

A Man Like None Other Chapter 1241 – 1250

Chapter 1241

One of the elders said: “Palace Master, although the conditions we offered are very attractive, Xiang Chong is famous and cruel, and no one dares to provoke him.”

“What’s more, behind this Xiangchong is the Holy Beast Palace, no one wants to offend him!”

Hearing this, Ji Ruxue furrowed her brows tightly: “Did I dedicate myself so that no one would dare to deal with that Xiangchong?”

Several elders stopped talking, all bowed their heads.

“Go, change the announcement, who can help me in the Red Lotus Palace to deal with that Xiang Chong, I, Ji Ruxue, can marry him...”

Ji Ruxue gritted her teeth and said.

“Palace Master, it is absolutely impossible. If you are married, according to the ancestral instructions, you cannot be the Palace Master!”

An elder hurriedly persuaded.

“Then pass on the position of the palace master to Xiaomin. If not, all of us in the Red Lotus Palace will bury the hand of Xiang Chong!”

“Who is he, you know better than me. This guy has been spying on my Red Lotus Palace for many years.”

“Now that he has become the adopted son of the old beast in the Holy Beast Palace, he is even more unscrupulous.”

“How many girls are ruined in his hands? No girl can leave completely in his hands!”

“If I can exchange for the innocence of everyone in the Red Lotus Palace, it’s worth it...”

Ji Ruxue’s words were very tragic.

But several elders knew that there was nothing else to do except that, after all, Xiang Chong was the strength of a half-step Marquis.

Relying on Ji Ruxue, an eighth-rank martial sect, he was no match for Xiang Chong at all.

What’s more, Xiang Chong is backed by the Holy Beast Palace!

I just don’t know now, even if Ji Ruxue dedicates herself, it is still unknown whether anyone would dare to help the Red Lotus Palace!

Soon? Two days have passed.

Even though Ji Ruxue offered the condition that she promised herself, no one came.

In the entire south, the Holy Beast Palace is the number one sect, and no one dares to provoke it!

And the warriors in other places will not follow the Holy Beast Palace as an enemy for a woman. After all, the strong dragon can’t suppress the local snake.

“Remember, at the last minute, no matter what, you should escort Xiaomin away and give her the order of the Palace Master of the Red Lotus Palace. As long as Xiaomin is alive, the Red Lotus Palace will always be there!”

“And the other disciples of our Red Lotus Palace, even if they commit suicide in the end, they can’t be cheap, Xiang Chong, that beast!”

“Because in his hands, life is better than death...”

Ji Ruxue followed the elders with a solemn expression.

Everyone’s face was dignified and sad.

Because they are all women in the Red Lotus Palace, they act very low-key, just because they are afraid of being targeted by those who care.

Unfortunately, he was still caught.

Looking at a group of very beautiful little girls with skin like snow, which man would not be tempted.

Just then, a disciple of the Red Lotus Palace hurried in.

“Palace Master, someone outside is asking to see you, saying that they are here to help our Red Lotus Palace.”

said the disciple.

Ji Ruxue stood up abruptly: "Go, go and see..."

Finally someone came to help.

However, it also showed that Ji Ruxue was going to devote herself to go out, but for the sake of the Red Lotus Palace, she had no choice.

The only thing Ji Ruxue is looking forward to now is that the person who comes here should preferably be a young and handsome guy.

If it is an old man in his seventies and eighties.

Ji Ruxue was afraid that she was going to die of nausea!

When Ji Ruxue brought people to the door, she found a man wearing navy blue clothes and sunglasses standing there.

It seemed that she was not too old, and she was good looking, which made Ji Ruxue a little relieved.

After seeing Ji Ruxue, the man was stunned and took off his sunglasses.

With his mouth slightly open, the harazi almost didn't flow out.

Seeing the man like this, Ji Ruxue's face changed slightly, and her impression of the man was also much worse.

Chapter 1242

But the other party is here to help him, Ji Ruxue can't show disgust, can only smile: "I don't know this son, what's wrong with coming to my Red Lotus Palace?"

The man looked straight at Ji Ruxue.

"Palace Master Ji really lives up to his reputation, with fair skin and beautiful long legs, she is really beautiful!"

The man said, wiped a handful of saliva and continued: "My name is Chen Chen. I came here to help Palace Master Ji after seeing the announcement."

Ji Ruxue looked at the man's dissolute appearance, and the disgust in her eyes became even stronger.

He just smiled and said, "Young Master Chen, since you saw the announcement, you know what our Red Lotus Palace is going to face. Are you really capable of dealing with it?"

Ji Ruxue wouldn't easily believe the man in front of him. After all, Xiang Chong's strength was not bad, and with the support of the Holy Beast Palace behind him, most people would not dare to oppose Xiang Chong.

"Of course I know, isn't it just to deal with the color embryo Xiangchong? Let me tell you, when Xiangchong saw me, he would definitely kneel down and call Grandpa,"

"As long as I'm in the Red Lotus Palace, then Xiang Chong Jue won't dare to touch the Red Lotus Palace!"

The man looked confident, but then changed the conversation: "But I helped the Red Lotus Palace. I don't know if what Ji Palace Master promised is true?"

Ji Ruxue blushed slightly, but she still bit her lip and said, "If Chen Gongzi really saved our Red Lotus Palace, of course what I said is true, there is absolutely no deception!"

"Hahaha, that's fine, as long as I'm here, I can guarantee that the Red Lotus Palace will be fine!"

Chen Chen squinted at Ji Ruxue and laughed.

"Young Master Chen, don't forget, that Xiangchong is backed by the Holy Beast Palace, you need..."

"Don't worry, if you report your father's name, the Holy Beast Palace will also give you some face."

Before Ji Ruxue could finish speaking, Chen Chen waved his hand and said.

Ji Ruxue was stunned for a moment. She didn't expect that Chen Chen was still a son of a wealthy family. From the looks of it, their family must be very good.

"Master Chen, don't know who your father is?" Ji Ruxue wanted to know who Chen Chen's father was, and even the Holy Beast Palace gave him face.

"Palace Ji, don't ask, since I'll keep your Red Lotus Palace all right, that's fine!"

It seemed that Chen Chen didn't want to say anything, so Ji Ruxue stopped asking.

"Since this is the case, then Mr. Chen, please..."

Ji Ruxue bent down slightly and made a gesture of invitation.

A smear of white snow on his chest was exposed, making Chen Chen's eyes straight, and his heart skipped a beat.

Chen Chen walked to Ji Ruxue's side, reaching out to grab Ji Ruxue's hand, but Ji Ruxue fluttered away.

Chen Chen was stunned for a moment, and then said: "Palace Ji, do you want to go back and regret it? Didn't you say that whoever helps you in the Red Lotus Palace, you sleep with whomever?"

Chen Chen's words were very straightforward, causing Ji Ruxue's face to blush to the neck.

"Don't get me wrong, Young Master Chen, I said, if anyone saves our Red Lotus Palace, I will sleep with him, but Xiang Chong hasn't come yet."

"When Xiang rushes over, after Chen Gongzi drives him away, I will naturally accompany Chen Gongzi..."

Ji Ruxue said a little embarrassedly.

"If that's the case, I really hope that Xiangchong will come sooner!"

Chen Chen was a little disappointed, and followed Ji Ruxue into the Red Lotus Palace.

Looking at the female disciples in the Red Lotus Palace, Chen Chen's eyes were dazzled, and he wished he had a hundred pairs of eyes.

Ji Ruxue looked at Chen Chen like that, and she was already disgusted to the extreme.

“Palace Ji, as the so-called long night is long, since you can’t accompany me, you can just order a female disciple to accompany me.”

“I heard that the female disciples of your Red Lotus Palace are all big girls...”

Seeing so many beauties, Chen Chen couldn’t help but said to Ji Ruxue.

Ji Ruxue resisted the anger in her heart and said to Chen Chen, “Young Master Chen, don’t be in a hurry. When you rush to the rush, my Red Lotus Palace will definitely thank you heavily. You can do whatever you want...”

Chapter 1243

Chen Chen’s eyes lit up when he heard it, and he licked his lips: “Haha, so I’m going to die in a pile of women...”

Ji Ruxue was angry, panting heavily, but she didn’t dare to say anything.

After Chen Chen was settled, Ji Ruxue smashed things desperately in the hall to vent her anger.

She had no choice but to vent her emotions like this.

“Palace Master, can that guy really help us rush to the Red Lotus Palace? Why do I look unreliable?”

An elder said with some doubts.

“Yes, I also see that the guy has no ability, and he looks like he is squinting. I really want to buckle his eyes!”

Another elder also said angrily.

Ji Ruxue calmed down and said slowly: "Can we, we can only pin our hopes on him now, you remember my words, at a critical juncture, run away with Xiaomin, leave me alone..."

"I won't leave my sister and go alone..."

At this moment, Xiaomin suddenly broke in and looked at Ji Ruxue with tearful eyes.

Ji Ruxue saw that Xiaomin rushed in and knew everything, so she waved her hand and let several elders go out.

"Xiao Min, don't be self-willed. My sister did this to protect the Red Lotus Palace. As long as you are still alive, you can rebuild the Red Lotus Palace with the Palace Master's Order."

Ji Ruxue stepped forward and gently wiped Xiaomin's tears.

"I don't, I will never leave my sister. I want to die. We will die together. Without my sister, I can't live by myself!"

Xiaomin plunged into Ji Ruxue's arms.

"Silly child, you are also grown up, no sister is the same."

Ji Ruxue also cried, why didn't she want to accompany her sister, she also knew that Xiaomin was still young, if she left her, life would be very hard.

But he had no choice but to plan for the worst.

“Sister, what about Brother Chen? Where did he go?”

At this time, Xiaomin thought of David, so she asked Ji Ruxue.

“He left the Red Lotus Palace long ago...”

Ji Ruxue sent David away at that time, and should have left the Red Lotus Palace by now.

“No, I’m guarding at the palace gate. I didn’t see Brother Chen going out. He might still be in the Red Lotus Palace!”

“Brother Chen’s ability is great, can we ask him to help us?”

Xiaomin asked.

Ji Ruxue really smiled awkwardly: “Silly girl, it’s not as simple as you think, and everyone is not as simple as you think. It’s not relatives, not friends, so why should they help you?”

“Besides, although David has made some famous halls in Kyoto, his strength is not bad, but this is the south after all, and there is the Holy Beast Palace behind Xiang Chong, so David dares to follow the Holy Beast Palace?”

When Ji Ruxue said this, Xiaomin fell into silence, and she didn’t know if David would help.

After a while, Xiaomin suddenly said, "I'm going to look for Brother Chen, he must be still in the Red Lotus Palace, maybe he will really help..."

After Xiaomin finished speaking, she ran out. Ji Ruxue wanted to stop her, but found that Xiaomin had already run away.

"This silly girl, it's too easy to trust people..."

Ji Ruxue shook her head.

...

The next day, everyone in the Red Lotus Palace was full of seriousness and tension.

Everyone was standing by, arms in hand.

They are waiting for Xiang Chong's arrival!

Life or death depends on today.

And that Chen Chen, when the sun was very high, yawned and walked out of the room.

As soon as he walked out of the room, he saw Ji Ruxue leading someone to wait for him at the door.

"Palace Ji, don't be nervous, I said to keep your Red Lotus Palace okay? Then it's definitely okay!"

Chen Chen said confidently.

“Then I’ll trouble Young Master Chen...”

Seeing that Chen Chen had always been so confident, Ji Ruxue believed him a little, and felt a little relieved in her heart.

Chapter 1244

“Don’t worry, as long as Palace Master Ji doesn’t forget to promise me, I had a good dream last night...”

Chen Chen smiled evilly.

“I won’t forget...”

After Ji Ruxue finished speaking, she led her to the palace gate.

Chen Chen also followed behind.

Nearly noon, I saw that Xiangchong brought a few people to the gate of the Red Lotus Palace.

The people around Xiang Chong are all in the realm of Wuzong, while Xiang Chong himself is a half-step Wuhou!

With such strength, the Red Lotus Palace is not a rival at all.

“Palace Ji, what are you thinking? As long as you, the Red Lotus Palace, follow me to Xiang Chong, I promise to let you live your life like a dream.”

Xiang Chongse looked at Ji Ruxue narrowly and said.

“Hmph, Xiang Chong, you shameless beast, I, Ji Ruxue, will never give in to you.”

Ji Ruxue said angrily.

Xiang Chong’s face turned cold, his eyes were slightly condensed, and his body was full of murderous aura: “Don’t shame you, if you really want me to do it, then I will take all of you Red Lotus Palace disciples to the Holy Beast Palace and let them They’re so cool...”

“Even if we die, we will never succumb to you. Don’t think that with the support of the Holy Beast Palace behind you, you can do whatever you want.”

“I tell you, I also got helpers to deal with you...”

After Ji Ruxue finished speaking, she called back, “Young Master Chen, come out...”

At this time, Chen Chen walked out with square steps, and looked at Xiang Chong coldly: “Xiang Chong, I am here to see who of you dares to touch the Red Lotus Palace!”

Xiang Chong looked at Chen Chen, frowning slightly: “Who are you?”

Xiang Chong didn’t know Chen Chen, but seeing that Chen Chen was not afraid of himself, and he spoke very hard, so he felt a little unsure.

After all, if you dare to talk to him like this, there must be a lot of strength behind it.

“Haha, who am I? Let me tell you, even if the Holy Beast Palace is here, you have to give me face, you are a f. art!”

“I advise you to hurry up, don’t irritate me, and none of you want to leave!”

Chen Chen said arrogantly.

This time, he was stunned by Xiang Chong, he wanted to move out of the Holy Beast Palace, but who knew that when he opened his mouth, he said that the Holy Beast Palace would also save face.

At this time, Xiang Chong put away his breath, and said with a smile on his face: “Mr. Chen, forgive me for my clumsiness, I really don’t know which family’s son-in-law Mr. Chen is.”

“I also hope that Young Master Chen will show that we will be friends in the future...”

Xiang Chong hurriedly took out a cigarette and handed it to Chen Chen with a very respectful expression!

Seeing Ji Ruxue here, he was also relieved. If Xiang Chong was so afraid, then the Red Lotus Palace would be fine.

However, when she thought of sleeping with Chen Chen at night, Ji Ruxue felt nauseated in her heart.

At this moment, Chen Chen took the cigarette, put it in his mouth, and waited for Xiang Chong to light it.

And Xiang Chong hurriedly turned on the lighter, ready to light it up.

“Let me tell you, my father, Chen Erhe, is the Protector Pavilion of Yuzhou...”

Before Chen Chen finished speaking, he was stunned when he saw Xiang Chong, and the lighter in his hand went out.

Immediately after his face was full of anger, he slapped Chen Chen fiercely and slapped the cigarette out of Chen Chen’s mouth.

“Xiang Chong, you fcuking...”

Chen Chen roared at Xiang Chong, but before he could finish speaking, Xiang Chong kicked him.

Chen Chen flew out like a kite with a broken string, and then fell heavily to the ground.

Chen Chen vomited blood, and his face became very ugly.

This time, Ji Ruxue was a little stunned, why was Chen Chen so vulnerable?

Xiangchong angrily walked in front of Chen Chen, and then he said with another kick: “I fcuking asked your father, Chen Erhe, to almost scare Lao Tzu.”

“Damn, isn’t your father the pavilion master of the Dharma Protector, why are you dragging me...”

Xiang Chong was about to die of anger, so he stomped on Chen Chen’s feet a few times.

Chapter 1245

Chen Chen was beaten with blood from his nose and mouth, and then knelt on the ground begging for mercy.

“Stop hitting, please don’t hit...”

Chen Chen didn’t expect that Xiang Chong was not afraid of his father at all.

He relied on his father as the pavilion owner of the Yuzhou Protectorate Pavilion, and he often showed off his power and no one bothered him.

After seeing Ji Ruxue’s announcement, I thought of coming over to take advantage of Ji Ruxue.

But how did he know that the pavilion master of a small local Dharma-protecting pavilion was considered a piece of sh!t in the eyes of a big sect family!

In the end, Chen Chen was beaten to the brink of death, but Xiang Chong did not kill him. After all, although the position of the pavilion master of the Protector Pavilion was not high, he was also an official, so Xiang Chong wanted to save face.

“Go away, if it wasn’t for your dad’s face, I would kill you today...”

Xiang Chong shouted at Chen Chen.

Chen Chen was so frightened that he rolled and ran, and he didn’t even have the time to look at the beauty.

This made Ji Ruxue angrily stomping her feet. She didn't expect this Chen Chen to be a pretentious thing.

Knowing that his father was Chen Erhe, Ji Ruxue would not give him face.

Just a small pavilion master!

She was teased by Chen Chen's words yesterday, and Ji Ruxue got angry just thinking about it.

After Chen Chen ran away, Xiang Chong looked at Ji Ruxue with a proud face: "Palace Master Ji, look at what this helper you have found is."

"You still promise yourself. Even so, do you see someone coming to help you? I advise you to be aware of current affairs and obey me obediently."

"In the future, the Red Lotus Palace will be mine. When the time comes, the Holy Beast Palace will cover it, and I can make the Red Lotus Palace the second major sect in the south!"

With a proud face, Xiang Chong slowly walked towards Ji Ruxue.

Ji Ruxue stepped back again and again, her expression extremely difficult to see.

"Xiang Chong, even if we die, we won't be cheap, you big pervert..."

With that said, Ji Ruxue took out her saber, ready to fight to the death!

And the disciples of the Red Lotus Palace are also ready to die.

At this time, Ji Ruxue was only worried about her younger sister, Xiaomin. At this time, she was very worried that Xiaomin was nowhere to be seen.

“Elder, there will be a fight in a while, you go to Xiaomin, be sure to take her away...”

Ji Ruxue said to the Great Elder.

The first elder hesitated for a while, but finally nodded and said, “Don’t worry, Palace Master, I will definitely take Xiaomin out!”

Ji Ruxue had no worries, and looked at Xiang Chong angrily: “Xiang Chong, either you die today or I die, come on...”

Upon seeing this, Xiang Chong instantly burst into a terrifying aura, and then he said to the hurried men behind him: “Give me a hand, but don’t kill them, only living is useful!”

After speaking, Xiang Chong took the lead in rushing towards Ji Ruxue, while the others also fought in an instant!

However, because what Xiang Chong wanted was not to kill Ji Ruxue and the others, he did not let go of his hands and feet, which enabled Ji Ruxue and the others to fight with Xiang Chong and the others.

While fighting on this side, Xiaomin on the other side was still looking for David, she firmly believed that David definitely did not leave the Red Lotus Palace.

Xiaomin has been searching all night, almost rummaging through the entire Red Lotus Palace, but there is still no sign of David.

Xiaomin reached the depths of the Red Lotus Palace and walked up the stream.

The mountain was the last place she wasn't looking.

Following the stream, Xiaomin soon discovered the cave.

Looking at the dark cave, Xiaomin was a little scared and didn't dare to go in. She seldom came here because Ji Ruxue stipulated that no one could come and go here casually.

"Is there anyone? Is Brother Chen inside?"

Xiaomin did not dare to enter the dark cave, so she could only shout at the entrance of the cave.

The voice followed the cave and soon reached David's ears.

David, who was cultivating, suddenly opened his eyes.

As soon as he heard it, he could tell that it was Xiaomin's voice.

Chapter 1246

At this time, Xiaomin was still shouting at the entrance of the cave. After shouting twice, there was no movement. Xiaomin was a little lost...

But just when Xiaomin turned around and was about to leave, he found that there was a faint blue fire in the cave, followed by a dark figure!

This terrified Xiaomin and thought she had encountered a ghost!

“Ghost...”

Xiaomin screamed in fright and closed her eyes.

“Who are you calling a ghost?”

At this time, David had walked up to Xiaomin and smiled slightly.

When Xiaomin heard David’s voice, she hurriedly opened her eyes and found that it was really David.

“Brother Chen, you really didn’t leave the Red Lotus Palace...”

Seeing David, Xiaomin was so happy that he almost jumped up.

“Xiaomin, do you have anything to do with me?”

David was a little surprised, how could Xiaomin come here to find herself.

“Brother Chen, our Red Lotus Palace is in trouble, can you help us? My sister said I don’t want to trouble you...”

Xiaomin bit her lip and looked at David pleadingly.

“What happened?”

David asked in a daze.

Xiaomin was about to open his mouth, but David reached out his hand, interrupting Xiaomin’s words, but his expression was serious, and his brows were slightly wrinkled.

At this time, the sound of fighting had already reached here.

“go...”

David grabbed Xiaomin, then took a quick step and rushed to the door of the Red Lotus Palace!

“elder sister...”

Xiaomin saw that Ji Ruxue was fighting with Xiang Chong.

Now Ji Ruxue was soaked with sweat, her clothes were soaked, she was out of breath, and her physical strength was a little weak.

But that Xiangchong had a wretched face, and he didn’t seem to be in a hurry, he was playing with Ji Ruxue.

When Ji Ruxue heard Xiaomin calling her, she hurriedly looked over and yelled at Xiaomin, “Xiaomin, run away, don’t mind here...”

Ji Ruxue told Xiaomin to run away quickly.

“Sister, I found Brother Chen...”

Xiaomin shouted.

Ji Ruxue also saw David beside Xiaomin at this time. She didn't expect that David did not leave the Red Lotus Palace.

“Brother Chen, save my sister...”

Xiaomin took David's arm and prayed.

David nodded, and then his figure disappeared in a flash.

Immediately afterward, a majestic force blasted towards that direction.

Xiang Chong's expression changed, and he quickly retreated to avoid the blow!

But David bombarded a deep pit on the ground!

The loud explosion made everyone stop, and Ji Ruxue looked at David and thanked David, “Thank you, Mr. Chen for helping me...”

David glanced at Ji Ruxue, and then his face flushed.

Because Ji Ruxue was sweating profusely at this time, her clothes were soaking wet, so she was very transparent under the sunlight!

David almost didn't have a nosebleed when he saw it.

"Palace Master Ji, I'll take care of these guys. You should change your clothes..."

David didn't dare to look directly at Ji Ruxue!

Only now did Ji Ruxue realize that she had lost some light, so she hurriedly turned around to change her clothes.

And that Xiangchong looked at David with a gloomy expression, and his expression was a little dignified.

"You are the David who killed Guo Wei, director of the Kyoto Martial Arts Alliance?"

Xiang Chong asked David.

"Yes, I didn't expect you to know me!"

David smiled lightly.

Seeing David admit it, Xiang Chong's face became even more ugly.

David is well-known at the moment, and most people are reluctant to provoke him. In fact, this saves David a lot of trouble.

Otherwise, if a cat or a dog comes to trouble him, David will be annoyed to death.

“David, you and I have no grievances or grudges. Today is our grievance with the Red Lotus Palace. I hope you don’t interfere.”

“When I solve the Red Lotus Palace, I invite you to sit down at the Holy Beast Palace...”

Xiang Chong didn’t want to have a conflict with David, but he couldn’t let the Red Lotus Palace go.

Simply moved the Holy Beast Palace out.

He thought that David would retreat after hearing the three words of the Holy Beast Palace.

Chapter 1247

“Holy Beast Palace, never heard of...”

Who knows, David has never heard of the Holy Beast Palace!

Xiangchong was pissed off.

“David, do you really want to go through this muddy water?”

Xiang Chong glared at David and asked.

“That’s right!” David nodded.

“Brother Chen, teach this guy a good lesson. This guy is bad. He stared at our Red Lotus Palace very early, and said that he wanted to sleep all the women in our Red Lotus Palace...”

Xiaomin glared at Xiang Chong and said to David.

“Don’t worry, I’ll make him a eunuch in a while, and never miss a woman again...”

David said lightly.

“David, you’re deceiving people too much. I really think I’m afraid you won’t succeed. I’m a half-step Marquis of Wu. My subordinates are all in the realm of Wuzong. If we join forces, we won’t be able to fight against you?”

Xiang Chong roared angrily, his whole body bursting with energy.

Immediately afterwards, the coercive aura in Xiang Chong’s body began to shroud David.

The people behind Xiang Chong also exuded a terrifying aura, pressing towards David.

But David didn’t care at all, with a half-step Marquis, plus a few Martial Sects, he could still handle it.

Xiang Chong’s terrifying energy brought gusts of wind, and then he shouted angrily and punched David.

David snorted coldly, raised his hand lightly, and grabbed Xiang Chong's fist.

This time, Xiang Chong was stunned, and then struggled desperately.

Unfortunately, no matter how hard he tried, he couldn't break free from David's shackles.

"With this little strength, you dare to come out and find a woman?"

David looked at Xiang Chong with disdain.

Xiang Chong swallowed his saliva with a look of horror on his face. He did not expect that his half-step Wuhou's strength would be vulnerable in front of David.

This time, the few Wu Zongs behind Xiang Chong were also dumbfounded, and they didn't dare to shoot.

David's strength has exceeded their imagination, even the half-step Wuhou Xiang Chong is so unbearable, and these people will die if they go up.

At this moment, Ji Ruxue changed her clothes and walked out.

When he saw Xiang Chong being controlled by David lightly, he felt a little stupid.

How can Xiang Chong be subdued so easily?

At this moment, Xiaomin was full of admiration and excitement.

“Brother Chen, you are amazing, kill him, kill him...”

Xiaomin jumped up happily.

“Don’t, don’t kill me... Please don’t kill me...”

Xiang Chong said with a trembling expression on his face.

“If you say you won’t kill you, then who am I? Why should I listen to you?”

David said, and slapped Xiang Chong with a palm.

“Mr. Chen...”

Seeing this, Ji Ruxue hurriedly stopped David.

David looked at Ji Ruxue in surprise.

Ji Ruxue said: “Mr. Chen, this Xiangchong is the adopted son of Fei Qingping, the master of the Holy Beast Palace. If you kill him, I am afraid that the Holy Beast Palace will trouble you...”

Ji Ruxue was afraid that David would be in trouble in the future, not to mention that she only hoped to drive away this Xiang Chong.

If they really killed Xiang Chong, they probably wouldn’t be able to stay in the south of the Red Lotus Palace.

“Yes, if you kill me, my foster father can’t spare you...”

Xiang Chong threatened David.

“Damn, I hate other people’s threats the most...”

After David finished speaking, he slapped Xiang Chong’s head with a palm.

Xiang Chong’s head burst like a watermelon, and the dead can’t die any longer.

Seeing this, the few people brought by Xiang Chong were so frightened that they turned around and ran away, but David ignored them.

Looking at Xiang Chong’s death, the scene was silent!

Ji Ruxue looked at David in shock, her face full of shock!

“Mr. Chen, thank you...”

After a while, Ji Ruxue thanked David.

Ji Ruxue’s eyes are full of tenderness and admiration, she likes a man like David.

“Thank you, Mr. Chen...”

Everyone in the Red Lotus Palace thanked David.

Chapter 1248

“Palace Ji, I’m just doing my best, don’t be so polite!”

David smiled lightly.

“Mr. Chen, your effort has saved all of our Red Lotus Palace. Our Red Lotus Palace must repay this kindness!”

Ji Ruxue said.

“Palace Ji is serious!”

David did not plan to let the Red Lotus Palace repay him.

“Brother Chen, you are the savior of our Red Lotus Palace. You stay in the Red Lotus Palace for a few days, so that we can also repay you!”

Xiaomin said, walking David towards the main hall.

At noon, Ji Ruxue personally cooked and set a table for David!

Looking at those delicious dishes, David did not expect that a dignified palace lord could even cook!

“Brother Chen, you can be considered lucky, my sister’s cooking is very delicious!”

Xiaomin said while adding vegetables to David's bowl.

"Well, Palace Master Ji's craftsmanship is really good!"

David nodded.

"Mr. Chen, since you like to eat, then eat more. In the future, don't call me Palace Master, just call me Ruxue or Xiaoxue!"

After Ji Ruxue finished speaking, her cheeks were flushed, and she did not dare to look directly at David.

David was slightly taken aback, but he didn't call Ji Ruxue that, after all, they weren't that close.

"I'll be your girl Ji in the future!"

David said.

Ji Ruxue's face was slightly disappointed, but she didn't say anything.

"Brother Chen, can you stay away for a while and stay in our Red Lotus Palace for a while longer?"

Xiaomin asked David.

David shook his head: "I still have a lot of things to do, I can't stay here for a long time."

As the New Year is approaching, David has to hurry up to practice and rescue his mother and Sonya.

Hearing this, Xiaomin was a little disappointed, but she still smiled and said: "Brother Chen, since you can't stay for a long time, you can always come and see if you have time?"

"Of course, I'll come to see you when I have time. The scenery here is very good, and the climate is pleasant, which is very suitable for cultivation!"

David said with a smile.

"By the way, Brother Chen, what did you do in the cave in Houshan?"

At this time, Xiaomin remembered that it was David who was found in the cave, so he asked curiously.

And when Ji Ruxue heard Xiaomin mention the cave, her face changed slightly and she looked at David.

"I was just wandering around and suddenly found the cave. I felt that there was a lot of spiritual energy in it, and I practiced in it for two days!"

David didn't lie either, he told the truth.

"Brother Chen, then you..."

Xiaomin wanted to ask something else, but Ji Ruxue glared at her: "Xiaomin, eat quickly, then go to guard the palace gate, ask questions, and let Mr. Chen eat?"

As soon as Xiaomin heard this, she hurriedly stuck her tongue out at David, made a face, lowered her head and started to eat.

After eating and clearing the table, Ji Ruxue screened everyone off.

There were only David and Ji Ruxue in the room at this time, and the atmosphere became a little awkward for a while.

“Mr. Chen, I once issued an announcement that whoever saves our Red Lotus Palace, I will accompany him overnight, and even marry him!”

“Now you help us kill that Xiangchong, so you can do whatever you want to me...”

While speaking, Ji Ruxue actually took off her red dress!

The snow-white skin was exposed outside, and the faint aroma of the body filled the entire room!

When David saw this, blood rushed to the top of his head, and a nosebleed instantly flowed out of his nose.

David hurriedly turned around and covered his nose with his hand: “Miss Ji, I don’t know what announcement you made, and I didn’t think about what it would do to you. You should put on your clothes!”

“What? You are not satisfied with my figure?” Ji Ruxue looked at David in surprise: “If you are not satisfied with me, in the entire Red Lotus Palace, except for Xiaomin, you can choose whatever you want, and I can let them accompany you! “

Chapter 1249

“That’s not what I meant. I already have a girlfriend, so don’t do that. This time it’s hard for me to do it...”

After David finished speaking, he hurriedly rushed out.

He is also a normal man, but he doesn’t dare to stay any longer, or he can’t take it anymore.

Seeing that David was about to leave, Ji Ruxue suddenly fell to her knees!

David was startled and quickly stepped forward to help Ji Ruxue up, but he closed his eyes tightly and did not dare to look at Ji Ruxue.

The body fragrance on Ji Ruxue’s body made him unbearable. If he looked at it twice, he was really afraid that he would not be able to control it.

“Miss Ji, what are you doing, put on your clothes quickly, and tell me if you have anything!”

David said anxiously.

Seeing David like this, Ji Ruxue suddenly laughed and passed on her clothes.

At this moment, she was even more moved to David.

In this society, there are really too few people like David.

Seeing Ji Ruxue put on clothes, David breathed a sigh of relief.

“Miss Ji, if you have something to do, just say it!”

David asked lightly.

“Mr. Chen, I hope you can completely rescue our Red Lotus Palace from the sea of misery!”

Ji Ruxue put away her smile and said solemnly.

“Didn’t I kill that person, is there any danger to your Red Lotus Palace?”

David asked in surprise.

“Mr. Chen, it is precisely because you killed that Xiang Chong, and that Xiang Chong is the adopted son of Fei Qingping, the master of the Holy Beast Palace, the Holy Beast Palace will not let our Red Lotus Palace go.”

“At that time, our Red Lotus Palace will still be unable to escape the claws of the Holy Beast Palace, and Fei Qingping is even crueller than Xiang Chong...”

When Ji Ruxue mentioned that Fei Qingping, her face was obviously a little ugly!

David was silent, he could kill a Xiang Chong, but David was not sure about facing a sect.

Especially when he didn't know what kind of strength Fei Qingping was.

"Miss Ji, what kind of strength does Fei Qingping have? I'm afraid that by myself, it will be difficult for me to resist one of their sects!"

David said truthfully.

"Mr. Chen, Fei Qingping should be a Marquis, but he has only entered the ranks of Marquis in recent years."

"And how can Mr. Chen be alone? My Red Lotus Palace is willing to listen to Mr. Chen's dispatch, and I will listen to you in the future!"

After Ji Ruxue finished speaking, her face suddenly turned red.

This is what a little daughter-in-law would say to her husband.

However, David still frowned slightly, he didn't have much time to stay here.

"Miss Ji, I want to help you too, but I really don't have enough time. If the Holy Beast Palace doesn't come to trouble you, I can't stay here forever!"

David had no time and stayed in the Red Lotus Palace.

"Mr. Chen, with Fei Qingping's temperament, knowing that Xiangchong is dead, within ten days, he will definitely be found. If the Holy Beast Palace has not moved after ten days, then Mr. Chen can just leave!"

Ji Ruxue said.

“Okay, then I’ll stay here for another ten days!”

David nodded, and then he remembered the cave, so he asked Ji Ruxue, “Miss Ji, what happened to the cave behind you, the Red Lotus Palace? It was blocked by a boulder inside?”

Seeing David asking about the cave, Ji Ruxue hesitated, but she spoke slowly.

It turned out that in the cave, there was a monk who had attained the Tao, and the boulder was blocked by the monk.

No one knows what is in the cave, but the stream flowing out of the cave contains a lot of energy, which can help people to cultivate!

Therefore, the ancestor of the Red Lotus Palace established the sect in this place.

In addition, the ancestors also warned future generations that no one is allowed to open the boulder without authorization, otherwise it will bring disaster to the door!

After hundreds of years, although some palace masters of the Red Lotus Palace were curious, they went to open the boulder.

Chapter 1250

But no matter what method was used, the boulder remained untouched.

Slowly, I gave up the idea of opening the boulder and taking a look inside.

After David heard this, he remained silent!

A sitting monk, will there be such a large amount of energy?

For hundreds of years, the stream has flowed out of it, and it contains a lot of spiritual energy.

How is this possible?

David suspected that there must be something else in it to exude such a pure aura.

But as for what it was, David didn't know.

Unless there is a way to break that boulder, go inside and take a look.

However, with David's current ability, he cannot break the boulder.

After chatting with Ji Ruxue for a while, David proposed to go to the cave to practice!

However, it is a restricted area of the Red Lotus Palace, but when David proposed it, Ji Ruxue agreed.

...

Holy Beast Palace.

Fei Qingping was lying on his big tiger-skin chair, accompanied by two very revealing women.

At this time, a disciple of the Holy Beast Palace hurried in and knelt on the ground.

“Palace Master, the person whom you brought to the young master is back!”

The disciple of the Holy Beast Palace said.

“Did that Xiang rush back? This guy, seeing the woman, probably can’t even walk...”

Fei Qingping asked with narrowed eyes.

“Back to the palace lord, Young Master Xiang didn’t come back, only the few people I brought with me came back, but they seem to be injured!”

The Holy Beast Palace disciple replied.

“Are you injured?” Fei Qingping opened his eyes and sat up at once: “Call them in!”

Soon, several Wu Zongs who followed Xiang Chong were called in.

“what happened?”

Fei Qingping asked.

Several people hurriedly knelt on the ground: "Palace Master, Young Master Xiang was killed..."

"What?" Fei Qingping stood up abruptly: "Who killed him? Chong'er is a half-step Marquis. Who dares to kill him in the entire south?"

"Is that Ji Ruxue? She can't be Chong'er's opponent at all!"

"Palace Master, it's David, a guy named David who killed Young Master Xiang..."

A Wuzong said.

"David?"

Fei Qingping frowned slightly, thinking hard about this person.

But he didn't seem to have heard of such a master in the south.

At this time, an elder of the Holy Beast Palace stepped forward and whispered a few words in Fei Qingping's ear. Fei Qingping realized it instantly!

"Damn, it turned out to be this kid. How did he come to us and even help the Red Lotus Palace?"

"But he ran here to provoke my Holy Beast Palace, that's courting death!"

Fei Qingping had a murderous look on his face.

But Fei Qingping didn't understand why David came from Kyoto to the south all of a sudden.

And what kind of friendship did he have with the Red Lotus Palace, and he actually helped the Red Lotus Palace.

"Palace Master, I think we should investigate carefully to see if David came by himself."

"He actually had the guts to kill Young Master Xiang, which proves that he didn't take our Holy Beast Palace seriously."

"In this case, there must be someone behind him, let's not touch that David!"

The elder persuaded Fei Qingping.

Fei Qingping frowned, what David did in Kyoto was really bluffing.

As the so-called shadow of a person's famous tree, David is famous, so if you want to deal with David, you will carefully weigh it.

After a while, Fei Qingping said: "Well, you go to investigate, but if you can pull that David into our Holy Beast Palace, it would be great, this kid is a talent!"

After hearing the elders talk about David, Fei Qingping admired David very much and thought that David was a talent.

As for Xiang Chong being killed by David, Fei Qingping can be regarded as not happening.

Only one adopted son, Fei Qingping has more than ten adopted sons!

The elder took orders to investigate David, while Fei Qingping lay back again...
