

A Man Like None Other Chapter 1191 – 1200

Chapter 1191

Ning Zhi suddenly waved the long sword in his hand!

The blade of the sword slid across the throats of the three servants.

The three of them didn't even have a chance to make a sound, so they fell straight down.

Looking at the three dead, Ning Zhi wiped the blood on the sword.

“Don't blame me, I don't want anyone to know about this, so only the dead will keep it a secret...”

After Ning Zhi finished speaking, he dragged his injured body and rushed back to the Ning family!

The reason why he killed all the servants of his own family was to get rid of the things that framed David.

No one will know except him.

When Ning Zhi returned home, he didn't stop, and sent someone to collect the bodies of Luo Xiang and those of the Luo family's servants. He personally drove the bodies to the Luo family.

...

The next day, after David followed Gu Linger's reluctant farewell, he followed Long Wu to the Valley of the Wicked.

Xu Changsheng sent someone to go with Long Wu, because Long Wu is an ordinary person now, without any skill.

When they arrived at the Valley of the Wicked, Long Wu had to rush back. Xu Changsheng was afraid that Long Wu would be in danger.

The Valley of the Wicked, in the gap between two mountains.

From a distance, it looks like a thin line of sky, very small.

But when you walk in, you will find that the space is very large, and there are many natural stone caves.

The environment in the Valley of the Wicked is much worse than that in the Valley of the Medicine Gods, and most people live in caves.

David and the others have been walking for three days, and only then did they reach the boundary of the Valley of the Wicked!

On the other side, Ning Zhi had already rushed to Luo's house with Luo Xiang's body!

You must know that in Mobei, the Luo family is also one of the largest families.

As the head of the family, Luo Jinyou has reached the strength of Marquis Wu.

However, Luo Jinyou is a martial idiot. Even if his strength is invincible in Mobei, Luo Jinyou is still cultivating.

He has been in retreat all year round, so it is not easy for Luo Xiang to see his father.

The Luo family's affairs, both large and small, were handed over to Luo Jinyou's younger brother Luo Jinzuo.

"Second Master, someone is begging to see you outside the door!"

At this time, the butler of the Luo family walked into the hall and said to Luo Jinzuo.

"Who?" Luo Jinzuo asked the housekeeper impatiently.

"He said it was Ning Zhi from the Ning family in Jingjing who sent the young master back."

The butler said hurriedly.

Hearing this, Luo Jinzuo hurriedly got up, and then said angrily: "This Luo Xiang runs around all day, and he can't even see him every day."

"For so many days this time, my eldest brother has been out of customs for two days, but I haven't been able to see him!"

“I have to teach him a good lesson this time.”

Luo Jinzuo followed the housekeeper and hurried out.

When Luo Jinzuo just walked out, he saw a lot of people around the car.

“Get out of the way, get out of the way, the second master is here...”

The housekeeper shouted loudly, and everyone hurriedly made way.

At this time, Ning Zhi got out of the car and met Luo Jinzuo.

“Second Master, this is Ning Zhi of the Ning family in the capital...”

The housekeeper said to Luo Jinzuo.

Luo Jinzuo stretched out his hand, followed Ning Zhi and shook it, and then asked, “Mr. Ning, where is Luo Xiang? Let him get down.”

After Ning Zhi heard this, his eyes suddenly turned red, and tears streamed down his cheeks.

“Uncle Luo, it’s my fault, it’s my failure to protect Young Master Luo...”

When Ning Zhi said this suddenly, Luo Jinzuo was stunned on the spot.

Immediately afterwards, Luo Jinzuo suddenly opened the car door and saw Luo Xiang, who had long been dead, lying on the back seat.

“Nephew...”

Seeing the dead Luo Xiang, Luo Jinzuo roared, his eyes suddenly darkened and he fainted.

“Second Master...”

The housekeeper hurriedly carried Luo Jinzuo into the room.

The bodies of Luo Xiang and the servants of the Luo family were also carried in together.

After a while, Luo Jinzuo woke up leisurely. When he saw Luo Xiang’s body lying in the hall, he began to cry.

Chapter 1192

“Nephew, nephew...”

Luo Jinzuo cried while holding Luo Xiang’s body.

Luo Xiang is dead, this is the only seedling of their Luo family, and the future Luo family will be extinct.

And Luo Jinzuo knew that after his brother left the customs, he would definitely go crazy when he saw his son being killed, and he would be unlucky.

After crying for a while, Luo Jinzuo slowly got up, exuding a majestic murderous aura.

His eyes were wide open, and he looked at Ning Zhi coldly.

“Who killed my nephew?”

Roginzo asked with gritted teeth.

Looking at Luo Jinzuo’s appearance, Ning Zhi’s heart trembled, but he quickly calmed down and said, “Young Master Luo, was he killed by that David?”

“David?”

Luo Jinzuo had never heard David’s name, nor did he know who David was.

At this time, the housekeeper whispered a few words in Luo Jinzuo’s ear, probably telling Luo Jinzuo about David’s information.

After listening, Luo Jinzuo frowned: “My nephew follows that David without any injustice, why did he kill my nephew?”

Luo Jinzuo did not believe why David wanted to kill Luo Xiang.

Ning Zhi hurriedly told everything.

From what he told Luo Xiang Town Magic Tower, to Luo Xiang looking for David, and the matter of going to Ning’s house to borrow people, they all followed Luo Jinzuo one by one.

And everything was told truthfully, but there was only one thing that was not truthful, that is, Luo Xiang was murdered by him.

Ning Zhi knew that the Luo family would definitely investigate and would not listen to his side words.

Before he came, Ning Zhi had already thought about it and told everything truthfully.

No matter how the Luo family investigates, what Ning Zhi said is the truth.

After listening to David's words, Luo Jinzuo turned to look at the housekeeper.

The housekeeper nodded and said, "Second Master, when the young master left home, he did mention this matter and David's name."

"They went to Kyoto. I contacted me once. The young master said he would stay in Kyoto for a few days, but I didn't dare to ask more!"

When Luo Jinzuo heard the housekeeper's words, his face became extremely gloomy.

"Go check it out for me, no matter that David escapes to the ends of the earth, I will let him die without a burial..."

Luo Jinzuo roared angrily, scaring everyone in the Luo family.

"Uncle Luo, before I came, I had already sent someone to investigate the whereabouts of David, and now there is probably news, I will ask right away!"

Before Ning Zhi came to Mobei, he had already sent someone to inquire about David's whereabouts.

He knew that the Luo family would definitely seek revenge on David, and he would just report David's hiding place at that time.

Ning Zhi took out his mobile phone and then dialed a number to go out.

After a while, Ning Zhi walked back with an ugly face.

"Master Ning, have you asked? Where is David?"

Roginzo asked.

Ning Zhi nodded: "Uncle Luo, then David knew that he had caused a big disaster, and went to hide in the Valley of the Wicked."

"The Valley of the Wicked?"

When Luo Jinzuo heard it, he was stunned. He could never have imagined that David had anything to do with the Valley of the Wicked.

"Could this David have something to do with the Valley of the Wicked?"

Roginzo asked.

"I don't know very well, but I think it's impossible for the Valley of the Wicked to follow the Luo family as an enemy for that David."

Ning Zhi was very afraid that Luo Jinzuo would not dare to seek revenge from David when he heard about the Valley of the Wicked.

After all, the Valley of the Wicked is notorious, and all the four villains play their cards unreasonably.

So no one wants to provoke the Valley of the Wicked.

“Hmph, even if the Valley of the Wicked protects David, my nephew can’t die in vain. If it’s a big deal, I will destroy the Valley of the Wicked together...”

Luo Jinzuo flashed a cold light, his fists clenched tightly together.

“Second Master, the strength of this villain valley is extraordinary, should we wait for the master to discuss it after he leaves the customs?”

The housekeeper persuaded Luo Jinzuo.

Chapter 1193

“Negotiate a f. art, my brother will definitely bring people to the Valley of the Villains when he leaves the customs!”

Luo Jinzuo said with a cold face: “You call people immediately, follow me to the Valley of the Wicked, and send someone to guard at home. As soon as my brother leaves the customs, tell him.”

The housekeeper still wanted to persuade, but looking at Luo Jinzuo like that, he didn’t speak.

Soon, Luo Jinzuo set off with a mighty force towards the Valley of the Wicked.

Ning Zhi watched Luo Jinzuo lead someone to find David, and a sneer appeared on the corner of his mouth.

“David, do you want to fight me? It’s too tender!”

After Ning Zhi finished speaking, he then asked a servant of the Ning family beside him, “Have I asked all the middle-level and above members of the family to be summoned?”

“Master, most of them have been gathered, but there are still some people who refuse to obey your orders without Master’s orders!”

After listening to Ning Zhi, he immediately cursed angrily, “My dad is in retreat from Mahler Gobi. As the eldest young master of the Ning family, I can’t control them anymore.”

However, scolding and scolding, the middle-level or even higher-level people in the Ning family that Ning Zhi could order were still a few, and most of them only obeyed the orders of the Ning family’s patriarch.

“It counts as much as you come, but if the Luo family and the villain’s valley really want to fight, they will definitely lose both sides. Then it’s time for my Ning family fisherman to benefit.”

Ning Zhi’s eyes glowed with greed.

The reason why he called these people is to wait for an opportunity to destroy David.

If the Luo family destroys David, those treasures will not fall into the hands of the Luo family. Ning Zhi has already calculated it.

Poor Luo Jinzuo didn't know that he had already fallen into Ning Zhi's trap.

...

Valley of the Wicked!

Long Wu took David to the entrance of the Valley of the Wicked.

"Who are you? This is a valley of villains. If you don't want to die, leave quickly..."

The two guards suddenly jumped out of the cover and yelled at David and the others.

"We're here to find Ding, please let me know!"

Long Wu said loudly.

"Can our boss also meet you casually?"

One of the guards snorted coldly: "You leave now, or don't blame us for being rude."

The two guards posed for attack.

People in the Valley of the Wicked have always been reluctant to follow everyone in the martial arts world.

When the two guards saw Long Wu and the others, they should be from a certain sect family, so they didn't want them to enter the valley.

"You two, we are just here to find your boss to discuss something, please let me know!"

David stepped forward and said politely.

"Go away, I said it all, no see!"

One of the guards cursed angrily, and then slapped David with a palm.

David frowned. He didn't expect these people in the Valley of the Wicked to be so weird.

David saw that the guard slapped his palm, and then dodged away.

Seeing this, another guard also hurriedly attacked David.

David kept dodging, and the two guards could not touch David at all.

While fighting, Ding Busan came over.

"Who the h3ll dares to make trouble in front of our villain valley?"

Ding Busan roared.

But when he saw David and Long Wu, his eyes were stunned!

Then one jumped up, and then kicked the two guards away with both feet.

“Damn, you two little brats dare to be rude to the guests in the Valley of the Wicked. Let me tell you, when Long Wu was in the Valley of the Wicked, there were no you little brats!”

Ding Busan cursed at the two guards.

When the two guards heard this, they quickly retreated in fright.

“Brother Ding...”

When Long Wu saw Ding Busan, he hurried up to meet him.

Seeing Long Wu, Ding Busan happily patted Long Wu’s shoulder.

But this shot almost knocked Long Wu to the ground.

Chapter 1194

Ding Busan was stunned: “Long Wu, what’s wrong with you? Why have you lost all your skills?”

Long Wu smiled lightly: "Brother Ding, I am an ordinary person now. I came here to bring David here and let you guys take care of me."

"Long Wu, eldest brother told me, that's why I came here to see, the affection of our brothers, this is still a matter!"

Ding Busan said, and brought Long Wu and the others into the Valley of the Evil.

Ding didn't see Long Wu and David coming, so he ordered a big banquet.

"Long Wu, our brothers, we haven't been together for 20 years..."

Ding Dao said to Long Wu.

"Brother, the more you live now, the more dashing you are, I am an ordinary person now."

Long Wu smiled a little lonely, and then continued: "This time, I hope my elder brother can take good care of David. This friendship will never be forgotten by Long Wu."

"Long Wu, what are you talking about? David is staying with me. Whoever dares to come here to make trouble, then ask me if Ding is big or not."

Ding Dao patted his chest and assured.

Long Wu's eyes suddenly became wet. He didn't expect that after so many years, the Valley of the Wicked still treated him as a brother, and helped him and gave him face.

But Long Wu didn't know, Ding Dabuyue promised this because the villain Gu was originally a hall of the Dragon Sect and was David's subordinate.

After eating in the Valley of the Wicked, Long Wu didn't wait long and went back.

Long Wu walked back, Ding Bu Da let everyone leave, and then brought Ding Buer, Ding Busan, Ding Busan, and four people to kneel in front of David.

"Villain of the villains, the four villains, welcome the Lord of the Palace..."

The four wicked men bowed to David in unison.

Such a scene, if other people see it, I am afraid that I will be shocked to death.

David waved his hand and made all the four villains stand up.

"Ding is not big, what is our current strength in the Valley of the Wicked? Compared with the Kyoto Martial Arts Alliance, can we have the strength to fight?"

David asked Ding Daodao.

David wanted to see the strength of the Valley of the Wicked. If he could use the strength of the Valley of the Wicked to rescue Sonya, that would be fine.

After Ding didn't hear it, his face changed slightly: "Palace Master, although our villain valley is not bad, it is still a little distance from the Kyoto Martial Arts Alliance."

“After all, the Martial Arts Alliance has displayed its own strength, and there are also many sect families. If these sect families are united, we in the Valley of the Wicked have no power to fight back.”

What Ding Dao said is very objective. If you only compare with the Martial Arts Alliance, the Valley of the Wicked is not much different.

But when it comes to life and death, the Martial Arts Alliance will unite with those sect families, and then the Valley of the Wicked will not have the slightest chance of winning.

After hearing this, David fell into silence. He also knew that if he fought with the Martial Arts Alliance, it would be against more than half of the sect family in the entire Kyoto martial arts world.

Even if David folded all the Taipei Palaces he found together, he would not be the opponent of the Martial Arts Alliance.

David took a long sip. Now he can still find a way to improve his strength as soon as possible, and then he can find a few more eloquence in the Dragon Sect.

However, David didn't know where the other Taipei Halls were, and what he could do now was to cultivate.

“Ding is not big, you find me a quiet and spacious place, I need to practice for a while, don't let anyone disturb me during this time...”

David said to Ding Dao.

“Palace Master, we have a place in the Valley of the Wicked, it's just... just...”

Ding did not hesitate to speak.

“Just say anything!” David said.

“It’s just that our Valley of the Wicked hardly communicates with those sect families. After so many years, the resources in the valley are almost exhausted. I’m afraid that we won’t be able to get much resources and let the hall master practice!”

Ding Dao said with a look of shame.

After David heard this, he immediately laughed.

Chapter 1195

It turns out that Ding Bubu has no cultivation resources, whether it is herbs, medicinal herbs or spar, the Valley of the Wicked does not have any of these things.

“Don’t worry, I don’t need any resources for my cultivation. I brought it myself. Just take me to a quiet and spacious place!”

David smiled slightly.

“That’s easy to say!” Ding Bubu immediately walked towards the depths of the valley with David.

Soon, Ding did not find a quiet and spacious place.

“Palace Master, can you take a look here?”

Ding didn't say much.

David looked at it, then nodded: "Yes!"

After finishing speaking, David took out the Demon Suppression Tower from the storage ring.

Then the Demon Suppression Tower was thrown in the air, and then the Demon Suppression Tower instantly became larger and stood directly in that spacious place.

Looking at the sudden appearance of the pagoda, the four villains were suddenly shocked.

"This is called the Devil Town Tower, and the tower is full of spiritual energy, so I don't need other resources to repair it!"

"In addition, you send someone to go to Yaoshen Valley, and in the future, let Yaoshen Valley regularly prepare resources for the Valley of the Wicked!"

David said to Ding Dao.

"Yaoshengu?" Ding Dabuyue was stunned: "Yaoshengu's medicinal pills are very expensive, we are afraid that it is..."

"Don't worry, I won't ask for a penny, I'm the owner of Yaoshen Valley now!"

David smiled lightly.

This time, the four villains were even more shocked and looked at David in disbelief.

Looking at the shocked four people, David continued: "I'm going to practice now, there is nothing particularly important, don't disturb me, and don't let people come here, I will set up a formation here.!"

David told Ding not big that when David practiced, he would set up a killing formation around him.

If people in the Valley of the Wicked, accidentally break in, they will die.

"Don't worry, Hall Master, without our order, no one dares to come here."

Ding didn't say much.

David walked into the Devil Town Tower, and then the gate of the Devil Town Tower slowly closed.

The four wicked men turned and left.

"Brother, have you noticed that the breath of the hall master is very similar to the benefactor who saved us in the Valley of the Evil!"

"Yes, I feel this way too, but seeing that the palace master is only in his twenties, it is impossible for him to be able to save us in the Valley of the Wicked?"

"Could this be the benefactor's child back then?"

Several people were discussing.

“Okay, don’t guess. In the future, we will strengthen the defense of the Valley of the Wicked. I estimate that someone will come to the door soon.”

Ding Dao said to the other three.

...

The next morning!

The four wicked men are rearranging the defenses of the Valley of the Wicked, and they have also sent people to the Valley of the Medicine God.

For so many years, the resources of the Valley of the Wicked have been lacking, and many people’s strength has been very slow to improve.

Although in the eyes of the outside world, the Valley of the Wicked is still powerful.

But only they themselves know that if this continues, the Valley of the Wicked will become someone else’s meal sooner or later.

“Boss, there is a person outside the door, claiming to be a member of the Mobei Luo family, asking to see the boss...”

A guard ran in and said to Ding Dao.

“Mobei Luo Family?”

Ding did not frown slightly.

“Brother, we have never dealt with the Mobei Luo family?”

Ding Buer said.

“Could it be that he came to find Mr. Chen?” Ding Busan also asked in doubt.

“If they really dare to trouble Mr. Chen, they don’t even want to get out of the valley of villains!”

Ding Bu clenched four fists.

“Don’t be impulsive, let’s see what’s going on. Logically speaking, it is impossible for Mr. Chen to have anything to do with the Mobei Luo family!”

Ding didn’t say much.

After all, Mobei is still a long way from Kyoto, so how could David have any holiday with Mobei’s family?

“Invite people in!”

Ding Dao said to the guard.

Soon, Roginzo led people to the hall.

Chapter 1196

After seeing Ding not big, Luo Jinzuo clasped his fist slightly and said: "Mobei Luo family, Luo Jinzuo, I have seen the wicked valley owner!"

Ding Bubu nodded slightly, motioned Luo Jinzuo to sit down, and then asked, "Second Master Luo, you have a long way to go, why don't you come to my villain's valley?"

"I remember we didn't communicate with each other, right?"

Luo Jinzuo Chen Mo after a while, suddenly said: "Gu master, I am here this time to ask for someone from you."

"Do you want someone?" Ding Buyi frowned, "Who do you want?"

"I want the one named David." Luo Jinzuo mentioned David, his eyes flashing with anger: "He killed my nephew and fled to the Valley of the Wicked. I hope the owner of the valley can hand over that David to me."

After Ding didn't hear it, his brows furrowed deeper. He didn't expect that David really had a festival with Mobei Luo's family, and he was still a deadly enemy.

"I haven't heard of this person you mentioned, and we don't have this person in the Valley of the Wicked!"

Ding said lightly.

Seeing this, Luo Jinzuo's face turned cold: "Guzhu, someone has seen that David escaped to your villain's valley, how could you have not seen it? Guzhu will not be my Luo family enemy for that David. Bar?"

"I have to take that David with me today. If the owner of the valley doesn't pay him, I will bear the consequences..."

After listening to Luo Jinzuo's words, Ding didn't look angry.

Ding Busan, who was on the side, couldn't take it anymore, and immediately scolded: "What the h3ll is your Mobei Luo family? Dare to threaten our wicked valley?"

"Mr. Chen is in our villain valley, what the h3ll can you do?"

"fcuk the consequences, what are the consequences, come and tell me, I think you don't want to leave..."

Luo Jinzuo was scolded by Ding Busan, and his face suddenly became extremely ugly.

"Since you admit it, then you don't plan to give people to me?"

Luo Jinzuo said coldly.

"I said, give it to your mother, what do you want?"

Ding Busan roared.

"Ding Busan, don't deceive people too much..."

Luo Jinzuo was furious and immediately clapped the table.

The hard huanghuali table was instantly shattered.

The members of the Valley of the Wicked who heard the movement rushed in in an instant and surrounded Luo Jinzuo and the Luo family.

Luo Jinzuo looked at the people who rushed in, and said with a gloomy face: "You guys have thought about it, if you dare to do something to me, you will be immortal, our Mobei Luo family, and even the entire Mobei martial arts world, Never give up."

Ding didn't sneer: "You are just a dog of the Luo family. The real master of the house is your eldest brother, don't think I don't know."

"You are not qualified to say this now!"

Luo Jinzuo was hit by Ding's words, and instantly hit the sore spot. In Luo's family, the real head of the family is his eldest brother, and he himself is just an agent.

Luo Jinzuo's eyes narrowed slightly, his face became extremely ugly, and he stared at Ding Budai.

He didn't expect that the Valley of the Wicked would not hesitate to offend their Luo family for the sake of David, and even start a war!

"Don't think I'm afraid of you in your wicked valley. Are you going to pay people or not today?"

A murderous intent burst out from Luo Jinzuo, and a terrifying aura instantly permeated.

“I said, give it to your mother!”

Ding Busan jumped up: “Beating you in my valley is considered bullying. If you have the ability, go outside to compare!”

“Okay!” After Luo Jinzuo finished, one jumped out.

The four wicked men took the people from the Valley of the Wicked and followed them out.

After walking out of the Valley of the Wicked, they came to an open space, and then everyone stopped.

“Paralyzed, come on...”

After Ding Busan stopped, he waved to Luo Jinzuo.

Ding Buayi stretched out his hand and stopped Ding Busan: “Young San, you step back, I’ll come, I don’t know the details of this guy yet!”

Among the four villains, Ding Buoyue is the most powerful, so without knowing Luo Jinzuo’s details, Ding Buoyue intends to take action personally.

“Brother, I’m not afraid of him...”

Ding Busan was eager to try.

“The third one, listen to the big brother.” Ding Buer held Ding Busan!

Chapter 1197

Luo Jinzuo looked at the situation in front of him and snorted coldly: "Whoever of you shoots is the same."

After all, Luo Jinzuo's palm began to flash with purple rays of light, and then a palm went towards Ding Dabu.

Ding didn't watch Luo Jinzuo's attack, he didn't panic, just when Luo Jinzuo was in front of him, he suddenly raised his hand to meet him.

Snapped...

With a crisp sound, Luo Jinzuo was instantly slapped on the face.

I saw Luo Jinzuo flew out and finally fell to the ground.

Half of his face was directly red and swollen.

The corners of his mouth were full of blood.

"With this little skill, you dare to come to my villain's valley? If you want someone, let your big brother come!"

Ding didn't look at Luo Jinzuo coldly, and the murderous aura permeated his body.

Luo Jinzo's face became extremely ugly.

He did not expect that the strength gap between himself and Ding Dao was so great.

"Second Master..."

The housekeeper helped Luo Jinzuo up at this time, and then whispered: "Second Master, let's go back and have a long-term plan. The strength of this villain's valley is too strong."

Luo Jinzuo didn't say anything this time. He just gave him a small palm, letting him know the gap between him and the Valley of the Wicked.

"Hmph, you wait, my Luo family will never give up..."

Luo Jinzuo looked at the four villains fiercely.

"Paralyzed, you dare to threaten us, I think you don't want to leave..."

Ding Busan was not used to Luo Jinzuo, so he jumped up and stopped at the door.

Seeing this, Luo Jinzuo's face instantly became embarrassed.

He just wanted to say a few harsh words and find himself a step down.

But I didn't want this Ding Busan to really stop them.

If the Valley of the Wicked really wants to keep them, Luo Jinzuo knows that none of them can leave.

"Old third, come back..."

Ding Buoyue said to Ding Busan.

Seeing this, Ding Busan could only glare at Luo Jinzuo, then backed away.

When Luo Jinzuo saw Ding Busan dodged, he immediately took someone away.

"Damn, I must destroy the Valley of the Wicked!"

After walking away, Luo Jinzuo said angrily.

"Second Master, don't worry, let's go back and talk about it!"

The housekeeper said to Luo Jinzuo.

Luo Jinzuo nodded, and now he underestimated the strength of the Valley of the Wicked, and the people he brought were obviously not enough.

So go back and rearrange people.

Just after Luo Jinzuo took the people away, a person came out of the hiding place, looking at Luo Jinzuo who was leaving, and left quickly.

As for the Ning family in Kyoto, Ning Zhi got the news right away!

“Master, then Luo Jinzuo left the Valley of the Wicked. It looks like he was beaten and his face is swollen!”

The servant of the Ning family reported to Ning Zhi.

When Ning Zhi heard this, he slapped the table angrily and said, “Damn, this Luo Jinzuo is a fucking waste. He was slapped and left, do you have any guts? I thought that their Luo family would follow the wicked Gu Yu to death! “

Ning Zhi had already assembled the manpower, and he was leading people to kill him while waiting for the fish to die and the net to break.

“Young master, you don’t have to worry, the Luo family will not let it go. I believe that this time, when the Luo family returns to Mobei, they will definitely gather more people.”

The butler of the Ning family stepped forward and persuaded Ning Zhi.

“I’m afraid that the Luo family is not the opponent of the villain’s valley at all. When I get scared, my plan will be in vain...”

Ning Zhi was afraid of Luo Jinzuo’s cowardice, and did not dare to go to the villain’s valley.

“Young master, no, the Luo family is also the largest family in Mobei, and its strength is very strong, and many of the sects in the entire Mobei are almost all led by the Luo family.”

“This time when Luo Jinzuo goes back, he will definitely call more people here, just wait patiently...”

Ning’s housekeeper explained.

“Well, I can only wait...”

Ning Zhi nodded.

Chapter 1198

In the Valley of the Wicked!

After Luo Jinzuo left, Ding Buoyue strengthened the defense of the Valley of the Wicked.

“Third, you sent someone to guard the place where Mr. Chen practiced at the back.”

“No one is allowed to approach and disturb!”

“You go and take someone to guard it yourself, no matter what happens in front of you, you are not allowed to move!”

Ding Buoyue said to Ding Busan.

Ding Busan nodded, and then took a few relatively powerful people from the Valley of the Wicked to guard around the Demon Town Tower.

At this moment, David was sitting cross-legged in the Demon Suppression Tower.

The surrounding aura formed a small vortex around David's body.

The Heart Condensation Art was running fast, and David's dantian was thirsty to absorb the spiritual energy.

In the blink of an eye, three days passed.

Luo Jinzuo has rushed back to Mobei.

It's just that Luo Jinzuo doesn't know when his brother will go out.

If he waited for his brother to go out, and then went to the Valley of the Wicked, I'm afraid that David would have disappeared without a trace.

"Steward, post to all the sect families in the Mobei martial arts world who have cooperated with our Luo family!"

"I want to unite these people and give him the Valley of the Wicked. I don't believe they don't make friends!"

Luo Jinzuo said with a gloomy expression.

"Second Master, shall we wait for the Master to leave the customs?"

The butler cautioned.

“I’m letting you go, just go, don’t you listen to me?”

Roginzo roared at the butler.

Seeing this, the butler hurried to inform.

In just one day, almost all the sect families in the Mobei martial arts world gathered in the Luo family.

After all, in Mobei, the Luo family is the largest family, and no one dares to provoke them.

What’s more, Luo Jinyou, the patriarch of the Luo family, is a martial idiot, and only cultivation is cultivation.

The strength has long been incomprehensible.

Luo Jinzuo sat on the main seat and looked at the representatives and heads of the dozens of major sect families below, Luo Jinzuo was very happy.

“Today, I called everyone together because I wanted to ask you for something.”

Roginzo said to the crowd.

“Second Master Luo, if you have something to do, just say it, we can do it, we will do it!”

One of the old men in white training clothes said.

“Yes, the Luo family’s business is our business. If we in Mobei hadn’t had the Luo family in front, I don’t know how many people would have attacked us here.”

“Yes, in the Mobei martial arts world, we must unite as one, Luo Erye said a word, we will do anything!”

Everyone below was touting the Luo family.

This made Roginzo swell in an instant, and his face was full of pride.

“Since you all look down on my Luo family, then I won’t beat around the bush.”

Luo Jinzuo drank a cup of tea, and then continued: “To tell the truth, my nephew was assassinated a few days ago, and now the body has been sent back.”

Just after Luo Jinzuo’s words were finished, everyone took a deep breath.

The son of the Luo family dares to be killed?

That’s just dead.

“Second Master Luo, who killed Luo Xiang? This is simply courting death...”

A sect master asked David.

“It’s David!” Luo Jinzuo said.

“David?”

Many people looked blank, not knowing what this David looked like.

However, someone was shocked when they heard David’s name.

“I know this David, he has been in the limelight recently.”

“Not only did he defeat Long Xiao, he also killed Guo Wei, and some time ago, he killed the master of the Tiansha Sect, Zang Qing, who was chasing him.”

“I just didn’t expect that this David even had a black hand with Luo Gongzi.”

Although the speaker was only in his early thirties and looked very young, he was already the head of a certain sect in Mobei.

When everyone heard it, David was so arrogant that he not only offended the Long family, but also offended the Kyoto Martial Arts Alliance.

Now even the largest family in Mobei has become a mortal enemy along with David!

Chapter 1199

“Second Master Luo, what do you need us to do? We all listen to you!”

“This David even dares to kill Young Master Luo, it’s just damn it!”

“He didn’t just kill Master Luo, David is provoking our entire Mobei martial arts world!”

“Yes, catch that David, kill him, and avenge Master Luo!”

Many aristocratic families shouted.

“Okay, then we can set off. I will send a letter of war to the Valley of the Wicked. If they dare to cover up David, they will have to pay the price!”

When Luo Jinzuo saw so many people supporting him, he felt confident.

“Second Master, I think we should discuss it from a long-term perspective. Let’s wait for the master to come out and talk about it!”

“After all, we have traveled thousands of miles from Mobei to the Valley of the Wicked, plus it is the territory of Kyoto!”

“So many of us are dispatched, and we will definitely alert the above. When the official comes forward, it will be difficult to handle.”

The housekeeper reminded Luo Jinzuo in a low voice.

“I’ve said it all, give the wicked valley a gauntlet. This is a normal way for us to settle our grievances. Where can the government control it!”

“You go away, don’t worry about it, I don’t think you put my second master in your eyes at all.”

Luo Jinzuo looked at the housekeeper in disgust and said.

Seeing this, the butler didn't dare to say anything, and could only pray that Luo Jinyou would be able to leave the customs as soon as possible.

Soon, Luo Jinzuo publicly published the gauntlet on the martial arts forum.

The Mobei Luo family united with the entire Mobei martial arts world to publicly declare war on the Valley of the Villains, unless the villains were able to hand over the murderer David.

Otherwise, the Valley of the Wicked will be washed with blood, and none will be left!

As soon as the news was released, it exploded in an instant.

In the entire Mobei martial arts world, it is a big deal to declare war on the Valley of the Wicked!

The Valley of the Wicked is quite strong, but facing the entire Mobei martial arts world, I am afraid it is even weaker.

"Why did the Mobei Luo family compete with the Valley of the Wicked? There's no festival between the two families!"

"Didn't you see? It's for that David again. I heard that David killed the eldest young master of the Luo family. Do you think the Luo family can't get angry?"

"What does that David have to do with the Valley of the Wicked, the Valley of the Wicked actually fought with the entire Mobei martial arts world in order to protect David!"

"Wait for a good show, such a war has not happened for many years."

Everyone on the forum is talking about it and paying attention to this upcoming battle.

Such a battle must be bloody.

Kyoto Ningjia!

Ning Zhi also saw the news on the forum, and there was an imperceptible smile on the corner of his mouth.

“Master, the Luo family has already set off with many sect families in Mobei, and it is estimated that they will be able to reach the Valley of the Wicked in three days!”

At this time, the butler of the Ning family hurriedly ran and said.

“Haha, I really didn’t expect that the Luo family’s appeal is really good, and it can really mobilize the entire martial arts world in Mobei!”

“Now I see how the Valley of the Wicked can resist, and that David will surely die...”

Ning Zhi smiled wickedly.

“Master, what do we do next? If the Luo family uses the entire Mobei martial arts world, then we won’t be able to intervene.”

the butler asked.

“Don’t worry, let everyone stand by. After this time, our Ning family may be able to become the leader of the Mobei martial arts world.”

“At that time, the entire Mobei martial arts world, listen to my Ning family commander, plus our power in Kyoto.”

“Let me see who can compete with my Ning family? As for the Dong family, I will destroy them sooner or later!”

“Hahaha...haha...”

Ning Zhi proudly raised his head and laughed.

Ning Zhi’s ambition is getting bigger and bigger, and he wants to replace the Luo family and become the boss of the Mobei martial arts world, but this time, if the Luo family or even the entire Mobei martial arts world is severely damaged, it will be an opportunity.

Chapter 1200

...

Kyoto Guardian Pavilion!

After Zao Wou-Ki saw the message posted by the Luo family on the forum, he immediately found Mr. Shi.

This kind of big battle between sect families is bound to cause countless casualties.

As officials, they have a responsibility to stop it.

“Mr. Shi, the Luo family will take the entire Mobei martial arts world to follow the Valley of the Wicked...”

Before Zao Wou-Ki finished speaking, Mr. Shi waved his hand.

“I already know!”

Mr. Shi interrupted Zao Wou-Ki.

“Then what should we do? Should we send someone to stop it in time?”

Zhao Wuji asked.

“No, let them go!”

Mr. Shi said lightly.

“Mr. Shi, if we don’t show up in this kind of large-scale fight, will it be...”

“I said, let them go!” Mr. Shi suddenly raised his head and looked at Zao Wou-Ki.

Zao Wou-Ki trembled slightly, and he stopped talking immediately, and he no longer mentioned the matter of the Luo family’s fight with the villain’s valley.

Seeing that Zhao Wou-Ki stopped talking, Mr. Shi slowly continued: "Why has the entire martial arts world in Daxia settled down for too many years, especially the Kyoto martial arts world, and now it needs to be reshuffled..."

Zao Wou-Ki did not understand what Mr. Shi said, but as the pavilion owner of the Dharma Protector Pavilion, he could only obey the orders.

...

In the Valley of the Wicked!

Ding Dao also saw the information on the forum. When he saw that the Luo family took the entire Mobei martial arts world to openly challenge the Valley of the Wicked, Ding Dao's brows slightly wrinkled.

"Big brother, it seems that the Luo family is determined to want Mr. Chen."

Ding Buer said in a low voice.

"No matter what, even if we take all of my villain's valley, we must not let them take away Mr. Chen!"

Ding Budao's eyes were firm: "Inform everyone in the Valley of the Wicked immediately to show the determination to die and fight to the end."

"Brother, why don't I go out and find some help?"

Ding Busi said.

“What help can we find in the Valley of the Wicked?”

Ding didn't laugh at himself.

Ding Busi stopped talking. Over the years, the Valley of the Wicked has not had any friends, nor did he have any contacts with other sects and families. He has always been alone!

At this moment, a villain valley guard suddenly hurried in.

“Boss, a lot of people suddenly came outside and said they were looking for you.”

The guard looked a little flustered.

“It's impossible for the Luo family to come so quickly, right?”

Ding Dao frowned.

Soon, Ding Dao took people outside the valley. Sure enough, he saw hundreds of people outside, standing at the gate of the Valley of the Wicked.

Ding didn't take a glance and found that he was not very familiar with these people.

“Master Dinggu, Zhao Ligu of Shadowless Villa took the liberty to disturb me!”

At this time, Zhao Ligu stepped forward and bowed his hands to Ding Dao.

“I don’t know that the owner of Zhao Zhuang suddenly brought so many people to my villain valley, what’s the matter?”

Ding looked at Zhao Liguó cautiously and asked.

“Master Dinggu, I know that the Luo family in Mobei has issued a gauntlet and is going to take away Mr. Chen, so I specially brought someone here to help the Wicked Valley to defend against the Luo family and protect Mr. Chen.”

Zhao Liguó quickly explained.

Seeing that Zhao Liguó was here to help, Ding Dao’s heart was relieved.

As the so-called drum beats thousands of people.

Ding was not afraid that some aristocratic sects would take advantage of the opportunity of the Luo family to challenge the Valley of the Wicked, and they would also attack the Valley of the Wicked.

At that time, the Valley of the Wicked was simply unable to withstand it.

However, Ding did not look at the people that Zhao Liguó brought, as well as Zhao Liguó’s own strength, and said with a faint smile: “Zhao Zhuangzhu, thank you for your kindness, but the strength of you people, staying here is also a disciple. It’s just an increase in casualties.”

“Master Dinggu, I know that the people I brought are not very strong, but we are not afraid of death. If Master Dinggu thinks we are a burden, then we will be stationed outside the valley!”

“The Luo family has brought people. We must kill all of us before we can enter the Valley of the Wicked. Even if we can buy Mr. Chen a minute and a second, our death will be worth it!”

Zhao Liguó said with a firm expression.
