

A Billionaire's Reincarnation Chapter 361-370

Chapter 361

When Zhou Kexin saw Chen Yina suddenly stop, she couldn't help but ask curiously, "Nana, what's wrong with you?"

Chen Yina turned back to Zhou Kexin and said nervously, "Kexin, just now I don't know why, I felt that that person was brother Xuan."

"Nana, I think you missed Hao Xuan too much, that's why you had such a hallucination." Zhou Kexin comforted Chen Yina.

"Maybe so!" Chen Yina said lost in thought, she also knew that the person she just saw was a middle-aged man, but she really felt that it was Chen Hao Xuan, after listening to Zhou Kexin's words, she also thought that she missed Chen Hao Xuan too much, that's why she produced such a hallucination.

Chen Haoxuan, who walked into the University of Beijing University, said secretly in his heart, "Nana, it's not that I don't want to recognize you, but it's not time yet."

Chen Haoxuan he asked many students at Jingda University before he found Zhou Ta, when he found Zhou Ta he did not immediately walk over to say hello, but kept secretly following Zhou Ta.

Chen Haoxuan he wanted a genius, but also a good person who could be relied on, so he needed to observe if Zhou Ta was worth reusing.

Zhou Ta seemed to lead a very ordinary life, studying honestly and going back to his small company as soon as he had no classes, he was very frugal, although he had money, he only ate fast food for a few dollars, and at a glance, he knew he was a person who had suffered.

Chen Hao Xuan observed Zhou Ta for a day, and on the second day Chen Hao Xuan deliberately sat in the place where Zhou Ta would pass every day, which was the corridor of the library. On that day, Zhou Ta went to the library to borrow a book as usual. As he passed by Chen Haoxuan, Chen Haoxuan suddenly stood up and bumped Zhou Ta, then said sorry and walked quickly outside.

When Chen Haoxuan bumped into Zhou Ta just now, Zhou Ta felt that Chen Haoxuan had dropped something on him, and when he looked down, it was a bulging wallet. He looked down the corridor and Chen Haoxuan had already disappeared down the corridor, not knowing where he had gone. Zhou Ta, he picked up the wallet and quickly ran outside, trying to return it to Chen Haoxuan.

"This student, have you seen a middle-aged man with a full beard and wearing sunglasses?" Zhou Ta kept asking people who passed by if they had seen Chen Haoxuan.

The reason why Zhou Ta couldn't find Chen Hao Xuan was because the current Chen Hao Xuan had torn off his beard and was wearing sunglasses and a hat, so Zhou Ta couldn't ask Chen Hao Xuan's whereabouts no matter how he asked. Chen Haoxuan, who had been following Zhou Ta to see if Zhou Ta would take his money alone.

Zhou Ta, who had searched for two hours but could not find Chen Haoxuan, had no choice but to go to the school's security office, hoping that the school's security guards would find the owner.

When Zhou Ta entered the security room on his first foot, Chen Hao Xuan followed him, and he reappeared with the same full beard as before.

"Excuse me, did you pick up my wallet?" Chen Hao Xuan stood at the entrance of the security room and asked in a polite voice.

Hearing the voice behind him, Zhou Ta turned around and looked, wasn't this the man who had just dropped his wallet? He happily said to Chen Haoxuan, "Is this the wallet?"

"Yes, yes, it's this wallet, thank you for returning it to me, thank you so much indeed." Chen Haoxuan took the wallet and said thankfully. Chen Hao Xuan took the wallet and opened it immediately,

he wanted to see if Zhou Ta had opened his wallet, if he had, then it would prove that Zhou Ta had a crooked heart, if not, then it would prove that Zhou Ta was a decent man and it would be worth his invitation.

Chen Hao Xuan looked carefully and found that the wallet had not been opened at all, so he smiled and said to Zhou Ta, "You found my wallet, in order to thank you, can I invite you to coffee?"

Zhou Ta waved his hand and said politely, "That's too kind for you, sir, picking up your wallet was just a handful, you don't have to be so polite."

"If it was a few hundred dollars, people might not be greedy, but a few thousand dollars is a different story, and not many people would not be impressed. I respect people like you the most, so I have to treat you to coffee today no matter what, if you don't like coffee, I can treat you to dinner at the hotel." Chen Haoxuan said enthusiastically.

Zhou Ta still waved his hand and refused, "No no, I still need to go to class, so I won't go, I appreciate your kindness, thank you."

For Zhou Ta, Chen Haoxuan was satisfied, so he directly said to Zhou Ta, "Zhou Ta, actually I am a friend of Zhou Xiang, I am looking for you for something, I don't know if you can spare some time."

"You're Uncle Zhou's friend, of course I have time, but wait for me, I'll go and take some time off, I'll be here soon." Zhou Ta said happily, for Zhou Xiang, he was grateful from the bottom of his heart, because Zhou Xiang often helped their family, otherwise he would not have the life he had now.

After Zhou Ta took his leave, he followed Chen Hao Xuan out, and Chen Hao Xuan led him to a luxurious coffee shop. There were very few people drinking coffee at this time of the day, so it was quiet, which was exactly the kind of environment Chen Haoxuan needed.

After ordering two cups of coffee, Chen Haoxuan said to Zhou Ta, "I am a good friend of Zhou Xiang, I heard from Zhou Xiang that you are very talented in business, and I want to do a big business and need a lot of talents, so I came here, please allow me to be abrupt."

"Oh, I think you've got the wrong person, because I've already opened a company." Zhou Ta said apologetically.

"What you do is just a small business of a few hundred thousand dollars, and in my eyes a few hundred thousand dollars is not something I can even look at. Because the business I am doing is a business of hundreds of millions, if you are willing to come and help me, I will give you ten percent of the company, how about that, think about it, it is a big business of hundreds of millions." Chen Haoxuan said seriously.

"You... you're not lying to me, are you?" Zhou Ta said in surprise, a business of several hundred million dollars, this was something he didn't even dare to think about.

"Do you know why your Uncle Zhou's Zhou's Group is so hot? Let me tell you, it's because I'm his boss behind the scenes, not only does he work for me, even the Huashi Group in Xinshan City is only so big because of my support, you should know about the All-in-One mobile phone, right? That was developed by me, so you should have guessed who I am." When Chen Haoxuan finished speaking and saw that no one was paying attention around, he tore off the beard on his chin.

"You - you're Chen Haoxuan?" Zhou Ta said in surprise, he never thought that the genius of China, Chen Hao Xuan, would come to him, moreover, he never thought that Chen Hao Xuan was so optimistic about his talent and wanted him to work for him.

"I can't reveal my identity for now, so keep your voice down, and you can't tell anyone about what you saw me today, got it?" Chen Haoxuan said to Zhou Ta in a serious manner.

Chapter 362

"I've heard about you, so don't worry, I won't say anything." Zhou Ta said seriously.

"Well, that's good. I came to you because I want you to help me manage the business, I will give you ten percent of the shares, this ten percent may not earn that much money in your small company for the rest of your life, so you must think it over." Chen Haoxuan said to Zhou Ta.

"Give me ten minutes." Zhou Ta said.

After twenty minutes, Zhou Ta was still thinking, Chen Haoxuan doubted if Zhou Ta did not want to help him with his work, he spoke out, "Zhou Ta, if you don't want to help me, you can just say so, I won't be angry, after all, it's all a matter of your love and my wish."

"Mr. Chen, actually it's like this, my family wants to graduate from university successfully, if I go to help you manage your business, I won't have time to study, after all, your business is extraordinarily big." Zhou Ta explained.

Chen Haoxuan laughed as he said, "Zhou Ta, I think you are stupid to study, for a genius like you, a diploma is nothing, you just want to get a good job, but you don't have experience and have a diploma, people don't care about you. But you have experience is different, because you also had a glorious period of legend before, this glorious period of legend may let you stay in the history"

"All right! I promise, but first you have to tell me, what kind of business?" Zhou Ta was always convinced by Chen Haoxuan.

"I want to build bus stations in every city and also open taxi companies in every urban area. This business often has to deal with the traffic bureau, so don't worry about that, I'll take care of it." Chen Haoxuan said.

"So what do I do now?" Zhou Ta asked.

"You help me manage the company overall, just like Zhou Xiang and the others." Chen Haoxuan said.

"Alright then, I promise." Zhou Ta said with a smile.

Chen Hao Xuan stood up, shook Zhou Ta's hand with a smile and said, "I'm glad you can come and help me, I'll credit your bank card in instalments in a few days."

"I'm also happy to work with you." What Zhou Ta said was genuine, he had always admired Chen Hao Xuan, but he was different from what others admired, he did not admire Chen Hao Xuan as a person, he only admired Chen Hao Xuan for his business acumen.

After Chen Haoxuan and Zhou Ta separated, he found a hotel and stayed there. He used the computer to look up all the geniuses in China, only if they were geniuses he would write them down and then look up their information, and if they had a good reputation, he would go and look them up. Then he would try them out with various ploys, and as long as they passed the test they would be approved by him.

Chen Haoxuan kept travelling to every city in China, it was hard work but he got a lot out of it, he found a large number of talents, for which he borrowed another billion RMB from the group leader. He does not give a large amount of money to every talent to develop, he looks at how big that person's talent can be.

Whenever Chen Haoxuan found a talent, he would give that talent's information to the team leader, because he needed the team leader to help him with those matters in the official world and help him protect his men by the way.

The team leader was very surprised to see that Chen Hao Xuan had found so many talents to help him with his business within a short period of time. He was sure that in a matter of years, Chen Hao Xuan would be able to become a wealthy man and China would definitely become the richest country because of Chen Hao Xuan.

By the 25th of October, Chen Hao Xuan had already found ten talented people who had agreed to help him. On that day, he took a flight to Shuanghu Province, and to his surprise, the person he did it with was an acquaintance, and a very familiar one at that: "Shen Ruyan, why are you on the plane?" Chen Hao Xuan got on the plane, saw Shen Ruyan sitting next to him and questioned.

"I came to look for you!" Shen Ruyan said sweetly.

"Looking for me, what do you want to find me for?" Chen Haoxuan Xuan questioned.

"It's just too boring in the Dragon Group, so I came out to find you to play and help you find talent by the way." Shen Ruyan said sweetly.

Chen Haoxuan said with a helpless expression, "Big sister, I'm not playing, I'm doing something big! If you want to play, you can go on a trip, it's fine to go to the park."

"No, I'm going to go play with you because I feel like you're having as much fun looking for talents as you are looking for treasures." Shen Ruyan said stubbornly.

Looking at Shen Ruyan like a child, Chen Hao Xuan wanted to say that she had big breasts and no brain, but on the plane he didn't dare, he knew Shen Ruyan's character, if he said it now, maybe Shen Ruyan would directly fight with him on the plane.

Chen Hao Xuan chose to ignore Shen Ruyan, taking the plane was fast, he arrived at Shuanghu province in two hours, Chen Hao Xuan got off the car and quickly ran outside the airport, he was trying to get rid of Shen Ruyan, a follower.

"Chen Hao Xuan, you don't run! What are you running for" Shen Ruyan desperately chased after him. This scene made people feel like they were a couple.

After leaving the airport, Chen Haoxuan got into a taxi and Chen Haoxuan hurriedly said to the driver, "Master, drive quickly to Shuanghuan University."

When Shen Ruyan ran to the entrance of the airport, Chen Hao Xuan was no longer there, she did not rush, but slowly took out a small round object from her pocket, there were two small dots inside the small object, one was green and one was red, the red dot was constantly moving. "Hey, Chen Hao Xuan, you want to escape from my palm - no way. You may not guess, just now on the plane I secretly put the tracker into your pocket, with this even if you run to the ends of the earth, I can find you out." Shen Ruyan said smugly.

Shen Ruyan stopped a taxi to chase Chen Hao Xuan. Thirty minutes later, the red dot stopped moving, and at forty minutes, Shen Ruyan found Chen Hao Xuan as she wished. She saw that Chen Haoxuan was looking under the girls' dormitory at Shuanghuan University with binoculars, and she huffed, "Hmph, what a big **." In fact, if Shen Ruyan calmed down and thought about it more carefully, she would find that Chen Hao Xuan had never taken advantage of her at all and had never intentionally approached her, and after thinking about it, she would stop calling Chen Hao Xuan a **.

Chen Haoxuan took a telescope and looked at the girls' dormitory, muttering to himself, "Su Shiyan's diary said she liked black bras, white chaps, long casual clothes and short jeans. But how come I haven't found these kinds of clothes drying together after looking for so long? Did she not do her laundry today?"

Su Shi Yin, a genius in the finance department, Chen Hao Xuan wanted her to help him with his stock speculation, so she found Su Shi Yin's QQ by some means. He used hacking techniques to enter Su Shi Yin's QQ space and found that Su Shi Yin was actually a narcissistic beauty, her diary was full of praises for herself. Black bras, white panties, Chen Hao Xuan knew this from inside Su Shi Yin's diary, so he wanted to rely on these clothes to find out where Su Shi Yin's dormitory was.

Chapter 363

"What are you looking at?" Chen Hao Xuan suddenly heard a familiar voice from his side.

He turned his head to look, "Shen Ruyan."

Shen Ruyan frowned and said to Chen Hao Xuan, "Chen Hao Xuan, I didn't expect you to be a big a**, and a big a** with a human face and a beast's heart."

Chen Haoxuan didn't want to explain to Shen Ruyan because he didn't feel the need to do so, he said with an expressionless face, "I'm a man, is it wrong for me to like women? Mind your own business, huh."

"You have so many women, why don't you look for them instead of coming to these strange girls?" Shen Ruyan really believed it.

"Haven't you ever heard the saying, 'A family flower is no better than a wild flower'?" Chen Haoxuan said.

"Big **." Shen Ruyan cursed again.

"You've been calling me a big ** all this time, do you believe I'll really molest you!" Chen Haoxuan said with great displeasure.

Seeing how Chen Haoxuan seemed to really want to molest someone, scared Shen Ruyan hurriedly protected her chest with both hands and chirped, "How dare you?"

"If you stay away from me I won't be able to molest you, so don't follow me anymore." Chen Hao Xuan pleaded bitterly to Shen Ruyan, he knew how great his charm was, if Shen Ruyan followed him every day like this again, even if Shen Ruyan was a fairy, she would droop.

Suddenly Shen Ruyan remembered her identity, she was a member of the Dragon Group, her identity was not ordinary, Chen Hao Xuan dared to touch her, the whole Dragon Group would not spare him. Thinking of this, Shen Ruyan's courage came back, she held her head high and proudly said to Chen Hao Xuan, "You are scaring me, you dare to molest others - I believe, but molest me - you don't have that courage yet. "

Chen Haoxuan was furious! So angry that he directly reached out to grab Shen Ruyan's shufeng, and when he did grab it, he regretted it.

"Ga, you - you actually grabbed my boobs." Shen Ruyan's face instantly reddened, she didn't expect Chen Haoxuan to be so bold as to dare to grab his breasts in broad daylight, and - and with both hands, grabbing a steamed bun with one hand.

Chen Haoxuan knew it was bad, but he still pretended to be serious and said, "Didn't you say I wouldn't dare to molest you? Now I'm just proving that I have the guts, so don't get me wrong haha!" Chen Haoxuan withdrew his hand after he finished speaking.

There were a few male students to Chen Haoxuan's right, they were holding red roses in their hands, at a glance they knew they were preparing to confess their love to a girl, they had noticed Chen Haoxuan looking at the girls' dormitory with binoculars a long time ago, but they didn't laugh at Chen Haoxuan, nor did they report Chen Haoxuan, because they often did the same. When they saw Shen Ruyan, their eyes never left Shen Ruyan, and now they had forgotten who they were going to confess to later, and only had Shen Ruyan's charming figure in their minds.

When they saw Chen Haoxuan suddenly stretching out his hands to grab Shen Ruyan's shufeng, they froze, he admired Chen Haoxuan's courage, if it was them - they pit not dare to do so, because now in the school, and still in the daytime. They all gave Chen Haoxuan a thumbs up, as if to say, "Dude, you're so awesome."

Shen Ruyan also spotted those few **, she chirped at those few **, "What are you looking at, look again and I'll make you eat your words."

**The first time I saw her, I was so scared that I didn't dare to look at her.

Shen Ruyan eyes glared at Chen Hao Xuan and chirped at Chen Hao Xuan, "Chen Hao Xuan, you have good guts, you really have good guts" Shen Ruyan repeated this phrase endlessly, which made Chen Hao Xuan feel more and more pressure.

"Also still not angry by you, you - you just don't get angry, at most I apologize to you." Chen Hao Xuan squeaked, alas, doing something wrong is like this, speaking seems to have lost its courage.

"My grandfather is the divisional commander, if I tell my grandfather that you grabbed - grabbed my boobs, with his character he will definitely drop everything to come and fight for you. By then, instead of trying to find talent, you'll be thinking of running away all day long." Shen Ruyan threatened Chen Haoxuan, saying.

Shen Ruyan's grandfather, Chen Hao Xuan was very afraid of because her grandfather was really domineering, even more domineering than him, it could be said that he was simply unreasonable. "Then... then what do you want me to do?" Chen Haoxuan flinched.

"I-?" Shen Ruyan thought for a moment and suddenly thought of how Chen Yina had inadvertently said that there was a heavenly secret in Chen Hao Xuan's body before, so she said to Chen Hao Xuan in a delicate voice, "When I was investigating you before, I overheard Chen Yina say that there was a heavenly secret in your body, and I was curious to know what it was? Also I asked you to carve a statue for me, to make it look exactly like me. If you do both of these things, I won't tell my grandfather, if you can't do it, or if you don't do it well, just wait until my grandfather comes to my door!"

Chen Haoxuan scratched the back of his head and laughed, "Aren't you worried about your grandfather making me responsible for you? You haven't forgotten about the time you were poisoned, have you? At that time, your grandfather asked me to marry you, but I refused. If you tell your grandfather that I molested you, he'll definitely make me marry you, and then you'll definitely lose your wife, and if that happens - don't you cry!"

"Then I'll say you bullied me, didn't want to marry me and tried to molest me, and - and tried to get me to sleep with you. If I tell grandpa like this, what do you think my grandpa will do to you?" Shen Ruyan chirped.

"You're fabricating facts." Chen Haoxuan said speechlessly.

"What can you do to me if I am fabricating facts?" Shen Ruyan unknowingly held her head high once again.

Seeing Shen Ruyan's smug look, Chen Hao Xuan wanted to molest her once more, but unfortunately he was worried about her grandfather. "Shen Ruyan, count me as convinced, I promise to tell you the secret that Nana said, and carve another you in stone." Chen Haoxuan said helplessly.

"Then you tell me the secret that Chen Yina said first?" Shen Ruyan was curious, she had not been able to find out what the secret Chen Yina said was even though she had checked for a long time before.

Chen Haoxuan stretched his head to Shen Ruyan's ear and whispered, "Actually, the secret that Nana said is that I am very beautiful in male disguise, more beautiful than any of you girls. I didn't let her tell anyone else, so she kept this as a secret between her and me."

Hearing Chen Haoxuan's words, Shen Ruyan suddenly remembered a photo on Chen Yina's computer screen, she still remembered how she saw that photo, at that time she didn't know how jealous she was of the girl in that photo, beautiful, breathtakingly beautiful. She had not associated the person in the photo with Chen Hao Xuan before, she only suspected that it was a picture made by a person, but now when she heard Chen Hao Xuan say it, she suddenly realized that the photo on Chen Yina's computer screen was simply Chen Hao Xuan dressed as a man!

Chapter 364

"Could it be that the girl in the photo in Chen Yina's computer screen is you?" Shen Ruyan had an expression of disbelief as she said. The boy dressed as a girl was more beautiful than any of the girls, making her, who was also considered beautiful, so jealous that she wondered if it was a fake?

"That can't be right! Nana wouldn't let anyone else touch her computer, could it be that you snuck a look while she wasn't looking?" Chen Haoxuan frowned and said.

Shen Ruyan laughed awkwardly, "You are too important to us in China, in order to investigate you, so we will investigate anyone who has had contact with you. You are a smart person, you should understand."

"Well, now you already know the secret that Nana said, as for your statue, I will do it for you when I am done with my business." Chen Haoxuan said.

"No, I want you to dress up as a man and let me see it, I am curious why you are beautiful dressed as a man?" Shen Ruyan said seriously.

"Do you know why I only dress up as a man in front of Nana? Because she is my future wife and I won't refuse her requests as long as they are not excessive, so when she asked me to dress up as a man, I agreed to do so. But what kind of person are you? You are not my wife, so why should I dress up as a girl for you? Do you want to sleep with me and ask me to dress up as a man in order to flirt?" Chen Haoxuan said discontentedly.

"You-you're bad, I'm not trying to have sex with you! I-I don't care, I want you to dress up as a man to show me, otherwise I will tell my grandfather that you are bullying me, and when I return to the Dragon Group I will tell the people inside the Dragon Group that you grabbed my boobs, let's see what you do then." Shen Ruyan continued to threaten Chen Hao Xuan.

"What did I do in my last life? In this life, I met this annoying woman like you, unlucky, very unlucky." Chen Hao Xuan slapped his forehead and cried out, saying.

"How dare you call me an annoying woman, I-I'll hit you." Shen Ruyan used the kung fu that girls were born with, the Invincible Pink Fist, a move that didn't seem to be used to hit people, but to pound soft men's hearts.

"Have you beaten enough?" Chen Haoxuan said indifferently.

"Uh huh!" Shen Ruyan turned around and turned her back to Chen Haoxuan, no longer talking to Chen Haoxuan, and she did not leave either, as if she was waiting for Chen Haoxuan to coax her.

Chen Haoxuan didn't bother with Shen Ruyan, he found a long chair and sat down, taking his binoculars and continuing to look for Su Shiyan's dormitory.

When Shen Ruyan saw that Chen Haoxuan was not coming to comfort her, she stomped her foot and said to Chen Haoxuan, "Wait for my call tonight, if you don't come, I will let my grandfather clean you up." After saying that, she left.

Chen Haoxuan put down his binoculars and looked at Shen Ruyan's departing back as he muttered to himself, "If only I were a bad person who didn't have to worry about the consequences and only cared about the immediate face. If I were really that kind of person, I'm afraid Shen Ruyan would have been that by me long ago."

Chen Hao Xuan searched for a long time but didn't find anything, he doubted if Su Shi Yin had put her clothes in the back of the girls' dormitory, so he went to the back of the girls' dormitory and picked up the binoculars to look carefully, soon he found it, on the third floor there was a dormitory window hanging black bras, white chaps, long casual clothes, short jeans, these several items of clothes hanging together there wouldn't be a second person except Su Shi Yin.

Once he found them, it was a good thing. Chen Hao Xuan walked out of Shuanghuan University, thinking he would come back later in the evening, when he would install a bug on Su Shiyin's clothes to hear how Su Shiyin's character was. He had nothing to do for the time being, so he went to find Shen Ruyan, wanting to solve this trouble of Shen Ruyan during the day, as he had something to do at night.

He dialed Shen Ruyan's mobile phone, "Hello, Shen Ruyan, where are you now?"

Shen Ruyan's voice came out of the phone, "I'm helping you buy clothes! You have to dress up for me by the evening." This tone made Chen Haoxuan feel like he was being molested.

"Shen Ruyan, don't go too far haha! No matter what, I'm still a person of status, you're making me dress up as a man how am I supposed to meet people in the future?" Chen Haoxuan huffed.

"If you don't tell me, if I don't tell you, who knows?" Shen Ruyan said smugly, only now did she know that Chen Haoxuan was so afraid of her grandfather, if she had known this, when Chen Haoxuan bullied her before, she should have used her grandfather to threaten Chen Haoxuan. Shen Ruyan thought so, she did not know that Chen Hao Xuan was actually afraid that her grandfather would let him marry her.

"I'm going to the hotel across from Shuanghuan University, I'll register under Li Si's name, just ask the waiter to bring you to me when the time comes." Chen Haoxuan said indifferently.

"OK, I'll be here soon, I can't wait to see you turn into a beautiful woman now, hahaha"

Click, Chen Hao Xuan hung up the phone, he was worried that he would drop the phone if he listened any longer.

Chen Hao Xuan walked into a hotel across from Shuanghuan University, he booked a presidential suite, he was now a rich man, it was only right that he enjoy himself.

An hour later, Shen Ruyan arrived at the presidential suite where Chen Haoxuan was, as soon as she entered she said to Chen Haoxuan, "Chen Haoxuan, look what I have brought you?"

Chen Haoxuan, who was sitting on the sofa and was drinking red wine, said indifferently, "You just said you were buying clothes, and you still asked me to guess, I don't know if you suspect me of being a fool, or if you yourself are a fool."

"I'm not mad at you, I'm not bothered. These are girls' clothes, you put them on now and let me have a look." Shen Ruyan let Chen Haoxuan have a few bags in her hand.

Chen Haoxuan helplessly took them and took them to the bathroom, he had to change his clothes anyway, so he could just take a shower. After Chen Hao Xuan finished his shower, he put on the clothes that Shen Ruyan had bought for him, so that he could not marry Shen Ruyan, he really had to trample himself like this.

Chen Haoxuan had to admire Shen Ruyan's meticulousness, she even bought him a wig. Putting on the wig, Chen Hao Xuan gave himself the most popular hairstyle of the future century, and after it was done, he looked at the huge mirror and exclaimed, "What a wonderful young girl." The clothes that Shen Ruyan bought for him were a dark green shirt, short jeans, a jade guanyin around his neck, earrings of the kind you don't need to pierce your ears and press on directly, a bracelet of the kind that connects his

fingers, which made his hands even more beautiful, an anklet made of white gold that sparkled, and a pair of cute slippers.

When Chen Haoxuan came out of the bathroom, Shen Ruyan saw Chen Haoxuan's appearance and covered her small mouth in surprise, she shouted wildly in her heart, "Beautiful, really too beautiful, how can he be so beautiful as a boy, how can this make me, a girl, feel ashamed."

"As you wish, should you be satisfied now?" Chen Haoxuan huffed and puffed, his angry look looked like he was pouting, which made Shen Ruyan want to rush over and hug Chen Haoxuan. But Chen Haoxuan's voice, Shen Ruyan was not satisfied, how could a stunning beauty make a man's voice!

Chapter 365

"You are now a man dressed as a woman, you should use a girl's voice." Shen Ruyan said as she gained an inch.

"Shen Ruyan, don't go too far haha! I only promised to dress up as a man, but I didn't promise to even change my voice." Chen Haoxuan huffed.

Shen Ruyan trotted next to Chen Haoxuan, wrapped her arms around Chen Haoxuan and said smilingly, "Chen Haoxuan, you really look beautiful dressed as a man! Looking at you will make people feel like a pleasure. Just - it's your breasts that are too flat, and your voice, otherwise you're the most perfect girl in the world."

Chen Haoxuan looked lustfully at Shen Ruyan's plump shufeng and said, "Take off those two steamed buns on your chest and give them to me, I'll press them on my chest and they won't be flat."

Shen Ruyan's face flushed red and she cursed Chen Haoxuan, "Big **."

Just then, Chen Hao Xuan's rented presidential suite suddenly barged in with five students from Shuanghuan University, "This presidential suite is all mine, you guys give it to me" The first student

to barge in was halfway through cursing when he realized that there were two big beauties in this presidential suite, especially the one on the right, so beautiful that he forgot to curse.

"Mr. Han, please give me some time, I'll talk to them, okay?" The manager of the hotel ran next to Han Junrang and begged bitterly.

Han Junlang pushed the manager away and walked quickly to Chen Haoxuan and the others, he looked at Chen Haoxuan lecherously with a pleasing expression and said, "This beautiful princess, I am the son of the chairman of Han Qi Group, I want to have a party today, look - my classmates have brought them, I want to invite you two together, is that alright?"

Chen Haoxuan wanted to press Shen Ruyan on his lap and spank her little butt hard, if it wasn't for her, how would he be seen in male disguise?

Shen Ruyan, she rejected Han Junlang very straightforwardly, "This is the presidential suite we have chartered, please go out."

Han Junlang was not afraid of Shen Ruyan at all, he probably did this kind of thing often, he bullishly said to Shen Ruyan: "This beauty, what I Han Junlang wants is never unobtainable, you should be called by Li Si, right? You are still with him for money. I'll give you ten thousand RMB, you double us for one night today." After saying that he smiled yin to Chen Haoxuan and said, "As for this for beautiful girl, as long as you are my girlfriend, whatever you want, I will give you, a sports car? A villa? Famous brand clothes"?

When Shen Ruyan heard Han Junlang's words, she was so angry that she had the heart to kill. Her night was only worth 10,000 RMB, how could he not be angry. "I don't care who you are, if I still see you in a minute - I'll make you look good." Shen Ruyan huffed and chirped.

Pfft, Chen Haoxuan saw Shen Ruyan make a fool of herself and he laughed, laughing heartily.

When Shen Ruyan saw Chen Haoxuan laughing at her, she couldn't help but reach out to pinch Chen Haoxuan's waist, "Laugh, see if you still dare to laugh."

"It hurts, let go." Chen Hao Xuan struggled to push away Shen Ruyan's hand, the voice he just spoke in was a female voice, with outsiders around, he wouldn't dare to use what was originally his voice.

Han Junlang was probably really fascinated by Chen Haoxuan, when Shen Ruyan pinched Chen Haoxuan, he was very intolerant in his heart, he reached out and grabbed Chen Haoxuan's hand, pulled it, pulled Chen Haoxuan next to him and said to Chen Haoxuan with concern, "Are you alright? Does it still hurt?"

Being looked at by a boy with affection, Chen Haoxuan wanted to vomit, he wanted to say that he was a man, but he couldn't do that, being let find out who he was, he would definitely become the laughing stock of others. Chen Haoxuan said awkwardly, "I-I'm fine."

Shen Ruyan was jealous of Chen Haoxuan because she was the number one beauty in China, more beautiful than even Chen Yina, but today her beauty was being ignored. Just because of the presence of Chen Haoxuan, do you think she could not be jealous of Chen Haoxuan? Right now, she has a stomach full of anger when she sees Chen Haoxuan. Suddenly Shen Ruyan thought of a way to screw Chen Haoxuan, and she said secretly in her heart, "Doesn't this boy like Chen Haoxuan? Then let's give Chen Haoxuan to him, let's see how Chen Haoxuan still laughs, humph."

"Do you like my sister a lot?" Shen Ruyan smiled at Han Junlang, and said.

"Ah..., so you're her sister? Sorry, I'm really sorry just now, I didn't know you were her sister, how about this, I'll take you two sisters is shopping later, and I'll pay for all the things you purchase." Han Junlang said seriously, in fact, in Han Junlang's eyes, Shen Ruyan was a light bulb, if Shen Ruyan did not say that she was Chen Hao Xuan's sister, he might not even give a damn to Shen Ruyan.

Shen Ruyan was also kind of sad, if it wasn't for Chen Haoxuan, she could have charmed countless boys. But next to Chen Haoxuan, she was eclipsed.

Shen Ruyan waved her hand and said: "I can see that you like my sister a lot, so I won't go and be a light bulb, you take my sister and go play. But don't come back too late, yo, because my sister is afraid of the dark."

Hearing Shen Ruyan say that Chen Hao Xuan was afraid of the dark, Han Jun Lang liked Chen Hao Xuan even more, afraid of the dark, that was only for a little woman to be so timid, such a little woman should be carefully cared for.

Shen Ruyan broke away from Han Junlang's hand, he didn't like being held by a boy, he said to Han Junlang in a delicate voice, "You'd better take my sister there! Look at her, how beautiful she is! And - and big breasts too, if you do that with her, you'll be very satisfied. Unlike me, I don't have anything, so you'd better choose my sister! By the way, I forgot to tell you, my sister is very slutty, yo!"

Han Junlang swallowed straight when he heard Chen Haoxuan's words, he thought Chen Haoxuan was right, Shen Ruyan's breasts were really big, if he grabbed them over, he would definitely have a good time. But what he liked was Chen Haoxuan, despite Chen Haoxuan's peaceful princess, Chen Haoxuan was beautiful, he didn't care if Chen Haoxuan didn't have breasts.

"Chen Haoxuan, I'll strangle you to death." Shen Ruyan was furious, she was still a yellow girl, Chen Hao Xuan even called her a slut~, she wanted Chen Hao Xuan to look good, she pounced Chen Hao Xuan on the sofa and choked Chen Hao Xuan with both hands.

"What are you doing! Quickly let go of Chen Haoxuan." Han Junlang tried to go to Chen Haoxuan's rescue.

"Get lost." Shen Ruyan kicked Han Junlang away, she was not an ordinary person, her kick was naturally more powerful than ordinary people, this step, one kick directly kicked Han Junlang back three steps, it was also fortunate that Shen Ruyan did not wear high heels today, otherwise Han Junlang should have gone to the hospital for surgery.

Han Junlang saw Chen Hao Xuan's face turned red from being pinched by Shen Ruyan, and he knew it was due to lack of oxygen. Save the people!"

As Han Junlang and his friends tried to pull Shen Ruyan away, Shen Ruyan let go of Chen Haoxuan, who did not want these men to touch her body. She said to Han Junlang and his friends, "I am her sister, I have the authority over her, so all you have to do is give me 100,000 RMB and tonight, she will be yours."

Chapter 366

Chen Hao Xuan sat up, a serious face: "I do not, if you guys force me, I will kill myself . But you want my sister, I will agree, in fact you are not aware, do not look at her so decent, other she is old bad, even if you do not give her money, she is willing to be you, do not believe you try, remember yo! To use force."

"You dead Chen Haoxuan, you say it again, believe it or not I will tell your secret." Shen Ruyan huffed at Chen Haoxuan.

"So your name is Chen Haoxuan! That's a beautiful name." Han Junlang looked at Chen Haoxuan with fascination and said.

Vomit, Chen Haoxuan patted his chest, he almost threw up. After living two lives he now finally knew what was the most disgusting thing, and that was being praised by someone who was a man like you.

"Its-its my name is Chen Hao Xue, not Chen Hao Xuan, please don't be mistaken." Chen Hao Xuan explained, he finished with a grumbling glance at Shen Ruyan, blaming Shen Ruyan for not calling her by her real name.

"Oh oh, it's Chen Hao Xue ah! That's a much better name than Chen Haoxuan." Han Junlang said to Chen Haoxuan with an ingratiating smile.

At this time a lewd student turned to Han Junrang, and said, "Boss, let this plump chick to my brother's door, okay?"

Han Junlang turned around and scolded, "Don't you know that this is my girlfriend's sister? Try touching him if you dare, humph."

The lewd student spoke out again, "Boss, just now your girlfriend has said that she is willing to let her sister accompany us."

Neither Chen Haoxuan nor Shen Ruyan wanted to nag Han Junlang any more, Chen Haoxuan stood up, pointed at the door and said, "This presidential suite is booked by my friend, please go out, you are not welcome here."

When Han Junlang saw Chen Haoxuan's sudden change of face, he couldn't help but be dumbfounded, thinking to himself that he had just been fine, why had he suddenly become cold and icy. He tenderly said to Chen Haoxuan, "Honey, I really like you, don't kick me out, okay?"

Chen Haoxuan he could no longer hold back, he bent over, his hand covering his stomach, vomiting, vomiting continuously.

Seeing Chen Haoxuan being disgusted by Han Junlang's constant vomiting, Shen Ruyan covered her small mouth and laughed incessantly.

Han Junlang didn't know why Chen Hao Xuan was vomiting, he went forward to care for Chen Hao Xuan, but he didn't expect that just as he took a step forward, Chen Hao Xuan suddenly threw a slap at his face. "Get out, don't blame me for being ruthless if you don't get out." Chen Haoxuan said coldly.

"Kiss" Han Junlang was just about to say dear when Chen Haoxuan didn't allow him to finish his sentence because he was worried that if Han Junlang shouted out the word dear, he might throw up again. So Chen Haoxuan gave a quick kick to Han Junlang.

This kick did not show any mercy, he used 30% of his strength, which was enough to injure Han Junlang internally.

Although Han Junlang was badly hurt, he did not pass out yet. He yelled to his friends, "All of you go together, subdue these two beauties, the big one will be yours, no one will touch the little one, I want her to follow me willingly."

It was better if Han Junlang didn't say anything, but when he did, Chen Haoxuan became even angrier. Chen Haoxuan rushed into the crowd and punched and kicked those friends of Han Junlang. Chen Hao Xuan was now a great master, how could Han Junlang and these ordinary people be his opponent?

After Chen Hao Xuan had knocked them all down, Chen Hao Xuan chortled, "Do you know why I didn't kill all your limbs? Let me tell you, I want you to crawl out by yourselves, if you don't want to crawl, that's fine, I'll scrap your limbs and make you become unable to live like normal people forever."

Shen Ruyan walked next to Chen Hao Xuan and chanted loudly at Han Junlang and the others, "Get lost, or we will abolish you."

They didn't have the guts to bet that Chen Hao Xuan and his men would dare to kill them.

After Han Junlang and the others fled, the hotel manager also quickly fled. Chen Haoxuan walked to the door and locked it behind him. Turning to Shen Ruyan, he said, "Shen Ruyan, you have gone too far today, do you know how badly it will affect me if they find out who I am?"

Shen Ruyan knew that Chen Hao Xuan was angry, after all, Chen Hao Xuan was a big and respectable person, being forced by her to dress up as a man and being molested by a few bad students, it was right to be angry. Shen Ruyan apologized to Chen Haoxuan and said, "Chen Haoxuan, I'm sorry! I didn't know that someone would suddenly barge in."

"No more jokes like that in the future." Chen Haoxuan said as he quickly walked into the bathroom, he had to change his clothes back.

Seeing Chen Haoxuan's angry look, Shen Ruyan let out a puff of laughter and said to herself, "He looks so cute when he's angry."

Chen Hao Xuan's anger could only be considered as a complaint, if he was really angry, it would probably scare Shen Ruyan's guts out, and even if it didn't, it would still scare Shen Ruyan to the ground. Just like Zhu Tian and the others, they were so scared by Chen Hao Xuan's murderous eyes that they didn't even have the heart to resist.

When Chen Hao Xuan came out of the bathroom again, he had already changed his clothes back, he was wearing a tight-fitting suit and a pair of sunglasses, he still wore sunglasses in the presidential suite because he was worried that Han Junlang might send someone to retaliate against him, just in case, it was safer for him to wear sunglasses.

Shen Ruyan tilted her head and said to Chen Hao Xuan with a smile, "I still like the way you look when you are dressed as a man."

Chen Hao Xuan walked up to Shen Ruyan, and without saying anything, suddenly stretched out his right hand and quickly grabbed Shen Ruyan's breasts, and said with a serious face, "Your breasts are big and soft, I really like to grab them."

Gah, Shen Ruyan froze, today Chen Hao Xuan actually grabbed her breast twice in a row. "Chen Haoxuan, I'm going to kill you." Shen Ruyan roared in anger and pounced on Chen Haoxuan. When girls fight, if they get so angry they forget everything and fight with instinct, grabbing their hair, their clothes, their faces

Chen Hao Xuan was pounced on by Shen Ruyan, who kept grabbing his clothes, which made Chen Hao Xuan wonder if Shen Ruyan wanted to rape~ him. "Shen Ruyan, you just caused me to let Han Junlang molest me, I'll molest you to get even. Get up, if you don't get up I'm going to get angry."

"He molested you, that's his business. And you grabbing my boobs, it's your fault, you - I'll beat you to death." Shen Ruyan's pink fists kept landing on Chen Haoxuan, this time Shen Ruyan was not like before, with each punch she landed on Chen Haoxuan, Chen Haoxuan felt a pain. If it was the old Chen Hao Xuan, he would have been punched to death by Shen Ruyan. Fortunately, he was no longer the old

Chen Hao Xuan, and after these six months of training, his body's ability to resist blows had greatly increased.

Chapter 367

Being a boyfriend for a day "Shen Ruyan, don't think that just because you're a girl I won't dare to do anything to you? If you are unreasonable again - even if your grandfather comes, I will still clean you up." Chen Haoxuan scolded loudly.

"I'm being unreasonable, what can you do to me? Ha, if you have the guts, you can clean me up!" Shen Ruyan since she kept pounding Chen Hao Xuan's chest.

Chen Hao Xuan was so angry that he wanted to kill someone, but indeed he could not do anything to Shen Ruyan, although Shen Ruyan was very annoying, but no matter how she said she was not guilty to death. The only thing Chen Hao Xuan could do to make Shen Ruyan afraid was to molest her, he said loudly, "If you do that again, I will molest you, if you dare to snitch to your grandfather, I will tell the whole world that I have touched your body all over, see how you will marry someone in the future." Chen Haoxuan said coldly.

"Chen Haoxuan, if you dare, I will tell everyone in the world that you said you would marry me and that's why I let you touch my body. When the time comes, if you don't marry me, people all over the world will say that you are a liar who specializes in sexually deceiving girls, and if you marry me, you won't be able to explain to your girlfriend and them." Shen Ruyan said in an unconvinced and delicate voice.

Chen Hao Xuan was speechless, both of them were smart people, there was nothing they could do to take each other, mainly because their relationship had not yet reached the level of shouting and shouting. Shen Ruyan was right, if Chen Hao Xuan he really molested her and threatened Shen Ruyan with his reputation, Shen Ruyan could say she was voluntary and that Chen Hao Xuan said he wanted to marry her before he let Chen Hao Xuan slaughter her. Unless Chen Haoxuan really marries Shen Ruyan, he really can't take Shen Ruyan.

There was no way, Chen Haoxuan was not convinced, he frowned and was thinking, see what way to subdue Shen Ruyan.

Shen Ruyan she pounded for a while, seeing that Chen Hao Xuan did not resist, she felt embarrassed to continue pounding. When she saw Chen Haoxuan frowning and his eyes were dull, she knew at a glance that Chen Haoxuan was thinking about something, so she spoke out and asked, "Chen Haoxuan, what are you thinking about?"

"I'm thinking about how to subdue you, a demon spirit." Chen Haoxuan said indifferently.

"I'm a demon spirit, you're a demon." Shen Ruyan punched Chen Haoxuan's chest and said in a delicate voice.

Suddenly Shen Ruyan felt her chest rise and fall, swish, her face was instantly red, she now realised that she had been pressing Chen Hao Xuan, she could feel her wanting shufeng had been pressed until it was deformed. She moved a little and suddenly felt something on her lower body against her c**k, she said to Chen Haoxuan in a delicate voice, "What do you have in your pocket? It's uncomfortable against me."

Hearing Shen Ruyan's words, Chen Hao Xuan was all embarrassed, and his cheeks were magically red. What Shen Ruyan was talking about was actually his lifeblood, how could he be ashamed to tell Shen Ruyan!

"Shen Ruyan, do you think it's normal for a girl to press against a boy? Get up, if you don't get up I'll get angry." Chen Haoxuan said angrily, he was worried that if this continued, he would not be able to resist eating Shen Ruyan.

"You must have something precious in your pocket." Shen Ruyan said and turned sideways, then quickly grabbed Chen Haoxuan's crotch, as she grabbed it, she couldn't help but squeeze it, she said curiously, "Huh, why is it soft, what is it anyway?"

Chen Haoxuan's face turned red, what Shen Ruyan grabbed was his lifeblood! Chen Hao Xuan was tempted to say, "Just grab it! Why do you have to pinch it? Is this not a clear attempt to make me eat you?"

"Can you let go of your hand?" Chen Haoxuan said awkwardly.

"No let go, it must be something important, that's why you haven't told me." Shen Ruyan said petulantly.

"Big sister, what you are holding on to is indeed something very important, this thing is more important than my life, so I beg you, can you let go?" Chen Hao Xuan cried out and begged.

"Huh, how strange, the thing in your pocket is getting bigger and bigger, it's not as soft as it was just now." Shen Ruyan said curiously.

Chen Haoxuan couldn't hold back any longer, he said directly, "What you're holding onto is actually my lifeblood, now can you let go?"

Hearing Chen Haoxuan's words, Shen Ruyan screamed, "Ah, why don't you find out what to say?"

"Big sister, does it still need to be said? Isn't a man's lifeblood on his crotch, is it on the top of his head?" Chen Hao Xuan said speechlessly.

"You you" Shen Ruyan squeaked, not knowing what to say, she could feel her face burning hot.

"Big sister, can you let go now? If you continue to grab on, I really want to eat you up." Chen Haoxuan said indifferently.

"Ah" Shen Ruyan screamed and let go of Chen Haoxuan's lifeblood.

Chen Haoxuan turned sideways and looked at the shy Shen Ruyan and said, "Never grab a man's crotch casually in the future, your luck is good, if it was someone of poor character, you must have been eaten already, even if you don't agree, others use will use force."

Shen Ruyan turned sideways, lowered her head, and said sheepishly, "Don't say it don't say it, please don't say it" Shen Ruyan she really didn't mean it, she swore, she really suspected that she was grabbing some kind of object, not realizing that it was Chen Hao Xuan's lifeblood. If there was a crack, she would definitely not hesitate to drill into it.

"I grabbed your boobs, you grabbed my lifeblood, we're even, so you're not allowed to threaten me again before, got it?" Chen Haoxuan said seriously to Shen Ruyan.

"You're a man, I I grabbed your lifeblood, it's you who took advantage, you you grabbed my boobs, it's me who suffered a loss." Shen Ruyan said sheepishly.

"Have you got it wrong, you grab me - is I take advantage, I grab you is also I take advantage, no matter what in your eyes I will only take advantage, and you no matter what you do, is also I take advantage. I would love to ask you one question, are you a god or not?" Chen Haoxuan said irritably.

Shen Ruyan she drew circles on the ground with one finger, she did not dare to look at Chen Hao Xuan as she said in a delicate voice, "I'm a girl!" Unknowingly, Shen Ruyan had become gentle.

"We don't owe anyone anything now, can we?" Chen Haoxuan said.

"No, you still owe me a statue." Shen Ruyan beamed her small mouth and said seriously.

"You, you woman are really annoying." Chen Haoxuan frowned, he found that Shen Ruyan was getting worse and worse, he knew that Shen Ruyan was a good person, but her personality was something that he really couldn't stand.

"How dare you say I'm annoying, I'll beat you up." Shen Ruyan could only extend her right hand because she was on her side and her left hand was pressed by her body, she extended her right hand and slapped Chen Hao Xuan's chest, when her hand slapped Chen Hao Xuan's chest, her hand rested on Chen Hao Xuan's chest, she didn't know why, she wanted to lean on Chen Hao Xuan's arms so much.

"What are you doing? I touched your chest and you touched it back in order not to lose out, did you?" Chen Haoxuan looked at Shen Ruyan and said.

"Chen Haoxuan, do you know why there are so many girls who like you?" Shen Ruyan suddenly asked a strange question to Chen Haoxuan.

"Of course it's because I'm handsome and I'm also very talented, so there are many girls who like me." Chen Haoxuan said.

"You are wrong, what girls actually like is not your handsomeness nor your talent, but because you are responsible and think of others in every way, so you are a good man, a considerate good man. A man like you is a good husband that every woman wants, am I right?" Shen Ruyan said gently.

"Responsible and considerate, I am, but not very good! What makes you say that?" Chen Haoxuan questioned, what he said was true, if he really had a sense of responsibility, he wouldn't have gone to hide that from Chen Yina and other girls, if he was considerate, he wouldn't have bullied Shen Ruyan.

"Think about it! If you weren't responsible, you would have eaten me a long time ago. If you weren't considerate, how could you think of me in every way? Don't deny it either, I know you're angry at me all day long because you don't want me to fall for you, don't you? You're afraid of hurting my heart, aren't you?" Shen Ruyan looked at Chen Hao Xuan with affection and said.

"I think you should be thinking wrongly, I don't dare to eat you because I don't want to do something wrong to Nana, and because I'm afraid of your grandfather. I'm angry at you all day long because I really don't see you in a good light." Chen Haoxuan said.

"Chen Haoxuan, can I beg you for one thing?" Shen Ruyan said.

"What is it?" Chen Haoxuan said.

"I've never been in love before, can you pretend to be my boyfriend for a day? Just for a day, I really want to know what it's like to be in love." Shen Ruyan said to Chen Haoxuan with affection.

"I refuse." Chen Haoxuan said as he climbed up and sat down on the sofa next to him.

Shen Ruyan also got up from the floor, she sat on her butt next to Chen Hao Xuan, wrapped one arm around Chen Hao Xuan and said, "Promise me, or I'll keep relying on you and see how you can still find talent, mmmmm."

Chen Hao Xuan turned around, crying, and said, "My aunt! Just say it! What exactly do you want to do to spare me."

"I'll let you pretend to be my girlfriend for a day, isn't that hard? If you agree, I will never bother you again." Shen Ruyan said seriously.

"Just for today." Chen Haoxuan said.

"Okay, today is today." Shen Ruyan said in a delicate voice.

"It's not too late, let's go now!" Chen Haoxuan pulled Shen Ruyan's hand and walked outside.

Shen Ruyan followed behind Chen Haoxuan as she shyly said, "Why are you holding my hand? If people who know you see you, my grandfather will know about it."

"Didn't you say you wanted to experience the feeling of being in love? You're afraid of this and that, how will you experience it!" Chen Haoxuan said without turning his head back.

Walking into the lift, Chen Haoxuan suddenly pushed Shen Ruyan inside the lift, then quickly hugged Shen Ruyan and kissed her.

She didn't expect Chen Haoxuan to kiss her, it was her first kiss! Chen Hao Xuan touched her and lightly kissed her, if it was ancient times, she was Chen Hao Xuan's person now.

Chen Haoxuan kissed for a few seconds, let go of Shen Ruyan and smiled wickedly, "Love is not without kissing, it feels good, right?"

Shen Ruyan could not help but nod her head.

Chapter 368

When he reached the ground floor, Chen Haoxuan walked out of the hotel with his arm around Shen Ruyan's small waist, the vicinity of Shuanghuan University was very lively, the streets were full of various types of shops on both sides, Chen Haoxuan he just kept walking with his arm around Shen Ruyan.

Now it was already evening, the day would soon pass, Shen Ruyan she didn't want to just Lang spend this night, because Chen Hao Xuan only promised to be her boyfriend today, although it was fake, but was eager to experience it seriously. She twisted her head to look at Chen Haoxuan and asked in a delicate voice, "Chen Haoxuan, does falling in love mean constantly holding hands and strolling?"

"Why are you so nosy! Just do what I tell you to do anyway." Chen Haoxuan said to Shen Ruyan in a serious manner.

I don't know if Shen Ruyan had already gotten into her role, she actually didn't dare to talk to Chen Hao Xuan again when she saw that he was angry.

When Chen Haoxuan walked to the entrance of a supermarket, he stopped.

When Shen Ruyan saw Chen Haoxuan suddenly stop, she couldn't help but ask curiously, "What's wrong?"

"Nothing, you stand here and wait for me for a while, I will be back soon. Remember, don't walk away, if I don't see you when I come back, it's considered that you've cancelled our agreement." Chen Haoxuan said seriously to Shen Ruyan.

"Then... then you come back quickly." Shen Ruyan's expression seemed a little afraid that Chen Haoxuan would not return once he left.

Chen Haoxuan went into the crowd, and soon, Shen Ruyan was unable to see Chen Haoxuan's figure.

Chen Haoxuan ran inside the supermarket, and after asking the attendant, he found the manager of the supermarket. He spent 50,000 RMB to rent the stage in front of the supermarket for one hour, and the manager of the supermarket was full of promise, looking at his excited look, Chen Haoxuan was sure that he would take the 50,000 RMB for himself.

The stage in front of the supermarket was now performing a show, and there were probably several thousand spectators in front of the stage. Chen Hao Xuan wanted to use the supermarket's stage to give Shen Ruyan a moment of Langman, and he thought that if he did this, Shen Ruyan would be satisfied and would not bother him all day.

Chen Hao Xuan and the manager of the supermarket agreed on a time of eight o'clock, and it was only seven o'clock, so there was still an hour to go. So Chen Hao Xuan slipped out of the back door of the supermarket, he bought a large number of roses from several florists, then he went to buy a lot of strange things, half an hour later he returned to the ground floor of the supermarket, he took his time getting the things he liked until eight o'clock when he went out.

Chen Hao Xuan he asked the manager of the supermarket to let me take a small number of rose petals to the roof of the building and scatter them, little by little.

Shen Ruyan stomped her foot again, for the umpteenth time today: "Where the hell did Chen Hao Xuan go? Did he deliberately leave me here alone and sneak off on his own?" Shen Ruyan muttered to herself.

Just then, beautiful singing suddenly came from the stage, the song was very mellow sounding very comfortable, Shen Ruyan couldn't help but look towards the stage, she saw a person with a figure of white tight-fitting suit, that person had clear eyebrows and was wearing a pair of eyes, suddenly Shen Ruyan felt as if this person was very familiar, it felt as if she had seen him somewhere.

"Beauty beauty beauty beauty" Chen Hao Xuan sang the word beauty with a higher sound than the other, so that people couldn't help but close their breath and try to hold it until Chen Hao Xuan finished the word beauty. In the end, Chen Hao Xuan sang for ten minutes before he finished singing the word "beautiful", and when he finished, there was a burst of applause from the stage, and even Shen Ruyan, who was standing at the periphery of the stage, could not help but applaud.

Although Chen Haoxuan sang the word beautiful for a long time, which should have made people feel annoyed, no one who heard Chen Haoxuan's song did. It was because Chen Haoxuan sang the word beauty with one voice higher than the other, and each beauty word was sung in a different way. It could be said that Chen Haoxuan sang one beauty word a minute, using dozens of singing styles.

After a song was finished, Chen Hao Xuan suddenly grabbed towards the sky, a rose appeared out of thin air in his hand, he held the microphone and said, "Everyone should be unfamiliar with me, right? Actually, that's not surprising, because I'm not an actor, I'm just an ordinary citizen. The reason why I am standing on this stage today is because I want to court a girl, a girl I have liked for a long, long time, and I don't want to suffer from pining for her anymore, so I asked her here today and I want to confess my love to her here, and she is" Chen Haoxuan said with a finger.

A beam of white light shone on the seat where Shen Ruyan was, and the audience turned to see Shen Ruyan in the white light and applauded.

At that moment fifty waitresses appeared behind Chen Haoxuan, they were separated into two rows, their work clothes were all tight fitting ladies suits that brought out their voluptuous figures, Chen Haoxuan came down from the stage and walked towards Shen Ruyan, those waitresses followed behind Chen Haoxuan. When Chen Haoxuan was almost in front of Shen Ruyan, the two rows of waitresses suddenly accelerated and they became two rows of guardrails, separating the crowd and leaving a one-metre wide path for Chen Haoxuan in the middle.

Step by step, Chen Haoxuan walked towards Shen Ruyan as he sang a soft song, plunging Shen Ruyan into a world of love. Shen Ruyan had already recognised Chen Haoxuan, because out of Chen Haoxuan who would dare to do such a thing to her. Although Chen Haoxuan was now wearing make-up, she could still recognise Chen Haoxuan's eyes, which were a unique pair of eyes.

Chen Hao Xuan walked up to Shen Ruyan, and very gentlemanly extended his right hand and said gently, "Beautiful princess, can I ask you to dance?"

At this moment, what possibility was there for Shen Ruyan to refuse, she excitedly put her hand on Chen Haoxuan's and shyly responded, "Mmm."

Chen Haoxuan turned off the microphone in his hand and threw it to a waitress, then turned on his headset, he and Shen Ruyan danced without music, only songs, Chen Haoxuan's songs, Chen Haoxuan sang while dancing with Shen Ruyan.

The two rows of waitresses were like an ancient formation, as Chen Haoxuan and Shen Ruyan danced, they held hands in a circle, surrounding Chen Haoxuan and Shen Ruyan, and they were constantly turning, which made the scene even more Lang Comic.

After Chen Hao Xuan finished singing another song, he suddenly knelt on one foot and grabbed his right hand haphazardly to the right, a bouquet of roses appeared out of nowhere, Chen Hao Xuan held the roses with both hands and looked at Shen Ruyan with sincere eyes, saying: "I kneel to the sky and to the earth and to my parents, except for them, I never kneel to anyone, because I am a man of honor. But I am kneeling to you today, and I am afraid of losing, so I beg you to have pity on me and let me take care of you for the rest of my life."

Shen Ruyan was touched by Chen Haoxuan, she did not expect Chen Haoxuan to arrange such a Langman scenario to confess his love to her. She was moved to tears, tears of joy, and she excitedly took the rose in Chen Haoxuan's hand and smiled delicately, "I promise."

Chapter 369

When Chen Haoxuan heard Shen Ruyan's promise, he stood up, cupped his hands around Shen Ruyan's face and kissed her tenderly. This kiss made Shen Ruyan feel happy.

The applause from was incessant, the onlookers were envious of Chen Haoxuan's couple, they also wanted to have a Langman love like Chen Haoxuan and the others, but unfortunately, they didn't have the ability.

Chen Haoxuan took Shen Ruyan's hand and said to Shen Ruyan with a smile, "Let's go back!"

"Mm." Shen Ruyan took the initiative to lean on Chen Haoxuan's arms. To women like Shen Ruyan, they were usually very tough, but when they fell in love, they would become very gentle and feminine.

Chen Hao Xuan took Shen Ruyan to prepare to go back to the hotel, halfway, Chen Hao Xuan suddenly said to Shen Ruyan on, "I have to leave for a while, you go back by yourself first!" After saying that, he ran away as fast as he could.

Shen Ruyan she didn't even have the chance to refuse, she stomped her feet in anger.

Shen Ruyan suspected that Chen Haoxuan was going to Shuanghuan University, so she also went to Shuanghuan University. When she arrived at Shuanghuan University, she searched for a long time without finding Chen Haoxuan's figure, and the longer she searched, the more she missed Chen Haoxuan.

In fact, Chen Hao Xuan was now drinking in a bar, he had deliberately left Shen Ruyan alone, Shen Ruyan often pushed him, so he wanted to fix her so that she would really feel the pain of being in love, and then the worry of being abandoned.

At twelve o'clock at night, Chen Hao Xuan came out of the bar, after he arrived at the girls' dormitory building of Shuanghuan University, basically everyone in the girls' dormitory building had gone to bed, there were not many dormitories with lights still on, Chen Hao Xuan climbed to Su Shi Yin's dormitory by his agile body, he saw Su Shi Yin's clothes, he smiled, and stuffed a small eavesdropping device into a cartoon character on Su Shi Yin's clothes, that The cartoon character was sewn on, so Chen Hao Xuan pulled a few threads and was able to insert the eavesdropper. Once the eavesdropper was in place, he left.

He returned to the hotel, opened the door and entered the presidential suite, finding Shen Ruyan sitting on the sofa in the hall, she looked at Chen Hao Xuan in anger and chirped, "Damn Chen Hao Xuan, say, where the hell have you been? Why can't I find you?"

Chen Haoxuan sat down on the sofa opposite Shen Ruyan and said indifferently, "What are you looking for me for?"

"What am I looking for you for? Have you forgotten that you promised to be my boyfriend for a day today, but you suddenly ran away after only a short while?" Shen Ruyan said in an exasperated voice.

"Don't get angry yet, let me ask you a few questions first, it's not too late for you to get angry with me again. Let me ask you now, when I confessed my love to you at the entrance of the supermarket today, you felt sweetly in love, right?" Chen Haoxuan asked.

"Mm." Shen Ruyan admitted that she really felt happy and sweet at that time.

"Then let me ask you again, when the kiss after confessing to you, were you so happy that you almost fainted?" Chen Haoxuan asked.

Shen Ruyan bowed her head, indicating her acquiescence.

"When I suddenly left you, were you reluctant to leave?" Chen Haoxuan asked.

Shen Ruyan nodded her head and replied in an embarrassed voice, "Mm."

"Then let me ask you again, when you searched for me for hours on end and couldn't find me, were you angry and in a bad mood?" Chen Haoxuan asked.

"Yes, I was indeed very angry." Shen Ruyan admitted very directly.

With a snap, Chen Haoxuan slapped his thigh and said, "That's right, you were first sweet, happy, then pining, disappointed, angry and furious. These are some of the emotions that people in love often have, you said you want to experience being in love, am I wrong for doing this one? Can you experience the pain of missing someone if I don't leave you suddenly?"

"Difficult - could it be that your confession to me was all a lie?" Shen Ruyan's face suddenly turned pale, and I could tell from her eyes that she was in fear.

"Of course it's fake, do you think it's real!" Chen Haoxuan said without a care in the world.

"Fake?" When Shen Ruyan heard Chen Haoxuan's words, it was as if she had been struck hard by lightning, the expression of disappointment, sadness, appeared in her expression at the same time. Today she really thought that Chen Haoxuan's really confessed to her, she really thought that Chen Haoxuan liked her because she asked Chen Haoxuan to be her boyfriend for a day but did not ask Chen Haoxuan to confess to her, so she thought it was true.

The moment Chen Haoxuan confessed his love to her, her heart really moved, so she said yes. She didn't expect it to be fake, which was even more fake than real, which made her unable to accept it for a while, and she complained, complained why Chen Haoxuan had to make the play so realistic.

Shen Ruyan, she suddenly stood up, covered her mouth and quickly ran out. When Shen Ruyan was passing in front of Chen Haoxuan, one of her teardrops was flung onto Chen Haoxuan's face.

As Shen Ruyan walked away, Chen Hao Xuan did not go after her. He reached out and touched his cheek, it was wet, and he said to himself, "Is this a tear or a snot?" If Shen Ruyan was still here, Shen Ruyan would have fought Chen Haoxuan to the death.

The next day, early in the morning, Chen Hao Xuan got up, he opened a small box, pulled an antenna at the top of the box to a long length, then put it in his pocket and wore a headset to Shuanghuan University. The sound was not very clear at first, but when Chen Haoxuan walked into Shuanghuan University, the sound was crystal clear and he could hear every word Su Shiyin said.

But what made Chen Hao Xuan almost vomit blood was that Su Shi Yin actually said, "Today my breasts seem to be bigger again, my skin is a little worse than yesterday, but compared to the average girls, I can envy them to death with this skin" Su Shi Yin's words were all narcissistic words, boasting about herself. She does have this capital, but even the most beautiful people shouldn't boast about themselves all day long! It is not a good thing to be overly self-absorbed.

Chen Hao Xuan he sat on a chair downstairs in the girls' dormitory, he kept sniggering, quite a few female students passed by him and shook their heads when they saw him (later they suspected Chen Hao Xuan was a psychopath).

Su Shiyin loved beauty, but she never wore other clothes, this and that, probably that one was a gift from someone very important to her.

Su Shiyin praised herself for half an hour before she walked out of the dormitory to get ready for school. Chen Hao Xuan saw Su Shi Yin coming down from the dormitory building, his eyes couldn't help but look at Su Shi Yin's breasts, nodding his head and saying secretly in his heart, "Well, it seems to be a bit bigger."

Su Shi Yin saw Chen Hao Xuan, who was wearing sunglasses, looking at her and nodding to her, she gave Chen Hao Xuan a blank look before walking quickly past Chen Hao Xuan, and in the sound of her voice as she passed by Chen Hao Xuan, she said in a very small voice, "**."

Gah, Chen Hao Xuan was speechless, he was tempted to say out loud to Su Shi Yin, "I just want to see if your boobs are bigger than yesterday like you said."

The eavesdropper Chen Haoxuan had tucked inside Su Shiyan's clothes was right on Su Shiyan's chest, which allowed Chen Haoxuan to hear Su Shiyan's heartbeat and breathing. When Su Shiyan was just angry, Chen Haoxuan could hear her emotions from the sound of her heartbeat and breathing. Chen Haoxuan also did not expect the eavesdropping device to work so well when placed on Su Shiyan's clothes, which made Chen Haoxuan happy, now he would not have to worry about not being able to see Su Shiyan's true character.

Chen Haoxuan he followed Su Shiyan unhurriedly, keeping a certain distance from Su Shiyan in order not to let her discover him.

After following Su Shiyan all morning, Chen Haoxuan discovered that Su Shiyan was a very strange person, she had a very open personality and was a person with a lot of self-confidence. She should have had many good friends, but she didn't. She refused to talk to anyone, but she didn't even bother with the boys.

In one morning, Chen Haoxuan saw five or six boys confess their love to Su Shiyan, but Su Shiyan simply ignored them all. Someone like her should be called an iceberg beauty, but the problem was that she was so lively and weird, but Chen Hao Xuan could understand that, because geniuses in general were not normal.

Chen Haoxuan kind of wondered if Su Shi Yin hated men because of certain things, otherwise why would she never say a word to a man? If that was the case, it would be a bit difficult for him to get Su Shi Yin to help him out.

Han Junlang, he is now lying in hospital, he was injured by Chen Hao Xuan yesterday and he is lying on the hospital bed to recuperate, the more he thinks about it, the more uncomfortable he feels in his heart, he is the son of the chairman of Han Qi Group, not many people in Shuanghu Province dare to do this to him, because his dad is the chairman of Han Qi Group, his dad is the chairman of the biggest company in Shuanghu Province, the best thing is that his dad is familiar with people in the officialdom, so whatever bad things he did in the past, he was safe and sound.

But this time, he was surprisingly beaten up internally. He was beaten up at a time when he didn't want to take revenge and only wanted to leave that horrible place quickly. Now that he was lying in a hospital bed recovering from his injuries and was safe, his desire for revenge grew stronger and stronger. He knew many triads who were on the road and he knew that Chen Hao Xuan was very good at fighting, so he hired the Dock Gang and he paid 20,000 RMB for the Dock Gang to bring more than 50 gangsters to the hotel opposite the Shuanghuan University to arrest Chen Hao Xuan and Shen Ruyan.

Although he hated Chen Haoxuan and Shen Ruyan, he didn't think of killing them because they were too beautiful, so beautiful that you couldn't bear to kill them. If he knew that Chen Hao Xuan, whom he had been in love with, was a man, he might have gone mad over it. Of course, there was no way he would have known, Chen Hao Xuan for the sake of his reputation, there was no way he would have let anyone tell him about his male disguise as a woman.

When the Dockers arrived at the hotel opposite the Shuanghuan University, they found that Chen Hao Xuan was no longer there, so they asked the front desk of the hotel, and the lady at the front desk told them that she had seen Li Si go to the Shuanghuan University, and that she had not seen the two big beauties that the Dockers said were there. Li Si was a fake ID card made by Chen Hao Xuan, and the Dock Gang's men could not find the two big beauties that Han Jun Lang had mentioned, so he tried to find Li Si, as the receptionist lady said, to see if he could find out from Li Si about the two big beauties that Han Jun Lang had mentioned.

The Dock Gang and Han Junlang have a good relationship and if it wasn't for the care Han Junlang gave them the Dock Gang would not have grown to the large gang of several hundred people they have now, so even if Han Junlang didn't pay, they would still do Han Junlang a favour.

The Dock Gang didn't want to attract the attention of the Shuanghuan University, so they entered the university in groups, they entered the university and broke up into pieces so that it was faster to find them.

Chen Hao Xuan he was sitting under a poplar tree in front of a school building, he was dozing off as Su Shi Yin was now in class.

Chen Hao Xuan who was squinting and dozing suddenly felt someone approaching him, he looked up, opened his eyes and saw that it was a man wearing jeans on the bottom and a white shirt on the top half with dyed yellowish hair walking up to him, the man spoke out, "Are you Li Si?" The man from the pier gang knew from the lady at the front desk that Chen Hao Xuan was wearing a pair of sunglasses and

was handsome with clear eyebrows, and it was easy to recognise Chen Hao Xuan just by these two points.

"Right! What do you want to see me about?" Chen Haoxuan looked up and asked curiously, Li Si's name was the first time he used it, other than Shen Ruyan and the people in the hotel who knew his name was Li Si, no one else knew, so Chen Haoxuan was curious as to why someone would use Li Si's name to find him.

"Cut the crap and come with me." The youth cursed and yelled at Chen Haoxuan.

"Who are you? Why should I come with you?" Chen Haoxuan continued to ask, he was a big shot, if a random person came and told him to go - and he did - then he was not a big shot, but a fool.

"Have you heard of the Wharf Gang?" The youth said proudly to Chen Haoxuan, he believed that if Chen Haoxuan often went to bars and other places, he must have heard of the Dock Gang, as long as Chen Haoxuan had heard of the name of the Dock Gang, Chen Haoxuan would obediently listen to him. Because they specialise in bad things, and anyone who tries to get in the way of their money will be eradicated by them using various methods.

Chen Haoxuan shook his head and said seriously, "Never heard of it." Chen Hao Xuan swore that he really had never heard of this Dock Gang, and that was true, the Dock Gang was only a small gang of a few hundred people, and it only hung out in Shuanghu Province, so its reputation was too small, so it was normal for Chen Hao Xuan not to have heard of it.

"Then I'll tell you, we have hundreds of people in the Dock Gang, all of us are ruthless guys, we deal drugs, sell pirated copies, steal and rob everything." The youth spoke of his gang with pride.

Chen Haoxuan frowned and said, "What's that got to do with me?"

"You have messed with Han Junlang and Han Junlang has asked us to deal with you, so be sensible and come with us!" The youth said in a bullish voice.

"Han Junlang? I don't know, I think - you should have mistaken him." Chen Haoxuan said indifferently.

Seeing Chen Hao Xuan so disrespectful, the youth was very angry, he took out an old fashioned yellow screen mobile phone, it seemed he was not doing very well, he pressed a series of numbers, "Hey, big brother, I found Li Si, he is now in front of the finance department teaching building, he is very wild, he doesn't give face to our dock gang at all, I am here to keep an eye on him, you bring someone here quickly. "

The youth hung up the phone and he said to Chen Hao Xuan with great glee, "Just wait! It won't take a minute for fifty all punks to show up here, if you don't want to be chopped up, you'll behave yourself."
