really want to give you a gift, otherwise I really don't know how to thank you." Han Yuechan said firmly.

Chen Haoxuan joked lightly, "Fine! Surprisingly, you insist on giving it to me, I am too embarrassed to refuse, so you can give me a plane!"

"Fly... a plane? Can... can you get another one! Planes are too expensive, I can't afford it." Han Yuechan joked.

"You're so mean, of course I'm joking! You don't need to send me any gifts really, if you really want to repay me, take good care of Xiaohua and don't let him leave any shadows in his childhood." Chen Haoxuan said seriously.

"Mm, I will, I will take good care of Xiaohua." Han Yuechan hugged her son tightly and said earnestly to Chen Haoxuan.

"Sable, you're not giving anything away, so a little meaning is always necessary, right?" Jiang Xiang Han funnily said to Han Yuechan.

"Don't want it, right? How can it really be?" Chen Haoxuan said no, but his face was stretched out.

Chen Haoxuan had saved her only son, not to mention a kiss, even if she was asked to sleep with him, she agreed. Han Yuechan didn't think about it that much as she got up and gave Chen Haoxuan a quick kiss on the cheek.

"I suddenly feel like I'm the happiest man in the world." Chen Haoxuan joked.

"Of course you are! With money, power and a beautiful woman." Jiang Xiang Han laughed.

Chen Haoxuan stood up as he spoke out to Jiang Xianghan and the girls, "Alright, I'm here to pick up Nana today, I'll go first, you guys take your time. Little Huahua, bye bye."

"Uncle bye." Han Fenghua was also polite and waved his hand with Chen Haoxuan.

After Chen Haoxuan left, Han Yuechan said to Jiang Xianghan, "Little Xuan is such a nice guy, that Nana he was talking about just now is his girlfriend, right?"

"Why are you jealous after just meeting him?" Jiang Xiang Han said to Han Yuechan amusedly.

"What are you talking about! I'm the one with kids! How can I still be with him!" Han Yuechan huffed, a little jealous, but in her jealousy she complained about her fate, why she met a negative man and not a prince charming like Chen Hao Xuan.

"That means you want to! Don't worry! I won't laugh at you, not just me, but all the women in the world won't laugh at you. Because who wouldn't want to marry a man as outstanding as Chen Haoxuan." Jiang Xiang Han laughed.

"Aunt Han, Xiaohua likes Uncle Xuan." Han Fenghua, who was sitting next to Han Yuechan playing, suddenly uttered these words.

"Look, Sable, look, your son even likes Little Xuan." Jiang Xiang Han laughed.

"I'm the one with children, I'm not like you, I can do whatever I want." Han Yuechan gave Jiang Xianghan a white look and said.

Jiang Xiang Han stood up, sat down next to Han Yuechan and whispered to Han Yuechan, "Sable, I'm telling you, you must not say anything out loud."

"What is it? So mysterious." Han Yuechan asked curiously.

"I want to have a child." Jiang Xiang Han whispered.

"You're getting married?" Han Yuechan was surprised, she remembered that Jiang Xianghan didn't seem to have a boyfriend, right? Could it be that Jiang Xianghan was getting married in a flash?

"No, I'm trying to have a child with Xiao Xuan in secret." Jiang Xianghan said sheepishly, she was almost thirty and the reason she hadn't even gotten married yet was because she really hadn't found a man worthy of her love, so she had decided not to get married and stay single. But in order to have a companion in the future, she wanted to have children, and she wanted to have, of course, the children of the man she liked, so she decided to look for Chen Haoxuan.

"Little - little Xuan? You're not joking, are you?" Han Yuechan was incomparably surprised, Chen Haoxuan was already someone who had a girlfriend, and Jiang Xianghan still wanted to have a baby with Chen Haoxuan, it was so unbelievable.

"I'm not joking, you may suspect that I'm cheap, but you should know that to truly love someone is to love everything about them, I can't marry him, but I can be his lover for the rest of my life, I'll help him have a child, I'll raise it myself, I'm sure he'll agree to my really small request." Jiang Xiang Han said seriously.

"Could it be that you and Xiao Xuan have already had a relationship?" Han Yuechan asked in surprise.

"Yes, just a while ago, you don't know, Xiao Xuan, he's so gentle." Jiang Xiang Han said sweetly.

"You wouldn't have been cheated out of your feelings by him, would you?" Han Yuechan still didn't quite believe Jiang Xianghan and Chen Hao Xuan's affair.

"No, when I did that with him, I took the initiative, and at the beginning he advised me to think about it, saying that it was impossible for him to marry me because he already had Chen Yina, but that it was okay to be his secret lover. He also said that when I had someone I liked, I could leave him. Do you think, is he nice? Seriously I'm super fond of him." Jiang Xiang Han said.

"Sister Han, you have to think about it seriously, it's really not a trivial matter." Han Yuechan advised Jiang Xianghan.

"I know, it's something I've been thinking about for a long time. Oh yes, don't you want to repay him? Why don't you help him have a child too." Jiang Xiang Han joked.

"Sister Han, what are you talking about! You're annoying as hell" The two of them, Han Yuechan and Jiang Xianghan, were chattering away in the lounge of the clothing shop.

On Chen Hao Xuan's side, he drove to his place and Li Jun who was doing push-ups at the door saw Chen Hao Xuan coming, he hurriedly got up and respectfully shouted to Chen Hao Xuan, "Good day boss."

"Well, you're in that situation, you want to participate in the 10's competition right?" Chen Haoxuan walked up to Li Jun, patted his shoulder and said admiringly.

"Of course, that's a competition where you can make a name for yourself, I still regret not going to the competition for the rest of my life." Li Jun joked.

"Then you go on, I'll go find Nana." Chen Haoxuan said.

Chen Haoxuan walked into the house and didn't see Chen Yina, so he went to Chen Yina's room, but the result was still not there. When he walked out of Chen Yina's, Chen Yina happened to come out of his room. When Chen Yina saw Chen Haoxuan coming, she happily jumped into Chen Haoxuan's arms, "Brother Xuan, I missed you so much."

Chapter 228

"I miss you too." Chen Haoxuan said as he passionately kissed Chen Yina's seductive mouth.

After kissing her passionately for a while, Chen Haoxuan spoke out to Chen Yina, "Nana, I'm here to pick you up and take you back to Chenjia Village, are you going back?"

"I want to! I've been working very hard these past few months and have learnt almost all of my sophomore classes, so I have a lot of time to spend with you now." Chen Yina hugged Chen Haoxuan's neck and said sweetly.

"Nana, you should have heard that on the 10th, that Matsui Ichiro will bring two dozen karate masters to compete with my people, right? In order to win glory for China, I need to train them well, so I can't accompany you during this time, so don't be angry, yo!" Chen Haoxuan said tenderly to Chen Yina.

"I won't be angry, as long as you have time to spend more time with me in the future." Chen Yina said in a kind and understanding manner.

"I knew my Nana was the best, let's go! Let's go back now." Chen Haoxuan smiled and said to Chen Yina.

"Wait for me, I'll go get something." Chen Yina said happily.

Chen Haoxuan he walked into his own room and saw that his room was neat and tidy and there were still water stains on the floor, needless to say, Chen Yina must have just been helping him tidy his room.

After Chen Yina got her things, Chen Haoxuan held her hand and walked outside. When he passed the door, Chen Haoxuan said to Li Jun: "With Nana away, there's no need for two people to be here, you go back to Chenjia Village and train with Lin Hao and the others! Just let Li Botao be here alone."

"Even so, boss is too good, I love you to death." Li Jun jumped up and down with joy, he had often called Lin Hao and the others and Lin Hao had told him that what Chen Hao Xuan had taught them in the real few days was so good that it would be a shame not to learn. Now Chen Hao Xuan told him to go back to training, could he not be happy?

Chen Hao Xuan drove the BMW back to the Chen family village and as soon as he got back he went to train Lin Hao and the others, while Chen Yina was very well behaved and helped Chen Hao Xuan at home with the washing and cooking.

Chen Haoxuan didn't come back until now because of Han Yuechan's business. Lin Hao and the others had already eaten dinner and were now resting in the dormitory. Chen Hao Xuan walked into Lin Hao's dormitory and asked them to play a ball fetching and catching game, a game where one side is responsible for fetching a basketball to hit the other side, and the other side is responsible for dodging or catching the basketball, if the basketball touches the other side and the other side does not catch it, the other side will lose one life, if you catch the ball more times, then you have more lives.

This is a game that children like to play, this game can train one's reaction and speed, in order to increase the difficulty, Chen Hao Xuan let Lin Hao and the others play with two basketballs at once.

This little game is quite fun, just listen to the laughter of Lin Hao and the others.

Chen Haoxuan he sat not far from Linhao and the others to eat and drink, with entertainment in front of him and a beautiful woman beside him, one of the great pleasures of life.

Having eaten and drunk enough, Chen Haoxuan went upstairs to bed after resting downstairs for a while, he intended to sneak up on Linhao and the others this evening to see how alert they were.

Lin Hao and the others got into the game, they hit the basketball so hard that they often bruised each other's noses. Zhang Tiezhu was even more impressive, as no one dared to catch the ball he threw, because if you did, it would probably send you flying. Lin Hao and his team played until 10pm, then showered and bragged in the dormitory until 11pm when they went to bed.

Chen Hao Xuan, on the other hand, had timed his bedtime with his mobile phone to 2pm. At night, in order not to wake up Chen Yina, Chen Hao Xuan was sleeping in another room tonight. Ringing 's mobile phone rang, Chen Hao Xuan heard the sound and immediately got up. He got up and dressed, went to wash his face and took a bottle of his own special ecstasy, which can make people lose consciousness in a short period of time.

Chen Hao Xuan went downstairs, took out a towel, poured a little of the ecstasy down, then tiptoed into Lin Hao's dormitory, the one sleeping on the outside was Lin Hao, Chen Hao Xuan took care of him first, Chen Hao Xuan's right hand quickly used the towel to cover Lin Hao's nose and mouth, his left hand quickly pressed Lin Hao's chest, Lin Hao basically passed out without struggling. In this way, one by one, Lin Hao and the others were successfully sneaked up on by Chen Hao Xuan and after charming them, Chen Hao Xuan found ropes in the dormitory and tied up Lin Hao and all of them.

After getting this done, Chen Hao Xuan went outside and brought in a bucket of water and rudely poured it on Lin Hao and the others. "It's raining it's raining" A few of the security team members kept shouting that it was raining, it seemed that they hadn't woken up yet.

Lin Hao and the others were awakened by the cold water, they saw Chen Hao Xuan standing in front of them, they didn't know why they were sitting on the ground, but they didn't have time to think about it, they had to say hello to Chen Hao Xuan first. When they tried to stand up, they realised that it turned out that their hands and feet were tied up with ropes.

"What's going on here? Who tied us up? Boss, what's going on?" Lin Hao and the others asked Chen Hao Xuan one after another.

"It was me who tied you up, you slept too much, if I were your enemy, you would have died long ago, and still died without any resistance at all." Chen Hao Xuan coldly said to Lin Hao and the others, he was disappointed by their vigilance, he had dazed all of them and surprisingly none of them could find him.

In fact, he couldn't completely blame not Lin Hao and the others, Lin Hao and the others had been exercising too much in the past few days, which made them sleep to death every day when they slept, as they were really too tired.

"Boss, you have tied us all up, why would we not know about it?" Lin Hao asked with a face full of questions.

"It's simple, I made my own bottle of ecstasy and charmed all of you, it's that simple." Chen Hao Xuan said indifferently.

"Boss, can you let us go?" Jiang Dong said to Chen Haoxuan.

"Your vigilance is too poor, so as a punishment, you will stay like this for the night!" Chen Haoxuan said seriously.

"Hao Xuan, you know it too, we've been training all day for the past few days, we're exhausted, so tired, can we sleep without dying?" Yang Lin said unhappily, he was in Chen Haoxuan these days, his favorite thing to do was to sleep, he felt that his whole body relaxed sleeping was really comfortable.

"On the battlefield, if you are very tired, you can say to your enemy, I am very tired, you should not come and fight me today, can you? You guys are tired, I know, because I'm tired myself, but no matter how tired you are, you shouldn't sleep so much or you won't even know you're dead," Chen Haoxuan coldly warned Lin Hao and the others.

"It's not like we're going into battle." Yang Lin said unhappily.

Chapter 229

"What am I training you all for? It's for my own safety, don't think it's okay because it's a time of peace, in fact the dark world in times of peace is even more terrifying, just like the Black Heart Gang, the Masked Men and so on some time ago, if I wasn't good at it, not only would I have gotten killed, even you guys would have gotten killed too. So in order to live a better life, we have to be strong, so strong that others are afraid, and we can live our free life in peace." Chen Haoxuan gushed, and when Chen Haoxuan finished he turned around and left Lin Hao's dormitory with them.

Chen Haoxuan went back and fell back to sleep, he felt so tired. They were all tied up with ropes by Chen Haoxuan, they were able to untie themselves, but when Chen Haoxuan was on his deathbed, he said he would punish them for sleeping like this for one night. They all felt very aggrieved because they felt they were so tired from training the past few days, so how could they not be allowed to get a good night's sleep!

The next morning at 5am, Chen Hao Xuan walked into Lin Hao's dormitory wearing a camouflage uniform and saw them sitting on the floor sleeping back to back as they had done yesterday. Chen Haoxuan roared, "Get up, all of you."

Lin Hao and the others were startled awake by Chen Hao Xuan's roar, many of them had forgotten that they had been tied up by Chen Hao Xuan yesterday, a few of them stood up quickly, the ropes tugged at them and they couldn't help but scream out.

"Untie yourselves, quick." Chen Haoxuan yelled at Lin Hao and the others.

Lin Hao and the others were helping each other untie the ropes back to back, Li Wenshan was also helping Yang Lin untie the ropes now, but Yang Lin didn't seem to appreciate it much, his expression was full of sleepiness, his eyes lost their usual colour, he was so sleepy now, he wanted to sleep so badly, he felt that this was hell for Chen Hao Xuan, he doubted that he would collapse if he was forced to go on like this by Chen Hao Xuan.

After Li Wenshan helped Yang Lin untie the rope, Li Wenshan said to Yang Lin, "Hey, Yang Lin, you still don't help me untie the rope."

Hooting and snoring, Li Wenshan rolled on the ground and rolled to Yang Lin's heels and saw him with his head down, eyes closed, snoring continuously. When Li Wenshan saw Yang Lin's actions, he was so angry that he really wanted to kick Yang Lin twice, this was so hateful, he had worked so hard to help him untie the rope, but now he was actually sleeping, so wasn't he giving him a hand for nothing?

"Yang Lin, get up, damn you, get up! The boss is here - you're still sleeping!" Li Wenshan cursed at Yang Lin.

But Yang Lin was so asleep that he would not have woken up until Li Wenshan, who was tied up with him, suddenly stood up and the rope hurt him, otherwise even a lion's roar from Chen Hao Xuan would not have woken him up.

Chen Hao Xuan walked over to Yang Lin and raised his hand to bring down a whip, snapping at Yang Lin's feet.

"Yah yah! My foot." Yang Lin woke up at once.

"Your buddy is helping you untie the rope while you are sleeping here, you still mean it! Quickly help your buddy untie the rope." Chen Hao Xuan yelled at Lin Hao, he also knew by looking at Yang Lin's expression that Yang Lin was very fatigued now, but very often people's potential was pushed out in this

way, Yang Lin was just coming now, if he held on for a while longer, he would not be so fatigued anymore.

Chen Hao Xuan saw that they had all untied the rope, so Chen Hao Xuan asked them all to go out and line up. After a good headcount, Chen Hao Xuan asked them to take the basketballs and go to the river to play water basketball.

Lin Hao and the others were all very sleepy, but they jumped into the river and the cold water washed away their sleepiness.

As he watched them play basketball, he saw that their bodies were much more agile than before and he was sure that their combat power had doubled. Linhao and the others were now doing a lot of exercises every day, and these exercises done continuously would make their bodies become very flexible over this period of time.

"Help. " Suddenly Chen Hao Xuan heard someone shouting for help, he quickly searched his men and found that Yang Lin was missing, he immediately asked his men loudly, "Do you know where Yang Lin has gone?"

"Huh, just now I saw him behind me." Jiang Dong spoke out curiously.

"Everyone, look quickly, Yang Lin is likely to have drowned." Chen Haoxuan said anxiously.

He said directly at the tree tree to take off his clothes trousers and boots, in two or three seconds he was naked, Chen Hao Xuan directly from the top of the tree leaped down, with a bang, Chen Hao Xuan directly through into the river water.

Lin Hao and each of them were looking for Yang Lin, swimming in the river well is such a danger, once drowned it is easy to be swept away by the river.

Chen Hao Xuan had just heard Jiang Dong say that Yang Lin was right behind him, so Chen Hao Xuan determined where Jiang Dong was and then calculated the speed of the river's flow to work out Yang Lin's approximate location now.

Chen Hao Xuan found Yang Lin ten metres down from where Jiang Dong had just been, and he held his neck with one hand as he swam quickly towards the river bank.

"I've found him." Chen Hao Xuan said loudly.

Lin Hao and the others swam ashore, they were not trying to be lazy, but they wanted to see how Yang Lin was doing, they did not know him very well, but they were good buddies who had slept together, drank together and trained together, so they should care.

Chen Hao Xuan put his finger on Yang Lin's nostrils and was relieved when he felt that Yang Lin was still breathing. "He's fine, he's still breathing!" Chen Haoxuan told Yang Lin and the others about Yang Lin's condition, so that they wouldn't have to worry about him.

Chen Hao Xuan pinched Yang Lin's human centre and soon Yang Lin woke up, and as soon as he was awake he cursed, "Holy sh*t, the river water is so hard to drink."

"Ga" Chen Haoxuan and the others were speechless, having almost drowned, he actually commented on the taste of the river water.

"Are you alright?" Chen Haoxuan asked to Yang Lin with concern.

"I'm fine, but it was really hard just now when I couldn't breathe at the bottom of the river, the feeling of coming back from the dead is really strange." Yang Lin said with an exclamation.

"Your kid's body is too bad! If you can't even stand this kind of suffering, how can you continue your training in the future!" Chen Haoxuan slapped Yang Lin and said.

"Don't worry, I, Yang Lin, will definitely be able to keep going, because Jiang Dong and the rest of them bastards can keep going, so why can't I." Yang Lin said with confidence.

"Good, since you just drowned, I'll give you the morning off, go back and get some rest! We'll train together again in the afternoon." Chen Haoxuan said to Yang Lin.

"Great, seriously, I'm very sleepy now and would love to sleep." Yang Lin said happily.

Yang Lin had just drowned because he was drowning due to cramps in his hands and feet, so he was now temporarily unable to walk back, so Chen Haoxuan asked Li Wenshan to carry Yang Lin back on his back.

Chapter 230

Yang Lin's drowning did not deter Chen Hao Xuan, who let Lin Hao and the others continue playing water basketball. He kept an eye on Yang Lin and the others from the trees, he wouldn't worry about Lin Hao and the others being in danger of drowning.

Two hours later, Chen Haoxuan told Linhao to gather them and go home for breakfast.

When Chen Hao Xuan returned, he found Chen Feng and his girlfriend Qian Xiaozhen. Qian Xiaozhen was now dead set on following Chen Feng, so she took the initiative to follow him home on a Friday. When she arrived at Chen Feng's home, Li Ping, Chen Feng's mother, warned them not to bother Chen Hao Xuan if they had nothing to do, as Chen Hao Xuan was very busy right now.

After Qian Xiaozhen asks why he is busy, he dares to take an interest in Chen Haoxuan's training of security guards, so she takes Chen Feng's hand and goes to Chen Haoxuan's house, wanting to see Chen Haoxuan train the guards.

When they arrived at Chen Haoxuan's house, Chen Haoxuan and the others were still outside! So they sat on the stone table and ate breakfast while waiting for Chen Haoxuan and the others to return.

Boom boom boom, the sound of unison footsteps only came in the distance, and hearing the familiar sound, Chen Feng said happily, "It's my brother-in-law who's back."

"What a neat sound of footsteps yo!" Qian Xiaozhen exclaimed.

"That's right, my brother-in-law's security team are all ex-soldiers, their current strength can't beat them even if they are special soldiers. Xiaozhen, you haven't seen the scene when they compete, it's so powerful! It's even better than the people in the movies." Chen Feng boasted.

Soon Chen Hao Xuan and his men appeared in Chen Feng's sight, looking at Lin Hao and his men, each with wet hair and a few droplets of water on their bodies, which made Qian Xiao Zhen once again couldn't help but praise Lin Hao and his men for being so formidable.

"Everyone, let's eat breakfast!" Chen Haoxuan said loudly to Lin Hao and the others.

Lin Hao and the others ate quickly, because if they ate quickly, they would have time to rest for a while longer, while others ate by chewing, they ate by swallowing, gurgling a bowl of egg congee was swallowed by them in two or three bites, and when they finished, they didn't taste the egg congee out.

Chen Hao Xuan sat at the stone table where Chen Feng and the others were eating their breakfast, "Xiao Zhen, Xiao Feng, good morning."

"Good morning brother Xuan." Chen Feng and Qian Xiaozhen said in the same breath.

"Brother Xuan, what time did you guys get up today? Where did you all go?" Qian Xiaozhen asked curiously to Chen Haoxuan.

As Chen Haoxuan ate his breakfast and answered Qian Xiaozhen's question, he replied, "I got up at five, and I took them to the river to play water basketball."

"Aunt Ping said you guys are very busy these days, but you are very busy - why do you still want to go to the river to play?" Qian Xiaozhen was like a curious baby, asking questions.

"We are playing, but we are using play to train, so that our training won't be boring!" Chen Haoxuan said.

"Ga" Qian Xiaozhen she couldn't understand Chen Haoxuan's words.

"Brother Xuan, when I'm on summer vacation I'll also learn fighting arts from you, okay?" Chen Feng said seriously to Chen Haoxuan, although he was as svelte as Chen Haoxuan in appearance, his inner desire was great, he did not want to be bullied, if he did not want to be bullied he had to be stronger than others, he understood this, he did not have the chance to learn martial arts before, but now that he had the chance, he wanted to learn it.

"Of course you can, you can protect yourself against female ** if you learn it." Chen Haoxuan joked.

After finishing his breakfast, Chen Haoxuan closed his eyes on the stone table and slumped for a while, half an hour later, Chen Haoxuan walked to the open space on the lawn. Before Chen Haoxuan could shout for assembly, Lin Hao and the others had the good sense to run to Chen Haoxuan and line up in front of him.

"This morning's training is to climb up, whoever can manage to have as much ease in the trees as walking on the ground is considered to have finished and can rest until the end of this event." Chen Haoxuan said loudly to Lin Hao and the others.

"Yes." Lin Hao and the others responded loudly.

"Now set off towards the mountain, remember, just go to the same place we went to before." Chen Hao Xuan said loudly to Lin Hao and the others.

The sound of boom boom boom rang out again as Lin Hao and the others quickly ran towards the mountain.

Qian Xiaozhen curiously said to Chen Feng, "Where are they going?"

Chen Feng scrambled the back of his head and said awkwardly, "I don't know, if you want to see, why don't we follow them?"

"Let's go then!" Qian Xiaozhen said impatiently, she had come prepared today, she who was wearing high heels had changed into a pair of flat cloth shoes today.

Qian Xiaozhen and Chen Feng quickly chased after Chen Haoxuan and the others. When they ran to the entrance, Chen Haoxuan and the others had disappeared, but they could still hear Chen Haoxuan and the others' footsteps.

"They're heading for the village entrance, let's chase after them." Chen Feng said to Qian Xiaozhen.

By the time they ran to the village entrance, Chen Haoxuan and the others had already started climbing the mountain.

"How did they run so fast!" Qian Xiaozhen said in surprise, as soon as Chen Haoxuan and the others left, she asked Chen Feng a question and then immediately chased after them, Chen Haoxuan and the others disappeared, when they ran to the village entrance, Chen Haoxuan and the others had already run up the mountain, this speed was really too fast in her knowledge.

"Of course they're fast! They are the ones who get up every day to run and train every day, so of course their bodies will be better than ours." Chen Feng said.

"Why are you still standing there, why don't you catch up." Qian Xiaozhen said and quickly ran towards where Chen Haoxuan and the others were.

Chen Feng and Qian Xiaozhen were too slow, and before they could reach the foot of the mountain, Chen Haoxuan and the others had gone over to another mountain.

The good thing was that there were many of them and they left a lot of traces wherever they passed, so they were not worried about not being able to find Chen Haoxuan and his men.

Chen Haoxuan and the others ran to the deep forest they had last been to, and in a deep forest with huge trees everywhere, Chen Haoxuan stood in front of Lin Hao and the others and said, "You guys are climbing up the trees, and whoever is fast in the trees doesn't need to learn anymore. I'll do a demonstration first!"

Chen Haoxuan quickly climbed up a large tree said, up to 7 meters high, Chen Haoxuan went to the branch, quickly jumped forward, grabbed another lesson tree's cover, both hands to the feet like, move forward quickly. To another branch, Chen Haoxuan fierce first-class stomp feet, the branch fiercely bounced, Chen Haoxuan want is this elasticity, just his own body is not able to fly to another several meters high tree, so he relies on the elasticity of the branch to help him fly to another tree.

Chen Hao Xuan was like a monkey, flying around the tree, and Lin Hao and the others were not as fast as Chen Hao Xuan when they were running below.

Chen Haoxuan flipped a few times in the air before landing in style. "It's that easy, everyone try it!" Chen Haoxuan said loudly to Lin Hao and the others.

"I'll go first." Lin Hao raised his hand and said.

"There's no point in coming one by one, let's have a few together!" Chen Haoxuan laughed.
