

A Man Like None Other Novel Chapter 1101 – 1110

Chapter 1101

“How could I lie to Young Master Ning? If Young Master Ning goes and finds out that I lied to you, you can slap me to death...”

Uncle Zhong hurriedly shook his head.

This time, Ning Zhi’s heart was moved. One hour of practice in the tower was equivalent to one day of practice outside. He had never heard of such a thing, and Gu Kaiyuan had never told him.

In this way, Gu Kaiyuan still had reservations about him, and did not tell him all his secrets.

“Okay, I believe you once...”

Ning Zhi nodded, and then led someone to follow Uncle Zhong to the Gu Family Manor!

Soon, when several people arrived, they were stunned by the sight in front of them.

I saw the manor of thousands of acres, which has long been in ruins at this moment, and there is no complete building at all, and there are broken walls and deep pits everywhere.

On the northernmost side of the manor, a tall tower stands, and the old tower exudes a quaint atmosphere.

“Homeowner...”

Uncle Zhong looked at the pile of human-shaped ashes on the ground and immediately realized that it was Gu Kaiyuan!

After all, after being with Gu Kaiyuan for so many years, he can recognize it even if it turns into ashes!

“It seems that we are late, then David killed your master and escaped...”

Ning Zhi said, but his eyes were constantly scanning on the Demon Suppression Tower.

At the first sight of the town magic tower, Ning Zhi was attracted by the quaint atmosphere of the town magic tower!

“Young Master Ning, you have to avenge our Patriarch...”

Uncle Zhong was in tears, and no one would have thought that when he left Gu Kaiyuan and fled just now, he didn't hesitate at all.

“Don't worry, I want to see if what you said is true first.”

Ning Zhi said it, and walked directly into the town magic tower.

Inside the tower, the rich aura was constantly invading Ning Zhi's body, causing Ning Zhi's blood to boil!

Unconsciously, Ning Zhi sat cross-legged, and the energy in his dantian began to run fast!

It also felt that after an hour, Ning Zhi felt that his whole body was full of power!

“Hahaha, it really is a pagoda. Gu Kaiyuan, this guy, has such a good thing? He even hid it by himself...”

Ning Zhi walked out of the tower, but found that it was already dark.

Ning Zhi was stunned for a moment, then looked at his subordinate and said, “How long have I been in?”

“Master, you’ve been in for a day!”

The next man said.

“One day?” Ning Zhi was shocked, he didn’t expect this to be true.

No wonder his body is full of strength. It turns out that he practiced for a day, not an hour, but he clearly felt that it passed quickly, and the time in the tower was very short.

“Young Master Ning, I lied to you beautifully. After seeing our Patriarch’s death, there is no need to activate the Magic Tower, it has already started by itself.”

Uncle Zhong said quickly.

“Hahaha...hahaha...”

Ning Zhi frantically raised his head and laughed, his eyes exuding frenzy!

“You did a good job. Since Gu Kaiyuan is dead, then this place has become a land without owners. I will invest in you, and you can rebuild this place. In the future, this place will be the affiliated family of my Ning family...”

Ning Zhi said to Uncle Zhong.

When Uncle Zhong heard this, he hurriedly knelt down, and repeatedly kowtowed his thanks: "This old man is willing to go through fire and water for Ning Gongzi..."

"You guys keep me outside, I'm going to retreat, I believe it won't be long before I can reach the peak of Wuzong, and even reach the strength of half-step Wuhou, and when I truly break through the realm of Wuhou, the entire Kyoto The younger generation, I am the only one, Long Xiao is still a piece of sh!t..."

Ning Zhi's face was full of excitement and grimness. He was looking forward to the near future, standing at the highest point of the younger generation in Kyoto, enjoying the praise from all directions.

Soon, Ning Zhi began to retreat, and breaths surrounded Ning Zhi, and bursts of red light flashed on Ning Zhi's forehead...

Chapter 1102

.....

Kyoto, Dharma Protector Pavilion!

David has returned to Kyoto with Gu Linger.

After Zao Wou-Ki knew that David had returned to the capital, he immediately called David to the Dharma Protector Pavilion!

"Mr. Chen, you have to pay attention. The killers of the Watanabe family from the island country have already entered the country. We don't know how many people there are and what their strengths are. Their eyes are on you."

Zhao Wuji said solemnly.

“The killer has entered the country? Didn’t Mr. Shi personally handle this matter, keeping those killers out of the border?”

David looked surprised.

At that time, Zao Wou-Ki also said, don’t let yourself worry, Mr. Shi has gone out in person, and those killers will definitely not be able to enter the country.

“Hey...”

Zao Wou-Ki sighed: “Don’t mention it, the Watanabe family is extremely cunning and has sent more than one wave of killers. The reason why they spread the news that they want to kill you is to attract our attention.”

“The news I know now is that the killers have already entered the country. Now we don’t know where the killers are hiding, but this time the killers entered the country. It can be seen that there were people who responded internally. Otherwise, these killers would not have been so easy to enter the territory of.”

“Who is so bold? Dare to commit treason?”

David was startled, no matter how strong he was, if he wanted to do such a treasonous thing, he could imagine what would happen.

Zao Wou-Ki glanced at David and shook his head: "I don't know, but the person who responded must have a grudge against you. After all, these killers are here to assassinate you, and their goal is very clear, so the person who responded is also I definitely want you to die..."

"Is it the Long Family? Or the Martial Arts Alliance? Or another family?"

David couldn't think of it either. After all, he had offended a lot of people, and even more people wanted his life.

Especially this time, David exposed the power of the dragon. Those sect families knew that Longjing had such power, and they must have wanted it.

It's just that Mr. Shi is obviously protecting David. When Bi Lei was added, the four villains suddenly appeared and helped David. This made many martial arts families unable to guess David's true strength and identity, so they have just worry about it.

"Mr. Chen, it doesn't matter who is responding now. The most urgent thing is to find a place to hide for now. Mr. Shi has issued an order to strictly investigate these killers who enter the country."

Zao Wou-Ki persuaded David.

"Okay, I should also find a place to retreat..."

David needs to retreat to improve his strength. Both his mother and Sonya are suffering. He needs to improve his strength as soon as possible to save them.

"Mr. Chen, otherwise you will stay in the Dharma Protector Pavilion. I think those killers are too daring to enter the Dharma Guardian Pavilion to kill!"

Zhao Wuji said.

“No, Uncle Long and the others must be worried about me. I go to Yaoshen Valley, and if they are there, those killers won’t be able to find it...”

David intends to go to Yaoshen Valley. One is that Yaoshen Valley is hidden, and the other is to meet Long Wu and follow Long Wu to report safety.

Moreover, Xiaolan and Wu Meier are also in Medicine God Valley, so Gu Linger can still have a company!

After saying goodbye to Zao Wou-Ki, David took Gu Linger to Wuying Mountain Villa.

If David wants to retreat, he has to tell Zhao Liguó about some things.

Now the power of Shadowless Villa is much stronger, but David is not satisfied.

In today’s society where force is king, David must develop his own power.

David rushed to Wuying Mountain Villa. When Zhao Liguó knew from David that the Valley of the Wicked was actually a hall of Dragon Sect, his shocked expression could swallow an egg.

After explaining Zhao Liguó, David and Gu Linger went straight to Yaoshen Valley and began to retreat.

Chapter 1103

Kyoto Budo Alliance!

In front of Zhu Zhishan stood five island warriors in kimonos and katana swords!

These five people are the killers sent by the Watanabe family!

Everyone's strength is above the eighth-rank Martial Sect, and everyone's face is grim!

"Leader, these are the people sent by the Watanabe family, but in the past few days, there has been no news of David, and I don't dare to let them walk around at will. The Dharma Protector Pavilion has decent people looking for them!"

Guo Wei said to Zhu Zhishan.

Zhu Zhishan looked at the five killers sent by the Watanabe family, and the corner of his mouth suddenly raised a touch of disdain.

"I heard that the Watanabe family is a famous family in the island country, and they sent five powerful killers. Could it be that the Watanabe family has such strength?"

Zhu Zhishan didn't think that five killers who were only above the eighth-rank Wuzong could kill David.

Although the eighth-rank Wuzong is only one step away from the peak of Wuzong, the cultivation path, in this small realm, is very different in strength!

The peak of Wuzong is also one step behind the half-step Wuhou, but the strength is very different.

And half-step Wuhou stepped into the realm of Wuhou, then it reached another level.

As a Marquis of Wu, he already has the strength to establish a sect in Kyoto.

“idiot...”

Suddenly, one of the samurai glared at Zhu Zhishan: “Our Watanabe clan’s masters are like clouds, we just killed a small Daxia person, we don’t need to send our clan masters...”

Snapped...

Zhu Zhishan waved his hand, and instantly a burst of energy swept the warrior’s face!

The samurai was directly swept away.

“Damn, if it wasn’t for me, you guys would have been fcuking prisoners long ago, how dare you fight me?”

Zhu Zhishan’s face was gloomy.

There are just a few rank eight Wuzong warriors, but Zhu Zhishan is not used to them.

Then the samurai who was slapped could only glared at Zhu Zhishan, not daring to say anything!

Zhu Zhishan slapped, obviously letting them know the strength of Zhu Zhishan.

“I wish the alliance leader, they are all servants, why are you so arrogant...”

At this time, Nagamura Masao walked in with a faint smile on his face.

Seeing Nagamura Masao, Zhu Zhishan showed a smile: "Ambassador Nagamura, these warriors in your island country are not very strong, but their tempers are not small. They dare to gossip with anyone..."

"Hahaha, I wish the leader of the alliance not to care about it, I will naturally teach them a lesson when I go back..."

Nagamura Masao laughed.

"Mr. Ambassador..."

When the five island warriors saw Nagamura Masao, they hurriedly bowed respectfully.

Snapped!

Nagamura Masao slapped the samurai who was disrespecting Zhu Zhishan just now!

"I tell you, in the island country, I don't care how rampant your Watanabe family is, but this is Daxia. If you want to survive, please calm down a little bit. Don't leave your life here before the task is completed."

Masao Nagamura scolded loudly with a cold face.

The few island warriors did not dare to breathe. Even if the Watanabe family was arrogant, they did not dare to follow the official, and Nagamura Masao was the official representative of the island.

"Hi!"

Several samurai answered quickly.

“Ambassador Nagamura, you don’t have to teach them a lesson in front of me. I have finished the things you entrusted to me, and now you can take them away...”

Zhu Zhishan took a lot of risk to sneak these killers into the territory, and now these people are hot yam.

After Masao Nagamura took these people away, Zhu Zhishan could feel more at ease.

“I wish the leader, where is David now? I hope the leader will pay more attention. The leader also wants to kill that David, doesn’t he?”

Nagamura Masao smiled slightly towards Zhu Zhishan.

Zhu Zhishan waved his hand: “Then where is David, how can I know, you can check it yourself...”

Chapter 1104

“I wish you all the best, I hope you’d better help me. If you let me check it myself, let the people in the Protector Pavilion know, and arrest a few of them, if they are tortured to extort confessions, I can’t guarantee whether they will take you or not. Give it out...”

Nagamura Masao had a smile on his face, but there was a strong sense of threat in his tone.

Zhu Zhishan’s face instantly turned cold, and he frowned tightly: “You threaten me?”

“No, no, I wish the leader misunderstood me, I just kindly reminded you...”

Masao Nagamura always had a smile on his face.

Zhu Zhishan did not speak, and looked at Nagamura Masao coldly, but he knew that he was caught by Nagamura Masao.

After a while, Zhu Zhishan said slowly: "I will send someone to check, I believe it will take a few days to know where David is..."

"Then many thanks to the leader..." Nagamura Masao bowed his hands!

"But let me remind you that these killers you sent are just a joke. They may not be able to kill that David..."

Zhu Zhishan reminded.

"There is no need to worry about it. Although the five of them are not strong, when the five of them join forces, even a peak Wuzong like Director Guo is not necessarily an opponent."

Masao Nagamura looked confident.

"Well, that's good!" Zhu Zhishan nodded.

Zhu Zhishan knows that some people are not very strong, but they know how to combine attacks. As long as they are united together, their strength will increase exponentially.

Since the Watanabe family will send these five people, there must be their brilliance!

...

Kyoto Dragon House!

Long Xiao's defeat in the battle brought the Long family a complete disgrace, and also made Long Xiao, the most talented person of the younger generation, the laughing stock of everyone.

You must know that the Long family has many affiliated families all over the place!

After Long Xiao was defeated, many affiliated families announced their separation from the Long family, and the market value of the Long family in the business world also evaporated a lot in an instant.

"Damn David, I will make him pay the price sooner or later..."

Looking at the seriously injured Long Xiao, Long Jingguo gritted his teeth and his eyes were full of anger!

"Patriarch, Master Dingchan is here..."

Long Xingxu walked in and said to Long Jingguo.

"Please come in..."

When Long Jingguo heard this, he hurriedly stood up to greet him!

At this time, Master Dingchan walked in in a hurry, and when he saw Long Xiao lying on the bed, his eyes burst out with anger!

“Dare to hurt my disciple so badly, it’s just damn...”

Master Dingchan said, walked to the bed and sat beside Long Xiao.

“Master...”

Seeing Master Dingchan coming, Long Xiao burst into tears.

Long Xiao could still bear the pain on his body, but it was too embarrassing, he couldn’t afford to lose this person!

“Teacher, you don’t need to cry, I’ll check your body when the teacher...”

Master Dingchan grabbed Long Xiao’s wrist, and a force of energy penetrated into Long Xiao’s body.

After a while, Master Dingchan’s face became very ugly.

“It’s so vicious, it actually shattered all Long Xiao’s bones, this David is just damn...”

Master Dingchan gritted his teeth and said viciously.

“Master Dingchan, do you have any panacea to help Xiaoer get better as soon as possible?”

Long Jingguo hurriedly asked.

“In this situation, I’m afraid I can only ask people from Yaoshengu to take action. After all, they are experts in this area...”

Dingchan said.

As soon as he heard the Medicine God Valley, Long Jingguo’s expression became difficult to look at.

Compared to him, Yaoshengu is obviously standing in David’s team. Although he doesn’t know what the relationship between David and Yaoshengu is, it can be seen that Yaoshengu attaches great importance to David.

Now let them go to Yaoshengu to invite people, I am afraid that the people from Yaoshengu will not come.

Chapter 1105

“What? Your Long family can’t even invite people from Medicine God Valley?”

Seeing Long Jingguo’s ugly face, Master Dingchan asked.

“Hey, I’m not satisfied with Master Dingchan, we invited the people from Yaoshengu, but Yaoshengu did not refuse, but this time I’m afraid it will be difficult, that Yaoshengu doesn’t know what it has to do with David, this time Bi Lei actually stood David’s team.”

“If we go to Yaoshen Valley to invite people now, wouldn’t it be boring to ask ourselves?”

Long Jingguo sighed and said helplessly.

“Is there such a thing?”

Master Dingchan frowned slightly, but then said, "If that's the case, then I'll go there in person. No matter what the relationship between Yaoshengu and David is, I believe it will always give me some face."

"Thank you very much, Master Dingchan. How could Yaoshengu not give face when Master Dingchan came forward..."

Long Jingguo said excitedly.

Master Dingchan left after saying a few words to Long Xiao.

After Master Dingchan walked back, Long Jingguo looked at Long Xingxu and asked, "Have those killers of the Watanabe family already entered the country?"

Long Xingxu nodded: "Yes, I'm already in Kyoto. The Dharma Protector Pavilion has been looking for these killers everywhere for the past two days. I heard that Mr. Shi was very angry, and he was secretly tracking who brought these killers in."

"Hmph, it still needs to be checked. It must be the Martial Arts Alliance who came in. Zhu Zhishan wants David's life most."

Long Jingguo snorted coldly.

"But the head of the family, there have been some rumors recently, saying that our Long family secretly colluded with the Watanabe family and secretly brought in those killers in order to kill David and avenge the eldest young master..."

Long Xingxu said.

“fcuk!” Long Jingguo scolded angrily: “I want to kill that David, why use the killer of the Watanabe family, is there no one in our Long family? Only Zhu Zhishan and the others, for the reputation of sh!t, so to do such a thing...”

However, despite the scolding, Long Jingguo was still worried that such rumors would make the government focus on him.

After all, this kind of thing is not a joke. If evidence is caught, it may be fatal!

“You made a statement for our Long family on the martial arts forum, severely condemning the collusion with the island country killer, and sent someone to inquire about David’s movements. After knowing his whereabouts, let the wind out...”

Long Jingguo continued to speak to Long Xingxu.

If those island country killers could really kill David, Long Jingguo would not have to send someone to do it himself. The last time he sent a few guardians, there was no news after that, and it was obvious that he was killed by David.

“Yes!” Long Xingxu nodded.

“Go get my tiger tendon whip...”

Long Jingguo ordered.

Long Xingxu nodded, he knew that Long Jingguo wanted a tiger tendon whip, and he must have vented his anger at Long Ruotong.

David is Long Ruotong's son. Now that David has beaten Long Xiao like this, Long Jingguo can only vent his anger at his sister.

Soon, Long Xingxu took the tiger tendon whip and followed Long Jingguo to the dungeon of the Long family!

In the dimly lit dungeon, Long Ruotong sat there dumbfounded. If it wasn't for David's concern in her heart, she might not be able to last for so many years.

She didn't want to die, and she never saw her son!

This is also the reason why Butler Long took the risk and told Long Ruotong the news of David. He just hoped that Long Ruotong could persevere.

As long as you keep at it, there is hope...

The door of the dungeon was opened, Long Jingguo walked in slowly, Long Xingxu followed behind with a tiger tendon whip, not daring to look directly at Long Ruotong!

Long Ruotong was imprisoned here. Few people in the entire Long family knew about it. Long Xingxu was regarded as the younger generation of the Long family. Inside the dungeon.

Chapter 1106

Outsiders don't even know about the Long family. After all, this kind of thing is not a glorious thing.

Poisoning his own father and imprisoning his own younger sister would be insulted and ridiculed, so Long Jingguo kept it a secret.

Of course, there is another reason for concealment, and that is the secret he has always wanted to know. As for what this secret is, Long Xingxu does not know, and it is estimated that only Long Jingguo and Long Ruotong know it.

Seeing that Long Jingguo came with a tiger tendon whip, Long Ruotong instantly understood something, got up slowly, and his face was full of indifference!

For more than 20 years, she has experienced everything she should have experienced, and nothing can make her change again!

Looking at Long Ruotong's indifferent appearance, Long Jingguo became even more angry, took the tiger tendon whip, and beat Long Ruotong fiercely.

A bloody wound appeared in an instant, shocking.

However, the expression on Long Ruotong's face did not change in the slightest, and he did not even frown, as if the whip was not on him.

"Your goddamn wild son is so talented that he actually injured Xiao'er. Sooner or later, I will catch him and reunite you mother and son..."

Long Jingguo gritted his teeth, and the tiger tendon whip in his hand was whipping fiercely!

When she heard Long Jingguo mention her son, Long Ruotong's face changed slightly. She wanted to ask how her son was.

But in the end she didn't open her mouth, she knew that even if she asked, she would not get anything from Long Jingguo's mouth.

Long Jingguo beat Long Ruotong to let out his anger, while Long Xingxu took out his mobile phone and quietly recorded the video!

Long Xingxu's forehead was covered in cold sweat, and his hands were shaking slightly. He was desperate, if Long Jingguo knew that he was recording, he would definitely kill him on the spot.

However, Long Xingxu took the risk and secretly videotaped, and the reason why he did so had his own plans.

Long Xingxu knew it would be difficult if he quietly took away the position of Lord Longjing by his strength, and he might never have a chance in his life!

So he needs helpers who can help him destroy Long Jingguo and his son.

After Long Jingguo beat Long Ruotong fiercely, he let out a breath, threw the tiger tendon whip in his hand to Long Xingxu, and walked out of the dungeon.

Long Xingxu also hurriedly followed.

Long Ruotong, who was covered in scars, sat down slowly. It took a long time for these injuries to heal slowly.

Here, all of Long Ruotong's strength is limited, just an ordinary person. It will take a long time for all these injuries to heal...

After walking out of the dungeon, Long Xingxu left, but just after walking out of Long's house, he sent out the recorded video.

He recorded this video and wanted to send it to David. Only in this way would it irritate David even more and make David follow Long Jingguo and his son forever. It would be better if he could kill Long Jingguo and his son!

It's just that Long Xingxu didn't know David's contact information, so this video was sent to Long Wu. After all, Long Wu used to be from the Long family, and he also knew Long Xingxu.

Long Xingxu knew that Long Wu would definitely be able to contact David. When David saw this video, he would definitely be furious!

However, in doing so, Long Xingxu also took a great risk. If this video spread to Long Jingguo, he would know without guessing that this video must have been recorded by Long Xingxu.

But risks and opportunities are equal, and Long Xingxu can't wait...

At this time, Long Wu, who was hundreds of miles away, was walking in the Medicine God Valley. During the period of cultivation here, Long Wu completely fell in love with it.

The air here is good, the scenery is good, and there are many ordinary people living ordinary lives.

There is no intrigue here, there is no fighting here, there is no blood here, it is simply a paradise!

Chapter 1107

Long Wu, who was walking, suddenly rang his mobile phone, so he took out his mobile phone and looked at it strangely.

During his time in Medicine God Valley, no one has contacted him!

"Uncle Long, who sent you a message? Could it be a spam message?"

Wu Meier asked aside.

During this time, she has been walking with Long Wu. After all, Wu Mei'er doesn't need to practice, while Xiao Lan is trying her best to practice every day. In the entire Yaoshen Valley, whenever Xu Changsheng and the others practice any good medicine pills, Xiaolan will be the first. Let's go and eat!

Xu Changsheng and the others have no way to take Xiaolan. In their eyes, Xiaolan is David's woman, and David is the owner of the valley, so Xiaolan is naturally the wife of the valley owner of Yaoshen Valley!

"Who knows..."

Long Wu said and opened the message.

When the video jumped out, Long Wu was stunned.

When he looked at the picture, Long Ruotong was severely beaten, his body trembled involuntarily, and the anger in his eyes rose.

If Long Wu didn't lose his strength now, he would kill the Long family without hesitation!

Even if you risk your own life, you must have a good toss in the Long family!

"Uncle Long, what's wrong?"

Seeing that Long Wu's expression was a bit wrong, Wu Mei'er hurriedly asked.

“Oh it’s all right…”

Long Wu hurriedly put away the phone.

He didn’t want to let others know, and even more did not want David to know. If David knew, he would definitely be furious and kill the Long family recklessly. Even if David had three heads and six arms, he would not be able to escape from the Long family!

The Long family has a profound background, and the elders are all at the peak of Wuzong, not to mention Long Jingguo himself. Now no one knows what strength Long Jingguo has reached.

Wu Mei’er looked at Long Wu strangely, but did not ask any more, but stepped forward and gently supported the trembling Long Wu!

At this moment, David, who was in retreat in the room, suddenly opened his eyes, and David’s forehead was covered in cold sweat!

He was soaked all over. When he was cultivating, this had never happened before!

I don’t know why, but at this moment, David felt that his heart was tightly tugged together, as if he was being pulled by something!

“How is this going?”

David frowned, his face a little bad!

He wanted to immerse himself in cultivation, but he couldn’t calm down.

Slowly getting up, David walked out of the door, he wanted to calm down.

At the same time, in Taniguchi of Yaoshen Valley, Yu Dongzheng led people to guard Taniguchi.

A man wearing a Taoist robe and walking fast approached quickly!

“Who? This is Medicine God Valley, outsiders are not allowed to enter...”

Seeing the person coming, Yu Dong hurriedly shouted to stop!

“I am Master Dingchan, who came to the Medicine God Valley to seek medicine and ask for medicine...”

The person who came was Master Dingchan, Long Xiao’s master. In order for Long Xiao to recover as soon as possible, he could only come to Yaoshen Valley in person.

Hearing that it was Master Dingchan, Yu Dong immediately became extremely respectful.

“It turned out to be Master Dingchan, please wait later, I will invite the elders out immediately...”

After Yu Dong finished speaking, he hurriedly turned around and ran towards Yaoshen Valley.

Master Dingchan found a big rock and sat down to rest!

Looking for it all the way, Master Dingchan has not stopped for the sake of speed.

It could be seen that he was very concerned about Long Xiao, and he almost regarded Long Xiao as his son.

Soon, Xu Changsheng came in a hurry, and after seeing Master Dingchan, he hurried forward: “Master Dingchan, what do you need, why do you need to run by yourself, and instruct the servants to let me know, I will give Master Chan to send it directly. already.”

Master Dingchan chuckled. For Xu Changsheng’s attitude, Master Dingchan was very happy.

“Elder Xu, one of my disciples was severely injured and his bones were completely broken, so I came here specially, I hope you have some panacea in Medicine God Valley, so that my disciple can recover...”

Ding Chan asked.

Chapter 1108

“The injury is so serious?” Xu Changsheng was stunned for a moment, but then he said: “But it’s not that there is no way to heal, just use the black jade ointment intermittently, within ten days, Master Dingchan’s apprentice will definitely be safe... ..”

“Really?” Master Dingchan was overjoyed: “If that’s the case, then ask Elder Xu to help me get some black jade ointment. As for the price, Elder Xu can ask for as much as he wants.”

“Master Dingchan, this is not a question of money, because this black jade is intermittent, only our Valley Master can refine it, so it will take some time.”

Xu Changsheng explained.

“Then ask Elder Xu to explain to you Gu Master as soon as possible, if this time I can really heal my disciple, not only do I owe you Yaoshengu’s favor, I believe the Long family will also thank you very much.”

Dingchan said.

But just after Master Dingchan finished speaking, Xu Changsheng’s expression suddenly changed.

“The person that Master Dingchan wants to see a doctor will not be Long Xiao of the Long family, right?”

Xu Changsheng asked.

“That’s right, that Long Xiao is my disciple. This time, he was beaten seriously by David, so he needs your Yaoshengu’s help, but I know that your Yaoshengu and David also seem to have some relationship...”

Master Ding Chan said lightly and directly admitted.

“If that’s the case, then I’m sorry, Master Dingchan, please come back...”

After Xu Changsheng finished speaking, he turned around and thought about walking inside the Medicine God Valley.

This time, Master Dingchan was stunned, and then a momentum burst out from his body, and then directly blocked Xu Changsheng’s way.

“Elder Xu, what do you mean?”

Master Ding Chan asked with a cold face.

“Our Medicine God Valley will not treat the people of the Long family, especially that Long Xiao...”

Xu Changsheng said with an expressionless face.

“Why? Could it be that your Yaoshengu and the Long family have a holiday? If there is any misunderstanding between the Yaoshengu and the Long family, I can help to make peace and let the Long family apologize...”

Master Dingchan still didn't understand why Xu Changsheng hated the Long family so much!

“Master Dingchan doesn't need to say any more, you should go back. We can't see Long Xiao's illness...”

Xu Changsheng has a tough attitude, and there is no room for negotiation at all.

“What if I must let you see?”

Master Dingchan's face turned cold, followed by a tyrannical aura that enveloped Xu Changsheng.

Facing Master Ding Chan, Xu Changsheng had no power to fight back, so he didn't plan to struggle.

“Even if you kill me, or even kill everyone in our Yaoshen Valley, we won't treat Long Xiao...”

Xu Changsheng said calmly.

At this time, many people in Yaoshengu had already rushed out, and they all surrounded Master Dingchan.

Master Dingchan did not panic at all, but stretched out his hand and stuck it directly on Xu Changsheng's neck.

"Believe it or not, I can send you to hell right now?"

Master Dingchan's eyes narrowed slightly, and his body was full of killing intent.

Xu Changsheng closed his eyes slightly and said nothing.

Seeing this scene, Master Dingchan was about to die of anger, gritted his teeth and said, "I'm asking you again, do you want to see a doctor for Long Xiao?"

"Don't look!" Xu Changsheng said decisively.

"If you don't look, I will kill you..."

Master Dingchan suddenly exerted force in his hands, causing Xu Changsheng to breathe quickly and his face changed.

"Damn, dare to go wild in my Medicine God Valley..."

At this moment, a sharp sword qi suddenly struck, directly slashing at Master Ding Chan's arm.

Master Dingchan was startled, let go of Xu Changsheng, and retreated abruptly.

“Valley Lord...”

Seeing that David was coming, all the people in Yaoshengu shouted in unison.

And Master Dingchan frowned: “Are you the Valley Master of Medicine God Valley?”

He did not expect that the Yaoshengu Valley Master was so young, which was a bit unexpected!

Chapter 1109

“You old man, you have an attitude of asking for help. Are you relying on your own strength to deceive me that there is no one in Yaoshen Valley?”

David stared at Master Dingchan and said in a cold voice.

Master Dingchan gritted his teeth, but in the end he held back his anger, but clasped his fist at David and said: “Gu master, I invite you people from Medicine God Valley to save my apprentice, as long as you medicine God Valley is willing to take action, the conditions are arbitrary. You mention it!”

“Bah, even if you give Laozi Jinshan Yinshan, Laozi will not heal that Long Xiao. He was injured by me. Do you think I will go to heal him?”

David smiled coldly.

Master Dingchan was stunned and looked at David in disbelief: “You... are you David?”

“Yes, I am David Chen!”

David nodded.

This time, Master Dingchan was even more confused. He never imagined that David would be the valley owner of Yaoshen Valley.

how can that be?

“How can you be the valley owner of Medicine God Valley?”

Master Dingchan turned his attention to Xu Changsheng. Although Master Dingchan had never met the Master of Medicine God Valley, he had dealt with Xu Changsheng.

“You don’t need to look at me, this is the valley owner of our Yaoshen Valley like a fake...”

Xu Changsheng pointed at David.

Seeing Xu Changsheng saying this, Master Dingchan couldn’t help but look at David in disbelief.

Finally gritted his teeth: “Boy, you hurt my apprentice, I will avenge this revenge sooner or later. I can heal my apprentice’s injury without your Medicine God Valley...”

After Master Dingchan gave David a vicious look, he left angrily.

After Master Dingchan left, Xu Changsheng was a little worried: “Gu Master, let this guy go, then your whereabouts in Medicine God Valley will be exposed, maybe someone will hurt you...”

“The soldiers will block the water and cover the soil, not to mention that with our current strength, I’m afraid we won’t be able to keep this guy...”

David could feel that this Master Dingchan was very powerful.

Xu Changsheng didn’t speak, and he knew that David was right. Even if they all started together in Medicine God Valley, if they wanted to keep Master Dingchan, they would have to pay a heavy price.

“David, what happened just now?”

At this time, Long Wu came over accompanied by Wu Meier.

Then Gu Linger and Xiaolan also came.

“Uncle Long, it was Long Xiao’s master who came to the Medicine God Valley to ask for medicine, but I drove him away...”

David said truthfully.

“That Master Dingchan?” Long Wu’s face was slightly startled: “It seems that you will not be able to hide in Medicine God Valley for a long time in the future. Why did you suddenly wake up after practicing in seclusion?”

“I don’t know either!” David shook his head dazedly: “When I was cultivating, I suddenly felt a heart-wrenching pain, and then the whole person was not well, I wanted to calm down, but I couldn’t calm down...”

When Long Wu heard it, he instantly thought of the video he had just received. David must have been connected with his mother and son. His mother was beaten, and David also felt it!

However, Long Wu did not show the video to David. With David's current strength, he is not enough to compete with the Long family. However, with David's character, if he saw his mother being beaten, he would definitely kill him. Dragon's.

After Master Dingchan left, Yaoshen Valley became quiet again, and David went back to retreat again, trying his best to calm down.

Long Wu, on the other hand, was very worried. He locked himself in the room for several days, and stopped walking.

Three days later!

Medicine God Valley welcomes five uninvited guests!

Five island warriors with samurai swords stood coldly at the entrance of Yaoshen Valley.

"That David is actually hidden here, really hidden..."

Kawashima Hiroichi, the leader of the five island warriors, looked at the Yaoshen Valley in front of him and said lightly.

Chapter 1110

"Brother, the environment here is beautiful, and there is a strong fragrance of medicine. I heard that there are a lot of medicinal herbs here. This time we can make a fortune."

Kawashima Hiroji laughed.

Kawashima Hiroshi nodded: "Our five brothers, this trip is not worth it this time. If there is something good for a while, just take it."

"Hahaha, I want to see if there are any beautiful flower girls here..."

Kawashima Hiroshi's eyes gleamed brightly, but in his eyes there were only women.

Soon, the terrifying aura of the five people shrouded the Yaoshen Valley in an instant.

After Xu Changsheng, who was concocting pills, felt this breath, his face changed suddenly, and then he rushed towards Taniguchi.

Gu Linger and Xiao Lan, who were practicing the exercises, also flashed their bodies and rushed towards Taniguchi!

The horror of these breaths made them all change their faces?!

"Who are you? This is Medicine God Valley, outsiders are not allowed to enter..."

At the mouth of Yaoshengu Valley, two Yaoshengu disciples stopped the five island warriors.

"idiot..."

Kawashima Koji stepped forward and cursed angrily, and then the samurai sword came out of the body!

I saw a flash of cold light.

The two Medicine God Valley disciples didn't even have time to react, a thin bloodstain on their necks, and then fell to the ground.

The five warriors stepped into the Medicine God Valley, but Xu Changsheng soon brought people over, blocking the way of the five people!

Looking at the two Medicine God Valley disciples who died tragically at the door, Xu Changsheng frowned and asked with cold eyes, "Who are you guys? Trespassed into my Medicine God Valley and killed my Medicine God Valley disciple?"

Hiroshi Kawashima glanced at Xu Changsheng, and then asked, "Is David here? Tell him to get out..."

Seeing that Kawashima Hiroshi went to David as soon as they met, Xu Changsheng seemed to have guessed the identities of these people.

Wearing a samurai uniform from the island country, holding a samurai sword, and looking for David as soon as they met, it must be a killer from the island country who killed David.

"Our Valley Master is not here, what do you have to do with him?"

Xu Changsheng pretended to be confused.

"Stop the fucking pretence..."

When Kawashima Hiroshi saw Xu Changsheng saying that David was not there, he swung his palm out, followed by a huge burst of energy.

Xu Changsheng's expression changed, and he hurriedly resisted with luck, but after all, there was a huge gap in strength, and this palm from Kawashima Koichi directly sent Xu Changsheng flying backwards.

Seeing this, everyone in Yaoshengu hurriedly surrounded all five of them.

But the five people didn't panic at all, and even had a bit of sneer on their faces!

"Elder Xu..."

At this time, Gu Linger and Xiaolan also arrived.

Seeing the sudden appearance of Gu Linger and Xiaolan, Kawashima Hiroshi's eyes instantly straightened.

"flower girl..."

Kawashima Hiroshi almost came out.

Gu Linger looked at the five island warriors, she knew that these people must have come to kill David.

So he glared at a few people: "You few island country ronin, you dare to come to Daxia to be wild..."

"idiot..."

When Kawashima Hiroji heard that Gu Linger called them ronin, he was suddenly unhappy, the samurai sword came out of his body!

“Second brother...” Kawashima Hiroshi hurriedly stopped Kawashima Hiroshi: “For little girls, you must know how to pity the fragrance and cherish the jade, don’t use the knife, if you hurt their beautiful faces, it will be a waste...”

“The third one, if you go on like this, you will die on a woman sooner or later...”

Kawashima Hiroshi glared at Kawashima Hiroshi, and then put the knife back.

“You two give me back...”

Kawashima Hiroichi said coldly.

Kawashima Hiroshi and Kawashima Hiroshi all retreated obediently, while Kawashima Hiroshi looked at Xu Changsheng: “You’d better let David come out and die, and I will do something to you...”

“Our Valley Master is not here, he is not here...”

Xu Changsheng said in a deep voice.

“Hmph, don’t eat and drink fine for a toast...”

Kawashima Hiroichi snorted coldly, followed by a flash, and instantly came to Xu Changsheng.
