

A Billionaire's Reincarnation Chapter 311-320

Chapter 311

Shen Ruyan returned to the University of Xinshan and at six o'clock in the evening, Ye Hongfei came to see her and invited her to a party for the nobility. Shen Ruyan went to the party and had a lot of fun as there were many shows to watch.

After the party, Shen Ruyan went back to the University of Xinshan and crawled into bed, wondering when Wang Fuyou and the others had become so good at making girls happy. "Could it be that someone high up is guiding them? Right, that must be it." Shen Ruyan said secretly in her heart.

Shen Ruyan she decided to stay up tonight and hide on the roof of the girls' dormitory to see if Wang Fuyou had someone to guide them. Wang Fu You had shown her love in one place twice, she guessed that Wang Fu You would be in front of the girls' dormitory building for the third time as well, so she hid on the rooftop and waited, so she could definitely wait for Wang Fu You and the person who instructed Wang Fu You to them.

Shen Ruyan she thought and went, she hid on the roof of the small building on the rooftop, her hands wrapped around her feet and her head held high looking at the sky, she looked as if she was lonely.

At four in the morning, Shen Ruyan had already started to doze off, suddenly she heard the footsteps of someone going up the stairs, "Damn fatty, you go faster, I'm sleepy as hell now, get it done early so I can go back to rest early."

"Isn't that Chen Hao Xuan's voice? Could it be that he is instructing Wang Fuyou and the others?" Shen Ruyan said darkly in her heart.

Soon Chen Haoxuan and Wang Fuyou came out from the stairwell, and as soon as Chen Haoxuan came out, he said to Wang Fuyou, "Fix the cannon you are holding on the parapet, and remember to aim at the place where you were standing this morning."

There was no need to doubt anymore, it must be Chen Haoxuan who was teaching Wang Fuyou and the others to please her well, she stood up, crossed her arms and shouted angrily at Chen Haoxuan, "Chen Haoxuan, how dare you teach them to pick me up, are you impatient to live?"

Hearing Shen Ruyan's voice, Chen Hao Xuan turned around violently and saw Shen Ruyan standing on the small building like a heavenly god descending from the sky, making him need to hold his head high to see Shen Ruyan. "You - how come you're here?" Chen Haoxuan said in surprise.

"I should be the one to say this, so tell me honestly, did you come up with the idea for these two tricks they used to please me?" Shen Ruyan asked Chen Hao Xuan seriously.

Wang Fuyou, who was standing aside, said secretly in his heart, "Oh no, I've been found out."

"I didn't ah? I'm following Wang Fuyou over here now because he offered me a million RMB to come and help, if it was you, you probably wouldn't refuse either would you!" Chen Hao Xuan said.

"Yes yes yes, Chen Haoxuan is right, I paid him to help." Wang Fuyou explained.

"The hell I believe that! I've known you guys for so many years, would I not know what kind of people you are? If you guys were really that good at pleasing girls, you would have used it long ago, why did you only come to get it now, and with three of you together, it's strange that I don't suspect!" Shen Ruyan said in an exasperated voice.

"It's really none of my business, I only helped them make the tools, I don't know anything else." Chen Haoxuan explained awkwardly.

"Humph, you still want to lie to me, I have been following you guys for a long time." Shen Ruyan said, she was lying to Chen Haoxuan, she was trying to trick Chen Haoxuan out of his words.

Not to mention, Chen Haoxuan really believed it, after all, Shen Ruyan was a member of the Dragon Group, it was normal for her to stalk people without being discovered.

Chen Haoxuan said, "If you give me money, it's okay for me to teach you to pick them up!"

Hearing Chen Haoxuan's words, Shen Ruyan couldn't hold back a puff of laughter, and she scolded Chen Haoxuan with a smile, "I'm not that cheap! I won't go after someone I don't like, no no no, all brought down by you, it's someone I don't like that I won't go after, it's chasing not picking up."

"Just mean the same thing." Chen Haoxuan said.

"You-, hum, no quality." Shen Ruyan beamed her small mouth and said.

Wang Fuyou, who was carrying a very thick iron pipe, he saw Chen Hao Xuan and Shen Ruyan constantly chatting, while he, a big living person and standing right next to Chen Hao Xuan, Chen Hao Xuan and the others actually ignored him, he felt like he was transparent.

"I said can you two not ignore me? I'm at least a living person! You guys should have a word with me." Wang Fuyou was awkwardly born.

Chen Haoxuan said, "Oops! I suddenly realized that I have something very important to take care of, so I'll leave first."

"No going." Shen Ruyan jumped down with a graceful flip, blocking the entrance to the stairs.

"You forced me to do this." Chen Haoxuan aggrievedly said to Shen Ruyan as he suddenly turned and ran towards the guardrail, jumping straight down from the rooftop with a double stomp.

"Chen Haoxuan, don't!" Shen Ruyan shrieked, her voice full of clinging and fear. She seemed to have forgotten that Chen Haoxuan was fine even when he jumped from the sixteenth floor when he fought with Number Two before, let alone that this was the sixth floor.

Chen Haoxuan he leaned to grab the edge of the balcony outside the dormitory and kept descending with one grasp, and soon he landed unharmed.

Shen Ruyan she just rooftop see Chen Hao Xuan landed unharmed, her tense heart loosened. "I was scared to death, I thought he was still fallen to his death!" Shen Ruyan's voice was tinged with faint tears.

Wang Fuyou took a torch and shone it on Shen Ruyan, and was surprised to find that Shen Ruyan was crying. "Ruyan, you - why are you crying?"

"Ah..." Hearing Wang Fuyou's words, Shen Ruyan quickly wiped her face with her hand and found that there were really tears. She... she had actually cried from worrying about Chen Haoxuan's comforting scare? She had actually cried? She herself could not believe that this was true.

It was because Shen Ruyan's heart-rending scream just now had woken up most of the girls in the girls' dormitory. Many students thought that something had happened to Chen Haoxuan because the voice they heard was, "Chen Haoxuan, don't!" So they ran to the balcony to see, it was dark downstairs, nothing was there, they looked to the roof again and found a bright light on the roof, they suspected Chen Haoxuan was upstairs, so they ran to the roof.

Shen Ruyan, she left Wang Fuyou alone and ran away, she was going after Chen Hao Xuan and warned Chen Hao Xuan not to teach Wang Fuyou and the others to pursue her anymore. When Shen Ruyan she went downstairs, she ran into female students who were curious and wanted to run to the roof to see.

"Shen Ruyan, was it you who was screaming just now? What the hell happened to Chen Haoxuan?" A female student in pajamas asked Shen Ruyan nervously, looking at her nervous look, she must be a big fan of Chen Haoxuan.

"I was the one who called, but Chen Haoxuan he is fine, he has already gone back." Shen Ruyan said awkwardly.

"Went back? You two were on top of the girls' dormitory building in the middle of the night - you're not cheating~, are you?" A bold girl asked.

Chapter 312

"Ga" Shen Ruyan was speechless, they actually said that she and Chen Hao Xuan were cheating~ on the rooftop, such humiliating words they could even say.

"Don't guess blindly guys, it was Chen Hao Xuan who was instructing Wang Fuyou how to install the devices he made so that he could use them to chase me by tomorrow morning. When they went upstairs I found out and I followed them up, that's how it happened, if not you guys don't believe me, you can go up to the roof and see, right now Wang Fuyou is still on the roof!" Shen Ruyan explained.

"Then why are you screaming? Or Chen Haoxuan don't ah! Could it be that Chen Hao Xuan molested you?" A female student said sourly, seemingly jealous.

"I suddenly feel like I'm miserable, if I say that Chen Haoxuan jumped straight off the roof of the building, would you guys believe me?" Shen Ruyan said with tears and laughter.

"Believe it! He even jumped from sixteen high when he was fighting with the bad guys before!" Many female students agreed with what this student said.

"I don't have time to explain to you, move aside, I need to get out." Shen Ruyan pushed her way through the crowd and headed outside.

"Going out in the middle of the night, you're not going to find Chen Hao Xuan to cheat~, are you?" This comment is not sure who said it, which made Shen Ruyan almost roll down the stairs, she wanted

to say loudly that she was not that cheap, but thought better of it, these people were envious of her to say this about her.

Shen Ruyan he ran out of Xinsan University and walked quickly towards Chen Haoxuan's place. When he got to Chen Haoxuan's place, Chen Haoxuan was still awake! She could see from the window that Chen Hao Xuan was sitting in front of his computer drinking wine, wondering what he was doing?

Shen Ruyan she swaggered up to the door of Chen Hao Xuan's residence and pushed the door with both hands: "Huh-, why did you make such a small door?" Shen Ruyan questioned.

Shen Ruyan pushed open the small door and walked in, once inside she suddenly found that there were small doors everywhere inside, she turned around in place and forgot the southeast and northwest, she pushed the door, except for the door or the door. Shen Ruyan walked for almost ten minutes but did not get out of the enchanted formation. She kicked the small door in anger and said, "Damn Chen Hao Xuan, stinking Chen Hao Xuan, I will make you look good when I get out."

Chen Haoxuan he already knew that Shen Ruyan had broken into his Vertigo Formation, and he knew that Shen Ruyan was now very angry with him, so he dared not let Shen Ruyan in. He used the computer control and let Shen Ruyan turn around and turn out.

Shen Ruyan she managed to get out, but that was not what she wanted, what she wanted was to go inside the house, not to turn back outside. So she went in again, and because there was Chen Haoxuan messing around, she soon turned out again.

"I just don't believe I can't get in." Shen Ruyan huffed.

She took a water stone as big as two fists together from the door and walked into the Vertigo Formation again, this time she didn't turn around, she smashed a is stone against the door in front of her, the thump thump thump thump echoed in the narrow place, Shen Ruyan's own ears were shaken to a vague pain.

Sitting in front of the computer, Chen Hao Xuan smiled faintly and said: "You just smash it! If you can smash through a one centimetre thick steel plate, you're Hercules."

Shen Ruyan she smashed several times without any response, so she went to try other doors that could not be opened, the thumping sound kept ringing out.

After ten minutes of continuous smashing, Shen Ruyan's hands were sore. At this time, Chen Hao Xuan's voice came out from the Vertigo Formation: "Shen Ruyan, you'd better go back! You won't be able to break this Vertigo Formation of mine."

"Chen Hao Xuan, don't be complacent, I'll make you look good when I get inside." Shen Ruyan chortled.

"Let me tell you, the steel plate doors in this Vertigo Formation are all one centimetre thick, so no matter how much you toss and turn you won't be able to destroy him, and I can also control this Vertigo Formation, so you can go wherever you want." Chen Haoxuan said.

"I don't care, I'm going in." Shen Ruyan's voice was unintentionally spiteful.

"Then you can stay in the Vertigo Formation! I won't accompany you, I'll go to bed!" Chen Haoxuan said.

Chen Haoxuan directly lay down on the sofa to sleep, while Shen Ruyan she kept turning around in the Vertigo Formation, she was curious about this Vertigo Formation of Chen Haoxuan's, she wanted to study it, she just heard Chen Haoxuan say that he could control the Vertigo Formation, that meant that this Vertigo Formation was most likely a modernization of fusion. Shen Ruyan was thinking, no matter it is all powerful machinery, as long as there is no electricity is a pile of scrap metal, so she was looking for the electric wire.

If she could think of this, Chen Hao Xuan could also think of it. There are many wires in his Vertigo Formation, but they are all at the top of the Vertigo Formation, and there is a centimeter thick steel

plate at the top, so even if Shen Ruyan knew, she would not be able to open it, because a centimeter thick steel plate cannot be blown up even by a hand grenade.

After half an hour of searching, it was already dawn outside, and Shen Ruyan had not found a break in the Vertigo Formation.

"Chen Haoxuan, you bast ar d, let me out quickly, if you don't let me out I will call the police." Shen Ruyan shouted loudly, she waited for a long time but did not see Chen Hao Xuan answer, she was angry, she took out her mobile phone: "No... no signal? It can't be that evil, can it?"

This was thanks to the jamming device Chen Haoxuan had installed. With this jamming device inside the Vertigo Formation, not only did the mobile phone have no signal, even the compass could not be used.

"Chen Haoxuan, Chen Haoxuan, I ha te you to de a t h" Shen Ruyan kept cursing, she was tired and she sat on the cold steel plate.

She hated Chen Haoxuan and admired him at the same time, she felt that the bewitching formation Chen Haoxuan made could be called seamless, she couldn't find a single flaw after searching for so long.

Shen Ruyan was so tired that she wanted to squint, and when she did, she fell asleep.

She opened her eyes and found that she was lying in bed: "Why am I here? Whose room is this?" Shen Ruyan said nervously.

"Could I have been" Shen Ruyan thought looking lifting the covers and seeing that her clothes were still neat and tidy and her body didn't feel any discomfort, she was relieved to go.

Shen Ruyan got out of bed, put on her shoes and walked out, she saw a narrow living room, the living room was furnished with many things, looking past very crowded and very high class: "Huh-, how

do I feel so familiar here ah? This sofa and computer? By the way, isn't this the seat where Chen Hao Xuan sat yesterday. Was he the one who carried me to bed? I wonder if he took advantage of the opportunity to take advantage of me."

Suddenly Shen Ruyan heard a sound coming from the kitchen and she tiptoed over, "Chen Haoxuan."

Chapter 313

Hearing someone shout. Chen Haoxuan turned his head and saw that it was Shen Ruyan, he smiled and said, "Good morning!"

"Did you give me some kind of ecstasy yesterday, otherwise why did you carry me to bed without me knowing, and did you take advantage of me?" Shen Ruyan asked with her face flushed red.

"You were the one who slept like a piglet, I couldn't even push you to wake you up, I didn't want to care about you, but I was afraid you would catch cold so I carried you to my girlfriend's room to sleep. Don't worry, I slept in my room last night. As for your suspicion of whether I took advantage of you, you definitely don't need to doubt that, there's no need for that." Chen Haoxuan said.

"Why?" Shen Ruyan was confused, she was a beautiful woman! Which boy is not taking advantage of her.

"Because you're not my type!" Chen Haoxuan said.

"Don't I look good?" Shen Ruyan huffed.

"You are very nice, but your personality is not my type, to use my words, you are a flower vase." Chen Haoxuan said as he made breakfast.

"You - how dare you call me a vase, I think you are more like a seedy man, you have a girlfriend and you are still with other women, humph." Shen Ruyan chirped.

"You know this too! It seems that you are very concerned about my private life! But it's a pity that I won't accept you." Chen Haoxuan joked, Shen Ruyan was from the Dragon Group, he knew these secrets about him, Chen Haoxuan thought it was normal.

"I'm not chasing you, what do I need you to accept for!" Shen Ruyan pouted and said.

"If you don't like me, why are you relying on me all day?" Chen Haoxuan joked.

"You... you're pissing me off, I'll pinch you." Shen Ruyan stretched out her delicate hand and gave Chen Haoxuan's waist a fierce squeeze.

"Ouch! I said you're crazy! You even do such a move? I'd rather you hit me, I don't want you to do this warm move to me." Chen Haoxuan said aggrievedly.

"That's what you said, if I hit, you're not allowed to hit back." Shen Ruyan said expectantly.

Chen Haoxuan really didn't hide and just stood where he cooked his breakfast. Shen Ruyan raised her hand, she suddenly found that she couldn't hit it.

"What, you can't fight?" Chen Haoxuan said as he held a bowl facing Shen Ruyan.

Shen Ruyan saw the noodles at Chen Hao Xuan's end, pork, pork intestines, pork liver, eggs, and green vegetables, she couldn't help but say, "It smells so good."

"Want to eat?" Chen Haoxuan said with a smile.

"Mmmmmm." Shen Ruyan nodded her head in a hurry.

"Sorry I just cooked a bowl, if you want to eat it, then let's eat it together!" Chen Haoxuan said with an evil smile.

Shen Ruyan quickly snatched the large bowl that Chen Haoxuan was holding in her hand with lightning speed, she turned around and ran out of the kitchen, not forgetting to grab a pair of chopsticks on her way out.

"Wow sh*t, why is this speed so fast? Even I didn't react." Chen Haoxuan said in surprise.

The scene of Shen Ruyan eating noodles in the living room, Chen Haoxuan couldn't bear to look at it, he suspected that Shen Ruyan hadn't eaten for a few days, otherwise how could an official second generation eat noodles like this, it was too indecent.

Shen Ruyan she saw Chen Haoxuan watching her eat the noodles at the kitchen door, she swallowed a mouthful of noodles and looked up to Chen Haoxuan smugly, "Don't worry I will leave the soup for you."

"You can drink it yourself! I can't drink soup that has your saliva on it." Chen Haoxuan said.

Hearing Chen Haoxuan's words, Shen Ruyan herself was embarrassed that her words just now had the implication of signalling Chen Haoxuan to drink her saliva.

"Didn't you say you had only cooked one bowl? This bowl was eaten by me, give the soup dregs to you and you don't drink it, so what are you eating?" Shen Ruyan huffed, as she complained that Chen Hao Xuan disliked her saliva.

"You haven't washed your face and brushed your teeth, do I dare to drink it?" Chen Haoxuan laughed.

"Yah! Right! I just got up and haven't brushed my teeth yet! Chen Haoxuan, why didn't you remind me when you knew I forgot to brush my teeth?" Shen Ruyan stopped eating her noodles as she chortled at Chen Haoxuan with an embarrassed face, eating without brushing her teeth, such an unhygienic thing for her to do.

"None of my business, I thought you didn't have a penchant for brushing your teeth!" Chen Haoxuan laughed.

"Hmph." Shen Ruyan stood up, walked over to Chen Haoxuan and chirped, "Get me a new toothbrush for me, and a towel."

"There's a small cupboard inside the washroom, there's everything in there, go and get it yourself!" Chen Haoxuan said.

"Hmph, no gentlemanly manners at all, bad man." Shen Ruyan scolded as she went to look for the washroom.

Chen Haoxuan he had actually cooked two bowls of noodles this morning, he turned around and took his own bowl out to eat.

When Shen Ruyan returned from washing her face and brushing her teeth, she was shocked to see Chen Hao Xuan sitting on the table eating the noodles, didn't Chen Hao Xuan say he had only made one bowl of noodles? So Chen Haoxuan was eating the same bowl of noodles she had just eaten? Chen Haoxuan actually ate the noodles she had eaten, her heart instantly became torn.

Chen Hao Xuan saw Shen Ruyan coming out, out of politeness, Chen Hao Xuan waved to Shen Ruyan and said, "Come over and eat the noodles ah?"

Gah, Chen Haoxuan actually invited her to eat noodles in a bowl with him, how could he Chen Haoxuan be so shameless! Shen Ruyan suddenly noticed how there was an extra bowl next to Chen Hao Xuan, she quickly walked over and saw that it was not her bowl of noodles that Chen Hao Xuan was eating, she couldn't help but pat her chest and sighed, "Good thing I didn't eat mine."

"You think I'm like you and grabbing other people's food to eat! Just sit down and eat! We have to go to class later!" Chen Haoxuan gave Shen Ruyan a blank look and said.

Shen Ruyan sat next to Chen Haoxuan and asked, "Didn't you say you only made one bowl? Why did you suddenly have an extra bowl?"

"Oh, it's like this, I did my own fortune telling for today yesterday and figured out that I was destined to have something snatched away from me today, so for my own safety, I made two when I cooked breakfast, and I didn't expect that no one would really snatch it." Chen Haoxuan joked.

"Cheapskate, I'm not eating it, hmmm." Shen Ruyan huffed, she had just eaten the noodles without brushing her teeth, even though she had eaten them herself, she was still a bit too dirty.

"I have some soup here, I don't know if you want to drink it?" Chen Haoxuan joked.

"Chen Haoxuan, I hate you to death." Shen Ruyan turned around and stopped paying attention to Chen Haoxuan.

"My big sister yeah! You're much older than me, so don't be childish, okay?" Chen Haoxuan said to Shen Ruyan in a very serious manner.

Girls, no matter who they were, didn't like people calling them older, especially people they cared about. Shen Ruyan said petulantly, "Aren't all girls like this? Unlike you boys, you pretend to be adults at a young age, especially you, I hate people like you the most."

"Then you're still leaning so close to me." Chen Haoxuan laughed.

Shen Ruyan immediately sat on the other side: "Who likes to sit next to you? Stinky."

Chapter 314

Chen Haoxuan and the others finished their breakfast. Then they went to school together.

Wang Fuyou, the three of them were waiting for Chen Hao Xuan at the door. They were surprised to see Chen Hao Xuan and Shen Ruyan together, they had come early today! They hadn't seen Shen Ruyan go out, so how could they be together?

"Oh, I see, in the early hours of this morning, Chen Haoxuan and I were spotted by Shen Ruyan when we were on the roof of the girls' dormitory, then Chen Haoxuan ran away and Shen Ruyan went after him. They are together now, did they spend a few hours together?" Wang Fuyou spoke up.

"Something couldn't have happened in those few hours, could it?" Ye Hongfei said worriedly.

"Don't guess blindly guys, Shen Ruyan isn't like that." Gongsun Hyun said.

Chen Haoxuan saw Wang Fuyou and the three of them when he entered the school, so he greeted them with a smile, "Hey, good morning everyone!"

"Chen Haoxuan, come here, we have something to see you." Wang Fuyou and the three of them pulled Chen Hao Xuan and left.

Shen Ruyan wanted to hear if they wanted to discuss how to chase her again, so she followed.

Wang Fuyou and the others spotted Shen Ruyan following behind, they knew that Shen Ruyan was very agile and it would be impossible to shake her off. He suggested going to the boys' toilets, where even if Shen Ruyan was invincible, she would still be embarrassed to go in.

Shen Ruyan saw Wang Fuyou and the others pulling Chen Hao Xuan to hide inside the toilets, and she was so angry that she stomped her feet. "Humph, just know how to cheat girls, if you have the ability to compare with me then say, even I can't compare with you still want to be my boyfriend, dream on." Shen Ruyan scolded.

On the ground floor inside the boys' toilet, Wang Fuyou and the others let go of Chen Hao Xuan, Wang Fuyou said, "Chen Hao Xuan, Shen Ruyan went after you yesterday, did she catch you? Did you tell you the truth."

"Sorry, she knows all about it. Don't you guys blame me, it's not my business, she was the one who eavesdropped on us." Chen Haoxuan said.

"Then what should we do?" Gongsun Hyun asked.

"If we know, we know. If we know, we'll chase her openly." Chen Haoxuan said bullishly.

"Right, responsible for just the three of us chasing her, she can only choose one of us." Ye Hongfei said.

"I think how about this, the three of you woo her together every day, Wang Fuyou you are responsible for all the expenses, Ye Hongfei you are responsible for calling people, Gongsun Hyun you say hello to the traffic bureau, otherwise you will be embarrassed if you are stopped by the traffic police for making too big a show." Chen Haoxuan said.

"Worried about being stopped by the traffic police, how big is this?" Wang Fuyou questioned.

"Yes, yes! You can tell me." Ye Hongfei was also curious to know.

"We'll take action today. We'll borrow all the expensive cars in Xinshan City if we can, or rent them if we can't. Ye Hongfei you pick some durable punks to come in designer suits and let them sit in those borrowed or rented fancy cars, as for the money you find Wang Fuyou. As for how many people are needed, I am not sure yet because it depends on how many famous cars can be borrowed and rented, one famous car sits three people, that is my estimate.

Gongsun Hyun you are a second generation official, the traffic police in Xinsan City should give you face, you say hello to them so that it doesn't happen in the past, if you can, you'd better ask a few traffic police to drive a traffic police motorbike to clear the way for us. By then you guys will be absolutely bullish, even if Shen Ruyan didn't promise one of you, I'm afraid she won't be able to forget you guys for the rest of her life if she wants to." Chen Haoxuan said with an evil smile.

Chen Haoxuan didn't know why, he just wanted to mess with Shen Ruyan a little.

"It's a bit like forcing the palace in ancient times, but I feel good, it's time to force her to make a stand." Gongsun Hyun said.

"Then let's not go to class today, let's go, let's act together!" Chen Haoxuan smiled wickedly.

Chen Haoxuan and the others walked out of the toilet with their shoulders hooked together, when Shen Ruyan saw Chen Haoxuan and the others coming out, she quickly walked up to Chen Haoxuan and the others and said to Chen Haoxuan and the others, "What exactly did you guys say inside the toilet when you were hiding in mysterious ways?"

Chen Haoxuan spoke out, "If we could tell you, would it be necessary for us to hide inside the toilet?"

"You're all bad men." Shen Ruyan said in an exasperated voice.

"If men aren't bad, women don't love them, isn't that how it is perceived?" Chen Haoxuan laughed.

"Rascal." Shen Ruyan chirped.

"No more bullsh*tting with you." Chen Haoxuan gave Shen Ruyan a white glance, then said to Wang Fuyou and the others, "Brothers, let's go and get away."

Looking at the back of Chen Hao Xuan and the others leaving, Shen Ruyan wanted to follow suit, but it was not in line with her old character, in the past it was always others who followed her, now she felt awkward asking her to follow others to have fun.

Chen Hao Xuan they left the University of Xinshan together in Wang Fuyou's BMW, Wang Fuyou he took Chen Hao Xuan they went to a luxury hotel, and then he desperately called, he called are said, lend me your car for a few days, now drive to ** hotel.

Wang Fuyou's friends are generally driving BMW, Mercedes, Ferrari, grade too low are not qualified to be his friends, of course Chen Hao Xuan is an exception, because Chen Hao Xuan lazy to buy, rather than no money to buy.

Chen Hao Xuan proposed Wang Fuyou to rent four extended version of Lincoln, one for each of them, Chen Hao Xuan sit one on the grounds that he does not go who knows to command.

Gongsun Hyun and the others also knew a lot of rich people and for the sake of their future, they also called to borrow cars.

As a result, by noon, there were hundreds of famous cars parked in front of the hotel where Chen Haoxuan and the others were, and as for the four extended version Lincolns, they would need Chen Haoxuan and the others to go there in person tomorrow to do the formalities before they could drive away.

At noon, Wang Fuyou invited all the people who took the cars to dinner, and after eating Chen Hao Xuan told Ye Hongfei to go back immediately and choose 300 people. At the same time Chen Hao Xuan also told Gongsun Hyun to go to the traffic bureau to make connections while he went back to his garment factory, he was willing to rent the clothes he designed but asked Wang Fuyou to pay him one tenth of the money for each piece of clothes he designed, one piece of his clothes sold for 15,000 RMB, one tenth is 1,500 RMB.

Shen Ruyan, she did not go to class today, was not in the mood to go to class, she walked around the campus. She was curious where Chen Haoxuan and the others had gone and why they hadn't returned by now.

Chen Haoxuan and the others worked together, it must have been awesome the next day.

Towards the end of the night, Wang Fuyou asked those friends of his to take the car back and wait for tomorrow at eight o'clock.

Gongsun Hyun he came back, he told Chen Haoxuan that the director of the traffic bureau said he would strongly support him, not only did he send four people driving traffic police motorbikes, he also sent two police cars, with them opening the way, we are bullish.

Chapter 315

Ye Hongfei. His men had also been chosen, a total of three hundred. When Chen Hao Xuan saw the juniors brought by Ye Hong Fei, they had all kinds of hair, so he asked Wang Fuyou to buy a few electric haircutting pushers and asked them to cut each other's hair, all into round inches.

After that, Chen Haoxuan told them all to go back and take a shower and meet at 7am tomorrow.

Everything was taken care of, and we were waiting to see the results tomorrow.

The day passed quickly, and Wang Fuyou and the others went to Chen Hao Xuan's place at six in the morning to look for him.

Early is good! Chen Haoxuan got up and went to toss and turn with Wang Fuyou and the others. Chen Haoxuan took Wang Fuyou and the others to his garment factory to pick up three hundred and three sets of Chen Haoxuan's own designed clothes, and then went to the villa where Ye Xiaonuo was staying for the time being, because last night Ye Hongfei had arranged for his three hundred minions to stay at this villa.

Chen Hao Xuan told Ye Hong Fei's minions to put their clothes on and then asked Wang Fuyou to call those friends of his and ask them to bring their cars here.

At ten o'clock in the morning, there was a very grand motorcade in the city of Hsinshan, none of these cars were less than a million yuan, with traffic police in front, followed by a long motorcade, and four cool men on Harley motorbikes at the end of the motorcade.

When such a motorcade appeared, it immediately attracted a large number of onlookers, who wondered if some big shot was visiting the city. How could they know that this luxurious motorcade was formed to pick up girls?

The caravan bullishly killed towards the University of Johor Bahru, the security guards at the entrance of the University of Johor Bahru, Chen Hao Xuan had already greeted them yesterday, even the president of the University of Johor Bahru Chen Hao Xuan spoke to him, the president was the promise at the entrance, because such a luxurious caravan drove into the University of Johor Bahru, it was a good advertisement for the University of Johor Bahru.

The luxurious motorcade drove directly into the front of the teaching building of the University of Johor Bahru City and the luxurious motorcade stopped. The sound of opening doors stretched out with a bang One by one, people in expensive suits got out of the cars and stood on both sides of the cars in two neat rows. The momentum came out with this stop, and no one dared to ignore the huge aura.

Wang Fuyou and the others got down from the extended version of the Lincoln one after another, Chen Hao Xuan came down carrying a huge megaphone, he put it on the ground, stepped on it with his

right foot, took out a microphone from his pocket, then shouted loudly into it, "Shen Ruyan, come out, someone wants to confess his love to you."

"Ahhh..., look guys, isn't that Chen Haoxuan? There will be Wang Fuyou and the others, why are they making such a big show?" The students inside the teaching building didn't care if it was a class or not, they all ran out to see the fun.

Shen Ruyan, who heard Chen Hao Xuan's words in the classroom, was shocked and thought to herself, "Could it be that Chen Hao Xuan wants to confess his love to me? What should I do? Should I go and reject him?"

"Shen Ruyan, you'd better go out! Your suitor has come with a huge caravan to confess his love to you at Xinsan University, and it's not a good idea for you to keep hiding in the classroom!" Shen Ruyan's teacher was on the podium and said to Shen Ruyan.

Shen Ruyan walked out of the classroom and saw the caravan lined up from the teaching building all the way to the school gate, all the cars were famous cars, there were tall and strong people standing on both sides of the cars, and all of them were wearing the clothes designed by Chen Hao Xuan, which were 15,000 yuan a piece of designer goods or goods with no market price! These people must be very rich, Shen Ruyan thought.

Chen Hao Xuan, who was downstairs, saw Shen Ruyan coming out, so he shouted loudly, "Shen Ruyan, I see you, don't hide from the confession later on."

Shen Ruyan's face flushed red and she said to Chen Haoxuan in a delicate voice, "Didn't you say you didn't like me as a class? Why are you coming to confess your love to me now, humph."

Gah, Chen Haoxuan's microphone fell to the ground, Wang Fuyou they held the roses, eyes full of suspicion looked at Chen Haoxuan, that look seemed to say, do you and Shen Ruyan have some unspeakable secret?

Chen Hao Xuan sobered up, he hurriedly picked up the microphone that had fallen to the ground, then said to Shen Ruyan, "Big sister, please make one thing clear, I didn't say I wanted to confess my love to you, the ones who want to confess their love to you today are these three, who have been chasing you for years." Chen Hao Xuan pointed at Wang Fuyou and the others and said.

Hearing Chen Haoxuan's words, Shen Ruyan really wanted to find a rat hole to hide, she actually suspected that Chen Haoxuan was going to confess his love to her, or say such words in front of so many people, then others would definitely think that she liked Chen Haoxuan.

"Ah..., not you?" Shen Ruyan said awkwardly.

"It's me, you're thinking beautiful." Chen Haoxuan joked.

The onlookers followed suit and laughed.

Chen Haoxuan said to Wang Fuyou and the others, "Brothers, it's your turn."

Wang Fuyou had contributed the most this time, so no one had a problem with him coming first. Wang Fuyou took out the microphone he had prepared and passed it to his mouth, saying to Shen Ruyan with deep emotion, "Ruyan, you know in your heart whether I love you or not, although you already know it, I still want to tell you loudly today, Shen Ruyan, be my girlfriend! Live with me, I will treat you well, I will be obedient to you, I will change everything for you, I am willing to go to the mountains of sword and the seas of fire for you, I just want to spend my life with you."

As soon as Wang Fuyou finished speaking, Ye Hongfei spoke up, "Ruyan, I am a gangster, I don't know how to please girls, but I can guarantee that if you follow me, I will let you live a carefree life with good food and spicy food every day."

It was Gongsun Hyun's turn, he picked up the microphone very elegantly and looked at Shen Ruyan, "Ruyan, I am a very introverted person, I have been silently guarding you for so many years, don't you really feel my love for you? Give me a chance to love you, okay?"

"That was brilliant, everyone applaud." Chen Haoxuan said loudly, finishing with the first applause, and the claps rang out non-stop.

"I know you guys like me, but I've always treated you guys as my best friends, please understand." Shen Ruyan said loudly.

"Don't be a friend, be a lover." Chen Haoxuan shouted loudly.

Ye Hongfei's minions were also very sensible and shouted along with Chen Haoxuan, shouting the slogans so neatly as if they had been specially rehearsed before. Chen Haoxuan and his men shouted while raising their fists to the sky in protest.

Chinese people love to get together and when they saw Chen Haoxuan and the others shouting, the onlookers also shouted with them. With so many people shouting at Shen Ruyan, Shen Ruyan immediately felt the pressure increase, and she now hated Chen Haoxuan in her heart because no one but Chen Haoxuan could come up with such an idea.

"What should I do? I don't like them, but I can't hurt them either! They have been so nice to me, and if I hurt them in front of so many people, I might not be able to be friends anymore." Shen Ruyan said with worry in her heart.

Chapter 316

"Ugh-. Even the best friends can't joke about their happiness with them." Shen Ruyan said darkly in her heart.

Shen Ruyan thought better of it and she said loudly to Wang Fuyou and the others, "Wang Fuyou, Ye Hongfei, Gongsun Hyun, all three of you are very good boys, you should find someone you love and she loves you too. Instead of finding me, someone who has only friendship but no love for you."

"Ruyan, I really do love you, believe me." Wang Fuyou said sincerely to Shen Ruyan.

"Wang Fuyou, I, Chen Hao Xuan, believe you, Shen Ruyan, answer quickly! Look at how much Wang Fuyou loves you, you should show it even if you are a wooden head!" Chen Haoxuan said loudly.

Shen Ruyan could no longer hold back her voice and scolded Chen Hao Xuan, "You damn Chen Hao Xuan, if it wasn't for your shenanigans, could things have gotten so big? I'm telling you, after this is over, I'll settle the score with you."

"I'm the one who screwed up, so what? Do you want people to wait for you all the time? If you don't like someone, just say so! Don't let Lang charge someone's beautiful youth, so I'm not wrong at all for doing this." Chen Haoxuan said.

"I told them a long time ago, but not once did they listen," Shen Ruyan said aggrievedly.

Chen Haoxuan turned the microphone off and whispered to Wang Fuyou and the others, "You guys go for it! It's up to you guys whether you can take Shen Ruyan down today."

Hearing Chen Haoxuan's words, Wang Fuyou and the others started to confess their love to Shen Ruyan again, while Chen Haoxuan was afraid of the world and kept on coaxing from the back.

"You guys hold up roses in your hands and kneel on one foot to confess your love to him! Then say together Ruyan, accept me! See which one of you she accepts. This won't even work, despise you all." Chen Haoxuan whispered behind Wang Fuyou and the others and reminded them.

Wang Fuyou and the others did as Chen Haoxuan said, the three of them kneeling in a single line, holding up the roses with both hands and saying in unison, "Ruyan, accept me, right?"

Although Shen Ruyan could not hear what Chen Hao Xuan was saying to Wang Fuyou, she could see Chen Hao Xuan continuously teaching Wang Fuyou what they were doing. Shen Ruyan she ignored

Wang Fuyou and the others as she pointed at Chen Hao Xuan and scolded loudly, "You're so good, come and chase! Just know how to talk, humph."

Chen Haoxuan pointed at his nose and asked, "Is the person you are referring to me?"

"Who else could it be if not you, you like to meddle in things all day, be careful of getting into trouble." Shen Ruyan chirped.

"If you want me to chase you, unless you become an idiot." Chen Haoxuan said loudly, he also felt strange, he often talked to Shen Ruyan and talked and talked and then they could argue. Could it be that this was dry wood and blazing fire, which would catch on at the first touch?

Wang Fuyou and the three of them wanted to pull Chen Hao Xuan to a deserted place to beat him up, they were confessing their love to Shen Ruyan, they were the real protagonists, how could Chen Hao Xuan who was a supporting actor steal the drama of the protagonists!

"Ruyan"

Seeing that Wang Fuyou and the others still wanted to say something, Shen Ruyan was very upset, she interrupted Wang Fuyou and the others and said loudly, "Ah--, stop it, you guys want to be my boyfriend, right? Then you guys should knock Chen Hao Xuan down first before talking."

Wang Fuyou and the others looked back at Chen Hao Xuan with a helpless look in their eyes, as if to say, "Brother, I'm sorry, for the sake of love, you should sacrifice!"

Seeing the wolf-like eyes of Wang Fuyou and the others, Chen Haoxuan waved his hand and said, "Hey, hey, I'm your master, without my help, you won't be able to chase after Shen Ruyan."

"Chen Haoxuan, don't worry, I won't lay a heavy hand." Ye Hongfei rubbed his palms together and said.

"Chen Haoxuan, why don't we cheat! As soon as we pass, you will fall down, and if you promise, I will give you ten thousand RMB." Wang Fuyou laughed yin.

"Chen Haoxuan, I beat you today, you can fix me up when no one is around." Gongsun Hyun said to Chen Haoxuan.

Being beaten up, or being watched by so many people, even if he gave Chen Haoxuan ten billion - he wouldn't do it, it was too much of a loss of face.

Chen Haoxuan suddenly got serious and said indifferently to Wang Fuyou and the others, "Have you forgotten one of my fighting arts masters? I can handle the three of you with one hand."

"What if it's more than three hundred people?" Ye Hongfei laughed yin as he waved his beating hand and said loudly, "Brothers, help me put down Chen Hao Xuan and I'll hire him as my personal bodyguard."

"Charge!" Ye Hongfei's minions, over three hundred of them, rushed towards Chen Haoxuan at the same time.

"Hey, you guys should pay attention, you are wearing 15,000 RMB worth of clothing, if there is even the slightest damage, you will need to buy him out, more than 10,000 RMB, can you afford to buy it?" Chen Haoxuan shouted loudly to Ye Hongfei's minions.

Ye Hongfei's minions really stopped, the clothes were too expensive, they didn't dare to mess around.

"I'll pay for it if it breaks, everyone give me a go." Wang Fuyou said loudly.

With Wang Fuyou, a rich kid, giving the word then it was different, all the punks ran towards Chen Hao Xuan, who threw the microphone away and quickly ran towards the teaching building.

"Quickly chase, I will give 10,000 RMB to the one who turns Chen Haoxuan backwards." Wang Fuyou said loudly, rich people are different, relying on money to solve everything.

Shen Ruyan saw Chen Hao Xuan being chased by so many people and fled, she couldn't help but laugh out loud.

When Chen Haoxuan she was almost running to the teaching building, he suddenly jumped and of course shouted to those who were upstairs, "Beauty, please extend your hand."

Chen Haoxuan's words made many students not have time to think before their hands were already outstretched. Chen Haoxuan grabbed a girl's hand and with a slight tug, the girl jerked upwards! Chen Haoxuan thus directly jumped up to the first floor, and then, with his feet stomping on the balcony of the first floor, his hands grabbed the third floor, and with his hands a force a support, people already on the third floor.

Chen Haoxuan kept climbing up to the fourth floor like this, this is the floor where Shen Ruyan is, Chen Haoxuan corridor found Shen Ruyan, Chen Haoxuan seriously said to Shen Ruyan: "Don't be joking, you know, I am a master, if they fight with me, they will die a cruel death. So you'd better make them stop." Chen Haoxuan said.

"It's none of my business, I'm just saying it casually." Shen Ruyan said smugly.

"Good, you're forcing me to do this." Chen Haoxuan said.

Chen Hao Xuan turned around and struck out at those who tried to arrest him**, Ye Hong Fei's minions were many, but the problem was that they were all punks, they were no match for Chen Hao Xuan! When Chen Hao Xuan's fighter would strike, one of Ye Hong Fei's minions would fall down.

Seeing that Chen Hao Xuan was so strong that he dared to fight 300 people by himself, Ye Hong Fei regretted ordering his minions to attack Chen Hao Xuan, as 300 people would not be able to beat Chen Hao Xuan alone, and then his face would be lost.

Chapter 317

Chen Haoxuan didn't hit much harder. He only specialized in hitting the parts of people that were more likely to faint, so Ye Hongfei's minions kept falling down in front of him.

When Shen Ruyan saw that Chen Haoxuan had put down twenty to thirty people in just a short while, she hurriedly told Chen Haoxuan to stop, "Chen Haoxuan, stop, we are all joking, there is no need to be so serious."

He replied to Shen Ruyan as he fought, "I'm joking with them right now!"

"Chen Haoxuan, stop it now." Shen Ruyan chirped.

"They are beating me, am I not allowed to fight back?" Chen Haoxuan said.

"Ye Hongfei, quickly tell your men to stop." Shen Ruyan shouted to Ye Hongfei.

There was a step to take, of course Ye Hongfei would not refuse, to be honest, installing this speed of Chen Haoxuan, he was worried that all his 300 men would be put down by Chen Haoxuan, he shouted loudly to his minions, "Everyone stop, send the injured brothers to the hospital, those who are not injured, continue to stay."

Chen Hao Xuan he acted as if nothing had happened and answered Wang Fuyou beside them again, picking up the microphone he had just abandoned from the ground and putting it to his mouth, he said loudly, "As you have just seen, they attacked even me, their best friend, for love, so it is clear how deeply they love Shen Ruyan. There are not many infatuated men like this that you can see in modern times anymore, except for me, it's Wang Fuyou and the others, they are all good, they are good modern men." Chen Haoxuan complimented others and did not forget to compliment himself.

Chen Haoxuan then went on to say to Shen Ruyan, "You don't want such a good man, do you want Superman?"

The onlookers couldn't help but laugh when they heard Chen Haoxuan's words, they felt that Wang Fuyou's confession was funny, no, I should say that Chen Haoxuan, the temporary host, was funny.

Shen Ruyan she could not wait to eat Chen Haoxuan, if there was no Chen Haoxuan messing around, she could handle such things quickly. But with Chen Haoxuan deliberately messing around, there was nothing she could do, because Chen Haoxuan was better than her in everything except not being able to have children.

"Then I want you, is that okay?" Shen Ruyan smiled and said to Chen Hao Xuan, she thought, Chen Hao Xuan is messing with her, she will also mess with Chen Hao Xuan, she said such words to Chen Hao Xuan in front of so many people, his girlfriend will definitely know, then Chen Hao Xuan will be in trouble!

"Big sister, you must think carefully, if you want me, you will be rejected, yo! You'll lose all your face by then." Chen Haoxuan said.

"You forced me to like Wang Fuyou and the others, can't I force you to like me?" Shen Ruyan chirped.

"Ga" Chen Haoxuan was speechless.

Wang Fuyou and the others looked at Chen Haoxuan in unison, and Wang Fuyou said to Chen Haoxuan, "Chen Haoxuan, why do I feel that we are the supporting characters and you are the main character!"

Chen Haoxuan hurriedly explained and said, "No, no, no, this is Shen Ruyan deceiving you, if you don't believe me, then you watch."

"Shen Ruyan, if you really like me, come downstairs and kiss me, if you kiss my lips, I will believe that you really like me, if you are not willing to kiss, then it means that you are a watery woman who says she likes men when she sees them." Chen Haoxuan said to Shen Ruyan.

Shen Ruyan simply gave up, she thought in her heart you Chen Hao Xuan want to fix me, right! Then I'll return the favor and let Wang Fuyou and the others bother you.

When Chen Hao Xuan saw that Shen Ruyan was really running over, he was so scared that he threw the microphone away and ran away, and shouted, "Holy sh*t, don't follow me, I was just saying that for fun."

"Chen Haoxuan, don't you want me to kiss you? You stop! I'll kiss you if you stop." Shen Ruyan smilingly said as she chased Chen Hao Xuan.

"Big sister, I'm wrong, just spare me!" Chen Haoxuan ran towards the outside of Xinsan University, he wanted to run back to his residence and use the Vertigo Formation to block Shen Ruyan.

Having an excuse to leave the University of Xinshan City to avoid unpleasant things with Wang Fuyou and the others, leaving was the best way, so Shen Ruyan ran after Chen Hao Xuan.

"Ga, what's going on? The heroine fell in love with the supporting character, what's going on?" Wang Fuyou and the others looked dumbfounded at the school entrance, this time they were embarrassed, in front of so many people and with such a luxurious caravan, only to have the object of their confession run off with someone else.

"Scattered scattered scattered" Wang Fuyou threw the roses away and huffed and puffed.

Chen Haoxuan he ran back to his residence, Shen Ruyan could not enter and could only talk to Chen Haoxuan outside the window. "Chen Haoxuan, count me as begging you, just stop helping Wang Fuyou and the others with these bad ideas, the ideas are good, but I really don't like them. If you force me to choose, I'd rather choose you."

"Gah, big sister, I'm the one with a girlfriend, just give me a break!" Chen Hao Xuan pleaded bitterly to Shen Ruyan inside his residence.

"Humph, who told you to help Wang Fuyou and the others to chase me." Shen Ruyan said in a huff.

"The benefits the three of them gave me were too great for me to refuse, besides, they are indeed nice boys and love you so much, one of them being your husband, you will be happy in the future." Chen Haoxuan said.

"Are you just living a carefree life? I'm a member of the Dragon Team, yeah! My salary is not low, and even if we retire, the country will still support us and take care of us. So I don't want them to bring me happiness, because what I want is not happiness, but love." Shen Ruyan said.

"Could it be that you have someone you like?" Chen Haoxuan asked.

"No." Shen Ruyan shook her head and said.

"Then you go and become a nun! I'm sleepy, I'm going to bed." Chen Haoxuan said.

"Hey, Chen Haoxuan, are you still a man, leaving me outside as a little woman and going to sleep alone, you quickly let me in" Shen Ruyan kept shouting outside the window.

Chen Haoxuan he only cares about Shen Ruyan, Shen Ruyan is not a weak woman, do not worry about her safety.

"Chen Hao Xuan, you bully too much, you don't let me go in, right! Then I'll do it myself." Shen Ruyan huffed and walked away.

Twenty minutes later, she drove her car to Chen Hao Xuan's place, and with a petrol chainsaw in her hand, she walked towards Chen Hao Xuan's place. The sound of the chainsaw rang out from, the sound echoed continuously in Chen Haoxuan's house, shaking Chen Haoxuan so much that he could not sleep.

When Chen Hao Xuan heard this sound, he quickly ran to the living room and saw that Shen Ruyan was sawing the edge of his window with a huge chainsaw. "Shen Ruyan, what are you doing?" Chen Haoxuan yelled loudly, he had made his place so tight for his own safety, if Shen Ruyan broke the window, he would need to fix it himself again, which was not what Chen Haoxuan wanted to see.

"If you don't let me in, I'll go in myself." Shen Ruyan actually did not want to go in, she was gambling, the more Chen Hao Xuan did not want her to go in, the more she wanted to go in, her aim was to anger Chen Hao Xuan to death.

Chapter 318

"Big sister. Count me scared of you, don't lift it, I'll let you in right away." Chen Haoxuan said with a desire to cry.

Shen Ruyan stopped the chainsaw and said with a cheerful smile on her face, "Really?"

Chen Hao Xuan didn't answer her, Chen Hao Xuan walked out of the residence and came outside the house and said to Shen Ruyan, "If you want to come in, follow me."

Shen Ruyan threw the chainsaw away and followed Chen Hao Xuan into the house with a fuss. As soon as she walked inside, she sat down on the seat where Chen Hao Xuan usually sat and said to Chen Hao Xuan, "You've put me in a bad way today, so as compensation, let me see your computer!"

Shen Ruyan was trying to see those programs about the Vertigo Formation in Chen Haoxuan's computer, she thought that if she could get the design of the Vertigo Formation designed by Chen Haoxuan and the program to connect the computer, then their Dragon Group's headquarters would be much safer.

"There's a password inside, if you breach the secret, you can look at it however you want." Chen Haoxuan said with a smirk, with modern computer technology trying to break into the secret software he had designed, it would be a fool's errand.

"That's what you said?" Shen Ruyan said happily.

"It's what I said, take your time, I'm going to bed." Chen Haoxuan snorted and went to bed again.

Shen Ruyan, her computer skills were average, with her skills she was sure she couldn't open Chen Hao Xuan's computer, but she managed, she made a phone call to a person in their Dragon Group who was known as a cyber genius and asked him for help.

Shen Ruyan hung up the phone and she went back to Chen Haoxuan, saying that she had to go out to get her laptop and asked Chen Haoxuan to take her back and casually bring her in again.

Chen Hao Xuan was worried that if he didn't say yes to Shen Ruyan, she would smash the things in his place to pieces. In order to have a good environment, Chen Hao Xuan got up again and took Shen Ruyan out.

Chen Haoxuan came back and went to bed again, Shen Ruyan she got her laptop, she turned it on and connected it to her friend in the Dragon Group and asked him to teach her on the spot how to break into Chen Haoxuan's computer.

After seeing Chen Haoxuan's computer, he was ashamed of himself! He couldn't even read the data on Chen Haoxuan's computer, let alone break it.

The only way is to try one by one in secret, so Shen Ruyan got all of Chen Hao Xuan's information out, Chen Hao Xuan's birthday, enter it, no, then change the digits behind the ID card, no, then change Chen Hao Xuan's student number, Shen Ruyan kept trying.

At 11 o'clock, Chen Hao Xuan got up, Chen Hao Xuan saw that Shen Ruyan was still fiddling with his computer, he couldn't help but say, "Stop it, the program data designed inside my computer you can't understand, unless you are given ten years to study." Chen Haoxuan said.

Shen Ruyan turned her head and saw Chen Haoxuan getting up, she said to Chen Haoxuan in a delicate voice, "Chen Haoxuan, can you teach this technology to us? Our Dragon Group needs this kind of technology very much, because with this technology, our network system will no longer worry about those hackers from foreign countries."

"Hackers are good for you guys, without them, would you go about perfecting your network system? Without pressure, there is no motivation." Chen Haoxuan said.

"Yours is sophomoric, if you don't want to give it, you don't want to give it, humph, petty ba sta rd." Shen Ruyan said discontentedly.

"It's noon now, I'm hungry, you go cook." Chen Haoxuan said to Shen Ruyan.

Shen Ruyan pointed at her delicate nose and said in surprise, "You're asking me to go cook for you? Did I hear you right?"

"No! I am asking you to cook for me, if you don't want to go, that's fine! Then leave my place now, because I don't keep people who eat for nothing." Chen Haoxuan said.

Shen Ruyan stood up with a swish and pointed at Chen Hao Xuan and cursed loudly, "Who are you saying is eating for nothing? Big deal, I'll just pay you."

Chen Hao Xuan extended his hand and joked, "Good! The noodles I make are unique in the world, and you are so noble, if I set the price lower, people will think I am looking down on you, so I have set the price at 10,000 RMB. If you eat at my place at noon today, then give it all together, and forget it if you give 100,000 RMB."

"I pooh, you think you're cooking dragon meat! I'm telling you, I won't give you a single cent and I won't help you cook, humph." Shen Ruyan huffed and puffed at Chen Haoxuan, and continued to sit down and toss Chen Haoxuan's computer.

Chen Hao Xuan went to cook, I don't know if he wanted to be angry with Shen Ruyan, but he cooked a lot of delicious dishes, beef with tomatoes, steamed fish, tofu and shrimp, chicken curry, sweet and sour fish, pork bone soup, and braised chicken wings. Seeing Chen Haoxuan bring out a delicious dish from the kitchen, his mouth watered. Chen Haoxuan's cooking, not only looked good, but also smelled especially good, and she could smell a burst of aroma even from so far away from the table.

"Chen Hao Xuan cooks so many dishes, can he finish them? Wouldn't want to treat me to dinner, right? Hey, I knew he wouldn't be able to bear to see a weak woman go hungry." Shen Ruyan said secretly in her heart.

Chen Hao Xuan brought out all the cooked dishes, and then he also opened a bottle of red wine that had six or seven years in it, and he only took one tall glass, which was very obvious that there was no part for Shen Ruyan.

Chen Hao Xuan drank the wine and ate the delicious food, and from time to time he let out a satisfied sigh of admiration: "Delicious, mmm, it tastes really good, wow, it's delicious on earth!"

Gurgling, Shen Ruyan was swallowing her saliva, she looked at Chen Hao Xuan who was eating piteously, the look in her eyes seemed to say, "I'm hungry."

Seeing the look on Shen Ruyan's face, Chen Hao Xuan said to Shen Ruyan in a very heartless manner, "Huh? Why are you looking at me? Do I look handsome when I'm eating?"

"Mm-hmm." Shen Ruyan turned her head to the side.

"Go get the dishes from the kitchen if you want to eat." These words sounded as good as heavenly music in Shen Ruyan's ears, Shen Ruyan hurriedly got up and ran into the kitchen and took a dish and a knife and a plug, a tall glass she also took.

Shen Ruyan sat down opposite Chen Hao Xuan, first poured herself a glass of red wine, elegantly took a small sip, then took the insert in her left hand and the knife in her right and started to eat.

"Wow, you're really a genius yeah! You're so good at whatever you do, even little things like cooking, I admire you so much. Mmmmm, yummy yummy, I'll come to your place to dine when I have nothing to do in the future." Shen Ruyan said as she ate.

"Girls would say that if you want to capture a man's heart, you should first de to capture his stomach. In fact, boys also think so, in order to find a beloved one and keep her heart, so I learned to cook." Chen Haoxuan said.

Chapter 319

"No wonder so many girls like you. It turns out that you understand women's hearts so well." Shen Ruyan said to Chen Haoxuan with relief.

"Shen Ruyan, I'm not talking about you, if you really don't like Wang Fuyou then find a way to make them give up, otherwise if you keep on consuming like this, then how long will it take!" Chen Haoxuan said seriously to Shen Ruyan.

Shen Ruyan slowed down the speed of her meal, she slowly took a sip of red wine and said to Chen Hao Xuan, "I don't want to either! I don't even know how many times I've turned them down, but they don't listen every time, saying something like I don't have a boyfriend yet, so they have the right to pursue me."

"Then you can find someone to replace them, and when they're dead, you can dump the replacement." Chen Haoxuan suggested.

"Find a poor one, they don't believe in it, just find someone better than them, but there don't seem to be many such people. Among the people I know, you seem to be the only one, right?" Shen Ruyan smiled and said to Chen Haoxuan.

"You're not trying to get me to be your fake boyfriend, are you? I'm telling you, dream on, I have a girlfriend person, and more than one, even a fool wouldn't believe that I'm not a boyfriend." Chen Haoxuan said.

"I didn't say I wanted you to be my boyfriend, I can use you as a standard! I told Wang Fuyou and the others that the boyfriend I want to find must be even better than Chen Hao Xuan. They will naturally back off when they know the gap between them and you." Shen Ruyan said.

"You're using me as a shield, what will they do then? They will hate me to death and find me in trouble at every turn." Chen Haoxuan put on a stern face and said.

"You are not helping Wang Fuyou and the others to find me in trouble everywhere these days, I will give you certain trouble, it is considered two clear, hehehe" Shen Ruyan smugly said.

"My mouth is really cheap, I go care about you why! Now it's good, get into trouble, I really deserve to die." Chen Hao Xuan complained to himself.

"I'm just kidding with you! I'm not like you who specialises in finding trouble with others." Shen Ruyan laughed, she really wanted to use Chen Hao Xuan as a shield, but she was worried that Chen Hao Xuan would hate her and then her mission to protect Chen Hao Xuan would not be carried out.

"You're too cute." Chen Haoxuan was happy to hear that he didn't have to be a shield.

Shen Ruyan she felt that the lunch she had today was the best lunch she had ever had, and after she had eaten her fill, she leaned back in her chair and rubbed her propped up round stomach with a satisfied look on her face, "It's so delicious, if there's more - I still want to eat it."

"You're a pig! You still want to eat after eating so much, you're not afraid of bursting your belly." Chen Haoxuan laughed at Shen Ruyan.

"Chen Haoxuan, how about I learn to cook with you? I want to learn and cook delicious food for my parents and grandparents." Shen Ruyan said seriously to Chen Haoxuan.

"You know, I am a businessman, if you pay, of course I will teach." Chen Haoxuan said.

"OK, I promise to pay you, so when will you teach me?" Shen Ruyan said impatiently.

"If you can walk around now, it's fine for me to teach now!" Chen Haoxuan laughed, seeing Shen Ruyan's bulging stomach, Chen Haoxuan was tempted to give her a pregnant woman's dress, that would make her look more like a pregnant woman.

Shen Ruyan tried to stand up, "Ouch! I can't, I'm too full, I think we should wait for a while!"

"These bowls and chopsticks will be taught to you." Chen Haoxuan said, and after he finished he sat down in front of the computer.

Shen Ruyan felt that she should be allowed to wash the dishes, it was not her character to know how to eat without doing anything.

It took Shen Ruyan a full hour before she could walk around, she looked like a virtuous wife, with a smile on her face as she cleaned up the dishes, looking at her washing the dishes, she seemed to be very happy.

Shen Ruyan washed all the dishes and then she went to pester Chen Hao Xuan, she sat right next to him and watched attentively as Chen Hao Xuan worked on something she couldn't understand on the computer. She was stealing from him to see if she could learn anything.

This morning things got too big, so Chen Hao Xuan wanted to escape for a while and wait for the storm to pass before he went back to the University of Johor Bahru.

Chen Hao Xuan didn't read the newspaper or the news, he didn't know that he was on the front page. In the photo he was running, with fear in his expression, and behind him was Shen Ruyan, with her mouth open and her hand reaching out for Chen Hao Xuan, running after him, and it was clear from a glance that he was chasing Chen Hao Xuan. Wang Fuyou and his family were so embarrassed that their family members called them to tell them how they had screwed up, their own confessions and the target of the confessions was confessing to another person, which was really too humiliating.

Wang Fuyou and the three of them were now no longer in Johor Bahru, their thoughts were the same as Chen Hao Xuan's, to hide for a while.

At 17:00 in the afternoon, Chen Hao Xuan taught Shen Ruyan how to cook, hand in hand, as Chen Hao Xuan found out that Shen Ruyan could not even cut vegetables.

It was Shen Ruyan's first time cooking and she felt very fresh and fun, she let out a squeal and laughter from time to time as she cooked. Finally, with Chen Haoxuan's help, Shen Ruyan finally made her first dish in her life.

"Chen Haoxuan, I've done it, it looks so delicious! If my grandpa and the others know I can cook, they will definitely praise me for being so smart." Shen Ruyan was happy like a happy child.

"Ga" Chen Hao Xuan was speechless, learning a dish for so long, a lot of it was done for her by him, and this was still called smart, then shouldn't this skill of his that he could learn at a glance be called unbelievable?

Chen Hao Xuan cooked himself three dishes and a soup. During the meal, Chen Hao Xuan ate his own cooking, while Shen Ruyan she happily tasted her own cooking. When she saw that Chen Haoxuan only ate his own cooking and not hers, she couldn't help but say to Chen Haoxuan, "Chen Haoxuan, why don't you eat my cooking?"

"Your cooking, firstly, is unpleasant to look at, secondly, looking past it, I know it is dull and tasteless, secondly, with your character, I can't trust it, I'm afraid of poisoning, so I'd better eat my own cooking, two words are better than everything, peace of mind." Chen Haoxuan said.

"You... you bully." Shen Ruyan got angry, she pouted her little mouth, very cute, plus because she put too much oil in the vegetables she cooked, this made her lips shiny and oily, very tempting, Chen Hao Xuan had the urge to go over and kiss her lips.

In order to suppress his bad thoughts, Chen Hao Xuan buried his head in his food and did not look at Shen Ruyan.

Shen Ruyan saw that Chen Hao Xuan had not tasted her cooking, so she desperately ate Chen Hao Xuan's cooking in order to make Chen Hao Xuan taste her cooking, as long as she ate all of Chen Hao Xuan's cooking, Chen Hao Xuan would naturally eat her cooking when he ran out of food to eat.

Chen Hao Xuan was shocked by Shen Ruyan's food consumption, he didn't expect a big beautiful woman to be able to eat so much, all the three dishes he made were eaten by Shen Ruyan, but fortunately he had already eaten a bowl of rice, otherwise he would have been hungry at night.

Chapter 320

Finished eating. Shen Ruyan consciously went to wash the dishes, and after she had cleaned them all, she did not ask to go back, and continued to sit next to Chen Hao Xuan, watching Chen Hao Xuan fiddling with some strange things on the computer.

When it was 9pm, Chen Haoxuan saw that Shen Ruyan was still not going back, so she said to Shen Ruyan, "You're still not going back at that late hour, do you want to stay at my place?"

"Right! Who let you put me in such a bad way today, if I go back now, the students and teachers in Xinsan University will definitely laugh at me. Anyway, you have two rooms here, so let me stay here for a few days for now! Wait, don't be so hasty to reject me, you have put me in such a terrible situation, but I haven't done anything to you, can't I even stay here for a few days?" Shen Ruyan said to Chen Haoxuan.

"Let me tell you, I am not a good person, if I want that one day, I will drug you and then give you, hehehe, you know." Chen Haoxuan laughed yin.

Shen Ruyan raised her pink fist and said to Chen Hao Xuan, "If you dare, I'll cut off that lifeblood of yours."

"I'm just kidding with you! I'm really not interested in you." Chen Haoxuan laughed.

Shen Ruyan she relied on and wouldn't leave, Chen Hao Xuan couldn't do anything about it, he couldn't just throw her out!

Chen Yina she bought a lot of new clothes and put them in the closet, many of them had not been worn, which was cheaper for Shen Ruyan, she was now wearing all of Chen Yina's clothes all over her body, wearing Chen Yina's clothes, who Chen Yina's room. Chen Haoxuan had several hallucinations, seeing Shen Ruyan as Chen Yina, but fortunately these hallucinations were all fleeting.

The next day, in the morning, Chen Hao Xuan got up and went out to buy vegetables. When he came back, he saw Shen Ruyan in her pajamas frying eggs, which were already blackened by her.

Chen Haoxuan carried two bags of vegetables and said to Shen Ruyan, "What are you doing?"

Shen Ruyan turned her head to Chen Haoxuan and said, "I'm frying eggs!"

"Are these eggs edible?" Chen Haoxuan questioned.

"Of course it can, can't you smell the aroma?" Shen Ruyan proudly said to Chen Haoxuan, she seemed to be very satisfied with her work.

"It smells good, but eating it is not the same, I advise you to fry it over again! This really can't be eaten." Chen Haoxuan reminded kindly.

"Who said that, it must be delicious if it smells that good." Shen Ruyan did not believe Chen Hao Xuan's words, took the spatula and got a bit of it, blew it cold and put it inside her mouth, "Wow-, it's so bitter yo!" Shen Ruyan had a bitter face.

"You flash to the side, let me make breakfast, you see is it." Chen Haoxuan said to Shen Ruyan.

Day by day, Shen Ruyan has been living in Chen Hao Xuan here for four days, on the 2nd of April, Chen Hao Xuan wanted to go back to the Chen family village, Shen Ruyan since she relied on him, even if he wanted to go back, she also had to follow, her reason was to protect Chen Hao Xuan's safety.

Chen Hao Xuan also just went back to see how Jiang Dong and the others were doing, anyway, Shen Ruyan and the others knew his strength, there was nothing to hide, since they couldn't get rid of him, so they took him with them!

Shen Ruyan didn't even bother to drive her own car, she took Chen Haoxuan's car directly to the Chen family village. When she arrived at the Chen Family Village, the first thing Shen Ruyan said was, "Why is it so poor here!"

Chen Haoxuan, who was driving into Chenjia Village, replied to Shen Ruyan's words, "It's not that this place is poor, but you are too rich, that's why you feel poor here. If it was another village, it would be even poorer than here."

"For a supreme genius like you to appear in a place that poor, it can be considered a once in a million years encounter!" Shen Ruyan said with a smile.

"It is indeed a once in a million years encounter." Chen Hao Xuan said, he was a person of future design, he had heard a legend that there was once a person like him who crossed over to the 21st century China, and because of him, the 21st century China made the then China's technology very prosperous and surpassed the world, there were some technologies that even the people in their future century could not do.

The bead that he studied before he crossed over, legend has it that the crossover left it behind, and he suspects that it was the bead that brought him to the 21st century. He only suspected, whether it was or not, he couldn't be sure yet.

"Wow, I saw your villa, it's really luxurious! It looks even better than in the photos." Shen Ruyan exclaimed in the car, Chen Hao Xuan's villa was very conspicuous in the Chen family village, because his house was the best, tallest and biggest in the Chen family village, it was hard not to be conspicuous!

Chen Haoxuan drove the car into the villa, and as soon as Shen Ruyan got out of the car, she ran around, squatting down from time to time to pick up the water stones used to pave the floor. "Wow, you really know how to enjoy yourself! Here are mountains on all sides, and a river, and surrounded by numerous ancient buildings surrounding your house, taking natural water stones to pave the floor, I feel that your villa is a paradise." Shen Ruyan chattered on and on.

"You like this place, you can buy a piece of land here to build a villa ah!" Chen Haoxuan said with a smile.

"You really don't say, I really have such an intention, my grandparents and their grandparents are old and almost retired, if I build a villa here for them to retire, they will be very happy." Shen Ruyan said sweetly.

"That's a good idea." Chen Haoxuan said.

Li Ping, who had just seen Chen Haoxuan's car in her own courtyard, and who hadn't seen Chen Haoxuan for quite some time, walked quickly to Chen Haoxuan's house. "Hao Xuan."

Hearing this familiar and affectionate voice, Chen Haoxuan turned around, it was Li Ping who loved him the most: "Aunt Ping, it's been a long time, I miss you so much." He said and walked towards Li Ping, hugging her in one hand.

"Aunt Ping misses you too, you too, you haven't come back to see Aunt Ping for so long, Aunt Ping thought you had forgotten Aunt Ping!" Li Ping said affectionately to Chen Haoxuan.

Shen Ruyan walked over and extended her white hand to Li Ping, saying, "Aunt Ping, hello, I am Chen Hao Xuan's classmate Shen Ruyan, I came to visit his house today."

Li Ping also hurriedly extended her hand and shook Shen Ruyan's hand, "Hello, welcome, I'll cook you something delicious for lunch today haha."

"Mmmmm, thank you Aunt Ping, Aunt Ping is so nice." Shen Ruyan said sweetly.

Li Ping chatted with Chen Haoxuan a few more times and then went to leave, saying that she was going to cook a nice lunch for Chen Haoxuan and the others to try.

"Shen Ruyan, you go and play by yourself! I have something I need to get busy with, I don't have time to accompany you." Chen Haoxuan said to Shen Ruyan.

"You go and get busy! I'm not a child, I don't need you to watch." Shen Ruyan said in a delicate voice.

Shen Ruyan she went everywhere, she took a round of Chen Hao Xuan's villa, she also watched those of Chen Hao Xuan's men training on the rooftop, after that she went to Chen Yina's house, when she went to Chen Yina's house, she was surprised, Chen Yina's house was actually made of yellow mud.

What made her feel even stranger was that Chen Yina's home was very strange, the house she lived in was so bad, so bad that she couldn't believe it, but all the furniture inside the home Chen Yina lived in was very good, such a special match.
