

## A Man Like None Other Chapter 1261 – 1270

### Chapter 1261

“It’s up to you, if you fight alone, you may not be my opponent.”

David said aggressively to Ning Dahai.

If David deals with Ning Dahai alone, he is not necessarily an opponent. If Ning Dahai brings those masters to join him, David will not be able to fight back.

“Arrogant!” Ning Dahai’s eyes narrowed, and then he waved his hand: “You all step back, no one is allowed to move without my order...”

Ning Dahai backed away from his subordinates.

And David looked at Ji Ruxue: “Miss Ji, you take Xiaomin and the disciples of the Red Lotus Palace back to the palace quickly, don’t get close.”

“Mr. Chen, this person is Marquis Wu, I’m afraid...”

Ji Ruxue could feel that Ning Dahai’s breath was in the realm of Marquis, and she was afraid that David would not be an opponent at all.

“Don’t worry, that Fei Qingping is also Marquis Wu, so he was killed by me.”

David smiled slightly: “In this kind of battle, even if you help first, you won’t be able to help at all. You lose your life in vain. No matter what happens, none of you are allowed to step forward.”

“Otherwise you can’t help me, but instead distract me and help me...”

Ji Ruxue also understands that in this kind of battle between Marquis, they have no ability to intervene at all.

“Well, be careful yourself...”

Ji Ruxue nodded.

Soon, Ji Ruxue and the others also retreated hundreds of meters, and directly retreated into the Red Lotus Palace.

At this moment, only David and Ning Dahai were left facing each other.

“Kid, I know that you are using aggressive tactics to deliberately let me and you duel, but in the face of absolute strength, any kind of strategy is futile.”

After Ning Dahai finished speaking, a terrifying aura rushed out of his body instantly.

Immediately afterward, a streak of energy was like a flying knife, rushing towards David directly.

David frowned, he didn’t expect Ning Dahai’s speed to be so fast, and he shot unprepared.

brush brush...

In an instant, countless energy left many scars on David's body!

Fortunately, David's body was strong enough, so he didn't hurt his bones.

Before he could think about it, David's body radiated golden light, and the golden scales grew, and David's undamaged golden body was brought into play.

In the next second, Ning Dahai slapped David's head with one palm, and this palm would kill David!

Facing Ning Dahai, David didn't dare to show any slights.

Tannin's burst of breath is enough to make David breathless.

"Holy Light Fist..."

David gritted his teeth and swung the Holy Light Fist out directly.

The golden light exploded, piercing the void, and the dazzling golden light slammed into the palm of Ning Dahai's palm.

boom!

Like a nuclear explosion, a deafening sound rang out, followed by a wave of air visible to the naked eye swept all around!

And David's body quickly retreated, Ning Dahai's strength, David was not enough to resist.

There was a large pit of more than ten meters left at the scene, and Ning Hai did not move at all.

David squinted his eyes slightly, and his heart was full of mixed feelings. He knew that facing Ning Dahai, he had no chance of winning.

Ning Dahai's strength is too strong, and he is simply not comparable to his half-step Wuhou.

"It's no wonder that you can destroy the Ning family and hurt my son. Sure enough, you have some skills. There are really not many young people with strength like you."

"It's a pity that you are about to die, and there is one less genius in the world. It's not good for you to offend anyone, but it's my Ning family..."

After Ning Dahai finished speaking, without giving David a chance to breathe, a huge palm slapped towards David with overwhelming force.

The energy contained in Ning Dahai's move was more powerful than a bomb.

Moreover, Ning Dahai's speed was extremely fast, and an afterimage flashed away, and then appeared in front of David.

## **Chapter 1262**

Before David could react, Ning Dahai slapped David's chest with a palm.

David's body instantly flew backwards like a kite with a broken string, and the large scales on his chest fell off and disappeared.

“Brother Chen...”

“Mr. Chen...”

Seeing David fly away with a slap, Xiaomin and Ji Ruxue were all nervous.

David fell heavily to the ground, then looked at the two people and said, “Don’t come here...”

At this time, David’s chest had collapsed, and it was obvious that he had several broken ribs!

There was blood overflowing from the corner of his mouth, and the blood in David’s body was scurrying everywhere!

The strength of Ning Dahai’s palm was beyond David’s imagination.

This is fortunate that there is no damage to the golden body and body protection, and David’s physical body is also very strong, so it does not cause more damage.

David wiped the blood from the corner of his mouth and stood up slowly.

Ning Dahai looked at David, his brows were slightly wrinkled, and he was a little surprised: “You actually resisted my palm, it seems that your body is strong enough...”

Ning Dahai is not a newly promoted Marquis now. He has been in Marquis for six or seven years. Otherwise, even if the Ning family does not join the Martial Arts Alliance, would no other sect family dare to provoke him?

Ning Dahai is a veteran Wuhou, and he was already famous in Kyoto before.

However, he did not expect that his palm would not kill David.

“You are too weak...”

David looked at Ning Dahai coldly. Although Ning Dahai’s strength far surpassed him, David would never admit defeat and give in.

Ning Dahai’s face turned cold, he didn’t expect David to have a hard mouth, and he would dare to say such a thing.

“I’ll make you stubborn, give me death...”

Ning Dahai had an angry look on his face, and then his figure disappeared in an instant. It was almost a moment before he arrived in front of David.

David had been staring at Ning Dahai for a long time, and did not dare to be distracted at all. When Ning Dahai moved, the hairs on David’s whole body had already exploded.

“Holy Light Fist...”

David shouted angrily, even though he hadn’t seen Ning Dahai’s figure yet, David’s punch had already been thrown out.

David knew that by the time he saw Ning Dahai’s figure, it was too late to start.

David's fist was wrapped in golden light, and a swimming golden dragon wrapped around his arm.

The power of the dragon was brought into play by David.

"The power of the dragon..."

Ning Dahai's eyes narrowed slightly, and then he slapped David's chest fiercely.

This palm contains all of Ning Dahai's inner strength, not to mention David's half-step Wuhou, even a real Wuhou would not dare to follow Ning Dahai to fight hard!

boom...

With a loud noise, David's arm was twisted instantly, and his body flew out.

But this time, Ning Dahai did not stand still, his body swayed, and there was a pain in the palm of his hand!

Ning Dahai showed surprise in his eyes, and looked at David in disbelief.

"The power of the dragon is really extraordinary..."

Ning Dahai looked at David with greed in his eyes.

And David looked at his twisted arm, and his other hand tugged instantly, restoring the twisted arm.

Just now he mobilized almost all the power of the dragon to block Ning Dahai's palm.

But now David knew that the power of the dragon in his body could not support him to fight.

"Boy, hand over the dragon crystal on your body, and I will let you die a little more happily, what do you think?"

Ning Dahai was also interested in Longjing in David's body.

"Long Jing can't be obtained by a person like you. You, like your son, are both robbers. Your entire Ning family is the stuff of male thieves and female prostitutes..."

David insulted Ning Dahai.

"Little beast, you are courting death..."

Ning Dahai's face was cold, and the anger on his body kept rising.

### **Chapter 1263**

As the head of the Ning family, who would dare to speak to him like this, dare to scold him?

Immediately afterwards, Ning Dahai took out both palms, and rushed towards David with rolling energy.

"Little beast, I'm going to abolish your bones, crush your dantian, and make you suffer for the rest of your life..."

Ning Dahai roared, murderous aura filled the air!

David's face was cold, and he didn't dare to be slighted in the slightest. The dragon crystal in his body flickered with golden light, and a golden dragon hovered above David's head!

The power of the dragon was fully released by David. He knew that he needed to work hard, otherwise he would not be able to carry it at all.

Ning Dahai looked at the golden dragon hovering above David's head, but was stunned for a moment, but he didn't stop his hands.

David threw out his fists and greeted him fiercely.

Dodging is useless, David can only hit hard now...

boom!

Smoke and dust rose, the earth trembled, and a huge force spread out. Even Ji Ruxue and the others, who were hundreds of meters away, felt incomparable pressure and hurriedly tried to resist!

The smoke and dust dissipated, and there was a large pit on the ground, and the golden light of David's whole body disappeared, replaced by bloody scars!

David's strength is still far from that of Ning Dahai. Even if he exerts all the power of the dragon, he still cannot resist Ning Dahai's attack.

David lay in the deep pit, staring blankly at the sky, the sky at this moment has become gray.

Gritting his teeth, David slowly stood up.

David stood up even though his body was covered in scars now.

When Ning Dahai saw that David could still stand up, his whole body was shaking with anger.

If this is spread out, how can he Ning Dahai have the face to see people?

It's too embarrassing to say that an old-fashioned Marquis can deal with a young man who is half a step Marquis.

"I don't believe it, you are Xiaoqiang who can't be beaten..."

Ning Dahai gritted his teeth, and bursts of red light appeared on the palm of his hand, followed by a burst of red light, which compared the sun.

Immediately afterwards, the red light was like a sharp sword, blazing out towards David!

Then the red light burst into a shower of swords, directly wrapping David in it.

Seeing this, David knew that he had no way to dodge, so he closed his eyes, and the spiritual power in his body formed a faint mist around his body, trying to block these sword rains!

Puff puff...

One after another sword rain hit David's body, and the faint mist formed by David's spiritual power could not stop the sharp sword rain.

It was defeated in an instant, and then wounds were shot out on David's body!

David's body was almost penetrated by these sword rains, and the blood dyed David into a blood man.

And the spiritual power of the body also collapsed instantly, and the bones of the limbs were also cut off!

David fell heavily to the ground, his eyes were scarlet, looking at Ning Dahai.

Even at this time, there was no trace of fear in David's eyes.

Seeing that David is already like this, there is still war in his eyes.

This made Ning Dahai feel challenged and despised...

"I will let you experience death slowly..."

When Ning Dahai stretched out his hand, a huge suction force directly sucked David from the deep pit into Ning Dahai's hand.

David gritted his teeth, the Condensation Art in his dantian was running frantically, hoping to mobilize his spiritual power and take this good opportunity to give Ning Hai a blow.

It's a pity that the spiritual energy in David's body seemed to be disintegrating, and it couldn't be condensed together at all.

Ning Dahai held David in one hand with a grim smile on his face.

And David's face became more and more ugly...

"Don't worry, I suddenly don't want to kill you anymore. I want to make you live in pain for the rest of your life. You are my son's life, and I can't make it easier for you..."

Ning Dahai said, and threw David to the ground.

#### **Chapter 1264**

Then Ning Dahai stepped on David's head and looked at David indifferently.

"Old man, you can kill me if you have the ability. As long as I have a breath, I will make your Ning family perish forever..."

David stared at Ning Dahai and said.

"Little beast, it's already like this, and you dare to speak hard..."

Ning Dahai was furious, and then kicked at David.

David's body was like a ball, and was kicked out by Ning Dahai.

David's internal organs were tumbling, and blood spurted out of his mouth!

Immediately afterwards, Ning Dahai walked up to David and kicked it out again.

Just like that, one foot after another!

Ning Dahai took David as a ball.

David was already blood and blood at this moment, and there was no intact place on his body.

“Brother Chen...”

Seeing David’s tragic state, Xiaomin couldn’t bear it any longer and wanted to rush out, but was pulled by Ji Ruxue.

“Don’t go over...”

Ji Ruxue pulled Xiaomin tightly.

“Don’t move, don’t move...”

David tried his best to roar at Xiaomin and Ji Ruxue.

Every word spewed out a mouthful of blood.

Ning Dahai beat David, but all avoided the key points. What he wants now is not that David should die, but that he will suffer all the pain!

David's consciousness began to become blurred at this moment, and his eyes were hazy!

Soon, Sonya appeared in David's mind, and his mother appeared. Although he could not see his mother's face clearly, the feeling of closeness made David very comfortable.

The previous scenes, like a movie, appeared scene by scene in David's mind.

"Am I really going to die?"

David shouted deep in his heart and wanted to resist, but his body had long since stopped moving.

Ning Dahai didn't know how long he tortured David, anyway, none of the bones on David's body were complete.

Seeing David dying, Ning Dahai was also a little tired.

"Little beast, you can just lie in bed like this for the rest of your life..."

After Ning Dahai finished speaking, he slapped David's lower abdomen with a palm.

The huge force instantly shattered David's dantian, and the golden core above his dantian also shattered into countless pieces!

The trace of life in David's body disappeared in an instant.

And David also directly closed his eyes and passed out.

Seeing this, Ning Dahai hurriedly kicked David, frowning: "Damn, dead? How can you die?"

Ning Dahai did not expect that David would be so resistant to fighting that he directly destroyed his dantian and died...

This makes Ning Dahai a little pity, the Longjing in David's body has not been taken, and it is dead, so there is no way for Longjing to take it.

Ning Dahai glanced at the people in the Red Lotus Palace, but he did not attack them. It was not that Ning Dahai was kind and soft-hearted, but he was a veteran Marquis. If he attacked such a small sect, he would be ridiculed.

Ning Dahai is disdainful to take action, and there is no need to take action!

"Let's go..."

Ning Dahai saw that David was no longer alive, so he waved his hand and led him away.

When Ning Dahai walked back, Xiaomin and Ji Ruxue rushed towards them in an instant.

"Brother Chen..."

"Mr. Chen..."

Xiaomin and Ji Ruxue cried bitterly, looking at David like that, they couldn't bear it any longer.

“Sister, hurry up and save Brother Chen...”

Xiaomin begged to Ji Ruxue.

Ji Ruxue looked at David like that, her whole body was shattered, even her dantian was shattered, how could she be saved?

Even if David was rescued, life would be worse than death in the future.

“Sister, can you save Brother Chen?”

Seeing that Ji Ruxue hadn't yet rescued David, Xiaomin shook Ji Ruxue's arm.

“Xiao Min, Mr. Chen is dead, he is dead...”

Ji Ruxue said with tears.

## **Chapter 1265**

“No, it's impossible, Brother Chen won't die...”

Xiaomin cried bitterly, shaking David's body desperately: “Brother Chen, wake up, wake up...”

But no matter what Xiaomin did, David kept his eyes closed and motionless!

Ji Ruxue bit her lip, she was very sad and wanted to cry, but in front of everyone in the Red Lotus Palace, as the Palace Master, she couldn't be like Xiaomin.

“Come on, carry Mr. Chen in...”

Ji Ruxue sent someone to carry David into the Red Lotus Palace!

At this moment, David was placed in Ji Ruxue’s yard, and Ji Ruxue turned everyone away!

Ji Ruxue gave Xiaomin an elixir to calm her mood and rest.

Ji Ruxue faced David alone, called a basin of water, and began to slowly wipe David’s body.

Tears rolled down Ji Ruxue’s face. Although she knew David for a short time, Ji Ruxue knew that David had already lived in her heart.

“Don’t worry, I will wipe you clean, and I won’t let you go like this...”

Ji Ruxue muttered to herself while wiping!

At this time, David seemed to be in chaos.

He wanted to open his eyes and control his body, but he couldn’t.

It’s as if consciousness and body have been detached.

“Am I really dead?”

David’s eyes were full of white chaos, and he couldn’t figure out whether he was alive or dead.

I don’t know how long it took, and Farewell Ji Ruxue wiped cleanly on David’s body.

Ji Ruxue, a big girl with no experience, cast aside her shame and wiped David’s body all over.

As the night fell, the full moon rose.

Ji Ruxue was still sitting beside David, sitting quietly like this, quietly looking at David.

Until midnight, Ji Ruxue still didn’t move!

Several elders called her several times and asked her to rest, but Ji Ruxue didn’t move at all.

A breeze blew, and suddenly a soft moonlight shone on David’s body.

The dantian in David’s body was healing, but the broken golden core did not come together, but kept changing. Soon the golden core fragments turned into a small golden figure, standing above David’s dantian.

boom...

David, who had been in chaos all the time, suddenly felt his eyes light up.

When he opened his eyes, he found a soft moonlight shining on him.

David was a little surprised. He didn't know how much time had passed. He turned his head slightly and found that Ji Ruxue was sitting beside him.

Ji Ruxue's eyes were very red, obviously crying for a long time.

"You're gone. In this life, I may not like any man anymore."

"You are the only man who makes me tempted, and the only man who sincerely helps me, but doesn't covet my body."

"Waiting for tomorrow, I will bury you beautifully, and bury you in this Red Lotus Palace."

"Don't worry, I will visit you every day and burn paper for you..."

Ji Ruxue's eyes were dull, and she muttered to herself!

She didn't realize at all that David had opened his eyes at this moment.

"Since you like me so much, why are you burying me alive?"

David looked at Ji Ruxue and smiled lightly.

David had heard from Ji Ruxue's words, it turned out that they all thought they were dead.

In fact, David himself thought he was dead, but he didn't want to come back to life.

David's words shocked Ji Ruxue instantly and jumped up from the chair.

Ji Ruxue was stunned when she saw that David was looking at her with a smile.

After a while, Ji Ruxue reacted and threw herself into David's arms.

### **Chapter 1266**

"So you're not dead, so you're not dead..."

Ji Ruxue cried with joy.

David wanted to raise his hand and pat Ji Ruxue lightly, but found that his hand couldn't move at all.

David was startled, and hurriedly wanted to sit up, but found that his legs couldn't move.

Apart from controlling his head, he couldn't control his whole body at all.

This time, David was a little panicked.

David hurriedly checked it with a deep heart. He was surprised to find that the golden core in his body turned into a little golden man.

The little golden man is lifelike, and his appearance is exactly the same as himself!

“This... is this the Yuan Ying?”

David almost shouted out in excitement.

He didn't expect that he would get a blessing in disguise and break through to the realm of Nascent Soul.

At this time, David remembered the last battle with Ning Dahai.

Ning Dahai shattered his Dantian and Jindan!

“Is it necessary to break the Jin Dan to break through the realm of Nascent Soul?”

David was thinking: “Maybe it's called not breaking and not standing?”

David seemed to know why he always had no way to break through. He never thought about breaking through his golden core, let alone breaking through Nascent Soul, he needed such an opportunity!

Now David is like a pony crossing the river, and many things need to be explored by himself.

Ji Ruxue raised her head and looked at David who was alive, not to mention how happy she was.

“Stop crying, help me up...”

David said to Ji Ruxue.

After Ji Ruxue heard this, she was stunned and said, "David, you can't get up, you can only lie down, your bones are all broken..."

David frowned, no wonder why he couldn't control his body, it turned out that his bones were all broken.

Then what is the use of breaking through to the realm of Nascent Soul?

Seeing David's appearance, Ji Ruxue said quickly, "Don't worry, I will go and find a doctor for you. Even if you can't be cured, I will support you and guard you for the rest of your life..."

Seeing Ji Ruxue like this, David had mixed feelings in his heart and couldn't tell what he felt.

He could see that Ji Ruxue was sincere to him, but David didn't dare to be tempted by Ji Ruxue.

Sonya is still suffering, he has to rescue Sonya.

If at that time, Sonya can accept Ji Ruxue, she may be tempted by Ji Ruxue.

At this moment, a dark cloud suddenly floated in the sky, covering the moon in the sky.

The soft moonlight on David also disappeared.

click

Suddenly, a light of lightning struck down and struck David impartially.

In an instant, David's skin was split open, and a burnt smell filled the air.

"David..."

Ji Ruxue was shocked, David finally survived, and was struck to death by lightning again.

Ji Ruxue wanted to step forward and carry David into the room.

"Don't move, step back, this is thunder..."

David shouted at Ji Ruxue and asked Ji Ruxue to back off!

David knew that this was a thunder calamity. Since he had broken through to the Nascent Soul Realm, there would definitely be a thunder calamity.

At this time, David was facing Lei Jie incomparably outward.

After the thunder calamity, the body will be reshaped, and the broken bones on David's body will be intact.

And after the thunder calamity, David's body will become more powerful!

"Thunder Tribulation?"

Ji Ruxue was confused and did not understand what thunder robbery was.

After all, a martial artist does not need any thunder tribulation to cross the realm, so it is normal for Ji Ruxue not to know.

David's consciousness entered his body instantly, and found that Nascent Soul was also struck by a lightning bolt at this moment.

Then the Nascent Soul released bursts of golden light!

David's body also began to flicker, and a terrifying aura descended from the sky!

Click

#### **Chapter 1267**

Another thunder robbery hit David's body fiercely.

This thunder tribulation was extremely powerful, and the enormous energy blew Ji Ruxue away.

"Quick, hide in the room..."

David shouted at Ji Ruxue.

Ji Ruxue was also a little stunned at the moment, and hurriedly rushed into the room.

The two thunderstorms almost made David's body black, like a burnt mummy.

And after this thunder calamity, the light emitted by the Nascent Soul in David's body actually skyrocketed again!

David is now covered with golden light, and the layer of dark material begins to fall off, but the scars on David's body are gone.

At this moment, David's skin is white and bright, even better than a baby's skin, as if it was growing again.

This made Ji Ruxue in the room look stupid.

David tried to control his body and stood up.

Soon, the palms could move, followed by the feet, and soon David stood up slowly.

At this moment, David's face was radiant, and his whole body radiated light.

But when David stood up, he suddenly felt a chill down below, and after he lowered his head suddenly, he almost scared David to death.

It turned out that he was standing naked at the moment.

David looked at Ji Ruxue who was looking at him through the window in the room, David almost died of embarrassment.

With his fingers pinched, a blindfold appeared instantly, directly hiding David.

David couldn't stand being watched like this.

What's more, he has to endure thunder calamity and cannot be distracted.

Soon, the dark clouds piled up and became thicker and thicker, indicating that the third thunderstorm was coming.

rumbling...

The third thunder robbery fell, and a lightning bolt rushed out of the dark cloud like a silver snake, and the huge force directly bombarded David.

The entire Red Lotus Palace was shaken by this thunderstorm.

This also caused many people in the Red Lotus Palace to wake up from their sleep.

Then looked at the vision outside the window in surprise, no one dared to leave the room, and no one knew how there was such a bad weather at night.

They didn't know that the ghost weather was caused by David.

The thunder robbery hit David's body, and the golden light on David's body was a little more exuberant.

And the Nascent Soul seems to be growing like a baby, obviously bigger than the beginning.

rumbling...

Another thunder robbery fell.

David sat cross-legged, his eyes were slightly closed, his consciousness entered directly into his body, observing Nascent Soul, without caring about his own body at all.

Now, if Yuan Ying doesn't die, David can't die. Even if his body rots away and disappears, David can slowly recover.

click...

The thunder robbery, which contained the power of heaven and earth, smashed on David's body.

Each thunder is stronger than the last.

David's body was split into flesh instantly, but it would soon be repaired by golden light.

After thinking about David's blindfold, Ji Ruxue would not be able to see him, otherwise, seeing him like this, he would definitely be frightened.

rumbling...

One after another thunder robbery smashed down, and there were ten thunders, slashing on David.

The dark clouds in the sky are slowly dissipating, and this thunder tribulation is over.

But at this moment, David, who was sitting cross-legged on the ground, seemed dissatisfied with these ten thunder tribulations.

Because the more fierce Lei Jie, the more powerful the tempering of David's body.

“Let's do another thunder tribulation!”

David raised his head and waved his right hand forward fiercely, and a golden light went directly towards the dark clouds in the sky, randomly submerging into the dark clouds.

The dark clouds that had dissipated soon gathered together again.

The golden light that was submerged in the dark cloud, after traveling through the dark cloud, turned back towards David.

David is actually using his own strength to create a thunder calamity. If anyone else sees this, his jaw will drop.

If you want to know that other people have survived the thunder calamity, they are all worried, and how many people have been wiped out in the thunder calamity.

## **Chapter 1268**

Now David actually created his own thunder tribulation and forged his own body, which is simply too perverted.

rumbling...

Under this thunderstorm, David's body was instantly bombarded into sgum...

At this time, David's consciousness could even see the scene where he was blasted out of sgum.

But soon, with the golden light of Nascent Soul, David's body began to slowly heal.

The dark clouds in the sky dissipated, and the golden light on David's body was restrained, and a faint light flickered on his skin. This light was emitted by the pure flesh.

When the consciousness entered the body, David could see that the light on Yuan Ying also changed, and David's consciousness seemed to be able to feel the breath of Yuan Ying.

"This is the realm of Nascent Soul, this is the realm of Marquis..."

David's eyes burst into two bright lights.

And David's body became like crystal jade, crystal clear.

"Mr. Chen..."

When Ji Ruxue saw the dark clouds dissipate, she ran out of the room.

With a wave of David's hand, the blindfold was removed, and David was exposed in front of Ji Ruxue.

Ji Ruxue blushed instantly when she saw David, and then threw the clothes in her hand to David.

David hurriedly put it on, but also embarrassed and didn't know what to say.

“Sister, what happened just now?”

At this time, Xiaomin ran over.

She, who had taken the medicinal pill, had already fallen asleep, but was abruptly awakened by the thunder tribulation just now.

When Xiaomin ran into the yard and saw David, he was stunned.

Xiaomin glanced at David, then suddenly screamed: “Ghost, ghost...”

Xiaomin turned pale with fright, and hid directly behind Ji Ruxue.

“Little girl, you are the ghost. Have you ever seen such a handsome ghost?”

Seeing that Xiaomin was frightened by himself, David said jokingly.

It's no wonder, after all, they thought they were dead, so now that they were standing alive, they would definitely be afraid.

“Xiao Min, your brother Chen is not dead, he is not a ghost...”

Ji Ruxue smiled and said to Xiaomin.

Then Xiaomin stuck his head out, and then looked at David: "Even if Brother David is not dead, can't it seem like a different person?"

"He has injuries all over his body, and his bones are shattered. Even if he doesn't die, he can't stand!"

When Xiaomin said this, Ji Ruxue didn't know how to answer Xiaomin anymore, because of many things, she was also confused now.

"I have a magic weapon on my body that can reshape my body, so I will be as good as ever."

"If you don't believe me, come and pinch me to see if I'm a ghost!"

David smiled slightly.

Xiaomin slowly moved over, and then pinched David's arm hard.

"You child, are you really working hard?"

David pretended to be in pain.

Seeing this, Xiaomin immediately became happy: "So you are really Big Brother Chen, not a ghost..."

Xiaomin was happy, but suddenly burst into tears again, and rushed forward into David's arms.

"Brother Chen, I'm scared to death, I thought you were really dead..."

Xiaomin cried and said.

“I’m fine, I’m fine...”

David comforted Xiaomin.

That night, David didn’t sleep, neither did Xiaomin and Ji Ruxue.

The three chatted all night in Ji Ruxue’s room!

When the sun just rose from the east, David glanced out the window and slowly got up.

This time, neither Ji Ruxue nor Xiaomin spoke.

Because what needs to be said has already been said at night.

They knew that David had to leave because David had his own business to do.

After leaving the Red Lotus Palace, David left without turning his head, because he was afraid of turning back and couldn’t help his feelings.

“Ning Dahai... This time, when I step into Marquis Wu, I will use the Ning family to stand up...”

Killing intent burst out from David’s eyes!

He has now broken through to the realm of Marquis, and all the things that should be dealt with have to be dealt with.

## **Chapter 1269**

Kyoto.

The entire Kyoto martial arts world, and even the entire martial arts forum, has been blown up.

The news that David was killed by Ning Dahai had already spread.

David can be said to be the most talked about person in the martial arts world recently, and this time David was killed.

Some regret it, some rejoice.

Inside the Kyoto Protectorate!

Mr. Shi sat in the chair without saying a word, but his face was cold and terrifying.

Zao Wou-Ki and Xing Jun, the captain of the law enforcement team, stood on one side, and neither dared to speak.

The atmosphere in the entire Law Enforcement Pavilion was very depressing.

Recently, Mr. Shi has often been in the Dharma Protector Pavilion, which makes Zao Wou-Ki, the pavilion owner, under increased pressure.

“How is it possible? How is it possible? David shouldn’t have died so easily.”

“I can’t see him wrong.”

Mr. Shi muttered to himself.

“Mr. Shi, this news was indeed spread by Ning Dahai himself, and Ning Dahai also spread a few photos...”

“And with the strength of Ning Dahai, Mr. Chen is indeed not his opponent. As a veteran Marquis of Ning Dahai, even if Mr. Chen’s talent is good, he can’t match that Ning Dahai.”

As Zao Wou-Ki spoke, he opened the martial arts forum and found several photos of David posted by Ning Dahai.

Looking at the photos, David’s appearance is already terrible.

Obviously, the dead can’t die anymore.

Mr. Shi looked at David’s photo and fell into silence. After a while, he said to Xing Jun, “Captain Xing, tell me about your recent discovery.”

“Mr. Shi, there have been evil cultivators everywhere recently, and it’s becoming more and more frequent. Some evil cultivators are even more hyped up and recruiting disciples.”

“I also killed a few evil cultivators this time, but these are only small sects, and the big evil cultivators have not been seen.”

“But looking at the past few years, the activities of some evil cultivators have indeed become more frequent recently.”

Xing Jun’s truthful report.

“It seems that the water is still not muddy enough, and some big fish are always reluctant to come out of the water...”

Mr. Shi sighed lightly and fell into silence!

...

Medicine God Valley!

After seeing the news that David was killed, Long Wu’s body was shaking.

“How could this be? It’s impossible, it’s impossible...”

Long Wu couldn’t believe that David was killed like this.

Such a result made Long Wu difficult to accept. Everything he did was for David and his eldest lady, but in the end, David died so easily.

Long Wu's tears couldn't stop flowing. He raised his head and shouted: "Why, God, why are you doing this? Why are bad people in power and good people can't live long..."

Long Wu's eyes were full of hatred, he hated God, and those sanctimonious guys.

It's a pity that he is just an ordinary person now and can't do anything!

"Miss, I'm sorry for you, I'm sorry for you, when will you see the sun again..."

Long Wu lay on the ground and cried bitterly.

At this time, Gu Linger, Wu Meier and Xiaolan came over, and when they saw Long Wu like this, they were all surprised.

Because the three girls didn't pay much attention to the martial arts forum, they didn't know the news of David's death.

"Uncle Long, what's wrong with you?"

Gu Linger looked at Long Wu and asked in surprise.

"Yes, Uncle Long, what's wrong with you?"

Wu Meier and Xiaolan also asked.

Long Wu hurriedly got up, wiped his tears, then squeezed out a smile and said, "It's nothing, it's just the New Year's Eve, and I'm feeling homesick."

“homesick?”

Wu Mei'er looked surprised: “Uncle Long, where do you have a home? I have been with you for so many years, and we have been dependent on each other for so many years. I have never heard of you saying that there is still a home? I have never seen you go home?”

## **Chapter 1270**

“I just didn't tell you...”

Long Wu was exposed by Wu Mei'er, looked a little flustered, and hurriedly put his mobile phone in his pocket.

He didn't want Gu Linger to know that David was dead, she was afraid that Gu Linger wouldn't be able to take the blow.

Gu Ling'er saw that Long Wu's expression was obviously wrong, so she asked, “Uncle Long, are you hiding something from us? Why do you put your mobile phone on?”

“No, no...”

Long Wu explained in a panic.

Gu Ling'er took advantage of Long Wu's inattention and snatched the phone from Long Wu's pocket.

When Gu Linger turned on the phone and saw the news that David was killed by Ning Dahai, the whole person instantly became stupid.

She couldn't believe it was true, but when she saw the attached photos, she collapsed to the ground.

The mobile phone in his hand fell to the ground, and Gu Linger was sluggish.

She didn't believe it was true anyway.

"No, it's not true, it's not true..."

Gu Linger cried out loudly.

Xiaolan and Wu Meier hurriedly comforted Gu Linger, but when the two of them knew that David was killed, they both lost their voices instantly.

David's death hit them all too hard.

Long Wu could only cry silently, he didn't know how to persuade Gu Linger and the others.

I don't know how long I have been crying, the tears have already dried up!

Gu Linger got up slowly, there was no tear in his eyes, instead, there was a strong killing intent.

"I want to kill everyone in the Ning family and avenge David. I can't let him rest in peace under Jiuquan..."

Gu Ling'er gritted her teeth, her body filled with terrifying murderous aura.

“Linger, don’t be impulsive, even David is not the opponent of Ning Dahai, if you go to take revenge, that is courting death...”

Long Wu persuaded Gu Linger.

“David is dead, and my life is meaningless. If I can’t avenge him, then I’ll go with him.”

“I don’t want him to be alone down there...”

Gu Linger’s mind has been made up, her eyes are terrifyingly cold!

At this moment, Gu Linger is no longer a girl, but a cold vengeance machine.

“Ling’er, I’ll accompany you...”

Xiaolan said to Gu Linger.

“And me, I’ll go too...”

Wu Meier also said.

Long Wu looked at the three girls and could only sigh heavily.

“Then I’ll accompany you back to Kyoto, but if you want to avenge David, you must not be reckless...”

Since the three girls were so determined, Long Wu decided to take them back to Kyoto.

Do everything possible to avenge David!

...

Valley of the Wicked!

When Zhao Liguó learned the news after David was killed again, he fell into a rage.

Although he couldn't believe it was true, the bloody photos of David on the martial arts forum had to make him believe it.

Zhao Liguó's Shadowless Villa, as a hall of the Dragon Sect, now that the Sect owner, David, has been killed, he has the responsibility to avenge David.

"Mr. Chen, don't worry, I will definitely avenge this revenge for you."

A cold light flashed in Zhao Liguó's eyes.

"Dad, let's take someone to kill the Ning family now to avenge Brother Chen..."

Zhao Chuang's crying eyes were red, and he gritted his teeth.

"With our current strength, it is useless to go to the Ning family."

"Now wait for the four wicked people to get out of the customs, let's kill the Ning family together!"

“As long as I, Zhao Ligu, have a breath, I will fight the Ning family to the end...”

Zhao Ligu knew that their strength was not enough to avenge David.

Now the four villains are still healing in the Demon Suppression Tower. After the four villains leave the customs, they will kill the Ning family together.

Even if they kill all of them, they will die with the Ning family to avenge David.
