

A Reincarnation Chapter 71-80

Chapter 71

At this time a handsome man in a dangling suit came over, he was very lazy and said to Chen Hao Xuan: "Hey, Chen Hao Xuan don't think that you can go around seducing girls just because you are handsome, you can seduce other girls, only she can't, because she is mine."

Chen Hao Xuan cryptically said, "Don't make me sound so cheap, okay?"

"Well, who knows if you're hitting on me Benin." The teenager had a straight face.

This teenager is not an ordinary person, like Zhang Bening, they are respectively the owner of the Heavenly Horse Group's golden girl, Zhang Bening, and the genius young director of the Start Group, Ma Yichen, don't look at the current Ma Yichen hanging around, he is very serious about doing business, can also be said that he is a two-faced man! In normal times he likes to dress in a slouchy way, which he feels is very chic. When he is in the office, he wears a suit and tie, distinguishing between public and private affairs. He and Chen Haoxuan have one thing in common, that is, they do business while studying.

"Ma Yichen, what are you talking about! Who says I'm yours! I haven't promised you yet! If you want to be my boyfriend, then show your sincerity, don't just play cool in front of me all day." Zhang Bening smiled and counted Ma Yichen's ways, and could see that she did not resent Ma Yichen, and even liked him.

Chen Haoxuan saw the relationship between Ma Yichen and Zhang Bening, he smiled and said, "You guys talk, I'm going to find my book."

He returned to the classroom when classes were already in session, so he simply went to the lawn in front of the school building, took out a cigar and smoked it.

Yang Lin, who seemed to smell the smoke, ran over to Chen HaoXuan, sat down on his butt, reached out and asked for a cigar, saying, "XiaoXuan, take a cigar and smoke it."

When Chen saw Yang Lin, he asked curiously, "How did you know I was here?" After saying that, he took out a cigar again and handed it to Yang Lin.

"You're the only one who smokes such expensive cigars at the University of Xinshan City, so what! I came here by the smell of cigar smoke, hehe I haven't smoked your cigar for a long time, I miss it." Yang Lin joked.

"You're a dog! You can smell it from so far away." Chen Haoxuan joked.

"Hehe, it's natural, don't be jealous. By the way, I haven't seen you for a long time, how is your development now?" Yang Lin asked Chen Haoxuan.

"It's okay, I developed a kind of all-powerful cell phone some time ago, and now I'm working with Zhang Tianqi, the money is not that fast yet, I need to wait for the all-powerful cell phone to be sold to earn money. However, I borrowed 10 million yuan from Zhang Tianqi to line my pockets, hehe, I bought a million or so BMW, and built a high-class villa at home." Chen Hao Xuan was proud of himself.

Yang Lin punched Chen Hao Xuan's chest and laughed, "OK! In just half a month's time - you've become a real millionaire, driving a BMW, living in a villa, and worth millions of dollars."

Chen Haoxuan suddenly became serious about Yang Lin: "Yang Lin, if you are serious about working with me, I will never treat you badly, not to mention buying a BMW, living in a villa, if you have that ability I can send you a small island, let you become a billionaire is not a problem. Don't doubt that I'm not capable of that, and don't doubt that I'm bragging, wait a few years and you'll see whether I'm capable of that or not."

Yang Lin was frightened by Chen Haoxuan's confidence and ambition, if Chen Haoxuan wanted to become a billionaire that was normal, at least he had such a desire, but Chen Haoxuan he actually wanted his men to become billionaires, then he himself was a rich and powerful being, wasn't he? Yang Lin thought that ordinary people wouldn't have such great ambitions, and the fact that Chen Haoxuan had such ambitions proved that he must be someone in a high position in the future.

"I'll wait for that day." Yang Lin smiled. The first thing I noticed was that he was a little bit of a fool, but he was still a poor man two months ago. But now he drives a BMW, lives in a high-class villa, and is worth millions of dollars. In addition, he has met a large number of businessmen, and his current network of connections can be concluded that his future is destined to be extraordinary.

Chen and Yang Lin smoked cigars and chatted on the lawn until the end of class. Yang Lin followed Chen Hao Xuan back to Class 8 for the same reason: there are many beautiful girls in Class 8.

Chen HaoXuan promised to accompany Chen Yina to school today, so Chen HaoXuan will not miss his promise. The first thing that I want to do is to get rid of the problem that I'm not going to be able to get rid of it. The first time I saw him, I thought it was a good idea.

Chen HaoXuan left, Zhou Kexin left, Chen Yina left, all the acquaintances left, Yang Lin was very embarrassed, he didn't know whether to follow Chen HaoXuan and the others to have fun, or to stay in class eight to see those second-class beauties. In the end, Yang Lin decided not to be a light bulb, lest Zhou Kexin and the others hate him.

Zhou Kexin she naturally called out Hua Lingwei, she is used to call Hua Lingwei when she didn't go out to play, she has been the same since she was a child. The first thing you need to know is how to get rid of the problem, and how to get rid of it.

In the garden of the school, Hua Lingwei smiled to Chen HaoXuan: "Chen HaoXuan, I heard that you have developed the world's most advanced cell phone, can you give me one? I want it so badly, yo."

Hua Lingwei had helped Chen Hao Xuan, of course, Chen Hao Xuan will not refuse, Chen Hao Xuan smiled: "Of course, but it will take a few days to give you, because I do not have now."

Hua Lingwei pointed her finger at Chen Haoxuan's pocket and said coquettishly, "Don't you have one in your pocket? Just send this to me!"

Chen Haoxuan saw that Hua Lingwei wanted it so badly, so he pulled out his own phone and handed it to Hua Lingwei, saying, "I'll give you my phone, and you can give me your phone too! Otherwise someone would have called me and I wouldn't have known."

Hua Lingwei didn't know what she was thinking, she had two blushes on her face, she sat across from Chen Haohuan, she would have sat next to Chen Haohuan, but Chen Haohuan's side was dominated by Zhou Kexin and Chen Yina. She slowly pulled out her cell phone, then switched her cell phone card with Chen Hao Xuan's, and after putting the cell phone card in place, she blushed and handed the cell phone card to Chen Hao Xuan, saying coquettishly, "Here."

Zhou Kexin's eyes showed envy, why didn't she think of this trick! If she asks Chen Hao Xuan for a cell phone, Chen Hao Xuan will definitely give it to her, and exchanging cell phones with Chen Hao Xuan has the same meaning as exchanging love tokens.

Chapter 72

"Chen Hao Xuan, I also want an all-around phone." Zhou Kexin was not willing to lag behind, just in class she saw Chen Yina took out the same phone as Chen Haoxuan, she concluded that it must be the all-around phone, Hua Lingwei and Chen Yina have, if she does not have, then does not look like she is out of place?

"I'll get one for you when I go back to the phone factory in a few days." Chen Hao Xuan Dao.

In a corner of the garden, there was a pair of eyes that had been watching Chen HaoXuan and the others. The owner of these eyes was Ma Yichen, who had just come for a walk in the garden and did not expect to meet Chen Haohuan and the others. Ma Yichen saw Chen Haoxuan embracing his left and right, and three beautiful women surrounding Chen Haoxuan, which made him very envious, and he admitted that he didn't have the ability. He has been pursuing Zhang Bening for many years, and although Zhang Bening doesn't hate him, he has never agreed to be his girlfriend.

Ma Yichen wondered if he should ask Chen HaoXuan for advice. Chen HaoXuan must have his own unique way to make three beautiful women like him at the same time.

At that moment, Ma Yichen saw Chen Hao Xuan stand up, turn around and walk towards the toilet in the deep garden, while Zhou Kexin and the others stayed where they were. Ma Yichen thought this was his chance, if he didn't approach Chen Haoxuan at this time, it would be difficult to do so later. Ma Yichen didn't want people to know that he couldn't even chase a girl and needed to ask for advice.

Ma Yichen quickly walked towards Chen HaoXuan, Chen HaoXuan felt someone behind him, he looked back, it was an acquaintance, he smiled and greeted: "Hey, we meet again."

"Chen Hao Xuan, can we talk? I want to ask you some questions." Ma Yichen was embarrassed.

Chen Haoxuan had nothing to do anyway, so he nodded and said, "Sure."

"Let's go over there and talk!" Ma Yichen mysteriously pulled Chen Haoxuan aside, and they went to a small pavilion.

Ma Yichen spoke out, "Chen Haoxuan, you should know that I've been chasing Zhang Bening for a long time, right?"

Chen Hao Xuan smiled awkwardly, "I'm sorry, I don't know, I don't even know who you are." Chen Haoxuan was telling the truth, he really did not know Ma Yichen, who was also a schoolgirl with him.

Ma Yichen had a bitter face, he felt he was very embarrassed, Chen Haoxuan said he didn't know him, but he was the young master of the Start Group, and he was a schoolmaster at the University of Xinshan City, he was behind Chen Haoxuan, how could Chen Haoxuan not know him? But he looked at Chen's expression and didn't want to sound panicky; he thought it might be because he was too low-key! That's why Chen Haoxuan didn't know him.

"My name is Ma Yichen, the young master of the Starting Group, a junior in college, now you should know me, right?" Ma Yichen introduced himself.

"You've introduced yourself, how can I still not know you. I don't need to introduce myself, because you called out my name the first time you saw me, so I believe you should know me quite well. So is there something important you've brought me here to help you with?" Chen Haoxuan asked.

"Yes, it is a matter that concerns my life's work. I have been chasing Zhang Bening for a long time, but she has never agreed to be my girlfriend, and I would like to ask you how to make a girl fall in love with you?" Ma Yichen was serious.

Chen Haoxuan was stunned, he thought Ma Yichen would have something important to find him! I didn't expect him to teach him how to pick up girls, which made Chen Haoxuan laugh and cry, let him study things, let him do business, he may be good at it, but pick up girls? He had never really picked up a girl before, because it was all chicks who came to pick him up, just like Zhou Kexin and the others now.

"Oh, if I told you that I've never picked up a girl before, would you believe me?" Chen Haoxuan smiled.

Ma Yichen shook his head naturally and said, "I don't believe it, if you've never picked up a girl, then how would Zhou Kexin and the others like you, look at how they like you so much that they're around you all day long."

"They like me, that's their business, I've never deliberately let them like me. As for why they like me, I really don't know much about that." Chen Haohuan explained.

Ma Yichen put her hands on Chen Haoxuan's shoulder hands and pleaded, "Big brother, I'll call you big brother, right! You just teach me! If you teach me how to win a woman's heart, I'll give you one million RMB, how about that?"

In the library today, Chen Haoxuan felt that Zhang Bening likes Ma Yichen, as to why he has not agreed to be Ma Yichen's girlfriend, this Chen Haoxuan does not know. Now Ma Yichen said to give him one million RMB as a consulting fee, the business is definitely worth, Chen Haoxuan thought, anyway, Ma Yichen and Zhang Bening like each other, then he simply set them up.

"Good, it's a deal." Chen Hao Xuan was happy, he is now during the seizure, many places need money, Ma Yichen this million can let him continue to invest in other projects.

"Then you can teach me now!" Ma Yichen was happy.

"Tomorrow! I'll wait for you in front of the school tomorrow morning, by the way, here's my business card, call my cell phone if you need anything." Chen Hao Xuan Dao.

Chen Hao Xuan went to the bathroom, and if he held it in any longer, he was worried that he would get sick.

In the evening, Chen HaoXuan and Chen Yina were alone in the house, Chen HaoXuan felt that Chen Yina is getting bolder and bolder, she even appeared in front of him in sexy pajamas, 100% seduced him.

Chen Yina sat next to Chen Hao Xuan, holding Chen Hao Xuan's arm, and leaning half on Chen Hao Xuan's body. "Brother Xuan, do I look good in this nightgown?"

"Good looking." Chen Haoxuan eyes looked at the TV. He didn't have to look at it to know that the nightgown was if hidden, because only that kind of nightgown could be so thin. Chen Yina hugged Chen Hao Xuan's arm, her shuangfeng close to Chen Hao Xuan's arm, Chen Hao Xuan felt Chen Yina as if no clothes, the feeling is wonderful, Chen Hao Xuan's nose is almost nosebleed.

"Brother Xuan, you didn't even look." Chen Yina shook Chen Hao Xuan's arm, and said coquettishly. This shake of hers is equivalent to Chen Hao Xuan stroking her shuangfeng.

Suddenly Chen Hao Xuan on the tea table, quickly took some tissues to cover his nose. "I might have a cold, a little bit of snot, I'll go to the bathroom." Chen Hao Xuan said and ran.

How can Chen Hao Xuan have a snotty nose? He left a nosebleed, he is a normal man, how can he accept the temptation of Chen Yina. It is possible that if Chen Yina adds one more fire, Chen Hao Xuan may not be able to hold on.

He ran into the bathroom, twisted the faucet and stuck his head under the faucet, trying to cool the fire in his heart with cold water. After a while, Chen raised his head, looked at himself in the mirror, and said to himself: "When did this Nana learn to seduce people, it almost killed me."

Chapter 73

From outside the bathroom came Chen Yina's voice: "Brother Xuan, are you okay? Do you need me to go to the doctor with you?"

When he heard the voice of Chen Yina, he quickly took a towel to wipe the water on his face before going out. The first thing I noticed was that I was wearing a nightgown, and I could clearly see the underwear inside the nightgown, which was black, and it was so attractive that I didn't get a nosebleed.

Chen Yina stepped forward, put her hands on Chen Haohuan's shoulders, and asked with concern, "Brother Xuan, are you okay?"

"It's fine, it's fine, I just got another nosebleed, I'll go wipe my nose." Chen said and wanted to turn around and go back to the bathroom.

But Chen Yina held him back, Chen Yina had just heard Chen Hao Xuan say runny nose, so she took some tissues, just in time to use them now that Chen Hao Xuan had a runny nose again. The right hand holding the tissues reached to Chen Hao Xuan's face, Chen Yina saw Chen Hao Xuan did not take his hand away, so she said: "Brother Xuan, take your hand away! I'll rub it for you."

Chen Yina leaned too close to Chen Hao Xuan, as soon as Chen Yina spoke, her breath reached Chen Hao Xuan's nose, Chen Yina's breath was like a love drug, causing Chen Hao Xuan's face to slowly turn red and Chen Hao Xuan's breathing to increase. Chen Hao Xuan was a little breathless: "Nana no need, I can go to the bathroom and wipe myself."

The company has been in the process of developing the new product for the past few years, and has been working on the development of the new product for the past two years. What to do? Let's get to the hospital!"

Chen HaoXuan wanted to say: "It's your fault, if you didn't seduce me in your sexy pajamas, would I get a nosebleed? Soooo" But Chen didn't dare to say that, he spoke out, "It's fine, I just went into the bathroom to wipe my nose when I accidentally touched my nose, it's fine, it won't stay after a while."

"Oh." The pure Chen Yina believed, she gently wiped Chen Hao Xuan's nosebleed, but as soon as she wiped it clean, there was nosebleed again, she was afraid, if something happened to her brother Xuan, then what should she do?

I don't know if fate is playing tricks on me, but Chen Yina and Chen Hao Xuan are very close to each other, and Chen Hao Xuan is half a head higher than Chen Yina, and unintentionally Chen Hao Xuan lowered his head, and this look directly saw Chen Yina's r~groove, which is more attractive than Chen Yina's action just now, so Chen Hao Xuan's nosebleed came out again. The first thing I noticed was the fact that there was a lot of people in the world who were not able to afford it.

Chen Hao Xuan's right hand uncontrollably slowly reached out to Chen Yina's shuangfeng and caught it, big and soft.

Chen Yina's body stiffened at this grasp of Chen Haohuan, and then she hugged Chen Haohuan, as if she was ready to offer herself to Chen Haohuan. "Brother Xuan." Chen Yina shouted in a delicate voice.

Chen Yina didn't shout, but her shout woke Chen Hao Xuan up, Chen Hao Xuan fiercely withdrew his right hand, and then pushed Chen Yina away. The sound of a snap, Chen HaoXuan fiercely slapped himself. "I'm so inhuman, I actually molested my sister." Chen Hao Xuan guiltily.

Chen Yina jumped into Chen HaoXuan's arms again, hugged Chen HaoXuan tightly and cried, "Brother Xuan, don't be like this, it's all my wish, I like you, I love you, I want to give myself to you." I love you, I love you, I want to give myself to you." After saying that, Chen Yina then said, "Brother Xuan, I am not your real sister, can you not treat me as a sister? I don't want to be your sister, I want to be your girlfriend, your wife."

Chen Hao Xuan's heart is itching right now, right now he really wants to eat Chen Yina, but he can't get past the hurdle in his heart that he thinks of Chen Yina as his sister, and in addition he is worried that Li Ping and his wife will disagree. Li Ping's family is very good to him and he can't hurt them.

"Nana, you listen to me, we really can't do this, you are" Halfway through Chen Hao Xuan's words, Chen Yina suddenly stood on her tiptoes and kissed Chen Hao Xuan's lips, blocking Chen Hao Xuan's words back.

Chen Hao Xuan felt a buzz in his mind, a blank, Chen - Chen Yina kissed him, he and Chen Yina kissed, what should we do?

Chen Yina was very active, she kissed Chen Hao Xuan, she caressed Chen Hao Xuan's body. When Chen Yina took off Chen Haohuan's top, she wanted to take off Chen Haohuan's pants, Chen Haohuan suddenly grabbed his own pants and ran to his room, slamming his door closed inside the room. "I'm sleepy, I'm going to sleep first." Chen Hao Xuan's voice was heard from inside the room.

"Pfft" Chen Yina laughed, she didn't expect her brother Xuan to be so shy. Chen Yina recalled Chen Hao Xuan touching her breasts, and when she kissed Chen Hao Xuan, Chen Hao Xuan kissed her back, she felt that her hope was growing now, because Chen Hao Xuan already had feelings for her, otherwise how would Chen Hao Xuan touch her breasts and kiss him!

Back in the room, Chen Hao Xuan, looked down, and wow, his crotch was up. Chen Hao Xuan patted his chest and said to himself, "Ah, thanks for holding it in, otherwise I really don't know what I would have done."

That night, Chen Haoxuan was up all night, he had insomnia, he couldn't sleep, all he could think about was Chen Yina's seductive body.

The next morning, when Chen Hao Xuan got up, he looked in the mirror and found that he had two dark circles under his eyes, and to hide them, Chen Hao Xuan wore cool sunglasses. He is wearing a black suit, black tie, black shoes and black sunglasses, a bit like a secret agent on TV.

After Chen Yina made breakfast, she called out loudly to Chen Hao Xuan: "Brother Xuan, breakfast is ready, come out and eat breakfast!"

When Chen Hao Xuan walked out of the room, he heard the sound of Chen Yina's laughter, and Chen Hao Xuan asked curiously, "Isn't it just a pair of sunglasses? Is it that funny?" Chen Hao Xuan was very happy to see the current Chen Yina, he thought Chen Yina would be shy because of yesterday's incident, but he didn't think his worry was unnecessary.

"Brother Xuan, it's the first time I've seen you wearing sunglasses since I was a kid, but seriously, you're really cool and charming in sunglasses, but well! I feel that you are a bit soft and beautiful (that's what girls mean)".

Chen HaoXuan can't help it, God gave him a white face, what can he do, should he get plastic surgery? "I should go for sun screen more often, so people don't say I'm a white face." Chen joked.

Chapter 74

"Others say it's envy, not to mention others, even I am envious, why do you think a grown man is so handsome!" Chen Yina joked.

"With your words, I'm going to get my face tanned," TRC Chen joked.

"Prince Charming and Prince Charming are both the same in my heart, anyway, they are both my brother Xuan." Chen Yina said sweetly.

After breakfast, Chen drove his BMW to school with Chen Yina, but before he entered the school, Chen saw Ma Yichen waiting at the entrance. Chen Hao Xuan opened the car window, stuck out his head and shouted to Ma Yichen, "Ma Yichen, good morning! Wait here for a minute, I'll walk Nana in and come out to you."

"Oh sh*t, aren't you poor? Why are they all driving BMWs? And it's not at all lower than mine." Ma Yichen was surprised, all he knew about Chen Haohuan was the previous Chen Haohuan, the current Chen Haohuan he only knew to become a little smarter, and also the dress changed a lot, he did not expect Chen Haohuan to drive a BMW big money.

"Oh, why can't I just buy it? I'm the top-ranked senior at Shin-San University! Without a BMW, it's not even dignified." Chen Hao Xuan joked.

"You send your Chen Yina in first! We'll talk about it later." Ma Yichen Dao.

After dropping Chen Yina off at the school, he quickly came out, parked his car in front of Ma Yichen, extended his hand and waved to Ma Yichen, "Get in."

Ma Yichen also drove a famous car, he originally wanted to drive his own car, but after thinking about it, he felt it was better to ride in Chen Haohuan's car, because he could discuss with Chen Haohuan about chasing girls in the car.

Ma Yichen pulled open the car door and sat on the passenger side: "I didn't expect your car to be so luxurious inside." Ma Yichen smiled.

"It's average!" Chen Hao Xuan smiled.

Chen HaoXuan stepped on the gas pedal, BMW rushed forward, turn, Chen HaoXuan foot on the brakes, then hit the steering wheel, BMW flew out horizontally, then Chen HaoXuan let go of the brakes, BMW rushed out again. An L-shaped intersection, Chen HaoXuan directly should be cool drifting over.

"Damn, scared me, didn't think you could drift, I also like, but don't know can, you also teach me some day, okay?" Ma Yichen excitedly told Chen Haoxuan that he wanted to learn it and drive Zhang Bening for a ride.

"No problem, in fact, drifting is very simple, as long as you carefully calculate your speed and where you will drift, and then rely on the brakes, gas, steering wheel, gears, to control." Chen HaoXuan explained as he drove.

"It's easy to say, but it's another thing to do." Ma Yichen said dejectedly.

"When I have time later, I'll show you how to do it. Now I will take you to the mall and dress you up thoroughly, and when Zhang Bening sees you, he will be surprised and praise you for being handsome," he said. Chen Hao Xuan joked.

Ma Yichen looked at himself in the rearview mirror of the car, and then said to Chen HaoXuan: "I'm very handsome dressed like this? Why do you need to help me dress up?"

Chen Hao Xuan laughed: "You think you are handsome, it's normal, then someone will think you are not good-looking. But do you know Zhang Bening? She's a very mature thinking girl, so if I'm not mistaken, she'd prefer more stable boys."

"How do you know she's a mature-minded girl? Aren't you not familiar with her?" Ma Yichen's curious question.

"I am not familiar with her, I just met her yesterday, I can say I have only met her once. But before that she had a notebook that she forgot in the library, and I just happened to see it, and I was curious, so I opened it, and I found that it was all about the philosophical aspects of life, and people who learn these things are more mature in their thinking," he said. Chen Haoxuan explained.

"Oh, so that's how it is." Ma Yichen looked as if he had suddenly realized. He now knew why Chen Haoxuan was liked by so many girls, just because Chen Haoxuan was observant and knew what girls liked and what they didn't like.

Chen Haoxuan drove Ma Yichen to a large shopping mall in the downtown area, where Chen Haoxuan personally helped Ma Yichen choose four sets of casual clothes. Chen Haoxuan took one set and handed it to Ma Yichen, saying, "Go and try it on."

"You actually let me wear casual clothes, will that make me look too tasteless." Ma Yichen had a bitter face. He liked to wear suits and jackets because he felt they were more masculine. But when he wasn't in the office, he didn't look good in a suit and jacket because he purposely messed up his clothes, and according to him, that's how stylish men are.

"You have no taste in the first place, if you had taste - you would have caught up with Zhang Bening long ago, go and change." Chen Haoxuan urged.

"Okay!" Ma Yichen walked into the fitting room with his clothes.

When Ma Yichen came out with his clothes changed, the waitress who helped Ma Yichen get his clothes were all amazed, and the changed Ma Yichen had a very natural handsomeness. "Does it look good?" Ma Yichen asked Chen Haoxuan.

"Well, it's nice, many times better looking than you used to be." Chen Hao Xuan smiled.

Ma Yichen took a look in the mirror, and he felt really good, looking much more pleasing to the eye than before. Ma Yichen turned to the waiter and said, "I'll take all the clothes I just picked out, wrap them up for me."

He said that he had never worn these tens of dollars worth of shoes since he was a child, and that they were too expensive for him to wear. In Chen Haoxuan's coaxing, Ma Yichen finally put on the shoes.

Ma Yichen's business is so powerful, but he is poor at dressing up and chasing girls, which is what people often say, "If God gives you a good thing, he will give you a bad thing."

It is also a good idea to have a good look at the company's products and services. Chen HaoXuan cut his hair in a rounded style, and Ma Yichen cut his hair in a flattened style.

After cutting his hair, Ma Yichen couldn't help but say to Chen Haoxuan, "Now you can teach me how to prepare to get Zhang Bening's heart, right?"

"Let me tell you yo, actually Zhang Bening likes you, because if he didn't like you, she would have been angry when you said she was yours yesterday. You seriously think about it, yesterday when you said she was yours, did she laugh a lot? The company has been in the process of developing the new product for the past two years.

The company's main business is to provide a wide range of products and services, including a full range of products and services.

In Xinshan City University, Zhang Baining, who was in class, suddenly felt a bad premonition and said to herself: "Is something going to happen?"

Chapter 75

At noon, Chen Haoxuan and Ma Yichen returned to the University of Xinshan City. "Bening goes to the cafeteria for lunch every day at this time, so let's wait for him here!" Ma Yichen said to Chen Haohuan.

"Hmm." Chen Haoxuan responded, sat down on the lawn, pulled out a cigar and smoked it.

When Ma Yichen saw Chen Haoxuan smoking a cigar, he spoke out, "Chen Haoxuan, give me a plug too?"

"If Zhang Bening sees you smoking, all of today's plans will be ruined, and you'll lose a million dollars if you don't catch up with him. Chen Haoxuan advised.

"All right! What's so hard about not smoking anymore, for love." Ma Yichen firmly, said so, but Ma Yichen looked at Chen Haoxuan, who was smoking a cigar, and swallowed straight saliva.

At this time, Zhang Bening came from a distance, Zhang Bening still carries an earpiece with him wherever he goes, just like together. He was listening to music and doing other things.

After Ma Yichen spotted Zhang Bening, he immediately leaned against a tree by the side of the road and pretended, and when Zhang Bening was about to pass by, he gently shouted: "Bening."

When Zhang Bening heard someone calling out to her, she couldn't help but stop and look around, looking for the person calling out to her. "Who is it! Who just called out to me?" Zhang Bening shouted in a delicate voice.

"It's me! Can't you even hear my voice?" Ma Yichen lifted her head, walked towards Zhang Bening and smiled.

Seeing what Ma Yichen was wearing now, Zhang Bening's eyes didn't shine, she liked boys like this, giving people a natural feeling. "Huh-, why are you wearing this kind of clothes now?" Zhang Bening asked curiously, she has known Ma Yichen for many years and this is the first time she has seen Ma Yichen in casual clothes.

"Because you like it! For you, I'm willing to change." Ma Yichen looked deeply into Zhang Bening's eyes and spoke tenderly.

Zhang Bening patted Ma Yichen's chest and laughed, "Don't be so fleshy, I still don't know what kind of person you are! If you can change it for one day, can you change it for the rest of your life?"

Ma Yichen suddenly grabbed Zhang Bening's small hand that patted his chest, and said seriously to Zhang Bening: "Can, absolutely can, just to me like you, a like is so many years, until now has never changed."

Ma Yichen said he took out a beautiful little bottle from his pocket, handed it to Zhang Bening, and said, "This is a bottle of perfume, and you're guaranteed to like the smell."

"What kind of smell is it?" The curious Zhang Bening wanted to open the bottle.

Ma Yichen stopped Zhang Bening, Ma Yichen said, "Wait, wait until I leave before you open it, I'm afraid you'll get excited and forcefully kiss me."

"Go to hell with you! The devil wants to kiss you!" Zhang Bening laughed at Ma Yichen and scolded him.

After Ma Yichen and Chen Haoxuan left, Zhang Bening couldn't wait to open the perfume bottle, and a light fragrance came into Zhang Bening's nose when it was opened. "Good fragrant smell yo!" Zhang Bening closed her eyes, experiencing the light aroma.

Chen Haoxuan and Ma Yichen walked towards the school entrance, they were going out to eat, on the way Ma Yichen couldn't help but ask Chen Haoxuan, "Chen Haoxuan, is this really okay?"

"Can't I just pay attention? Unless, of course, you're a bad person." Chen Haoxuan was confident.

"But she's a thousand gold lady, will she think I'm stingy if I give her these little things every day?" Ma Yichen was worried.

"Of course not, girls! If you give her something cute and unique every day, she is guaranteed to remember you every day. If you ever stop giving her something one day, she will definitely go to you. By then you can confess your love to her, and it's guaranteed to be a success," Chen Haoxuan explained. Chen Haoxuan explained.

"I hope so!"

Ma Yichen, who is very rich, invited Chen HaoXuan to a five-star hotel, where he not only ordered a lot of delicacies, but also called dancers and singers to help him celebrate. Seeing so many delicacies,

Chen regretted not bringing Chen Yina. Chen Hao Xuan began to pay little attention to whether he wanted to pack some food back when he left.

Ma Yichen, a typical big spendthrift, eats little, drinks little, but likes to order a lot of mountain and sea delicacies. Chen HaoXuan's food consumption is not big, and the two of them only ate a little bit and then they were full. In the past few years, we have seen a lot of people who have been in the market for a long time, and we have seen a lot of people who have been in the market for a long time.

If the food was not good, Chen HaoXuan didn't bother to pack it, but now it's all mountains and seafood, and it's even better than what he used to eat in the villa hotel, and he didn't do it for himself, he did it for Chen Yina, and she wanted Chen Yina to taste the delicious delicacies.

This afternoon, Chen Yina had no class, she went home early to cook, she thought of herself as Chen Hao Xuan's woman many years ago, because Chen Hao Xuan's clothes, she washed, she cooked, she made the family plot, how to look like Chen Hao Xuan Dao's wife.

When Chen Hao Xuan returned to his residence, he saw a similar picture to the previous one, Chen Yina staring at the food on the table. "Nana, I'm back, and I've brought you some delicious food." Chen Hao Xuan shouted out.

Hearing Chen Hao Xuan's voice, Chen Yina immediately stood up and said happily, "Brother Xuan, you're back!"

"Well, Ma Yichen just invited me to a five-star dinner, where the food was better than anything I could cook, so I brought some back, especially for my Nana to try." Chen Hao Xuan smiled.

"Well, I knew brother Xuan would love me the most, and he would think of me for any delicious food." Chen Yina was happy, and because of that, she loved her so deeply.

"You're the only sister I have, if I don't love you, who will I love!" Chen Hao Xuan smiled.

Chen Hao Xuan said something that shouldn't be said again, Chen Yina didn't like Chen Hao Xuan saying that she was his sister. Brother Xuan, I've told you everything, don't call me sister anymore, I don't want to be your sister." "Brother Xuan, I told you everything, don't call me sister anymore.

"Not even if you don't! Who made you younger than me." Chen Hao Xuan Dao.

Chen Yina pursed her small mouth and exhaled, nibbling on the mountain delicacies Chen Haoxuan had brought back, she didn't feel good at all because she was in a bad mood and nothing she ate tasted good. If Chen Haoxuan said he liked her, even if she ate coarse tea, she would still feel like a delicacy.

"This bottle of red wine is sweet, you have some too." Chen brought a tall glass and poured some red wine to Chen Yina.

She seemed to want to get drunk and get it over with.

She seemed to want to get drunk. "Nana, drink slowly, you'll get drunk easily like this." Chen Haoxuan was concerned.

"If you don't come until I'm a sister anymore, I won't be like this, or I'll drink as much as I can today, and if you don't give me a drink I'll go outside and drink, hmm." Chen Yina pouted.

Chapter 76

"Okay, okay, I'm done talking about it, okay?" Chen Hao Xuan helplessly, he did not expect Chen Yina's feelings for him so firm, for the sake of love, would rather not brother and sister love.

"This is what you said yourself yo, I didn't force you, don't say I'm your sister in the future." Chen Yina was happy, Chen Haoxuan does not consider her as a sister, and she lives with Chen Haoxuan, isn't that what lovers do?

"Yes, I said it myself." Chen Haoxuan helplessly smiled bitterly, his mouth said so, but in his heart he secretly grumbled, "You didn't force me, you just threatened me with your life."

Having received Chen Haohuan's promise, Chen Yina was happy, now she could finally eat the taste of the mountains and the sea.

After keeping Chen Yina company, Chen Haoxuan returned to his room, he still had work to do, he needed to help Ma Yichen make one unique little thing every day, he bought many gadgets today, including some chemicals. He bought many small tools today, including some chemicals. Chen HaoXuan was going to carve an iceberg snow lotus out of a translucent water stone today.

The next day, when Ma Yichen got the gift Chen Haoxuan had prepared for him, he was amazed. He had never seen such a beautiful lotus flower, and it was translucent, the lotus was white, and the box was filled with black sponges. Ma Yichen said to Chen Haoxuan: "Chen Haoxuan, where did you pick this lotus flower? So beautiful, it's the first time I've seen a translucent lotus flower like this."

"You touch it and see, remember to be light yo, otherwise it's broken, but your loss." Chen HaoXuan mysteriously smiled, let himself carved things he himself knows, this lotus flower completely to the degree of false authenticity, Ma Yichen did not see it is normal.

Ma Yichen gently touched the lotus flower in the box, and found that it was hard and cold. Ma Yichen looked up and said to Chen Haoxuan with a surprised face, "Wow, this is carved from stone, it's so realistic, where did you buy it, I also want to buy some for my family."

"There is nothing for sale outside, because I carved it, this stone lotus can be considered a work of art, if you take it out and sell it, he can sell it for at least 100,000 RMB. You give me one million RMB to teach you how to pick up girls, no loss, right?" Chen Hao Xuan smiled.

Ma Yichen put down the box containing the stone lotus flower, excitedly held Chen Haoxuan's hand, and said: "No loss, absolutely no loss, for this stone lotus flower you gave me, not to mention 100,000 RMB, even if you offer a million RMB, I will still buy it. I believe that when Benin sees this stone carved lotus flower, she will be very happy, and it might not be impossible for her to fall in love with me when she gets excited."

Hearing Ma Yichen's words, Chen Haoxuan's mind flashed with a flash of light, and he secretly said, "Right! Why didn't I think of that! I'm so handy, I can carve more artistic stone sculptures to buy! Just like what Ma Yichen just said, he would be willing to pay one million RMB even if he was asked to."

Chen Hao Xuan decided that he would return to the Chen Village in the afternoon and ask Chen Yue Bin to help him acquire some nice colored stones.

At 9 o'clock, Ma Yichen took Chen Hao Xuan to look for Zhang Bening, Chen Hao Xuan, like yesterday, hid far away, observing Ma Yichen and Zhang Bening, he wanted to go out, but was worried that he would steal Ma Yichen's limelight, and thought better of not going, if Zhang Bening had a good feeling for him, then Ma Yichen wouldn't find him to fight for his life!

Ma Yichen walked into the fourth class of the junior liberal arts department, he walked up to Zhang Bening, handed the box in his hand to Zhang Bening and smiled, "This is my gift to you, I hope you like it, remember yo, when I leave, you open it." Ma Yichen was still as mysterious as yesterday, this is what Chen Haoxuan taught him, this may make the girls feel that you are unique, as long as you are different, you will be deeper in the girls' memories.

"Ma Yichen, why are you acting weird these two days?" Zhang Bening raised her head and looked at Ma Yichen curiously.

"You'll know later." Ma Yichen smiled mysteriously, and after he said that, he turned around and left. When he walked out of the classroom where Zhang Bening was, he immediately ran to the opposite side of Zhang Bening's classroom, where Chen Haoxuan was waiting for him with two binoculars! He wanted to see Zhang Bening's expression when he saw the gift he had given him.

Ma Yichen pantingly ran to the side of Chen Haohuan and anxiously asked Chen Haohuan, "How was it? Has he opened it yet?"

Chen Haoxuan handed Ma Yichen a telescope and said, "Not yet."

On Zhang Bening's side, she opened the box Ma Yichen gave her with anticipation, the box was so big, she believed that the gift inside the box must not be too small. When she opened the box, the

moment, first to see the white light, and then to see clearly what is inside the box, she was excited hands cover their small mouth, heart overjoyed shouted: "What a beautiful lotus yo."

The student sitting next to Zhang Bening saw the lotus flower inside the box and couldn't help but cry out in shock: "Wow, what a beautiful lotus flower."

After Chen Haoxuan's careful carving and repeated polishing with liquid paraffin wax, plus the black sponge inside the box and the small lamp at the bottom of the backing, can it not be beautiful? Chen HaoXuan is very good at matching, he used a black sponge, which gives the stone lotus a kind of mud-free appearance. This makes the lotus even more beautiful and sacred than the iceberg snow lotus.

Zhang Bening put her head close to the lotus flower on the desk and took a deep breath, she smelled a very light fragrance of flowers, she was enchanted by this beautiful lotus flower, she liked it so much, she was so happy.

She was so happy that she was enchanted by the beautiful lotus flower. I don't know who said, "No matter how beautiful the flower is, it will wither sometimes."

"Yeah! No matter how beautiful the flower is, it will wither sometimes, what a pity, if only the beauty of the lotus could last forever." Zhang Bening's heart was lost.

A girl next to Zhang Bening spoke out, "Bening, this lotus flower of yours is translucent, we've never seen this variety before, is he made of plastic!" Nowadays, many people like flowers made of plastic, because flowers made of plastic never wilt and are always so beautiful and touching. That's why Zhang Bening's classmates wondered if the lotus flower was made of plastic, after all, they had never heard of a translucent lotus flower.

"No way! This lotus flower looks real to me, and it smells like a flower!" Zhang Bening said so, but she still reached out and touched the lotus flower. Upon touching it, she realized that it was a stone carving, not a real lotus flower.

Chapter 77

Zhang Bening's classmate also went to touch it, then was surprised, "Wow, this must be carved by a master carver, to be able to carve the stone so thin and still not break, except for top masters, ordinary people can never carve such amazing works."

Zhang Bening was very happy to hear her classmate's words, she felt Ma Yichen's affection for her, and she suspected that Ma Yichen had taken great pains to find the carved lotus flower, and bought it for her at a high price.

On the other side, Ma Yichen saw Zhang Bening's happy expression, and he hugged Chen Hao Xuan tightly in excitement, saying happily, "Chen Hao Xuan, did you see that? Benin liked the gift I gave her."

"Ma Yichen, if you don't let go of me, I'll call the newspaper to warn you about molesting me." Chen Hao Xuan had a stern face. He didn't want to cuddle with a man, it's okay to cuddle casually, but he felt so awkward if he didn't let go.

Ma Yichen let go of Chen Hao Xuan and lightly hit Chen Hao Xuan's chest, jokingly said: "Others want me to hug - can't even think of it! You're good, I took the initiative to hug you, and you still dislike it. It seems you're just like that, you don't like people taking the initiative, just like Zhou Kexin, who took the initiative to chase you and failed."

"That's all for today's lesson, we'll see you tomorrow, bye." Chen Haoxuan greeted and left.

Ma Yichen was in the back, shouting loudly to Chen Haoxuan, "Hey, where are you going! Will you take me with you?"

"I'm going home." Chen HaoXuan did not turn back.

Ma Yichen wanted to follow, but Chen Haoxuan was already far away and he was too embarrassed to say anything.

Chen Hao Xuan drove the BMW back to the Chen Village, he parked the car in front of Chen Yina's house, he got out of the car first to see how his villa is being built now. Chen HaoXuan's villa has been built and is now being decorated, and it should be finished in a few days.

Wang Long's construction company has a designer, and Chen HaoXuan asked the designer to buy furniture for him. In fact, Chen HaoXuan was mainly for others to see, he wanted to pass the word of others to Chen Haorong where they were, so that they knew that his wealth had already exceeded one million.

After looking at his room, Chen Haoxuan arrived at Chen Yina's house and saw Li Ping washing vegetables in the yard, Chen Haoxuan shouted, "Auntie, I'm back."

Li Ping looked up, saw Chen Hao Xuan, immediately stood up, moved a stool to Chen Hao Xuan, smiled and said: "Sit down."

After sitting down, Chen Hao Xuan asked, "Auntie, where is uncle? How come you haven't seen him?"

"Him! I went to buy bamboo early in the morning, so I should be back in a little while." Ping Li spoke out.

"Oh, then I'll go out for a walk first, and I'll be back later." Chen Hao Xuan smiled, he will eat at Li Ping's noon, he did not say, because he does not have to worry about no food, careful Li Ping will definitely cook an extra meal.

Chen HaoXuan went out, he strolled around Chen Village, everyone in Chen Village smiled and greeted Chen HaoXuan when they saw him, the children in Chen Village liked Chen HaoXuan the most, because Chen HaoXuan often bought fruits for them, this time is no exception, Chen HaoXuan met a group of children playing when he passed by a small buying department, when they saw Chen HaoXuan, they immediately scrambled to Chen HaoXuan, all of them shouted happily. "Brother Hen, Brother Hen, you're back"

"Did you miss my candy?" Chen Hao Xuan smiled at the children who surrounded him, Chen Hao Xuan earned a lot of money from their parents, and it didn't bother Chen Hao Xuan at all to buy them some candy.

"I'm not sure if I'll be able to do that. The children who surrounded Chen Hao Xuan jumped for joy.

A few old men who were playing chess in the distance, seeing that Chen Hao Xuan was giving out candies to the children again, said, "This little Xuan! Just a good-hearted, honest businessman, a really good kid, I don't know why Li Xin's family abandoned him."

"It's not that Little Xuan was stupid before." An old man said.

"He insisted on going to school, knowing that there is a way out only if he learns from school, and he worked and studied on his own with no help from anyone. Other things can be left out, let's talk about college students, our Chen Village is so big, except for Xiao Xuan and Nana who can go to college, none of the others can go to college, all these can prove that Xiao Xuan has never been stupid." Another old man spoke out.

"Then why was he so dumb before?"

"I think it's because I was scared by Li Xin and the others, you should also know that Li Xin and the others used to beat Xiao Xuan" This group of old people forgot to play chess when they discussed Chen HaoXuan.

Chen Hao Xuan he walked with a group of children, into the small buying department, he said to the kiosk owner: "Boss, help me get a dozen pounds of candy."

"All right." The owner of the kiosk was happy, he liked to do Chen Hao Xuan's business the most, because Chen Hao Xuan was quick enough to buy things, never a big pile.

Chen HaoXuan was paying for his wallet when he suddenly realized that he didn't have his wallet, and on second thought, he forgot it in the car. So Chen HaoXuan was embarrassed and said to the kiosk owner: "That-uncle, I'm sorry, I forgot my wallet in the car, please wait for me, I'll go get it."

The kiosk owner waved his hand and said, "It's fine, you can take it and give it to me in a few days." Chen Haoxuan was a big spender in the Chen Village, driving a BMW and living in a villa, and he wasn't worried at all that Chen Haoxuan would go rogue.

"Then thank you, I'll send you the money this afternoon." Chen Hao Xuan thanked him.

Chen took a big bag of candy and walked outside, he said to the children who surrounded him, "Line up, no candy points for those who don't." Chen HaoXuan was trying to be fair, so he let them line up, so he could share them one by one.

Two handfuls of candy per person, a big bag of candy still has a lot left, so Chen HaoXuan handed out another round of candy. When he finished giving out the candy, Chen HaoXuan left. Chen Haoxuan's action of giving out candies was seen by his brother, Chen Haorong, who said in his heart, "Humph, you're rich, right? I'll let you show off, and in a while you'll still be so crazy, I don't believe Chen."

Chen Haorong he called a gang of thugs to sabotage Chen Haoxuan's business yesterday, he knew that Chen Yue Bin would often follow the east windmill hired by Chen Haoxuan to buy bamboo, so he let him go to the road today to stop Chen Yue Bin. In order to make the gang more serious, he revealed to them that Chen Yue Bin had a lot of money with him and that they could drive away the car hired by Chen Hao Xuan.

Chapter 78

While strolling around the village, his cell phone suddenly rang, and Chen took it out and pressed the answer button, "Hello, who is it?" Chen Hao Xuan spoke out and asked.

There are more than a dozen people blocking our car with bamboo, and they're still robbing Chen Yuebin of his money, so it looks like they're robbers." Farmers just aren't in the habit of calling 110, and the first person they think of when they encounter something is an acquaintance.

"Where are you guys now?" Chen Hao Xuan asked anxiously.

"We're not far from the entrance to Car Bend Road." Car Bend was a place name.

"I know, I'll bring someone over right now." Chen Hao Xuan hung up the phone and ran, he quickly ran back to his house, he shouted loudly, everyone out of the house, I have something very important to find you.

Lin Hao and the others quickly ran to Chen Hao Xuan, and Wang Long's construction workers also gathered in front of Chen Hao Xuan. "Boss Chen, what's wrong?" Yang Lin asked anxiously.

"My goods were robbed at the bend in the car, now you all come with me and I'll buy you a drink when you come back." Chen Hao Xuan spoke up.

"Lin Hao, you guys take my car." Chen Hao Xuan waved to Lin Hao and the others.

Whether those construction workers were coming or not, Chen didn't know, he had no right to move them. Chen Hao Xuan needed to get to the turn quickly, if he was late, he was worried that something would happen to Chen Yue Bin.

After Lin Hao and the others got into the car, Chen Hao Xuan stepped on the gas pedal and the BMW rushed forward with great speed. Lin Hao and the others, who were sitting in Chen Hao Xuan's car, held on to their seats tightly, worried that they would be thrown out.

The foreman who helped Chen Haoxuan build the villa knew that their boss was very familiar with Chen Haoxuan, and now that Chen Haoxuan was in trouble, they didn't dare not to help. So the foreman and a hundred or so construction workers chased after Chen in their east wind car.

The car turn is not very far from the Chen Village, and it takes only ten minutes to drive, but now Chen HaoXuan drove the car to the limit, and in a short while he arrived. When Chen HaoXuan saw a

DongFeng car parked in the middle of the road not far from the highway, he knew it was the car he had hired as soon as he saw the bamboo in the car.

The friction between the wheels and the ground made an ear-piercing sound, and the car stopped only when it was five meters away. Only Chen HaoXuan, a man from the future, dared to apply the brakes in such a way.

As soon as Chen Hao Xuan's car stopped, Chen Hao Xuan immediately opened the car door and ran out. He saw Chen Yuebin being beaten by a group of people. There were a few villagers from Chen Jia Village on the roadside, who were dumbfounded and saw Chen Yuebin being beaten.

Chen Hao Xuan was not in a hurry to think of other things, he quickly rushed towards Chen Yue Bin, his feet kicked, the whole person soared up in the air, Chen Hao Xuan kicked a gangster in the chest, the gangster didn't have time to cry out and flew backwards quickly, until 10 meters or so before stopping, the gangster didn't stand up because he was kicked unconscious by Chen Hao Xuan.

After Chen Haoxuan kicked the gangster, his body spun in the air, head down, feet up, and he quickly braced himself with his hands and spun his feet in a shape of a line. The gangster who had just ganged up on Chen Yue Bin was swept down several times by Chen Hao Xuan's whirlwind kicks in one fell swoop.

The gangsters surrounding Chen Yue Bin unknowingly gave up a little space and surrounded Chen Hao Xuan and Chen Yue Bin. "Kid, you are Chen Hao Xuan, right? Damn you, you idiot! Knowing we haven't left yet, you dare to come." A tall, big punk in a flowery shirt cursed at Chen Haohuan. His name was Li Kun, and he was a gangster boss with more than a dozen men who lived by stealing chickens, robbing and cheating people. They have a bad reputation in the Pingyuan County area, and no one wants to make friends with them, except for people who are on the street like them.

They had heard that Chen Haorong was a wealthy man, and that his men often went out to buy bamboo, taking tens of thousands with them each time, and driving Dongfeng cars. This was a big attraction for them, the gangsters. So they came to the side of the road to ambush Chen Yue Bin and his men. They parked their car in the middle of the road, and when they saw Chen Yue Bin's car coming, they pretended to be injured and lay down on the road, while the others went to stop Chen Yue Bin's car and asked him for help.

Chen Yue Bin is a kind person, he didn't even think about it, he got out of the car to go to the rescue, but as soon as he got out of the car, he was caught and beaten up.

Whenever Chen went out to buy bamboo, he would call a few villagers from Chenjia Village and ask them to help him load the truck. There were five of them, but they didn't even have the courage to fight back when they encountered a dozen or so vicious thugs. Fortunately, one of the villagers, Chen Zhao, escaped and later asked Chen Hao Xuan for help, otherwise, no one could tell what would happen to Chen Yue Bin and the others.

Chen Hao Xuan didn't seem to hear Li Kun's words, and he was concerned about Chen Yue Bin, who was lying on the ground, and said, "Uncle, are you okay?".

Chen Yue Bin was about to speak, but before he could say anything, he spat out a mouthful of blood.

"My grass." Chen Hao Xuan cursed, he turned his head and roared loudly, "Lin Hao, are you dead or not, if not, give them a hard hateful lesson, I'll be responsible for anything that happens."

Lin Hao and the others were soldiers, but they were not as good as Chen Hao Xuan, and because Chen Hao Xuan just drove too fast, it made them a little car sick, so they were late to get out of the car.

In fact, it was because Chen was so fast that he kicked a gangster unconscious in a few seconds and injured several others, which made Lin Hao and the others look slow.

Lin Hao and the others were in too much of a hurry to bring weapons, and when they heard Chen Haohuan's words, they rushed toward the gang like wolves and tigers.

"Brothers, put them down for me." Li Kun shouted.

His younger brothers all went to fight with Lin Hao, and he stayed behind with a yin smile on his face and said to Chen Hao Xuan, "Little white boy, if you give me one million RMB, I'll let you go, how about it?"

Chen Hao Xuan took out his cell phone and dialed 120.

Li Kun thought Chen wanted to call the police, he hurriedly reached out and tried to grab Chen's cell phone, and Chen swung one hand to punch Li Kun's face, and the other kicked Li Kun's crotch.

"Oh buy that." Li Kun covered his crotch, his penis was kicked by Chen Hao Xuan, and the pain was so intense that he couldn't even scream.

After Chen Hao Xuan called the ambulance, he put his phone back in his pocket, he walked up to Li Kun and said coldly: "Who sent you?" Such things don't usually happen in villagers, so Chen suspected Li Kun of being under someone's orders.

Chapter 79

It took a while for Li Kun to feel better, and he wanted to call out to his brothers to protect him, but when he turned his head to do so, he saw that his brothers were all on the ground, and the man Chen Haoxuan had just brought with him was approaching him step by step. "What are you--what do you want? I'll tell you what, yo! You guys better let me go, or I won't let you go." Li Kun's voice was trembling, he was a gangster, he knew that he had met someone fiercer than him today, and he was afraid that the people Chen Hao Xuan had brought would do him in.

Chen Haoxuan saw Lin Hao and the others coming, so he said to them, "You keep an eye on them, and don't let any of them escape. I'm taking my uncle to the hospital and will be back soon."

"Boss Chen, don't worry, they guarantee that none of them will escape." Lin Hao was firm, they were soldiers, and it wasn't a problem to fight a few at a time, not to mention that there were six of them.

Chen Hao Xuan walked up to Chen Yue Bin and squatted down, wanting to hug Chen Yue Bin. Chen Yuebin waved his hand to Chen Haoxuan, "I'm fine, no need to go to the hospital."

"If anything happens to you, Nana, Auntie and Xiao Feng, they will hate me for the rest of my life." Chen Hao Xuan didn't care about Chen Yuebin's resistance and carried Chen Yuebin to his car.

Chen Hao Xuan discarded the ambulance was too slow, he was worried that something would happen to Chen Yue Bin, for the sake of Chen Yue Bin's safety, Chen Hao Xuan still decided to take Chen Yue Bin to the hospital himself.

Chen Hao Xuan drove all the way to a large hospital in Pingyuan County. Chen Hao Xuan parked his car in front of the hospital, and carried Chen Yue Bin into the hospital. Half an hour later, the doctor gave Chen Hao Xuan a satisfactory answer: there is nothing wrong with Chen Yue Bin, just a little internal bleeding, and there are more serious injuries on his body, these seem to be serious, in fact, a period of time to recuperate at ease, will be fine.

Chen Hao Xuan paid the 10,000 RMB medical fee before leaving the hospital.

When Chen HaoXuan rushed back to the car corner, he saw Lin Hao and the others standing by the side of the road, a row of people kneeling in front of them, those thugs. The other contractor who helped build Chen Haohuan's villa stood off to the side with a hundred or so people, all with weapons in their hands, either pipes or wrenches or something like that.

"Boss Chen, you're back so soon! Uncle Chen, is he okay?" Lin Hao was concerned and asked Chen Haohuan.

"It's fine, it's all minor injuries." Chen Hao Xuan faintly said.

Chen Hao Xuan walked up to Li Kun, without saying a word, he gave Li Kun a kick first, it is not that Chen Hao Xuan is so violent, but he is very angry now, Li Kun robbed his goods - robbed his money, will not make Chen Hao Xuan so angry, Chen Hao Xuan is angry that Li Kun they beat Chen Yuebin like that, Chen Yuebin thanks to nothing, if Chen Yuebin accident, Chen Hao Xuan may make Li Kun and the others disappear in the earth.

Li Kun was kicked over by Chen Hao Xuan, and he was scared and said to Chen Hao Xuan: "Boss Chen, please let me live! I promise I'll never come back to trouble you again." Li Kun now hated Chen Haorong, Chen Haorong actually gave him false information that Chen Haoxuan was a soft and fearful guy, and that he could just scare him and make him hand over all of his possessions.

But the Chen Haoxuan he saw now was not as wretched as Chen Haorong said he would be, as soon as Chen Haoxuan appeared, he kicked and flew one of his brothers, then he kicked and injured several of his brothers, and then he almost made him a eunuch. The six people Chen brought with him were all very skilled, and when he looked at his little brother again, he was already lying on the ground, screaming.

Chen Hao Xuan stepped on Li Kun's face and said coldly, "Say, who told you to rob my people?"

"Yes - it's your brother, your brother told me to come." Li Kun was afraid, and up to this point he was still talking about the morality of the world! Chen Haorong's attitude was so stiff, he was worried that if he didn't say anything, Chen Haorong would stomp on his head.

"Are you talking about Chen Haorong?" Chen Hao Xuan was surprised, he did not expect him to be his brother.

"Yes, it's your own brother, he asked us to rob your men's car, and told us that Chen Yue Bin had a lot of money with him. I've told you everything, so you can let us go now!" Li Kun pleaded.

"Hmph, let you guys go, you're dreaming, I'm going to make you pay." Chen Haoxuan said and turned his head to Lin Hao: "The ambulance I called hasn't arrived yet, right?"

"Hmm." Lin Hao nodded his head and responded.

"The ambulances in Pingyuan County are really fast, but it's good, I've already taken my uncle to the hospital anyway, so I'll find some business for them so they don't come here for nothing! Lin Hao, you

guys come, help me make them suffer. If any of them can stand up in ten minutes, then your bonus for this month will be gone." Chen Hao Xuan said coldly.

"Chen Hao Xuan, Boss Chen, don't! Let's talk about it! Don't be serious. We've learned that we were wrong, so just let us go!" Li Kun pleaded bitterly.

"If I were a defeated warrior, would you kindly let me go? I'm afraid that even if I were to be released, I would still be robbed of all my money. So you don't have the right to plead, because I'm not one of our good guys." Chen Haoxuan said coldly.

Bang bang bang, Lin Hao and the others punched and kicked Li Kun and the others, Li Kun and the others could only lie on the ground, shrinking into a ball and wailing, the losers are always so bitter.

Ten minutes later, Chen Hao Xuan left with his men, Lin Hao and the others were measured, Chen Hao Xuan didn't have to worry about Li Kun and the others dying, plus the ambulance would come later, so there was even less need to worry.

After they returned to the Chen Village, Chen Hao Xuan told Li Ping about Chen Yue Bin's injury and asked Li Ping to go to the hospital to take care of her husband. In addition, Chen Hao Xuan invited some villagers to help him cook the food, and he wanted to treat the people who had just helped him to a drink today.

To thank the foreman and his men for their help, Chen gave each of them 100 RMB as a token of appreciation. As for Lin Hao and the others, just give them a bonus.

Che Bend is a small village, when Chen Hao Xuan and the others were fighting, many villagers in Che Bend saw it, so the news quickly spread to Chen Jia Village. Some of the villagers from Chen Jia Village came back from Pingyuan County and saw Chen Hao Xuan and his men fighting, while others did not see Chen Hao Xuan and his men, but saw more than a dozen thugs lying on the highway.

The villagers were shocked. They thought that Chen Haoxuan was an honest person, because Chen Haoxuan had always been polite and courteous in doing business with them, and he had always

delivered goods with one hand and paid money with the other. They had never thought that Chen HaoXuan would have such a fierce side, bringing more than a hundred people with him to fight.

The villagers were all thinking that it would be better to be polite when they met Chen Haoxuan in the future, or else they would be finished if they provoked him.

If Chen Hao Xuan was really a bad guy, would he pay a high price for their goods? If it weren't for Chen Hao Xuan who brought them a little money, would they be living such a prosperous life now?

Chapter 80

The news of Li Kun's defeat reached Chen Haorong's ears, and he was worried, because Li Kun had just called him and said, "Be careful, when I get well, it's your death." Li Kun didn't say anything after that and hung up the phone.

What's going on? Why did Li Kun say such things to him? Chen Haorong really didn't understand. Li Kun's reputation was very bad, and he was also ruthless, so he was really worried about Li Kun coming to trouble him.

"Do you want to hide? No. If I go out and hide, what about my family, what about my business? It's better to ask for help!" Chen Haorong said to himself, he used to be a gangster and knew a lot of gangsters, he wanted other gangsters to help him put in a good word with Li Kun, so that Li Kun wouldn't be in trouble if he really came to kill him.

Chen Hao Xuan bought all the wine and peanuts from all the small buying departments in Chen Village today, and in the evening, Chen Hao Xuan's house was very crowded, with hundreds of people gathered together to eat, drink and chat. Chen HaoXuan also sang very slutty songs, there are a lot of villagers watching, Chen HaoXuan is very generous, he asked so villagers to eat together.

The next day, Chen gave the purchase of bamboo to his secretary, Miao Yuxiang. For the safety of Miao Yuxiang, Chen asked Miao Yuxiang to answer the phone and inform those who wanted to sell the bamboo that they would not accept the bamboo for the time being and would do so later.

Chen HaoXuan at home began to purchase nice colored water stones, this kind of stone Chen Village river side is very abundant, which made the villagers happily to pick up stones. The first time I saw it, I thought it would be a good idea to buy it, but it was a good idea for me to buy it.

To buy these water stones, Chen HaoXuan needed a lot of change, because this time the whole village was out, children and old people on the shore to pick them up, and adults in the water to pick them up. Some clever people took a shovel to remove the layer of sand on top, so some water stones that had never seen sunlight appeared, and the color of the buried water stones was even better.

Now Chen HaoXuan's house was crowded, a long line of people lined up in front of his house, Chen HaoXuan was too busy to come alone, so he asked Lin Hao, Miao Yuxiang and the others to come and help. He didn't ask for too many water stones, so Lin Hao and the others should be able to get started.

Chen Hao Xuan told Lin Hao and the others that if they came across a very beautiful water stone, or one with a larger volume, they should give it to him and let him appraise it. Those lesser stones, Chen HaoXuan also want, 12 cents a piece, his garden just need to hit the cement road, he does not want to hit, he wants to use the stone to swing a path, so good-looking can also appreciate, and nothing when you take off your shoes in the stone road what to walk, which is good for the human body it!

The villagers of Chenjia Village were all smiling happily today. Everyone of them made a lot of money today, the smallest child could earn ten or so yuan, the largest several hundred yuan. It was much better than plowing the fields, and some of the villagers made money while it was still dark. Some of the villagers went to the river to collect water stones while it was still dark. Chen HaoXuan told them that he would only collect water stones for a few days, and that he might not collect any later, so some of the villagers thought that if they didn't grab the money they earned at this time, it would be difficult to make money later.

After another day, today Chen HaoXuan was still acquiring water stones, and in the morning, twelve-year-old Chen Xiumin suddenly ran up to him and said to him in a delicate voice, "Brother Xuan, I know a very big water stone, do you want it?" Chen Xiumin liked Chen Haoxuan very much, she felt that Chen Haoxuan was very good, so as long as Chen Haoxuan was home, she would often run to play with Chen Haoxuan, or if there was something delicious, she would run to Chen Haoxuan and share it with Chen Haoxuan.

With a smile on his face, Chen Hao Xuan said to Chen Xiumin, "Does his color look good?"

"Well, but I can only see the top a little bit, and I can't see the bottom." Chen Xiumin said in a delicate voice.

The bigger the sculpture, the better, and good sculpture didn't sell for a high price. "Then do you have time to take me there now?"

"Of course, how can I find you if I don't have time! But that place is quite far away." Chen Xiumin said, "The big water stone was discovered by accident when she went out with her mother to work, and it was buried underneath with weeds growing on it, so it's hard to find without looking closer.

"No problem, I'll drive there. You wait for me, I'll go get a shovel." Chen Haoxuan went to the house to get a shovel, and took Chen Xiumin to his car.

Many villagers envied Chen Xiumin, and Chen Hao Xuan drove a million-dollar BMW. How exciting it is to be in a BMW like this!

Chen Xiumin was also very excited, she sat in the passenger seat, and constantly a large number of Chen Haohuan's car, she grew up so big is the first time to ride in a small car!

Chen Haoxuan helped Chen Xiumin fasten her seat belt and smiled, "You point the way, I'll drive."

"Well, Brother Xuan, you can just drive towards Sisters Mountain, the rock is at the foot of Sisters Mountain." Chen Xiumin said in a delicate voice.

"Well, I know." Chen Hao Xuan started the car and drove towards the place Chen Xiumin said.

"Brother Xuan, why don't you live with your family?" Chen Xiumin suddenly asked Chen Haohuan, who was still a child and didn't know about Chen Haohuan's troubled family.

She said, "Because they don't like me, so they don't want me." Chen Hao Xuan smiled faintly. Chen Hao Xuan smiled faintly.

"Ah-, your parents they don't want you? You're so nice and we like you so much, why don't they like you?" Chen Xiumin asked with a curious face.

"You're a child and don't understand, when you grow up, you'll know why." Chen Hao Xuan put out a free hand and gently stroked Chen Xiumin's little head, saying. In fact, Chen Hao Xuan does not want a family, but Li Xin and his family like this, Chen Hao Xuan would rather not, they are really too ruthless to him.

Chen HaoXuan drove Chen Xiumin to the place Chen Xiumin said, Chen Xiumin jumped to a small dirt slope and waved to Chen HaoXuan, saying: "Brother Xuan, this is the place.

Chen Hao Xuan trotted over, he came next to Chen Xiumin, Chen Xiumin squatted down and got rid of the weeds on the ground, a huge water stone appeared in Chen Hao Xuan's line of sight. "Not bad, the color is good, but I don't know how big it is." Chen Hao Xuan.

"Brother Xuan, didn't you bring a shovel with you? You dig and see." Chen Xiumin spoke tenderly to Chen Haohuan.

"Well, I'll try." Chen Hao Xuan picked up the shovel and dug along the water stone edge.

Chen Xiumin was beside her and kept cheering Chen Haohuan: "Brother Xuan, come on, Brother Xuan, come on"
