

A Man Like None Other Chapter 1311 – 1320

Chapter 1311

He didn't believe that David could break his barrier with one punch. Now David was tortured with only half his life left, and he no longer had such a strong energy!

David looked at Luo Jinyou with a smile on his face, sneering in his heart!

boom!

David bombarded the barrier with a punch. The barrier set up by Luo Jinyou, under David's punch, had no effect at all, and instantly collapsed and disappeared.

Luo Jinyou was startled and instinctively wanted to dodge, but found that it was too late!

David's punch hit Luo Jinyou hard in the face!

Luo Jinyou spurted blood from his mouth, his teeth flew around, and the whole person flew out.

Luo Jinyou got up and looked at David with a puzzled face. He didn't understand, how could David be able to exert such terrifying power after being tortured to death by himself?

Half of Luo Jinyou's face has collapsed, and his appearance has become very terrifying!

"Read, I have the ability to continue reading..."

David looked at Luo Jinyou and said with disdain.

Half of Luo Jinyou's face was ruined, his teeth were gone, his speech was slurred, and he couldn't chant a spell anymore.

David stepped forward and slapped Luo Jinyou again with a palm.

Luo Jinyou hurriedly stood up to resist.

boom!

With this slap, Luo Jinyou was like a leaf, and was instantly swept away.

Then David jumped up and went directly to Luo Jinyou, stepping Luo Jinyou to the ground with one foot.

Luo Jinyou's body fell into the ground instantly, and the whole person was in a state of embarrassment!

"what..."

Luo Jinyou was furious and shouted loudly. He couldn't speak, he could only scream.

David raised his foot and watched Luo Jinyou, who had already changed, climbed out of the ground.

Luo Jinyou glared at David, the whole person's breath collapsed, and there was no way to condense.

“Where is Ning Zhi? Say it, and I can make you die happily...”

David said to Luo Jinyou.

Luo Jinyou didn't speak, and he was speechless, only to see him take out the teapot from behind!

Then he slowly put the spout to his mouth, and a stream of tea flowed down his throat into his stomach.

David looked at Luo Jinyou in astonishment, he was dying, and he was still in the mood to drink tea!

I saw that after the tea entered his stomach, Luo Jinyou's breath began to grow rapidly.

Seeing this, David instantly understood and punched Luo Jinyou.

He can't let this Luo Jinyou return to the original, otherwise he will continue to fight.

Seeing this, Luo Jinyou threw the teapot in his hand towards David!

The teapot hovered in the air, spinning rapidly, and a stream of tea was thrown out from the teapot.

The tea water instantly turned into a series of water arrows, with the power of heaven and earth, and shot towards David rapidly!

There were more and more water arrows, and finally turned into a rain of arrows, directly covering David.

“I didn’t expect it to be a magic weapon...”

David’s body burst out with golden light, and the undamaged golden body activated instantly!

The rain of arrows hit David, making a clanging sound!

Although the power of each arrow rain is not very large, this kind of density-saturated attack still makes David a little unbearable.

I saw that the scales on the body fell off, and the undamaged golden body was slowly disappearing.

David hurriedly grabbed the Dragon Slaying Sword and vigorously swung out a vacuum, making it impossible for those arrows to fall on him at all.

The Dragon Slaying Sword let go and started to spin automatically, blocking the rain of arrows for David, while David jumped up with all his might.

David slapped Luo Jinyou’s head with his palm, and instantly burst Luo Jinyou’s head.

Luo Jinyou’s breath instantly wilted, and the whole person fell to the ground with a bang.

Luo Jinyou was dead, and the teapot was not controlled, and it quickly fell to the ground.

David reached out his hand, caught the teapot, looked at it twice, and put it in the storage ring.

Chapter 1312

When the Luo family saw this, they all fled in fright.

And David caught up with the housekeeper of the Luo family with a quick walk.

“Where is Ning Zhi?”

David asked the butler coldly.

“Don’t kill me, don’t kill me...”

The housekeeper trembled: “Master Ning has been placed in the warehouse, I can take you there...”

David looked at the housekeeper so frightened, and let go of him: “If you dare to play tricks, I will smash your head.”

“Don’t dare, don’t dare...”

How dare the housekeeper dare to play tricks, even Luo Jinyou is not David’s opponent, let alone he.

The housekeeper trembled and took David to the warehouse!

At this moment, in the warehouse, Ning Zhi looked at the piles of medicinal spar in the warehouse, and his eyes lit up.

“Look at your unpromising appearance. Although these things are many, they are not enough for you to reach the realm of Marquis!”

At this time, an old voice said in Ning Zhi's mind.

"Then how do I get to the realm of Marquis Wu and kill that David?"

Ning Zhi asked.

"You can only improve yourself as quickly as you absorb the strength of others!"

The old voice said slowly.

"You want me to practice the method of evil cultivation? Do you want me to be a evil practitioner?"

Ning Zhi frowned slightly.

"Evil cultivator? What is wicked cultivator? This world is all about the strong prey on the weak. You sects and aristocratic families rob other people's resources, isn't it wicked cultivator?"

"Now we respect strength. Do you think the masters you have seen have not absorbed the essence of others?"

In his mind, the old voice questioned unhappily.

Ning Zhi was silent, and then said: "If I practice the method of evil cultivation, what kind of strength can you make me achieve? Can you kill that David?"

"Hahaha... Are you joking with me? David is nothing, as long as you listen to me, I can let you set foot on the peak of martial arts."

“At that time, everyone in the entire martial arts world will bow their heads and become ministers. You don’t have to be afraid of anything...”

The old voice laughed.

“Could it be that you... can’t you make me reach the realm of Martial Saint?”

Ning Zhi was short of breath and was very excited.

You must know that Wu Sheng is more powerful than Da Wu Hou. Ning Zhi has not heard of Wu Sheng for a long time.

As for the Martial Emperor above the legendary Martial Saint, the transformational realm...

Those were all legends, he always thought they were legends...

“Your vision is too short-sighted, the path of martial arts is never-ending, and it can even reach the point of immortality!”

“Just listen to my words. When I use your body to be reborn, I will make you stand at the pinnacle of the martial arts world.”

“At that time, the entire martial arts world will be obedient...”

“And my revenge can be avenged...”

The old voice became softer and softer, and finally disappeared from Ning Zhi's mind.

Ning Zhi was slightly taken aback: "Can I ask you a question? Who are you? Are you an evil cultivator?"

Ning Zhi was very puzzled, who was this black shadow living in his body.

"Xie Xiu?" The old voice sounded, full of disdain: "They are just my disciples and grandchildren."

Ning Zhi didn't say anything, but he could feel that this black shadow residing in his body was definitely not an ordinary guy!

...

"Chen...Mr. Chen, then Ning Zhi is here!"

The butler pointed to the warehouse and said to David.

David glanced at the warehouse, and his spiritual consciousness instantly spread out, and he immediately found Ning Zhi in the warehouse.

Seeing that the housekeeper did not lie, David said: "Go away..."

The butler happily ran away.

At this moment, Ning Zhi was about to practice in the warehouse, and the old voice in his mind reminded him instantly: "That David is here..."

Chapter 1313

Ning Zhi was startled and was about to go out of the warehouse to have a look, but saw that the door of the warehouse was kicked open by David.

“David? You actually found here?”

Ning Zhi looked at David in surprise.

“I said, if you flee to the ends of the earth, I will find you!”

David looked at Ning Zhi coldly.

“What about Luo Jinyou? When you came to Luo’s house, wouldn’t anyone stop you?”

Ning Zhi was a little surprised, why didn’t Luo Jinyou stop David?

The reason why he came here is to use a knife to kill people and let Luo Jinyou kill David.

But now that David appeared in front of him, and Luo Jinyou was nowhere to be seen, Ning Zhi was very puzzled!

“He’s gone to h3ll, you’ll see him soon...”

David’s eyes narrowed slightly, and his eyes were full of murderous intent.

“What? You...you killed Luo Jinyou as well?”

Ning Zhi was a little surprised!

He didn't expect Luo Jinyou to be killed by David so quickly, at least this is Mobei, Luo Jinyou's site.

And he has also heard that Luo Jinyou is so clever, how could he be killed by David so easily?

At this moment, Ning Zhi looked at David with panic.

He was thinking about how to escape, facing David without a trace of fighting spirit.

David also saw that Ning Zhi was timid and was about to run away, so he preempted him!

He suddenly punched Ning Zhi, and he couldn't let Ning Zhi escape with the Qiankun Circle.

Ning Zhi didn't expect David's sudden attack, which made Ning Zhi panic all of a sudden.

He is only a half-step Wuhou now, where is David's opponent.

In a hurry, Ning Zhi threw a punch, trying to block David.

But it was useless, I saw Ning Zhi's arm bending strangely in an instant.

Immediately after being punched heavily in the chest, a blood hole with a fist laughing appeared in Ning Zhi's chest!

Ning Zhi looked at his chest, the whole person was stupid.

However, at this time, Ning Zhi didn't feel any pain, which made him a little unbelievable.

"Waste thing, the strong fight against the strongest, the most fearful and timid, you now hand over your body to me, and I will deal with him..."

The old voice sounded in Ning Zhi's mind.

Ning Zhi hadn't reacted yet, just felt dizzy and didn't know anything.

At this moment, Ning Zhi, who was standing in front of David, suddenly had a strange smile on his face!

"Hehehe..." Ning Zhi let out a weird laugh: "This punch is really good, but it can't kill me at all..."

After speaking, Ning Zhi's body began to change, and then the fist-sized wound healed visibly to the naked eye!

Soon, Ning Zhi's body recovered as before, the muscles on his body exuded a dark light, and the whole person seemed to have changed a body.

David frowned, his eyes full of incredible!

He could really feel at this moment that Ning Zhi's body was constantly changing, and the changes were getting tougher.

Moreover, the temperament and aura of Ning Zhi's whole person have all changed, and it has become completely different.

"who are you?"

David stared at Ning Zhi's eyes and asked coldly.

"Of course I'm Ning Zhi, haven't you always wanted to kill me? Then try it..."

The corners of Ning Zhi's mouth were raised high, and his eyes were deep and terrifying.

Although David didn't know what was going on, he had already sensed the danger!

The golden light on his body began to flicker, the undamaged golden body activated, and pieces of golden scales covered David's body.

"Hahaha, the golden body is not bad, no matter what exercises you use to protect your body, your body will never be better than mine, because mine is an immortal body..."

Ning Zhi raised his head and laughed arrogantly.

David didn't speak. In fact, he was also immortal. As long as Nascent Soul was not destroyed, he could slowly recover.

Chapter 1314

David stared at Ning Zhi, and suddenly rushed towards Ning Zhi again.

When Ning Zhi saw this, the black-gold fist was directly printed on it.

boom!

After a loud bang, the entire warehouse was instantly torn apart, and even the villa in the distance was instantly collapsed by this force.

The smoke and dust were everywhere, covering the bodies of the two people.

David's arms were trembling slightly, and his face was terrifyingly gloomy.

Ning Zhi is only a half-step Marquis' strength, it is impossible to have such strength, and it is even more impossible to stop his hard blow!

But now, not only did Ning Zhi block it, but David's arm also suffered a huge shock force.

"This person will definitely not be Ning Zhi..."

David thought to himself, but the person in front of him wasn't Ning Zhi, so who could it be?

The smoke and dust slowly dissipated. David and Ning Zhi were separated by three meters and looked at each other. Neither of them moved. The punch just now destroyed everything around them!

“You are a half-step Marquis, but suddenly you have become so strong, and your physical body has become extremely powerful. Who are you? Or what kind of evil cultivation method are you using?”

David asked Ning Zhi.

If Ning Zhi was in front of him, then Ning Zhi must have used some technique to strengthen his strength in a short period of time.

“You don’t need to know, you just need to know, you’re going to die soon...”

Ning Zhi looked at David coldly, and the aura on his body began to rise violently.

In this breath, there is endless coercion, as if Ning Zhi at this moment is the arrival of the king!

“I want to see who will die...”

David’s eyes narrowed slightly, and the whole person turned into a gilt, huge golden fist, and smashed it towards Ning Zhi fiercely.

The two people are three meters apart, and this punch is almost in the blink of an eye!

There was a burst of sound in the air, and the entire space seemed to be torn apart by David’s punch, and the terrifying punch spread around!

At first glance, David’s hand seemed to be holding a dazzling sun, and the scorching air was rolling, covering Ning Zhi.

Seeing this, Ning Zhi let out a low roar, and then his body made a popping sound, and then he punched him!

boom!

The sky was falling apart again, the sky and the earth were dark, and the entire Luo family began to shake.

Only this time, David and Ning Zhi still did not move, and the strength of the two was indistinguishable.

David was already in shock at this moment. He really did not expect that Ning Zhi would have such strength.

How could a half-step Marquis, in just a few days, grow in strength so quickly?

David can't understand, really can't understand.

And at this moment, Ning Zhi was also in a storm. He didn't expect David's strength to be so strong!

"Such a powerful strength, if you can absorb your skills, it will be twice the result with half the effort..."

Ning Zhi's eyes narrowed slightly, and then he said gloomily.

When David heard this, his face changed slightly: "Are you a cultivator?"

David had never heard of Ning Zhihui's evil cultivation method, which is the same as absorbing the stars.

“Haha, it doesn’t matter if it is an evil cultivator or not. In the current martial arts world, where is the distinction between good and evil!”

“The Martial Arts Alliance is the leader of the sect, but so what? Does the Martial Arts Alliance have no evil cultivators?”

Ning Zhi laughed.

Hearing this in David’s ears, he didn’t have the slightest way to refute it.

Because the Martial Dao Alliance does have evil cultivators, and there are many aristocratic sects, in order to quickly improve their strength, they secretly practice evil arts!

What kind of evil cultivation is not evil, for many people, it is not important, they only value their own strength, just want to improve their own strength.

Chapter 1315

“Whether you are an evil cultivator or not, you are going to die...”

David gritted his teeth.

“Really? Then try...”

After Ning Zhi finished speaking, the black and gold color on the whole body began to skyrocket, and then a huge fist, like a shooting star, came towards David ruthlessly.

Seeing this, David didn’t dare to be careless at all, with a dazzling golden light all over his body, he directly greeted him.

The two people collided in an instant, and the terrifying aura began to spread rapidly, and there was nothing in the radius of 100 meters!

With this punch, David mobilized all the power of the dragon, and the golden dragon hovered on David's arm.

After a punch was thrown, a dragon roar sounded.

Ning Zhi's consciousness was shaken by Long Yin, and there was a little doubt, while David slammed a fist on Ning Zhi's fist.

click

Ning Zhi's arm instantly bent down and his bones were broken.

This time, Ning Zhi's figure took a few steps backwards, and his face became a little ugly.

That shadow was just a wisp of consciousness, not the body, so the shadow in Ning Zhi's body couldn't bear it.

As the breath on Ning Zhi waned, Ning Zhi's consciousness instantly regained his body.

Looking at his broken arm, Ning Zhi's forehead was full of cold sweat!

At this moment, David felt that the breath of Ning Zhi changed again.

Ning Zhi's eyes looked at David, and he began to have fear, as if another person had changed.

"Hmph, no matter what tricks you play, you must die..."

David said, his body jumped up.

This time, Ning Zhi was terrified, and hurriedly roared, black qi began to appear around his body.

These black qi instantly formed a wall in Ning Zhi's body, helping Ning Zhi to resist David's attack!

On the other hand, Ning Zhi turned around and ran back. He had to escape as soon as possible.

Otherwise, he would really die at the hands of David.

But David's punch hit the barrier in front of Ning Zhi, just like hitting a thin piece of glass, instantly shattering the barrier.

Immediately afterwards, David's punch hit Ning Zhi's body, and Ning Zhi's body was knocked out.

This punch almost shattered Ning Zhi's entire body.

Ning Zhi roared, the person was still in the air, he suddenly threw out the universe circle, and a space-time black hole appeared in the air!

Seeing this, David knew that Ning Zhi was about to escape, and his figure disappeared in a flash, chasing towards Na Ning Zhi.

Soon, Ning Zhi's body passed through the black hole, and just as the black hole was shrinking, David grabbed the universe circle!

He didn't go after Ning Zhi. The purpose of David's visit this time was the Qiankun circle in Ning Zhi's hands.

David was holding on to the Qiankun circle, and the universe circle was constantly shrinking, and David's entire arm entered the black hole.

The violent space-time distortion caused David to suffer severe pain!

However, David held on tightly and did not dare to let go.

"what..."

David's face flushed, and the spiritual power of his whole body was mobilized, followed by a roar!

David ripped apart the space abruptly, and pulled the universe circle out of the black hole.

David was holding the Qiankun Circle, his arms were shaking constantly, and his arms were already bloody!

David looked at the Qiankun circle in his hand, with mixed feelings in his heart!

“Sonya, wait for me, I will definitely rescue you, don’t worry...”

David secretly swore in his heart!

David came out of Luo’s house, left Mobei directly, and went straight to Kyoto.

As for where Ningzhi escaped, David doesn’t care anymore. His main thing now is to rescue Sonya and then his mother.

This is David’s top priority right now, the most important thing, but after breaking into the martial arts alliance, David realized that his strength still lacks a lot.

Chapter 1316

Tens of miles away, Ning Zhi was already exhausted and fell to the ground!

At this moment, Ning Zhi was in pain all over his body, his bones were all broken, and he was able to escape here, thanks to the help of Qiankun Circle.

But at this time, the Qiankun Circle disappeared, and he knew that it must have been snatched by David.

“David, I won’t kill you, I swear I won’t be human...”

Ning Zhi roared loudly.

“I only know how to scream, I have a f. art, let’s improve my strength first...”

In his mind, the old voice said disdainfully.

“I...but how do I improve my strength, I have no resources...”

Ning Zhi also wanted to improve, but without the resources, how to improve his strength?

“Waste, didn’t I say, absorb other people’s skills and essence?”

The old voice reminded Ning Zhi in dissatisfaction.

Ning Zhi’s eyes shone with light, and he finally gritted his teeth: “Okay, I will listen to you...”

After Ning Zhi finished speaking, he was instantly enveloped in black mist, and the broken bones were all reconnected.

At this moment, a Wuzong happened to pass by, and Ning Zhi rushed up with a hungry tiger.

After a while, Ning Zhi’s eyes were scarlet, and he stood up with a contented face.

But at this time, half of Ning Zhi’s face was festering, and the blood on his face was blurred, which was very scary.

Ning Zhi was very surprised to find his own change.

“Don’t worry, this is a side effect, but soon your body will grow back. From now on, you can hunt other people’s skills.”

The old voice said with satisfaction.

Ning Zhi didn't say anything, but found a black dress to wear on his body, and his head was also covered with a black scarf!

Since then, there has been another evil cultivator in the martial arts world who absorbs the power of others.

...

Kyoto, the martial arts alliance!

Zhu Zhishan's face was ugly, this time he did not sit on the main seat, but sat on the side!

There was no one when the Lord was sitting, but there was a voice coming from the direction where the Lord was sitting.

Sitting on both sides of the hall are the high-level officials of the Martial Arts Alliance, each of them is very face-to-face, but each of them is in the realm of Marquis!

It can be seen that Zhu Zhishan is not the leader of the alliance in the eyes of these people, and Zhu Zhishan is also very respectful to these people!

"Zhu Zhishan, you are the leader of the Martial Arts Alliance, but a young boy broke into the forbidden area of the alliance and killed several people. Do you know the crime?"

A voice seemed to come from the sky, and it seemed to come from the back of the Lord's seat.

Just hearing this sound makes me shudder!

Zhu Zhishan shivered all over, sweating coldly, and knelt on the ground with a thud.

“Damn the villain, please be merciful to the master...”

Zhu Zhishan trembled and was so frightened!

A dignified martial arts alliance leader, a martial arts master, was actually scared like this at this moment.

If anyone saw it, it would be a big joke.

“Are you sure you will kill that David? This son must not be kept...”

The man called Mighty asked.

“Yes, I will definitely be able to kill David, please rest assured...”

Zhu Zhishan vowed to say, but the conversation changed: “It’s just, it’s just Mr. Shi’s place...”

“Humph...”

A cold snort sounded, and Zhu Zhishan’s body seemed to be hit by a huge force in an instant.

Immediately after, the body flew out and fell to the ground.

Zhu Zhishan was startled, did not dare to hesitate at all, and immediately climbed back into the hall.

Everyone was on pins and needles. They had never seen the face of this almighty, but this almighty snorted, leaving a Marquis without the power to fight back, showing how powerful this almighty is!

“Don’t worry, I will definitely kill that David...”

Zhu Zhishan swore to guarantee it.

After Zhu Zhishan finished speaking, the atmosphere in the entire hall suddenly relaxed, and everyone breathed a sigh of relief, proving that the great master had left.

Chapter 1317

“Zhu Zhishan, you can do it yourself. If you can’t handle this matter, we don’t mind re-appointing a martial arts alliance leader...”

Those high-level officials all gave a cold warning to Zhu Zhishan.

After speaking, these people have already left the Martial Arts Alliance in the blink of an eye!

Looking at the empty hall, Zhu Zhishan clenched his teeth tightly and clenched his fists!

“David, it seems that you must die...”

A cold glow flashed in Zhu Zhishan’s eyes.

...

Law Enforcement Pavilion!

Mr. Shi has recently started living in the Dharma Protector Pavilion. Mr. Shi's behavior made Zao Wou-Ki know that the martial arts world in Kyoto is about to become unstable.

"Mr. Shi, recently various departments in Mobei came to report, and in several places in Mobei, it was found that there are people in black absorbing the essence of people everywhere!"

"Some martial arts masters have not been spared, and now the entire Mobei martial arts world is panicking..."

Xing Jun, the captain of the law enforcement team, reported to Mr. Shi Hui with a solemn expression.

Zao Wou-Ki listened and couldn't help but stunned. Even a strong man like President Wu could be sucked into the essence, so this man in black is too powerful.

"Find out who did it?"

Mr. Shi asked Xing Jun.

Xing Jun shook his head: "No, this person's technique is completely different from those of the past evil cultivators!"

“The martial arts world has not seen such a thing for many years. I didn’t expect that there are still evil cultivators who dare to be so presumptuous...”

Xing Jun was very angry. The occurrence of such a bad incident is the negligence of their law enforcement team.

Mr. Shi did not speak, but fell into silence.

After a while, he slowly opened his mouth and said, “Notify the martial arts alliances in various places and strengthen their precautions. In the future, there will be more and more such things. After all, what should come is coming...”

Zao Wou-Ki and Xing Jun looked at Mr. Shi, and they were a little surprised, because it didn’t look like Mr. Shi’s style at all!

If there was such a bad incident in the past, Mr. Shi would definitely be very angry and take action himself.

But this time, Mr. Shi doesn’t seem to have any intention of making a move!

But the two of them didn’t dare to ask, and could only obey orders.

...

Quwu Mountain, thousands of kilometers away from Kyoto!

There is a Quwu Sect on the mountain. Long Xiao's master, Master Dingchan, is the host here, and at this moment Long Xiao is also in this Sect!

Long Xiao has not been down the mountain since his bones were broken by David two months ago and brought to the mountain by Master Dingchan.

At this time, Long Xiao was still lying on the bed, covered with gauze. It had been two months, and his body had not changed in the slightest!

Master Ding Chan also tried his best, but it seems that the effect is not good.

Not to mention making Long Xiao reach the realm of Marquis, now even making Long Xiao stand up is difficult.

"Master, when will I be able to stand up and when will I be able to stand up?"

Long Xiao roared, and after lying in bed for two months, he had already collapsed a little.

"Long Xiao, don't worry, Master is thinking of a way!"

Master Dingchan could only comfort Long Xiao.

"Master, don't lie to me, will I never be able to stand up again? Will I never be able to take revenge on David?"

Long Xiao asked Master Dingchan unwillingly.

Master Dingchan sighed, he didn't speak, but the expression on his face said everything.

He exhausted all his methods, but he couldn't cure Long Xiao. He was in a dilemma now, how could he explain to Long Jingguo.

Seeing Master Dingchan's appearance, Long Xiao suddenly shouted hysterically, "Why? Why? God is unfair to me..."

"I want to kill that David, I want him to have a taste of lying in bed, I want to kill him..."

Long Xiao was so excited that all the bandages on his body were broken, so Master Dingchan hurriedly held Long Xiao down.

Chapter 1318

"Long Xiao, please be quiet, it's not that you have no chance at all, it's just... just..."

Master Ding Chan hesitated.

"Master, is there anything you can do? Say it, say it..."

Long Xiao seemed to see hope in his eyes.

"If you want to recover now, you must have evil spirits enter your body and let evil spirits restore your body..."

Master Ding Chan gritted his teeth and said.

When Long Xiao heard this, he instantly fell into confusion. He didn't understand what evil spirits were entering into the body, and he didn't understand what Master Dingchan said.

“Master, what do you mean? As long as I can recover, I can do anything...”

Long Xiao now just wants to recover his body and take revenge, no matter what kind of evil spirit he is.

“Long Xiao, you have to think about it. If evil spirits enter your body, your whole person will be neither a ghost nor a ghost, and it may even devour your soul...”

Master Dingchan followed Long Xiao to talk about the dangers of evil spirits entering the body.

“Master, you can do anything, it's better than lying in bed all your life, I'm willing to...”

Long Xiao shouted desperately.

Master Dingchan pondered for a moment, then gritted his teeth fiercely and said, “Okay, as a teacher, I will fulfill you...”

After all, Master Dingchan walked out of the room, but returned soon.

But this time, I was holding a wooden fish in my hand, and the delicate wooden fish was covered with dust.

Master Ding Chan gently wiped off the dust and fixed his eyes on the wooden fish in his hand: “I hope my decision will not be wrong...”

After Master Dingchan finished speaking, he saw words in his mouth, and a golden light shone out of the wooden fish.

Seeing this situation, Long Xiao immediately widened his eyes.

In an instant, a black mist emanated from the wooden fish, and then the whole room was as cold as winter!

I saw a black shadow floating in the air!

“Hahaha...I’m finally free...”

The black shadow laughed wildly.

Long Xiao was a little dumbfounded when he saw this scene.

“I let you out, I hope you can restore my apprentice’s body...”

At this time, Master Ding Chan said lightly.

He didn’t seem to be surprised at all, he should have known for a long time that there was a dark shadow in this wooden fish!

The black shadow glanced at Master Dingchan, and then at Long Xiao who was lying on the bed.

“It’s a good seedling with talent, this body is exactly what I want...”

After he finished speaking, he saw Long Xiao's body that the black shadow penetrated instantly.

Long Xiao's eyes were wide open, his face full of horror, he only felt dizzy for a while, and then there seemed to be other people's voices in his mind.

"Don't resist, or the old man will hurt your consciousness, and your body will be useless..."

In his mind, the black shadow warned Long Xiao.

Master Dingchan also hurriedly said at the moment: "Long Xiao, since you chose it yourself, you have to accept it, don't be afraid, don't resist..."

Slowly, Long Xiao settled down, and then a black mist wrapped Long Xiao's body in it.

After a while, the black mist dissipated, Long Xiao's body became extremely bright, and his muscles became very firm.

Long Xiao looked at himself in surprise, and suddenly stood up from the bed, with terrifying rays of light flashing in his eyes.

"Hahaha...hahaha, I really recovered!"

"I want that David to die..."

Long Xiao laughed wildly.

"Long Xiao, your current strength needs more practice, otherwise it's not David's opponent..."

Master Dingchan persuaded Long Xiao.

“Really?” Long Xiao suddenly looked at Master Ding Chan sullenly, with a very strange smile on his face.

Master Ding Chan frowned, and a bad premonition rose in his heart.

But just when Master Dingchan was about to step back, Long Xiao suddenly shot and slapped Master Dingchan on the head.

In an instant, the power in Master Dingchan’s body began to be absorbed by Long Xiao frantically.

Chapter 1319

Kyoto.

In the alley where the Martial Arts Alliance was once, David came here again.

The last time, David was brought here by Ning Zhi and met Sonya.

This time, David brought the Qiankun circle himself, and he wanted to find a way to rescue Sonya.

With the space magic tool of Qiankun Circle, it should not be difficult to rescue Sonya.

Looking around, David found that no one was paying attention. David took out the Qiankun circle and penetrated deeply into the Qiankun circle!

Soon, the Qiankun Circle flashed a faint light, and then David threw the Qiankun Circle in the air!

A black hole appeared in mid-air, David saw this, jumped up in a hurry, and jumped into the black hole!

A burst of light flashed, and David instantly appeared in the dungeon of the Martial Arts Alliance!

I saw that the rooms in the dungeon were locked by iron doors, and when I heard movement, people kept looking out from the iron doors.

David didn't have time to observe the people in these dungeons, and ran desperately towards the cell at one end, where he knew that Sonya was imprisoned.

When David ran to the cell where Sonya was being held, he found that Sonya was lying on the bed on her side, and the environment in the cell was not bad.

But even if it is good, it is a prison cell, and there is no freedom and sunshine!

"Sonya..."

David called out softly.

Sonya's tender body trembled, and she hurriedly got up and looked over. When she saw David, she was stunned, and tears flowed out instantly.

Sonya ran to the door of the cell, stepped forward through the fence and grabbed David's hand tightly.

“David, why are you here?”

Sonya asked excitedly.

“I’m here to rescue you, I don’t want you to be locked here...”

David said hurriedly.

Just when David was holding Sonya’s hand tightly, he suddenly found that Sonya’s arm was densely filled with needle eyes!

This time, David was stunned, looking at Sonya’s arm, his whole body trembled with extreme anger.

He knew what the eyes of the needles represented.

These guys from the Martial Arts Alliance kept Sonya in captivity as a tool for blood collection.

Looking at Su Ya, tears flowed out of David’s eyes instantly, his teeth rattled, he was remorse, regretting why he was incompetent and couldn’t rescue Sonya earlier.

Seeing David crying bitterly, Sonya hurriedly stretched out her hand and helped David to wipe her tears: “Men, why are you crying, I’m fine, eat well, live well, they dare not treat me like that .”

The more Sonya is like this, the more uncomfortable David’s heart is!

“Sonya, get out of the way, I’ll save you now...”

David said to Sonya.

He made Sonya step back, and then a golden light flashed on his hands, and all the power of the dragon was condensed in his hands.

David grabbed the railing, and then suddenly tried to break the railing!

David could have ten thousand jins of strength this time, but such a great strength did not cause any damage to the iron railing, and the railing was not deformed at all.

Seeing this, David knew that the cell must have been used a technique, so he stretched out his hand and took out the Dragon Slaying Sword!

The Dragon Slaying Sword was held in David’s hand, making a buzzing sound.

Immediately after a dragon roar, David slashed towards the cell with his sword.

clang...

The huge roar almost burst the eardrums, and the whole dungeon was buzzing!

The flames splashed, David’s wrists were numb, but the cell still did not change in the slightest!

“It’s impossible, impossible...”

Seeing this, David roared, the blue veins on his neck bulged, and his eyes were scarlet!

The power of the dragon in the whole body was mobilized, and the spiritual power in the dantian poured out like a tide.

Chapter 1320

“I will definitely rescue you...”

The Dragon Slaying Sword in David’s hand was desperately slashing towards the cell!

clang clang clang...

The sound is endless, and the entire dungeon seems to be collapsing!

But even so, the cell remained unmoved.

In a dark room in the deepest part of the dungeon, with no fingers, a man sat cross-legged on the ground and suddenly opened his eyes.

Two faint green lights burst out from his eyes.

With the corners of his mouth up, the man showed a smile, and then his eyes were closed again.

David’s whole body trembled suddenly, and he felt a very terrifying and terrifying aura, but that aura was only fleeting!

But David couldn’t think about it, he had to rescue Sonya first.

After more than a dozen swords, David's forehead was already covered in cold sweat, but there was still no sign of damage to the sturdy cell.

"David, the prison cell of the Martial Arts Alliance must be very strong. If you can't open it, you should leave quickly. I believe someone will come soon!"

"As long as you are safe outside, I'm relieved, I'm fine here, don't worry..."

Sonya persuaded David loudly.

But at this time, David was already anxious, and he wanted to rescue Sonya at all.

Davidhuang glared, biting the tip of his tongue fiercely, and then the blood from the tip of the tongue instantly sprayed onto Zhanlongjian.

The Dragon Slaying Sword began to vibrate violently, and a dragon roar sounded.

"David, are you crazy?"

Seeing this, Sonya shouted loudly to David.

At this moment, David was crazy enough to burn his own blood essence. You must know that burning blood essence will cause great damage to the body. If it is serious, the whole person will be ruined.

But now David, how can he still hear it, the whole person is like a mad beast, desperately charging the cell!

David didn't know how many cuts he had cut, and the tiger's mouth was shaken to the point of bleeding.

"How did that happen?"

David sat paralyzed on the ground, his face full of despair.

He exhausted all his tricks, but he couldn't open the cell and rescue Sonya.

It seems that this martial arts alliance is really not easy.

David looked at Sonya helplessly, the two were close at hand, but he was powerless.

Sonya looked at David's tiger mouth dripping with blood, and the whole person was so distressed that she hurriedly pulled off the silk scarf and wrapped it up for David.

David looked at Sonya with tears in his eyes: "Sonya, don't worry, I will kill everyone in the Martial Arts Alliance, and I will make them pay the price of blood..."

A cold light flashed in David's eyes, and his murderous aura continued to permeate. At this moment, David's hatred for the Martial Arts Alliance had reached its peak.

"Don't worry about me, they won't treat me like that. You must take care of yourself. You should leave quickly. If you don't leave, it will be too late..."

After Sonya wrapped up David, she persuaded David.

David held Sonya's hand tightly and didn't let go at all. He didn't want to leave, and was reluctant to leave.

After leaving, I don't know when I can see Sonya.

He originally thought that when he reached Marquis Wu, he could rescue Sonya, but now it seems that he is too naive.

rumbling...

At this moment, a rumbling sound came, followed by several powerful breaths coming towards this side.

David knew that it was the people from the Martial Arts Alliance who came.

Sonya pushed David away desperately: "David, hurry up, hurry up, as long as you protect yourself, I have hope, do you remember?"

David looked at Sonya, he didn't want to leave, he didn't want to see Sonya stay here by herself.

"David, if you don't leave, I'll just pretend to be dead here, so that you never have to worry about me..."

Sonya knew that if David didn't leave, he might not be able to leave, so she threatened David.
