

## A Billionaire's Reincarnation Chapter 321-330

### Chapter 321

Shen Ruyan she went to wander around the village. She found that there were very few people in Chen's village, and even fewer young people. She was from the city, so how would she know what the countryside was like.

Jiang Dong and the others knew that Chen Haoxuan had brought back a very pretty beauty today and they discussed privately whether that beauty was Chen Haoxuan's lover.

Chen Haoxuan was not ready to go back to Xinshan City so soon, he wanted to stay in Chenjia Village for a few days to see if Jiang Dong and the others had increased their strength.

Shen Ruyan, she felt that Chen Jia Village was a beautiful and fun place, so she stayed at Chen Haoxuan's house. She sometimes went to watch Chen Haoxuan and the others train, sometimes she went hunting in the mountains alone with a dagger, and when the weather was good she even dragged Chen Haoxuan to swim in the river! Although she was wearing a swimming costume, many old people in the Chen Village said that Shen Ruyan's image in a swimming costume was degrading and corrupting.

Shen Ruyan lived in the Chen family village, she did not want to go back, here this is a paradise, especially at night, can go to the villa rooftop pavilion to take a cool, drinking red wine, high melon seeds, crossed legs, looking at the unpolluted sky, the sky full of stars let her feel the beauty of nature, a burst with a fresh breeze blowing in the face, she so want to say out loud: "I want to marry Chen family village."

On Friday morning, Shen Ruyan went to play in the farmland of Chenjia Village. She saw an uncle farmer working at the foot of the mountain, and she saw that the farmer kept sweating under the hot sun and insisted on working continuously. She went over to him: "Hello, uncle, why don't you go back now that it is so hot? You can wait until the sun goes down, or come to work in the morning, isn't that as good as it gets?"

"Girl, I see that you look very new, you must be from the city, right? You don't know, ploughing the fields is such hard work, if we don't work we don't have food to eat." The peasant uncle said, if Chen Hao Xuan was here, he would have turned around and left when he saw this peasant uncle. Because this

peasant uncle was Chen Zhenghao, Chen Zhenghao was now living a very poor life, their land was small, it was hard to have other income in the countryside besides ploughing the fields, the main thing was that unlike other people, they had sons and daughters to support them, he relied on two couples to plough the fields to make ends meet.

He does have sons, or two, but both of his sons have left him and in the Chen family village, their family is now considered the poorest.

"Mmmmm, I came with Chen Hao Xuan, he didn't have time to play with me, so I came out on my own." Shen Ruyan said in a delicate voice.

Hearing Shen Ruyan's words, Chen Zhenghao stopped his labours and looked at Shen Ruyan with relief, "He rarely brings girls back, your relationship with him must be unusual, right?"

"I'm her classmate, he originally didn't want to bring me to Xinsan City, but I insisted on following, so he couldn't do anything about it, hehehe ....." Shen Ruyan said smugly.

"You like him a lot?" Chen Zhenghao asked.

"No! But it's true that I have a good feeling about him." Shen Ruyan said.

"Hehehe ....., he is a very good boy, if you like him, you have to cherish the opportunity yo! Otherwise, you will regret if you miss it." Chen Zhenghao smiled and said to Shen Ruyan.

"Old man, what's your name!" Shen Ruyan shouted sweetly.

"I - my name is Chen Zhenghao." Chen Zhenghao said with a smile.

"Ah..., you're Chen Zhenghao - Chen Hao Xuan's dad." Shen Ruyan said in surprise, she had seen Chen Zhenghao's photos, the Chen Zhenghao in the photos was not that down and out! But how could the Chen Zhenghao in front of her look so miserable in the past.

"I don't know if I'm his father, because I gave birth to him, but I didn't do my duty as a father." Chen Zhenghao sighed.

"I know about you and Chen Hao Xuan, don't worry, as long as you are willing to change your ways, Chen Hao Xuan will forgive you." Shen Ruyan comforted Chen Zhenghao and said.

"I hope so!" Chen Zhenghao said with a smile.

Shen Ruyan talked with Chen Zhenghao for a long time by the field, she learned a lot about Chen Hao Xuan from Chen Zhenghao, she found out that Chen Hao Xuan's childhood was surprisingly so miserable, probably because of this misery made Chen Hao Xuan a supreme genius.

Shen Ruyan, in the afternoon, she went back to Chen Hao Xuan's villa. She looked down from the roof and saw how strong each of Chen Hao Xuan's men were, and she was eager to see how much stronger Chen Hao Xuan was than them. So she ran downstairs to find Chen Haoxuan.

Shen Ruyan ran downstairs and saw Chen Haoxuan reading a medical book in the living room. She spoke up to Chen Haoxuan and said, "Chen Haoxuan, I want to have a competition with you to see who is stronger."

Without raising his head, Chen Haoxuan responded, "Not interested."

"Chen Hao Xuan, you are a coward, you don't dare even if a girl asks you to compete, you are not a man." Shen Ruyan tried to force Chen Haoxuan to compete with her by using a provocative method.

"If you compete with a girl, if you accidentally thump certain parts of a girl, the girl will scream and call her a rascal, it's too troublesome, don't compete." Chen Haoxuan lifted his head and said.

"I won't." Shen Ruyan walked next to Chen Haoxuan and said.

Suddenly Chen Haoxuan stood up and reached out to grab Shen Ruyan's breast.

Shen Ruyan first froze, then opened her mouth, "Ah-." Shen Ruyan's scream made Chen Hao Xuan feel a vague pain in his earpiece.

"Didn't you say you didn't care?" Chen Haoxuan smirked.

"Rascal." Shen Ruyan cursed, then threw a slap at Chen Haoxuan's face with a crunching sound.

Chen Haoxuan rubbed his face, then sat down and said aggressively, "Don't talk to me in the future, you just said you didn't care, but now you care so much."

Shen Ruyan blushed to a ripe red, she huffed and said to Chen Hao Xuan, "I mean I didn't care during the competition, I didn't say I didn't care now, besides, you suddenly grabbed - grabbed my boobs, how did I that react."

"I just wanted to try it out! Who knew you cared that much. Also, your reaction is too low, you only reacted after I grabbed your boobs for so long, so just don't compare, you're not my match." Chen Haoxuan said with an evil smile.

"You're just a \*\*, trying to take advantage of me, so you made such an excuse." Shen Ruyan said angrily.

"Whoever you think, anyway, if you can't accept that I inadvertently touched certain parts of you, I won't compete with you. After all, when you compete, who cares so much, you hit where you should. It's fine for you to hit my boobs, but not for me to hit yours, what kind of thing is that. You have the ability to go talk to your enemy and say that I am a female and you should not hit my breast, and see if your enemy will agree with you." Chen Haoxuan said.

"You are crooked, huh." Shen Ruyan turned her head to the side.

"If you want a match, go find those men of mine! Let's see if you're a match for them, and if they can't beat you alone, you can call a few more of them! When you can challenge twenty of them at the same time, you can come back and challenge me again!" Chen Haoxuan said.

## **Chapter 322**

"What you mean is - you can beat twenty of them by yourself?" Shen Ruyan said in surprise. She knew about those men of Chen Haoxuan's, although she didn't know how powerful they really were, but no matter what, they were all masters. Chen Haoxuan said that he could fight twenty experts by himself, that was too powerful, right?

"If it's a hard fight, I can beat more than twenty of them, if it's possible to play tricks, hundreds of them are not enough for me to play." Chen Hao Xuan said in a bullish manner.

"You just blow it! Hundreds of experts can't even beat you, who will believe you when you say it out loud!" Shen Ruyan gave Chen Haoxuan a blank look and said.

"If I told you that I relied on my organs to capture sixteen high-ranking ninjas from the island and three high-ranking agents from Rice some time ago, and it was still effortless, would you believe me?" Chen Haoxuan said indifferently.

"I don't believe it, we can't even beat so many agents from Rice, those ninjas from the island are even more powerful, killing people invisibly, even with the organs, we can't capture them all." Shen Ruyan shook her head and said.

Chen Hao Xuan moved the laptop on the table in front of him, opened it, entered a string of passwords, and found the video screen that Ai Beier and the others tried to sneak up on him that night, then moved the laptop to Shen Ruyan and said, "Look, this is the video screen from that night, I hope you won't say anything after watching it, otherwise it won't do you any good."

Shen Ruyan she sat next to Chen Hao Xuan and clicked on those video screens in the computer, half an hour later, Shen Ruyan twisted her head and looked at Chen Hao Xuan with shocked eyes and said, "You are really not human."

"Ga ....." Chen Haoxuan was speechless, he wasn't taking advantage of him now, so why was he suddenly saying he wasn't human?

Seeing Chen Haoxuan's strange look, Shen Ruyan knew that Chen Haoxuan had misunderstood, Shen Ruyan explained, "What I mean is that you are very powerful, so powerful that you are beyond human."

"In the future, when you compliment people, don't think before you compliment them, you just complimented me and I felt like you were scolding me, if I didn't have a good temper, I would have flipped the stage." Chen Hao Xuan laughed bitterly at Shen Ruyan.

"Chen Haoxuan, you have so much ability, why don't you go and give it a go? The most you can do as a businessman is to become a great wealthy man, but if you go and become an official, you will definitely become a great man, or you can join our Dragon Group and use the power of our Dragon Group to change the country of China." Shen Ruyan said seriously to Chen Haoxuan.

"I've told you before, I don't want to go and become any official for now, I just want to do some business to earn some pocket money." Chen Haoxuan said.

"Pity pity pity, such a good talent has been buried by yourself." Shen Ruyan sighed.

"There are a lot of university students now! But how many of them really show what they've learned, not many, right? Some people even if they have talent, he doesn't know how to use it, I am now, I don't know if I should pass on my knowledge to everyone in China." Chen Haoxuan said.

In fact, Chen Haoxuan quite wanted to join the Dragon Group, because it was very free and had a lot of power and a very high status. But he didn't know what the current Dragon Group was like yet, he wanted to see before saying anything, if the Dragon Group was as good as it would be in the future century, he would consider joining the Dragon Group.

This day Chen Haoxuan he and Shen Ruyan talked for a long time, Shen Ruyan in order to want Chen Haoxuan to join the Dragon Group, or to become an official, she kept talking about the benefits of becoming an official and joining the Dragon Group.

On the 7th of April, Chen Hao Xuan drove to the capital of China, he hadn't seen Chen Yina and the girls for a long time and wanted to go to the capital to see them. When he came, Shen Ruyan also wanted to follow, he was going to see his girlfriend, taking a girl to see his girlfriend, which is such a thing, so Chen Hao Xuan dragged Shen Ruyan out of the car and ran away in his BMW.

The capital city was different, people came and went, and vehicles shuttled in and out. Chen Haoxuan drove to Beijing University, he was stopped by the security guard when he entered the university, saying that he needed to register, the noble school is different, so strict to enter the door.

Chen Haoxuan registered, he drove his car to the car park of the University and then walked into the University on foot. He wanted to see if he would be lucky enough to run into Chen Yina and the girls, and if not, he would call them and ask them to come out.

Chen Haoxuan came to Jingda for the first time, he felt that it was really powerful, there were more than a dozen big trees in Jingda just for several hundred years, the camphor trees on both sides of the walkway were very tall and majestic, the school building was in the ancient Chinese and Western style, very cultural.

Chen Hao Xuan searched for a long time in Beijing University but couldn't find Chen Yina and the others, so he took out his mobile phone and gave Chen Yina and the girls a call to come out.

Chen Yina and the girls jumped up and down with joy when they knew Chen Haoxuan had come to see them at Peking University, so there was this view of Peking University with three big beauties running fast and attracting countless people's eyes.

Chen Haoxuan he was sitting by a pool in the middle of the square at Jingda, and she didn't have to wait long for Chen Yina and the girls to arrive.

"Brother Xuan, Hao Xuan, Hao Xuan." The three big beauties jumped into Chen Haoxuan's arms.

After all, when they first came to Beijing University, they didn't know anyone and could only hang out with a few people, but as time went on, their relationship became better and better, and they were now basically three people together wherever they went.

"Are you guys having a good time at Peking University?" Chen Haoxuan asked with concern.

"We are having a good time here, but it's just that the boys here are very annoying, I've told them I have a boyfriend and they are still desperately writing me love letters, but brother Xuan, don't worry, I didn't read any of the love letters no matter who gave them to me, I threw them all in the trash." Chen Yina said happily to Chen Haoxuan.

"I'm not that stingy, love letters are just love letters, it doesn't matter if you look at them." Chen Haoxuan said generously.

"Hao Xuan, have you taken care of your business at the University of Johor Bahru?" Zhou Kexin asked to Chen Haoxuan.

"No." Chen Haoxuan said.

"Hao Xuan, we haven't seen you for so long, are you staying in the capital to keep us company for a few days." Hua Ling Wei looked at Chen Haoxuan expectantly and said.

"It's not that much time to stay with us for a few days, but two days is still possible." Chen Haoxuan smiled and said.

"Oh also, great, I knew that brother Xuan loves us the most." Chen Yina hugged Chen Haoxuan and said happily.

"It's my first time at Jingda, and I see the scenery here is very nice, I wonder if you guys can show me around." Chen Haoxuan smiled and said to Chen Yina and the girls.

"Of course you can, brother Xuan, come with me, I will take you to the zoo of Peking University, there are so many animals in there, even a big python, it's as thick as a thigh!" Chen Yina said in a delicate voice.

Chen Hao Xuan followed them to the zoo of Peking University, when they arrived at the zoo, Chen Hao Xuan saw many animals, but they were not rare animals, they were some camels, ostriches, Tibetan mastiffs, horses, monkeys, pythons .....

### **Chapter 323**

Chen Yina and the three of them took Chen Haoxuan to stroll through the entire Beijing University. After the tour of Beijing University, Chen Yina and the girls took Chen Haoxuan to other places to play, to ride in a seaplane, to go up to the 60th floor to see the scenery .....

Chen Hao Xuan is prepared to accompany Chen Yina and the girls for a few days of crazy fun, he accompanied them around during the day, and in the evening either go to karaoke or go to bars to drink and dance, or go shopping .....

The two days came and went quickly, Chen Hao Xuan and Chen Yina parted ways on Sunday afternoon, he returned to his place in Johor Bahru and found that his place had been demolished, to be

precise the roof of his place had been overturned, all the Vertigo Formation inside had been dismantled, his desktop computer had disappeared, the interfering equipment had also disappeared, all the valuable things in his house had disappeared, even the clothes that Chen Yina had put in the wardrobe had disappeared.

Chen Hao Xuan, standing in front of the ruins, said loudly, "Who did this?"

Shen Ruyan, she knew Chen Haoxuan would come back this afternoon, she heard Chen Haoxuan's angry roar, she walked out from the ruins and said to Chen Haoxuan, "Your place was demolished by a large group of people at around 2am on Saturday morning, look at the two excavators next to you, that's what they used to demolish the house, they used a chainsaw to saw a door out of the window side, then went in and stole your computer, before they used the excavators to lift up the roof of your house, then kept on taking pictures of your Vertigo Formation, later on they just demolished your Vertigo Formation, even the steel plates underneath were all dug up by them.

I think they came for your technique and the Vertigo Formation, otherwise why would they make such a big fuss! By the way, after the group of people who demolished your house left, a few thieves went to your house to steal things, all the valuable things in your house were taken by them, we only caught three thieves and two more are under arrest, I heard all this from Chief Li De.

I suspect that the people who demolished your residence were the Abel girls, because they were the only ones who knew about the existence of the Vertigo Formation, and they were the only ones who wanted to kill you." Shen Ruyan told Chen Haoxuan what had happened.

"What about the landlord? The house is his and he lives so close, he must be able to hear it, why doesn't he care?" Chen Haoxuan asked.

"He did care, but that group of people were simply not human, they crippled the landlord's limbs, the landlord is still in resuscitation!" Shen Ruyan said.

Chen Hao Xuan took out a cheque book, wrote a cheque for one million RMB on it and gave it to Shen Ruyan, saying, "You help me give this one million RMB to the landlord, I won't be going, I still have things to take care of."

Seeing that Chen Haoxuan was leaving, Shen Ruyan wanted to call Chen Haoxuan: "Hey, where are you going! Can I go with you?"

Chen Haoxuan didn't answer Shen Ruyan's words, Chen Haoxuan took out his mobile phone and dialed Yang Lin's number: "Hello, Yang Lin, it's me, this is Chen Haoxuan, I'm asking you, have Abel and Miezi come back?"

"Both came back, they came back during the day on Saturday, this is what the security guard on duty at the entrance told me." Yang Lin's voice came out of the phone.

"Help me find out where they are now?" Chen Haoxuan asked.

"Wait a minute, I'll check for you." Yang Lin said.

Twenty minutes later, Chen Haoxuan had all but walked to Xinsan University, and at that time Yang Lin called and said that Ai Beier and the girls were not at Xinsan University, they had gone out early this morning.

Chen Hao Xuan believed Yang Lin's words, so Chen Hao Xuan turned around and left, driving his car to the lively place to look blindly. He didn't find Abel and the girls, but he did find Ye Xiaonuo, the big sister of the mob.

Ye Xiaonuo was dressed in a black shirt, black trousers and a long trench coat, very powerful and cool, and looking at the things Ye Xiaonuo was carrying in her hands, she should be shopping. Chen Haoxuan drove the car over, lowered the window and shouted loudly, "Ye Xiaonuo."

Ye Xiaonuo felt someone shouting at her, she looked around and didn't find the person shouting at her, when someone else shouted at her, she looked in the direction of the source of the voice and found that it was Chen Haoxuan. "Hey, Chen Haoxuan." Ye Xiaonuo was happy to see that it was Chen Haoxuan, and she waved to him.

Chen Haoxuan parked the car at the roadside, opened the door and waved to Ye Xiaonuo, signalling for her to get in.

Ye Xiaonuo got into the passenger side and she happily said to Chen Haoxuan, "Chen Haoxuan, I haven't seen you for a long time, I didn't expect to meet you here."

"Well, I didn't expect to meet you that well either, I was looking for someone, and the person I was looking for didn't find them, but I found you." Chen Haoxuan joked.

"What kind of person are you looking for, do you need my help?" Ye Xiaonuo said.

"No need for now, if I don't find them every day for a day, I will go to you for help." Chen Haoxuan said.

"Chen Haoxuan, do you know that you fooled my brother some time ago when they went to confess their love to Shen Ruyan, my dad was so angry that he flipped two tables in a row from what the cleaning lady said. If you don't want to help my brother - you shouldn't help him, or if you piss my dad off, he'll kill you." Yeh Xiaonuo said.

"I want to explain, I really didn't expect this that day, I did want to help your brother and them to confess to Shen Ruyan, I didn't expect Shen Ruyan to say she liked me in order to get rid of your brother and them, sigh-, I don't know what Shen Ruyan was thinking, I have a girlfriend and she is still like this ." Chen Haoxuan explained.

"I heard that Shen Ruyan chased you out that day, I wonder if she got after you?" Ye Xiaonuo asked gossippingly.

"She chased me straight to my house, don't misunderstand, she actually wanted to escape, so when she saw me running, she pretended to go after me." Chen Haoxuan explained.

"Well, I believe you." Ye Xiaonuo said.

"Thanks, where are you going! I'll give you a lift." Chen Haoxuan said to Ye Xiaonuo.

"I've bought some things, I just want to go back I didn't expect to meet you, you can take me back directly!" Ye Xiaonuo said.

Chen Haoxuan drove Ye Xiaonuo back to her villa: "Here we are." Chen Hao Xuan parked the car in front of Ye Xiaonuo's villa and said to Ye Xiaonuo.

"It's not easy for you to come here for once, come to my house and sit down!" Ye Xiaonuo invited.

"That's not very nice, is it? After all, you put your brother in that situation some time ago." Chen Haoxuan said awkwardly.

"It's fine, he lives at school and doesn't really live here." Ye Xiaonuo looked at Chen Haoxuan expectantly and said.

"Alright then!" Chen Haoxuan responded.

Ye Xiaonuo got out of the car and opened the iron gate of the villa, allowing Chen Haoxuan to park his car inside. After Chen Haoxuan parked his car, he followed Ye Xiaonuo into the house.

"Sister, you're back! Chen Haoxuan, why are you with my sister? Say, are you trying to cheat on my sister's feelings?" Ye Hongfei he had dinner and went to the villa where his sister lived, wanting to borrow some pocket money from his sister, he heard the sound of the door opening and soon his sister came out, but just after he called out to her sister, he saw Chen Haoxuan.

## Chapter 324

"Ah... Little Fei, why are you here?" Ye Xiaonuo saw that her brother was actually in the living room and she was a little nervous because she had brought a man back with her.

"Sister, don't mind how I got here, listen to me, Chen Hao Xuan he is very good, but he is a playboy, he is very good at cheating girls, even I admit that." Ye Hongfei said to his sister very seriously.

"Little Fei, you think wrong, Chen Hao Xuan and I are just ordinary friends." Ye Xiaonuo explained.

Chen Haoxuan calmly walked to the sofa in front of Ye Hongfei and sat down, saying indifferently, "I'm just wondering, why do you suspect others all day long? If you were with a girl that day, doesn't that mean you must be having an affair?"

"If I didn't bring you here that day, how would you know my sister, only one day, my sister brought you back at night, you didn't lie about my sister's emotions, would she have brought you back?" Ye Hongfei coldly said to Chen Haoxuan.

"I was with Shen Ruyan, and you suspected that I had an affair with Shen Ruyan, I was with your sister, and you suspected that I had an affair with your sister, you suspect girls all day long, it's strange that there would be girls who like you." Chen Haoxuan said.

Ye Xiaonuo walked over to her brother, pulled him to sit down and said seriously to her brother, "Little Fei, I said I didn't have anything with Chen Hao Xuan, if you keep thinking nonsense, do you believe I will beat you up!" The big sister of the mob was different, her own brother was threatening.

"Sis, I can leave you alone, but you must not have real feelings with Chen Hao Xuan, and if you do that, remember to make sure you take safety measures." Ye Hongfei said to his sister seriously, his sister had told him before that she had many boyfriends and basically flew one in a few days, so he always thought that his sister was very fond of playing with men.

In fact, how could he know that Ye Xiaonuo had been lying to him all along, in order to have the appearance that a big sister of a gangster should have. If Ye Hongfei knew that his sister was still a yellow girl, he would have said to his sister, "Sister, so you were so pure all along."

If no outsiders were around, saying so would not bother Ye Xiaonuo, but the problem was that Chen Haoxuan was here! Her brother said this and she felt embarrassed.

"Don't worry about my business, I'll think for myself, no need for you to worry about it. Just say what you came to the villa to find me for, right?" Ye Xiaonuo said to her brother.

Ye Hongfei lowered his head and said in a small voice, "Sister, can you lend me some pocket money."

"Borrow money again, you borrow money from me all day long, how many times have you ever paid it back? Tell me, why do you want to borrow money! If you can't tell me the reason, or if the reason is not convincing enough, I won't give you any more money." Ye Xiaonuo said seriously to her brother.

Ye Hongfei looked at Chen Haoxuan, thought for a moment, and then said to her sister, "Sister, I don't have money for dinner."

"Ah..., you don't even have money for food, Dad gives you more money than my salary every month, yet you borrow money from me time and time again, how on earth do you spend it!" Ye Xiaonuo said in surprise.

"You know, I hang out with Wang Fuyou and the others all day long, they invite me for dinner all day long, I should also invite them for a meal or two once in a while!" Ye Hongfei explained.

"You! If I were you, I wouldn't invite them! Eat them poor, they have money anyway." Ye Xiaonuo's words made Chen Haoxuan poof out a laugh, he found Ye Xiaonuo's character was actually quite cute.

"I-I'm embarrassed." Ye Hongfei said awkwardly.

"What's there to be embarrassed about, when they eat, you just follow, do they still dare to kick you out, if they dare to kick you out, you tell sis, sis bring a few thousand men and horses to trample down their house." Ye Xiaonuo said bullyingly.

"Khan, this sister of mine is good at everything, but she's just too tough." Ye Hongfei said darkly in his heart.

"Sister, I will, but can you lend me some money first, I promise, I will definitely pay you back as soon as my pocket money comes in next month." Ye Hongfei said seriously.

"I'm kind of convinced of you, okay! You say, how much to borrow." Ye Xiaonuo didn't bother to talk to her brother anymore.

"Sister, it's the same old rule, the more the better." Ye Hongfei smiled evilly.

"Then let's say a thousand RMB!" Ye Xiaonuo laughed.

"Sister, you've only borrowed a thousand, that's too degrading for you, borrow ten thousand! I'll pay you back soon." Ye Hongfei said to his sister with an ingratiating smile. The second generation of black people are poor! Look at Wang Fuyou, a rich young man, who talks about millions at every turn, while Ye Hongfei, a black young man, needs to borrow from his sister for a mere 10,000 RMB, poor!

"This is the last time I lend you money, don't ask me to borrow money again." Ye Xiaonuo said, her brother had been coming to her all day to borrow money and she was getting impatient.

If she hadn't gotten a large sum of money for saving Chen Haoxuan some time ago, she would never have lent this 10,000 RMB, or at most a couple of thousand to her brother.

Ye Xiaonuo used her computer to transfer the money to her brother through online banking and got 10,000 RMB. Ye Hongfei was so happy that he said loudly to Chen Haoxuan as he went out, "Chen Haoxuan, it's okay for you to play with my sister, but don't let her have any real feelings. I'll go first, you guys take your time, Chen Haoxuan, you must satisfy my sister, yo!"

Ye Hongfei's words made Ye Xiaonuo blush, she sat opposite Chen Haoxuan and awkwardly said to Chen Haoxuan, "She is still young and doesn't understand things, don't listen to his nonsense."

"I'm not listening, so you don't have to be nervous. I want to drink coffee now, I wonder if you can make me a cup!" Chen Haoxuan said with a smile.

"Of course you can, just wait, I'll go and make it for you now." Ye Xiaonuo said.

Soon Ye Xiaonuo brewed two cups of coffee, one for Chen Haoxuan and one for herself.

"Chen Haoxuan, the things my brother said just now were because I used to lie to him and say that I had many boyfriends, and he said that. I was lying, I don't have a boyfriend, don't misunderstand." Ye Xiaonuo explained to Chen Haoxuan, she didn't know why she had to explain this to Chen Haoxuan.

"I saw it a long time ago." Chen Haoxuan laughed lightly.

"Ah..., you saw it a long time ago, how did you see it? I remember I didn't tell you that!" Ye Xiaonuo asked curiously.

"You didn't say it, but there are ways to tell if you are a virgin from the surface, and I happen to know this method, so I knew early on that you are not a casual person, if you were a casual person, you would have lost your virginity long ago." Chen Haoxuan said.

"Ah..., you can even tell that? Can you tell me how you can tell?" Ye Xiaonuo was curious about this.

## Chapter 325

"No teaching, it's a secret jutsu." Chen Haoxuan joked.

"Chen Haoxuan, how about you treat me as a kaiju?" Ye Xiaonuo said in a shocking way, she did think about it, she thought it was normal for people who came out to have a few friends of both sexes, unlike her, who was so old and still single. She had had her eyes on a few in the past, but those few boys were too rookie, and after knowing that she was the big sister of the triads, they all ran away, and none of her little brothers dared to court her, the big sister.

Now that she has met someone as good as Chen Haoxuan, who can talk and talk, and who is also good at making money, if she has a man like Chen Haoxuan as her kaiju, what a sight she will bring out! She also does not wish to be able to marry Chen Hao Xuan, at least not right now, she just wants to spend some time with Chen Hao Xuan and experience the love between a man and a woman.

"Ga ....." Chen Haoxuan was speechless, he was thinking, how come so many girls like to confess their love to him! The other day Shen Ruyan confessed her love to him in front of so many people, although it was fake, but others didn't think so. Now this big sister of the Yeh Ching Gang was confessing her love to him, and he... he wanted to cry. The question stumped him.

"Can you not joke with me?" Chen Haoxuan laughed awkwardly.

"I'm not joking with you, what I said is true, I want you to be my kaiju." Ye Xiaonuo said to Chen Haoxuan seriously.

"But the problem is that I already have a girlfriend." Chen Haoxuan said.

"Just dump her." Ye Xiaonuo said bluntly.

"No, I like her a lot, I won't even dump her if I dump you. I think you should just give up on me! If you really want a boyfriend, my men are all experts, strong and handsome, and there are many of them, you are guaranteed to like them." Chen Haoxuan said.

"Our Qing Ye Gang has quite a few experts too, I don't like them all, they can't do anything but fight and kill, unlike you, so good at pleasing people. How about this, I won't stop you from having other girlfriends, but you need to follow every night when I go out to play." Ye Xiaonuo's mind seemed to be that of a man's machismo.

"You can't beat me, so who are you to make me listen to you." Chen Haoxuan said discontentedly.

"Fine then, I'll fight you, I win - you're mine, I lose, I'll definitely not force you." Ye Xiaonuo said to Chen Haoxuan.

"Good." Chen Haoxuan agreed, Chen Haoxuan now regretted sending Ye Xiaonuo back, he felt that he had walked into a wolf's den.

Chen Haoxuan and Ye Xiaonuo were in the spacious living room, Ye Xiaonuo took off her jacket to reveal that sexy figure. "Chen Haoxuan come on! You're set to be my kaiju today." Ye Xiaonuo said confidently.

"That's not necessarily true, I'm no ordinary expert, come on! If you want me to be your kaiju, you have to beat me first." Chen Haoxuan hooked his finger at Ye Xiaonuo and said.

Ye Xiaonuo let out a chirpy cry, quickly took two steps forward and approached Chen Hao Xuan, her left leg kicked at Chen Hao Xuan's crotch, this kick, Chen Hao Xuan was scared out of his cold sweat, thinking that this woman is really poisonous, if this kick was heavy by her, then he would become an incomplete man, Chen Hao Xuan quickly covered his crotch with both hands. Ye Xiao Nuo then stomped her right foot into the ground and sent her right leg in the air to strike Chen Hao Xuan's face. Chen Hao Xuan tried to use his hands to block, but it was too late, so he quickly crouched down to avoid Ye Xiao Nuo's two strikes.

Ye Xiaonuo used all sorts of powerful kicks to swing his leg out, downward leg chop, overhead leg swing, low side leg, side bounce pith, high side leg, downward leg chop, front leg sweep, back leg sweep, hook kick, side shovel leg ..... Chen Haoxuan was dumbfounded, he didn't expect Ye Xiaonuo's footwork to be so powerful, after fighting with her for so long, she hadn't used her hands, she had always used her feet, there are very few people who can train their feet to be so flexible.

Chen Haoxuan was giving way to Ye Xiaonuo! Although Ye Xiaonuo's kicks were powerful, in Chen Haoxuan's eyes Ye Xiaonuo's speed was still too slow. As long as he grabbed one of Ye Xiaonuo's legs, Ye Xiaonuo would definitely lose.

Ye Xiaonuo was probably tired, she kicked Chen Haoxuan in the chest, Chen Haoxuan blocked it with his hand, she relied on the rebounding force to retreat a few steps, then slightly panting, she said to Chen Haoxuan, "How about it? My kicks are great, right? Now you won't dare to say that you are an expert among experts!"

"If I say that your kicking is good, but the speed at which you strike your feet is too slow, do you believe me?" Chen Hao Xuan smiled at Ye Xiaonuo and said.

"Humph, bragging, if my speed is really that slow in your eyes, then how come you haven't beaten me?" Ye Xiaonuo chortled.

"That was me giving in to you, if you don't believe me, come again and I'll show you the speed of the outgoing kick." Chen Haoxuan said.

When she was close to Chen Hao Xuan, she kicked her feet and kicked Chen Hao Xuan in the air. If Chen Hao Xuan was hit by this kick with a huge impact, it was normal for him to fly backwards ten metres away.

Chen Haoxuan did not dodge, but quickly went to meet Ye Xiaonuo's flying kick. When Ye Xiaonuo's foot was almost close to Chen Haoxuan, Chen Haoxuan grabbed Ye Xiaonuo's foot with his right hand with one hand, taking the impact from Ye Xiaonuo's foot in another direction, and then swung it with force, wh-, Chen Haoxuan was like holding a rope in his hand, constantly turning.

"Ah-, Chen Haoxuan, put me down." Ye Xiaonuo was grabbed by Chen Haoxuan's foot and she was unable to lend her strength in the air, which made her very powerless. Chen Haoxuan grabbed her foot and kept turning it, she felt dizzy and also felt scared, fearing that she would be crashing into the wall if Chen Haoxuan let go.

Chen Haoxuan threw Ye Xiaonuo upwards, and Ye Xiaonuo screamed again, "Ah..." Chen Haoxuan opened his arms and quickly caught Ye Xiaonuo.

Chen Haoxuan put Ye Xiaonuo down slowly and said with a smile, "This time it doesn't count, I just said I would show you the speed of fast footwork, come again."

"No more, I was just so scared by you that my feet are weak, help me to the sofa quickly." Ye Xiaonuo said to Chen Haoxuan in a pitiful manner, and her tone of voice was not as humming as before, it seemed that she had been taken in by Chen Haoxuan.

As Chen Haoxuan helped Ye Xiaonuo to the sofa, he said, "No way! Aren't you very strong? I didn't hurt you just now! How come you're so scared that your legs are weak."

Sitting on the sofa, Ye Xiaonuo felt safe. She gave Chen Haoxuan a blank look and said in a delicate voice, "No matter how strong I am - I'm still a girl, and girls are naturally scared, so what can I do."

"Fine! Count me out, I'll talk to you about this gap between men and women later when I have time. Now on to our business! What you said just now, if I win you, you won't force me to be your kaiju anymore, you have to keep your word." Chen Haoxuan said to Ye Xiaonuo.

## **Chapter 326**

"I didn't ask you to marry me, I just want you to be my kaiju, is that bad?" Ye Xiaonuo pitifully said to Chen Haoxuan .

"No good, I am a person with a head and a face, so I won't go and be someone's kaiju, because the kind of kaiju you want is for show. You are the only one in this world who dares to ask me to be your kaiju, I have to admit that you are very strong." Chen Haoxuan said.

"Forget it if you don't want to be, but can you make me a real woman?" Ye Xiaonuo said seriously to Chen Haoxuan, she was already in her twenties and hadn't experienced anything between a man and a woman, she was looking forward to spending a nice night with a guy she was satisfied with.

Hearing Ye Xiaonuo's words, Chen Haoxuan suddenly stood up and said to Ye Xiaonuo, "I'm in a hurry, I'm going to the toilet."

Chen Hao Xuan did not arrive to go to the toilet, he escaped through the window of one of the guest rooms, he had already had sex with many girls and could not go on like this because he did not want to be a stud~horse.

The sound of a car engine was heard on Oooo ....., hearing this sound, Ye Xiao Nuo seemed to think of something, she ran out to see, and found that it was Chen Hao Xuan driving away in his car. Ye Xiaonuo was so angry that she stomped her feet, she cursed to herself, "Damn Chen Hao Xuan, there are women for you to play with and you don't even want them, you idiot!"

Chen Haoxuan escaped from Ye Xiaonuo's place. He didn't go back because he no longer had a place to stay in Johor Bahru. He had wanted to stay in a hotel, but being screwed by Ye Xiaonuo had ignited his desire, so he went to find Jiang Xianghan and the girls.

In a restaurant, Abel and Mieko were drinking and eating steak.

"Mieko, Chen Hao Xuan's place has been torn down, do you think he will suspect that we did it?" Ebelle said worriedly.

"I think he will, because we were the only enemies he had before." Mieko said.

"Mieko, do you know who did it?" Ai Beier asked, she had been investigating this for a long time but had no clue, she suspected that the person who had torn down Chen Hao Xuan's residence had the same powerful backing as they did, otherwise how could they not find out.

"If you rice people can't find out, how can we find out. But seriously, those people are so smart, they stole a computer from Chen Hao Xuan's house while he wasn't at home, and they also took down that magical Vertigo Formation, I think the reason they wanted to take down the Vertigo Formation was to study Chen Hao Xuan's Vertigo Formation." Mieko said.

"If I had known that someone would do it, I should have gone the day after I knew about the Vertigo Formation and dismantled it to find out the secret of the Vertigo Formation." Ebelle said, now that she had made up with Mieko again, thanks to their bosses, who had asked them to work together to find a way to get more out of Chen Haoxuan, and had sent them back to the University of Johor Bahru.

They thought that the fact that Chen Haoxuan knew about Ai Beier's identity but didn't reveal it showed that Chen Haoxuan didn't want to tell others about Ai Beier's identity, perhaps it was possible that they were afraid of upsetting the two behemoths, Rice and Island, so they were relieved to let Ai Beier go back.

"I wonder if Chen Hao Xuan will strike without saying a word when he sees us again." Ai Beier said worriedly.

"I think we'd better not show our faces until we find out who tore down Chen Haoxuan's place. When we find out we have a clue and Chen Haoxuan comes after us, we'll give him the clue we found and I think he shouldn't give us a hard time, after all, our backers aren't something anyone would dare to mess with." Mieko suggested.

"So where do we start looking?" Ebelle said.

"Didn't those people drive two excavators to lift Chen Haoxuan's roof? Then we'll check out those two diggers first." Mieko suggested.

On Sunday, even though it was a holiday, Chen Haoxuan went to the University of Johor Bahru to ask Yang Lin if he had seen Ai Beier and the girls. After learning that Ai Beier and the girls still hadn't come to the university, it made Chen Hao Xuan even more suspicious that they had torn down his place, because the day he went to the capital of China, Ai Beier and the girls came back and his place was torn down that night, and when he came back, Ai Beier and the girls had disappeared, who else could it be?

Chen Haoxuan went to Li De in order to find Ai Beier and the girls as soon as possible, and he asked Li De to send someone to help him find Ai Beier and the girls. Originally Chen Hao Xuan wanted to do a black and white search for Ai Beier and the girls together, but Ye Hong Fei did not acknowledge the promise he made to Chen Hao Xuan at first, on the grounds that Chen Hao Xuan had stolen his favourite Shen Ruyan, and asked Ye Xiao Nuo for help, which she was happy to do, but she asked Chen Hao Xuan to sleep with her, and Chen Hao Xuan was not a duck, taking his body as a trade, he refused Ye Xiao Nuo.

Although she was refused by Chen Haoxuan, Ye Xiaonuo still helped Chen Haoxuan to find Abel and the girls.

The police were on the side of the road asking questions with photos, and the gangsters were in various sex establishments asking questions with photos, so Ai Beier and Miezi were asked many times, but luckily they had some make-up skills, otherwise they would have been discovered.

In an alleyway, Mieko said to Ai Beier, "Ai Beier, what should we do? Chen Haoxuan has unleashed the forces of black and white against us."

"It looks like we should go and find Chen Hao Xuan." Ai Beier said.

"We haven't found out the clues yet, and if we go to Chen Hao Xuan now, he will decide that we demolished his house." Mieko said.

"But it's not a good idea for us to keep hiding to find out like this! I think we should go straight to Chen Hao Xuan, maybe we can persuade him to cooperate with him and help him find out the gang that demolished his place, on condition that we get his technology." Ebelle laughed.

"Will he agree to that?" Mieko questioned.

"We won't know until we try, it's not too late, let's go find him now." Ebelle said.

"His place is gone, where are we going to find him?" Mieko gave Ebelle a blank look and said.

Ai Beier took out her mobile phone and dialed Chen Hao Xuan's phone number, the call was soon answered, "Hello, is this Chen Hao Xuan?"

"Ai Beier, tell me, why did you want to demolish my residence, did you want to give me a downward spiral? I'm telling you Abel, if you don't give me a satisfactory answer, I'll make you regret it for the rest of your life, believe me, I can catch all of you without much effort, I'll have a way to be able to make you disappear from the earth." Chen Haoxuan said.

"Chen Haoxuan, don't be so excited! Listen to me patiently, the people who demolished your house were not us, it was a different group of people, and we are now investigating who those people are." Ai Beier explained.

"Not many people know about my enchantment, and who knows the power of this enchantment except you two. When I captured you and turned you against each other, you held a grudge against me and when you saw that I was not at home you simply tore down my place ....."

### **Chapter 327**

"We just left in case you got the wrong idea, really, please believe us ." Ebelle said.

"Believe what the hell! Unless you can show any evidence that it wasn't you who demolished the house?" Chen Haoxuan said.

"Chen Haoxuan, I'm not afraid to tell you that we're not the only ones who are interested in you in Xinshan City, other people are also interested in you, from all their countries, and some of them are stronger than even us. I think that as soon as we returned to Johor Bahru City, your place was demolished that night, and I suspect that someone did this on purpose, in order to make us help him bear your wrath." Ebelle said.

"I'll give you a week, if in a week you can't find someone who can prove that you didn't do it, I'll let you go, otherwise even if your backstage is a great country, I won't spare you lightly, believe me, in front of interests, you are nothing but clowns here, dispensable." Chen Haoxuan said.

"I promise you, but you can cancel the wanted search for us now, right?" Abel said.

"OK, make fun of it right away." Chen Haoxuan said.

After hanging up the phone, Chen Haoxuan called Ye Xiaonuo and Li De and told them to inform down that they didn't need to look for Ai Beier and the girls anymore.

On the 9th of April, in the morning Chen Haoxuan arrived at the University of Xinshan City, Shen Ruyan, she had been waiting for Chen Haoxuan at the entrance of the university for a long time, and as soon as Chen Haoxuan arrived, she immediately ran towards Chen Haoxuan. Now the students and teachers at Xinsan University all think that Shen Ruyan is pursuing Chen Haoxuan, and this method of hers is indeed working, Wang Fuyou and the others have not bothered her in the past two days, and the others no longer dare to write her love letters, so they must know the gap between themselves and Chen Haoxuan, so they actively retreat.

This is what Shen Ruyan wanted to see, and seeing that it worked so well, he simply continued to pretend to chase Chen Hao Xuan, and by the way, used this excuse to get closer to Chen Hao Xuan, which would allow him to learn more about Chen Hao Xuan and protect him.

Chen Haoxuan was now staying at a hotel, so he was now driving to Xinsan University, he parked his car and as soon as he got out of the car, Shen Ruyan stood next to him and greeted him politely, "Chen Haoxuan, good morning."

"Good morning." Chen Haoxuan said to Shen Ruyan with a smile.

As Chen Haoxuan walked towards his classroom, Shen Ruyan quickly followed beside Chen Haoxuan, Shen Ruyan asked Chen Haoxuan, "I heard that you suddenly cancelled your search for Abel and Mieko all day and night, what was the reason for that?"

Chen Haoxuan replied as he walked, "That's because last night Ai Beier gave me a call, she told me that the people who demolished my place were not the ones who did it, they were hiding for fear of me misunderstanding."

"Do you believe them?" Shen Ruyan asked.

"What can I do if I don't believe them, even the behemoth behind them, your Dragon Group, doesn't dare to mess with them, let alone a small businessman like me. But I still dare to scare her, I told her that if she can't find the proof that she didn't do it in a week, I will find him and put her ....." Chen Haoxuan sneered.

"They all called you and told you not to misunderstand them, so I guess the person who demolished your residence might not really be them." Shen Ruyan said.

"Whether it's them or not, we won't let them get away with it because their existence has been endangering my life." Chen Haoxuan said.

"Have you ever suspected that it might have been done by someone else with the same identity as Abel and the girls?" Shen Ruyan said.

"I've thought about it, but there are too many people like that at the University of New Mountain, and I don't know which of them wants to harm me, which wants to draw me in, and which wants to defect to me." Chen Haoxuan said.

"As far as I know, the students who transferred over this time, there are many agents from various countries hiding inside, your computer skills are so powerful, you should be able to find out their identities." Shen Ruyan said.

"I've read their information for a long time, but there are too many of them, I don't know which one of them to suspect." Chen Haoxuan said.

"All of them have been read, can you but can you show me as well." Shen Ruyan said excitedly. They had checked the information of those students who had transferred over with her, and all of them could be found, very normal student status.

"It was saved within the previous laptop, and that laptop was taken away by Ai Beier." Chen Haoxuan said.

"Isn't your memory power very strong? You get him out and show me." Shen Ruyan said expectantly.

"You guys can't even find out a person's identity, what are you doing for food? If I were you guys, I would spend money to train up advanced computer experts." Chen Hao Xuan said, it was not that Chen Hao Xuan did not want to tell the Dragon Group, but the current Dragon Group did not seem to be too powerful, otherwise how could they not even be able to find out one person, surprisingly not powerful enough, then don't give him trouble, Chen Hao Xuan was looking out for the safety of the Dragon Group.

"Although we can't find out about them, but they can't find out about us either! So we can only say that we are half and half with them." Shen Ruyan was dissatisfied that Chen Haoxuan had made them sound so bad.

Chen Hao Xuan suddenly stopped and said to Shen Ruyan, "Do you think I'm being too showy, exposing my skills and making to attract so much trouble."

"No way! Look, you know so many things, but you don't bring them all out, which proves that you are very low-key." Shen Ruyan smiled and said to Chen Haoxuan.

"My classroom is right in front, do you want to follow me or go back to your own classroom?" Chen Haoxuan pointed to the teaching building in front of him and said to Shen Ruyan.

"I'll go to class with you, anyway, it's not like I came to Xinsan University to study, but to protect you, and it's better to protect you next to you than to be scared for you in other places." Shen Ruyan's words warmed up.

"I think it's better for you to go back, if Wang Fuyou and the others see you, they should hate me again." Chen Haoxuan said.

It was late, Wang Fuyou and the others had already seen it, they had been hiding until yesterday, yesterday was Sunday, so they didn't go straight back to Xinsan University, straight pirate version only today they came back to Xinsan University, they wanted to find Chen Hao Xuan to have a good chat, they didn't expect their dream girl was with Chen Hao Xuan again, they were sad, they were jealous.

Shen Ruyan followed Chen Haoxuan into the classroom, she and Chen Haoxuan sat in pairs in the last row of the classroom, which is a bit like when Chen Haoxuan and Chen Yina sat together.

The students on Chen Haoxuan's gang admired Chen Haoxuan to the extreme, it was very rare for a person to pick up a girl to the extent that Chen Haoxuan did. Unintentionally many people began to call Chen Haoxuan a love saint, some time ago Wang Fuyou and his gang's methods of pursuing Shen Ruyan were taught by Chen Haoxuan, which was said by Shen Ruyan herself. The Lang Manga moves that Ma Yichen used to pursue Zhang Bening more than half a year ago were also taught by Chen Haoxuan, so the shout of Chen Haoxuan as the Love Sage was well deserved.

## **Chapter 328**

Wang Fuyou and the girls didn't want Shen Ruyan to know that they wanted to find Chen Hao Xuan, so Ye Hongfei, the only one of them who had Chen Hao Xuan's phone number, sent Chen Hao Xuan a short message and asked him to meet him in the garden on campus. Ye Hongfei got Chen Haoxuan's phone number from her sister.

When Chen Hao Xuan received the short message from Ye Hong Fei, he said to Shen Ruyan that he was going to the toilet, and he walked out of the classroom and headed for the garden on campus. At the entrance of the garden, Chen Haoxuan met Wang Fuyou and the others.

"Chen Haoxuan, this way." Wang Fuyou waved to Chen Haoxuan, gesturing for Chen Haoxuan to go over.

Chen Haoxuan walked over and the three of them looked at Chen Haoxuan in unison, Wang Fuyou spoke out first, "Chen Haoxuan, you caused us a lot of trouble last time, what do you think you should do to compensate us?"

"Compensation? Do you think I'm a god? I didn't even know what happened beforehand." Chen Haoxuan said discontentedly.

"We gave you so many benefits and you only let us get Shen Ruyan's laughter but not not Shen Ruyan's heart, so help us think of a way to save it if you have a conscience." Gongsun Hyun said to Chen Haoxuan.

"In fact, that day after Shen Ruyan and I left the University of Xinshan City, she stayed at my house for a while, I asked her about it, she said she likes very good guys, so if you guys really want to marry her as your wife, learn more and be a good man in general, so maybe she will really be attracted to you." Chen Haoxuan suggested.

"It's not easy to be an excellent man." Ye Hongfei sighed.

"Being an excellent man doesn't require you to be good at everything! What you yourselves are best at, what you do, bring out the best in you, and you are an excellent man." Chen Haoxuan said.

Wang Fuyou was torn and said, "I don't seem to know how to spend money, other than that?" He was embarrassed with himself after saying that.

"Wrong, you don't only know how to spend money, you also know how to make friends, didn't you see that day you called so many people with just a few phone calls? They even lent you their beloved cars, that proves you are good at making friends and they trust you." Chen Haoxuan said with a smile.

"I seem to have this advantage, but what's the use of only making friends?" Wang Fuyou said in a bereaved voice.

"Some people can become millionaires even if they only pick up rubbish, so nothing in this world is impossible. You've spent so much money making so many friends, it's not called losing money, it's called investing money. You can open a fancy and luxurious business and get your friends to come and visit you. As long as they are happy with your business, they will come next time without you asking them to.

If you sell all your goods at a high price, if others sell them for a hundred, you will sell them for a thousand, and if others say why they are so expensive, you will say that of course they are expensive because they are of good quality. Make money from rich people, easy people, they don't care how expensive it is, they care about having that feeling. You do a good job, you will be famous in the city of Xinshan, then you will not become a successful person, your family will be proud of you, Shen Ruyan will also look at you in a different way." Chen Haoxuan gushed.

Wang Fuyou's heart blossomed, he excitedly put his arm around Chen Hao Xuan and said happily, "Chen Hao Xuan, thank you so much, you are really a genius, you can even think of this."

Chen Hao Xuan broke away from Wang Fuyou's embrace and said, "Don't hug me in the future, I don't do fags."

Ye Hongfei, who quickly grabbed Chen Hao Xuan's hand, said, "Chen Hao Xuan, brother Chen, what about me? What should I do?"

"You mix hair, of course! But your mixed hair needs to be different from others', what exactly is different from others, go back and ask your sister, I have taught her before." Chen Haoxuan said.

"Chen Haoxuan, no no, brother-in-law, you are my good brother-in-law, I love you to death." Ye Hongfei said excitedly, he had expected Chen Haoxuan to let him do something else, but he didn't expect that he would still let him be in the underworld, he was confident in being in the underworld, after all, he had been exposed to it since he was a child, he was secretly glad that Chen Haoxuan didn't let him do anything else.

"Brother-in-law? Ye Hongfei, you actually called Chen Hao Xuan brother-in-law, what's going on?" Wang Fuyou and Gongsun Hyun were surprised.

Ye Hongfei didn't feel any shame about this, he said proudly, "My sister has picked up Chen Haoxuan, so what's wrong with me calling him brother-in-law, but I just don't know how long he can be my brother-in-law." Ye Hongfei had always thought that his sister changed men in a few days, but didn't know that he himself was too simple to believe this.

"Wow sh\*t, your sister has too much bull, right? Chen Hao Xuan, who Shen Ruyan couldn't even pick up, your sister actually did, bully." Wang Fuyou said with a look of admiration, Ye Hongfei's sister he had seen many times, very beautiful and sexy, the only drawback was that she was too fierce, making men feel that she was a horrible creature.

"You guys don't listen to him, there's nothing going on between me and his sister, we're just ordinary friends." Chen Haoxuan explained.

"There's no shame in playing with women, why are you covering it up!" Gongsun Hyun said indifferently, it seemed that he hadn't done such things too often.

"Stop talking about me and talk about you guys. Gongsun Hyun, do you need my help?" Chen Haoxuan said.

"I don't need you to tell me, I know that I am suitable to be an official, but the problem is that being an official is too slow to get promoted." Gongsun Hyun said.

"Your dad is a big official, as long as you have the ability, your dad will dare to promote you, so it won't take long for you to become a big official." Chen Haoxuan said.

"Alright! I have to admit that I've been convinced by you, and I also have to admit that you're really smart." Gongsun Hyun said to Chen Haoxuan, his words were tinged with jealousy, he had always thought he had the best mind and could come up with all sorts of solutions, but when he met Chen Haoxuan, he realised what it meant to have a mountain to climb.

"All right! Is everything alright? I'll go back if it's alright?" Chen Haoxuan said with a smile.

"You've signed up with us, we had to pay such a big sacrifice, you should show that you can teach us how to pick up girls!" Wang Fuyou said.

"Fine! I'll teach, if you guys don't understand anything, just ask." Chen Haoxuan said.

"What kind of guys do girls like?" Wang Fuyou asked.

"Of course it's a boy that girls like!" Chen Haoxuan said.

"You - I am for you what kind of boys girls actually like, like mature and stable, with a successful career ....." Wang Fuyou thought Chen Haoxuan didn't understand his question.

"You know yourself, may be mature and stable, may be successful in career, you see many choices! Different girls like different guys, so this is a topic I can only talk about; guys that girls like." Chen Haoxuan explained.

## **Chapter 329**

Chen Haoxuan kept on teaching in the garden. As for Shen Ruyan, she was like a bride on her wedding night, attending class for the first time in the classroom where Chen Hao Xuan was, but the groom had left and never returned, and she was left alone.

"Chen Haoxuan has been gone for so long, why isn't he back yet? It couldn't be that he tricked me into leaving, could it?" Shen Ruyan thought darkly in her heart.

Shen Ruyan continued to wait until the second class, Chen Hao Xuan still hadn't come back, she didn't wait anymore, she was going to find Chen Hao Xuan and stood her up, it was unbelievable.

Xinshan University was not very big, she quickly found her way to the garden, not far from the garden, she saw Chen Haoxuan chatting with Wang Fuyou and the others, seeing this scene, the first thing she suspected was that Chen Haoxuan was handing Wang Fuyou and the others to chase her again. "No, I'm going to make trouble, if you give me trouble, I'll give you some trouble too." Shen Ruyan said darkly in her heart.

Shen Ruyan walked towards where Chen Hao Xuan was, "Chen Hao Xuan, so you're here! You didn't even say anything when you came here, causing me to look for you for so long. You're here too, Wang Fuyou!" Shen Ruyan walked over to Chen Haoxuan and sat down next to him, hugging Chen Haoxuan's arms with both hands, the two of them looking warm to describe.

Shen Ruyan hugged Chen Haoxuan's arms with both hands, Chen Haoxuan could feel the feeling of his arms squeezing Shen Ruyan's chest, very soft.

"Ruyan, you-." Gongsun Hyun shouted, after that he didn't know what to say, Shen Ruyan was not his person, why not let Shen Ruyan hug Chen Hao Xuan's arms. He was a very selfish person, and it was hard for him to tolerate other people in his heart. His beloved one was cuddling with someone else in front of him, and he felt very bad.

"Shen Ruyan, if you keep taking advantage of me like this, I'm going to fight back." Chen Haoxuan warned indifferently.

"How do you want to fight back? Do you want to touch me or do you want to kiss me?" Shen Ruyan sweetly leaned on Chen Haoxuan's chest, one finger still drawing circles on Chen Haoxuan's chest.

"When did Shen Ruyan become like this? Is this still the Shen Ruyan I know?" Wang Fuyou and the three of them were doubtful.

Chen Haoxuan had that hate in his heart! If Wang Fuyou and the others were not there, he would have put his hand inside Shen Ruyan's clothes to see if she still pretended to be his girlfriend.

Chen Hao Xuan pulled away Shen Ruyan's hand, then gently pushed Shen Ruyan away, stood up and said to Wang Fuyou and the others, "She is deliberately angry with you guys, don't give up, when you catch her up later, she will be like that to you."

Chen Haoxuan's words, Wang Fuyou and the others loved to hear.

When Shen Ruyan heard Chen Haoxuan's words, she kept complaining in her heart, "You damn Chen Haoxuan, no wonder Wang Fuyou and the others never gave up, so you kept encouraging them. Hmph, you said I was pretending, right? Then even if I am pretending, I still want them to think it is true."

Shen Ruyan suddenly stood up, put her hands around Chen Hao Xuan's head and stood on her heels to kiss Chen Hao Xuan's mouth.

Boom, Wang Fuyou and the others felt the sound of thunder in their heads, thunder from a clear sky, their beloved Shen Ruyan had actually kissed Chen Hao Xuan, still of her own accord, and - still tongue kissed. Was this an attempt to drive them crazy? If they wanted to kiss, they could go elsewhere! Why did they have to kiss in front of them, didn't they know that it was hurting their hearts?

Chen Hao Xuan, after he was kissed by Shen Ruyan, out of normal reaction he opened his mouth when he was surprised, this open mouth allowed Shen Ruyan to take advantage of the opportunity and the kiss escalated into a tongue kiss.

Chen Haoxuan was so dumbfounded that he let Shen Ruyan kiss him for a few minutes, and after five minutes, Shen Ruyan let go of Chen Haoxuan, and she shyly said to him, "I will be responsible for you." After saying that, she turned around and left.

Gah ....., forcibly kissing him and being responsible for him after the kiss, what kind of thing is this?

"Chen - Chen Haoxuan, Shen Ruyan can't really like you, right?" Wang Fuyou asked Chen Hao Xuan in a tangled voice.

"Boss, I have a girlfriend, so even if she likes me, I won't like her, so you guys feel free to chase after her!" Chen Haoxuan said to Wang Fuyou and the others.

"If one day, Shen Ruyan becomes my wife, when I kiss her, I'm bound to remember her forcibly kissing other men, what am I supposed to do with that!" Gongsun Hyun seemed to want to retreat, he liked someone who loved him with all his heart, he did not like the person he loved to have other men in her heart.

"I don't really care about that, but I still feel awkward in my heart." Wang Fuyou said naggingly.

"I don't care either, as long as she doesn't sleep with Chen Hao Xuan and kiss and touch. Because when we go to play, don't we always kiss and touch those girls." Ye Hongfei was as open-minded as his sister.

"I don't know how she could be like that all of a sudden." Chen Haoxuan said awkwardly.

"Chen Haoxuan, I envy you, if Shen Ruyan could kiss me like she kissed you, I would die of happiness, unlike you! Being kissed by Shen Ruyan and still looking aggrieved, I really want to kill you with envy." Wang Fuyou said sourly to Chen Hao Xuan.

Chen Hao Xuan was amused by Wang Fuyou's words, "Hehehe ....., I don't know if you have heard the saying that a woman who can give birth to children is a good woman, so you should not be so high-minded, she Shen Ruyan is good-looking, but she will also grow old! Maybe she'll be ugly when she's old."

When she heard Chen Haoxuan's words, she was so angry that she gritted her teeth and cursed Chen Haoxuan in her heart for taking advantage of her. Shen Ruyan regretted her impulse to give away her first kiss, and she had forced the other party to do so.

Chen Hao Xuan comforted Wang Fuyou and the others for a while and he left. He hadn't gone far when he saw Shen Ruyan, who was looking at him angrily, "Chen Hao Xuan, you come with me."

"What for? Where are you going? Hey, don't pull me, it's not good to be seen! If you don't let go of me, I'll yell molestation!" Chen Haoxuan kept yelling.

Shen Ruyan didn't care how much Chen Hao Xuan resisted, she pulled him to the roof of the school building. The roof of the school building was always locked because the school authorities were worried that it would be dangerous for students to go to the roof to play, so they locked the roof. Shen Ruyan, who knew how to pick locks, took a small piece and opened the lock in three or two clicks.

Shen Ruyan pulled Chen Hao Xuan to the roof, and she chided Chen Hao Xuan, "Did I, Shen Ruyan, annoy you, Chen Hao Xuan? Do you know that you taught Wang Fuyou and the others that I would have a hard time, I am afraid of hurting them and I can't accept their feelings, tell me, if you were me, what would you do?"

## **Chapter 330**

"The rarest thing in life is to meet someone who loves you deeply. So you just choose one!" Chen Haoxuan said indifferently.

"Then I also said that the rarest thing in life is to meet someone you love deeply, so if I say I love you deeply, will you be willing? Hmph." Shen Ruyan huffed and said to Chen Haoxuan.

"If it was you, of course I wouldn't be willing." Chen Haoxuan said dryly.

"What's wrong with me? I'm the girl who was named the most beautiful girl in China, my parents and grandparents they are all high ranking officials, and I'm a member of the Dragon Team myself, what's wrong with me?" Shen Ruyan really hated Chen Haoxuan for saying she was bad time and time again.

Chen Haoxuan disturbed the back of his head and giggled, "Maybe you're really too nice, so I feel bad."

"You - you're being sophomoric, you just want to be angry with me, don't you?" Shen Ruyan pouted at Chen Haoxuan, since she was young, this was the time when she was the most angry, basically whenever she saw Chen Haoxuan, without saying many words, she would get into a fight with Chen Haoxuan.

"Yes there is that idea, but you are too tough, no matter how angry I get at you, you just can't die." Chen Haoxuan joked.

Waiting for a while, no days to Shen Ruyan's chirping sound, Chen Hao Xuan wanted to turn back, just twisted his head he found that somehow Shen Ruyan had already stood next to him, a pair of beautiful eyes staring, Chen Hao Xuan could see the burning anger in those beautiful eyes.

Shen Ruyan quickly grabbed Chen Haoxuan's hand, put it in her mouth and bit it.

"Ah, you're a dog! Quickly release your mouth, or else the force will shatter your teeth." Chen Hao Xuan frowned, he seemed to forget that he was not the same person in the future century, in the future century he could not say that he could shatter Shen Ruyan's teeth, he could even shatter Shen Ruyan to death, after all, that was a body that transcended human qualities, but now he had this body, in order to shatter Shen Ruyan's teeth, it was simply a fool's dream.

Although she did not believe Chen Haoxuan had the ability, Shen Ruyan still let go of Chen Haoxuan.

Chen Hao Xuan raised his hand and found that his arm had been bitten by Shen Ruyan to the point where blood was coming out: "You're too cruel, aren't you? If you bite and pull again, the flesh on my arm might be bitten off by you." Chen Haoxuan said with a bitter face.

"Who told you to bully me? If you bully me again in the future, I will bite you until you stop bullying me." Shen Ruyan beamed her small mouth and said in a delicate voice.

"I'd rather you kiss me until I don't dare to bully you." Chen Haoxuan laughed bitterly.

"You're thinking beautiful, I won't kiss you!" Shen Ruyan remembered how she had just forcefully kissed Chen Hao Xuan, the feeling that tongue kiss gave her was happy, beautiful, pleasant ..... and very reminiscent of the feeling. If Chen Haoxuan took the initiative to come over and kiss her now, she thought she should not refuse.

"Then you just forcefully kissed me?" Chen Haoxuan said.

"That was because you wanted to teach Wang Fuyou and the others to chase me, and when you did, they would come and annoy me, so I wasn't happy. I know they like me a lot, so if I take the initiative to kiss you, they'll hate you, and if they hate you, you won't be able to teach them anymore, and that's what I'm trying to do. But then again, it was all because you forced me to, if it wasn't for you, how would I have given away my first kiss like that, it would have been forced on you, if those good sisters of mine knew about it, they would have laughed their heads off." Shen Ruyan said aggrievedly.

"Just kiss if you do! Why are you sticking your tongue into my mouth and tongue-kissing me? I seriously suspect that you are deliberately taking advantage of me." Chen Haoxuan said seriously to Shen Ruyan, his arm was not bleeding now and he was wiping the blood on his arm with a tissue.

"I--I ....." Shen Ruyan's face was red, not knowing how to answer Chen Haoxuan's words, if she said she couldn't help it, Chen Haoxuan must have thought she really liked him.

"You don't really like me, do you? That's why when you kissed me, you couldn't help but stick your tongue into my mouth." Chen Haoxuan asked seriously.

"I - I ....." It was fine if Chen Haoxuan didn't say it, but once she did, she, Shen Ruyan, really felt that way.

"Could I really be like what Chen Haoxuan said, that I couldn't help but tongue-kiss him because I liked it? How could I... how could I fall in love with him? He's a womanizer who has several girlfriends and an annoying guy. It's an illusion, yes it's an illusion, it's because of the illusion that I feel this way." Shen Ruyan said darkly in her heart.

"Seeing your nervous look and the blushing expression, it can't be true, right?" Chen Haoxuan questioned.

"N-No, I don't like you, yes, it's like this, I haven't kissed anyone else yet, so I'm curious to know what kissing is like, that's why- that's why I tongue-kissed you, don't think too much about it. " Shen Ruyan squeaked.

"Oh, so that's how it is! I thought you had a crush on me! It's good that it's not. By the way, don't you really want to experience the feeling of kissing? How about we try it again." Chen Haoxuan smiled wickedly.

"Ah..." Shen Ruyan opened her mouth in surprise.

Chen Haoxuan quickly took a step forward, wrapped his arms around Shen Ruyan's waist and wrapped his arms towards his side, and when he did so, he then slightly brought himself upwards, which made Shen Ruyan couldn't help but stand on her heels.

Mmmmm ....., Shen Ruyan wanted to speak, but her mouth was already kissed by Chen Hao Xuan. At first, Shen Ruyan clenched her teeth to keep Chen Hao Xuan's tongue out of her mouth. But as time drained away, she forgot everything and became engrossed in the passionate kiss.

The kiss seemed to last forever, for they had forgotten about time. After a good twenty minutes or so, Chen Haoxuan let go of Shen Ruyan and said with a slight gasp, "How does it feel?"

Shen Ruyan she couldn't compare to Chen Haoxuan, she was panting heavily, she was now not only blushing, even her neck and hands appeared to have pink skin. She heard Chen Haoxuan's words, she didn't know that she was too shy to say anything, she didn't dare to look at Chen Haoxuan's eyes, she hugged Chen Haoxuan and buried her head in Chen Haoxuan's arms so that she wasn't afraid of embarrassment, because she saw Chen Haoxuan's eyes, she didn't pay attention to Chen Haoxuan.

"Hey, why are you still taking advantage of me? I've let you experience the feeling of kissing, isn't that enough?" Chen Haoxuan looked down and said to Shen Ruyan who was buried in his arms.

"It's enough," Shen Ruyan said happily, her eyes closed. Only now did she feel that it was so wonderful to rely on Chen Haoxuan's arms, and that kissing Chen Haoxuan was so intoxicating, no wonder those female protagonists in movies liked to rely on boys' arms, because girls just liked the feeling.

"That's enough - why are you still holding me?" Chen Haoxuan said.
