

A Man Like None Other Chapter 1211 – 1220

Chapter 1211

Ding Buer rose up to resist, but it was useless.

Soon, Ding Buer became a prisoner!

“Master Dinggu, stop resisting, just be obedient and capture it!”

“The price you pay for resisting like this is the lives of everyone in the Valley of the Wicked!”

Ning Zhi looked at Ding Dabu and said with a victorious attitude.

Ding didn't say a word, the only response to him was a sharp palm!

“Hmph, stubborn...”

Ning Zhi snorted coldly, and then followed the crowd to attack Ding Dao.

Under the attack of these people, Ding's stature retreated again and again!

“Arrangement...”

Ning Zhi burst out.

Immediately afterwards, several masters of the Ning family surrounded Ding Budian, and then kept changing positions.

Silk threads that are invisible to the naked eye shot out from the hands of these people!

Immediately afterwards, these silk threads began to be woven into a large net in the changing positions of these people.

Ding's body was covered by a large net.

"Hmph, now I'll see how you resist!"

Ning Zhi said proudly.

Ding Dao's eyes were red and he struggled constantly.

The blood on his body continued to splatter, and Ding Bubu didn't care at all.

But soon, the breath on Ding Dabu's body became more and more sluggish, and then a mouthful of blood spurted out.

Slowly, Ding did not calm down.

At this moment, he has already become a blood man.

Ning Zhi looked at Ding Budai and sneered: "Why is this necessary? That David deserves your life to protect him?"

"Pooh..."

Ding Bubu spat fiercely at Ning Zhi.

But Ning Zhi didn't care, but let people press Ding Dabu and Ding Buer, and then walked towards the valley.

In the Valley of the Wicked, everyone saw that Ding was not captured very much, and could only be captured without any resistance!

All the way to the place where the town magic tower is!

Ding Busan led someone to stop Ning Zhi.

When Ding Busan saw Ding Busan and Ding Buer with scars, the anger on his body had already risen.

"Let my eldest brother and second brother go..."

Ding Busan stared angrily, and the breath on his body kept exploding!

Seeing the sudden appearance of Ding Busan and several masters from the Valley of the Wicked, Ning Zhi seemed a little surprised.

“I really didn’t expect that the Valley of the Wicked has reached this point, and even sent someone to guard this David!”

Ning Zhi didn’t expect that Ding Dao did not care about his own safety, but sent someone to guard David.

He didn’t understand what was the relationship between this villain’s valley and David.

“Let my eldest brother and second brother go...”

Ding Busan shouted again.

“You’d better see the situation clearly, and now you are obediently captured, so as not to suffer from flesh and blood, if you dare to resist, I will kill them!”

After Ning Zhi finished speaking, he pulled out a sword and pointed at Ding Dabu.

When Ding Busan saw this, he didn’t know what to do.

“Third, don’t mind us, you have to remember the task I gave you, even if you die, you have to keep it!”

Ding Bubu yelled at Ding Busan.

“Oh sh!t...”

Ning Zhi scolded angrily, and then stabbed Ding Dabu’s abdomen with a sword!

Ding Dao suddenly spit out a mouthful of blood, and his face was extremely pale.

“Big brother...”

Ding Busan’s eyes were wide open, and his face was full of anger!

“Obey, you will be captured, if you resist, you will cut off his head with the next sword!”

Ning Zhi threatened Ding Busan.

Soon, several masters of the Ning family walked over, Ding Busan looked at Ding Busan with helplessness in his eyes.

He didn’t resist, because he couldn’t watch Ding Dabu die in front of him.

Ding didn’t want to say anything, but the blood had already filled his throat!

After controlling Ding Busan and the masters in the Valley of the Wicked, Ning Zhi looked at the Demon Suppression Tower in front of him with a look of covetousness.

“As I said, the Demon Town Tower is not so easy to destroy.”

“It turns out that it is in David’s hands, and only I am worthy of such a treasure!”

Ning Zhi slowly approached the Demon Suppression Tower.

Chapter 1212

Ning Zhi's body lingered with light, and he knew that David would definitely set up a formation around the Demon Suppression Tower.

Just when Ning Zhi was cautiously approaching the Demon Suppression Tower!

Suddenly a lightning flashed across the sky!

boom!

After a loud bang, a big pit instantly appeared in front of Ning Zhi!

Fortunately, Ning Zhi dodged in time, otherwise he would have been directly bombarded.

"Damn, sure enough, a killing formation was set up. Fortunately, I was already prepared!"

Ning Zhi looked at the deep pit in front of him and cursed.

Then Ning Zhi's palm flickered, and then he slapped it out fiercely.

rumbling...

The space in front of him fluctuated for a while, and then the killing formation under David's cloth could be seen.

In the killing formation, one after another lightning-like rays of light continued to flicker.

“What a powerful killing formation!”

Ning Zhi looked at the killing formation in front of him with a solemn expression.

However, the Demon Suppression Tower was right in front of him, and Ning Zhi would not give up easily.

“What the h3ll are you doing, let’s break this killing array together...”

Ning Zhi roared.

Several masters of the Ning family stepped forward, and everyone burst out with all their energy.

boom!

There was a loud noise in the sky, and the killing formation laid down by David instantly shattered like glass!

The strength of the digital half-step Marquis, this killing formation simply can’t support it!

Looking at the broken killing formation, the corner of Ning Zhi’s mouth raised a hint of pride.

“That’s it, you want to stop me too?”

Ning Zhi walked to the gate of the Demon Suppression Tower, and then kicked the door to the Demon Suppression Tower.

But who knows, under this foot, the gate of the Town Demon Tower has not moved.

A stream of light flashed above the gate, but Ning Zhi's body was directly knocked out.

Ning Zhi frowned and said, "Why is this happening?"

Ning Zhi stepped forward, held his breath again, and then slammed towards the door fiercely.

But the door remained unmoved, not even the slightest trace.

On the contrary, Ning Zhi's body was knocked farther this time, and fell heavily to the ground.

Ning Zhi looked at the Demon Tower in front of him in shock, and his face became very ugly.

"You try..."

Ning Zhi asked several experts from the Ning family to try it.

But the result was the same, no matter how hard these people tried, or even attacked with magic, they couldn't shake the gate, but were wounded by the force of the counterattack.

"This... what the h3ll is going on here?"

Everyone's faces became very ugly.

These people are all half-step Marquis, not to mention a gate, even a mountain, under such bombardment, would have collapsed long ago.

“How is this going?”

Ning Zhi turned his gaze to Ding Dabuo, after all, the Demon Town Pagoda is now in the Valley of the Evil.

“How would I know!”

Ding Bubu said with a flat expression.

At first, Ding was a little worried about David, but seeing that the town magic tower has its own taboo formation, and it is very powerful, I feel relieved.

Ding didn't know much, not to mention these people in front of him, even if he was in the realm of Marquis, he couldn't open the door.

It can be seen that this town magic tower is by no means an ordinary treasure.

“Master, what should we do?”

At this time, a servant of the Ning family asked.

Ning Zhi looked at the Demon Suppression Tower in front of him, pondered for a moment, and said, “Send two people to watch here, and bring these old things back first.”

“I don’t believe that David will never come out. As long as he comes out, we just threaten him with the lives of these old guys.”

“Since the wicked valley is desperate to protect him, then David and the old people of the wicked valley must have an unusual relationship!”

After sending two people to guard the Demon Suppression Tower, Ning Zhi went back with the people from the Valley of the Wicked.

The Valley of the Wicked has returned to calm, there is blood everywhere, and there are corpses that have not been restrained.

The Valley of the Wicked, which had stood for decades and had a great reputation, collapsed and disappeared almost overnight.

The news of the Valley of the Wicked being destroyed and the arrest of the Four Wicked Men instantly spread throughout the martial arts world.

Chapter 1213

“This kid from the Ning family is so courageous that he even dared to lead people to destroy the Valley of the Evil Ones, and even arrest the Four Great Evil Men.”

“This kid has a lot of ideas since he was a child. This time, he took advantage of the villain’s valley and the Mobei martial arts world to fight to the death, and he benefited from it.”

“What kind of hatred does the Ning family have with the Valley of the Wicked? Why is Ning Zhi so ruthless?”

“It’s not because of that David, I heard that Ning Zhi has some grudges with David!”

“I really didn’t see it, this kid from the Ning family is really hiding.”

The martial arts world has been discussing this matter.

However, very few people know all the ins and outs of things, but they are just random guesses.

From beginning to end, it was all planned by Ning Zhi.

And those who knew about the whole thing had already gone to see Hades!

However, after this time, Ning Zhi’s name can be considered well-known in the martial arts world.

In addition, Ning Zhi’s name also appeared on the Happy List.

...

“Ning family, Ning Zhi...”

In an ordinary office, Mr. Shi looked at the information on the forum and muttered to himself.

“Mr. Shi, now the Valley of the Villains has been almost destroyed by the Ning family, and the four major villains have also been captured alive.”

“Although the reputation of the four villains is not very good, they have not done anything that hurts the world!”

“The Ning family is in danger, do we need a warning?”

Zao Wou-Ki asked Mr. Shi.

Zao Wou-Ki’s relationship with David naturally had David in his heart, and the Valley of the Wicked was to protect David, so the Ning family took advantage of it to enter the Valley of the Wicked, so Zao Wou-Ki wanted to help the Valley of the Wicked.

However, in the name of the pavilion master of the Protectorate Pavilion, the Ning family would not pay attention to him, so these sect families would only pay attention to Mr. Shi’s words.

Mr. Shi ignored Zao Wou-Ki, but looked at the information on the forum and muttered to himself again.

“Ning family, Ning Zhi...”

“I never paid attention to this young man.”

“Now is just the beginning, and slowly some people can’t sit still and start to emerge.”

“This Ning Zhi is the first...”

Mr. Shi was talking to himself, while Zao Wou-Ki was confused, but he didn’t know what Mr. Shi said.

“Mr. Shi, do we want to...”

“Don’t do anything, go back!” Before Zao Wou-Ki could finish speaking, Mr. Shi waved his hand.

Seeing this, Zao Wou-Ki could only turn around and go back.

He has the heart to help the wicked valley, but there is nothing he can do...

...

Kyoto Budo Alliance!

Zhu Zhishan sat on the main seat, and in his lower seat was Long Jingguo of the Long family.

There are also some other sects at the helm of the family.

“Everyone, the new year is approaching, this is the last alliance meeting of our Kyoto Martial Arts Alliance this year!”

“At the same time, it is also the last time that our Martial Arts Alliance has recruited alliance members this year!”

“Is there any sect family that has submitted an application?”

Zhu Zhishan glanced at it, and then asked an elder beside him.

“Leader, so far, no application has been received.”

The elder said in a low voice, embarrassed.

When Zhu Zhishan heard this, his face became a little ugly.

In the entire Kyoto martial arts world, there are many aristocratic sects, but the members of their martial arts alliance are not even half.

In particular, several big families have no plans to join the Martial Arts Alliance.

Moreover, these guys are constantly expanding their power, and they have the potential to follow the Kyoto Martial Arts Alliance in a rival court!

As the leader of the alliance, Zhu Zhishan could not watch such a situation develop.

“I wish the alliance leader, since David killed Director Guo, the prestige of the martial arts alliance has been damaged, and many aristocratic sects are reluctant to join the martial arts alliance.”

“There are even quite a few sect families who want to withdraw from the alliance!”

“It’s the Ning family who destroyed the Valley of the Villains and captured the four wicked people alive. Now many aristocratic sects are beginning to show their affection to the Ning family!”

At this time, a sect master said.

Chapter 1214

“Hmph, a Ning family also wants to make waves in Kyoto?”

Zhu Zhishan snorted coldly: “That old ghost Ning is retreating, it must be his son.”

“Leader, what shall we do next?”

“Could it be that you watched some sects and noble families and leaned over to the Ning family?”

an elder asked.

“Since this Ning Zhi is so ambitious, let him go. I want to see how he cleans up David!”

“A dog bites a dog, we are just watching a big show...”

Zhu Zhishan raised the corner of his mouth.

...

Ning family.

At this moment, Ning Zhi sat on the head of the Ning family.

Because his father, Ning Dahai, has been in seclusion, all the affairs of the Ning family are left to Ning Zhi to take care of.

Although Ning Zhi has been taking care of the Ning family, he has never sat on the main seat.

And today is different!

The Ning family destroyed the Valley of the Villains and captured the four major villains alive.

Although they all knew that the Ning family had taken advantage of it, the courage of Ning Zhi, as well as the strength of the Ning family, were placed in front of everyone.

Therefore, many aristocratic sect families began to take refuge in the Ning family!

“The Li family in the south of the city, the head of the Li family pays a visit!”

“See you, Sect Master Yang of Xuanyang Sect!”

“Welcome to Sect Master He of Dingtianmen!”

On this day, the Ning family continued to have sects and aristocratic families asking to see them.

And Ning Zhi greeted him with a smile on his face!

At this moment, Ning Zhi was greatly satisfied,

At such a young age, so many aristocratic sect families came to see him, begging for refuge in the Ning family.

Ning Zhi knew that even his own father would not be able to achieve such an achievement.

For a whole day, nearly 30 large and small sect families took refuge in the Ning family!

Although Ning Zhi was a little tired this day, he felt very fulfilled.

“When I find a way to bring the Mobei martial arts world under my command, who can help me in the entire Kyoto?”

Ning Zhi stood on the highest point of the villa, looking up at the sky, his heart swelled to the extreme.

Many big sects and aristocratic families saw Ning Zhi’s approach, but no one stopped him.

They all seem to be waiting for something!

At the moment of Dong’s family, Dong Liqun’s expression was extremely ugly.

Originally, the Dong family and the Ning family were at odds with each other, and the strength of the two families was similar in the past.

But now that the Ning family has so many families to rely on, the strength of the Dong family will soon be incomparable.

“It’s so late, what are you doing?”

Dong Liqun’s wife asked.

“Can’t sleep!” Dong Liqun lit a cigarette and took a deep breath: “Where’s Jiahao?”

“In my room, since you attacked David, Jiahao hasn’t been out of the house these days, and he hasn’t said a word!”

Dong Liqun’s wife glanced at Dong Liqun complainingly.

“Hey!” Dong Liqun sighed: “I’m doing this for his own good, this kid just can’t figure it out!”

“For his own good, why don’t you steal other people’s things? I heard from Jiahao that David is still his friend. You asked Jiahao to deceive him.”

“What’s the difference between you doing this and following the robber?”

Dong Liqun’s wife said with dissatisfaction.

“You are a woman, what do you know...”

Dong Liqun threw the cigarette in his hand and walked towards Dong Jiahao’s room.

dong dong dong...

Dong Liqun knocked on the door, and then said, “Jiahao, come out, I have something to tell you!”

“I have nothing to tell you, ignore me...”

Dong Jiahao's angry voice came from the room.

It's been so many days, and Dong Jiahao is still brooding!

He always thought that he had harmed David!

He never thought that his father was such a person.

"I know you're still mad at me, but I'm doing it for your own good!"

"Get dressed now and take your mother to your grandfather's place!"

"If anything happens at home, don't come back!"

Dong Liqun said seriously.

Chapter 1215

"What's wrong? What happened? Why did you let us go at night?"

Dong Liqun's wife looked at Dong Liqun puzzled.

"Don't ask, I should arrange it for you. I have already arranged it."

"In addition, you should also take my seal, and you must not fall into the hands of others."

"With this seal, the Dong family will always be there!"

Dong Liqun took out a very delicate seal from his arms, and then gave it to his wife.

This time, Dong Liqun's wife was a little stunned and couldn't figure out what happened.

At this time, the door opened, and Dong Jiahao also came out.

"Dad, did something happen?"

Dong Jiahao was in the room, listening to his father's words, knowing that his father must not be joking.

"It's okay, you just need to be obedient!"

After Dong Liqun finished speaking, he then shouted, "Housekeeper, send the young master and his wife away immediately!"

The housekeeper hurried in, and then said to Dong Jiahao and his mother, "Master, Madam, the car is ready."

"I'm not going, I'm not going... What's the matter?"

Dong Jiahao didn't leave and asked Dong Liqun.

Unexpectedly, Dong Liqun knocked Dong Jiahao unconscious, and then asked the housekeeper to take Dong Jiahao away.

After his wife and son left, Dong Liqun stood at the highest point in the villa.

From here, you can see the entire Dong family's villa area.

Part of it has been reduced to ruins, that is when he and David fought.

It hasn't been cleaned up yet.

Re-lighting a cigarette, Dong Liqun was waiting quietly.

He knew that what should come will come eventually.

Sure enough, before Dong Liqun finished smoking a cigarette, he felt a breath of breath coming from a distance.

There are a dozen or so, all of them are half-step Marquis!

There was no panic or panic on Dong Liqun's face.

Soon, these people came to Dong Liqun, and the leader was Ning Zhi of the Ning family.

"Uncle Dong, stay safe. It's so late and standing so high, aren't you afraid of being caught by the wind?"

Ning Zhi looked up at Dong Liqun and said with a slightly mocking voice.

“Although I’m old, I’m not as bad as you say!”

“You can catch a cold with a gust of wind, so my Martial Marquis Realm isn’t practicing in vain!”

Dong Liqun floated down from a height and stood firmly in front of Ning Zhi.

“Uncle Dong’s strength is really extraordinary, and his nephew really admires him!”

Ning Zhi touted Dong Liqun.

“You don’t need to talk nonsense, I know your intention, let’s do it...”

After Dong Liqun finished speaking, the breath of Marquis Wu erupted from his body.

A terrifying aura directly enveloped the entire Dong family villa area.

Feeling the breath on Dong Liqun’s body, even those half-step Marquis were slightly discolored.

“Uncle Dong, I think you made a mistake? As a junior, how could I possibly do anything to you!”

“I’m here this time to discuss something with Uncle Dong!”

“You see that many aristocratic sects have already taken refuge in my Ning family. I think your Dong family should also bow their heads and become ministers?”

Ning Zhi smiled lightly and asked.

“Bow your head down as a minister?” Dong Liqun narrowed his eyes slightly: “What kind of thing are you, even if your father, Ning Dahai, is here, would he dare to tell me this?”

“Don’t think it’s amazing if you destroy the Valley of the Wicked. Even if all the sects and noble families surrender to your Ning family, I, Dong Liqun, will not surrender!”

Killing intent erupted from Dong Liqun’s body, and his eyes were full of determination!

He can die, but he does not need to think about surrendering to the Ning family!

“Uncle Dong, don’t worry, I’ll show you something later, do you absolutely want to surrender to our Ning family...”

Ning Zhi smiled confidently.

Dong Liqun looked puzzled.

Just under Dong Liqun’s suspicious eyes, a black sedan approached.

And the driver of the car is the big housekeeper of the Dong family!

Chapter 1216

Under Dong Liqun's surprised eyes, the big butler got out of the car.

"What's the matter? Didn't I tell you to leave?"

Dong Liqun shouted angrily at the housekeeper.

But the big butler of the Dong family ignored Dong Liqun, and walked up to Ning Zhi and said respectfully, "Master Ning, the Dong family's mother and son are in the car!"

Seeing that the big housekeeper was respectful to Ning Zhi, Dong Liqun realized something in an instant.

"You dare to betray me?"

The anger on Dong Liqun's body rose, and then he slapped the big housekeeper with a palm.

"Uncle Dong, don't get angry, have you forgotten that your wife and children are still in the car?"

"If there is a fight, I can't guarantee their safety."

Ning Zhi raised the corner of his mouth and threatened Dong Liqun.

Dong Liqun's raised hand was put back again.

His eyes were full of anger, staring at the big butler of the Dong family.

"Why, why are you betraying me?"

Dong Liqun didn't understand why the big housekeeper had betrayed him after following him for more than ten years.

"Master, the strength of the Ning family is no longer comparable to that of the Dong family. If you follow the Ning family against you, you will only have a dead end."

"Why don't you cooperate with the Ning family, even if you become a vassal of the Ning family, it is better than losing your life!"

The big butler said shamelessly.

Dong Liqun's face flushed with anger, but he didn't speak.

With his wife and children in Ning Zhi's hands, he did not dare to act rashly.

"Uncle Dong, you just nod your head now and promise to belong to my Ning family, and I will guarantee the safety of your wife and children."

Ning Zhi looked at Dong Liqun proudly, he had already settled for Dong Liqun.

He knew that Dong Liqun would definitely agree.

Dong Liqun looked at his wife and children in the car, finally sighed and nodded helplessly.

"You are indeed very skillful and stronger than your father. I am willing to follow the arrangements of the Ning family, but you must ensure the safety of my wife and children."

Dong Liqun said to Ning Zhi.

“Uncle Dong, don’t worry about this, I will definitely guarantee it, we will be a family in the future, how could I harm them!”

“But you also know Dong Jiahao’s temperament. In order to prevent him from waking up, conflicts and accidents, I’d better lock him up for a while!”

“In order to show my sincerity, I will keep my auntie!”

After Ning Zhi finished speaking, with a wave of his hand, someone pulled Dong Liqun’s wife out of the car.

“Let go of me, you let me go...”

Dong Liqun’s wife shouted.

“Let it go!” Ning Zhi said.

Dong Liqun’s wife was released and ran directly behind Dong Liqun to hide.

“Uncle Dong, I hope to see the announcement of your surrender from the Dong family on the martial arts forum tomorrow!”

Ning Zhi’s face was full of pride, and after he finished speaking, he took the person and left.

“Son, let my son go...”

Seeing his son being taken away, Dong Liqun’s wife chased after him desperately.

However, Dong Liqun grabbed him.

At this moment, Dong Liqun suddenly felt very helpless...

The next morning!

On the Martial Arts Forum, Dong Liqun made an announcement!

A concise and clear explanation, the Dong family became the affiliated family of the Ning family, and everything was subject to the Ning family’s dispatch.

This time, the forum instantly exploded.

“The Ning family, the Ning family again, the Ning family has been very high-profile in recent days!”

“What’s going on? Didn’t the Dong family follow the Ning family all the time?”

“Overnight, the world of martial arts in Kyoto will change, and the major forces will be reshuffled.”

“Look at it, it is estimated that the Martial Arts Alliance will not be able to sit still.”

There was a lot of discussion.

However, the Martial Arts Alliance was surprisingly quiet, no one spoke up, and no one came forward to find the Ning family!

In this way, let the strength of the Ning family continue to develop.

Time flies, half a month has passed in the blink of an eye!

Chapter 1217

In the past two weeks, Ning Zhi of the Ning family has been very high profile.

Not even the Martial Arts Alliance.

And at this time in the town magic tower!

David is still cultivating desperately, and the surrounding aura is constantly nourishing David's body.

The dragon crystal in David's body began to flash with light!

Immediately after, the power of the dragon began to impact David's dantian.

And David's dantian is constantly changing!

The spiritual power in the body is growing rapidly!

And David's fleshy body continued to grow golden scales, then disappeared, and then grew!

Not bad golden body starts over and over again!

At this moment, David seemed to be in an illusion.

The body slowly disappeared and slowly appeared again, and the last golden light shone on David's eyebrows.

David suddenly opened his eyes!

Slowly getting up, David felt that his body was full of power, which rushed out like an overwhelming force.

David felt the spiritual power in his body, and his eyes were full of joy.

Divine consciousness was immersed in the body, and David found that the golden core exuded a dazzling light, floating above the dantian.

"I still haven't been able to break through the golden core and reach the Nascent Soul Realm. It seems that the road of cultivation in the future will become more and more difficult..."

Although David is now dozens of times stronger than before.

However, he still failed to break through, and his current realm has only reached the half-step Marquis.

Although it is only one step away from Marquis Wu, it is this step that some people have not been able to take for more than ten years.

David looked around, he didn't know how long he had been in.

When David walked out of the Valley of the Wicked, he was greeted with desolation!

The thick bloody smell, even after more than ten days, is still very strong.

There were vultures constantly hovering in the sky, and then nibbling on the corpses on the ground.

Fortunately, the weather is getting cooler now, so the body is not decomposed, and the temperature in the air is not disgusting.

“What the h3ll happened?”

David frowned tightly.

The corpses on the ground were all from the Valley of the Wicked, and it was obvious that a fierce battle had taken place here!

Looking at the state of the corpse, it was obvious that some time had passed.

David put away the Demon Suppression Tower, and then began to look for it in the Valley of the Wicked.

He wanted to see if anyone was still alive.

At the mouth of a cave in the Valley of the Wicked, there was light shining inside, proving that someone was inside.

When David walked to the entrance of the cave, he saw two people sitting cross-legged at a table.

There are various delicacies on the table, and two bottles of wine!

“Damn, I don’t know when that David will come out!”

“It’s been half a month. If he doesn’t come out for the rest of his life, our brothers will stay here forever.”

“I heard that the people of the Ning family are walking sideways on the street, eating and drinking spicy food all day, and there are still people waiting on them!”

“Our brothers are really unlucky. After being with the Ning family for so many years, we have finally made it through, but we have such a bad job!”

After a person took a sip of wine, he complained loudly.

“Okay, don’t complain, if the young master’s temper is known, he will definitely screw your head off!”

Another person persuaded.

Soon, the person was so frightened that he didn’t dare to talk nonsense, and could only drink.

And David at the entrance of the cave listened, and the whole person fell into contemplation.

“Ning family?”

“Could it be that the Ning family did all of this?”

“That Ning Zhi would have the ability to destroy the Valley of the Evil?”

David couldn't understand why, the strength of the Valley of the Wicked, the Ning family could be destroyed so easily.

After taking a deep breath, David walked in slowly.

He decided to ask what was going on.

When the two saw David, they were shocked, and the wine glasses in their hands fell to the ground.

“you you you...”

The two looked at David in shock.

As soon as David stretched out his hand, he grabbed a person in an instant, and then slapped that person's head with a palm.

Chapter 1218

Blood splattered on the other person, who was so frightened that he turned around and ran away.

It's just how could he escape from David's palm.

David took the man in his hand with a quick stride.

"What's going on here? You'd better make it clear to me..."

David's eyes flashed coldly, and he asked the man.

Feel the terrifying aura of David.

The guy was frightened and hurriedly told David what he knew.

The more David listened, the more angry he became, and his murderous aura instantly swept through him!

He did not expect that in order to protect him, the Valley of the Wicked was almost slaughtered in the end!

What's more, I didn't expect that Ning Zhi would be so despicable, taking advantage of the bad guy's valley and the Mobei martial arts world after a battle, he came to the villain's valley to ask for mercy.

"What else?"

David asked coldly.

"No, that's all I know..."

The man shook his head in horror.

David exerted a little force on his hand, and the man's eyes instantly stared, and he lost his breath.

“Ning family, I want you to pay the price of blood...”

A bloody murderous aura erupted from David's body.

Leaving the Valley of the Wicked, David hurried towards Kyoto.

No matter how much he pays, he will save the four wicked men.

...

Kyoto Ningjia!

Today, dozens of people from aristocratic sects have gathered in the Ning family!

Because today is Ning Zhi's birthday.

Ning Zhi, who was young, had a big birthday party.

Not only the vassal families of the Ning family were invited to participate, but even the Martial Arts Alliance was also invited.

Ning Zhi even sent an invitation to Mr. Shi!

It's just that Mr. Shi will come, that's not certain.

The entire Ning family was very lively at this time. Zao Wou-Ki and the people from the Dharma Protector Pavilion could only maintain order outside!

As the pavilion master of the Dharma Protector Pavilion, he did not receive an invitation at all.

It can be seen that there is no Law Enforcement Pavilion in Ning Zhi's eyes.

"Master, most of the guests are here, but Mr. Shi and the people from the Martial Arts Alliance didn't come!"

At this time, the housekeeper whispered in Ning Zhi's ear.

"I know they won't come."

"Now they look down on me, and in three years, I'll make them kneel in front of me."

Ning Zhi's eyes were ruthless.

After finishing his clothes, Ning Zhi walked to the hall.

Seeing Ning Zhi coming, all the people from many sects and aristocratic families quieted down.

“Everyone, thank you very much for being able to attend my birthday party. The people here today are all friends of my Ning family.”

“I can assure everyone that as long as you follow me, Ning Zhi, in three years, in just three years, you will all have a place in the world of Kyoto martial arts...”

Ning Zhi’s words were crazy, but no one refuted or questioned them!

They all applauded desperately, echoing Ning Zhi.

The banquet started, and the scene was lively.

Outside the Ning family villa, a figure slowly appeared, with endless killing intent on his body.

“Mr. Chen?”

Zao Wou-Ki, who was originally maintaining order outside to prevent turmoil, saw David at a glance.

David was a little surprised when he saw Zao Wou-Ki.

“Gate Master Zhao, what are you doing here?”

David asked.

“What kind of birthday party is Ning Zhi hosting today, I’m here to maintain order and prevent a sect family from seeking vengeance and fighting!”

Zao Wou-Ki explained, and then asked David: "Mr. Chen, what are you doing here at this time? But there are many people looking for you!"

"I'm here to kill..."

David's eyes turned to the Ning family's villa.

When Zao Wou-Ki heard this, his heart trembled slightly, and he hurriedly stopped David: "Mr. Chen, if you want to kill that Ning Zhi, today is not the time."

"Now in the Ning family, there are dozens of people, all of them from major sects and families in Kyoto, and all of them are masters."

"And these sect families are all vassals under the Ning family. If you do something against Ning Zhi, you will definitely be attacked by these people!"

Zao Wou-Ki persuaded David to kill Ning Zhi at this time, wouldn't that be courting death?

Chapter 1219

"That's right, I want to see which sects and noble families are following the Ning family, then I will take action against them one by one!"

David said with a cold expression.

Zao Wou-Ki saw that David was determined and it was not easy to persuade him, so he hurriedly left and went to find Mr. Shi.

David alone against so many families, that is sure to lose!

What Zao Wou-Ki didn't know was that David's strength at this moment was far from what it used to be.

Step towards the Ningjia Villa!

As soon as he arrived at the door, David was stopped by the guard at the door.

"Hello, do you have an invitation?"

The guard asked David.

David shook his head.

"You can't enter without an invitation, get away..."

Seeing that David had no invitation, he was about to go inside, and the guard suddenly turned cold.

"I'm here to give you a gift, Young Master Ning."

David said lightly.

"Gift? What?"

The guard saw that David's hands were empty, and he didn't bring any gifts at all!

“Send the head!”

After David finished speaking, he reached out and grabbed the guard, then twisted the head off.

Walking into the hall of the villa, David threw the head out of his hand.

WOW...

Heads roll on the table in the middle, planning a lot of cups.

Everyone was taken aback by this sudden scene.

But after all, they are all the people of the major sects and families, and what kind of scenes have never been seen.

Soon the scene calmed down.

Ning Zhi’s face was full of anger, and he looked towards the door.

When he saw David’s figure, his eyes narrowed slightly.

“David?” Ning Zhi was a little surprised: “I didn’t expect you to come out. Now that you are out of the customs, if you don’t run for your life, you still dare to come here to find death?”

“Where are the four villains?”

David asked coldly.

“It turns out that you are looking for the four evil men. I can tell you that they are in the water prison of my Ning family. Do you want to accompany him?”

Ning Zhi smiled lightly.

“Stop talking nonsense, either make friends or die...”

David’s voice was extremely cold, with Sen Han’s killing intent.

“Hahaha, are you fcuking out of your mind? You don’t even look at who I am here.”

“You alone dare to come to my Ning family to ask for someone?”

“I think you’re tired of living.”

Ning Zhi laughed. He didn’t think David had the ability to kill himself in front of so many masters.

“It’s all a mob. If you don’t want to die, leave the Ning family immediately. If you stay, I will make you disappear from the capital one by one.”

David glanced at the crowd at the scene.

David's words instantly annoyed everyone. You must know that these people are the patriarchs of aristocratic sects. How could they have been so humiliated.

"You are David, you are young and your tone is not small. Today I will let you taste my methods!"

The Sect Master He of Dingtianmen shouted angrily, exuding a tyrannical aura.

"Just you? A lackey, also worthy of fighting with me?"

David smiled coldly, and the breath on his body burst out instantly.

"I kill you..."

Sect Master He was furious. Although their Dingtian Sect was attached to the Ning family, they were directly called lackeys. How could this be tolerated.

Sect Master He shot towards David with a palm, and the overwhelming energy swept towards David.

The strength of Wuzong's peak is also not to be underestimated.

David's body exuded golden light, that terrifying aura, which made everyone feel that their breath was tight in an instant!

"Sect Master He, don't be reckless..."

Seeing this, Ning Zhi hurriedly wanted to stop him.

It was a pity that it was too late, and the Master Hemen rushed out and went straight to David.

“That’s it?”

David raised the corner of his mouth, and then punched it out.

Above the fist, a dazzling golden light shone directly on the chest of Sect Master He.

boom!

I saw David’s punch directly penetrated the body of He Sect Master.

Blood splattered everywhere, and the bloody aura gushed out at once.

Chapter 1220

Sect Master He looked at his pierced chest in disbelief, his eyes full of horror.

He opened his mouth slightly and wanted to say something, but he didn’t say a word, and then he tilted his head, and there was no breath.

David threw it hard and threw the body of the Sect Master He out.

It’s like throwing a dead dog at random.

“Who else?” David glanced coldly.

When everyone saw this, their hearts sank. They didn't expect David's strength to be so abnormal.

Even if David defeated Long Xiao and killed Guo Wei some time ago, he still tried his best.

But now, both at the peak of Wuzong, this Sect Master He was beaten to death without even having time to touch David.

Such strength is simply too terrifying.

Ning Zhi's face became a little ugly, and he stared at David: "I didn't expect your strength to increase in a short period of time."

"In this way, those treasures on your body have indeed benefited you a lot."

During this time, Ning Zhi witnessed the rapid growth of David's strength!

However, Ning Zhi doesn't think that David's talent is strong, but thinks that the reason why David's strength grows so fast is because of the treasure in his hand.

"Didn't you always want to get my treasure? Now I'm here, come and get it if you have the ability!"

David stimulated Ning Zhi with words.

As long as Ning Zhi shoots at him, David will kill Ning Zhi immediately.

It's just that Ning Zhi is very thoughtful. He knows that he is fighting alone and is definitely not David's opponent, so it is impossible for him to shoot David.

"Hmph, David, no matter how strong you are, with so many of us, it's easy to kill you!"

After finishing speaking, Ning Zhi said to everyone, "Everyone, David's strength is no longer a match for one person. Let's kill him together."

Everyone nodded, and then a terrifying aura erupted from their bodies.

"David, this time, you are dead..."

Ning Zhi sneered.

"Just a bunch of rubbish..."

David clenched his fists, and then golden scales began to grow on his body!

The indestructible golden body was brought to the extreme by David.

Although David demeaned everyone and looked down on these people, it did not mean that David would really despise these people.

So many Wu Zong shot together, the power is comparable to a bomb.

No one dares to ignore it.

In an instant, one after another ray of light died, followed by countless energy techniques moving towards David.

With so many strength techniques, the entire void began to tremble, and the entire villa collapsed directly.

Smoke and dust are everywhere, but these people are Wu Zong, and the collapse of small bricks, stones and tiles will not hurt them at all.

David faced these people, waved his hand, the Dragon Slaying Sword appeared, and the raging fire burned, reflecting half of the sky red.

“Break out the water...”

The Dragon Slaying Sword in David’s hand waved instantly.

One after another, fiery red sword qi shot out directly, and then was confronted by those strong qi spells.

bang bang bang ...

The sound of explosions is endless, like the war of the century.

With so many people born together, even though David blocked some of the attacks, there were still a lot of strong qi spells hitting David.

David’s body burst out with golden rays of light. Under so many attacks, even if there is an undamaged golden body, the scales on David’s body began to fall off and disappear.

David did not flinch, his eyes became scarlet, and the invincible fighting spirit on his body made everyone terrified!

“kill!”

David took countless attacks and swung his sword fiercely.

The fierce sword qi instantly split a sect master in half, and blood splashed, turning many people into bloody people.

Such a terrifying scene made many people cry out in amazement!
